1 HOUSE RESOLUTION

2 WHEREAS, On May 22, 2025, Congressional Republicans  
3 slammed a bill through the House of Representatives in the  
4 middle of the night that strips healthcare coverage from 14  
5 million Americans; and

6 WHEREAS, President Donald Trump brazenly lied to the  
7 American people, stating he would not cut Medicaid while  
8 actually lobbying behind closed doors to pass the bill that  
9 guts \$1 trillion from Medicaid and other lifesaving services  
10 over the next decade; and

11 WHEREAS, Congress' own estimates show that 8.6 million  
12 Americans will be removed from Medicaid and that another 5.1  
13 million Americans will lose healthcare coverage because of  
14 Republicans' refusal to extend Affordable Care Act tax credits  
15 that families need to make healthcare affordable; and

16 WHEREAS, In Illinois alone, nearly half a million people  
17 will lose healthcare coverage because of the Republican bill;  
18 and

19 WHEREAS, The Trump healthcare cuts finance a plan that  
20 provides massive tax cuts for the wealthy while simultaneously  
21 adding to the burden of modest-income households; an analysis

1 by the Yale Budget Lab found that Trump's bill gives the  
2 wealthiest 1% more than \$63,000 per year, while taking \$800  
3 per year from the lowest-income families; and

4 WHEREAS, The Trump healthcare cuts are currently being  
5 debated in the United States Senate; and

6 WHEREAS, Members of the Illinois House of Representatives  
7 have worked to move our State in a better direction by  
8 advancing policies such as the Healthcare Protection Act,  
9 which aims to make healthcare better and more affordable by  
10 stopping insurance companies from raising premiums simply to  
11 pad profits and reining in the gimmicks big insurance  
12 companies use to deny care; therefore, be it

13 RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE  
14 HUNDRED FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that  
15 we oppose the Trump healthcare cuts, which fundamentally  
16 undermine the basic dignity and financial security of working  
17 families across the country; and be it further

18 RESOLVED, That we call on the United States Senate to  
19 immediately table the Trump healthcare cuts bill and instead  
20 pursue reforms such as the Illinois' Healthcare Protection Act  
21 to make healthcare more accessible and more affordable; and be  
22 it further

1           RESOLVED, That suitable copies of this resolution be
