23 Department of Revenue.

1 (c) A township board may also use the special police
2 district funds levied under subsection (b) to provide for
3 public safety in unincorporated areas of the township in the
4 manner prescribed by Section 85-13. The funds levied under
5 subsection (b) may not be used to pay for (i) any portion of a
6 school resource officer's wages or to facilitate any agreement
7 with any law enforcement agency to hire a school resource
8 officer or (ii) any portion of a red light camera, speed
