1 Section 5-10. The State Budget Law of the Civil
2 Administrative Code of Illinois is amended by changing
3 Sections 50-5 and 50-40 as follows:

4 (15 ILCS 20/50-5)

5 Sec. 50-5. Governor to submit State budget.

6 (a) The Governor shall, as soon as possible and not later
7 than the second Wednesday in March in 2010 (March 10, 2010),
8 the third Wednesday in February in 2011, the fourth Wednesday
9 in February in 2012 (February 22, 2012), the first Wednesday
10 in March in 2013 (March 6, 2013), the fourth Wednesday in March
11 in 2014 (March 26, 2014), the first Wednesday in February in
12 2022 (February 2, 2022), and the third Wednesday in February
13 of each year thereafter, except as otherwise provided in this
14 Section, submit a State budget, embracing therein the amounts
15 recommended by the Governor to be appropriated to the
16 respective departments, offices, and institutions, and for all
17 other public purposes, the estimated revenues from taxation,
18 and the estimated revenues from sources other than taxation.
19 Except with respect to the capital development provisions of
20 the State budget, beginning with the revenue estimates
21 prepared for fiscal year 2012, revenue estimates shall be
22 based solely on: (i) revenue sources (including non-income
23 resources), rates, and levels that exist as of the date of the
24 submission of the State budget for the fiscal year and (ii)
25 revenue sources (including non-income resources), rates, and

1 levels that have been passed by the General Assembly as of the
2 date of the submission of the State budget for the fiscal year
3 and that are authorized to take effect in that fiscal year.
4 Except with respect to the capital development provisions of
5 the State budget, the Governor shall determine available
6 revenue, deduct the cost of essential government services,
7 including, but not limited to, pension payments and debt
8 service, and assign a percentage of the remaining revenue to
9 each statewide prioritized goal, as established in Section
10 50-25 of this Law, taking into consideration the proposed
11 goals set forth in the report of the Commission established
12 under that Section. The Governor shall also demonstrate how
13 spending priorities for the fiscal year fulfill those
14 statewide goals. The amounts recommended by the Governor for
15 appropriation to the respective departments, offices and
16 institutions shall be formulated according to each
17 department's, office's, and institution's ability to
18 effectively deliver services that meet the established
19 statewide goals. The amounts relating to particular functions
20 and activities shall be further formulated in accordance with
21 the object classification specified in Section 13 of the State
22 Finance Act. In addition, the amounts recommended by the
23 Governor for appropriation shall take into account each State
24 agency's effectiveness in achieving its prioritized goals for
25 the previous fiscal year, as set forth in Section 50-25 of this
26 Law, giving priority to agencies and programs that have

1 demonstrated a focus on the prevention of waste and the
2 maximum yield from resources.

3 The Governor shall also present periodic budget addresses
4 throughout the fiscal year at the invitation of the General
5 Assembly.

6 The Governor shall not propose expenditures and the
7 General Assembly shall not enact appropriations that exceed
8 the resources estimated to be available, as provided in this
9 Section. Appropriations may be adjusted during the fiscal year
10 by means of one or more supplemental appropriation bills if
11 any State agency either fails to meet or exceeds the goals set
12 forth in Section 50-25 of this Law.

13 For the purposes of Article VIII, Section 2 of the 1970
14 Illinois Constitution, the State budget for the following
15 funds shall be prepared on the basis of revenue and
16 expenditure measurement concepts that are in concert with
17 generally accepted accounting principles for governments:

- 18 (1) General Revenue Fund.
- 19 (2) Common School Fund.
- 20 (3) Education ~~Educational~~ Assistance Fund.
- 21 (4) Road Fund.
- 22 (5) Motor Fuel Tax Fund.
- 23 (6) Agricultural Premium Fund.

24 These funds shall be known as the "budgeted funds". The
25 revenue estimates used in the State budget for the budgeted
26 funds shall include the estimated beginning fund balance, plus

1 revenues estimated to be received during the budgeted year,
2 plus the estimated receipts due the State as of June 30 of the
3 budgeted year that are expected to be collected during the
4 lapse period following the budgeted year, minus the receipts
5 collected during the first 2 months of the budgeted year that
6 became due to the State in the year before the budgeted year.
7 Revenues shall also include estimated federal reimbursements
8 associated with the recognition of Section 25 of the State
9 Finance Act liabilities. For any budgeted fund for which
10 current year revenues are anticipated to exceed expenditures,
11 the surplus shall be considered to be a resource available for
12 expenditure in the budgeted fiscal year.

13 Expenditure estimates for the budgeted funds included in
14 the State budget shall include the costs to be incurred by the
15 State for the budgeted year, to be paid in the next fiscal
16 year, excluding costs paid in the budgeted year which were
17 carried over from the prior year, where the payment is
18 authorized by Section 25 of the State Finance Act. For any
19 budgeted fund for which expenditures are expected to exceed
20 revenues in the current fiscal year, the deficit shall be
21 considered as a use of funds in the budgeted fiscal year.

22 Revenues and expenditures shall also include transfers
23 between funds that are based on revenues received or costs
24 incurred during the budget year.

25 Appropriations for expenditures shall also include all
26 anticipated statutory continuing appropriation obligations

1 that are expected to be incurred during the budgeted fiscal
2 year.

3 By March 15 of each year, the Commission on Government
4 Forecasting and Accountability shall prepare revenue and fund
5 transfer estimates in accordance with the requirements of this
6 Section and report those estimates to the General Assembly and
7 the Governor.

8 For all funds other than the budgeted funds, the proposed
9 expenditures shall not exceed funds estimated to be available
10 for the fiscal year as shown in the budget. Appropriation for a
11 fiscal year shall not exceed funds estimated by the General
12 Assembly to be available during that year.

13 ~~(b) By February 24, 2010, the Governor must file a written~~
14 ~~report with the Secretary of the Senate and the Clerk of the~~
15 ~~House of Representatives containing the following:~~

16 ~~(1) for fiscal year 2010, the revenues for all~~
17 ~~budgeted funds, both actual to date and estimated for the~~
18 ~~full fiscal year;~~

19 ~~(2) for fiscal year 2010, the expenditures for all~~
20 ~~budgeted funds, both actual to date and estimated for the~~
21 ~~full fiscal year;~~

22 ~~(3) for fiscal year 2011, the estimated revenues for~~
23 ~~all budgeted funds, including without limitation the~~
24 ~~affordable General Revenue Fund appropriations, for the~~
25 ~~full fiscal year; and~~

26 ~~(4) for fiscal year 2011, an estimate of the~~

1 ~~anticipated liabilities for all budgeted funds, including~~
2 ~~without limitation the affordable General Revenue Fund~~
3 ~~appropriations, debt service on bonds issued, and the~~
4 ~~State's contributions to the pension systems, for the full~~
5 ~~fiscal year.~~

6 Between July 1 and August 31 of each fiscal year, the
7 members of the General Assembly and members of the public may
8 make written budget recommendations to the Governor.

9 ~~The Beginning with budgets prepared for fiscal year 2013,~~
10 ~~the~~ budgets submitted by the Governor and appropriations made
11 by the General Assembly for all executive branch State
12 agencies must adhere to a method of budgeting where each
13 priority must be justified each year according to merit rather
14 than according to the amount appropriated for the preceding
15 year.

20 Sec. 605-1075. Energy Transition Assistance Fund.

21 (a) The General Assembly hereby declares that management
22 of several economic development programs requires a
23 consolidated funding source to improve resource efficiency.
24 The General Assembly specifically recognizes that properly
25 serving communities and workers impacted by the energy

1 transition requires that the Department of Commerce and
2 Economic Opportunity have access to the resources required for
3 the execution of the programs for workforce and contractor

5 support, and the implementation and administration of energy
6 and justice efforts by the State.

7 (b) The Department shall be responsible for the

11 available amount of resources in the Fund that can be
12 allocated to the programs identified in this Section, and
13 allocate the funding accordingly. The Department shall, to the
14 extent practical, consider both the short-term and long-term

16 Department is able to cover both the short-term and long-term
17 costs of these programs using projected revenue.

18 The available funding for each year shall be allocated
19 from the Fund in the following order of priority:

5 (6) for costs related to the Returning Residents Clean
6 Jobs Training Program, up to \$6,000,000 annually;

22 the Illinois Power Agency Operations Fund for use by the
23 Illinois Power Agency; and

24 (13) for costs related to the Clean Energy Jobs and
25 Justice Fund, up to \$1,000,000 annually.

26 The Department is authorized to utilize up to 10% of the

1 Energy Transition Assistance Fund for administrative and
2 operational expenses to implement the requirements of this
3 Act.

4 (c) Within 30 days after the effective date of this
5 amendatory Act of the 102nd General Assembly, each electric

21 of this amendatory Act of the 102nd General Assembly and
22 December 31, 2021;

23 (2) determine, based on the kilowatt-hour deliveries

15 offered by, or under contract with, a county State's
16 Attorney's office, a probation and court services department,
17 Mothers Against Drunk Driving, or the Alliance Against

13 (h) Whenever an individual is sentenced for an offense
14 based upon an arrest for a violation of Section 11-501 or a

23 of this Act,

24 (1) any adopted or surrendered person 21 years of age

1 or over; or

2 (2) any adoptive parent or legal guardian of an
3 adopted or surrendered person under the age of 21; or

4 (3) any birth parent of an adopted or surrendered
5 person who is 21 years of age or over; or

6 (4) any adult child or adult grandchild of a deceased
7 adopted or surrendered person; or

8 (5) any adoptive parent or surviving spouse of a
9 deceased adopted or surrendered person; or

10 (6) any adult birth sibling of the adult adopted or

13 Denial of Information Exchange with the Registry and is
14 not deceased; or

15 (7) any adult adopted birth sibling of an adult
16 adopted or surrendered person; or

17 (8) any adult birth sibling of the birth parent if the
18 birth parent is deceased; or

19 (9) any birth grandparent

20 may petition the court in any county in the State of Illinois
21 for appointment of a confidential intermediary as provided in
22 this Section for the purpose of exchanging medical information
23 with one or more mutually consenting biological relatives,
24 obtaining identifying information about one or more mutually
25 consenting biological relatives, or arranging contact with one
26 or more mutually consenting biological relatives. The

1 petitioner shall be required to accompany his or her petition
2 with proof of registration with the Illinois Adoption Registry
3 and Medical Information Exchange.

4 (a-4) The adoptive parent or legal guardian of an adopted
5 or surrendered person under the age of 21 may also petition the
6 court for the appointment of a confidential intermediary for
7 purposes of obtaining identifying information or arranging
8 contact with a mutually consenting adoptive parent or legal
9 guardian of a birth sibling of the petitioner's adopted or
10 surrendered child under the age of 21.

11 (a-5) In addition, any former youth in care as defined in
12 Section 4d of the Children and Family Services Act who was
13 adopted or surrendered may petition the court in any county in
14 the State for appointment of a confidential intermediary as
15 provided in this Section for the purposes of obtaining
16 identifying information or arranging contact with (i) siblings
17 or birth relatives if the former youth in care is between the
18 ages of 18 and 21 or (ii) former foster parents or foster
19 siblings if the former youth in care is over the age of 18. A
20 petitioner under this subsection is not required to register
21 with the Illinois Adoption Registry and Medical Information
22 Exchange.

23 (b) Petition. Upon petition, the court shall appoint a
24 confidential intermediary. The petition shall indicate if the
25 petitioner wants to do any one or more of the following as to
26 the sought-after relative or relatives: exchange medical

1 information with the biological relative or relatives, obtain
2 identifying information from the biological relative or
3 relatives, or to arrange contact with the biological relative.

4 (c) Order. The order appointing the confidential
5 intermediary shall allow that intermediary to conduct a search
6 for the sought-after relative by accessing those records
7 described in subsection (g) of this Section.

8 (d) Fees and expenses. The court shall not condition the
9 appointment of the confidential intermediary on the payment of
10 the intermediary's fees and expenses in advance of the
11 commencement of the work of the confidential intermediary. No
12 fee shall be charged to any petitioner.

13 (e) Eligibility of intermediary. The court may appoint as
14 confidential intermediary any person certified by the
15 Department of Children and Family Services as qualified to
16 serve as a confidential intermediary. Certification shall be
17 dependent upon the confidential intermediary completing a
18 course of training including, but not limited to, applicable
19 federal and State privacy laws.

20 (f) (Blank).

21 (g) Confidential intermediary access to information.
22 Subject to the limitations of subsection (i) of this Section,
23 the confidential intermediary shall have access to vital
24 records maintained by the Department of Public Health and its
25 local designees for the maintenance of vital records, or a
26 comparable public entity that maintains vital records in

1 another state in accordance with that state's laws, and all
2 records of the court or any adoption agency, public or
3 private, as limited in this Section, which relate to the
4 adoption or the identity and location of an adopted or
5 surrendered person, of an adult child or surviving spouse of a
6 deceased adopted or surrendered person, or of a birth parent,
7 birth sibling, or the sibling of a deceased birth parent. The
8 confidential intermediary shall not have access to any
9 personal health information protected by the Standards for
10 Privacy of Individually Identifiable Health Information
11 adopted by the U.S. Department of Health and Human Services
12 under the Health Insurance Portability and Accountability Act
13 of 1996 unless the confidential intermediary has obtained
14 written consent from the person whose information is being
15 sought by an adult adopted or surrendered person or, if that
16 person is a minor child, that person's parent or guardian.
17 Confidential intermediaries shall be authorized to inspect
18 confidential relinquishment and adoption records. The
19 confidential intermediary shall not be authorized to access
20 medical records, financial records, credit records, banking
21 records, home studies, attorney file records, or other
22 personal records. In cases where a birth parent is being
23 sought, an adoption agency shall inform the confidential
24 intermediary of any statement filed pursuant to Section 18.3,
25 hereinafter referred to as "the 18.3 statement", indicating a
26 desire of the surrendering birth parent to have identifying

1 information shared or to not have identifying information
2 shared. Information provided to the confidential intermediary
3 by an adoption agency shall be restricted to the full name,
4 date of birth, place of birth, last known address, last known
5 telephone number of the sought-after relative or, if
6 applicable, of the children or siblings of the sought-after
7 relative, and the 18.3 statement. If the petitioner is an
8 adult adopted or surrendered person or the adoptive parent of
9 a minor and if the petitioner has signed a written
10 authorization to disclose personal medical information, an
11 adoption agency disclosing information to a confidential
12 intermediary shall disclose available medical information
13 about the adopted or surrendered person from birth through
14 adoption.

15 (h) Missing or lost original birth certificate; remedy.
16 Disclosure of information by the confidential intermediary
17 shall be consistent with the public policy and intent of laws
18 granting original birth certificate access as expressed in
19 Section 18.04 of this Act. The confidential intermediary shall
20 comply with the following procedures in disclosing information
21 to the petitioners:

22 (1) If the petitioner is an adult adopted or
23 surrendered person, or the adult child, adult grandchild,
24 or surviving spouse of a deceased adopted or surrendered
25 person, the confidential intermediary shall disclose:

26 (A) identifying information about the birth parent

1 of the adopted person and about the adult adopted or
2 surrendered person, which, in the ordinary course of
3 business, would have been reflected on the original
4 filed certificate of birth, as of the date of birth,
5 only if:

6 (i) the adopted person was born before January
7 1, 1946 and the petitioner has requested a
8 non-certified copy of the adopted person's
9 original birth certificate under Section 18.1 of
10 this Act, and the Illinois Department of Public
11 Health has issued a certification that the
12 original birth certificate was not found, or the
13 petitioner has presented the confidential
14 intermediary with the non-certified copy of the
15 original birth certificate which omits the name of
16 the birth parent;

17 (ii) the adopted person was born after January
18 1, 1946, and the petitioner has requested a
19 non-certified copy of the adopted person's
20 original birth certificate under Section 18.1 of
21 this Act and the Illinois Department of Public
22 Health has issued a certification that the
23 original birth certificate was not found.

24 In providing information pursuant to this
25 subdivision (h)(1)(A), the confidential intermediary
26 shall expressly inform the petitioner in writing that

1 since the identifying information is not from an
2 official original certificate of birth filed pursuant
3 to the Vital Records Act, the confidential
4 intermediary cannot attest to the complete accuracy of
5 the information and the confidential intermediary
6 shall not be liable if the information disclosed is
7 not accurate. Only information from the court files
8 shall be provided to the petitioner in this Section.
9 If the identifying information concerning a birth
10 father is sought by the petitioner, the confidential
11 intermediary shall disclose only the identifying
12 information of the birth father as defined in Section
13 18.06 of this Act;

14 (B) the name of the child welfare agency which had
15 legal custody of the surrendered person or
16 responsibility for placing the surrendered person and
17 any available contact information for such agency;

18 (C) the name of the state in which the surrender
19 occurred or in which the adoption was finalized; and

20 (D) any information for which the sought-after
21 relative has provided his or her consent to disclose
22 under paragraphs (1) through (4) of subsection (i) of
23 this Section.

24 (2) If the petitioner is an adult adopted or
25 surrendered person, or the adoptive parent of an adult
26 adopted or surrendered person under the age of 21, or the

1 adoptive parent of a deceased adopted or surrendered
2 person, the confidential intermediary shall provide, in
3 addition to the information listed in paragraph (1) of
4 this subsection (h):

5 (A) any information which the adoption agency
6 provides pursuant to subsection (i) of this Section
7 pertaining to medical information about the adopted or
8 surrendered person; and

9 (B) any non-identifying information, as defined in
10 Section 18.4 of this Act, that is obtained during the
11 search.

12 (3) If the petitioner is not defined in paragraph (1)
13 or (2) of this subsection, the confidential intermediary
14 shall provide to the petitioner:

15 (A) any information for which the sought-after
16 relative has provided his or her consent under
17 paragraphs (1) through (4) of subsection (i) of this
18 Section;

19 (B) the name of the child welfare agency which had
20 legal custody of the surrendered person or
21 responsibility for placing the surrendered person and
22 any available contact information for such agency; and

23 (C) the name of the state in which the surrender
24 occurred or in which the adoption was finalized.

25 (h-5) Disclosure of information shall be made by the
26 confidential intermediary at any time from the appointment of

1 the confidential intermediary and the court's issuance of an
2 order of dismissal.

3 (i) Duties of confidential intermediary in conducting a
4 search. In conducting a search under this Section, the
5 confidential intermediary shall first determine whether there
6 is a Denial of Information Exchange or a Birth Parent
7 Preference Form with Option E selected or an 18.3 statement
8 referenced in subsection (g) of this Section on file with the
9 Illinois Adoption Registry. If there is a denial, the Birth
10 Parent Preference Form on file with the Registry and the birth
11 parent who completed the form selected Option E, or if there is
12 an 18.3 statement indicating the birth parent's intent not to
13 have identifying information shared and the birth parent did
14 not later file an Information Exchange Authorization with the
15 Registry, the confidential intermediary must discontinue the
16 search unless 5 years or more have elapsed since the execution
17 of the Denial of Information Exchange, Birth Parent Preference
18 Form, or the 18.3 statement. If a birth parent was previously
19 the subject of a search through the State confidential
20 intermediary program, the confidential intermediary shall
21 inform the petitioner of the need to discontinue the search
22 until 10 years or more have elapsed since the initial search
23 was closed. In cases where a birth parent has been the object
24 of 2 searches through the State confidential intermediary
25 program, no subsequent search for the birth parent shall be
26 authorized absent a court order to the contrary.

1 In conducting a search under this Section, the
2 confidential intermediary shall attempt to locate the relative
3 or relatives from whom the petitioner has requested
4 information. If the sought-after relative is deceased or
5 cannot be located after a diligent search, the confidential
6 intermediary may contact other adult relatives of the
7 sought-after relative.

8 The confidential intermediary shall contact a sought-after
9 relative on behalf of the petitioner in a manner that respects
10 the sought-after relative's privacy and shall inform the
11 sought-after relative of the petitioner's request for medical
12 information, identifying information or contact as stated in
13 the petition. Based upon the terms of the petitioner's
14 request, the confidential intermediary shall contact a
15 sought-after relative on behalf of the petitioner and inform
16 the sought-after relative of the following options:

17 (1) The sought-after relative may totally reject one
18 or all of the requests for medical information,
19 identifying information or contact. The sought-after
20 relative shall be informed that they can provide a medical
21 questionnaire to be forwarded to the petitioner without
22 releasing any identifying information. The confidential
23 intermediary shall inform the petitioner of the
24 sought-after relative's decision to reject the sharing of
25 information or contact.

26 (2) The sought-after relative may consent to

1 completing a medical questionnaire only. In this case, the
2 confidential intermediary shall provide the questionnaire
3 and ask the sought-after relative to complete it. The
4 confidential intermediary shall forward the completed
5 questionnaire to the petitioner and inform the petitioner
6 of the sought-after relative's desire to not provide any
7 additional information.

8 (3) The sought-after relative may communicate with the
9 petitioner without having his or her identity disclosed.
10 In this case, the confidential intermediary shall arrange
11 the desired communication in a manner that protects the
12 identity of the sought-after relative. The confidential
13 intermediary shall inform the petitioner of the
14 sought-after relative's decision to communicate but not
15 disclose his or her identity.

16 (4) The sought-after relative may consent to initiate
17 contact with the petitioner. The confidential intermediary
18 shall obtain written consents from both parties that they
19 wish to disclose their identities to each other and to
20 have contact with each other.

21 (j) Oath. The confidential intermediary shall sign an oath
22 of confidentiality substantially as follows: "I,,
23 being duly sworn, on oath depose and say: As a condition of
24 appointment as a confidential intermediary, I affirm that:

25 (1) I will not disclose to the petitioner, directly or
26 indirectly, any confidential information except in a

1 manner consistent with the law.

2 (2) I recognize that violation of this oath subjects
3 me to civil liability and to a potential finding of
4 contempt of court.

5 SUBSCRIBED AND SWORN to before me, a Notary Public, on (insert
6 date)

7"

8 (k) Sanctions.

9 (1) Any confidential intermediary who improperly
10 discloses confidential information identifying a
11 sought-after relative shall be liable to the sought-after
12 relative for damages and may also be found in contempt of
13 court.

14 (2) Any person who learns a sought-after relative's
15 identity, directly or indirectly, through the use of
16 procedures provided in this Section and who improperly
17 discloses information identifying the sought-after
18 relative shall be liable to the sought-after relative for
19 actual damages plus minimum punitive damages of \$10,000.

20 (3) The Department shall fine any confidential
21 intermediary who improperly discloses confidential
22 information in violation of item (1) or (2) of this
23 subsection (k) an amount up to \$2,000 per improper
24 disclosure. This fine does not affect civil liability
25 under item (2) of this subsection (k). The Department
26 shall deposit all fines and penalties collected under this

1 Section into the Illinois Adoption Registry and Medical
2 Information Exchange Fund.

3 (l) Death of person being sought. Notwithstanding any
4 other provision of this Act, if the confidential intermediary
5 discovers that the person being sought has died, he or she
6 shall report this fact to the court, along with a copy of the

20 a patient being discharged to that facility. In all
21 circumstances in which the hospital is required by this
22 subsection to initiate the criminal history background check,
23 the transfer to the long term care facility may proceed
24 regardless of the availability of criminal history results.
25 Upon receipt of the results, the hospital shall promptly
26 forward the results to the appropriate long term care

1 facility. If the results of the background check are
2 inconclusive, the hospital shall have no additional duty or

15 durable or made from recycled materials whenever economically
16 and practically feasible. In choosing among products or
17 supplies that contain recycled material, consideration shall

3 already prescribed, State agencies shall follow USEPA
4 guidelines for federal procurement.

5 (i) All State agencies shall cooperate with the Department
6 of Central Management Services in carrying out this Section.
7 The Department of Central Management Services may enter into
8 cooperative purchasing agreements with other governmental
9 units in order to obtain volume discounts, or for other
10 reasons in accordance with the Governmental Joint Purchasing

18 and other institutional functions. The waste reduction plan
19 shall be developed by January 1, 1995. The initial plan
20 required under this Section shall be updated by the

22 plan shall be submitted for review in accordance with
23 subsection (f).

24 (c) Each waste reduction plan shall address, at a minimum,

13 a 40% reduction (referenced to a base year of 1987) in the
14 amount of solid waste that is generated by the institution and
15 identified in the waste reduction plan as being subject to
16 landfill disposal.

17 (e) Each waste reduction plan shall evaluate the
18 institution's procurement policies and practices to eliminate
19 procedures which discriminate against items with recycled
20 content, and to identify products or items which are procured
21 by the institution on a frequent or repetitive basis for which
22 products with recycled content may be substituted. Each waste
23 reduction plan shall prescribe that it will be the policy of
24 the institution to purchase products with recycled content
25 whenever such products have met specifications and standards
