

1 AN ACT concerning State government.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Department of Public Health Act is amended  
5 by adding Section 8.5 as follows:

6 (20 ILCS 2305/8.5 new)

7 Sec. 8.5. Information for distribution concerning  
8 fertility options.

9 (a) As used in this Section, "health care professional"  
10 means a physician licensed under the Medical Practice Act of  
11 1987, a podiatrist licensed under the Podiatric Medical  
12 Practice Act of 1987, an advanced practice registered nurse  
13 licensed under the Nurse Practice Act, or a physician  
14 assistant licensed under the Physician Assistant Practice Act  
15 of 1987.

16 (b) The Department of Public Health shall provide the  
17 following clinical, evidence-based information to health care  
18 professionals that may be distributed to women over the age of  
19 25 years, or women interested in information about future  
20 fertility, including, but not limited to:

21 (1) a description of the factors impacting fertility,  
22 including the ovarian reserve;

23 (2) an overview of different types of means to assess

1       fertility, including ovarian reserve testing and the  
2       limitations of the tests; and

3       (3) information on potential results and resources  
4       that are available after testing and any additional  
5       information that should be considered by a patient  
6       undergoing the test.
