10 (b) If in any year the number of qualified applicants  
11 exceeds the number of scholarships to be awarded under this  
12 Section, the Department shall, in consultation with the  
13 Illinois Nursing Workforce Center Advisory Board, consider the  
14 following factors in granting priority in awarding  
15 scholarships:

17 financial needs assessment form used by an approved  
18 institution, of students who will pursue their education

10          degree in nursing program for nurse educators, any recipient  
11          who accepted a scholarship under this Section shall begin  
12          meeting the required nurse educator employment obligation. In  
13          order to defer his or her continuous employment obligation, a  
14          recipient must request the deferment in writing from the  
15          Department. A recipient shall receive a deferment if he or she  
16          notifies the Department, within 30 days after enlisting, that  
17          he or she is spending up to 4 years in military service. A  
18          recipient shall receive a deferment if he or she notifies the  
19          Department, within 30 days after enrolling, that he or she is

3 unpaid balance. Payment must begin within 6 months following  
4 the date of the occurrence initiating the repayment. All  
5 repayments must be completed within 6 years from the date of  
6 the occurrence initiating the repayment. However, this  
7 repayment obligation may be deferred and re-evaluated every 6  
8 months when the failure to fulfill the nurse educator  
9 employment obligation results from involuntarily leaving the  
10 profession due to a decrease in the number of nurses employed  
11 in this State or when the failure to fulfill the nurse educator  
12 employment obligation results from total and permanent  
13 disability. The repayment obligation shall be excused if the  
14 failure to fulfill the nurse educator employment obligation  
15 results from the death or adjudication as incompetent of the  
16 person holding the scholarship. No claim for repayment may be  
17 filed against the estate of such a decedent or incompetent.

18 The Department may allow a nurse educator employment  
19 obligation fulfillment alternative if the nurse educator  
20 scholarship recipient is unsuccessful in finding work as a  
21 nurse educator. The Department shall maintain a database of  
22 all available nurse educator positions in this State.

5 whatever reason, is unauthorized.
