18 vehicle owner if that person provides adequate proof that the
19 personal property belongs to that person. The spouse, child,
20 mother, father, brother, or sister of the vehicle owner may
21 claim personal property excepted under this subsection if the
22 person claiming the personal property provides the commercial

19 officer, then the evidence may be presented through records of
20 the safety relocater showing the date and time of
21 authorization, the department and star or badge number of the
22 officer from whom authorization was received, and the incident

8 a damaged or disabled vehicle from public or private
9 property while the owner or operator of the tow truck does
10 not hold a valid, current safety relocater's registration
11 certificate issued by the Commission; or

12 (2) the registered owner of the tow truck owes past
13 due fines, civil penalties, or fees to the Commission.

14 (b) At the time the vehicle is towed, the officer ordering
15 the tow shall provide to the person in control of the tow truck
16 a copy of the vehicle impoundment report.

17 The Commission shall mail a notice of impoundment to all
18 registered owners and lienholders within 2 business days after
19 the date the vehicle was impounded if the vehicle is
20 registered in this State. If the vehicle is registered in a
21 jurisdiction other than this State, the Commission shall
22 request owner and lienholder information from the appropriate
23 agency within 2 business days after the date the vehicle was
24 impounded and shall mail a notice of impoundment to all
25 registered owners and lienholders within 2 business days after

1 receiving the information.

2 Notices shall be mailed by certified mail, return receipt
3 requested, to the addresses on file with the Secretary of
4 State, or in the case of a foreign-registered vehicle, to the
5 addresses on file with the State where the vehicle is
6 registered.

7 At minimum, the notice of impoundment shall contain:

8 (1) in bold typeface, a heading with the words "Notice
9 of Impoundment";

10 (2) a description of the impounded tow truck;

11 (3) the reason for impoundment;

12 (4) the location where the impounded tow truck is
13 being stored;

14 (5) the potential fines, civil penalties, and fees
15 that must be satisfied to reclaim the tow truck;

16 (6) procedures to request a hearing before the
17 Commission; and

18 (7) a notice that if the tow truck remains unclaimed,
19 it may be sold or disposed of in accordance with
20 applicable law.

21 (c) Before a vehicle impounded under this Section may be
22 released, the owner or lienholder must obtain a release from
23 the Commission and pay all storage and towing fees to the
24 towing service.

25 To obtain a release from the Commission, the owner or
26 lienholder shall furnish to the Commission proof of ownership,

1 such as title, vehicle registration, or bill of sale, or right
2 to possession of the vehicle and valid identification, and:

3 (1) pay the \$1,000 administrative fine plus any fines
4 for concurrent violations, and pay all other fines, civil
5 penalties, and fees owed to the Commission. Such payment
6 shall constitute an admission of liability and a waiver of
7 the right to a hearing;

8 (2) post a bond in the amount of the \$1,000
9 administrative fine plus any fines for concurrent
10 violations, which bond shall be held by the Commission;
11 pay all other unpaid fines, civil penalties, and fees owed
12 to the Commission; and request a hearing to contest the
13 impoundment; or

14 (3) request a hearing. A release shall not be issued
15 under this subparagraph until ordered by the Commission
16 after the conclusion of the hearing and any fines, civil
17 penalties or fees ordered have been paid.

18 Fines and civil penalties and posting of bond may be paid
19 by certified or cashier's check or money order.

20 (d) A request for hearing shall, unless otherwise provided
21 for by the Commission, be mailed to the Commission within 15
22 calendar days after the mailing date of the notice of
23 impoundment.

24 The Commission shall conduct a hearing within 10 business
25 days after receipt of a request for hearing.

26 The Commission shall determine, by a preponderance of the

1 evidence, whether the vehicle should be released without
2 payment of the administrative fine and any fines for
3 concurrent violations. The failure of the owner of record to
4 appear at the hearing or to request a continuance in a timely
5 manner shall be deemed a waiver of the right to a hearing, and
6 a default order in favor of the Commission may be entered.

7 If, after the hearing, the Commission determines that the
8 vehicle should be released without payment of the
9 administrative fine and any fines for concurrent violations,
10 any bond posted shall be refunded.

11 If, after the hearing, the Commission determines that the
12 vehicle should not be released without payment of the
13 administrative fine and any fines for concurrent violations,
14 the bond shall be forfeited to the Commission in the amount of
15 the fines, civil penalties, and fees owed, and any surplus
16 shall be refunded.

17 Fines, civil penalties, and fees imposed pursuant to this
18 Chapter shall constitute a debt owed to the Commission, which
19 may be enforced in any manner provided for by law. Any cash
20 bond posted pursuant to this Section shall be applied to the
21 fines, civil penalties, and fees owed.

22 (e) Except as otherwise provided in this Section, a
23 vehicle shall continue to be impounded until:

24 (1) the vehicle has been reclaimed pursuant to
25 subsection (d); or

26 (2) the vehicle or equipment is deemed unclaimed.

1 (f) Any vehicle not reclaimed within 10 working days after
2 the expiration of the time during which the owner of record may
3 seek judicial review of the Commission's action, or within 10
4 working days after a final judgment in favor of the
5 Commission, may be disposed of as an unclaimed vehicle in
6 accordance with Sections 4-208 and 4-209.

7 (625 ILCS 5/18d-158 new)

8 Sec. 18d-158. Failure to satisfy fines or penalties;
9 referral to Secretary of State.

10 (a) In addition to any other remedies provided by law, the
11 Commission may report any person with unpaid fees, fines, or
12 penalties issued by the Commission to the Secretary of State
13 for suspension of the person's tow truck registrations.

14 (b) Prior to referral under this Section, the Commission
15 shall issue a final demand for payment which shall clearly
16 state that failure to pay the outstanding fines or penalties
17 by the date provided in the demand will result in a referral to
18 the Secretary of State for the suspension of that person's tow
19 truck registrations in accordance with Section 3-704.4.
