

1 AN ACT concerning regulation.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Swimming Facility Act is amended by
5 changing Section 3 and by adding Sections 3.25 and 21.2 as
6 follows:

7 (210 ILCS 125/3) (from Ch. 111 1/2, par. 1203)

8 Sec. 3. Definitions. As used in this Act, unless the
9 context otherwise requires, the terms specified in Sections
10 3.01 through 3.25 ~~3.24~~ have the meanings ascribed to them in
11 those Sections.

12 (Source: P.A. 96-1081, eff. 7-16-10; 97-957, eff. 1-1-13.)

13 (210 ILCS 125/3.25 new)

14 Sec. 3.25. Cold spa. "Cold spa" means a basin of water that
15 is maintained at a temperature of not less than 40 degrees
16 Fahrenheit and not greater than 92 degrees Fahrenheit. "Cold
17 Spa" does not include the use or installation of portable,
18 manufactured, or commercially available cold spas unless they
19 comply with the provisions of this Act.

20 (210 ILCS 125/21.2 new)

21 Sec. 21.2. Operation of cold spa. It is lawful for a

1 licensee to operate a cold spa in a manner that complies with
2 the provisions of this Act, subject to the following
3 conditions:

4 (1) the licensee must operate as a physical fitness
5 facility in compliance with the Physical Fitness Facility
6 Medical Emergency Preparedness Act;

7 (2) the licensee must display a sign posted in a
8 conspicuous position in immediate proximity to the cold
9 spa warning users about the risks associated with the use
10 of cold spas and recommended guidelines, including, but
11 not limited to, the duration of time for the use of cold
12 spas;

13 (3) the licensee must prohibit use of the cold spa by
14 children under the age of 14;

15 (4) the licensee must ensure that there is an employee
16 on staff during staffed business hours that is trained in
17 recognizing the signs and symptoms of hypothermia;

18 (5) the licensee must have at least one hypothermic
19 thermometer or electronic thermometer capable of aiding in
20 the diagnosis of hypothermia on the facility premises;

21 (6) the licensee must include a non-slip deck or mat
22 around the entrance and exit of the cold spa;

23 (7) the licensee must install a clock or timer in a
24 conspicuous location that can be viewed from anywhere in
25 the cold spa; and

26 (8) the water must be continuously filtered or

1 sanitized, or the water must be drained and replaced with
2 sanitized water between each use.
