

**SB1946**

**104TH GENERAL ASSEMBLY**

**State of Illinois**

**2025 and 2026**

**SB1946**

Introduced 2/6/2025, by Sen. Meg Loughran Cappel

**SYNOPSIS AS INTRODUCED:**

105 ILCS 128/50

Amends the School Safety Drill Act. Requires any entity that receives crisis response mapping data to provide copies of the data to appropriate local, county, State, and federal first responders for use in response to emergencies. Requires the State Board of Education to provide crisis response mapping data to eligible entities in the order in which such entities apply for it and until any appropriations made for the purposes of this Section are exhausted. Makes other changes.

LRB104 10964 LNS 21046 b

A BILL FOR

1           AN ACT concerning education.

2           **Be it enacted by the People of the State of Illinois,**  
3           **represented in the General Assembly:**

4           Section 5. The School Safety Drill Act is amended by  
5           changing Section 50 as follows:

6           (105 ILCS 128/50)

7           Sec. 50. Crisis response mapping data ~~grants~~.

8           (a) Subject to appropriations made for the purposes of  
9           this Section, the State Board or its designee shall make  
10           crisis response mapping data available to any appropriation, a  
11           public school district, a charter school, a special education  
12           cooperative or district, an education for employment system, a  
13           State-approved area career center, a public university  
14           laboratory school, regional office of education or  
15           intermediate service center, early childhood or preschool  
16           program supported by the Early Childhood Block Grant, the  
17           Illinois Mathematics and Science Academy, the Department of  
18           Juvenile Justice School District, a regional office of  
19           education, the Illinois School for the Deaf, the Illinois  
20           School for the Visually Impaired, the Philip J. Rock Center  
21           and School, an early childhood or preschool program supported  
22           by the Early Childhood Block Grant, or any other public school  
23           entity designated by the State Board of Education by rule.

Any

1 entity that receives crisis response mapping data pursuant to  
2 this subsection shall, may apply to the State Board of  
3 ~~Education or the State Board's designee for a grant to obtain~~  
4 ~~crisis response mapping data and to provide copies of the~~  
5 ~~crisis response mapping data to appropriate local, county,~~  
6 ~~State, and federal first responders for use in response to~~  
7 ~~emergencies. The crisis response mapping data shall be stored~~  
8 ~~and provided in an electronic or digital format to assist~~  
9 ~~first responders in responding to emergencies at the school.~~

10 (b) Subject to appropriation, including funding for any  
11 administrative costs reasonably incurred, by the State Board  
12 ~~of Education or the State Board's designee~~ shall provide  
13 crisis response mapping data to eligible entities named in  
14 subsection (a) in the order in which such entities apply for it  
15 and until any appropriations made for the purposes of this  
16 Section are exhausted. ~~in the administration of the grant~~  
17 ~~program described by this Section, the State Board shall~~  
18 ~~provide grants to any entity in subsection (a) upon approval~~  
19 ~~of an application submitted by the entity to cover the costs~~  
20 ~~incurred in obtaining crisis response mapping data under this~~  
21 ~~Section. The grant~~ Any application for crisis response mapping  
22 data must include ~~crisis response mapping~~ data for all schools  
23 under the jurisdiction of the entity submitting the  
24 application, including, in the case of a public school  
25 district, any charter schools authorized by the school board  
26 for the school district.

(c) The To be eligible for a grant under this Section, the crisis response mapping data provided by the State Board or the State Board's designee must include, at a minimum:

(1) be compatible and integrate into security software platforms in use by the specific school for which the data is provided without requiring local law enforcement agencies or the school district to purchase additional software or requiring the integration of third-party software to view the data;

(2) be compatible with security software platforms in use by the specific school for which the data is provided without requiring local public safety agencies or the school district to purchase additional software or requiring the integration of third-party software to view the data;

(3) be capable of being provided in a printable format;

(4) be verified for accuracy by an on-site walk-through of the school building and grounds;

(5) be oriented to true north;

(6) be overlaid on current aerial imagery or plans of the school building;

(7) contain site-specific labeling that matches the structure of the school building, including room labels, hallway names, and external door or stairwell numbers and the location of hazards, critical utilities, key boxes,

1       automated external defibrillators, and trauma kits, and  
2       that matches the school grounds, including parking areas,  
3       athletic fields, surrounding roads, and neighboring  
4       properties; and

5               (8) be overlaid with gridded x/y coordinates.

6       (d) Subject to appropriation, the crisis response mapping  
7       data may be reviewed annually to update the data as necessary.

8       (e) Crisis response mapping data obtained pursuant to this  
9       Section are confidential and exempt from disclosure under the  
10      Freedom of Information Act.

11      (f) The State Board may adopt rules to implement the  
12      provisions of this Section.
