Provides that a State university shall enter into a transfer articulation agreement with the community college district to provide a seamless pathway for transfer. 3 courses that will transfer between institutions, how many  
4 credits will transfer, which program at the State  
5 university credits will apply if applicable, and an  
6 outline of how transferred credits will count toward  
7 degree requirements.

8 (6) A clearly defined transfer pathway outlining how
