HOUSE RESOLUTION

2 WHEREAS, Gun violence continues to devastate communities
3 across the State of Illinois, taking the lives of individuals
4 from all walks of life, leaving families in mourning, and
5 impacting neighborhoods, schools, and local economies; and

6 WHEREAS, In 2024, the State of Illinois and the City of
7 Chicago have seen a tragic loss of lives due to gun violence
8 with the victim's families and communities affected by the
9 ripple effects of these senseless acts of violence, with an
10 estimated 1,400 deaths reported for the State and 505 deaths
11 from gun violence being reported in the Chicago area alone;
12 and

13 WHEREAS, Gun violence disproportionately impacts certain
14 communities, especially those in urban and economically
15 disadvantaged areas, where access to resources and support
16 systems are often limited, leading to repeated cycles of
17 violence and trauma; and

18 WHEREAS, It is essential to honor and remember the lives
19 lost to gun violence, recognizing the humanity and dignity of
20 each individual who was taken too soon; and

21 WHEREAS, It is imperative for the State to commit to

1 taking meaningful steps to address the root causes of gun
2 violence, including poverty, lack of access to mental health
3 care, limited opportunities for youth, and systemic inequities
4 that fuel cycles of violence; and

5 WHEREAS, The State of Illinois has taken steps in previous
6 years to fund and implement violence prevention programs, and
7 it is imperative that these efforts continue with a focus on
8 long-term solutions, community-led initiatives, and
9 coordination between local, state, and federal resources; and

10 WHEREAS, Prioritizing funding for violence prevention and
11 reduction efforts in disproportionately impacted areas of the
12 state, where gun violence has been a persistent challenge for
13 years and where additional resources are needed, is essential
14 to building safer, stronger, and more resilient communities;
