12 display of animals as customary in zoological parks, and may  
13 collect and display such animals, or permit the directors or  
14 trustees of any zoological society devoted to the purposes  
15 aforesaid to erect and maintain a zoological park and to  
16 collect and display zoological collections within any forest  
17 preserve now or hereafter under the control or supervision of  
18 such forest preserve district, out of funds belonging to such

3 expire after 15 years or upon the expiration of the contract  
4 between the forest preserve district and the zoological  
5 society, including renewal terms, whichever occurs first. The  
6 authority to sublease or license under this Section expires
