1 (20 ILCS 301/40-10)

2 Sec. 40-10. Case management ~~Treatment~~ as a condition of
3 probation.

4 (a) If a court has reason to believe that an individual who
5 is charged with or convicted of a crime suffers from a
6 substance use disorder and the court finds that he or she is
7 eligible to make the election provided for under Section 40-5,
8 the court shall advise the individual that he or she may be
9 sentenced to probation and shall be subject to terms and
10 conditions of probation under Section 5-6-3 of the Unified
11 Code of Corrections if he or she elects to participate in case
12 management ~~treatment~~ and is accepted for services by a
13 designated program. The court shall further advise the
14 individual that:

15 (1) If he or she elects to participate in case
16 management ~~treatment~~ and is accepted he or she shall be
17 sentenced to probation and placed into case management
18 services with ~~under the supervision of~~ the designated
19 program for a period not to exceed the maximum sentence
20 that could be imposed for his or her conviction or 5 years,
21 whichever is less.

22 (2) During probation he or she may be provided with
23 services ~~treated~~ at the discretion of the designated
24 program.

25 (3) If he or she adheres to the requirements of the

1 designated program and fulfills the other conditions of
2 probation ordered by the court, he or she will be
3 discharged, but any failure to adhere to the requirements
4 of the designated program is a breach of probation.

5 The court may require an individual to obtain treatment
6 while on probation under the supervision of a designated
7 program and probation authorities regardless of the election
8 of the individual if the assessment, as specified in
9 subsection (b), indicates that such treatment is medically
10 necessary.

11 (b) If the individual elects to undergo treatment or
12 before the individual is required to obtain treatment, the
13 court shall order an assessment by a designated program to
14 determine whether he or she suffers from a substance use
15 disorder and is likely to be rehabilitated through treatment.
16 The designated program shall report to the court the results
17 of the assessment and, if treatment is determined medically
18 necessary, indicate the diagnosis and the recommended initial
19 level of care. If the court, on the basis of the report and
20 other information, finds that such an individual suffers from
21 a substance use disorder and is likely to be rehabilitated
22 through treatment, the individual shall be placed on probation
23 and into case management services with ~~and under the~~
24 ~~supervision of~~ a designated program ~~for treatment~~ and under
25 the supervision of the proper probation authorities for
26 probation supervision unless, giving consideration to the

1 nature and circumstances of the offense and to the history,
2 character, and condition of the individual, the court is of
3 the opinion that no significant relationship exists between
4 the substance use disorder of the individual and the crime
5 committed, or that his or her imprisonment or periodic
6 imprisonment is necessary for the protection of the public,
7 and the court specifies on the record the particular evidence,
8 information, or other reasons that form the basis of such
9 opinion. ~~However, under no circumstances shall the individual~~
10 ~~be placed under the supervision of a designated program for~~
11 ~~treatment before the entry of a judgment of conviction.~~

12 (c) If the court, on the basis of the report or other
13 information, finds that the individual suffering from a
14 substance use disorder is not likely to be rehabilitated
15 through treatment, or that his or her substance use disorder
16 and the crime committed are not significantly related, or that
17 his or her imprisonment or periodic imprisonment is necessary
18 for the protection of the public, the court shall impose
19 sentence as in other cases. The court may require such
20 progress reports on the individual from the probation officer
21 and designated program as the court finds necessary. Case
22 management services, as defined in this Act and as further
23 described by rule, shall also be delivered by the designated
24 program. No individual may be placed into case management
25 services ~~under treatment supervision~~ unless a designated
26 program accepts him or her for treatment.

1 (d) (Blank). ~~Failure of an individual placed on probation~~
2 ~~and under the supervision of a designated program to observe~~
3 ~~the requirements set down by the designated program shall be~~
4 ~~considered a probation violation. Such failure shall be~~
5 ~~reported by the designated program to the probation officer in~~
6 ~~charge of the individual and treated in accordance with~~
7 ~~probation regulations.~~

8 (e) (Blank). ~~Upon successful fulfillment of the terms and~~
9 ~~conditions of probation the court shall discharge the person~~
10 ~~from probation. If the person has not previously been~~
11 ~~convicted of any felony offense and has not previously been~~
12 ~~granted a vacation of judgment under this Section, upon~~
13 ~~motion, the court shall vacate the judgment of conviction and~~
14 ~~dismiss the criminal proceedings against him or her unless,~~
15 ~~having considered the nature and circumstances of the offense~~
16 ~~and the history, character and condition of the individual,~~
17 ~~the court finds that the motion should not be granted. Unless~~
18 ~~good cause is shown, such motion to vacate must be filed at any~~
19 ~~time from the date of the entry of the judgment to a date that~~
20 ~~is not more than 60 days after the discharge of the probation.~~

21 (f) The court, with the consent of the defendant, may,
22 without entering a judgment, sentence the defendant to
23 probation under this Section. A sentence under this Section
24 shall not be considered a conviction under Illinois law unless
25 and until judgment is entered under paragraph (2) of this
26 subsection (f).

1 (1) When a defendant is placed on probation, the court
2 shall enter an order specifying a period of probation and
3 shall defer further proceedings in the case until the
4 conclusion of the period or until the filing of a petition
5 alleging violation of a term or condition of probation.

6 (2) Upon violation of a term or condition of
7 probation, the court may enter a judgment on its original
8 finding of guilt and proceed as otherwise provided by law.

9 (3) Upon fulfillment of the terms and conditions of
10 probation, the court shall discharge the person and
11 dismiss the proceedings against the person.

12 (4) A disposition of probation is considered to be a
13 conviction for the purposes of imposing the conditions of
14 probation and for appeal; however, a sentence under this
15 Section is not a conviction for purposes of the Unified
16 Code of Corrections or for purposes of disqualifications
17 or disabilities imposed by law upon conviction of a crime
18 unless and until judgment is entered.

21 Sec. 40-15. Case management ~~Acceptance for treatment~~ as a
22 parole or release condition. Case management services by
23 ~~Acceptance for treatment for a substance use disorder under~~
24 ~~the supervision of~~ a designated program may be made a
25 condition of parole or release, and failure to comply with

1 such services may be treated as a violation of parole or
2 release. A designated program shall establish the eligibility
3 criteria ~~conditions~~ under which a parolee or releasee is
4 accepted for services. No parolee or releasee may be placed
5 into case management services with ~~under the supervision of a~~
6 designated program for treatment unless the designated program
7 accepts him or her for services ~~treatment~~. The designated

18 of pretrial release. A designated program shall establish the
19 eligibility criteria under which a defendant is accepted for
20 services. No individual may be placed into case management
21 services with a designated program for treatment unless the
22 designated program accepts him or her for services. The
23 designated program shall make periodic progress reports
24 regarding each such defendant to the appropriate pretrial
