

104TH GENERAL ASSEMBLY

State of Illinois

2025 and 2026

SB1782

Introduced 2/5/2025, by Sen. Rachel Ventura

SYNOPSIS AS INTRODUCED:

305 ILCS 5/9A-11

from Ch. 23, par. 9A-11

Amends the Illinois Public Aid Code. In a provision concerning the child care assistance program administered by the Department of Human Services, expands the list of families eligible to receive child care assistance to include families that are not TANF recipients but require financial assistance so that a responsible adult within the household can forgo work and care for a newborn child for the child's first 12 weeks of life. Provides that eligibility for cash assistance under the new category is conditioned on the responsible adult being the parent or legal guardian of the newborn child and participating in a Department-approved training program in health, safety, and early childhood development for the entire 12 weeks the family receives assistance. Provides that families eligible for child care assistance under the new category shall receive weekly assistance payments in an amount equal to the full day rate applied to licensed child care providers who provide 17 to 24 hours of care per day; and shall have their child care assistance payment amount adjusted according to the number of newborn children receiving care, up to a maximum of 3 children.

LRB104 10236 KTG 20310 b

1 AN ACT concerning public aid.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Public Aid Code is amended by
5 changing Section 9A-11 as follows:

6 (305 ILCS 5/9A-11) (from Ch. 23, par. 9A-11)

7 Sec. 9A-11. Child care.

8 (a) The General Assembly recognizes that families with
9 children need child care in order to work. Child care is
10 expensive and families with limited access to economic
11 resources, including those who are transitioning from welfare
12 to work, often struggle to pay the costs of day care. The
13 General Assembly understands the importance of helping working
14 families with limited access to economic resources become and
15 remain self-sufficient. The General Assembly also believes
16 that it is the responsibility of families to share in the costs
17 of child care. It is also the preference of the General
18 Assembly that all working families with limited access to
19 economic resources should be treated equally, regardless of
20 their welfare status.

21 (b) To the extent resources permit, the Illinois
22 Department shall provide child care services to parents or
23 other relatives as defined by rule who are working or

1 participating in employment or Department approved education
2 or training programs. At a minimum, the Illinois Department
3 shall cover the following categories of families:

4 (1) recipients of TANF under Article IV participating
5 in work and training activities as specified in the
6 personal plan for employment and self-sufficiency;

7 (2) families transitioning from TANF to work;

8 (3) families at risk of becoming recipients of TANF;

9 (4) families with special needs as defined by rule;

10 (5) working families with very low incomes as defined
11 by rule;

12 (6) families that are not recipients of TANF and that
13 need child care assistance to participate in education and
14 training activities;

15 (7) youth in care, as defined in Section 4d of the
16 Children and Family Services Act, who are parents,
17 regardless of income or whether they are working or
18 participating in Department-approved employment or
19 education or training programs. Any family that receives
20 child care assistance in accordance with this paragraph
21 shall receive one additional 12-month child care
22 eligibility period after the parenting youth in care's
23 case with the Department of Children and Family Services
24 is closed, regardless of income or whether the parenting
25 youth in care is working or participating in
26 Department-approved employment or education or training

1 programs;

2 (8) families receiving Extended Family Support Program
3 services from the Department of Children and Family
4 Services, regardless of income or whether they are working
5 or participating in Department-approved employment or
6 education or training programs; ~~and~~

7 (9) families with children under the age of 5 who have
8 an open intact family services case with the Department of
9 Children and Family Services. Any family that receives
10 child care assistance in accordance with this paragraph
11 shall remain eligible for child care assistance 6 months
12 after the child's intact family services case is closed,
13 regardless of whether the child's parents or other
14 relatives as defined by rule are working or participating
15 in Department approved employment or education or training
16 programs. The Department of Early Childhood, in
17 consultation with the Department of Children and Family
18 Services, shall adopt rules to protect the privacy of
19 families who are the subject of an open intact family
20 services case when such families enroll in child care
21 services. Additional rules shall be adopted to offer
22 children who have an open intact family services case the
23 opportunity to receive an Early Intervention screening and
24 other services that their families may be eligible for as
25 provided by the Department of Human Services; and -

26 (10) families that are not recipients of TANF but

require financial assistance so that a responsible adult within the household can forgo work and care for a newborn child for the child's first 12 weeks of life. To be eligible for child care assistance under this paragraph, the responsible adult must be the parent or legal guardian of the newborn child and must participate in a Department-approved training program for the entire 12 weeks the family receives assistance. The Department shall determine, by rule, the components of the training program but at a minimum shall require training in health, safety, and early childhood development provided by Gateways Registry, Illinois i-learning courses, or Health and Safety-approved courses offered by Illinois Action for Children. Training requirements under this paragraph may be less intensive than what is required for child care providers under the child care assistance program. Families eligible for child care assistance under this paragraph shall receive weekly assistance payments in an amount equal to the full day rate applied to licensed child care providers who provide 17 to 24 hours of care per day. A family's weekly child care assistance payment amount shall be adjusted according to the number of newborn children receiving care, up to a maximum of 3 children.

Beginning October 1, 2027, and every October 1 thereafter, the Department of Children and Family Services shall report to

1 the General Assembly on the number of children who received
2 child care via vouchers paid for by the Department of Early
3 Childhood during the preceding fiscal year. The report shall
4 include the ages of children who received child care, the type
5 of child care they received, and the number of months they
6 received child care.

7 The Department shall specify by rule the conditions of
8 eligibility, the application process, and the types, amounts,
9 and duration of services. Eligibility for child care benefits
10 and the amount of child care provided may vary based on family
11 size, income, and other factors as specified by rule.

12 The Department shall update the Child Care Assistance
13 Program Eligibility Calculator posted on its website to
14 include a question on whether a family is applying for child
15 care assistance for the first time or is applying for a
16 redetermination of eligibility.

17 A family's eligibility for child care services shall be
18 redetermined no sooner than 12 months following the initial
19 determination or most recent redetermination. During the
20 12-month periods, the family shall remain eligible for child
21 care services regardless of (i) a change in family income,
22 unless family income exceeds 85% of State median income, or
23 (ii) a temporary change in the ongoing status of the parents or
24 other relatives, as defined by rule, as working or attending a
25 job training or educational program.

26 In determining income eligibility for child care benefits,

1 the Department annually, at the beginning of each fiscal year,
2 shall establish, by rule, one income threshold for each family
3 size, in relation to percentage of State median income for a
4 family of that size, that makes families with incomes below
5 the specified threshold eligible for assistance and families
6 with incomes above the specified threshold ineligible for
7 assistance. Through and including fiscal year 2007, the
8 specified threshold must be no less than 50% of the
9 then-current State median income for each family size.
10 Beginning in fiscal year 2008, the specified threshold must be
11 no less than 185% of the then-current federal poverty level
12 for each family size. Notwithstanding any other provision of
13 law or administrative rule to the contrary, beginning in
14 fiscal year 2019, the specified threshold for working families
15 with very low incomes as defined by rule must be no less than
16 185% of the then-current federal poverty level for each family
17 size. Notwithstanding any other provision of law or
18 administrative rule to the contrary, beginning in State fiscal
19 year 2022 through State fiscal year 2023, the specified income
20 threshold shall be no less than 200% of the then-current
21 federal poverty level for each family size. Beginning in State
22 fiscal year 2024, the specified income threshold shall be no
23 less than 225% of the then-current federal poverty level for
24 each family size.

25 In determining eligibility for assistance, the Department
26 shall not give preference to any category of recipients or

1 give preference to individuals based on their receipt of
2 benefits under this Code.

3 Nothing in this Section shall be construed as conferring
4 entitlement status to eligible families.

5 The Illinois Department is authorized to lower income
6 eligibility ceilings, raise parent co-payments, create waiting
7 lists, or take such other actions during a fiscal year as are
8 necessary to ensure that child care benefits paid under this
9 Article do not exceed the amounts appropriated for those child
10 care benefits. These changes may be accomplished by emergency
11 rule under Section 5-45 of the Illinois Administrative
12 Procedure Act, except that the limitation on the number of
13 emergency rules that may be adopted in a 24-month period shall
14 not apply.

15 The Illinois Department may contract with other State
16 agencies or child care organizations for the administration of
17 child care services.

18 (c) Payment shall be made for child care that otherwise
19 meets the requirements of this Section and applicable
20 standards of State and local law and regulation, including any
21 requirements the Illinois Department promulgates by rule.
22 Through June 30, 2026, the rules of this Section include
23 licensure requirements adopted by the Department of Children
24 and Family Services. On and after July 1, 2026, the rules of
25 this Section include licensure requirements adopted by the
26 Department of Early Childhood. In addition, the regulations of

1 this Section include the Fire Prevention and Safety
2 requirements promulgated by the Office of the State Fire
3 Marshal, and is provided in any of the following:

4 (1) a child care center which is licensed or exempt
5 from licensure pursuant to Section 2.09 of the Child Care
6 Act of 1969;

7 (2) a licensed child care home or home exempt from
8 licensing;

9 (3) a licensed group child care home;

10 (4) other types of child care, including child care
11 provided by relatives or persons living in the same home
12 as the child, as determined by the Illinois Department by
13 rule.

14 (c-5) Solely for the purposes of coverage under the
15 Illinois Public Labor Relations Act, child and day care home
16 providers, including licensed and license exempt,
17 participating in the Department's child care assistance
18 program shall be considered to be public employees and the
19 State of Illinois shall be considered to be their employer as
20 of January 1, 2006 (the effective date of Public Act 94-320),
21 but not before. The State shall engage in collective
22 bargaining with an exclusive representative of child and day
23 care home providers participating in the child care assistance
24 program concerning their terms and conditions of employment
25 that are within the State's control. Nothing in this
26 subsection shall be understood to limit the right of families

1 receiving services defined in this Section to select child and
2 day care home providers or supervise them within the limits of
3 this Section. The State shall not be considered to be the
4 employer of child and day care home providers for any purposes
5 not specifically provided in Public Act 94-320, including, but
6 not limited to, purposes of vicarious liability in tort and
7 purposes of statutory retirement or health insurance benefits.
8 Child and day care home providers shall not be covered by the
9 State Employees Group Insurance Act of 1971.

10 In according child and day care home providers and their
11 selected representative rights under the Illinois Public Labor
12 Relations Act, the State intends that the State action
13 exemption to application of federal and State antitrust laws
14 be fully available to the extent that their activities are
15 authorized by Public Act 94-320.

16 (d) The Illinois Department shall establish, by rule, a
17 co-payment scale that provides for cost sharing by families
18 that receive child care services, including parents whose only
19 income is from assistance under this Code. The co-payment
20 shall be based on family income and family size and may be
21 based on other factors as appropriate. Co-payments may be
22 waived for families whose incomes are at or below the federal
23 poverty level.

24 (d-5) The Illinois Department, in consultation with its
25 Child Care and Development Advisory Council, shall develop a
26 plan to revise the child care assistance program's co-payment

1 scale. The plan shall be completed no later than February 1,
2 2008, and shall include:

3 (1) findings as to the percentage of income that the
4 average American family spends on child care and the
5 relative amounts that low-income families and the average
6 American family spend on other necessities of life;

7 (2) recommendations for revising the child care
8 co-payment scale to assure that families receiving child
9 care services from the Department are paying no more than
10 they can reasonably afford;

11 (3) recommendations for revising the child care
12 co-payment scale to provide at-risk children with complete
13 access to Preschool for All and Head Start; and

14 (4) recommendations for changes in child care program
15 policies that affect the affordability of child care.

16 (e) (Blank).

17 (f) The Illinois Department shall, by rule, set rates to
18 be paid for the various types of child care. Child care may be
19 provided through one of the following methods:

20 (1) arranging the child care through eligible
21 providers by use of purchase of service contracts or
22 vouchers;

23 (2) arranging with other agencies and community
24 volunteer groups for non-reimbursed child care;

25 (3) (blank); or

26 (4) adopting such other arrangements as the Department

1 determines appropriate.

2 (f-1) Within 30 days after June 4, 2018 (the effective
3 date of Public Act 100-587), the Department of Human Services
4 shall establish rates for child care providers that are no
5 less than the rates in effect on January 1, 2018 increased by
6 4.26%.

7 (f-5) (Blank).

8 (g) Families eligible for assistance under this Section
9 shall be given the following options:

10 (1) receiving a child care certificate issued by the
11 Department or a subcontractor of the Department that may
12 be used by the parents as payment for child care and
13 development services only; or

14 (2) if space is available, enrolling the child with a
15 child care provider that has a purchase of service
16 contract with the Department or a subcontractor of the
17 Department for the provision of child care and development
18 services. The Department may identify particular priority
19 populations for whom they may request special
20 consideration by a provider with purchase of service
21 contracts, provided that the providers shall be permitted
22 to maintain a balance of clients in terms of household
23 incomes and families and children with special needs, as
24 defined by rule.
