1 AN ACT concerning local government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Election Code is amended by changing
5 Section 28-1 as follows:

6 (10 ILCS 5/28-1) (from Ch. 46, par. 28-1)

7 Sec. 28-1. The initiation and submission of all public
8 questions to be voted upon by the electors of the State or of
9 any political subdivision or district or precinct or
10 combination of precincts shall be subject to the provisions of
11 this Article.

12 Questions of public policy which have any legal effect
13 shall be submitted to referendum only as authorized by a
14 statute which so provides or by the Constitution. Advisory
15 questions of public policy shall be submitted to referendum
16 pursuant to Section 28-5 or pursuant to a statute which so
17 provides.

18 The method of initiating the submission of a public
19 question shall be as provided by the statute authorizing such
20 public question, or as provided by the Constitution.

21 All public questions shall be initiated, submitted and
22 printed on the ballot in the form required by Section 16-7 of
23 this Act, except as may otherwise be specified in the statute

1 authorizing a public question.

2 Whenever a statute provides for the initiation of a public
3 question by a petition of electors, the provisions of such
4 statute shall govern with respect to the number of signatures
5 required, the qualifications of persons entitled to sign the
6 petition, the contents of the petition, the officer with whom
7 the petition must be filed, and the form of the question to be
8 submitted. If such statute does not specify any of the
9 foregoing petition requirements, the corresponding petition
10 requirements of Section 28-6 shall govern such petition.

11 Irrespective of the method of initiation, not more than 3
12 public questions other than (a) back door referenda, (b)
13 referenda to determine whether a disconnection may take place
14 where a city coterminous with a township is proposing to annex
15 territory from an adjacent township, (c) referenda held under
16 the provisions of the Property Tax Extension Limitation Law in
17 the Property Tax Code, (d) referenda held under Section 2-3002
18 of the Counties Code, or (e) referenda held under Article 22,
19 23, or 29 of the Township Code may be submitted to referendum
20 with respect to a political subdivision at the same election.

21 If more than 3 propositions are timely initiated or
22 certified for submission at an election with respect to a
23 political subdivision, the first 3 validly initiated, by the
24 filing of a petition or by the adoption of a resolution or
25 ordinance of a political subdivision, as the case may be,
26 shall be printed on the ballot and submitted at that election.

1 However, except as expressly authorized by law not more than
2 one proposition to change the form of government of a
3 municipality pursuant to Article VII of the Constitution may
4 be submitted at an election. If more than one such proposition
5 is timely initiated or certified for submission at an election
6 with respect to a municipality, the first validly initiated
7 shall be the one printed on the ballot and submitted at that
8 election.

9 No public question shall be submitted to the voters of a
10 political subdivision at any regularly scheduled election at
11 which such voters are not scheduled to cast votes for any
12 candidates for nomination for, election to or retention in
13 public office, except that if, in any existing or proposed
14 political subdivision in which the submission of a public
15 question at a regularly scheduled election is desired, the
16 voters of only a portion of such existing or proposed
17 political subdivision are not scheduled to cast votes for
18 nomination for, election to or retention in public office at
19 such election, but the voters in one or more other portions of
20 such existing or proposed political subdivision are scheduled
21 to cast votes for nomination for, election to or retention in
22 public office at such election, the public question shall be
23 voted upon by all the qualified voters of the entire existing
24 or proposed political subdivision at the election.

25 Not more than 3 advisory public questions may be submitted
26 to the voters of the entire state at a general election. If

1 more than 3 such advisory propositions are initiated, the
2 first 3 timely and validly initiated shall be the questions
3 printed on the ballot and submitted at that election; provided
4 however, that a question for a proposed amendment to Article
5 IV of the Constitution pursuant to Section 3, Article XIV of
6 the Constitution, or for a question submitted under the
7 Property Tax Cap Referendum Law, shall not be included in the
8 foregoing limitation.

9 Notwithstanding any other provision of law, a community
10 mental health public question may not be placed on the 2024
11 primary or general election ballot or on the 2025 consolidated
12 election ballots in the same township where a community mental
13 health public question was approved on the 2022 general
14 election ballot.

15 Notwithstanding any other provision of law, a question
16 initiated by a political subdivision of government requesting
17 the issuance of bonds shall be held only during a general
18 election.

20 Section 10. The Counties Code is amended by changing
21 Section 6-4008 as follows:

22 (55 ILCS 5/6-4008) (from Ch. 34, par. 6-4008)

 3 last general election in such county, requesting that the
 4 question of establishing an annual tax levy for the purpose of
 5 obtaining funds to construct, reconstruct or remodel a
 6 courthouse be submitted to the electors of the county, the
 7 county clerk shall certify the question to the proper election
 8 officials for submission at the next general ~~regular-scheduled~~
 9 election in accordance with the general election law.

10 The question shall be substantially in the following form:

11 -----

 14 (or reconstruct or remodel a courthouse)? NO
 15 -----

16 The election shall be conducted in accordance with the
 17 general election law, at the nonpartisan election in 1981.

18 If a majority of the voters voting upon the aforesaid
 19 question vote in favor of it, the bonds may be issued by such
 20 county, but if a majority of the voters voting upon the
 21 question vote against the question the county may not issue
 22 bonds for the purpose of constructing, reconstructing, or
 23 remodeling a courthouse under the provisions of this Division.

25 Section 15. The Township Code is amended by changing

1 Section 210-5 as follows:

2 (60 ILCS 1/210-5)

3 Sec. 210-5. Application of Article; referendum.

4 (a) This Article applies only in those townships in which
5 the electors of the unincorporated area of the township, at
6 any regularly scheduled election held within the township, by
7 majority vote, authorize the township board to exercise the
8 powers conferred by this Article.

9 (b) Whenever the township board, by a resolution passed by
10 a majority of its members, requests that the question whether
11 it shall be allowed to exercise the powers conferred by this
12 Article be submitted to the electors of the unincorporated
13 area of the township, and upon the delivery of a certified copy
14 of the resolution to the proper election official, the
15 election official shall submit the question to the electors at
16 any regular scheduled election held within the township or,
17 for the issuance of bonds, at any general election held within
18 the township.

19 (c) The question submitted to the electors shall be
20 printed in plain, prominent type upon a ballot in the form
21 required by the general election law. If a majority of the
22 electors voting on the question are in favor of conferring
23 powers under this Article, the proper election official shall
24 certify the results of the referendum to the township clerk
25 within 10 days after the election. The certificate shall

1 include (i) the date of the referendum and a summary of the
2 proposition submitted, (ii) the number of electors for or
3 against the proposition, and (iii) a description of the area
4 of the township within which the township board may exercise
5 the powers conferred by this Article.

6 (d) This Article does not apply in any township in which a
7 county ordinance or resolution is in effect regulating the

10 Section 20. The Illinois Local Library Act is amended by
11 changing Section 5-2.5 as follows:

12 (75 ILCS 5/5-2.5)

13 Sec. 5-2.5. Bonds as indebtedness. Notwithstanding any

12 Section 25. The School Code is amended by changing
13 Sections 5-32, 12-13, 12-15, 19-1, 19-3, 19-9, 20-7, 32-5.6,
14 34-22.1, 34-22.2, 34-22.3, 34-22.4, and 34-22.5 as follows:

15 (105 ILCS 5/5-32) (from Ch. 122, par. 5-32)

16 Sec. 5-32. Failure to maintain schools - Transportation
17 and tuition. If any school district other than a non-high
18 school district shall for 1 year fail to maintain within the
19 boundaries of the school district a recognized public school
20 as required by law, such district shall become automatically
21 dissolved and the property and territory of such district
22 shall be disposed of in the manner provided for the disposal of
23 territory and property in Section 7-11 of this Act. However, a
24 school district shall not be dissolved where the State Board

1 of Education and the regional superintendent of the region in
2 which a district has legally authorized the building of a
3 school and legally selected a school house site and has issued
4 bonds for such building shall jointly find and certify that
5 such building has been authorized, site selected and bonds
6 issued.

7 If a district has its territory included within a petition
8 to form a community unit district under Article 11E of this
9 Code, that district may not be dissolved under this Section
10 until the end of the school year in which all proceedings
11 relating to formation of that community unit district are
12 finally concluded, whether by disallowance of the petition, by
13 referendum, by a final court decision or otherwise. Until such
14 proceedings are finally concluded, the regional superintendent
15 having jurisdiction of the district that is not maintaining a
16 recognized school shall assign the pupils of that district to
17 an adjoining school district, subject to the requirement that
18 the district from which the pupils are so assigned shall pay
19 tuition for such pupils to the district to which the pupils are
20 assigned, in accordance with Section 10-20.12a of this Act or
21 in such lesser amount as may be agreed to by the 2 districts.

22 However, until July 1, 1969 or one year after the entry of
23 a final decision by a court of competent jurisdiction in the
24 event of litigation with respect to any of the matters set
25 forth in this Section, whichever is the later, notwithstanding
26 the provisions of this Section, any protectorate high school

1 district composed of contiguous and compact territory having
 2 not less than 2,000 inhabitants and which has an equalized
 3 assessed valuation of not less than \$6,000,000, shall be and
 4 remain a protectorate high school district if a majority of
 5 the pupils attend a high school in a special charter district
 6 maintaining grades 1 through 12 and if during that period the
 7 voters of the district, by referendum to be ordered by the
 8 board, vote in favor of the proposition that such district
 9 maintain and operate a high school within such district, and
 10 also authorize the purchase of a school site, the building of a
 11 school building and the issuance of bonds for such purpose,
 12 which bonds are duly issued. The Board shall certify the
 13 proposition to the proper election authorities for submission,
 14 in accordance with the general election law.

15 The proposition to maintain and operate a high school
 16 within such district shall be in substantially the following
 17 form:

 20 High School District Number, YES
 21 County, Illinois,
 22 maintain and operate a high school -----
 23 within that High School
 24 District and for the benefit NO
 25 of the pupils residing therein?
 26 -----

1 and is approved if a majority of the voters voting on the
2 proposition is in favor thereof. The proposition of purchasing
3 a school site, the building of a school building and the
4 issuance of bonds for such purpose shall be submitted to the
5 voters and may be voted upon at the same election that the
6 proposition of maintaining and operating a high school within
7 the district is submitted or at any general ~~regularly~~
8 ~~scheduled~~ election subsequent thereto as may be ordered by the
9 board. Thereupon, that protectorate high school district shall
10 thereafter exist as a community high school district and
11 possess and enjoy all of the powers, duties and authorities of
12 a community high school district under Article 12 of this Act.

13 Throughout its existence as a protectorate district and
14 until the legal voters residing in the district have
15 determined to maintain and operate a high school within the
16 district and have been authorized to purchase a school site,
17 build a school building and to issue bonds for such purpose and
18 which bonds are duly issued, or until the dissolution of the
19 district as required by this Section, such protectorate
20 district may use its funds to pay for the tuition and
21 transportation of the pupils in such district that attend a
22 high school in a special charter district maintaining grades 1
23 through 12. A protectorate high school district is defined to
24 be a district which does not own or operate its own school
25 buildings.

1 (105 ILCS 5/12-13) (from Ch. 122, par. 12-13)

2 Sec. 12-13. Bond issue - Resolution - Election. If there
3 has been a delay in the extension and collection of taxes
4 levied by the governing body of any nonhigh school district
5 caused by a reassessment of real property therein, the
6 district may issue bonds for the purpose of paying unpaid
7 tuition claims or other claims against it.

8 Before any nonhigh school district issues any such bonds
9 the board of education shall examine and consider the claims
10 proposed to be paid, and if it appears that they were
11 authorized and allowed for proper nonhigh school purposes, it
12 shall adopt a resolution so declaring and set forth and
13 describe in detail such claims. The adoption of the resolution
14 shall establish the validity thereof. The resolution shall
15 also declare the intention of the nonhigh school district to
16 issue bonds for the purpose of paying such claims and direct
17 that notice of such intention be published at least once in a
18 newspaper published and having a general circulation in the
19 district, if there be one, but if there is no newspaper
20 published in such district then by publishing such notice in a
21 newspaper having a general circulation in the district or if
22 no newspaper is published in the district in one or more
23 newspapers with a general circulation in the district. The
24 notice shall include a statement of (1) the specific number of
25 voters required to sign a petition requesting that the

1 question of the adoption of the resolution be submitted to the
 2 electors of the district; (2) the time in which the petition
 3 must be filed; and (3) the date of the prospective referendum.
 4 The recording officer of the district shall provide a petition
 5 form to any individual requesting one. If within 30 days after
 6 the publication a petition is filed with the recording officer
 7 of the district, signed by voters of the district equal to 10%
 8 or more of the registered voters of the district, requesting
 9 that the proposition to issue the bonds be submitted to the
 10 voters thereof, then such district shall not be authorized to
 11 issue them until either the petition has been determined to be
 12 invalid or insufficient or the proposition has been submitted
 13 to and approved by a majority of the voters voting on the
 14 proposition at a general ~~regular scheduled~~ election. The board
 15 shall certify the proposition to the proper election
 16 authorities for submission in accordance with the general
 17 election law. If no such petition is filed, or if any and all
 18 petitions filed are invalid, such district may issue the
 19 bonds. In addition to the requirements of the general election
 20 law the notice of the election shall set forth the intention of
 21 the district to issue bonds under the provisions of this
 22 Section. The ballot to be used at the election shall be in
 23 substantially the following form:

7 (105 ILCS 5/12-15) (from Ch. 122, par. 12-15)

8 Sec. 12-15. Bonds to pay tuition or judgments - Resolution
9 - Election. Any nonhigh school district may issue bonds for
10 the purpose of paying unpaid tuition claims or judgments which
11 have been obtained by any school district against the nonhigh
12 school district on unpaid tuition claims, or for the purpose
13 of paying other claims against the nonhigh school district.

14 Before any such district issues any such bonds the board
15 of education thereof shall examine and consider the claims for
16 unpaid tuition and other claims proposed to be paid including
17 any judgments obtained against the district on unpaid tuition
18 claims and if it appears that such claims and judgments were
19 authorized and allowed for proper nonhigh school purposes, it
20 shall adopt a resolution so declaring and set forth and
21 describe in detail such claims and judgments and the adoption
22 of the resolution shall establish the validity thereof. The
23 intention of the district to issue bonds for the purpose of
24 paying such claims and judgments shall be declared in the
25 resolution and it shall be directed therein that notice of

1 such intention be published in accordance with the general
 2 election law. The proposition to issue bonds shall be

21 (105 ILCS 5/19-1)

22 Sec. 19-1. Debt limitations of school districts.

23 (a) School districts shall not be subject to the
 24 provisions limiting their indebtedness prescribed in the Local
 25 Government Debt Limitation Act.

1 No school districts maintaining grades K through 8 or 9
2 through 12 shall become indebted in any manner or for any
3 purpose to an amount, including existing indebtedness, in the
4 aggregate exceeding 6.9% on the value of the taxable property
5 therein to be ascertained by the last assessment for State and
6 county taxes or, until January 1, 1983, if greater, the sum
7 that is produced by multiplying the school district's 1978
8 equalized assessed valuation by the debt limitation percentage
9 in effect on January 1, 1979, previous to the incurring of such
10 indebtedness.

11 No school districts maintaining grades K through 12 shall
12 become indebted in any manner or for any purpose to an amount,
13 including existing indebtedness, in the aggregate exceeding
14 13.8% on the value of the taxable property therein to be
15 ascertained by the last assessment for State and county taxes
16 or, until January 1, 1983, if greater, the sum that is produced
17 by multiplying the school district's 1978 equalized assessed
18 valuation by the debt limitation percentage in effect on
19 January 1, 1979, previous to the incurring of such
20 indebtedness.

21 No partial elementary unit district, as defined in Article
22 11E of this Code, shall become indebted in any manner or for
23 any purpose in an amount, including existing indebtedness, in
24 the aggregate exceeding 6.9% of the value of the taxable
25 property of the entire district, to be ascertained by the last
26 assessment for State and county taxes, plus an amount,

1 including existing indebtedness, in the aggregate exceeding
2 6.9% of the value of the taxable property of that portion of
3 the district included in the elementary and high school
4 classification, to be ascertained by the last assessment for
5 State and county taxes. Moreover, no partial elementary unit
6 district, as defined in Article 11E of this Code, shall become
7 indebted on account of bonds issued by the district for high
8 school purposes in the aggregate exceeding 6.9% of the value
9 of the taxable property of the entire district, to be
10 ascertained by the last assessment for State and county taxes,
11 nor shall the district become indebted on account of bonds
12 issued by the district for elementary purposes in the
13 aggregate exceeding 6.9% of the value of the taxable property
14 for that portion of the district included in the elementary
15 and high school classification, to be ascertained by the last
16 assessment for State and county taxes.

17 Notwithstanding the provisions of any other law to the
18 contrary, in any case in which the voters of a school district
19 have approved a proposition for the issuance of bonds of such
20 school district at an election held prior to January 1, 1979,
21 and all of the bonds approved at such election have not been
22 issued, the debt limitation applicable to such school district
23 during the calendar year 1979 shall be computed by multiplying
24 the value of taxable property therein, including personal
25 property, as ascertained by the last assessment for State and
26 county taxes, previous to the incurring of such indebtedness,

1 by the percentage limitation applicable to such school
2 district under the provisions of this subsection (a).

3 (a-5) After January 1, 2018, no school district may issue
4 bonds under Sections 19-2 through 19-7 of this Code and rely on
5 an exception to the debt limitations in this Section unless it
6 has complied with the requirements of Section 21 of the Bond
7 Issue Notification Act and the bonds have been approved by
8 referendum.

9 (b) Notwithstanding the debt limitation prescribed in
10 subsection (a) of this Section, additional indebtedness may be
11 incurred in an amount not to exceed the estimated cost of
12 acquiring or improving school sites or constructing and
13 equipping additional building facilities under the following
14 conditions:

15 (1) Whenever the enrollment of students for the next
16 school year is estimated by the board of education to
17 increase over the actual present enrollment by not less
18 than 35% or by not less than 200 students or the actual
19 present enrollment of students has increased over the
20 previous school year by not less than 35% or by not less
21 than 200 students and the board of education determines
22 that additional school sites or building facilities are
23 required as a result of such increase in enrollment; and

24 (2) When the Regional Superintendent of Schools having
25 jurisdiction over the school district and the State
26 Superintendent of Education concur in such enrollment

1 projection or increase and approve the need for such
2 additional school sites or building facilities and the
3 estimated cost thereof; and

4 (3) When the voters in the school district approve a
5 proposition for the issuance of bonds for the purpose of
6 acquiring or improving such needed school sites or
7 constructing and equipping such needed additional building
8 facilities at an election called and held for that
9 purpose. Notice of such an election shall state that the
10 amount of indebtedness proposed to be incurred would
11 exceed the debt limitation otherwise applicable to the
12 school district. The ballot for such proposition shall
13 state what percentage of the equalized assessed valuation
14 will be outstanding in bonds if the proposed issuance of
15 bonds is approved by the voters; or

7 educational program, and (iv) a majority of those voting
8 in an election called by the school board on the question
9 approve the issuance of bonds for the construction of such
10 facilities, the school district may issue bonds for this
11 purpose.

12 In no event shall the indebtedness incurred pursuant to
13 this subsection (b) and the existing indebtedness of the

12 additional indebtedness authorized by this subsection (d),
13 when incurred and added to the aggregate amount of
14 indebtedness of the district existing immediately prior to the
15 district incurring the additional indebtedness authorized by
16 this subsection (d), causes the aggregate indebtedness of the
17 district to exceed the debt limitation otherwise applicable to
18 that district under subsection (a):

19 (1) The additional indebtedness authorized by this
20 subsection (d) is incurred by the school district through
21 the issuance of bonds under and in accordance with Section

21 indebtedness for purposes of any statutory limitation and may
22 be issued in an amount or amounts, including existing
23 indebtedness, in excess of any heretofore or hereafter imposed
24 statutory limitation as to indebtedness:

25 (1) At the time of the sale of such bonds, the board of
26 education of the district shall have determined by

1 resolution that the enrollment of students in the district
2 is projected to increase by not less than 7% during each of
3 the next succeeding 2 school years.

4 (2) The board of education shall also determine by
5 resolution that the improvements to be financed with the

19 debt limitation otherwise applicable to that school district
20 under subsection (a):

21 (1) the school district is located in 2 counties, and
