

104TH GENERAL ASSEMBLY

State of Illinois

2025 and 2026

HB5369

Introduced 2/10/2026, by Rep. Angelica Guerrero-Cuellar

SYNOPSIS AS INTRODUCED:

20 ILCS 2615/10

Amends the Illinois State Police Radio Act. Provides that the Statewide Interoperability Executive Committee (SIEC) shall oversee governance, interoperability, and land mobile radio standards for Illinois' land mobile radio communications system and shall collaborate with the Office of the Statewide 9-1-1 Administrator and the Office of the Statewide Interoperability Coordinator to strengthen Illinois' emergency communications ecosystem. Provides that the SIEC may designate subcommittees necessary to effectuate its responsibilities. Provides that the voting membership of the SIEC must, at a minimum, include the Statewide Interoperability Coordinator, the Statewide 9-1-1 Administrator, the Director of the Secretary of the State Police or the Director's designee, and at least one representative from each of the following, appointed by the Governor: an association representing Illinois fire chiefs, an association representing Illinois fire protection districts, the Office of the State Fire Marshal, an association representing Illinois chiefs of police, an association representing Illinois sheriffs, the Illinois State Police, the Illinois Emergency Management Agency and Office of Homeland Security, the Department of Public Health, the Department of Innovation and Technology, and the Department of Military Affairs. Removes references to the STARCOM21 Oversight Committee. Requires the SIEC to, no later than July 1, 2027, establish standards necessary to ensure land mobile radio equipment interoperates throughout Illinois; planning, training, and evaluation standards necessary to enhance public safety communications operational readiness; and standards necessary for the unification of the Integrated Public Alert and Warning System statewide. Requires the SIEC to annually review existing statutory law and make recommendations for legislative changes to ensure efficient, effective, reliable, and sustainable communications interoperability statewide (rather than make recommendations concerning better integration of the Integrated Public Alert and Warning System statewide and develop a plan to sustainably fund radio infrastructure, radio equipment, and interoperability statewide). Effective July 1, 2026.
