Section 40. The Illinois Public Labor Relations Act is amended by changing Section 14 as follows:

(5 ILCS 315/14) (from Ch. 48, par. 1614)

Sec. 14. Security employee, peace officer and fire fighter disputes.

(a) In the case of collective bargaining agreements involving units of security employees of a public employer, Peace Officer Units, or units of fire fighters or paramedics, and in the case of disputes under Section 18, unless the parties mutually agree to some other time limit, mediation shall commence 30 days prior to the expiration date of such agreement or at such later time as the mediation services chosen under subsection (b) of Section 12 can be provided to the parties. In the case of negotiations for an initial collective bargaining agreement, mediation shall commence upon 15 days notice from either party or at such later time as the mediation services chosen pursuant to subsection (b) of Section 12 can be provided to the parties. In mediation under this Section, if either party requests the use of mediation services from the Federal Mediation and Conciliation Service, the other party shall either join in such request or bear the additional cost of mediation services from another source. The mediator shall have a duty to keep the Board informed on the progress of the mediation. If any dispute has not been resolved within 15 days after the first meeting of the parties and the mediator, or within such other time limit as may be mutually agreed upon by the parties, either the exclusive representative or employer may request of the other, in

writing, arbitration, and shall submit a copy of the request to the Board.

(b) Within 10 days after such a request for arbitration has been made, the employer shall choose a delegate and the employees' exclusive representative shall choose a delegate to a panel of arbitration as provided in this Section. The employer and employees shall forthwith advise the other and the Board of their selections.

(c) Within 7 days after the request of either party, the parties shall request a panel of impartial arbitrators from which they shall select the neutral chairman according to the procedures provided in this Section. If the parties have agreed to a contract that contains a grievance resolution procedure as provided in Section 8, the chairman shall be selected using their agreed contract procedure unless they mutually agree to another procedure. If the parties fail to notify the Board of their selection of neutral chairman within 7 days after receipt of the list of impartial arbitrators, the Board shall appoint, at random, a neutral chairman from the list. In the absence of an agreed contract procedure for selecting an impartial arbitrator, either party may request a panel from the Board. Within 7 days of the request of either party, the Board shall select from the Public Employees Labor Mediation Roster 7 persons who are on the labor arbitration panels of either the American Arbitration Association or the Federal Mediation and Conciliation Service, or who are members

of the National Academy of Arbitrators, as nominees for impartial arbitrator of the arbitration panel. The parties may select an individual on the list provided by the Board or any other individual mutually agreed upon by the parties. Within 7 days following the receipt of the list, the parties shall notify the Board of the person they have selected. Unless the parties agree on an alternate selection procedure, they shall alternatively strike one name from the list provided by the Board until only one name remains. A coin toss shall determine which party shall strike the first name. If the parties fail to notify the Board in a timely manner of their selection for neutral chairman, the Board shall appoint a neutral chairman from the Illinois Public Employees Mediation/Arbitration Roster.

(d) The chairman shall call a hearing to begin within 15 days and give reasonable notice of the time and place of the hearing. The hearing shall be held at the offices of the Board or at such other location as the Board deems appropriate. The chairman shall preside over the hearing and shall take testimony. Any oral or documentary evidence and other data deemed relevant by the arbitration panel may be received in evidence. The proceedings shall be informal. Technical rules of evidence shall not apply and the competency of the evidence shall not thereby be deemed impaired. A verbatim record of the proceedings shall be made and the arbitrator shall arrange for the necessary recording service. Transcripts may be ordered at

the expense of the party ordering them, but the transcripts shall not be necessary for a decision by the arbitration panel. The expense of the proceedings, including a fee for the chairman, shall be borne equally by each of the parties to the dispute. The delegates, if public officers or employees, shall continue on the payroll of the public employer without loss of pay. The hearing conducted by the arbitration panel may be adjourned from time to time, but unless otherwise agreed by the parties, shall be concluded within 30 days of the time of its commencement. Majority actions and rulings shall constitute the actions and rulings of the arbitration panel. Arbitration proceedings under this Section shall not be interrupted or terminated by reason of any unfair labor practice charge filed by either party at any time.

(e) The arbitration panel may administer oaths, require the attendance of witnesses, and the production of such books, papers, contracts, agreements and documents as may be deemed by it material to a just determination of the issues in dispute, and for such purpose may issue subpoenas. If any person refuses to obey a subpoena, or refuses to be sworn or to testify, or if any witness, party or attorney is guilty of any contempt while in attendance at any hearing, the arbitration panel may, or the attorney general if requested shall, invoke the aid of any circuit court within the jurisdiction in which the hearing is being held, which court shall issue an appropriate order. Any failure to obey the order may be

punished by the court as contempt.

(f) At any time before the rendering of an award, the chairman of the arbitration panel, if he is of the opinion that it would be useful or beneficial to do so, may remand the dispute to the parties for further collective bargaining for a period not to exceed 2 weeks. If the dispute is remanded for further collective bargaining the time provisions of this Act shall be extended for a time period equal to that of the remand. The chairman of the panel of arbitration shall notify the Board of the remand.

(g) At or before the conclusion of the hearing held pursuant to subsection (d), the arbitration panel shall identify the economic issues in dispute, and direct each of the parties to submit, within such time limit as the panel shall prescribe, to the arbitration panel and to each other its last offer of settlement on each economic issue. The determination of the arbitration panel as to the issues in dispute and as to which of these issues are economic shall be conclusive. The arbitration panel, within 30 days after the conclusion of the hearing, or such further additional periods to which the parties may agree, shall make written findings of fact and promulgate a written opinion and shall mail or otherwise deliver a true copy thereof to the parties and their representatives and to the Board. As to each economic issue, the arbitration panel shall adopt the last offer of settlement which, in the opinion of the arbitration panel, more nearly

complies with the applicable factors prescribed in subsection (h). The findings, opinions and order as to all other issues shall be based upon the applicable factors prescribed in subsection (h).

(h) Where there is no agreement between the parties, or where there is an agreement but the parties have begun negotiations or discussions looking to a new agreement or amendment of the existing agreement, and wage rates or other conditions of employment under the proposed new or amended agreement are in dispute, the arbitration panel shall base its findings, opinions and order upon the following factors, as applicable:

(1) The lawful authority of the employer.

(2) Stipulations of the parties.

(3) The interests and welfare of the public and the financial ability of the unit of government to meet those costs.

(4) Comparison of the wages, hours and conditions of employment of the employees involved in the arbitration proceeding with the wages, hours and conditions of employment of other employees performing similar services and with other employees generally:

(A) In public employment in comparable communities.

(B) In private employment in comparable communities.

(5) The average consumer prices for goods and services, commonly known as the cost of living.

(6) The overall compensation presently received by the employees, including direct wage compensation, vacations, holidays and other excused time, insurance and pensions, medical and hospitalization benefits, the continuity and stability of employment and all other benefits received.

(7) Changes in any of the foregoing circumstances during the pendency of the arbitration proceedings.

(8) Such other factors, not confined to the foregoing, which are normally or traditionally taken into consideration in the determination of wages, hours and conditions of employment through voluntary collective bargaining, mediation, fact-finding, arbitration or otherwise between the parties, in the public service or in private employment.

(i) In the case of peace officers, the arbitration decision shall be limited to wages, hours, and conditions of employment (which may include residency requirements in municipalities with a population under 1,000,000, ~~100,000,~~ but those residency requirements shall not allow residency outside of Illinois) and shall not include the following: i) residency requirements in municipalities with a population of at least 1,000,000 ~~100,000~~; ii) the type of equipment, other than uniforms, issued or used; iii) manning; iv) the total number of employees employed by the department; v) mutual aid and

assistance agreements to other units of government; and vi) the criterion pursuant to which force, including deadly force, can be used; provided, nothing herein shall preclude an arbitration decision regarding equipment or manning levels if such decision is based on a finding that the equipment or manning considerations in a specific work assignment involve a serious risk to the safety of a peace officer beyond that which is inherent in the normal performance of police duties. Limitation of the terms of the arbitration decision pursuant to this subsection shall not be construed to limit the factors upon which the decision may be based, as set forth in subsection (h).

In the case of fire fighter, and fire department or fire district paramedic matters, the arbitration decision shall be limited to wages, hours, and conditions of employment (including manning and also including residency requirements in municipalities with a population under 1,000,000, but those residency requirements shall not allow residency outside of Illinois) and shall not include the following matters: i) residency requirements in municipalities with a population of at least 1,000,000; ii) the type of equipment (other than uniforms and fire fighter turnout gear) issued or used; iii) the total number of employees employed by the department; iv) mutual aid and assistance agreements to other units of government; and v) the criterion pursuant to which force, including deadly force, can be used; provided, however,

nothing herein shall preclude an arbitration decision regarding equipment levels if such decision is based on a finding that the equipment considerations in a specific work assignment involve a serious risk to the safety of a fire fighter beyond that which is inherent in the normal performance of fire fighter duties. Limitation of the terms of the arbitration decision pursuant to this subsection shall not be construed to limit the facts upon which the decision may be based, as set forth in subsection (h).

The changes to this subsection (i) made by Public Act 90-385 (relating to residency requirements) do not apply to persons who are employed by a combined department that performs both police and firefighting services; these persons shall be governed by the provisions of this subsection (i) relating to peace officers, as they existed before the amendment by Public Act 90-385.

To preserve historical bargaining rights, this subsection shall not apply to any provision of a fire fighter collective bargaining agreement in effect and applicable on the effective date of this Act; provided, however, nothing herein shall preclude arbitration with respect to any such provision.

(j) Arbitration procedures shall be deemed to be initiated by the filing of a letter requesting mediation as required under subsection (a) of this Section. The commencement of a new municipal fiscal year after the initiation of arbitration procedures under this Act, but before the arbitration

decision, or its enforcement, shall not be deemed to render a dispute moot, or to otherwise impair the jurisdiction or authority of the arbitration panel or its decision. Increases in rates of compensation awarded by the arbitration panel may be effective only at the start of the fiscal year next commencing after the date of the arbitration award. If a new fiscal year has commenced either since the initiation of arbitration procedures under this Act or since any mutually agreed extension of the statutorily required period of mediation under this Act by the parties to the labor dispute causing a delay in the initiation of arbitration, the foregoing limitations shall be inapplicable, and such awarded increases may be retroactive to the commencement of the fiscal year, any other statute or charter provisions to the contrary, notwithstanding. At any time the parties, by stipulation, may amend or modify an award of arbitration.

(k) Orders of the arbitration panel shall be reviewable, upon appropriate petition by either the public employer or the exclusive bargaining representative, by the circuit court for the county in which the dispute arose or in which a majority of the affected employees reside, but only for reasons that the arbitration panel was without or exceeded its statutory authority; the order is arbitrary, or capricious; or the order was procured by fraud, collusion or other similar and unlawful means. Such petitions for review must be filed with the appropriate circuit court within 90 days following the

issuance of the arbitration order. The pendency of such proceeding for review shall not automatically stay the order of the arbitration panel. The party against whom the final decision of any such court shall be adverse, if such court finds such appeal or petition to be frivolous, shall pay reasonable attorneys' fees and costs to the successful party as determined by said court in its discretion. If said court's decision affirms the award of money, such award, if retroactive, shall bear interest at the rate of 12 percent per annum from the effective retroactive date.

(l) During the pendency of proceedings before the arbitration panel, existing wages, hours, and other conditions of employment shall not be changed by action of either party without the consent of the other but a party may so consent without prejudice to his rights or position under this Act. The proceedings are deemed to be pending before the arbitration panel upon the initiation of arbitration procedures under this Act.

(m) Security officers of public employers, and Peace Officers, Fire Fighters and fire department and fire protection district paramedics, covered by this Section may not withhold services, nor may public employers lock out or prevent such employees from performing services at any time.

(n) All of the terms decided upon by the arbitration panel shall be included in an agreement to be submitted to the public employer's governing body for ratification and adoption by

law, ordinance or the equivalent appropriate means.

The governing body shall review each term decided by the arbitration panel. If the governing body fails to reject one or more terms of the arbitration panel's decision by a 3/5 vote of those duly elected and qualified members of the governing body, within 20 days of issuance, or in the case of firefighters employed by a state university, at the next regularly scheduled meeting of the governing body after issuance, such term or terms shall become a part of the collective bargaining agreement of the parties. If the governing body affirmatively rejects one or more terms of the arbitration panel's decision, it must provide reasons for such rejection with respect to each term so rejected, within 20 days of such rejection and the parties shall return to the arbitration panel for further proceedings and issuance of a supplemental decision with respect to the rejected terms. Any supplemental decision by an arbitration panel or other decision maker agreed to by the parties shall be submitted to the governing body for ratification and adoption in accordance with the procedures and voting requirements set forth in this Section. The voting requirements of this subsection shall apply to all disputes submitted to arbitration pursuant to this Section notwithstanding any contrary voting requirements contained in any existing collective bargaining agreement between the parties.

(o) If the governing body of the employer votes to reject

the panel's decision, the parties shall return to the panel within 30 days from the issuance of the reasons for rejection for further proceedings and issuance of a supplemental decision. All reasonable costs of such supplemental proceeding including the exclusive representative's reasonable attorney's fees, as established by the Board, shall be paid by the employer.

(p) Notwithstanding the provisions of this Section the employer and exclusive representative may agree to submit unresolved disputes concerning wages, hours, terms and conditions of employment to an alternative form of impasse resolution.

~~The amendatory changes to this Section made by Public Act 101-652 take effect July 1, 2022.~~

(c) For the purposes of this Section, the term "news media" means personnel of a newspaper or other periodical issued at regular intervals whether in print or electronic format, a news service whether in print or electronic format, a radio station, a television station, a television network, a community antenna television service, or a person or corporation engaged in making news reels or other motion picture news for public showing.

Sec. 14. Except as is otherwise provided in this Act, no

Illinois State Police officer shall be removed, demoted, or suspended except for cause, upon written charges filed with the Board by the Director and a hearing before the Board thereon upon not less than 10 days' notice at a place to be designated by the chairman thereof. (50 ILCS 71/5) (was 5 ILCS 820/5)

Sec. 5. Purposes. The General Assembly hereby acknowledges that opioid use disorders, overdoses, and deaths in Illinois are persistent and growing concerns for Illinois communities. These concerns compound existing challenges to adequately address and manage substance use and mental health disorders. Local government agencies and ~~,~~ law enforcement officers~~, other first responders, and co-responders~~ have a unique opportunity to facilitate connections to community-based services, including case management, and mental and behavioral health interventions that provide harm reduction or substance use treatment and can help save and restore lives; help reduce drug use, overdose incidence, criminal offending, and recidivism; and help prevent arrest and conviction records that destabilize health, families, and opportunities for community citizenship and self-sufficiency. These efforts are bolstered when pursued in partnership with licensed behavioral health treatment providers and community members or organizations. It is the intent of the General Assembly to authorize law enforcement~~, other first responders,~~ and local government agencies to develop and implement collaborative

deflection programs in Illinois that offer immediate pathways to substance use treatment and other services as an alternative to traditional case processing and involvement in the criminal justice system~~, and to unnecessary admission to emergency departments~~.

(Source: P.A. 103-361, eff. 1-1-24.)

(50 ILCS 71/10) (was 5 ILCS 820/10)

Sec. 10-20. Requirements.

(a) The Board shall develop basic guidelines for the use of officer-worn body cameras by law enforcement agencies. The guidelines developed by the Board shall be the basis for the written policy which must be adopted by each law enforcement agency which employs the use of officer-worn body cameras. The written policy adopted by the law enforcement agency must include, at a minimum, all of the following:

(1) Cameras must be equipped with pre-event recording, capable of recording at least the 30 seconds prior to camera activation, unless the officer-worn body camera was purchased and acquired by the law enforcement agency prior to July 1, 2015.

(2) Cameras must be capable of recording for a period of 10 hours or more, unless the officer-worn body camera was purchased and acquired by the law enforcement agency prior to July 1, 2015.

(3) Cameras must be turned on at all times when the

officer is in uniform and is responding to calls for service or engaged in any law enforcement-related encounter or activity~~,~~ that occurs while the officer is on duty.

(A) If exigent circumstances exist which prevent the camera from being turned on, the camera must be turned on as soon as practicable.

(B) Officer-worn body cameras may be turned off when the officer is inside of a patrol car which is equipped with a functioning in-car camera; however, the officer must turn on the camera upon exiting the patrol vehicle for law enforcement-related encounters.

~~(C) Officer-worn body cameras may be turned off when the officer is inside a correctional facility or courthouse which is equipped with a functioning camera system.~~

(4) Cameras must be turned off when:

(A) the victim of a crime requests that the camera be turned off, and unless impractical or impossible, that request is made on the recording;

(B) a witness of a crime or a community member who wishes to report a crime requests that the camera be turned off, and unless impractical or impossible that request is made on the recording;

(C) the officer is interacting with a confidential informant used by the law enforcement agency; or

(D) an officer of the Department of Revenue enters a Department of Revenue facility or conducts an interview during which return information will be discussed or visible.

However, an officer may continue to record or resume recording a victim or a witness, if exigent circumstances exist, or if the officer has reasonable articulable suspicion that a victim or witness, or confidential informant has committed or is in the process of committing a crime. Under these circumstances, and unless impractical or impossible, the officer must indicate on the recording the reason for continuing to record despite the request of the victim or witness.

(4.5) Cameras may be turned off when the officer is engaged in community caretaking functions. However, the camera must be turned on when the officer has reason to believe that the person on whose behalf the officer is performing a community caretaking function has committed or is in the process of committing a crime. If exigent circumstances exist which prevent the camera from being turned on, the camera must be turned on as soon as practicable.

(5) The officer must provide notice of recording to any person if the person has a reasonable expectation of privacy and proof of notice must be evident in the recording. If exigent circumstances exist which prevent

the officer from providing notice, notice must be provided as soon as practicable.

(6) ~~(A)~~ For the purposes of redaction, labeling, or duplicating recordings, access to camera recordings shall be restricted to only those personnel responsible for those purposes. The recording officer or his or her supervisor may not redact, label, duplicate~~,~~ or otherwise alter the recording officer's camera recordings. Except as otherwise provided in this Section, the recording officer and his or her supervisor may access and review recordings prior to completing incident reports or other documentation, provided that the officer or his or her supervisor discloses that fact in the report or documentation.

(i) A law enforcement officer shall not have access to or review his or her body-worn camera recordings or the body-worn camera recordings of another officer prior to completing incident reports or other documentation when the officer:

(a) has been involved in or is a witness to an officer-involved shooting, use of deadly force incident, or use of force incidents resulting in great bodily harm;

(b) is ordered to write a report in response to or during the investigation of a misconduct complaint against the officer.

(ii) If the officer subject to subparagraph (i) prepares a report, any report shall be prepared without viewing body-worn camera recordings, and subject to supervisor's approval, officers may file amendatory reports after viewing body-worn camera recordings. Supplemental reports under this provision shall also contain documentation regarding access to the video footage.

~~(B) The recording officer's assigned field training officer may access and review recordings for training purposes. Any detective or investigator directly involved in the investigation of a matter may access and review recordings which pertain to that investigation but may not have access to delete or alter such recordings.~~

(7) Recordings made on officer-worn cameras must be retained by the law enforcement agency or by the camera vendor used by the agency, on a recording medium for a period of 90 days.

(A) Under no circumstances shall any recording, except for a non-law enforcement related activity or encounter, made with an officer-worn body camera be altered, erased, or destroyed prior to the expiration of the 90-day storage period. In the event any recording made with an officer-worn body camera is altered, erased, or destroyed prior to the expiration

of the 90-day storage period, the law enforcement agency shall maintain, for a period of one year, a written record including (i) the name of the individual who made such alteration, erasure, or destruction, and (ii) the reason for any such alteration, erasure, or destruction.

(B) Following the 90-day storage period, any and all recordings made with an officer-worn body camera must be destroyed, unless any encounter captured on the recording has been flagged. An encounter is deemed to be flagged when:

(i) a formal or informal complaint has been filed;

(ii) the officer discharged his or her firearm or used force during the encounter;

(iii) death or great bodily harm occurred to any person in the recording;

(iv) the encounter resulted in a detention or an arrest, excluding traffic stops which resulted in only a minor traffic offense or business offense;

(v) the officer is the subject of an internal investigation or otherwise being investigated for possible misconduct;

(vi) the supervisor of the officer, prosecutor, defendant, or court determines that

the encounter has evidentiary value in a criminal prosecution; or

(vii) the recording officer requests that the video be flagged for official purposes related to his or her official duties ~~or believes it may have evidentiary value in a criminal prosecution~~.

(C) Under no circumstances shall any recording made with an officer-worn body camera relating to a flagged encounter be altered or destroyed prior to 2 years after the recording was flagged. If the flagged recording was used in a criminal, civil, or administrative proceeding, the recording shall not be destroyed except upon a final disposition and order from the court.

~~(D) Nothing in this Act prohibits law enforcement agencies from labeling officer worn body camera video within the recording medium; provided that the labeling does not alter the actual recording of the incident captured on the officer worn body camera. The labels, titles, and tags shall not be construed as altering the officer-worn body camera video in any way.~~

(8) Following the 90-day storage period, recordings may be retained if a supervisor at the law enforcement agency designates the recording for training purposes. If the recording is designated for training purposes, the

recordings may be viewed by officers, in the presence of a supervisor or training instructor, for the purposes of instruction, training, or ensuring compliance with agency policies.

(9) Recordings shall not be used to discipline law enforcement officers unless:

(A) a formal or informal complaint of misconduct has been made;

(B) a use of force incident has occurred;

(C) the encounter on the recording could result in a formal investigation under the Uniform Peace Officers' Disciplinary Act; or

(D) as corroboration of other evidence of misconduct.

Nothing in this paragraph (9) shall be construed to limit or prohibit a law enforcement officer from being subject to an action that does not amount to discipline.

(10) The law enforcement agency shall ensure proper care and maintenance of officer-worn body cameras. Upon becoming aware, officers must as soon as practical document and notify the appropriate supervisor of any technical difficulties, failures, or problems with the officer-worn body camera or associated equipment. Upon receiving notice, the appropriate supervisor shall make every reasonable effort to correct and repair any of the officer-worn body camera equipment.

(11) No officer may hinder or prohibit any person, not a law enforcement officer, from recording a law enforcement officer in the performance of his or her duties in a public place or when the officer has no reasonable expectation of privacy. The law enforcement agency's written policy shall indicate the potential criminal penalties, as well as any departmental discipline, which may result from unlawful confiscation or destruction of the recording medium of a person who is not a law enforcement officer. (215 ILCS 5/205) (from Ch. 73, par. 817)

Sec. 205. Priority of distribution of general assets.

(1) The priorities of distribution of general assets from the company's estate is to be as follows:

(a) The costs and expenses of administration, including, but not limited to, the following:

(i) The reasonable expenses of the Illinois Insurance Guaranty Fund, the Illinois Life and Health

Insurance Guaranty Association, and the Illinois Health Maintenance Organization Guaranty Association and of any similar organization in any other state, including overhead, salaries, and other general administrative expenses allocable to the receivership (administrative and claims handling expenses and expenses in connection with arrangements for ongoing coverage), but excluding expenses incurred in the performance of duties under Section 547 or similar duties under the statute governing a similar organization in another state. For property and casualty insurance guaranty associations that guaranty certain obligations of any member company as defined by Section 534.5, expenses shall include, but not be limited to, loss adjustment expenses, which shall include adjusting and other expenses and defense and cost containment expenses. The expenses of such property and casualty guaranty associations, including the Illinois Insurance Guaranty Fund, shall be reimbursed as prescribed by Section 545, but shall be subordinate to all other costs and expenses of administration, including the expenses reimbursed pursuant to subparagraph (ii) of this paragraph (a).

(ii) The expenses expressly approved or ratified by the Director as liquidator or rehabilitator, including, but not limited to, the following:

(1) the actual and necessary costs of preserving or recovering the property of the insurer;

(2) reasonable compensation for all services rendered on behalf of the administrative supervisor or receiver;

(3) any necessary filing fees;

(4) the fees and mileage payable to witnesses;

(5) unsecured loans obtained by the receiver; and

(6) expenses approved by the conservator or rehabilitator of the insurer, if any, incurred in the course of the conservation or rehabilitation that are unpaid at the time of the entry of the order of liquidation.

Any unsecured loan falling under item (5) of subparagraph (ii) of this paragraph (a) shall have priority over all other costs and expenses of administration, unless the lender agrees otherwise. Absent agreement to the contrary, all other costs and expenses of administration shall be shared on a pro-rata basis, except for the expenses of property and casualty guaranty associations, which shall have a lower priority pursuant to subparagraph (i) of this paragraph (a).

(b) Secured claims, including claims for taxes and debts due the federal or any state or local government,

that are secured by liens perfected prior to the filing of the complaint.

(c) Claims for wages actually owing to employees for services rendered within 3 months prior to the date of the filing of the complaint, not exceeding $1,000 to each employee unless there are claims due the federal government under paragraph (f), then the claims for wages shall have a priority of distribution immediately following that of federal claims under paragraph (f) and immediately preceding claims of general creditors under paragraph (g).

(d) Claims by policyholders, beneficiaries, and insureds, under insurance policies, annuity contracts, and funding agreements, liability claims against insureds covered under insurance policies and insurance contracts issued by the company, claims of obligees (and, subject to the discretion of the receiver, completion contractors) under surety bonds and surety undertakings (not to include bail bonds, mortgage or financial guaranty, or other forms of insurance offering protection against investment risk), claims by principals under surety bonds and surety undertakings for wrongful dissipation of collateral by the insurer or its agents, and claims incurred during any extension of coverage provided under subsection (5) of Section 193, and claims of the Illinois Insurance Guaranty Fund, the Illinois Life and Health Insurance Guaranty

(h) Claims of guaranty fund certificate holders, guaranty capital shareholders, capital note holders, and surplus note holders.

(i) Proprietary claims of shareholders, members, or other owners.

Every claim under a written agreement, statute, or rule

providing that the assets in a separate account are not chargeable with the liabilities arising out of any other business of the insurer shall be satisfied out of the funded assets in the separate account equal to, but not to exceed, the reserves maintained in the separate account under the separate account agreement, and to the extent, if any, the claim is not fully discharged thereby, the remainder of the claim shall be treated as a priority level (d) claim under paragraph (d) of this subsection to the extent that reserves have been established in the insurer's general account pursuant to statute, rule, or the separate account agreement.

For purposes of this provision, "separate account policies, contracts, or agreements" means any policies, contracts, or agreements that provide for separate accounts as contemplated by Section 245.21.

To the extent that any assets of an insurer, other than those assets properly allocated to and maintained in a separate account, have been used to fund or pay any expenses, taxes, or policyholder benefits that are attributable to a separate account policy, contract, or agreement that should have been paid by a separate account prior to the commencement of receivership proceedings, then upon the commencement of receivership proceedings, the separate accounts that benefited from this payment or funding shall first be used to repay or reimburse the company's general assets or account for any unreimbursed net sums due at the commencement of receivership

proceedings prior to the application of the separate account assets to the satisfaction of liabilities or the corresponding separate account policies, contracts, and agreements.

To the extent, if any, reserves or assets maintained in the separate account are in excess of the amounts needed to satisfy claims under the separate account contracts, the excess shall be treated as part of the general assets of the insurer's estate.

(2) Within 120 days after the issuance of an Order of Liquidation with a finding of insolvency against a domestic company, the Director shall make application to the court requesting authority to disburse funds to the Illinois Insurance Guaranty Fund, the Illinois Life and Health Insurance Guaranty Association, the Illinois Health Maintenance Organization Guaranty Association, and similar organizations in other states from time to time out of the company's marshaled assets as funds become available in amounts equal to disbursements made by the Illinois Insurance Guaranty Fund, the Illinois Life and Health Insurance Guaranty Association, the Illinois Health Maintenance Organization Guaranty Association, and similar organizations in other states for covered claims obligations on the presentation of evidence that such disbursements have been made by the Illinois Insurance Guaranty Fund, the Illinois Life and Health Insurance Guaranty Association, the Illinois Health Maintenance Organization Guaranty Association, and similar

organizations in other states.

The Director shall establish procedures for the ratable allocation and distribution of disbursements to the Illinois Insurance Guaranty Fund, the Illinois Life and Health Insurance Guaranty Association, the Illinois Health Maintenance Organization Guaranty Association, and similar organizations in other states. In determining the amounts available for disbursement, the Director shall reserve sufficient assets for the payment of the expenses of administration described in paragraph (1)(a) of this Section. All funds available for disbursement after the establishment of the prescribed reserve shall be promptly distributed. As a condition to receipt of funds in reimbursement of covered claims obligations, the Director shall secure from the Illinois Insurance Guaranty Fund, the Illinois Life and Health Insurance Guaranty Association, the Illinois Health Maintenance Organization Guaranty Association, and each similar organization in other states, an agreement to return to the Director on demand funds previously received as may be required to pay claims of secured creditors and claims falling within the priorities established in paragraphs (a), (b), (c), and (d) of subsection (1) of this Section in accordance with such priorities.

(3) The changes made in this Section by this amendatory Act of the 100th General Assembly apply to all liquidation, rehabilitation, or conservation proceedings that are pending

on the effective date of this amendatory Act of the 100th General Assembly and to all future liquidation, rehabilitation, or conservation proceedings.

(4) The provisions of this Section are severable under Section 1.31 of the Statute on Statutes.

(6) the actions to be taken if a bill is sent to a collection agency or the failure to pay is reported to any credit reporting agency.

The Crime Victim Services Division of the Office of the Attorney General may provide a sample acceptable billing

protocol upon request.

The Office of the Attorney General shall approve a proposed protocol if it finds that the implementation of the protocol would result in no survivor of sexual assault being billed or sent a bill for medical forensic services.

If the Office of the Attorney General determines that implementation of the protocol could result in the billing of a survivor of sexual assault for medical forensic services, the Office of the Attorney General shall provide the health care professional or approved pediatric health care facility with a written statement of the deficiencies in the protocol. The health care professional or approved pediatric health care facility shall have 30 days to submit a revised billing protocol addressing the deficiencies to the Office of the Attorney General. (625 ILCS 5/11-208.3) (from Ch. 95 1/2, par. 11-208.3)

Sec. 11-208.3. Administrative adjudication of violations

of traffic regulations concerning the standing, parking, or condition of vehicles, automated traffic law violations, and automated speed enforcement system violations.

(a) Any municipality or county may provide by ordinance for a system of administrative adjudication of vehicular standing and parking violations and vehicle compliance violations as described in this subsection, automated traffic law violations as defined in Section 11-208.6, 11-208.9, or 11-1201.1, and automated speed enforcement system violations as defined in Section 11-208.8. The administrative system shall have as its purpose the fair and efficient enforcement of municipal or county regulations through the administrative adjudication of automated speed enforcement system or automated traffic law violations and violations of municipal or county ordinances regulating the standing and parking of vehicles, the condition and use of vehicle equipment, and the display of municipal or county wheel tax licenses within the municipality's or county's borders. The administrative system shall only have authority to adjudicate civil offenses carrying fines not in excess of $500 or requiring the completion of a traffic education program, or both, that occur after the effective date of the ordinance adopting such a system under this Section. For purposes of this Section, "compliance violation" means a violation of a municipal or county regulation governing the condition or use of equipment on a vehicle or governing the display of a municipal or county

wheel tax license.

(b) Any ordinance establishing a system of administrative adjudication under this Section shall provide for:

(1) A traffic compliance administrator authorized to adopt, distribute, and process parking, compliance, and automated speed enforcement system or automated traffic law violation notices and other notices required by this Section, collect money paid as fines and penalties for violation of parking and compliance ordinances and automated speed enforcement system or automated traffic law violations, and operate an administrative adjudication system. The traffic compliance administrator also may make a certified report to the Secretary of State under Section 6-306.5-1.

(2) A parking, standing, compliance, automated speed enforcement system, or automated traffic law violation notice that shall specify or include the date, time, and place of violation of a parking, standing, compliance, automated speed enforcement system, or automated traffic law regulation; the particular regulation violated; any requirement to complete a traffic education program; the fine and any penalty that may be assessed for late payment or failure to complete a required traffic education program, or both, when so provided by ordinance; the vehicle make or a photograph of the vehicle; the state registration number of the vehicle; and the identification

number of the person issuing the notice. With regard to automated speed enforcement system or automated traffic law violations, vehicle make shall be specified on the automated speed enforcement system or automated traffic law violation notice if the notice does not include a photograph of the vehicle and the make is available and readily discernible. With regard to municipalities or counties with a population of 1 million or more, it shall be grounds for dismissal of a parking violation if the state registration number or vehicle make specified is incorrect. The violation notice shall state that the completion of any required traffic education program, the payment of any indicated fine, and the payment of any applicable penalty for late payment or failure to complete a required traffic education program, or both, shall operate as a final disposition of the violation. The notice also shall contain information as to the availability of a hearing in which the violation may be contested on its merits. The violation notice shall specify the time and manner in which a hearing may be had.

(3) Service of a parking, standing, or compliance violation notice by: (i) affixing the original or a facsimile of the notice to an unlawfully parked or standing vehicle; (ii) handing the notice to the operator of a vehicle if he or she is present; or (iii) mailing the notice to the address of the registered owner or lessee of

the cited vehicle as recorded with the Secretary of State or the lessor of the motor vehicle within 30 days after the Secretary of State or the lessor of the motor vehicle notifies the municipality or county of the identity of the owner or lessee of the vehicle, but not later than 90 days after the date of the violation, except that in the case of a lessee of a motor vehicle, service of a parking, standing, or compliance violation notice may occur no later than 210 days after the violation; and service of an automated speed enforcement system or automated traffic law violation notice by mail to the address of the registered owner or lessee of the cited vehicle as recorded with the Secretary of State or the lessor of the motor vehicle within 30 days after the Secretary of State or the lessor of the motor vehicle notifies the municipality or county of the identity of the owner or lessee of the vehicle, but not later than 90 days after the violation, except that in the case of a lessee of a motor vehicle, service of an automated traffic law violation notice may occur no later than 210 days after the violation. A person authorized by ordinance to issue and serve parking, standing, and compliance violation notices shall certify as to the correctness of the facts entered on the violation notice by signing his or her name to the notice at the time of service or, in the case of a notice produced by a computerized device, by signing a single

certificate to be kept by the traffic compliance administrator attesting to the correctness of all notices produced by the device while it was under his or her control. In the case of an automated traffic law violation, the ordinance shall require a determination by a technician employed or contracted by the municipality or county that, based on inspection of recorded images, the motor vehicle was being operated in violation of Section 11-208.6, 11-208.9, or 11-1201.1 or a local ordinance. If the technician determines that the vehicle entered the intersection as part of a funeral procession or in order to yield the right-of-way to an emergency vehicle, a citation shall not be issued. In municipalities with a population of less than 1,000,000 inhabitants and counties with a population of less than 3,000,000 inhabitants, the automated traffic law ordinance shall require that all determinations by a technician that a motor vehicle was being operated in violation of Section 11-208.6, 11-208.9, or 11-1201.1 or a local ordinance must be reviewed and approved by a law enforcement officer or retired law enforcement officer of the municipality or county issuing the violation. In municipalities with a population of 1,000,000 or more inhabitants and counties with a population of 3,000,000 or more inhabitants, the automated traffic law ordinance shall require that all determinations by a technician that a motor vehicle was

being operated in violation of Section 11-208.6, 11-208.9, or 11-1201.1 or a local ordinance must be reviewed and approved by a law enforcement officer or retired law enforcement officer of the municipality or county issuing the violation or by an additional fully trained reviewing technician who is not employed by the contractor who employs the technician who made the initial determination. In the case of an automated speed enforcement system violation, the ordinance shall require a determination by a technician employed by the municipality, based upon an inspection of recorded images, video or other documentation, including documentation of the speed limit and automated speed enforcement signage, and documentation of the inspection, calibration, and certification of the speed equipment, that the vehicle was being operated in violation of Article VI of Chapter 11 of this Code or a similar local ordinance. If the technician determines that the vehicle speed was not determined by a calibrated, certified speed equipment device based upon the speed equipment documentation, or if the vehicle was an emergency vehicle, a citation may not be issued. The automated speed enforcement ordinance shall require that all determinations by a technician that a violation occurred be reviewed and approved by a law enforcement officer or retired law enforcement officer of the municipality issuing the violation or by an additional

fully trained reviewing technician who is not employed by the contractor who employs the technician who made the initial determination. Routine and independent calibration of the speeds produced by automated speed enforcement systems and equipment shall be conducted annually by a qualified technician. Speeds produced by an automated speed enforcement system shall be compared with speeds produced by lidar or other independent equipment. Radar or lidar equipment shall undergo an internal validation test no less frequently than once each week. Qualified technicians shall test loop-based equipment no less frequently than once a year. Radar equipment shall be checked for accuracy by a qualified technician when the unit is serviced, when unusual or suspect readings persist, or when deemed necessary by a reviewing technician. Radar equipment shall be checked with the internal frequency generator and the internal circuit test whenever the radar is turned on. Technicians must be alert for any unusual or suspect readings, and if unusual or suspect readings of a radar unit persist, that unit shall immediately be removed from service and not returned to service until it has been checked by a qualified technician and determined to be functioning properly. Documentation of the annual calibration results, including the equipment tested, test date, technician performing the test, and test results, shall be maintained and available

for use in the determination of an automated speed enforcement system violation and issuance of a citation. The technician performing the calibration and testing of the automated speed enforcement equipment shall be trained and certified in the use of equipment for speed enforcement purposes. Training on the speed enforcement equipment may be conducted by law enforcement, civilian, or manufacturer's personnel and if applicable may be equivalent to the equipment use and operations training included in the Speed Measuring Device Operator Program developed by the National Highway Traffic Safety Administration (NHTSA). The vendor or technician who performs the work shall keep accurate records on each piece of equipment the technician calibrates and tests. As used in this paragraph, "fully trained reviewing technician" means a person who has received at least 40 hours of supervised training in subjects which shall include image inspection and interpretation, the elements necessary to prove a violation, license plate identification, and traffic safety and management. In all municipalities and counties, the automated speed enforcement system or automated traffic law ordinance shall require that no additional fee shall be charged to the alleged violator for exercising his or her right to an administrative hearing, and persons shall be given at least 25 days following an administrative hearing to pay

any civil penalty imposed by a finding that Section 11-208.6, 11-208.8, 11-208.9, or 11-1201.1 or a similar local ordinance has been violated. The original or a facsimile of the violation notice or, in the case of a notice produced by a computerized device, a printed record generated by the device showing the facts entered on the notice, shall be retained by the traffic compliance administrator, and shall be a record kept in the ordinary course of business. A parking, standing, compliance, automated speed enforcement system, or automated traffic law violation notice issued, signed, and served in accordance with this Section, a copy of the notice, or the computer-generated record shall be prima facie correct and shall be prima facie evidence of the correctness of the facts shown on the notice. The notice, copy, or computer-generated record shall be admissible in any subsequent administrative or legal proceedings.

(4) An opportunity for a hearing for the registered owner of the vehicle cited in the parking, standing, compliance, automated speed enforcement system, or automated traffic law violation notice in which the owner may contest the merits of the alleged violation, and during which formal or technical rules of evidence shall not apply; provided, however, that under Section 11-1306 of this Code the lessee of a vehicle cited in the violation notice likewise shall be provided an opportunity for a

hearing of the same kind afforded the registered owner. The hearings shall be recorded, and the person conducting the hearing on behalf of the traffic compliance administrator shall be empowered to administer oaths and to secure by subpoena both the attendance and testimony of witnesses and the production of relevant books and papers. Persons appearing at a hearing under this Section may be represented by counsel at their expense. The ordinance may also provide for internal administrative review following the decision of the hearing officer.

(5) Service of additional notices, sent by first class United States mail, postage prepaid, to the address of the registered owner of the cited vehicle as recorded with the Secretary of State or, if any notice to that address is returned as undeliverable, to the last known address recorded in a United States Post Office approved database, or, under Section 11-1306 or subsection (p) of Section 11-208.6 or 11-208.9, or subsection (p) of Section 11-208.8 of this Code, to the lessee of the cited vehicle at the last address known to the lessor of the cited vehicle at the time of lease or, if any notice to that address is returned as undeliverable, to the last known address recorded in a United States Post Office approved database. The service shall be deemed complete as of the date of deposit in the United States mail. The notices shall be in the following sequence and shall include, but

not be limited to, the information specified herein:

(i) A second notice of parking, standing, or compliance violation if the first notice of the violation was issued by affixing the original or a facsimile of the notice to the unlawfully parked vehicle or by handing the notice to the operator. This notice shall specify or include the date and location of the violation cited in the parking, standing, or compliance violation notice, the particular regulation violated, the vehicle make or a photograph of the vehicle, the state registration number of the vehicle, any requirement to complete a traffic education program, the fine and any penalty that may be assessed for late payment or failure to complete a traffic education program, or both, when so provided by ordinance, the availability of a hearing in which the violation may be contested on its merits, and the time and manner in which the hearing may be had. The notice of violation shall also state that failure to complete a required traffic education program, to pay the indicated fine and any applicable penalty, or to appear at a hearing on the merits in the time and manner specified, will result in a final determination of violation liability for the cited violation in the amount of the fine or penalty indicated, and that, upon the occurrence of a final determination of

violation liability for the failure, and the exhaustion of, or failure to exhaust, available administrative or judicial procedures for review, any incomplete traffic education program or any unpaid fine or penalty, or both, will constitute a debt due and owing the municipality or county.

(ii) A notice of final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation liability. This notice shall be sent following a final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation liability and the conclusion of judicial review procedures taken under this Section. The notice shall state that the incomplete traffic education program or the unpaid fine or penalty, or both, is a debt due and owing the municipality or county. The notice shall contain warnings that failure to complete any required traffic education program or to pay any fine or penalty due and owing the municipality or county, or both, within the time specified may result in the municipality's or county's filing of a petition in the Circuit Court to have the incomplete traffic education program or unpaid fine or penalty, or both, rendered a judgment as provided by this Section, or, where applicable, may result in

suspension of the person's driver's license for failure to complete a traffic education program or to pay fines or penalties, or both, for 5 or more automated traffic law violations under Section 11-208.6 or 11-208.9 or automated speed enforcement system violations under Section 11-208.8.

(6) A notice of impending driver's license suspension. This notice shall be sent to the person liable for failure to complete a required traffic education program or to pay any fine or penalty that remains due and owing, or both, on 5 or more unpaid automated speed enforcement system or automated traffic law violations. The notice shall state that failure to complete a required traffic education program or to pay the fine or penalty owing, or both, within 45 days of the notice's date will result in the municipality or county notifying the Secretary of State that the person is eligible for initiation of suspension proceedings under Section 6-306.5-1 ~~6-306.5~~ of this Code. The notice shall also state that the person may obtain a photostatic copy of an original ticket imposing a fine or penalty by sending a self-addressed, stamped envelope to the municipality or county along with a request for the photostatic copy. The notice of impending driver's license suspension shall be sent by first class United States mail, postage prepaid, to the address recorded with the Secretary of State or, if any notice to that address is

returned as undeliverable, to the last known address recorded in a United States Post Office approved database.

(7) Final determinations of violation liability. A final determination of violation liability shall occur following failure to complete the required traffic education program or to pay the fine or penalty, or both, after a hearing officer's determination of violation liability and the exhaustion of or failure to exhaust any administrative review procedures provided by ordinance. Where a person fails to appear at a hearing to contest the alleged violation in the time and manner specified in a prior mailed notice, the hearing officer's determination of violation liability shall become final: (A) upon denial of a timely petition to set aside that determination, or (B) upon expiration of the period for filing the petition without a filing having been made.

(8) A petition to set aside a determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation liability that may be filed by a person owing an unpaid fine or penalty. A petition to set aside a determination of liability may also be filed by a person required to complete a traffic education program. The petition shall be filed with and ruled upon by the traffic compliance administrator in the manner and within the time specified by ordinance. The grounds for the petition may be limited to: (A) the person

not having been the owner or lessee of the cited vehicle on the date the violation notice was issued, (B) the person having already completed the required traffic education program or paid the fine or penalty, or both, for the violation in question, and (C) excusable failure to appear at or request a new date for a hearing. With regard to municipalities or counties with a population of 1 million or more, it shall be grounds for dismissal of a parking violation if the state registration number or vehicle make, only if specified in the violation notice, is incorrect. After the determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation liability has been set aside upon a showing of just cause, the registered owner shall be provided with a hearing on the merits for that violation.

(9) Procedures for non-residents. Procedures by which persons who are not residents of the municipality or county may contest the merits of the alleged violation without attending a hearing.

(10) A schedule of civil fines for violations of vehicular standing, parking, compliance, automated speed enforcement system, or automated traffic law regulations enacted by ordinance pursuant to this Section, and a schedule of penalties for late payment of the fines or failure to complete required traffic education programs,

provided, however, that the total amount of the fine and penalty for any one violation shall not exceed $250, except as provided in subsection (c) of Section 11-1301.3 of this Code.

(11) Other provisions as are necessary and proper to carry into effect the powers granted and purposes stated in this Section.

(b-5) An automated speed enforcement system or automated traffic law ordinance adopted under this Section by a municipality or county shall require that the determination to issue a citation be vested solely with the municipality or county and that such authority may not be delegated to any vendor retained by the municipality or county. Any contract or agreement violating such a provision in the ordinance is null and void.

(c) Any municipality or county establishing vehicular standing, parking, compliance, automated speed enforcement system, or automated traffic law regulations under this Section may also provide by ordinance for a program of vehicle immobilization for the purpose of facilitating enforcement of those regulations. The program of vehicle immobilization shall provide for immobilizing any eligible vehicle upon the public way by presence of a restraint in a manner to prevent operation of the vehicle. Any ordinance establishing a program of vehicle immobilization under this Section shall provide:

(1) Criteria for the designation of vehicles eligible

for immobilization. A vehicle shall be eligible for immobilization when the registered owner of the vehicle has accumulated the number of incomplete traffic education programs or unpaid final determinations of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation liability, or both, as determined by ordinance.

(2) A notice of impending vehicle immobilization and a right to a hearing to challenge the validity of the notice by disproving liability for the incomplete traffic education programs or unpaid final determinations of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation liability, or both, listed on the notice.

(3) The right to a prompt hearing after a vehicle has been immobilized or subsequently towed without the completion of the required traffic education program or payment of the outstanding fines and penalties on parking, standing, compliance, automated speed enforcement system, or automated traffic law violations, or both, for which final determinations have been issued. An order issued after the hearing is a final administrative decision within the meaning of Section 3-101 of the Code of Civil Procedure.

(4) A post immobilization and post-towing notice advising the registered owner of the vehicle of the right

to a hearing to challenge the validity of the impoundment.

(d) Judicial review of final determinations of parking, standing, compliance, automated speed enforcement system, or automated traffic law violations and final administrative decisions issued after hearings regarding vehicle immobilization and impoundment made under this Section shall be subject to the provisions of the Administrative Review Law.

(e) Any fine, penalty, incomplete traffic education program, or part of any fine or any penalty remaining unpaid after the exhaustion of, or the failure to exhaust, administrative remedies created under this Section and the conclusion of any judicial review procedures shall be a debt due and owing the municipality or county and, as such, may be collected in accordance with applicable law. Completion of any required traffic education program and payment in full of any fine or penalty resulting from a standing, parking, compliance, automated speed enforcement system, or automated traffic law violation shall constitute a final disposition of that violation.

(f) After the expiration of the period within which judicial review may be sought for a final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation, the municipality or county may commence a proceeding in the Circuit Court for purposes of obtaining a judgment on the final determination of violation. Nothing in this Section shall prevent a

municipality or county from consolidating multiple final determinations of parking, standing, compliance, automated speed enforcement system, or automated traffic law violations against a person in a proceeding. Upon commencement of the action, the municipality or county shall file a certified copy or record of the final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation, which shall be accompanied by a certification that recites facts sufficient to show that the final determination of violation was issued in accordance with this Section and the applicable municipal or county ordinance. Service of the summons and a copy of the petition may be by any method provided by Section 2-203 of the Code of Civil Procedure or by certified mail, return receipt requested, provided that the total amount of fines and penalties for final determinations of parking, standing, compliance, automated speed enforcement system, or automated traffic law violations does not exceed $2500. If the court is satisfied that the final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation was entered in accordance with the requirements of this Section and the applicable municipal or county ordinance, and that the registered owner or the lessee, as the case may be, had an opportunity for an administrative hearing and for judicial review as provided in this Section, the court shall render judgment in favor of the municipality or county and

against the registered owner or the lessee for the amount indicated in the final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation, plus costs. The judgment shall have the same effect and may be enforced in the same manner as other judgments for the recovery of money.

(g) The fee for participating in a traffic education program under this Section shall not exceed $25.

A low-income individual required to complete a traffic education program under this Section who provides proof of eligibility for the federal earned income tax credit under Section 32 of the Internal Revenue Code or the Illinois earned income tax credit under Section 212 of the Illinois Income Tax Act shall not be required to pay any fee for participating in a required traffic education program.

(h) Notwithstanding any other provision of law to the contrary, a person shall not be liable for violations, fees, fines, or penalties under this Section during the period in which the motor vehicle was stolen or hijacked, as indicated in a report to the appropriate law enforcement agency filed in a timely manner.

Sec. 11-208.6. Automated traffic law enforcement system.

(a) As used in this Section, "automated traffic law enforcement system" means a device with one or more motor vehicle sensors working in conjunction with a red light signal to produce recorded images of motor vehicles entering an intersection against a red signal indication in violation of Section 11-306 of this Code or a similar provision of a local ordinance.

An automated traffic law enforcement system is a system, in a municipality or county operated by a governmental agency, that produces a recorded image of a motor vehicle's violation of a provision of this Code or a local ordinance and is designed to obtain a clear recorded image of the vehicle and the vehicle's license plate. The recorded image must also display the time, date, and location of the violation.

(b) As used in this Section, "recorded images" means images recorded by an automated traffic law enforcement system on:

(1) 2 or more photographs;

(2) 2 or more microphotographs;

(3) 2 or more electronic images; or

(4) a video recording showing the motor vehicle and, on at least one image or portion of the recording, clearly identifying the registration plate or digital registration plate number of the motor vehicle.

(b-5) A municipality or county that produces a recorded image of a motor vehicle's violation of a provision of this

Code or a local ordinance must make the recorded images of a violation accessible to the alleged violator by providing the alleged violator with a website address, accessible through the Internet.

(c) Except as provided under Section 11-208.8 of this Code, a county or municipality, including a home rule county or municipality, may not use an automated traffic law enforcement system to provide recorded images of a motor vehicle for the purpose of recording its speed. Except as provided under Section 11-208.8 of this Code, the regulation of the use of automated traffic law enforcement systems to record vehicle speeds is an exclusive power and function of the State. This subsection (c) is a denial and limitation of home rule powers and functions under subsection (h) of Section 6 of Article VII of the Illinois Constitution.

(c-5) A county or municipality, including a home rule county or municipality, may not use an automated traffic law enforcement system to issue violations in instances where the motor vehicle comes to a complete stop and does not enter the intersection, as defined by Section 1-132 of this Code, during the cycle of the red signal indication unless one or more pedestrians or bicyclists are present, even if the motor vehicle stops at a point past a stop line or crosswalk where a driver is required to stop, as specified in subsection (c) of Section 11-306 of this Code or a similar provision of a local ordinance.

(c-6) A county, or a municipality with less than 2,000,000 inhabitants, including a home rule county or municipality, may not use an automated traffic law enforcement system to issue violations in instances where a motorcyclist enters an intersection against a red signal indication when the red signal fails to change to a green signal within a reasonable period of time not less than 120 seconds because of a signal malfunction or because the signal has failed to detect the arrival of the motorcycle due to the motorcycle's size or weight.

(d) For each violation of a provision of this Code or a local ordinance recorded by an automatic traffic law enforcement system, the county or municipality having jurisdiction shall issue a written notice of the violation to the registered owner of the vehicle as the alleged violator. The notice shall be delivered to the registered owner of the vehicle, by mail, within 30 days after the Secretary of State notifies the municipality or county of the identity of the owner of the vehicle, but in no event later than 90 days after the violation.

The notice shall include:

(1) the name and address of the registered owner of the vehicle;

(2) the registration number of the motor vehicle involved in the violation;

(3) the violation charged;

(4) the location where the violation occurred;

(5) the date and time of the violation;

(6) a copy of the recorded images;

(7) the amount of the civil penalty imposed and the requirements of any traffic education program imposed and the date by which the civil penalty should be paid and the traffic education program should be completed;

(8) a statement that recorded images are evidence of a violation of a red light signal;

(9) a warning that failure to pay the civil penalty, to complete a required traffic education program, or to contest liability in a timely manner is an admission of liability and may result in a suspension of the driving privileges of the registered owner of the vehicle;

(10) a statement that the person may elect to proceed by:

(A) paying the fine, completing a required traffic education program, or both; or

(B) challenging the charge in court, by mail, or by administrative hearing; and

(11) a website address, accessible through the Internet, where the person may view the recorded images of the violation.

(e) (Blank).

(e-1) If a person charged with a traffic violation, as a result of an automated traffic law enforcement system, does

not pay the fine or complete a required traffic education program, or both, or successfully contest the civil penalty resulting from that violation, the Secretary of State shall suspend the driving privileges of the registered owner of the vehicle under Section 6-306.5-1 of this Code for failing to complete a required traffic education program or to pay any fine or penalty due and owing, or both, as a result of a combination of 5 violations of the automated traffic law enforcement system or the automated speed enforcement system under Section 11-208.8 of this Code.

(f) Based on inspection of recorded images produced by an automated traffic law enforcement system, a notice alleging that the violation occurred shall be evidence of the facts contained in the notice and admissible in any proceeding alleging a violation under this Section.

(g) Recorded images made by an automatic traffic law enforcement system are confidential and shall be made available only to the alleged violator and governmental and law enforcement agencies for purposes of adjudicating a violation of this Section, for statistical purposes, or for other governmental purposes. Any recorded image evidencing a violation of this Section, however, may be admissible in any proceeding resulting from the issuance of the citation.

(h) The court or hearing officer may consider in defense of a violation:

(1) that the motor vehicle or registration plates or

digital registration plates of the motor vehicle were stolen before the violation occurred and not under the control of or in the possession of the owner or lessee at the time of the violation;

(1.5) that the motor vehicle was hijacked before the violation occurred and not under the control of or in the possession of the owner or lessee at the time of the violation;

(2) that the driver of the vehicle passed through the intersection when the light was red either (i) in order to yield the right-of-way to an emergency vehicle or (ii) as part of a funeral procession; and

(3) any other evidence or issues provided by municipal or county ordinance.

(i) To demonstrate that the motor vehicle was hijacked or the motor vehicle or registration plates or digital registration plates were stolen before the violation occurred and were not under the control or possession of the owner or lessee at the time of the violation, the owner or lessee must submit proof that a report concerning the motor vehicle or registration plates was filed with a law enforcement agency in a timely manner.

(j) Unless the driver of the motor vehicle received a Uniform Traffic Citation from a police officer at the time of the violation, the motor vehicle owner is subject to a civil penalty not exceeding $100 or the completion of a traffic

education program, or both, plus an additional penalty of not more than $100 for failure to pay the original penalty or to complete a required traffic education program, or both, in a timely manner, if the motor vehicle is recorded by an automated traffic law enforcement system. A violation for which a civil penalty is imposed under this Section is not a violation of a traffic regulation governing the movement of vehicles and may not be recorded on the driving record of the owner of the vehicle.

(j-3) A registered owner who is a holder of a valid commercial driver's license is not required to complete a traffic education program.

(j-5) For purposes of the required traffic education program only, a registered owner may submit an affidavit to the court or hearing officer swearing that at the time of the alleged violation, the vehicle was in the custody and control of another person. The affidavit must identify the person in custody and control of the vehicle, including the person's name and current address. The person in custody and control of the vehicle at the time of the violation is required to complete the required traffic education program. If the person in custody and control of the vehicle at the time of the violation completes the required traffic education program, the registered owner of the vehicle is not required to complete a traffic education program.

(k) An intersection equipped with an automated traffic law

enforcement system must be posted with a sign visible to approaching traffic indicating that the intersection is being monitored by an automated traffic law enforcement system and informing drivers whether, following a stop, a right turn at the intersection is permitted or prohibited.

(k-3) A municipality or county that has one or more intersections equipped with an automated traffic law enforcement system must provide notice to drivers by posting the locations of automated traffic law systems on the municipality or county website.

(k-5) An intersection equipped with an automated traffic law enforcement system must have a yellow change interval that conforms with the Illinois Manual on Uniform Traffic Control Devices (IMUTCD) published by the Illinois Department of Transportation. Beginning 6 months before it installs an automated traffic law enforcement system at an intersection, a county or municipality may not change the yellow change interval at that intersection.

(k-7) A municipality or county operating an automated traffic law enforcement system shall conduct a statistical analysis to assess the safety impact of each automated traffic law enforcement system at an intersection following installation of the system and every 2 years thereafter. Each statistical analysis shall be based upon the best available crash, traffic, and other data, and shall cover a period of time before and after installation of the system sufficient to

provide a statistically valid comparison of safety impact. Each statistical analysis shall be consistent with professional judgment and acceptable industry practice. Each statistical analysis also shall be consistent with the data required for valid comparisons of before and after conditions and shall be conducted within a reasonable period following the installation of the automated traffic law enforcement system. Each statistical analysis required by this subsection (k-7) shall be made available to the public and shall be published on the website of the municipality or county. If a statistical analysis indicates that there has been an increase in the rate of crashes at the approach to the intersection monitored by the system, the municipality or county shall undertake additional studies to determine the cause and severity of the crashes, and may take any action that it determines is necessary or appropriate to reduce the number or severity of the crashes at that intersection.

(k-8) Any municipality or county operating an automated traffic law enforcement system before July 28, 2023 (the effective date of Public Act 103-364) shall conduct a statistical analysis to assess the safety impact of each automated traffic law enforcement system at an intersection by no later than one year after July 28, 2023 (the effective date of Public Act 103-364) and every 2 years thereafter. The statistical analyses shall be based upon the best available crash, traffic, and other data, and shall cover a period of

time before and after installation of the system sufficient to provide a statistically valid comparison of safety impact. The statistical analyses shall be consistent with professional judgment and acceptable industry practice. The statistical analyses also shall be consistent with the data required for valid comparisons of before and after conditions. The statistical analyses required by this subsection shall be made available to the public and shall be published on the website of the municipality or county. If the statistical analysis for any period following installation of the system indicates that there has been an increase in the rate of accidents at the approach to the intersection monitored by the system, the municipality or county shall undertake additional studies to determine the cause and severity of the accidents, and may take any action that it determines is necessary or appropriate to reduce the number or severity of the accidents at that intersection.

(l) The compensation paid for an automated traffic law enforcement system must be based on the value of the equipment or the services provided and may not be based on the number of traffic citations issued or the revenue generated by the system.

(l-1) No member of the General Assembly and no officer or employee of a municipality or county shall knowingly accept employment or receive compensation or fees for services from a vendor that provides automated traffic law enforcement system

equipment or services to municipalities or counties. No former member of the General Assembly shall, within a period of 2 years immediately after the termination of service as a member of the General Assembly, knowingly accept employment or receive compensation or fees for services from a vendor that provides automated traffic law enforcement system equipment or services to municipalities or counties. No former officer or employee of a municipality or county shall, within a period of 2 years immediately after the termination of municipal or county employment, knowingly accept employment or receive compensation or fees for services from a vendor that provides automated traffic law enforcement system equipment or services to municipalities or counties.

(m) This Section applies only to the counties of Cook, DuPage, Kane, Lake, Madison, McHenry, St. Clair, and Will and to municipalities located within those counties.

(n) The fee for participating in a traffic education program under this Section shall not exceed $25.

A low-income individual required to complete a traffic education program under this Section who provides proof of eligibility for the federal earned income tax credit under Section 32 of the Internal Revenue Code or the Illinois earned income tax credit under Section 212 of the Illinois Income Tax Act shall not be required to pay any fee for participating in a required traffic education program.

(o) (Blank).

(o-1) A municipality or county shall make a certified report to the Secretary of State pursuant to Section 6-306.5-1 of this Code whenever a registered owner of a vehicle has failed to pay any fine or penalty due and owing as a result of a combination of 5 offenses for automated traffic law or speed enforcement system violations.

(p) No person who is the lessor of a motor vehicle pursuant to a written lease agreement shall be liable for an automated speed or traffic law enforcement system violation involving such motor vehicle during the period of the lease; provided that upon the request of the appropriate authority received within 120 days after the violation occurred, the lessor provides within 60 days after such receipt the name and address of the lessee. The driver's license number of a lessee may be subsequently individually requested by the appropriate authority if needed for enforcement of this Section.

Upon the provision of information by the lessor pursuant to this subsection, the county or municipality may issue the violation to the lessee of the vehicle in the same manner as it would issue a violation to a registered owner of a vehicle pursuant to this Section, and the lessee may be held liable for the violation.

(q) If a county or municipality selects a new vendor for its automated traffic law enforcement system and must, as a consequence, apply for a permit, approval, or other authorization from the Department for reinstallation of one or

more malfunctioning components of that system and if, at the time of the application for the permit, approval, or other authorization, the new vendor operates an automated traffic law enforcement system for any other county or municipality in the State, then the Department shall approve or deny the county or municipality's application for the permit, approval, or other authorization within 90 days after its receipt.

(r) The Department may revoke any permit, approval, or other authorization granted to a county or municipality for the placement, installation, or operation of an automated traffic law enforcement system if any official or employee who serves that county or municipality is charged with bribery, official misconduct, or a similar crime related to the placement, installation, or operation of the automated traffic law enforcement system in the county or municipality.

The Department shall adopt any rules necessary to implement and administer this subsection. The rules adopted by the Department shall describe the revocation process, shall ensure that notice of the revocation is provided, and shall provide an opportunity to appeal the revocation. Any county or municipality that has a permit, approval, or other authorization revoked under this subsection may not reapply for such a permit, approval, or other authorization for a period of one year after the revocation.

(s) If an automated traffic law enforcement system is removed or rendered inoperable due to construction, then the

Department shall authorize the reinstallation or use of the automated traffic law enforcement system within 30 days after the construction is complete.

(625 ILCS 5/11-208.8)

Sec. 11-208.8. Automated speed enforcement systems in safety zones.

(a) As used in this Section:

"Automated speed enforcement system" means a photographic device, radar device, laser device, or other electrical or mechanical device or devices installed or utilized in a safety zone and designed to record the speed of a vehicle and obtain a clear photograph or other recorded image of the vehicle and the vehicle's registration plate or digital registration plate while the driver is violating Article VI of Chapter 11 of this Code or a similar provision of a local ordinance.

An automated speed enforcement system is a system, located in a safety zone which is under the jurisdiction of a municipality, that produces a recorded image of a motor vehicle's violation of a provision of this Code or a local ordinance and is designed to obtain a clear recorded image of the vehicle and the vehicle's license plate. The recorded image must also display the time, date, and location of the

violation.

"Owner" means the person or entity to whom the vehicle is registered.

"Recorded image" means images recorded by an automated speed enforcement system on:

(1) 2 or more photographs;

(2) 2 or more microphotographs;

(3) 2 or more electronic images; or

(4) a video recording showing the motor vehicle and, on at least one image or portion of the recording, clearly identifying the registration plate or digital registration plate number of the motor vehicle.

"Safety zone" means an area that is within one-eighth of a mile from the nearest property line of any public or private elementary or secondary school, or from the nearest property line of any facility, area, or land owned by a school district that is used for educational purposes approved by the Illinois State Board of Education, not including school district headquarters or administrative buildings. A safety zone also includes an area that is within one-eighth of a mile from the nearest property line of any facility, area, or land owned by a park district used for recreational purposes. However, if any portion of a roadway is within either one-eighth mile radius, the safety zone also shall include the roadway extended to the furthest portion of the next furthest intersection. The term "safety zone" does not include any portion of the roadway

known as Lake Shore Drive or any controlled access highway with 8 or more lanes of traffic.

(a-5) The automated speed enforcement system shall be operational and violations shall be recorded only at the following times:

(i) if the safety zone is based upon the property line of any facility, area, or land owned by a school district, only on school days and no earlier than 6 a.m. and no later than 8:30 p.m. if the school day is during the period of Monday through Thursday, or 9 p.m. if the school day is a Friday; and

(ii) if the safety zone is based upon the property line of any facility, area, or land owned by a park district, no earlier than one hour prior to the time that the facility, area, or land is open to the public or other patrons, and no later than one hour after the facility, area, or land is closed to the public or other patrons.

(b) A municipality that produces a recorded image of a motor vehicle's violation of a provision of this Code or a local ordinance must make the recorded images of a violation accessible to the alleged violator by providing the alleged violator with a website address, accessible through the Internet.

(c) Notwithstanding any penalties for any other violations of this Code, the owner of a motor vehicle used in a traffic violation recorded by an automated speed enforcement system

shall be subject to the following penalties:

(1) if the recorded speed is no less than 6 miles per hour and no more than 10 miles per hour over the legal speed limit, a civil penalty not exceeding $50, plus an additional penalty of not more than $50 for failure to pay the original penalty in a timely manner; or

(2) if the recorded speed is more than 10 miles per hour over the legal speed limit, a civil penalty not exceeding $100, plus an additional penalty of not more than $100 for failure to pay the original penalty in a timely manner.

A penalty may not be imposed under this Section if the driver of the motor vehicle received a Uniform Traffic Citation from a police officer for a speeding violation occurring within one-eighth of a mile and 15 minutes of the violation that was recorded by the system. A violation for which a civil penalty is imposed under this Section is not a violation of a traffic regulation governing the movement of vehicles and may not be recorded on the driving record of the owner of the vehicle. A law enforcement officer is not required to be present or to witness the violation. No penalty may be imposed under this Section if the recorded speed of a vehicle is 5 miles per hour or less over the legal speed limit. The municipality may send, in the same manner that notices are sent under this Section, a speed violation warning notice where the violation involves a speed of 5 miles per hour or

less above the legal speed limit.

(d) The net proceeds that a municipality receives from civil penalties imposed under an automated speed enforcement system, after deducting all non-personnel and personnel costs associated with the operation and maintenance of such system, shall be expended or obligated by the municipality for the following purposes:

(i) public safety initiatives to ensure safe passage around schools, and to provide police protection and surveillance around schools and parks, including but not limited to: (1) personnel costs; and (2) non-personnel costs such as construction and maintenance of public safety infrastructure and equipment;

(ii) initiatives to improve pedestrian and traffic safety;

(iii) construction and maintenance of infrastructure within the municipality, including but not limited to roads and bridges; and

(iv) after school programs.

(e) For each violation of a provision of this Code or a local ordinance recorded by an automated speed enforcement system, the municipality having jurisdiction shall issue a written notice of the violation to the registered owner of the vehicle as the alleged violator. The notice shall be delivered to the registered owner of the vehicle, by mail, within 30 days after the Secretary of State notifies the municipality of the

identity of the owner of the vehicle, but in no event later than 90 days after the violation.

(f) The notice required under subsection (e) of this Section shall include:

(1) the name and address of the registered owner of the vehicle;

(2) the registration number of the motor vehicle involved in the violation;

(3) the violation charged;

(4) the date, time, and location where the violation occurred;

(5) a copy of the recorded image or images;

(6) the amount of the civil penalty imposed and the date by which the civil penalty should be paid;

(7) a statement that recorded images are evidence of a violation of a speed restriction;

(8) a warning that failure to pay the civil penalty or to contest liability in a timely manner is an admission of liability and may result in a suspension of the driving privileges of the registered owner of the vehicle;

(9) a statement that the person may elect to proceed by:

(A) paying the fine; or

(B) challenging the charge in court, by mail, or by administrative hearing; and

(10) a website address, accessible through the

Internet, where the person may view the recorded images of the violation.

(g) (Blank).

(g-1) If a person charged with a traffic violation, as a result of an automated speed enforcement system, does not pay the fine or successfully contest the civil penalty resulting from that violation, the Secretary of State shall suspend the driving privileges of the registered owner of the vehicle under Section 6-306.5-1 of this Code for failing to pay any fine or penalty due and owing, or both, as a result of a combination of 5 violations of the automated speed enforcement system or the automated traffic law under Section 11-208.6 of this Code.

(h) Based on inspection of recorded images produced by an automated speed enforcement system, a notice alleging that the violation occurred shall be evidence of the facts contained in the notice and admissible in any proceeding alleging a violation under this Section.

(i) Recorded images made by an automated speed enforcement system are confidential and shall be made available only to the alleged violator and governmental and law enforcement agencies for purposes of adjudicating a violation of this Section, for statistical purposes, or for other governmental purposes. Any recorded image evidencing a violation of this Section, however, may be admissible in any proceeding resulting from the issuance of the citation.

(j) The court or hearing officer may consider in defense of a violation:

(1) that the motor vehicle or registration plates or digital registration plates of the motor vehicle were stolen before the violation occurred and not under the control or in the possession of the owner or lessee at the time of the violation;

(1.5) that the motor vehicle was hijacked before the violation occurred and not under the control of or in the possession of the owner or lessee at the time of the violation;

(2) that the driver of the motor vehicle received a Uniform Traffic Citation from a police officer for a speeding violation occurring within one-eighth of a mile and 15 minutes of the violation that was recorded by the system; and

(3) any other evidence or issues provided by municipal ordinance.

(k) To demonstrate that the motor vehicle was hijacked or the motor vehicle or registration plates or digital registration plates were stolen before the violation occurred and were not under the control or possession of the owner or lessee at the time of the violation, the owner or lessee must submit proof that a report concerning the motor vehicle or registration plates was filed with a law enforcement agency in a timely manner.

(l) A roadway equipped with an automated speed enforcement system shall be posted with a sign conforming to the national Manual on Uniform Traffic Control Devices that is visible to approaching traffic stating that vehicle speeds are being photo-enforced and indicating the speed limit. The municipality shall install such additional signage as it determines is necessary to give reasonable notice to drivers as to where automated speed enforcement systems are installed.

(m) A roadway where a new automated speed enforcement system is installed shall be posted with signs providing 30 days notice of the use of a new automated speed enforcement system prior to the issuance of any citations through the automated speed enforcement system.

(n) The compensation paid for an automated speed enforcement system must be based on the value of the equipment or the services provided and may not be based on the number of traffic citations issued or the revenue generated by the system.

(n-1) No member of the General Assembly and no officer or employee of a municipality or county shall knowingly accept employment or receive compensation or fees for services from a vendor that provides automated speed enforcement system equipment or services to municipalities or counties. No former member of the General Assembly shall, within a period of 2 years immediately after the termination of service as a member of the General Assembly, knowingly accept employment or

receive compensation or fees for services from a vendor that provides automated speed enforcement system equipment or services to municipalities or counties. No former officer or employee of a municipality or county shall, within a period of 2 years immediately after the termination of municipal or county employment, knowingly accept employment or receive compensation or fees for services from a vendor that provides automated speed enforcement system equipment or services to municipalities or counties.

(o) (Blank).

(o-1) A municipality shall make a certified report to the Secretary of State pursuant to Section 6-306.5-1 of this Code whenever a registered owner of a vehicle has failed to pay any fine or penalty due and owing as a result of a combination of 5 offenses for automated speed or traffic law enforcement system violations.

(p) No person who is the lessor of a motor vehicle pursuant to a written lease agreement shall be liable for an automated speed or traffic law enforcement system violation involving such motor vehicle during the period of the lease; provided that upon the request of the appropriate authority received within 120 days after the violation occurred, the lessor provides within 60 days after such receipt the name and address of the lessee. The driver's ~~drivers~~ license number of a lessee may be subsequently individually requested by the appropriate authority if needed for enforcement of this

Section.

Upon the provision of information by the lessor pursuant to this subsection, the municipality may issue the violation to the lessee of the vehicle in the same manner as it would issue a violation to a registered owner of a vehicle pursuant to this Section, and the lessee may be held liable for the violation.

(q) A municipality using an automated speed enforcement system must provide notice to drivers by publishing the locations of all safety zones where system equipment is installed on the website of the municipality.

(r) A municipality operating an automated speed enforcement system shall conduct a statistical analysis to assess the safety impact of the system following installation of the system and every 2 years thereafter. A municipality operating an automated speed enforcement system before the effective date of this amendatory Act of the 103rd General Assembly shall conduct a statistical analysis to assess the safety impact of the system by no later than one year after the effective date of this amendatory Act of the 103rd General Assembly and every 2 years thereafter. Each statistical analysis shall be based upon the best available crash, traffic, and other data, and shall cover a period of time before and after installation of the system sufficient to provide a statistically valid comparison of safety impact. Each statistical analysis shall be consistent with

professional judgment and acceptable industry practice. Each statistical analysis also shall be consistent with the data required for valid comparisons of before and after conditions and shall be conducted within a reasonable period following the installation of the automated traffic law enforcement system. Each statistical analysis required by this subsection shall be made available to the public and shall be published on the website of the municipality.

(s) This Section applies only to municipalities with a population of 1,000,000 or more inhabitants.

(t) If a county or municipality selects a new vendor for its automated speed enforcement system and must, as a consequence, apply for a permit, approval, or other authorization from the Department for reinstallation of one or more malfunctioning components of that system and if, at the time of the application for the permit, approval, or other authorization, the new vendor operates an automated speed enforcement system for any other county or municipality in the State, then the Department shall approve or deny the county or municipality's application for the permit, approval, or other authorization within 90 days after its receipt.

(u) The Department may revoke any permit, approval, or other authorization granted to a county or municipality for the placement, installation, or operation of an automated speed enforcement system if any official or employee who serves that county or municipality is charged with bribery,

official misconduct, or a similar crime related to the placement, installation, or operation of the automated speed enforcement system in the county or municipality.

The Department shall adopt any rules necessary to implement and administer this subsection. The rules adopted by the Department shall describe the revocation process, shall ensure that notice of the revocation is provided, and shall provide an opportunity to appeal the revocation. Any county or municipality that has a permit, approval, or other authorization revoked under this subsection may not reapply for such a permit, approval, or other authorization for a period of 1 year after the revocation.

(625 ILCS 5/11-208.9)

Sec. 11-208.9. Automated traffic law enforcement system; approaching, overtaking, and passing a school bus.

(a) As used in this Section, "automated traffic law enforcement system" means a device with one or more motor vehicle sensors working in conjunction with the visual signals on a school bus, as specified in Sections 12-803 and 12-805 of this Code, to produce recorded images of motor vehicles that fail to stop before meeting or overtaking, from either direction, any school bus stopped at any location for the purpose of receiving or discharging pupils in violation of Section 11-1414 of this Code or a similar provision of a local

ordinance.

An automated traffic law enforcement system is a system, in a municipality or county operated by a governmental agency, that produces a recorded image of a motor vehicle's violation of a provision of this Code or a local ordinance and is designed to obtain a clear recorded image of the vehicle and the vehicle's license plate. The recorded image must also display the time, date, and location of the violation.

(b) As used in this Section, "recorded images" means images recorded by an automated traffic law enforcement system on:

(1) 2 or more photographs;

(2) 2 or more microphotographs;

(3) 2 or more electronic images; or

(4) a video recording showing the motor vehicle and, on at least one image or portion of the recording, clearly identifying the registration plate or digital registration plate number of the motor vehicle.

(c) A municipality or county that produces a recorded image of a motor vehicle's violation of a provision of this Code or a local ordinance must make the recorded images of a violation accessible to the alleged violator by providing the alleged violator with a website address, accessible through the Internet.

(d) For each violation of a provision of this Code or a local ordinance recorded by an automated traffic law

enforcement system, the county or municipality having jurisdiction shall issue a written notice of the violation to the registered owner of the vehicle as the alleged violator. The notice shall be delivered to the registered owner of the vehicle, by mail, within 30 days after the Secretary of State notifies the municipality or county of the identity of the owner of the vehicle, but in no event later than 90 days after the violation.

(e) The notice required under subsection (d) shall include:

(1) the name and address of the registered owner of the vehicle;

(2) the registration number of the motor vehicle involved in the violation;

(3) the violation charged;

(4) the location where the violation occurred;

(5) the date and time of the violation;

(6) a copy of the recorded images;

(7) the amount of the civil penalty imposed and the date by which the civil penalty should be paid;

(8) a statement that recorded images are evidence of a violation of overtaking or passing a school bus stopped for the purpose of receiving or discharging pupils;

(9) a warning that failure to pay the civil penalty or to contest liability in a timely manner is an admission of liability and may result in a suspension of the driving

privileges of the registered owner of the vehicle;

(10) a statement that the person may elect to proceed by:

(A) paying the fine; or

(B) challenging the charge in court, by mail, or by administrative hearing; and

(11) a website address, accessible through the Internet, where the person may view the recorded images of the violation.

(f) (Blank).

(f-1) If a person charged with a traffic violation, as a result of an automated traffic law enforcement system under this Section, does not pay the fine or successfully contest the civil penalty resulting from that violation, the Secretary of State shall suspend the driving privileges of the registered owner of the vehicle under Section 6-306.5-1 of this Code for failing to pay any fine or penalty due and owing as a result of a combination of 5 violations of the automated traffic law enforcement system or the automated speed enforcement system under Section 11-208.8 of this Code.

(g) Based on inspection of recorded images produced by an automated traffic law enforcement system, a notice alleging that the violation occurred shall be evidence of the facts contained in the notice and admissible in any proceeding alleging a violation under this Section.

(h) Recorded images made by an automated traffic law

enforcement system are confidential and shall be made available only to the alleged violator and governmental and law enforcement agencies for purposes of adjudicating a violation of this Section, for statistical purposes, or for other governmental purposes. Any recorded image evidencing a violation of this Section, however, may be admissible in any proceeding resulting from the issuance of the citation.

(i) The court or hearing officer may consider in defense of a violation:

(1) that the motor vehicle or registration plates or digital registration plates of the motor vehicle were stolen before the violation occurred and not under the control of or in the possession of the owner or lessee at the time of the violation;

(1.5) that the motor vehicle was hijacked before the violation occurred and not under the control of or in the possession of the owner or lessee at the time of the violation;

(2) that the driver of the motor vehicle received a Uniform Traffic Citation from a police officer for a violation of Section 11-1414 of this Code within one-eighth of a mile and 15 minutes of the violation that was recorded by the system;

(3) that the visual signals required by Sections 12-803 and 12-805 of this Code were damaged, not activated, not present in violation of Sections 12-803 and

12-805, or inoperable; and

(4) any other evidence or issues provided by municipal or county ordinance.

(j) To demonstrate that the motor vehicle was hijacked or the motor vehicle or registration plates or digital registration plates were stolen before the violation occurred and were not under the control or possession of the owner or lessee at the time of the violation, the owner or lessee must submit proof that a report concerning the motor vehicle or registration plates was filed with a law enforcement agency in a timely manner.

(k) Unless the driver of the motor vehicle received a Uniform Traffic Citation from a police officer at the time of the violation, the motor vehicle owner is subject to a civil penalty not exceeding $150 for a first time violation or $500 for a second or subsequent violation, plus an additional penalty of not more than $100 for failure to pay the original penalty in a timely manner, if the motor vehicle is recorded by an automated traffic law enforcement system. A violation for which a civil penalty is imposed under this Section is not a violation of a traffic regulation governing the movement of vehicles and may not be recorded on the driving record of the owner of the vehicle, but may be recorded by the municipality or county for the purpose of determining if a person is subject to the higher fine for a second or subsequent offense.

(l) A school bus equipped with an automated traffic law

enforcement system must be posted with a sign indicating that the school bus is being monitored by an automated traffic law enforcement system.

(m) A municipality or county that has one or more school buses equipped with an automated traffic law enforcement system must provide notice to drivers by posting a list of school districts using school buses equipped with an automated traffic law enforcement system on the municipality or county website. School districts that have one or more school buses equipped with an automated traffic law enforcement system must provide notice to drivers by posting that information on their websites.

(n) A municipality or county operating an automated traffic law enforcement system shall conduct a statistical analysis to assess the safety impact in each school district using school buses equipped with an automated traffic law enforcement system following installation of the system and every 2 years thereafter. A municipality or county operating an automated speed enforcement system before the effective date of this amendatory Act of the 103rd General Assembly shall conduct a statistical analysis to assess the safety impact of the system by no later than one year after the effective date of this amendatory Act of the 103rd General Assembly and every 2 years thereafter. Each statistical analysis shall be based upon the best available crash, traffic, and other data, and shall cover a period of time

before and after installation of the system sufficient to provide a statistically valid comparison of safety impact. Each statistical analysis shall be consistent with professional judgment and acceptable industry practice. Each statistical analysis also shall be consistent with the data required for valid comparisons of before and after conditions and shall be conducted within a reasonable period following the installation of the automated traffic law enforcement system. Each statistical analysis required by this subsection shall be made available to the public and shall be published on the website of the municipality or county. If a statistical analysis indicates that there has been an increase in the rate of crashes at the approach to school buses monitored by the system, the municipality or county shall undertake additional studies to determine the cause and severity of the crashes, and may take any action that it determines is necessary or appropriate to reduce the number or severity of the crashes involving school buses equipped with an automated traffic law enforcement system.

(o) The compensation paid for an automated traffic law enforcement system must be based on the value of the equipment or the services provided and may not be based on the number of traffic citations issued or the revenue generated by the system.

(o-1) No member of the General Assembly and no officer or employee of a municipality or county shall knowingly accept

employment or receive compensation or fees for services from a vendor that provides automated traffic law enforcement system equipment or services to municipalities or counties. No former member of the General Assembly shall, within a period of 2 years immediately after the termination of service as a member of the General Assembly, knowingly accept employment or receive compensation or fees for services from a vendor that provides automated traffic law enforcement system equipment or services to municipalities or counties. No former officer or employee of a municipality or county shall, within a period of 2 years immediately after the termination of municipal or county employment, knowingly accept employment or receive compensation or fees for services from a vendor that provides automated traffic law enforcement system equipment or services to municipalities or counties.

(p) No person who is the lessor of a motor vehicle pursuant to a written lease agreement shall be liable for an automated speed or traffic law enforcement system violation involving such motor vehicle during the period of the lease; provided that upon the request of the appropriate authority received within 120 days after the violation occurred, the lessor provides within 60 days after such receipt the name and address of the lessee. <u>The driver's license number of a lessee may be subsequently individually requested by the appropriate authority if needed for enforcement of this Section.</u>

Upon the provision of information by the lessor pursuant

to this subsection, the county or municipality may issue the violation to the lessee of the vehicle in the same manner as it would issue a violation to a registered owner of a vehicle pursuant to this Section, and the lessee may be held liable for the violation.

(q) (Blank).

(q-1) A municipality or county shall make a certified report to the Secretary of State pursuant to Section 6-306.5-1 of this Code whenever a registered owner of a vehicle has failed to pay any fine or penalty due and owing as a result of a combination of 5 offenses for automated traffic law or speed enforcement system violations.

(r) After a municipality or county enacts an ordinance providing for automated traffic law enforcement systems under this Section, each school district within that municipality or county's jurisdiction may implement an automated traffic law enforcement system under this Section. The elected school board for that district must approve the implementation of an automated traffic law enforcement system. The school district shall be responsible for entering into a contract, approved by the elected school board of that district, with vendors for the installation, maintenance, and operation of the automated traffic law enforcement system. The school district must enter into an intergovernmental agreement, approved by the elected school board of that district, with the municipality or county with jurisdiction over that school district for the

administration of the automated traffic law enforcement system. The proceeds from a school district's automated traffic law enforcement system's fines shall be divided equally between the school district and the municipality or county administering the automated traffic law enforcement system.

(s) If a county or municipality changes the vendor it uses for its automated traffic law enforcement system and must, as a consequence, apply for a permit, approval, or other authorization from the Department for reinstallation of one or more malfunctioning components of that system and if, at the time of the application, the new vendor operates an automated traffic law enforcement system for any other county or municipality in the State, then the Department shall approve or deny the county or municipality's application for that permit, approval, or other authorization within 90 days after its receipt.

(t) The Department may revoke any permit, approval, or other authorization granted to a county or municipality for the placement, installation, or operation of an automated traffic law enforcement system if any official or employee who serves that county or municipality is charged with bribery, official misconduct, or a similar crime related to the placement, installation, or operation of the automated traffic law enforcement system in the county or municipality.

The Department shall adopt any rules necessary to

implement and administer this subsection. The rules adopted by the Department shall describe the revocation process, shall ensure that notice of the revocation is provided, and shall provide an opportunity to appeal the revocation. Any county or municipality that has a permit, approval, or other authorization revoked under this subsection may not reapply for such a permit, approval, or other authorization for a period of 1 year after the revocation.

Sec. 11-1201.1. Automated railroad crossing enforcement system.

(a) For the purposes of this Section, an automated railroad grade crossing enforcement system is a system in a municipality or county operated by a governmental agency that produces a recorded image of a motor vehicle's violation of a provision of this Code or local ordinance and is designed to obtain a clear recorded image of the vehicle and vehicle's license plate. The recorded image must also display the time, date, and location of the violation.

As used in this Section, "recorded images" means images recorded by an automated railroad grade crossing enforcement system on:

(1) 2 or more photographs;

(2) 2 or more microphotographs;

(3) 2 or more electronic images; or

(4) a video recording showing the motor vehicle and, on at least one image or portion of the recording, clearly identifying the registration plate or digital registration plate number of the motor vehicle.

(b) The Illinois Commerce Commission may, in cooperation with a local law enforcement agency, establish in any county or municipality an automated railroad grade crossing enforcement system at any railroad grade crossing equipped with a crossing gate designated by local authorities. Local authorities desiring the establishment of an automated railroad crossing enforcement system must initiate the process by enacting a local ordinance requesting the creation of such a system. After the ordinance has been enacted, and before any additional steps toward the establishment of the system are undertaken, the local authorities and the Commission must agree to a plan for obtaining, from any combination of federal, State, and local funding sources, the moneys required for the purchase and installation of any necessary equipment.

(b-1) (Blank).

(c) For each violation of Section 11-1201 of this Code or a local ordinance recorded by an automated railroad grade crossing enforcement system, the county or municipality having jurisdiction shall issue a written notice of the violation to the registered owner of the vehicle as the alleged violator.

The notice shall be delivered to the registered owner of the vehicle, by mail, no later than 90 days after the violation.

The notice shall include:

(1) the name and address of the registered owner of the vehicle;

(2) the registration number of the motor vehicle involved in the violation;

(3) the violation charged;

(4) the location where the violation occurred;

(5) the date and time of the violation;

(6) a copy of the recorded images;

(7) the amount of the civil penalty imposed and the date by which the civil penalty should be paid;

(8) a statement that recorded images are evidence of a violation of a railroad grade crossing;

(9) a warning that failure to pay the civil penalty or to contest liability in a timely manner is an admission of liability and may result in a suspension of the driving privileges of the registered owner of the vehicle; and

(10) a statement that the person may elect to proceed by:

(A) paying the fine; or

(B) challenging the charge in court, by mail, or by administrative hearing.

(d) (Blank).

(d-1) (Blank).

(d-2) (Blank).

(d-3) If a person charged with a traffic violation, as a result of an automated railroad grade crossing enforcement system, does not pay or successfully contest the civil penalty resulting from that violation, the Secretary of State shall suspend the driving privileges of the registered owner of the vehicle under Section 6-306.5-1 of this Code for failing to pay any fine or penalty due and owing as a result of 5 violations of the automated railroad grade crossing enforcement system.

(e) Based on inspection of recorded images produced by an automated railroad grade crossing enforcement system, a notice alleging that the violation occurred shall be evidence of the facts contained in the notice and admissible in any proceeding alleging a violation under this Section.

(e-1) Recorded images made by an automated railroad grade crossing enforcement system are confidential and shall be made available only to the alleged violator and governmental and law enforcement agencies for purposes of adjudicating a violation of this Section, for statistical purposes, or for other governmental purposes. Any recorded image evidencing a violation of this Section, however, may be admissible in any proceeding resulting from the issuance of the citation.

(e-2) The court or hearing officer may consider the following in the defense of a violation:

(1) that the motor vehicle or registration plates or

digital registration plates of the motor vehicle were stolen before the violation occurred and not under the control of or in the possession of the owner or lessee at the time of the violation;

(1.5) that the motor vehicle was hijacked before the violation occurred and not under the control of or in the possession of the owner or lessee at the time of the violation;

(2) that the driver of the motor vehicle received a Uniform Traffic Citation from a police officer at the time of the violation for the same offense;

(3) any other evidence or issues provided by municipal or county ordinance.

(e-3) To demonstrate that the motor vehicle was hijacked or the motor vehicle or registration plates or digital registration plates were stolen before the violation occurred and were not under the control or possession of the owner or lessee at the time of the violation, the owner or lessee must submit proof that a report concerning the motor vehicle or registration plates was filed with a law enforcement agency in a timely manner.

(f) Rail crossings equipped with an automatic railroad grade crossing enforcement system shall be posted with a sign visible to approaching traffic stating that the railroad grade crossing is being monitored, that citations will be issued, and the amount of the fine for violation.

(g) The compensation paid for an automated railroad grade crossing enforcement system must be based on the value of the equipment or the services provided and may not be based on the number of citations issued or the revenue generated by the system.

(h) (Blank).

(i) If any part or parts of this Section are held by a court of competent jurisdiction to be unconstitutional, the unconstitutionality shall not affect the validity of the remaining parts of this Section. The General Assembly hereby declares that it would have passed the remaining parts of this Section if it had known that the other part or parts of this Section would be declared unconstitutional.

(j) Penalty. A civil fine of $250 shall be imposed for a first violation of this Section, and a civil fine of $500 shall be imposed for a second or subsequent violation of this Section.

Section 200. The Illinois Vehicle Code is amended by changing Sections 6-303, 6-306.5-1, and 6-306.9 and by adding Sections 4-214.2 and 6-306.5-1 as follows:

(625 ILCS 5/4-214.2 new)

Sec. 4-214.2. Failure to pay fines, charges, and costs on

an abandoned vehicle.

(a) Whenever any resident of this State fails to pay any fine, charge, or cost imposed for a violation of Section 4-201 of this Code, or a similar provision of a local ordinance, the clerk shall notify the Secretary of State, on a report prescribed by the Secretary, and the Secretary shall prohibit the renewal, reissue, or reinstatement of the resident's driving privileges until the fine, charge, or cost has been paid in full. The clerk shall provide notice to the owner, at the owner's last known address as shown on the court's records, stating that the action will be effective on the 46th day following the date of the above notice if payment is not received in full by the court of venue.

(b) Following receipt of the report from the clerk, the Secretary of State shall make the proper notation to the owner's file to prohibit the renewal, reissue, or reinstatement of the owner's driving privileges. Except as provided in subsection (d) of this Section, the notation shall not be removed from the owner's record until the owner satisfies the outstanding fine, charge, or cost and an appropriate notice on a form prescribed by the Secretary is received by the Secretary from the court of venue, stating that the fine, charge, or cost has been paid in full. Upon payment in full of a fine, charge, or court cost which has previously been reported under this Section as unpaid, the clerk of the court shall present the owner with a signed

receipt containing the seal of the court indicating that the fine, charge, or cost has been paid in full, and shall forward immediately to the Secretary of State a notice stating that the fine, charge, or cost has been paid in full.

(c) Notwithstanding the receipt of a report from the clerk as prescribed in subsection (a), nothing in this Section is intended to place any responsibility upon the Secretary of State to provide independent notice to the owner of any potential action to disallow the renewal, reissue, or reinstatement of the owner's driving privileges.

(d) The Secretary of State shall renew, reissue, or reinstate an owner's driving privileges which were previously refused under this Section upon presentation of an original receipt which is signed by the clerk of the court and contains the seal of the court indicating that the fine, charge, or cost has been paid in full. The Secretary of State shall retain the receipt for his or her records.

(625 ILCS 5/6-303) (from Ch. 95 1/2, par. 6-303)

Sec. 6-303. Driving while driver's license, permit, or privilege to operate a motor vehicle is suspended or revoked.

(a) Except as otherwise provided in subsection (a-5) or (a-7), any person who drives or is in actual physical control of a motor vehicle on any highway of this State at a time when such person's driver's license, permit, or privilege to do so or the privilege to obtain a driver's license or permit is

revoked or suspended as provided by this Code or the law of another state, except as may be specifically allowed by a judicial driving permit issued prior to January 1, 2009, monitoring device driving permit, family financial responsibility driving permit, probationary license to drive, or a restricted driving permit issued pursuant to this Code or under the law of another state, shall be guilty of a Class A misdemeanor.

(a-3) A second or subsequent violation of subsection (a) of this Section is a Class 4 felony if committed by a person whose driving or operation of a motor vehicle is the proximate cause of a motor vehicle crash that causes personal injury or death to another. For purposes of this subsection, a personal injury includes any Type A injury as indicated on the traffic crash report completed by a law enforcement officer that requires immediate professional attention in either a doctor's office or a medical facility. A Type A injury includes severe bleeding wounds, distorted extremities, and injuries that require the injured party to be carried from the scene.

(a-5) Any person who violates this Section as provided in subsection (a) while his or her driver's license, permit, or privilege is revoked because of a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide, or a violation of subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, relating to the offense of

aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof when the violation was a proximate cause of a death, or a similar provision of a law of another state, is guilty of a Class 4 felony. The person shall be required to undergo a professional evaluation, as provided in Section 11-501 of this Code, to determine if an alcohol, drug, or intoxicating compound problem exists and the extent of the problem, and to undergo the imposition of treatment as appropriate.

(a-7) Any person who violates this Section as provided in subsection (a) while his or her driver's license or privilege to drive is suspended under Section 6-306.5-1 ~~6-306.5~~ or 7-702 of this Code shall receive a Uniform Traffic Citation from the law enforcement officer. A person who receives 3 or more Uniform Traffic Citations under this subsection (a-7) without paying any fees associated with the citations shall be guilty of a Class A misdemeanor.

(a-10) A person's driver's license, permit, or privilege to obtain a driver's license or permit may be subject to multiple revocations, multiple suspensions, or any combination of both simultaneously. No revocation or suspension shall serve to negate, invalidate, cancel, postpone, or in any way lessen the effect of any other revocation or suspension entered prior or subsequent to any other revocation or suspension.

(b) (Blank).

(b-1) Except for a person under subsection (a-7) of this Section, upon receiving a report of the conviction of any violation indicating a person was operating a motor vehicle during the time when the person's driver's license, permit, or privilege was suspended by the Secretary of State or the driver's licensing administrator of another state, except as specifically allowed by a probationary license, judicial driving permit, restricted driving permit, or monitoring device driving permit, the Secretary shall extend the suspension for the same period of time as the originally imposed suspension unless the suspension has already expired, in which case the Secretary shall be authorized to suspend the person's driving privileges for the same period of time as the originally imposed suspension.

(b-2) Except as provided in subsection (b-6) or (a-7), upon receiving a report of the conviction of any violation indicating a person was operating a motor vehicle when the person's driver's license, permit, or privilege was revoked by the Secretary of State or the driver's license administrator of any other state, except as specifically allowed by a restricted driving permit issued pursuant to this Code or the law of another state, the Secretary shall not issue a driver's license for an additional period of one year from the date of such conviction indicating such person was operating a vehicle during such period of revocation.

(b-3) (Blank).

(b-4) When the Secretary of State receives a report of a conviction of any violation indicating a person was operating a motor vehicle that was not equipped with an ignition interlock device during a time when the person was prohibited from operating a motor vehicle not equipped with such a device, the Secretary shall not issue a driver's license to that person for an additional period of one year from the date of the conviction.

(b-5) Any person convicted of violating this Section shall serve a minimum term of imprisonment of 30 consecutive days or 300 hours of community service when the person's driving privilege was revoked or suspended as a result of a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide, or a violation of subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, relating to the offense of aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof when the violation was a proximate cause of a death, or a similar provision of a law of another state. The court may give credit toward the fulfillment of community service hours for participation in activities and treatment as determined by court services.

(b-6) Upon receiving a report of a first conviction of operating a motor vehicle while the person's driver's license,

permit, or privilege was revoked where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 relating to the offense of reckless homicide, or a violation of subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, relating to the offense of aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof when the violation was a proximate cause of a death, or a similar out-of-state offense, the Secretary shall not issue a driver's license for an additional period of 3 years from the date of such conviction.

(c) Except as provided in subsections (c-3) and (c-4), any person convicted of violating this Section shall serve a minimum term of imprisonment of 10 consecutive days or 30 days of community service when the person's driving privilege was revoked or suspended as a result of:

(1) a violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a vehicle while under the influence of alcohol, any other drug or any combination thereof; or

(2) a violation of paragraph (b) of Section 11-401 of this Code or a similar provision of a local ordinance relating to the offense of leaving the scene of a motor vehicle crash involving personal injury or death; or

(3) a statutory summary suspension or revocation under

Section 11-501.1 of this Code.

Such sentence of imprisonment or community service shall not be subject to suspension in order to reduce such sentence.

(c-1) Except as provided in subsections (a-7), (c-5), and (d), any person convicted of a second violation of this Section shall be ordered by the court to serve a minimum of 100 hours of community service. The court may give credit toward the fulfillment of community service hours for participation in activities and treatment as determined by court services.

(c-2) In addition to other penalties imposed under this Section, the court may impose on any person convicted a fourth time of violating this Section any of the following:

(1) Seizure of the license plates of the person's vehicle.

(2) Immobilization of the person's vehicle for a period of time to be determined by the court.

(c-3) Any person convicted of a violation of this Section during a period of summary suspension imposed pursuant to Section 11-501.1 when the person was eligible for a monitoring device driving permit shall be guilty of a Class 4 felony and shall serve a minimum term of imprisonment of 30 days.

(c-4) Any person who has been issued a monitoring device driving permit or a restricted driving permit which requires the person to operate only motor vehicles equipped with an ignition interlock device and who is convicted of a violation of this Section as a result of operating or being in actual

physical control of a motor vehicle not equipped with an ignition interlock device at the time of the offense shall be guilty of a Class 4 felony and shall serve a minimum term of imprisonment of 30 days.

(c-5) Any person convicted of a second violation of this Section is guilty of a Class 2 felony, is not eligible for probation or conditional discharge, and shall serve a mandatory term of imprisonment, if:

(1) the current violation occurred when the person's driver's license was suspended or revoked for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide, or a violation of subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, relating to the offense of aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof when the violation was a proximate cause of a death, or a similar out-of-state offense; and

(2) the prior conviction under this Section occurred while the person's driver's license was suspended or revoked for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 relating to the offense of reckless homicide, or a violation of subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, relating to the offense of

aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof when the violation was a proximate cause of a death, or a similar out-of-state offense, or was suspended or revoked for a violation of Section 11-401 or 11-501 of this Code, a similar out-of-state offense, a similar provision of a local ordinance, or a statutory summary suspension or revocation under Section 11-501.1 of this Code.

(d) Any person convicted of a second violation of this Section shall be guilty of a Class 4 felony and shall serve a minimum term of imprisonment of 30 days or 300 hours of community service, as determined by the court, if:

(1) the current violation occurred when the person's driver's license was suspended or revoked for a violation of Section 11-401 or 11-501 of this Code, a similar out-of-state offense, a similar provision of a local ordinance, or a statutory summary suspension or revocation under Section 11-501.1 of this Code; and

(2) the prior conviction under this Section occurred while the person's driver's license was suspended or revoked for a violation of Section 11-401 or 11-501 of this Code, a similar out-of-state offense, a similar provision of a local ordinance, or a statutory summary suspension or revocation under Section 11-501.1 of this Code, or for a violation of Section 9-3 of the Criminal

Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide, or a violation of subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, relating to the offense of aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof when the violation was a proximate cause of a death, or a similar out-of-state offense.

The court may give credit toward the fulfillment of community service hours for participation in activities and treatment as determined by court services.

(d-1) Except as provided in subsections (a-7), (d-2), (d-2.5), and (d-3), any person convicted of a third or subsequent violation of this Section shall serve a minimum term of imprisonment of 30 days or 300 hours of community service, as determined by the court. The court may give credit toward the fulfillment of community service hours for participation in activities and treatment as determined by court services.

(d-2) Any person convicted of a third violation of this Section is guilty of a Class 4 felony and must serve a minimum term of imprisonment of 30 days, if:

(1) the current violation occurred when the person's driver's license was suspended or revoked for a violation of Section 11-401 or 11-501 of this Code, or a similar out-of-state offense, or a similar provision of a local

ordinance, or a statutory summary suspension or revocation under Section 11-501.1 of this Code; and

(2) the prior convictions under this Section occurred while the person's driver's license was suspended or revoked for a violation of Section 11-401 or 11-501 of this Code, a similar out-of-state offense, a similar provision of a local ordinance, or a statutory summary suspension or revocation under Section 11-501.1 of this Code, or for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide, or a violation of subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, relating to the offense of aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof when the violation was a proximate cause of a death, or a similar out-of-state offense.

(d-2.5) Any person convicted of a third violation of this Section is guilty of a Class 1 felony, is not eligible for probation or conditional discharge, and must serve a mandatory term of imprisonment, if:

(1) the current violation occurred while the person's driver's license was suspended or revoked for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide, or a violation of subparagraph (F) of paragraph

(1) of subsection (d) of Section 11-501 of this Code, relating to the offense of aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof when the violation was a proximate cause of a death, or a similar out-of-state offense. The person's driving privileges shall be revoked for the remainder of the person's life; and

Sec. 6-306.5-1. Failure to pay fine or penalty for standing, parking, compliance, automated speed enforcement system, or automated traffic law violations; suspension of driving privileges.

(a) Upon receipt of a certified report, as prescribed by subsection (c) of this Section, from any municipality or county stating that the owner of a registered vehicle has failed to pay any fine or penalty due and owing as a result of 5 offenses for automated speed enforcement system violations or automated traffic violations as defined in Sections 11-208.6, 11-208.8, 11-208.9, or 11-1201.1, or combination thereof, or is more than 14 days in default of a payment plan pursuant to which a suspension had been terminated under subsection (c) of this Section, the Secretary of State shall suspend the driving privileges of such person in accordance

with the procedures set forth in this Section. The Secretary shall also suspend the driving privileges of an owner of a registered vehicle upon receipt of a certified report, as prescribed by subsection (f) of this Section, from any municipality or county stating that such person has failed to satisfy any fines or penalties imposed by final judgments for 5 or more automated speed enforcement system or automated traffic law violations, or combination thereof, after exhaustion of judicial review procedures.

(b) Following receipt of the certified report of the municipality or county as specified in this Section, the Secretary of State shall notify the person whose name appears on the certified report that the person's driver's license will be suspended at the end of a specified period of time unless the Secretary of State is presented with a notice from the municipality or county certifying that the fine or penalty due and owing the municipality or county has been paid or that inclusion of that person's name on the certified report was in error. The Secretary's notice shall state in substance the information contained in the municipality's or county's certified report to the Secretary, and shall be effective as specified by subsection (c) of Section 6-211 of this Code.

(c) The report of the appropriate municipal or county official notifying the Secretary of State of unpaid fines or penalties pursuant to this Section shall be certified and shall contain the following:

(1) The name, last known address as recorded with the Secretary of State, as provided by the lessor of the cited vehicle at the time of lease, or as recorded in a United States Post Office approved database if any notice sent under Section 11-208.3 of this Code is returned as undeliverable, and driver's license number of the person who failed to pay the fine or penalty or who has defaulted in a payment plan and the registration number of any vehicle known to be registered to such person in this State.

(2) The name of the municipality or county making the report pursuant to this Section.

(3) A statement that the municipality or county sent a notice of impending driver's license suspension as prescribed by ordinance enacted pursuant to Section 11-208.3 of this Code or a notice of default in a payment plan, to the person named in the report at the address recorded with the Secretary of State or at the last address known to the lessor of the cited vehicle at the time of lease or, if any notice sent under Section 11-208.3 of this Code is returned as undeliverable, at the last known address recorded in a United States Post Office approved database; the date on which such notice was sent; and the address to which such notice was sent. In a municipality or county with a population of 1,000,000 or more, the report shall also include a statement that the

alleged violator's State vehicle registration number and vehicle make, if specified on the automated speed enforcement system violation or automated traffic law violation notice, are correct as they appear on the citations.

(4) A unique identifying reference number for each request of suspension sent whenever a person has failed to pay the fine or penalty or has defaulted on a payment plan.

(d) Any municipality or county making a certified report to the Secretary of State pursuant to this Section shall notify the Secretary of State, in a form prescribed by the Secretary, whenever a person named in the certified report has paid the previously reported fine or penalty, whenever a person named in the certified report has entered into a payment plan pursuant to which the municipality or county has agreed to terminate the suspension, or whenever the municipality or county determines that the original report was in error. A certified copy of such notification shall also be given upon request and at no additional charge to the person named therein. Upon receipt of the municipality's or county's notification or presentation of a certified copy of such notification, the Secretary of State shall terminate the suspension.

(e) Any municipality or county making a certified report to the Secretary of State pursuant to this Section shall also by ordinance establish procedures for persons to challenge the

accuracy of the certified report. The ordinance shall also state the grounds for such a challenge, which may be limited to (1) the person not having been the owner or lessee of the vehicle or vehicles receiving a combination of 5 or more automated speed enforcement system or automated traffic law violations on the date or dates such notices were issued; and (2) the person having already paid the fine or penalty for the combination of 5 or more automated speed enforcement system or automated traffic law violations indicated on the certified report.

(f) Any municipality or county, other than a municipality or county establishing automated speed enforcement system regulations under Section 11-208.8, or automated traffic law regulations under Section 11-208.6, 11-208.9, or 11-1201.1, may also cause a suspension of a person's driver's license pursuant to this Section. Such municipality or county may invoke this sanction by making a certified report to the Secretary of State upon a person's failure to satisfy any fine or penalty imposed by final judgment for a combination of 5 or more automated speed enforcement system or automated traffic law violations after exhaustion of judicial review procedures, but only if:

(1) the municipality or county complies with the provisions of this Section in all respects except in regard to enacting an ordinance pursuant to Section 11-208.3;

(2) the municipality or county has sent a notice of impending driver's license suspension as prescribed by an ordinance enacted pursuant to subsection (g) of this Section; and

(3) in municipalities or counties with a population of 1,000,000 or more, the municipality or county has verified that the alleged violator's State vehicle registration number and vehicle make are correct as they appear on the citations.

(g) Any municipality or county, other than a municipality or county establishing automated speed enforcement system regulations under Section 11-208.8, or automated traffic law regulations under Section 11-208.6, 11-208.9, or 11-1201.1, may provide by ordinance for the sending of a notice of impending driver's license suspension to the person who has failed to satisfy any fine or penalty imposed by final judgment for a combination of 5 or more automated speed enforcement system or automated traffic law violations after exhaustion of judicial review procedures. An ordinance so providing shall specify that the notice sent to the person liable for any fine or penalty shall state that failure to pay the fine or penalty owing within 45 days of the notice's date will result in the municipality or county notifying the Secretary of State that the person's driver's license is eligible for suspension pursuant to this Section. The notice of impending driver's license suspension shall be sent by

first class United States mail, postage prepaid, to the address recorded with the Secretary of State or at the last address known to the lessor of the cited vehicle at the time of lease or, if any notice sent under Section 11-208.3 of this Code is returned as undeliverable, to the last known address recorded in a United States Post Office approved database.

(h) An administrative hearing to contest an impending suspension or a suspension made pursuant to this Section may be had upon filing a written request with the Secretary of State. The filing fee for this hearing shall be $20, to be paid at the time the request is made. A municipality or county which files a certified report with the Secretary of State pursuant to this Section shall reimburse the Secretary for all reasonable costs incurred by the Secretary as a result of the filing of the report, including, but not limited to, the costs of providing the notice required pursuant to subsection (b) and the costs incurred by the Secretary in any hearing conducted with respect to the report pursuant to this subsection and any appeal from such a hearing.

(i) The provisions of this Section shall apply on and after January 1, 1988.

(j) For purposes of this Section, the term "compliance violation" is defined as in Section 11-208.3.

(625 ILCS 5/6-306.9 new)

Sec. 6-306.9. Failure to pay traffic fines, penalties, or

court costs.

(a) Whenever any resident of this State fails to pay any traffic fine, penalty, or cost imposed for a violation of this Code, or similar provision of local ordinance, the clerk may notify the Secretary of State, on a report prescribed by the Secretary, and the Secretary shall prohibit the renewal, reissue or reinstatement of such resident's driving privileges until such fine, penalty, or cost has been paid in full. The clerk shall provide notice to the driver, at the driver's last known address as shown on the court's records, stating that such action will be effective on the 46th day following the date of the above notice if payment is not received in full by the court of venue.

(a-1) Whenever any resident of this State who has made a partial payment on any traffic fine, penalty, or cost that was imposed under a conviction entered on or after January 1, 2005 (the effective date of Public Act 93-788), for a violation of this Code or a similar provision of a local ordinance, fails to pay the remainder of the outstanding fine, penalty, or cost within the time limit set by the court, the clerk may notify the Secretary of State, on a report prescribed by the Secretary, and the Secretary shall prohibit the renewal, reissue, or reinstatement of the resident's driving privileges until the fine, penalty, or cost has been paid in full. The clerk shall provide notice to the driver, at the driver's last known address as shown on the court's records, stating that

the action will be effective on the 46th day following the date of the notice if payment is not received in full by the court of venue.

(b) Except as provided in subsection (b-1), following receipt of the report from the clerk, the Secretary of State shall make the proper notation to the driver's file to prohibit the renewal, reissue or reinstatement of such driver's driving privileges. Except as provided in paragraph (2) of subsection (d) of this Section, such notation shall not be removed from the driver's record until the driver satisfies the outstanding fine, penalty, or cost and an appropriate notice on a form prescribed by the Secretary is received by the Secretary from the court of venue, stating that such fine, penalty, or cost has been paid in full. Upon payment in full of a traffic fine, penalty, or court cost which has previously been reported under this Section as unpaid, the clerk of the court shall present the driver with a signed receipt containing the seal of the court indicating that such fine, penalty, or cost has been paid in full, and shall forward forthwith to the Secretary of State a notice stating that the fine, penalty, or cost has been paid in full.

(b-1) In a county with a population of 3,000,000 or more, following receipt of the report from the clerk, the Secretary of State shall make the proper notation to the driver's file to prohibit the renewal, reissue or reinstatement of such driver's driving privileges. Such notation shall not be

removed from the driver's record until the driver satisfies the outstanding fine, penalty, or cost and an appropriate notice on a form prescribed by the Secretary is received by the Secretary directly from the court of venue, stating that such fine, penalty, or cost has been paid in full. Upon payment in full of a traffic fine, penalty, or court cost which has previously been reported under this Section as unpaid, the clerk of the court shall forward forthwith directly to the Secretary of State a notice stating that the fine, penalty, or cost has been paid in full and shall provide the driver with a signed receipt containing the seal of the court, indicating that the fine, penalty, and cost have been paid in full. The receipt may not be used by the driver to clear the driver's record.

(c) The provisions of this Section shall be limited to a single action per arrest and as a post conviction measure only. Fines, penalty, or costs to be collected subsequent to orders of court supervision, or other available court diversions are not applicable to this Section.

(d)(1) Notwithstanding the receipt of a report from the clerk as prescribed in subsections (a) and (e), nothing in this Section is intended to place any responsibility upon the Secretary of State to provide independent notice to the driver of any potential action to disallow the renewal, reissue or reinstatement of such driver's driving privileges.

(2) Except as provided in subsection (b-1), the Secretary

of State shall renew, reissue or reinstate a driver's driving privileges which were previously refused pursuant to this Section upon presentation of an original receipt which is signed by the clerk of the court and contains the seal of the court indicating that the fine, penalty, or cost has been paid in full. The Secretary of State shall retain such receipt for his records.

(e) Upon receipt of notification from another state that is a member of the Nonresident Violator Compact of 1977, stating a resident of this State failed to pay a traffic fine, penalty, or cost imposed for a violation that occurs in another state, the Secretary shall make the proper notation to the driver's license file to prohibit the renewal, reissue, or reinstatement of the resident's driving privileges until the fine, penalty, or cost has been paid in full. The Secretary of State shall renew, reissue, or reinstate the driver's driving privileges that were previously refused under this Section upon receipt of notification from the other state that indicates that the fine, penalty, or cost has been paid in full. The Secretary of State shall retain the out-of-state receipt for his or her records.

subsection (C) shall not be admissible in any criminal or civil proceeding, or operate to disqualify a minor from subsequently holding public office or securing employment, or operate as a forfeiture of any public benefit, right, privilege, or right to receive any license granted by public authority.

(D) Nothing contained in subsection (C) of this Section shall prohibit the inspection or disclosure to victims and witnesses of photographs contained in the records of law enforcement agencies when the inspection and disclosure is conducted in the presence of a law enforcement officer for the purpose of the identification or apprehension of any person subject to the provisions of this Act or for the investigation or prosecution of any crime.

(E) Law enforcement officers, and personnel of an independent agency created by ordinance and charged by a unit of local government with the duty of investigating the conduct of law enforcement officers, may not disclose the identity of any minor in releasing information to the general public as to the arrest, investigation or disposition of any case involving a minor.

Section 230. The Criminal Code of 2012 is amended by changing Sections 7-5, 7-5.5, 7-9, 9-1, and 33-3 as follows:

(720 ILCS 5/7-5) (from Ch. 38, par. 7-5)

Sec. 7-5. Peace officer's use of force in making arrest.

(a) A peace officer, or any person whom he has summoned or directed to assist him, need not retreat or desist from efforts to make a lawful arrest because of resistance or threatened resistance to the arrest. He is justified in the use of any force which he reasonably believes~~, based on the totality of the circumstances,~~ to be necessary to effect the arrest and of any force which he reasonably believes~~, based on the totality of the circumstances,~~ to be necessary to defend himself or another from bodily harm while making the arrest. However, he is justified in using force likely to cause death or great bodily harm only when: (i) he reasonably believes~~, based on the totality of the circumstances,~~ that such force is necessary to prevent death or great bodily harm to himself or such other person; or (ii) when he reasonably believes~~, based on the totality of the circumstances,~~ both that:

(1) Such force is necessary to prevent the arrest from being defeated by resistance or escape ~~and the officer reasonably believes that the person to be arrested is~~

~~likely to cause great bodily harm to another~~; and

(2) The person to be arrested committed or attempted a forcible felony which involves the infliction or threatened infliction of great bodily harm or is attempting to escape by use of a deadly weapon, or otherwise indicates that he will endanger human life or inflict great bodily harm unless arrested without delay.

~~As used in this subsection, "retreat" does not mean tactical repositioning or other de-escalation tactics.~~

~~A peace officer is not justified in using force likely to cause death or great bodily harm when there is no longer an imminent threat of great bodily harm to the officer or another.~~

~~(a-5) Where feasible, a peace officer shall, prior to the use of force, make reasonable efforts to identify himself or herself as a peace officer and to warn that deadly force may be used.~~

~~(a-10) A peace officer shall not use deadly force against a person based on the danger that the person poses to himself or herself if a reasonable officer would believe the person does not pose an imminent threat of death or great bodily harm to the peace officer or to another person.~~

~~(a-15) A peace officer shall not use deadly force against a person who is suspected of committing a property offense, unless that offense is terrorism or unless deadly force is otherwise authorized by law.~~

~~(b) A peace officer making an arrest pursuant to an invalid warrant is justified in the use of any force which he would be justified in using if the warrant were valid, unless he knows that the warrant is invalid.~~

~~(c) The authority to use physical force conferred on peace officers by this Article is a serious responsibility that shall be exercised judiciously and with respect for human rights and dignity and for the sanctity of every human life.~~

~~(d) Peace officers shall use deadly force only when reasonably necessary in defense of human life. In determining whether deadly force is reasonably necessary, officers shall evaluate each situation in light of the totality of circumstances of each case, including, but not limited to, the proximity in time of the use of force to the commission of a forcible felony, and the reasonable feasibility of safely apprehending a subject at a later time, and shall use other available resources and techniques, if reasonably safe and feasible to a reasonable officer.~~

~~(e) The decision by a peace officer to use force shall be evaluated carefully and thoroughly, in a manner that reflects the gravity of that authority and the serious consequences of the use of force by peace officers, in order to ensure that officers use force consistent with law and agency policies.~~

~~(f) The decision by a peace officer to use force shall be evaluated from the perspective of a reasonable officer in the same situation, based on the totality of the circumstances~~

~~known to or perceived by the officer at the time of the decision, rather than with the benefit of hindsight, and that the totality of the circumstances shall account for occasions when officers may be forced to make quick judgments about using force.~~

~~(g) Law enforcement agencies are encouraged to adopt and develop policies designed to protect individuals with physical, mental health, developmental, or intellectual disabilities, or individuals who are significantly more likely to experience greater levels of physical force during police interactions, as these disabilities may affect the ability of a person to understand or comply with commands from peace officers.~~

(h) ~~As used in this Section:~~

~~(1) "Deadly force" means any use of force that creates a substantial risk of causing death or great bodily harm, including, but not limited to, the discharge of a firearm.~~

~~(2) A threat of death or serious bodily injury is "imminent" when, based on the totality of the circumstances, a reasonable officer in the same situation would believe that a person has the present ability, opportunity, and apparent intent to immediately cause death or great bodily harm to the peace officer or another person. An imminent harm is not merely a fear of future harm, no matter how great the fear and no matter how great the likelihood of the harm, but is one that, from~~

~~appearances, must be instantly confronted and addressed.~~

~~(3) "Totality of the circumstances" means all facts known to the peace officer at the time, or that would be known to a reasonable officer in the same situation, including the conduct of the officer and the subject leading up to the use of deadly force.~~

(Source: P.A. 101-652, eff. 7-1-21; 102-28, eff. 6-25-21; 102-687, eff. 12-17-21.)

Sec. 7-5.5. Prohibited use of force by a peace officer.

(a) A peace officer~~, or any other person acting under the color of law,~~ shall not use a chokehold ~~or restraint above the shoulders with risk of asphyxiation~~ in the performance of his or her duties, unless deadly force is justified under this Article.

(b) A peace officer~~, or any other person acting under the color of law,~~ shall not use a chokehold ~~or restraint above the shoulders with risk of asphyxiation~~, or any lesser contact with the throat or neck area of another, in order to prevent the destruction of evidence by ingestion.

(c) As used in this Section, "chokehold" means applying any direct pressure to the throat, windpipe, or airway of another with the intent to reduce or prevent the intake of air. "Chokehold" does not include any holding involving contact with the neck that is not intended to reduce the intake of air

such as a headlock where the only pressure applied is to the head.

~~(d) As used in this Section, "restraint above the shoulders with risk of positional asphyxiation" means a use of a technique used to restrain a person above the shoulders, including the neck or head, in a position which interferes with the person's ability to breathe after the person no longer poses a threat to the officer or any other person.~~

~~(e) A peace officer, or any other person acting under the color of law, shall not:~~

~~(i) use force as punishment or retaliation;~~

~~(ii) discharge kinetic impact projectiles and all other non-lethal or less-lethal projectiles in a manner that targets the head, neck, groin, anterior pelvis, or back;~~

~~(iii) discharge conducted electrical weapons in a manner that targets the head, chest, neck, groin, or anterior pelvis;~~

~~(iv) discharge firearms or kinetic impact projectiles indiscriminately into a crowd;~~

~~(v) use chemical agents or irritants for crowd control, including pepper spray and tear gas, prior to issuing an order to disperse in a sufficient manner to allow for the order to be heard and repeated if necessary, followed by sufficient time and space to allow compliance with the order unless providing such time and space would~~

~~unduly place an officer or another person at risk of death or great bodily harm; or~~

~~(vi) use chemical agents or irritants, including pepper spray and tear gas, prior to issuing an order in a sufficient manner to ensure the order is heard, and repeated if necessary, to allow compliance with the order unless providing such time and space would unduly place an officer or another person at risk of death or great bodily harm.~~

(a) A peace officer or other person who has an arrested person in his custody is justified in the use of <u>such</u> force~~, except deadly force,~~ to prevent the escape of the arrested person from custody as he would be justified in using if he were arresting such person.

(b) A guard or other peace officer is justified in the use of force<u>, including force likely to cause death or great bodily harm,</u> which he reasonably believes to be necessary to prevent the escape from a penal institution of a person whom the officer reasonably believes to be lawfully detained in such institution under sentence for an offense or awaiting trial or commitment for an offense.

~~(c) Deadly force shall not be used to prevent escape under this Section unless, based on the totality of the circumstances, deadly force is necessary to prevent death or great bodily harm to himself or such other person.~~

(725 ILCS 5/103-5) (from Ch. 38, par. 103-5)

Sec. 103-5. Speedy trial.)

(a) Every person in custody in this State for an alleged offense shall be tried by the court having jurisdiction within 120 days from the date he or she was taken into custody unless delay is occasioned by the defendant, by an examination for fitness ordered pursuant to Section 104-13 of this Act, by a fitness hearing, by an adjudication of unfitness to stand trial, by a continuance allowed pursuant to Section 114-4 of this Act after a court's determination of the defendant's physical incapacity for trial, or by an interlocutory appeal. Delay shall be considered to be agreed to by the defendant unless he or she objects to the delay by making a written demand for trial or an oral demand for trial on the record. The provisions of this subsection (a) do not apply to a person on bail ~~pretrial release~~ or recognizance for an offense but who is in custody for a violation of his or her parole, aftercare release, or mandatory supervised release for another offense.

The 120-day term must be one continuous period of incarceration. In computing the 120-day term, separate periods of incarceration may not be combined. If a defendant is taken

into custody a second (or subsequent) time for the same offense, the term will begin again at day zero.

(b) Every person on bail ~~pretrial release~~ or recognizance shall be tried by the court having jurisdiction within 160 days from the date defendant demands trial unless delay is occasioned by the defendant, by an examination for fitness ordered pursuant to Section 104-13 of this Act, by a fitness hearing, by an adjudication of unfitness to stand trial, by a continuance allowed pursuant to Section 114-4 of this Act after a court's determination of the defendant's physical incapacity for trial, or by an interlocutory appeal. The defendant's failure to appear for any court date set by the court operates to waive the defendant's demand for trial made under this subsection.

For purposes of computing the 160 day period under this subsection (b), every person who was in custody for an alleged offense and demanded trial and is subsequently released on bail ~~pretrial release~~ or recognizance and demands trial, shall be given credit for time spent in custody following the making of the demand while in custody. Any demand for trial made under this subsection (b) shall be in writing; and in the case of a defendant not in custody, the demand for trial shall include the date of any prior demand made under this provision while the defendant was in custody.

(c) If the court determines that the State has exercised without success due diligence to obtain evidence material to

the case and that there are reasonable grounds to believe that such evidence may be obtained at a later day the court may continue the cause on application of the State for not more than an additional 60 days. If the court determines that the State has exercised without success due diligence to obtain results of DNA testing that is material to the case and that there are reasonable grounds to believe that such results may be obtained at a later day, the court may continue the cause on application of the State for not more than an additional 120 days.

(d) Every person not tried in accordance with subsections (a), (b) and (c) of this Section shall be discharged from custody or released from the obligations of the person's bail ~~his pretrial release~~ or recognizance.

(e) If a person is simultaneously in custody upon more than one charge pending against him in the same county, or simultaneously demands trial upon more than one charge pending against him in the same county, he shall be tried, or adjudged guilty after waiver of trial, upon at least one such charge before expiration relative to any of such pending charges of the period prescribed by subsections (a) and (b) of this Section. Such person shall be tried upon all of the remaining charges thus pending within 160 days from the date on which judgment relative to the first charge thus prosecuted is rendered pursuant to the Unified Code of Corrections or, if such trial upon such first charge is terminated without

judgment and there is no subsequent trial of, or adjudication of guilt after waiver of trial of, such first charge within a reasonable time, the person shall be tried upon all of the remaining charges thus pending within 160 days from the date on which such trial is terminated; if either such period of 160 days expires without the commencement of trial of, or adjudication of guilt after waiver of trial of, any of such remaining charges thus pending, such charge or charges shall be dismissed and barred for want of prosecution unless delay is occasioned by the defendant, by an examination for fitness ordered pursuant to Section 104-13 of this Act, by a fitness hearing, by an adjudication of unfitness for trial, by a continuance allowed pursuant to Section 114-4 of this Act after a court's determination of the defendant's physical incapacity for trial, or by an interlocutory appeal; provided, however, that if the court determines that the State has exercised without success due diligence to obtain evidence material to the case and that there are reasonable grounds to believe that such evidence may be obtained at a later day the court may continue the cause on application of the State for not more than an additional 60 days.

(f) Delay occasioned by the defendant shall temporarily suspend for the time of the delay the period within which a person shall be tried as prescribed by subsections (a), (b), or (e) of this Section and on the day of expiration of the delay the said period shall continue at the point at which it

was suspended. Where such delay occurs within 21 days of the end of the period within which a person shall be tried as prescribed by subsections (a), (b), or (e) of this Section, the court may continue the cause on application of the State for not more than an additional 21 days beyond the period prescribed by subsections (a), (b), or (e). This subsection (f) shall become effective on, and apply to persons charged with alleged offenses committed on or after, March 1, 1977.

physician, clinical psychologist or psychiatrist employed by the Department of Human Services shall be ordered to perform, in his official capacity, an examination under this Section.

(b) If the issue of fitness involves the defendant's physical condition, the court shall appoint one or more physicians and in addition, such other experts as it may deem appropriate to examine the defendant and to report to the court regarding the defendant's condition.

(c) An examination ordered under this Section shall be given at the place designated by the person who will conduct the examination, except that if the defendant is being held in custody, the examination shall take place at such location as the court directs. No examinations under this Section shall be ordered to take place at mental health or developmental disabilities facilities operated by the Department of Human Services. If the defendant fails to keep appointments without reasonable cause or if the person conducting the examination reports to the court that diagnosis requires hospitalization or extended observation, the court may order the defendant admitted to an appropriate facility for an examination, other than a screening examination, for not more than 7 days. The court may, upon a showing of good cause, grant an additional 7 days to complete the examination.

(d) Release on bail ~~pretrial release~~ or on recognizance shall not be revoked and an application therefor shall not be denied on the grounds that an examination has been ordered.

The placement may be ordered either on an inpatient or an outpatient basis.

(b) If the defendant's disability is mental, the court may order him placed for secure treatment in the custody of the Department of Human Services, or the court may order him placed in the custody of any other appropriate public or private mental health facility or treatment program which has agreed to provide treatment to the defendant. If the most serious charge faced by the defendant is a misdemeanor, the court shall order outpatient treatment, unless the court finds

good cause on the record to order inpatient treatment. If the court orders the defendant to inpatient treatment in the custody of the Department of Human Services, the Department shall evaluate the defendant to determine the most appropriate secure facility to receive the defendant and, within 20 days of the transmittal by the clerk of the circuit court of the court's placement order, notify the court of the designated facility to receive the defendant. The Department shall admit the defendant to a secure facility within 60 days of the transmittal of the court's placement order, unless the Department can demonstrate good faith efforts at placement and a lack of bed and placement availability. If placement cannot be made within 60 days of the transmittal of the court's placement order and the Department has demonstrated good faith efforts at placement and a lack of bed and placement availability, the Department shall provide an update to the ordering court every 30 days until the defendant is placed. Once bed and placement availability is determined, the Department shall notify the sheriff who shall promptly transport the defendant to the designated facility. If the defendant is placed in the custody of the Department of Human Services, the defendant shall be placed in a secure setting. During the period of time required to determine bed and placement availability at the designated facility, the defendant shall remain in jail. If during the course of evaluating the defendant for placement, the Department of

Human Services determines that the defendant is currently fit to stand trial, it shall immediately notify the court and shall submit a written report within 7 days. In that circumstance the placement shall be held pending a court hearing on the Department's report. Otherwise, upon completion of the placement process, including identifying bed and placement availability, the sheriff shall be notified and shall transport the defendant to the designated facility. If, within 60 days of the transmittal by the clerk of the circuit court of the court's placement order, the Department fails to provide the sheriff with notice of bed and placement availability at the designated facility, the sheriff shall contact the Department to inquire about when a placement will become available at the designated facility as well as bed and placement availability at other secure facilities. The Department shall respond to the sheriff within 2 business days of the notice and inquiry by the sheriff seeking the transfer and the Department shall provide the sheriff with the status of the evaluation, information on bed and placement availability, and an estimated date of admission for the defendant and any changes to that estimated date of admission. If the Department notifies the sheriff during the 2 business day period of a facility operated by the Department with placement availability, the sheriff shall promptly transport the defendant to that facility. The placement may be ordered either on an inpatient or an outpatient basis.

(c) If the defendant's disability is physical, the court may order him placed under the supervision of the Department of Human Services which shall place and maintain the defendant in a suitable treatment facility or program, or the court may order him placed in an appropriate public or private facility or treatment program which has agreed to provide treatment to the defendant. The placement may be ordered either on an inpatient or an outpatient basis.

(d) The clerk of the circuit court shall within 5 days of the entry of the order transmit to the Department, agency or institution, if any, to which the defendant is remanded for treatment, the following:

(1) a certified copy of the order to undergo treatment. Accompanying the certified copy of the order to undergo treatment shall be the complete copy of any report prepared under Section 104-15 of this Code or other report prepared by a forensic examiner for the court;

(2) the county and municipality in which the offense was committed;

(3) the county and municipality in which the arrest took place;

(4) a copy of the arrest report, criminal charges, arrest record; and

(5) all additional matters which the Court directs the clerk to transmit.

(e) Within 30 days of admission to the designated

facility, the person supervising the defendant's treatment shall file with the court, the State, and the defense a report assessing the facility's or program's capacity to provide appropriate treatment for the defendant and indicating his opinion as to the probability of the defendant's attaining fitness within a period of time from the date of the finding of unfitness. For a defendant charged with a felony, the period of time shall be one year. For a defendant charged with a misdemeanor, the period of time shall be no longer than the sentence if convicted of the most serious offense. If the report indicates that there is a substantial probability that the defendant will attain fitness within the time period, the treatment supervisor shall also file a treatment plan which shall include:

(1) A diagnosis of the defendant's disability;

(2) A description of treatment goals with respect to rendering the defendant fit, a specification of the proposed treatment modalities, and an estimated timetable for attainment of the goals;

(3) An identification of the person in charge of supervising the defendant's treatment.

Isolated instances of nonappearance in court alone are not evidence of the risk of willful flight. Reoccurrence and patterns of intentional conduct to evade prosecution, along with any affirmative steps to communicate or remedy any such missed court date, may be considered as factors in assessing future intent to evade prosecution.~~

Sec. 110-2. Release on own recognizance ~~Pretrial release~~. When from all the circumstances the court is of the opinion that the defendant will appear as required either before or after conviction and the defendant will not pose a danger to any person or the community and that the defendant will comply

with all conditions of bond, which shall include the defendant's current address with a written admonishment to the defendant that he or she must comply with the provisions of Section 110-12 of this Code regarding any change in his or her address, the defendant may be released on his or her own recognizance. The defendant's address shall at all times remain a matter of public record with the clerk of the court. A failure to appear as required by such recognizance shall constitute an offense subject to the penalty provided in Section 32-10 of the Criminal Code of 2012 for violation of the bail bond, and any obligated sum fixed in the recognizance shall be forfeited and collected in accordance with subsection (g) of Section 110-7.1 of this Code.

This Section shall be liberally construed to effectuate the purpose of relying upon contempt of court proceedings or criminal sanctions instead of financial loss to assure the appearance of the defendant, and that the defendant will not pose a danger to any person or the community and that the defendant will comply with all conditions of bond. Monetary bail should be set only when it is determined that no other conditions of release will reasonably assure the defendant's appearance in court, that the defendant does not present a danger to any person or the community and that the defendant will comply with all conditions of bond.

The State may appeal any order permitting release by personal recognizance.

~~(a) All persons charged with an offense shall be eligible for pretrial release before conviction. It is presumed that a defendant is entitled to release on personal recognizance on the condition that the defendant attend all required court proceedings and the defendant does not commit any criminal offense, and complies with all terms of pretrial release, including, but not limited to, orders of protection under both Section 112A-4 of this Code and Section 214 of the Illinois Domestic Violence Act of 1986, all civil no contact orders, and all stalking no contact orders. Pretrial release may be denied only if a person is charged with an offense listed in Section 110-6.1 and after the court has held a hearing under Section 110-6.1, and in a manner consistent with subsections (b), (c), and (d) of this Section.~~

~~(b) At all pretrial hearings, the prosecution shall have the burden to prove by clear and convincing evidence that any condition of release is necessary.~~

~~(c) When it is alleged that pretrial release should be denied to a person upon the grounds that the person presents a real and present threat to the safety of any person or persons or the community, based on the specific articulable facts of the case, the burden of proof of such allegations shall be upon the State.~~

~~(d) When it is alleged that pretrial release should be denied to a person charged with stalking or aggravated stalking upon the grounds set forth in Section 110-6.3, the~~

~~burden of proof of those allegations shall be upon the State.~~

~~(c) This Section shall be liberally construed to effectuate the purpose of relying on pretrial release by nonmonetary means to reasonably ensure an eligible person's appearance in court, the protection of the safety of any other person or the community, that the person will not attempt or obstruct the criminal justice process, and the person's compliance with all conditions of release, while authorizing the court, upon motion of a prosecutor, to order pretrial detention of the person under Section 110-6.1 when it finds clear and convincing evidence that no condition or combination of conditions can reasonably ensure the effectuation of these goals.~~

Sec. 110-3.1. Issuance of warrant.

(a) Upon failure to comply with any condition of a bail bond or recognizance the court having jurisdiction at the time of such failure may, in addition to any other action provided by law, issue a warrant for the arrest of the person at liberty on bail or his own recognizance. The contents of such a warrant shall be the same as required for an arrest warrant issued upon complaint. When a defendant is at liberty on bail or his own recognizance on a felony charge and fails to appear in court as directed, the court shall issue a warrant for the arrest of

such person. Such warrant shall be noted with a directive to peace officers to arrest the person and hold such person without bail and to deliver such person before the court for further proceedings.

(b) A defendant who is arrested or surrenders within 30 days of the issuance of such warrant shall not be bailable in the case in question unless he shows by the preponderance of the evidence that his failure to appear was not intentional.

Sec. 110-5. Determining the amount of bail and conditions of release.

(a) In determining the amount of monetary bail or conditions of release, if any, which will reasonably assure the appearance of a defendant as required or the safety of any other person or the community and the likelihood of compliance by the defendant with all the conditions of bail, the court shall, on the basis of available information, take into account such matters as the nature and circumstances of the offense charged, whether the evidence shows that as part of the offense there was a use of violence or threatened use of violence, whether the offense involved corruption of public officials or employees, whether there was physical harm or threats of physical harm to any public official, public employee, judge, prosecutor, juror or witness, senior citizen, child, or person with a disability, whether evidence shows

that during the offense or during the arrest the defendant possessed or used a firearm, machine gun, explosive or metal piercing ammunition or explosive bomb device or any military or paramilitary armament, whether the evidence shows that the offense committed was related to or in furtherance of the criminal activities of an organized gang or was motivated by the defendant's membership in or allegiance to an organized gang, the condition of the victim, any written statement submitted by the victim or proffer or representation by the State regarding the impact which the alleged criminal conduct has had on the victim and the victim's concern, if any, with further contact with the defendant if released on bail, whether the offense was based on racial, religious, sexual orientation or ethnic hatred, the likelihood of the filing of a greater charge, the likelihood of conviction, the sentence applicable upon conviction, the weight of the evidence against such defendant, whether there exists motivation or ability to flee, whether there is any verification as to prior residence, education, or family ties in the local jurisdiction, in another county, state or foreign country, the defendant's employment, financial resources, character and mental condition, past conduct, prior use of alias names or dates of birth, and length of residence in the community, the consent of the defendant to periodic drug testing in accordance with Section 110-6.5-1, whether a foreign national defendant is lawfully admitted in the United States of America, whether the

government of the foreign national maintains an extradition treaty with the United States by which the foreign government will extradite to the United States its national for a trial for a crime allegedly committed in the United States, whether the defendant is currently subject to deportation or exclusion under the immigration laws of the United States, whether the defendant, although a United States citizen, is considered under the law of any foreign state a national of that state for the purposes of extradition or non-extradition to the United States, the amount of unrecovered proceeds lost as a result of the alleged offense, the source of bail funds tendered or sought to be tendered for bail, whether from the totality of the court's consideration, the loss of funds posted or sought to be posted for bail will not deter the defendant from flight, whether the evidence shows that the defendant is engaged in significant possession, manufacture, or delivery of a controlled substance or cannabis, either individually or in consort with others, whether at the time of the offense charged he or she was on bond or pre-trial release pending trial, probation, periodic imprisonment or conditional discharge pursuant to this Code or the comparable Code of any other state or federal jurisdiction, whether the defendant is on bond or pre-trial release pending the imposition or execution of sentence or appeal of sentence for any offense under the laws of Illinois or any other state or federal jurisdiction, whether the defendant is under parole, aftercare

release, mandatory supervised release, or work release from the Illinois Department of Corrections or Illinois Department of Juvenile Justice or any penal institution or corrections department of any state or federal jurisdiction, the defendant's record of convictions, whether the defendant has been convicted of a misdemeanor or ordinance offense in Illinois or similar offense in other state or federal jurisdiction within the 10 years preceding the current charge or convicted of a felony in Illinois, whether the defendant was convicted of an offense in another state or federal jurisdiction that would be a felony if committed in Illinois within the 20 years preceding the current charge or has been convicted of such felony and released from the penitentiary within 20 years preceding the current charge if a penitentiary sentence was imposed in Illinois or other state or federal jurisdiction, the defendant's records of juvenile adjudication of delinquency in any jurisdiction, any record of appearance or failure to appear by the defendant at court proceedings, whether there was flight to avoid arrest or prosecution, whether the defendant escaped or attempted to escape to avoid arrest, whether the defendant refused to identify himself or herself, or whether there was a refusal by the defendant to be fingerprinted as required by law. Information used by the court in its findings or stated in or offered in connection with this Section may be by way of proffer based upon reliable information offered by the State or defendant. All evidence

shall be admissible if it is relevant and reliable regardless of whether it would be admissible under the rules of evidence applicable at criminal trials. If the State presents evidence that the offense committed by the defendant was related to or in furtherance of the criminal activities of an organized gang or was motivated by the defendant's membership in or allegiance to an organized gang, and if the court determines that the evidence may be substantiated, the court shall prohibit the defendant from associating with other members of the organized gang as a condition of bail or release. For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(a-5) There shall be a presumption that any conditions of release imposed shall be non-monetary in nature and the court shall impose the least restrictive conditions or combination of conditions necessary to reasonably assure the appearance of the defendant for further court proceedings and protect the integrity of the judicial proceedings from a specific threat to a witness or participant. Conditions of release may include, but not be limited to, electronic home monitoring, curfews, drug counseling, stay-away orders, and in-person reporting. The court shall consider the defendant's socio-economic circumstance when setting conditions of release or imposing monetary bail.

(b) The amount of bail shall be:

(1) Sufficient to assure compliance with the conditions set forth in the bail bond, which shall include the defendant's current address with a written admonishment to the defendant that he or she must comply with the provisions of Section 110-12 regarding any change in his or her address. The defendant's address shall at all times remain a matter of public record with the clerk of the court.

(2) Not oppressive.

(3) Considerate of the financial ability of the accused.

(4) When a person is charged with a drug related offense involving possession or delivery of cannabis or possession or delivery of a controlled substance as defined in the Cannabis Control Act, the Illinois Controlled Substances Act, or the Methamphetamine Control and Community Protection Act, the full street value of the drugs seized shall be considered. "Street value" shall be determined by the court on the basis of a proffer by the State based upon reliable information of a law enforcement official contained in a written report as to the amount seized and such proffer may be used by the court as to the current street value of the smallest unit of the drug seized.

(b-5) Upon the filing of a written request demonstrating reasonable cause, the State's Attorney may request a source of

bail hearing either before or after the posting of any funds. If the hearing is granted, before the posting of any bail, the accused must file a written notice requesting that the court conduct a source of bail hearing. The notice must be accompanied by justifying affidavits stating the legitimate and lawful source of funds for bail. At the hearing, the court shall inquire into any matters stated in any justifying affidavits, and may also inquire into matters appropriate to the determination which shall include, but are not limited to, the following:

(1) the background, character, reputation, and relationship to the accused of any surety; and

(2) the source of any money or property deposited by any surety, and whether any such money or property constitutes the fruits of criminal or unlawful conduct; and

(3) the source of any money posted as cash bail, and whether any such money constitutes the fruits of criminal or unlawful conduct; and

(4) the background, character, reputation, and relationship to the accused of the person posting cash bail.

Upon setting the hearing, the court shall examine, under oath, any persons who may possess material information.

The State's Attorney has a right to attend the hearing, to call witnesses and to examine any witness in the proceeding.

The court shall, upon request of the State's Attorney, continue the proceedings for a reasonable period to allow the State's Attorney to investigate the matter raised in any testimony or affidavit. If the hearing is granted after the accused has posted bail, the court shall conduct a hearing consistent with this subsection (b-5). At the conclusion of the hearing, the court must issue an order either approving or disapproving the bail.

(c) When a person is charged with an offense punishable by fine only the amount of the bail shall not exceed double the amount of the maximum penalty.

(d) When a person has been convicted of an offense and only a fine has been imposed the amount of the bail shall not exceed double the amount of the fine.

(e) The State may appeal any order granting bail or setting a given amount for bail.

(f) When a person is charged with a violation of an order of protection under Section 12-3.4 or 12-30 of the Criminal Code of 1961 or the Criminal Code of 2012 or when a person is charged with domestic battery, aggravated domestic battery, kidnapping, aggravated kidnaping, unlawful restraint, aggravated unlawful restraint, stalking, aggravated stalking, cyberstalking, harassment by telephone, harassment through electronic communications, or an attempt to commit first degree murder committed against an intimate partner regardless whether an order of protection has been issued against the

person,

(1) whether the alleged incident involved harassment or abuse, as defined in the Illinois Domestic Violence Act of 1986;

(2) whether the person has a history of domestic violence, as defined in the Illinois Domestic Violence Act, or a history of other criminal acts;

(3) based on the mental health of the person;

(4) whether the person has a history of violating the orders of any court or governmental entity;

(5) whether the person has been, or is, potentially a threat to any other person;

(6) whether the person has access to deadly weapons or a history of using deadly weapons;

(7) whether the person has a history of abusing alcohol or any controlled substance;

(8) based on the severity of the alleged incident that is the basis of the alleged offense, including, but not limited to, the duration of the current incident, and whether the alleged incident involved the use of a weapon, physical injury, sexual assault, strangulation, abuse during the alleged victim's pregnancy, abuse of pets, or forcible entry to gain access to the alleged victim;

(9) whether a separation of the person from the alleged victim or a termination of the relationship between the person and the alleged victim has recently

occurred or is pending;

(10) whether the person has exhibited obsessive or controlling behaviors toward the alleged victim, including, but not limited to, stalking, surveillance, or isolation of the alleged victim or victim's family member or members;

(11) whether the person has expressed suicidal or homicidal ideations;

(12) based on any information contained in the complaint and any police reports, affidavits, or other documents accompanying the complaint;

the court may, in its discretion, order the respondent to undergo a risk assessment evaluation using a recognized, evidence-based instrument conducted by an Illinois Department of Human Services approved partner abuse intervention program provider, pretrial service, probation, or parole agency. These agencies shall have access to summaries of the defendant's criminal history, which shall not include victim interviews or information, for the risk evaluation. Based on the information collected from the 12 points to be considered at a bail hearing under this subsection (f), the results of any risk evaluation conducted and the other circumstances of the violation, the court may order that the person, as a condition of bail, be placed under electronic surveillance as provided in Section 5-8A-7 of the Unified Code of Corrections. Upon making a determination whether or not to order the respondent to

undergo a risk assessment evaluation or to be placed under electronic surveillance and risk assessment, the court shall document in the record the court's reasons for making those determinations. The cost of the electronic surveillance and risk assessment shall be paid by, or on behalf, of the defendant. As used in this subsection (f), "intimate partner" means a spouse or a current or former partner in a cohabitation or dating relationship.

~~(a) In determining which conditions of pretrial release, if any, will reasonably ensure the appearance of a defendant as required or the safety of any other person or the community and the likelihood of compliance by the defendant with all the conditions of pretrial release, the court shall, on the basis of available information, take into account such matters as:~~

~~(1) the nature and circumstances of the offense charged;~~

~~(2) the weight of the evidence against the defendant, except that the court may consider the admissibility of any evidence sought to be excluded;~~

~~(3) the history and characteristics of the defendant, including:~~

~~(A) the defendant's character, physical and mental condition, family ties, employment, financial resources, length of residence in the community, community ties, past relating to drug or alcohol abuse, conduct, history criminal history, and record~~

~~concerning appearance at court proceedings; and~~

~~(B) whether, at the time of the current offense or arrest, the defendant was on probation, parole, or on other release pending trial, sentencing, appeal, or completion of sentence for an offense under federal law, or the law of this or any other state;~~

~~(4) the nature and seriousness of the real and present threat to the safety of any person or persons or the community, based on the specific articulable facts of the case, that would be posed by the defendant's release, if applicable, as required under paragraph (7.5) of Section 4 of the Rights of Crime Victims and Witnesses Act;~~

~~(5) the nature and seriousness of the risk of obstructing or attempting to obstruct the criminal justice process that would be posed by the defendant's release, if applicable;~~

~~(6) when a person is charged with a violation of a protective order, domestic battery, aggravated domestic battery, kidnapping, aggravated kidnaping, unlawful restraint, aggravated unlawful restraint, cyberstalking, harassment by telephone, harassment through electronic communications, or an attempt to commit first degree murder committed against a spouse or a current or former partner in a cohabitation or dating relationship, regardless of whether an order of protection has been issued against the person, the court may consider the~~

~~following additional factors:~~

~~(A) whether the alleged incident involved harassment or abuse, as defined in the Illinois Domestic Violence Act of 1986;~~

~~(B) whether the person has a history of domestic violence, as defined in the Illinois Domestic Violence Act of 1986, or a history of other criminal acts;~~

~~(C) the mental health of the person;~~

~~(D) whether the person has a history of violating the orders of any court or governmental entity;~~

~~(E) whether the person has been, or is, potentially a threat to any other person;~~

~~(F) whether the person has access to deadly weapons or a history of using deadly weapons;~~

~~(G) whether the person has a history of abusing alcohol or any controlled substance;~~

~~(H) the severity of the alleged incident that is the basis of the alleged offense, including, but not limited to, the duration of the current incident, and whether the alleged incident involved the use of a weapon, physical injury, sexual assault, strangulation, abuse during the alleged victim's pregnancy, abuse of pets, or forcible entry to gain access to the alleged victim;~~

~~(I) whether a separation of the person from the victim of abuse or a termination of the relationship~~

~~between the person and the victim of abuse has recently occurred or is pending;~~

~~(J) whether the person has exhibited obsessive or controlling behaviors toward the victim of abuse, including, but not limited to, stalking, surveillance, or isolation of the victim of abuse or the victim's family member or members;~~

~~(K) whether the person has expressed suicidal or homicidal ideations; and~~

~~(L) any other factors deemed by the court to have a reasonable bearing upon the defendant's propensity or reputation for violent, abusive, or assaultive behavior, or lack of that behavior.~~

~~(7) in cases of stalking or aggravated stalking under Section 12-7.3 or 12-7.4 of the Criminal Code of 2012, the court may consider the factors listed in paragraph (6) and the following additional factors:~~

~~(A) any evidence of the defendant's prior criminal history indicative of violent, abusive or assaultive behavior, or lack of that behavior; the evidence may include testimony or documents received in juvenile proceedings, criminal, quasi-criminal, civil commitment, domestic relations, or other proceedings;~~

~~(B) any evidence of the defendant's psychological, psychiatric, or other similar social history that tends to indicate a violent, abusive, or assaultive~~

~~nature, or lack of any such history;~~

~~(C) the nature of the threat that is the basis of the charge against the defendant;~~

~~(D) any statements made by, or attributed to, the defendant, together with the circumstances surrounding them;~~

~~(E) the age and physical condition of any person allegedly assaulted by the defendant;~~

~~(F) whether the defendant is known to possess or have access to any weapon or weapons; and~~

~~(G) any other factors deemed by the court to have a reasonable bearing upon the defendant's propensity or reputation for violent, abusive, or assaultive behavior, or lack of that behavior.~~

~~(b) The court may use a regularly validated risk assessment tool to aid its determination of appropriate conditions of release as provided under Section 110-6.4. If a risk assessment tool is used, the defendant's counsel shall be provided with the information and scoring system of the risk assessment tool used to arrive at the determination. The defendant retains the right to challenge the validity of a risk assessment tool used by the court and to present evidence relevant to the defendant's challenge.~~

~~(c) The court shall impose any conditions that are mandatory under subsection (a) of Section 110-10. The court may impose any conditions that are permissible under~~

~~subsection (b) of Section 110-10. The conditions of release imposed shall be the least restrictive conditions or combination of conditions necessary to reasonably ensure the appearance of the defendant as required or the safety of any other person or persons or the community.~~

~~(d) When a person is charged with a violation of a protective order, the court may order the defendant placed under electronic surveillance as a condition of pretrial release, as provided in Section 5-8A-7 of the Unified Code of Corrections, based on the information collected under paragraph (6) of subsection (a) of this Section, the results of any assessment conducted, or other circumstances of the violation.~~

~~(e) If a person remains in pretrial detention 48 hours after having been ordered released with pretrial conditions, the court shall hold a hearing to determine the reason for continued detention. If the reason for continued detention is due to the unavailability or the defendant's ineligibility for one or more pretrial conditions previously ordered by the court or directed by a pretrial services agency, the court shall reopen the conditions of release hearing to determine what available pretrial conditions exist that will reasonably ensure the appearance of a defendant as required, the safety of any other person, and the likelihood of compliance by the defendant with all the conditions of pretrial release. The inability of the defendant to pay for a condition of release or~~

~~any other ineligibility for a condition of pretrial release shall not be used as a justification for the pretrial detention of that defendant.~~

~~(f) Prior to the defendant's first appearance, and with sufficient time for meaningful attorney client contact to gather information in order to advocate effectively for the defendant's pretrial release, the court shall appoint the public defender or a licensed attorney at law of this State to represent the defendant for purposes of that hearing, unless the defendant has obtained licensed counsel. Defense counsel shall have access to the same documentary information relied upon by the prosecution and presented to the court.~~

~~(f-5) At each subsequent appearance of the defendant before the court, the judge must find that the current conditions imposed are necessary to reasonably ensure the appearance of the defendant as required, the safety of any other person, and the compliance of the defendant with all the conditions of pretrial release. The court is not required to be presented with new information or a change in circumstance to remove pretrial conditions.~~

~~(g) Electronic monitoring, GPS monitoring, or home confinement can only be imposed as a condition of pretrial release if a no less restrictive condition of release or combination of less restrictive condition of release would reasonably ensure the appearance of the defendant for later hearings or protect an identifiable person or persons from~~

~~imminent threat of serious physical harm.~~

~~(h) If the court imposes electronic monitoring, GPS monitoring, or home confinement, the court shall set forth in the record the basis for its finding. A defendant shall be given custodial credit for each day he or she was subjected to home confinement, at the same rate described in subsection (b) of Section 5-4.5-100 of the Unified Code of Corrections. The court may give custodial credit to a defendant for each day the defendant was subjected to GPS monitoring without home confinement or electronic monitoring without home confinement.~~

~~(i) If electronic monitoring, GPS monitoring, or home confinement is imposed, the court shall determine every 60 days if no less restrictive condition of release or combination of less restrictive conditions of release would reasonably ensure the appearance, or continued appearance, of the defendant for later hearings or protect an identifiable person or persons from imminent threat of serious physical harm. If the court finds that there are less restrictive conditions of release, the court shall order that the condition be removed. This subsection takes effect January 1, 2022.~~

~~(j) Crime Victims shall be given notice by the State's Attorney's office of this hearing as required in paragraph (1) of subsection (b) of Section 4.5 of the Rights of Crime Victims and Witnesses Act and shall be informed of their opportunity at this hearing to obtain a protective order.~~

~~(k) The State and defendants may appeal court orders imposing conditions of pretrial release.~~

Sec. 110-5.2. Bail ~~Pretrial release~~; pregnant pre-trial detainee.

(a) It is the policy of this State that a pre-trial detainee shall not be required to deliver a child while in custody absent a finding by the court that continued pre-trial custody is necessary to protect the public or the victim of the offense on which the charge is based ~~alleviate a real and present threat to the safety of any person or persons or the community, based on the specific articulable facts of the case, or prevent the defendant's willful flight~~.

(b) If the court reasonably believes that a pre-trial detainee will give birth while in custody, the court shall order an alternative to custody unless, after a hearing, the court determines:

(1) that the release of the pregnant pre-trial detainee would pose a real and present threat to the physical safety of the alleged victim of the offense and continuing custody is necessary to prevent the fulfillment of the threat upon which the charge is based; or ~~the~~

~~pregnant pretrial detainee is charged with an offense for which pretrial release may be denied under Section 110-6.1; and~~

(2) that the release of the pregnant pre-trial detainee would pose a real and present threat to the physical safety of any person or persons or the general public ~~after a hearing under Section 110-6.1 that considers the circumstances of the pregnancy, the court determines that continued detention is the only way to prevent a real and present threat to the safety of any person or persons or the community, based on the specific articulable facts of the case, or prevent the defendant's willful flight~~.

(c) The court may order a pregnant or post-partum detainee to be subject to electronic monitoring as a condition of pre-trial release or order other condition or combination of conditions the court reasonably determines are in the best interest of the detainee and the public. ~~Electronic Monitoring may be ordered by the court only if no less restrictive condition of release or combination of less restrictive conditions of release would reasonably ensure the appearance, or continued appearance, of the defendant for later hearings or protect an identifiable person or persons from imminent threat of serious physical harm. All pregnant people or those who have given birth within 6 weeks shall be granted ample movement to attend doctor's appointments and for emergencies~~

~~related to the health of the pregnancy, infant, or postpartum person.~~

(d) This Section shall be applicable to a pregnant pre-trial detainee in custody on or after the effective date of this amendatory Act of the 100th General Assembly.

Sec. 110-6. Modification of bail or conditions ~~Revocation of pretrial release, modification of conditions of pretrial release, and sanctions for violations of conditions of pretrial release~~.

(a) Upon verified application by the State or the defendant or on its own motion the court before which the proceeding is pending may increase or reduce the amount of bail or may alter the conditions of the bail bond or grant bail where it has been previously revoked or denied. If bail has been previously revoked pursuant to subsection (f) of this Section or if bail has been denied to the defendant pursuant to subsection (e) of Section 110-6.1 or subsection (e) of Section 110-6.3-1, the defendant shall be required to present a verified application setting forth in detail any new facts not known or obtainable at the time of the previous revocation or denial of bail proceedings. If the court grants bail where it has been previously revoked or denied, the court shall state on the record of the proceedings the findings of facts and

conclusion of law upon which such order is based.

(a-5) In addition to any other available motion or procedure under this Code, a person in custody solely for a Category B offense due to an inability to post monetary bail shall be brought before the court at the next available court date or 7 calendar days from the date bail was set, whichever is earlier, for a rehearing on the amount or conditions of bail or release pending further court proceedings. The court may reconsider conditions of release for any other person whose inability to post monetary bail is the sole reason for continued incarceration, including a person in custody for a Category A offense or a Category A offense and a Category B offense. The court may deny the rehearing permitted under this subsection (a-5) if the person has failed to appear as required before the court and is incarcerated based on a warrant for failure to appear on the same original criminal offense.

(b) Violation of the conditions of Section 110-10 of this Code or any special conditions of bail as ordered by the court shall constitute grounds for the court to increase the amount of bail, or otherwise alter the conditions of bail, or, where the alleged offense committed on bail is a forcible felony in Illinois or a Class 2 or greater offense under the Illinois Controlled Substances Act, the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act, revoke bail pursuant to the appropriate provisions of subsection (e)

of this Section.

(c) Reasonable notice of such application by the defendant shall be given to the State.

(d) Reasonable notice of such application by the State shall be given to the defendant, except as provided in subsection (e).

(e) Upon verified application by the State stating facts or circumstances constituting a violation or a threatened violation of any of the conditions of the bail bond the court may issue a warrant commanding any peace officer to bring the defendant without unnecessary delay before the court for a hearing on the matters set forth in the application. If the actual court before which the proceeding is pending is absent or otherwise unavailable another court may issue a warrant pursuant to this Section. When the defendant is charged with a felony offense and while free on bail is charged with a subsequent felony offense and is the subject of a proceeding set forth in Section 109-1 or 109-3 of this Code, upon the filing of a verified petition by the State alleging a violation of Section 110-10 (a) (4) of this Code, the court shall without prior notice to the defendant, grant leave to file such application and shall order the transfer of the defendant and the application without unnecessary delay to the court before which the previous felony matter is pending for a hearing as provided in subsection (b) or this subsection of this Section. The defendant shall be held without bond pending

transfer to and a hearing before such court. At the conclusion of the hearing based on a violation of the conditions of Section 110-10 of this Code or any special conditions of bail as ordered by the court, the court may enter an order increasing the amount of bail or alter the conditions of bail as deemed appropriate.

(f) Where the alleged violation consists of the violation of one or more felony statutes of any jurisdiction which would be a forcible felony in Illinois or a Class 2 or greater offense under the Illinois Controlled Substances Act, the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act and the defendant is on bail for the alleged commission of a felony, or where the defendant is on bail for a felony domestic battery (enhanced pursuant to subsection (b) of Section 12-3.2 of the Criminal Code of 1961 or the Criminal Code of 2012), aggravated domestic battery, aggravated battery, unlawful restraint, aggravated unlawful restraint or domestic battery in violation of item (1) of subsection (a) of Section 12-3.2 of the Criminal Code of 1961 or the Criminal Code of 2012 against a family or household member as defined in Section 112A-3 of this Code and the violation is an offense of domestic battery against the same victim the court shall, on the motion of the State or its own motion, revoke bail in accordance with the following provisions:

(1) The court shall hold the defendant without bail

pending the hearing on the alleged breach; however, if the defendant is not admitted to bail the hearing shall be commenced within 10 days from the date the defendant is taken into custody or the defendant may not be held any longer without bail, unless delay is occasioned by the defendant. Where defendant occasions the delay, the running of the 10 day period is temporarily suspended and resumes at the termination of the period of delay. Where defendant occasions the delay with 5 or fewer days remaining in the 10 day period, the court may grant a period of up to 5 additional days to the State for good cause shown. The State, however, shall retain the right to proceed to hearing on the alleged violation at any time, upon reasonable notice to the defendant and the court.

(2) At a hearing on the alleged violation the State has the burden of going forward and proving the violation by clear and convincing evidence. The evidence shall be presented in open court with the opportunity to testify, to present witnesses in his behalf, and to cross-examine witnesses if any are called by the State, and representation by counsel and if the defendant is indigent to have counsel appointed for him. The rules of evidence applicable in criminal trials in this State shall not govern the admissibility of evidence at such hearing. Information used by the court in its findings or stated in or offered in connection with hearings for increase or

revocation of bail may be by way of proffer based upon reliable information offered by the State or defendant. All evidence shall be admissible if it is relevant and reliable regardless of whether it would be admissible under the rules of evidence applicable at criminal trials. A motion by the defendant to suppress evidence or to suppress a confession shall not be entertained at such a hearing. Evidence that proof may have been obtained as a result of an unlawful search and seizure or through improper interrogation is not relevant to this hearing.

(3) Upon a finding by the court that the State has established by clear and convincing evidence that the defendant has committed a forcible felony or a Class 2 or greater offense under the Illinois Controlled Substances Act, the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act while admitted to bail, or where the defendant is on bail for a felony domestic battery (enhanced pursuant to subsection (b) of Section 12-3.2 of the Criminal Code of 1961 or the Criminal Code of 2012), aggravated domestic battery, aggravated battery, unlawful restraint, aggravated unlawful restraint or domestic battery in violation of item (1) of subsection (a) of Section 12-3.2 of the Criminal Code of 1961 or the Criminal Code of 2012 against a family or household member as defined in Section 112A-3 of this Code and the violation is an offense of domestic

battery, against the same victim, the court shall revoke the bail of the defendant and hold the defendant for trial without bail. Neither the finding of the court nor any transcript or other record of the hearing shall be admissible in the State's case in chief, but shall be admissible for impeachment, or as provided in Section 115-10.1 of this Code or in a perjury proceeding.

(4) If the bail of any defendant is revoked pursuant to paragraph (f) (3) of this Section, the defendant may demand and shall be entitled to be brought to trial on the offense with respect to which he was formerly released on bail within 90 days after the date on which his bail was revoked. If the defendant is not brought to trial within the 90 day period required by the preceding sentence, he shall not be held longer without bail. In computing the 90 day period, the court shall omit any period of delay resulting from a continuance granted at the request of the defendant.

(5) If the defendant either is arrested on a warrant issued pursuant to this Code or is arrested for an unrelated offense and it is subsequently discovered that the defendant is a subject of another warrant or warrants issued pursuant to this Code, the defendant shall be transferred promptly to the court which issued such warrant. If, however, the defendant appears initially before a court other than the court which issued such

warrant, the non-issuing court shall not alter the amount of bail set on such warrant unless the court sets forth on the record of proceedings the conclusions of law and facts which are the basis for such altering of another court's bond. The non-issuing court shall not alter another court's bail set on a warrant unless the interests of justice and public safety are served by such action.

(g) The State may appeal any order where the court has increased or reduced the amount of bail or altered the conditions of the bail bond or granted bail where it has previously been revoked.

~~(a) When a defendant has previously been granted pretrial release under this Section for a felony or Class A misdemeanor, that pretrial release may be revoked only if the defendant is charged with a felony or Class A misdemeanor that is alleged to have occurred during the defendant's pretrial release after a hearing on the court's own motion or upon the filing of a verified petition by the State.~~

~~When a defendant released pretrial is charged with a violation of a protective order or was previously convicted of a violation of a protective order and the subject of the protective order is the same person as the victim in the current underlying matter, the State shall file a verified petition seeking revocation of pretrial release.~~

~~Upon the filing of a petition or upon motion of the court seeking revocation, the court shall order the transfer of the~~

~~defendant and the petition or motion to the court before which the previous felony or Class A misdemeanor is pending. The defendant may be held in custody pending transfer to and a hearing before such court. The defendant shall be transferred to the court before which the previous matter is pending without unnecessary delay, and the revocation hearing shall occur within 72 hours of the filing of the State's petition or the court's motion for revocation.~~

~~A hearing at which pretrial release may be revoked must be conducted in person (and not by way of two way audio visual communication) unless the accused waives the right to be present physically in court, the court determines that the physical health and safety of any person necessary to the proceedings would be endangered by appearing in court, or the chief judge of the circuit orders use of that system due to operational challenges in conducting the hearing in person. Such operational challenges must be documented and approved by the chief judge of the circuit, and a plan to address the challenges through reasonable efforts must be presented and approved by the Administrative Office of the Illinois Courts every 6 months.~~

~~The court before which the previous felony matter or Class A misdemeanor is pending may revoke the defendant's pretrial release after a hearing. During the hearing for revocation, the defendant shall be represented by counsel and have an opportunity to be heard regarding the violation and evidence~~

~~in mitigation. The court shall consider all relevant circumstances, including, but not limited to, the nature and seriousness of the violation or criminal act alleged. The State shall bear the burden of proving, by clear and convincing evidence, that no condition or combination of conditions of release would reasonably ensure the appearance of the defendant for later hearings or prevent the defendant from being charged with a subsequent felony or Class A misdemeanor.~~

~~In lieu of revocation, the court may release the defendant pre-trial, with or without modification of conditions of pretrial release.~~

~~If the case that caused the revocation is dismissed, the defendant is found not guilty in the case causing the revocation, or the defendant completes a lawfully imposed sentence on the case causing the revocation, the court shall, without unnecessary delay, hold a hearing on conditions of pretrial release pursuant to Section 110-5 and release the defendant with or without modification of conditions of pretrial release.~~

~~Both the State and the defendant may appeal an order revoking pretrial release or denying a petition for revocation of release.~~

~~(b) If a defendant previously has been granted pretrial release under this Section for a Class B or Class C misdemeanor offense, a petty or business offense, or an ordinance~~

~~violation and if the defendant is subsequently charged with a felony that is alleged to have occurred during the defendant's pretrial release or a Class A misdemeanor offense that is alleged to have occurred during the defendant's pretrial release, such pretrial release may not be revoked, but the court may impose sanctions under subsection (c).~~

~~(c) The court shall follow the procedures set forth in Section 110-3 to ensure the defendant's appearance in court if the defendant:~~

~~(1) fails to appear in court as required by the defendant's conditions of release;~~

~~(2) is charged with a felony or Class A misdemeanor offense that is alleged to have occurred during the defendant's pretrial release after having been previously granted pretrial release for a Class B or Class C misdemeanor, a petty or business offense, or an ordinance violation that is alleged to have occurred during the defendant's pretrial release;~~

~~(3) is charged with a Class B or C misdemeanor offense, petty or business offense, or ordinance violation that is alleged to have occurred during the defendant's pretrial release; or~~

~~(4) violates any other condition of pretrial release set by the court.~~

~~In response to a violation described in this subsection, the court may issue a warrant specifying that the defendant~~

~~must appear before the court for a hearing for sanctions and may not be released by law enforcement before that appearance.~~

~~(d) When a defendant appears in court pursuant to a summons or warrant issued in accordance with Section 110-3 or after being arrested for an offense that is alleged to have occurred during the defendant's pretrial release, the State may file a verified petition requesting a hearing for sanctions.~~

~~(e) During the hearing for sanctions, the defendant shall be represented by counsel and have an opportunity to be heard regarding the violation and evidence in mitigation. The State shall bear the burden of proving by clear and convincing evidence that:~~

~~(1) the defendant committed an act that violated a term of the defendant's pretrial release;~~

~~(2) the defendant had actual knowledge that the defendant's action would violate a court order;~~

~~(3) the violation of the court order was willful; and~~

~~(4) the violation was not caused by a lack of access to financial monetary resources.~~

~~(f) Sanctions for violations of pretrial release may include:~~

~~(1) a verbal or written admonishment from the court;~~

~~(2) imprisonment in the county jail for a period not exceeding 30 days;~~

~~(3) (Blank); or~~

~~(4) a modification of the defendant's pretrial conditions.~~

~~(g) The court may, at any time, after motion by either party or on its own motion, remove previously set conditions of pretrial release, subject to the provisions in this subsection. The court may only add or increase conditions of pretrial release at a hearing under this Section.~~

~~The court shall not remove a previously set condition of pretrial release regulating contact with a victim or witness in the case, unless the subject of the condition has been given notice of the hearing as required in paragraph (1) of subsection (b) of Section 4.5 of the Rights of Crime Victims and Witnesses Act. If the subject of the condition of release is not present, the court shall follow the procedures of paragraph (10) of subsection (c-1) of the Rights of Crime Victims and Witnesses Act.~~

~~(h) Crime victims shall be given notice by the State's Attorney's office of all hearings under this Section as required in paragraph (1) of subsection (b) of Section 4.5 of the Rights of Crime Victims and Witnesses Act and shall be informed of their opportunity at these hearings to obtain a protective order.~~

~~(i) Nothing in this Section shall be construed to limit the State's ability to file a verified petition seeking denial of pretrial release under subsection (a) of Section 110-6.1 or subdivision (d)(2) of Section 110-6.1.~~

~~(j) At each subsequent appearance of the defendant before the court, the judge must find that continued detention under this Section is necessary to reasonably ensure the appearance of the defendant for later hearings or to prevent the defendant from being charged with a subsequent felony or Class A misdemeanor.~~

(725 ILCS 5/110-6.1) (from Ch. 38, par. 110-6.1)

Sec. 110-6.1. Denial of bail ~~pretrial release~~.

(a) Upon verified petition by the State, the court shall hold a hearing to determine whether bail should be denied to a defendant who is charged with a felony offense for which a sentence of imprisonment, without probation, periodic imprisonment, or conditional discharge, is required by law upon conviction, when it is alleged that the defendant's admission to bail poses a real and present threat to the physical safety of any person or persons.

(1) A petition may be filed without prior notice to the defendant at the first appearance before a judge, or within the 21 calendar days, except as provided in Section 110-6, after arrest and release of the defendant upon reasonable notice to defendant; provided that while such petition is pending before the court, the defendant if previously released shall not be detained.

(2) The hearing shall be held immediately upon the

defendant's appearance before the court, unless for good cause shown the defendant or the State seeks a continuance. A continuance on motion of the defendant may not exceed 5 calendar days, and a continuance on the motion of the State may not exceed 3 calendar days. The defendant may be held in custody during such continuance.

(b) The court may deny bail to the defendant where, after the hearing, it is determined that:

(1) the proof is evident or the presumption great that the defendant has committed an offense for which a sentence of imprisonment, without probation, periodic imprisonment or conditional discharge, must be imposed by law as a consequence of conviction, and

(2) the defendant poses a real and present threat to the physical safety of any person or persons, by conduct which may include, but is not limited to, a forcible felony, the obstruction of justice, intimidation, injury, physical harm, an offense under the Illinois Controlled Substances Act which is a Class X felony, or an offense under the Methamphetamine Control and Community Protection Act which is a Class X felony, and

(3) the court finds that no condition or combination of conditions set forth in subsection (b) of Section 110-10 of this Article, can reasonably assure the physical safety of any other person or persons.

(c) Conduct of the hearings.

(1) The hearing on the defendant's culpability and dangerousness shall be conducted in accordance with the following provisions:

(A) Information used by the court in its findings or stated in or offered at such hearing may be by way of proffer based upon reliable information offered by the State or by defendant. Defendant has the right to be represented by counsel, and if he is indigent, to have counsel appointed for him. Defendant shall have the opportunity to testify, to present witnesses in his own behalf, and to cross-examine witnesses if any are called by the State. The defendant has the right to present witnesses in his favor. When the ends of justice so require, the court may exercise its discretion and compel the appearance of a complaining witness. The court shall state on the record reasons for granting a defense request to compel the presence of a complaining witness. Cross-examination of a complaining witness at the pretrial detention hearing for the purpose of impeaching the witness' credibility is insufficient reason to compel the presence of the witness. In deciding whether to compel the appearance of a complaining witness, the court shall be considerate of the emotional and physical well-being of the witness. The pre-trial detention hearing is not to be used for purposes of discovery, and the post

arraignment rules of discovery do not apply. The State shall tender to the defendant, prior to the hearing, copies of defendant's criminal history, if any, if available, and any written or recorded statements and the substance of any oral statements made by any person, if relied upon by the State in its petition. The rules concerning the admissibility of evidence in criminal trials do not apply to the presentation and consideration of information at the hearing. At the trial concerning the offense for which the hearing was conducted neither the finding of the court nor any transcript or other record of the hearing shall be admissible in the State's case in chief, but shall be admissible for impeachment, or as provided in Section 115-10.1 of this Code, or in a perjury proceeding.

(B) A motion by the defendant to suppress evidence or to suppress a confession shall not be entertained. Evidence that proof may have been obtained as the result of an unlawful search and seizure or through improper interrogation is not relevant to this state of the prosecution.

(2) The facts relied upon by the court to support a finding that the defendant poses a real and present threat to the physical safety of any person or persons shall be supported by clear and convincing evidence presented by the State.

(d) Factors to be considered in making a determination of dangerousness. The court may, in determining whether the defendant poses a real and present threat to the physical safety of any person or persons, consider but shall not be limited to evidence or testimony concerning:

(1) The nature and circumstances of any offense charged, including whether the offense is a crime of violence, involving a weapon.

(2) The history and characteristics of the defendant including:

(A) Any evidence of the defendant's prior criminal history indicative of violent, abusive or assaultive behavior, or lack of such behavior. Such evidence may include testimony or documents received in juvenile proceedings, criminal, quasi-criminal, civil commitment, domestic relations or other proceedings.

(B) Any evidence of the defendant's psychological, psychiatric or other similar social history which tends to indicate a violent, abusive, or assaultive nature, or lack of any such history.

(3) The identity of any person or persons to whose safety the defendant is believed to pose a threat, and the nature of the threat;

(4) Any statements made by, or attributed to the defendant, together with the circumstances surrounding them;

(5) The age and physical condition of any person assaulted by the defendant;

(6) Whether the defendant is known to possess or have access to any weapon or weapons;

(7) Whether, at the time of the current offense or any other offense or arrest, the defendant was on probation, parole, aftercare release, mandatory supervised release or other release from custody pending trial, sentencing, appeal or completion of sentence for an offense under federal or state law;

(8) Any other factors, including those listed in Section 110-5 of this Article deemed by the court to have a reasonable bearing upon the defendant's propensity or reputation for violent, abusive or assaultive behavior, or lack of such behavior.

(e) Detention order. The court shall, in any order for detention:

(1) briefly summarize the evidence of the defendant's culpability and its reasons for concluding that the defendant should be held without bail;

(2) direct that the defendant be committed to the custody of the sheriff for confinement in the county jail pending trial;

(3) direct that the defendant be given a reasonable opportunity for private consultation with counsel, and for communication with others of his choice by visitation,

mail and telephone; and

(4) direct that the sheriff deliver the defendant as required for appearances in connection with court proceedings.

(f) If the court enters an order for the detention of the defendant pursuant to subsection (e) of this Section, the defendant shall be brought to trial on the offense for which he is detained within 90 days after the date on which the order for detention was entered. If the defendant is not brought to trial within the 90 day period required by the preceding sentence, he shall not be held longer without bail. In computing the 90 day period, the court shall omit any period of delay resulting from a continuance granted at the request of the defendant.

(g) Rights of the defendant. Any person shall be entitled to appeal any order entered under this Section denying bail to the defendant.

(h) The State may appeal any order entered under this Section denying any motion for denial of bail.

(i) Nothing in this Section shall be construed as modifying or limiting in any way the defendant's presumption of innocence in further criminal proceedings.

~~(a) Upon verified petition by the State, the court shall hold a hearing and may deny a defendant pretrial release only if:~~

~~(1) the defendant is charged with a felony offense~~

~~other than a forcible felony for which, based on the charge or the defendant's criminal history, a sentence of imprisonment, without probation, periodic imprisonment or conditional discharge, is required by law upon conviction, and it is alleged that the defendant's pretrial release poses a real and present threat to the safety of any person or persons or the community, based on the specific articulable facts of the case;~~

~~(1.5) the defendant's pretrial release poses a real and present threat to the safety of any person or persons or the community, based on the specific articulable facts of the case, and the defendant is charged with a forcible felony, which as used in this Section, means treason, first degree murder, second degree murder, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, armed robbery, aggravated robbery, robbery, burglary where there is use of force against another person, residential burglary, home invasion, vehicular invasion, aggravated arson, arson, aggravated kidnaping, kidnaping, aggravated battery resulting in great bodily harm or permanent disability or disfigurement or any other felony which involves the threat of or infliction of great bodily harm or permanent disability or disfigurement;~~

~~(2) the defendant is charged with stalking or aggravated stalking, and it is alleged that the~~

~~defendant's pre-trial release poses a real and present threat to the safety of a victim of the alleged offense, and denial of release is necessary to prevent fulfillment of the threat upon which the charge is based;~~

~~(3) the defendant is charged with a violation of an order of protection issued under Section 112A-14 of this Code or Section 214 of the Illinois Domestic Violence Act of 1986, a stalking no contact order under Section 80 of the Stalking No Contact Order Act, or of a civil no contact order under Section 213 of the Civil No Contact Order Act, and it is alleged that the defendant's pretrial release poses a real and present threat to the safety of any person or persons or the community, based on the specific articulable facts of the case;~~

~~(4) the defendant is charged with domestic battery or aggravated domestic battery under Section 12-3.2 or 12-3.3 of the Criminal Code of 2012 and it is alleged that the defendant's pretrial release poses a real and present threat to the safety of any person or persons or the community, based on the specific articulable facts of the case;~~

~~(5) the defendant is charged with any offense under Article 11 of the Criminal Code of 2012, except for Sections 11-14, 11-14.1, 11-18, 11-20, 11-30, 11-35, 11-40, and 11-45 of the Criminal Code of 2012, or similar provisions of the Criminal Code of 1961 and it is alleged~~

~~that the defendant's pretrial release poses a real and present threat to the safety of any person or persons or the community, based on the specific articulable facts of the case;~~

~~(6) the defendant is charged with any of the following offenses under the Criminal Code of 2012, and it is alleged that the defendant's pretrial release poses a real and present threat to the safety of any person or persons or the community, based on the specific articulable facts of the case:~~

~~(B) Section 24-2.5 (aggravated discharge of a machine gun or a firearm equipped with a device designed or use for silencing the report of a firearm);~~

~~(6.5) the defendant is charged with any of the following offenses, and it is alleged that the defendant's pretrial release poses a real and present threat to the safety of any person or persons or the community, based on the specific articulable facts of the case:~~

~~(A) Felony violations of Sections 3.01, 3.02, or 3.03 of the Humane Care for Animals Act (cruel treatment, aggravated cruelty, and animal torture);~~

~~(F) Subdivision (d)(1)(J) of Section 11-501 of the Illinois Vehicle Code (aggravated driving under the influence that resulted in bodily harm to a child under the age of 16);~~

~~(7) the defendant is charged with an attempt to commit any charge listed in paragraphs (1) through (6.5), and it is alleged that the defendant's pretrial release poses a real and present threat to the safety of any person or persons or the community, based on the specific articulable facts of the case; or~~

~~(8) the person has a high likelihood of willful flight to avoid prosecution and is charged with:~~

~~(A) Any felony described in subdivisions (a)(1) through (a)(7) of this Section; or~~

~~(B) A felony offense other than a Class 4 offense.~~

~~(b) If the charged offense is a felony, as part of the detention hearing, the court shall determine whether there is probable cause the defendant has committed an offense, unless a hearing pursuant to Section 109-3 of this Code has already been held or a grand jury has returned a true bill of indictment against the defendant. If there is a finding of no probable cause, the defendant shall be released. No such finding is necessary if the defendant is charged with a misdemeanor.~~

~~(c) Timing of petition.~~

~~(1) A petition may be filed without prior notice to the defendant at the first appearance before a judge, or within the 21 calendar days, except as provided in Section 110-6, after arrest and release of the defendant upon reasonable notice to defendant; provided that while such petition is pending before the court, the defendant if previously released shall not be detained.~~

~~(2) Upon filing, the court shall immediately hold a hearing on the petition unless a continuance is requested. If a continuance is requested and granted, the hearing shall be held within 48 hours of the defendant's first appearance if the defendant is charged with first degree murder or a Class X, Class 1, Class 2, or Class 3 felony, and within 24 hours if the defendant is charged with a Class 4 or misdemeanor offense. The Court may deny or grant the request for continuance. If the court decides to grant the continuance, the Court retains the discretion to detain or release the defendant in the time between the filing of the petition and the hearing.~~

~~(d) Contents of petition.~~

~~(1) The petition shall be verified by the State and shall state the grounds upon which it contends the defendant should be denied pretrial release, including the real and present threat to the safety of any person or persons or the community, based on the specific articulable facts or flight risk, as appropriate.~~

~~(2) If the State seeks to file a second or subsequent petition under this Section, the State shall be required to present a verified application setting forth in detail any new facts not known or obtainable at the time of the filing of the previous petition.~~

~~(e) Eligibility: All defendants shall be presumed eligible for pretrial release, and the State shall bear the burden of proving by clear and convincing evidence that:~~

~~(1) the proof is evident or the presumption great that the defendant has committed an offense listed in subsection (a), and~~

~~(2) for offenses listed in paragraphs (1) through (7) of subsection (a), the defendant poses a real and present threat to the safety of any person or persons or the community, based on the specific articulable facts of the case, by conduct which may include, but is not limited to, a forcible felony, the obstruction of justice, intimidation, injury, or abuse as defined by paragraph (1) of Section 103 of the Illinois Domestic Violence Act of 1986, and~~

~~(3) no condition or combination of conditions set forth in subsection (b) of Section 110-10 of this Article can mitigate (i) the real and present threat to the safety of any person or persons or the community, based on the specific articulable facts of the case, for offenses listed in paragraphs (1) through (7) of subsection (a), or~~

~~(ii) the defendant's willful flight for offenses listed in paragraph (8) of subsection (a), and~~

~~(4) for offenses under subsection (b) of Section 407 of the Illinois Controlled Substances Act that are subject to paragraph (1) of subsection (a), no condition or combination of conditions set forth in subsection (b) of Section 110 10 of this Article can mitigate the real and present threat to the safety of any person or persons or the community, based on the specific articulable facts of the case, and the defendant poses a serious risk to not appear in court as required.~~

~~(f) Conduct of the hearings.~~

~~(1) Prior to the hearing, the State shall tender to the defendant copies of the defendant's criminal history available, any written or recorded statements, and the substance of any oral statements made by any person, if relied upon by the State in its petition, and any police reports in the prosecutor's possession at the time of the hearing.~~

~~(2) The State or defendant may present evidence at the hearing by way of proffer based upon reliable information.~~

~~(3) The defendant has the right to be represented by counsel, and if he or she is indigent, to have counsel appointed for him or her. The defendant shall have the opportunity to testify, to present witnesses on his or her own behalf, and to cross examine any witnesses that are~~

~~called by the State. Defense counsel shall be given adequate opportunity to confer with the defendant before any hearing at which conditions of release or the detention of the defendant are to be considered, with an accommodation for a physical condition made to facilitate attorney/client consultation. If defense counsel needs to confer or consult with the defendant during any hearing conducted via a two way audio visual communication system, such consultation shall not be recorded and shall be undertaken consistent with constitutional protections.~~

~~(3.5) A hearing at which pretrial release may be denied must be conducted in person (and not by way of two-way audio visual communication) unless the accused waives the right to be present physically in court, the court determines that the physical health and safety of any person necessary to the proceedings would be endangered by appearing in court, or the chief judge of the circuit orders use of that system due to operational challenges in conducting the hearing in person. Such operational challenges must be documented and approved by the chief judge of the circuit, and a plan to address the challenges through reasonable efforts must be presented and approved by the Administrative Office of the Illinois Courts every 6 months.~~

~~(4) If the defense seeks to compel the complaining witness to testify as a witness in its favor, it shall~~

~~petition the court for permission. When the ends of justice so require, the court may exercise its discretion and compel the appearance of a complaining witness. The court shall state on the record reasons for granting a defense request to compel the presence of a complaining witness only on the issue of the defendant's pretrial detention. In making a determination under this Section, the court shall state on the record the reason for granting a defense request to compel the presence of a complaining witness, and only grant the request if the court finds by clear and convincing evidence that the defendant will be materially prejudiced if the complaining witness does not appear. Cross-examination of a complaining witness at the pretrial detention hearing for the purpose of impeaching the witness' credibility is insufficient reason to compel the presence of the witness. In deciding whether to compel the appearance of a complaining witness, the court shall be considerate of the emotional and physical well being of the witness. The pre-trial detention hearing is not to be used for purposes of discovery, and the post arraignment rules of discovery do not apply. The State shall tender to the defendant, prior to the hearing, copies, if any, of the defendant's criminal history, if available, and any written or recorded statements and the substance of any oral statements made by any person, if in the State's~~

~~Attorney's possession at the time of the hearing.~~

~~(5) The rules concerning the admissibility of evidence in criminal trials do not apply to the presentation and consideration of information at the hearing. At the trial concerning the offense for which the hearing was conducted neither the finding of the court nor any transcript or other record of the hearing shall be admissible in the State's case in chief, but shall be admissible for impeachment, or as provided in Section 115 10.1 of this Code, or in a perjury proceeding.~~

~~(6) The defendant may not move to suppress evidence or a confession, however, evidence that proof of the charged crime may have been the result of an unlawful search or seizure, or both, or through improper interrogation, is relevant in assessing the weight of the evidence against the defendant.~~

~~(7) Decisions regarding release, conditions of release, and detention prior to trial must be individualized, and no single factor or standard may be used exclusively to order detention. Risk assessment tools may not be used as the sole basis to deny pretrial release.~~

~~(g) Factors to be considered in making a determination of dangerousness. The court may, in determining whether the defendant poses a real and present threat to the safety of any person or persons or the community, based on the specific articulable facts of the case, consider, but shall not be~~

~~limited to, evidence or testimony concerning:~~

~~(1) The nature and circumstances of any offense charged, including whether the offense is a crime of violence, involving a weapon, or a sex offense.~~

~~(2) The history and characteristics of the defendant including:~~

~~(A) Any evidence of the defendant's prior criminal history indicative of violent, abusive or assaultive behavior, or lack of such behavior. Such evidence may include testimony or documents received in juvenile proceedings, criminal, quasi-criminal, civil commitment, domestic relations, or other proceedings.~~

~~(B) Any evidence of the defendant's psychological, psychiatric or other similar social history which tends to indicate a violent, abusive, or assaultive nature, or lack of any such history.~~

~~(3) The identity of any person or persons to whose safety the defendant is believed to pose a threat, and the nature of the threat.~~

~~(4) Any statements made by, or attributed to the defendant, together with the circumstances surrounding them.~~

~~(5) The age and physical condition of the defendant.~~

~~(6) The age and physical condition of any victim or complaining witness.~~

~~(7) Whether the defendant is known to possess or have~~

~~access to any weapon or weapons.~~

~~(8) Whether, at the time of the current offense or any other offense or arrest, the defendant was on probation, parole, aftercare release, mandatory supervised release or other release from custody pending trial, sentencing, appeal or completion of sentence for an offense under federal or state law.~~

~~(9) Any other factors, including those listed in Section 110-5 of this Article deemed by the court to have a reasonable bearing upon the defendant's propensity or reputation for violent, abusive, or assaultive behavior, or lack of such behavior.~~

~~(h) Detention order. The court shall, in any order for detention:~~

~~(1) make a written finding summarizing the court's reasons for concluding that the defendant should be denied pretrial release, including why less restrictive conditions would not avoid a real and present threat to the safety of any person or persons or the community, based on the specific articulable facts of the case, or prevent the defendant's willful flight from prosecution;~~

~~(2) direct that the defendant be committed to the custody of the sheriff for confinement in the county jail pending trial;~~

~~(3) direct that the defendant be given a reasonable opportunity for private consultation with counsel, and for~~

~~communication with others of his or her choice by visitation, mail and telephone; and~~

~~(4) direct that the sheriff deliver the defendant as required for appearances in connection with court proceedings.~~

~~(i) Detention. If the court enters an order for the detention of the defendant pursuant to subsection (e) of this Section, the defendant shall be brought to trial on the offense for which he is detained within 90 days after the date on which the order for detention was entered. If the defendant is not brought to trial within the 90-day period required by the preceding sentence, he shall not be denied pretrial release. In computing the 90-day period, the court shall omit any period of delay resulting from a continuance granted at the request of the defendant and any period of delay resulting from a continuance granted at the request of the State with good cause shown pursuant to Section 103-5.~~

~~(i-5) At each subsequent appearance of the defendant before the court, the judge must find that continued detention is necessary to avoid a real and present threat to the safety of any person or persons or the community, based on the specific articulable facts of the case, or to prevent the defendant's willful flight from prosecution.~~

~~(j) Rights of the defendant. The defendant shall be entitled to appeal any order entered under this Section denying his or her pretrial release.~~

~~(k) Appeal. The State may appeal any order entered under this Section denying any motion for denial of pretrial release.~~

~~(l) Presumption of innocence. Nothing in this Section shall be construed as modifying or limiting in any way the defendant's presumption of innocence in further criminal proceedings.~~

~~(m) Interest of victims.~~

~~(1) Crime victims shall be given notice by the State's Attorney's office of this hearing as required in paragraph (1) of subsection (b) of Section 4.5 of the Rights of Crime Victims and Witnesses Act and shall be informed of their opportunity at this hearing to obtain a protective order.~~

~~(2) If the defendant is denied pretrial release, the court may impose a no contact provision with the victim or other interested party that shall be enforced while the defendant remains in custody.~~

Sec. 110-6.2. Post-conviction detention.

(a) The court may order that a person who has been found guilty of an offense and who is waiting imposition or execution of sentence be held without bond ~~release~~ unless the court finds by clear and convincing evidence that the person

is not likely to flee or pose a danger to any other person or the community if released under Sections 110-5 and 110-10 of this Act.

(b) The court may order that person who has been found guilty of an offense and sentenced to a term of imprisonment be held without bond ~~release~~ unless the court finds by clear and convincing evidence that:

(1) the person is not likely to flee or pose a danger to the safety of any other person or the community if released on bond pending appeal; and

(2) that the appeal is not for purpose of delay and raises a substantial question of law or fact likely to result in reversal or an order for a new trial.

Sec. 110-6.4. Statewide risk-assessment tool. The Supreme Court may establish a statewide risk-assessment tool to be used in proceedings to assist the court in establishing bail ~~conditions of pretrial release~~ for a defendant by assessing the defendant's likelihood of appearing at future court proceedings or determining if the defendant poses a real and present threat to the physical safety of any person or persons. The Supreme Court shall consider establishing a risk-assessment tool that does not discriminate on the basis of race, gender, educational level, socio-economic status, or

neighborhood. If a risk-assessment tool is utilized within a circuit that does not require a personal interview to be completed, the Chief Judge of the circuit or the director of the pretrial services agency may exempt the requirement under Section 9 and subsection (a) of Section 7 of the Pretrial Services Act.

For the purpose of this Section, "risk-assessment tool" means an empirically validated, evidence-based screening instrument that demonstrates reduced instances of a defendant's failure to appear for further court proceedings or prevents future criminal activity.

Sec. 110-10. Conditions of bail bond ~~pretrial release~~.

(a) If a person is released prior to conviction, either upon payment of bail security or on his or her own recognizance, the conditions of the bail bond ~~pretrial release~~ shall be that he or she will:

(1) Appear to answer the charge in the court having jurisdiction on a day certain and thereafter as ordered by the court until discharged or final order of the court;

(2) Submit himself or herself to the orders and process of the court;

(3) (Blank);

(3.1) Not depart this State without leave of the court;

(4) Not violate any criminal statute of any jurisdiction;

(5) At a time and place designated by the court, surrender all firearms in his or her possession to a law enforcement officer designated by the court to take custody of and impound the firearms and physically surrender his or her Firearm Owner's Identification Card to the clerk of the circuit court when the offense the person has been charged with is a forcible felony, stalking, aggravated stalking, domestic battery, any violation of the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or the Cannabis Control Act that is classified as a Class 2 or greater felony, or any felony violation of Article 24 of the Criminal Code of 1961 or the Criminal Code of 2012; the court may, however, forgo the imposition of this condition when the circumstances of the case clearly do not warrant it or when its imposition would be impractical; if the Firearm Owner's Identification Card is confiscated, the clerk of the circuit court shall mail the confiscated card to the Illinois State Police; all legally possessed firearms shall be returned to the person upon the charges being dismissed, or if the person is found not guilty, unless the finding of not guilty is by reason of insanity;

and

(6) At a time and place designated by the court, submit to a psychological evaluation when the person has been charged with a violation of item (4) of subsection (a) of Section 24-1 of the Criminal Code of 1961 or the Criminal Code of 2012 and that violation occurred in a school or in any conveyance owned, leased, or contracted by a school to transport students to or from school or a school-related activity, or on any public way within 1,000 feet of real property comprising any school.

Psychological evaluations ordered pursuant to this Section shall be completed promptly and made available to the State, the defendant, and the court. As a further condition of bail ~~pretrial release~~ under these circumstances, the court shall order the defendant to refrain from entering upon the property of the school, including any conveyance owned, leased, or contracted by a school to transport students to or from school or a school-related activity, or on any public way within 1,000 feet of real property comprising any school. Upon receipt of the psychological evaluation, either the State or the defendant may request a change in the conditions of bail ~~pretrial release~~, pursuant to Section 110-6 of this Code. The court may change the conditions of bail ~~pretrial release~~ to include a requirement that the defendant follow the recommendations of the psychological evaluation, including undergoing psychiatric treatment. The conclusions of the

psychological evaluation and any statements elicited from the defendant during its administration are not admissible as evidence of guilt during the course of any trial on the charged offense, unless the defendant places his or her mental competency in issue.

(b) The court may impose other conditions, such as the following, if the court finds that such conditions are reasonably necessary to assure the defendant's appearance in court, protect the public from the defendant, or prevent the defendant's unlawful interference with the orderly administration of justice:

(2) Refrain from possessing a firearm or other dangerous weapon;

(3) Refrain from approaching or communicating with particular persons or classes of persons;

(12) Observe any curfew ordered by the court;

(13) Remain in the custody of such designated person or organization agreeing to supervise his release. Such third party custodian shall be responsible for notifying the court if the defendant fails to observe the conditions of release which the custodian has agreed to monitor, and shall be subject to contempt of court for failure so to notify the court;

(14) Be placed under direct supervision of the Pretrial Services Agency, Probation Department or Court Services Department in a pretrial bond home supervision capacity with or without the use of an approved electronic monitoring device subject to Article 8A of Chapter V of the Unified Code of Corrections;

(14.1) The court shall impose upon a defendant who is charged with any alcohol, cannabis, methamphetamine, or controlled substance violation and is placed under direct supervision of the Pretrial Services Agency, Probation Department or Court Services Department in a pretrial bond

home supervision capacity with the use of an approved monitoring device, as a condition of such bail bond, a fee that represents costs incidental to the electronic monitoring for each day of such bail supervision ordered by the court, unless after determining the inability of the defendant to pay the fee, the court assesses a lesser fee or no fee as the case may be. The fee shall be collected by the clerk of the circuit court, except as provided in an administrative order of the Chief Judge of the circuit court. The clerk of the circuit court shall pay all monies collected from this fee to the county treasurer for deposit in the substance abuse services fund under Section 5-1086.1 of the Counties Code, except as provided in an administrative order of the Chief Judge of the circuit court.

The Chief Judge of the circuit court of the county may by administrative order establish a program for electronic monitoring of offenders with regard to drug-related and alcohol-related offenses, in which a vendor supplies and monitors the operation of the electronic monitoring device, and collects the fees on behalf of the county. The fee shall be collected by the clerk of the circuit court, except as provided in an administrative order of the Chief Judge of the circuit court. The clerk of the circuit court shall pay all monies collected from this fee to the county treasurer who shall use the monies collected to defray the costs of corrections. The county treasurer shall deposit the fee collected in the county working cash fund under Section 6-27001 or Section 6-29002 of the Counties Code, as the case may be, except as provided in an administrative order of the Chief Judge of the circuit court.

The Chief Judge of the circuit court of the county may by administrative order establish a program for electronic

monitoring of offenders with regard to drug-related and alcohol-related offenses, in which a vendor supplies and monitors the operation of the electronic monitoring device, and collects the fees on behalf of the county. The program shall include provisions for indigent offenders and the collection of unpaid fees. The program shall not unduly burden the offender and shall be subject to review by the Chief Judge.

The Chief Judge of the circuit court may suspend any additional charges or fees for late payment, interest, or damage to any device;

(16) Under Section 110-6.5-1 comply with the conditions of the drug testing program; and

(17) Such other reasonable conditions as the court may impose.

~~(b) Additional conditions of release shall be set only when it is determined that they are necessary to ensure the defendant's appearance in court, ensure the defendant does not commit any criminal offense, ensure the defendant complies with all conditions of pretrial release, prevent the defendant's unlawful interference with the orderly administration of justice, or ensure compliance with the rules~~

~~and procedures of problem solving courts. However, conditions shall include the least restrictive means and be individualized. Conditions shall not mandate rehabilitative services unless directly tied to the risk of pretrial misconduct. Conditions of supervision shall not include punitive measures such as community service work or restitution. Conditions may include the following:~~

~~(0.05) Not depart this State without leave of the court;~~

~~(1) Report to or appear in person before such person or agency as the court may direct;~~

~~device, as defined in Section 1-129.1 of the Illinois Vehicle Code, pursuant to the rules promulgated by the Secretary of State for the installation of ignition interlock devices. Under this condition the court may allow a defendant who is not self employed to operate a vehicle owned by the defendant's employer that is not equipped with an ignition interlock device in the course and scope of the defendant's employment;~~

~~The defendant shall receive verbal and written notification of conditions of pretrial release and future~~

~~court dates, including the date, time, and location of court.~~

(c) When a person is charged with an offense under Section 11-1.20, 11-1.30, 11-1.40, 11-1.50, 11-1.60, 12-13, 12-14, 12-14.1, 12-15 or 12-16 of the Criminal Code of 1961 or the Criminal Code of 2012, involving a victim who is a minor under 18 years of age living in the same household with the defendant at the time of the offense, in granting bail or releasing the defendant on his or her recognizance, the judge shall impose conditions to restrict the defendant's access to the victim which may include, but are not limited to conditions that he will:

(d) When a person is charged with a criminal offense and the victim is a family or household member as defined in Article 112A, conditions shall be imposed at the time of the defendant's release on bond that restrict the defendant's access to the victim. Unless provided otherwise by the court, the restrictions shall include requirements that the defendant do the following:

(1) refrain from contact or communication with the victim for a minimum period of 72 hours following the defendant's release; and

(2) refrain from entering or remaining at the victim's residence for a minimum period of 72 hours following the defendant's release.

(e) Local law enforcement agencies shall develop standardized bond ~~pretrial release~~ forms for use in cases involving family or household members as defined in Article 112A, including specific conditions of bond ~~pretrial release~~ as provided in subsection (d). Failure of any law enforcement department to develop or use those forms shall in no way limit the applicability and enforcement of subsections (d) and (f).

(f) If the defendant is admitted to bail ~~released after conviction following appeal or other post-conviction proceeding~~, the conditions of the bail bond ~~pretrial release~~ shall be that he will, in addition to the conditions set forth in subsections (a) and (b) hereof:

Sec. 111-2. Commencement of prosecutions.

(a) All prosecutions of felonies shall be by information or by indictment. No prosecution may be pursued by information unless a preliminary hearing has been held or waived in accordance with Section 109-3 and at that hearing probable cause to believe the defendant committed an offense was found, and the provisions of Section 109-3.1 of this Code have been complied with.

(b) All other prosecutions may be by indictment, information or complaint.

(c) Upon the filing of an information or indictment in open court charging the defendant with the commission of a sex offense defined in any Section of Article 11 of the Criminal Code of 1961 or the Criminal Code of 2012, and a minor as

(725 ILCS 5/112A-23) (from Ch. 38, par. 112A-23)

Sec. 112A-23. Enforcement of protective orders.

(a) When violation is crime. A violation of any protective order, whether issued in a civil, quasi-criminal proceeding or by a military judge, shall be enforced by a criminal court when:

(1) The respondent commits the crime of violation of a domestic violence order of protection pursuant to Section 12-3.4 or 12-30 of the Criminal Code of 1961 or the Criminal Code of 2012, by having knowingly violated:

(i) remedies described in paragraph (1), (2), (3), (14), or (14.5) of subsection (b) of Section 112A-14 of this Code,

(ii) a remedy, which is substantially similar to the remedies authorized under paragraph (1), (2), (3), (14), or (14.5) of subsection (b) of Section 214 of the Illinois Domestic Violence Act of 1986, in a valid order of protection, which is authorized under the laws of another state, tribe, or United States territory, or

(iii) any other remedy when the act constitutes a crime against the protected parties as defined by the Criminal Code of 1961 or the Criminal Code of 2012.

Prosecution for a violation of a domestic violence order of protection shall not bar concurrent prosecution

for any other crime, including any crime that may have been committed at the time of the violation of the domestic violence order of protection; or

(2) The respondent commits the crime of child abduction pursuant to Section 10-5 of the Criminal Code of 1961 or the Criminal Code of 2012, by having knowingly violated:

(i) remedies described in paragraph (5), (6), or (8) of subsection (b) of Section 112A-14 of this Code, or

(ii) a remedy, which is substantially similar to the remedies authorized under paragraph (1), (5), (6), or (8) of subsection (b) of Section 214 of the Illinois Domestic Violence Act of 1986, in a valid domestic violence order of protection, which is authorized under the laws of another state, tribe, or United States territory.

(3) The respondent commits the crime of violation of a civil no contact order when the respondent violates Section 12-3.8 of the Criminal Code of 2012. Prosecution for a violation of a civil no contact order shall not bar concurrent prosecution for any other crime, including any crime that may have been committed at the time of the violation of the civil no contact order.

(4) The respondent commits the crime of violation of a stalking no contact order when the respondent violates

Section 12-3.9 of the Criminal Code of 2012. Prosecution for a violation of a stalking no contact order shall not bar concurrent prosecution for any other crime, including any crime that may have been committed at the time of the violation of the stalking no contact order.

(b) When violation is contempt of court. A violation of any valid protective order, whether issued in a civil or criminal proceeding or by a military judge, may be enforced through civil or criminal contempt procedures, as appropriate, by any court with jurisdiction, regardless where the act or acts which violated the protective order were committed, to the extent consistent with the venue provisions of this Article. Nothing in this Article shall preclude any Illinois court from enforcing any valid protective order issued in another state. Illinois courts may enforce protective orders through both criminal prosecution and contempt proceedings, unless the action which is second in time is barred by collateral estoppel or the constitutional prohibition against double jeopardy.

(1) In a contempt proceeding where the petition for a rule to show cause sets forth facts evidencing an immediate danger that the respondent will flee the jurisdiction, conceal a child, or inflict physical abuse on the petitioner or minor children or on dependent adults in petitioner's care, the court may order the attachment of the respondent without prior service of the rule to

show cause or the petition for a rule to show cause. Bond shall be set unless specifically denied in writing.

(2) A petition for a rule to show cause for violation of a protective order shall be treated as an expedited proceeding.

(c) Violation of custody, allocation of parental responsibility, or support orders. A violation of remedies described in paragraph (5), (6), (8), or (9) of subsection (b) of Section 112A-14 of this Code may be enforced by any remedy provided by Section 607.5 of the Illinois Marriage and Dissolution of Marriage Act. The court may enforce any order for support issued under paragraph (12) of subsection (b) of Section 112A-14 of this Code in the manner provided for under Parts V and VII of the Illinois Marriage and Dissolution of Marriage Act.

(d) Actual knowledge. A protective order may be enforced pursuant to this Section if the respondent violates the order after the respondent has actual knowledge of its contents as shown through one of the following means:

(1) (Blank).

(2) (Blank).

(3) By service of a protective order under subsection (f) of Section 112A-17.5 or Section 112A-22 of this Code.

(4) By other means demonstrating actual knowledge of the contents of the order.

(e) The enforcement of a protective order in civil or

criminal court shall not be affected by either of the following:

(1) The existence of a separate, correlative order entered under Section 112A-15 of this Code.

(2) Any finding or order entered in a conjoined criminal proceeding.

(e-5) If a civil no contact order entered under subsection (6) of Section 112A-20 of the Code of Criminal Procedure of 1963 conflicts with an order issued pursuant to the Juvenile Court Act of 1987 or the Illinois Marriage and Dissolution of Marriage Act, the conflicting order issued under subsection (6) of Section 112A-20 of the Code of Criminal Procedure of 1963 shall be void.

(f) Circumstances. The court, when determining whether or not a violation of a protective order has occurred, shall not require physical manifestations of abuse on the person of the victim.

(g) Penalties.

(1) Except as provided in paragraph (3) of this subsection (g), where the court finds the commission of a crime or contempt of court under subsection (a) or (b) of this Section, the penalty shall be the penalty that generally applies in such criminal or contempt proceedings, and may include one or more of the following: incarceration, payment of restitution, a fine, payment of attorneys' fees and costs, or community service.

(2) The court shall hear and take into account evidence of any factors in aggravation or mitigation before deciding an appropriate penalty under paragraph (1) of this subsection (g).

(3) To the extent permitted by law, the court is encouraged to:

(i) increase the penalty for the knowing violation of any protective order over any penalty previously imposed by any court for respondent's violation of any protective order or penal statute involving petitioner as victim and respondent as defendant;

(ii) impose a minimum penalty of 24 hours imprisonment for respondent's first violation of any protective order; and

(iii) impose a minimum penalty of 48 hours imprisonment for respondent's second or subsequent violation of a protective order

unless the court explicitly finds that an increased penalty or that period of imprisonment would be manifestly unjust.

(4) In addition to any other penalties imposed for a violation of a protective order, a criminal court may consider evidence of any violations of a protective order:

(i) to increase, revoke, or modify the bail bond ~~conditions of pretrial release~~ on an underlying criminal charge pursuant to Section 110-6 of this

Code;

(ii) to revoke or modify an order of probation, conditional discharge, or supervision, pursuant to Section 5-6-4 of the Unified Code of Corrections;

(iii) to revoke or modify a sentence of periodic imprisonment, pursuant to Section 5-7-2 of the Unified Code of Corrections.

Sec. 113-3.1. Payment for Court-Appointed Counsel.

(a) Whenever under either Section 113-3 of this Code or Rule 607 of the Illinois Supreme Court the court appoints counsel to represent a defendant, the court may order the defendant to pay to the Clerk of the Circuit Court a reasonable sum to reimburse either the county or the State for such representation. In a hearing to determine the amount of the payment, the court shall consider the affidavit prepared by the defendant under Section 113-3 of this Code and any other information pertaining to the defendant's financial circumstances which may be submitted by the parties. Such hearing shall be conducted on the court's own motion or on motion of the prosecutor ~~State's Attorney~~ at any time after the appointment of counsel but no later than 90 days after the

entry of a final order disposing of the case at the trial level.

(b) Any sum ordered paid under this Section may not exceed $500 for a defendant charged with a misdemeanor, $5,000 for a defendant charged with a felony, or $2,500 for a defendant who is appealing a conviction of any class offense.

(c) The method of any payment required under this Section shall be as specified by the Court. The court may order that payments be made on a monthly basis during the term of representation; however, the sum deposited as money bond shall not be used to satisfy this court order. ~~Any sum deposited as money bond with the Clerk of the Circuit Court under Section 110-7 of this Code may be used in the court's discretion in whole or in part to comply with any payment order entered in accordance with paragraph (a) of this Section. The court may give special consideration to the interests of relatives or other third parties who may have posted a money bond on the behalf of the defendant to secure his release.~~ At any time prior to full payment of any payment order the court on its own motion or the motion of any party may reduce, increase, or suspend the ordered payment, or modify the method of payment, as the interest of fairness may require. No increase, suspension, or reduction may be ordered without a hearing and notice to all parties.

(d) The Supreme Court or the circuit courts may provide by rule for procedures for the enforcement of orders entered

under this Section. Such rules may provide for the assessment of all costs, including attorneys' fees which are required for the enforcement of orders entered under this Section when the court in an enforcement proceeding has first found that the defendant has willfully refused to pay. The Clerk of the Circuit Court shall keep records and make reports to the court concerning funds paid under this Section in whatever manner the court directs.

(e) Whenever an order is entered under this Section for the reimbursement of the State due to the appointment of the State Appellate Defender as counsel on appeal, the order shall provide that the Clerk of the Circuit Court shall retain all funds paid pursuant to such order until the full amount of the sum ordered to be paid by the defendant has been paid. When no balance remains due on such order, the Clerk of the Circuit Court shall inform the court of this fact and the court shall promptly order the Clerk of the Circuit Court to pay to the State Treasurer all of the sum paid.

(f) The Clerk of the Circuit Court shall retain all funds under this Section paid for the reimbursement of the county, and shall inform the court when no balance remains due on an order entered hereunder. The Clerk of the Circuit Court shall make payments of funds collected under this Section to the County Treasurer in whatever manner and at whatever point as the court may direct, including payments made on a monthly basis during the term of representation.

(g) A defendant who fails to obey any order of court entered under this Section may be punished for contempt of court. Any arrearage in payments may be reduced to judgment in the court's discretion and collected by any means authorized for the collection of money judgments under the law of this State.

(725 ILCS 5/114-1) (from Ch. 38, par. 114-1)

Sec. 114-1. Motion to dismiss charge.

(a) Upon the written motion of the defendant made prior to trial before or after a plea has been entered the court may dismiss the indictment, information or complaint upon any of the following grounds:

(1) The defendant has not been placed on trial in compliance with Section 103-5 of this Code.

(2) The prosecution of the offense is barred by Sections 3-3 through 3-8 of the Criminal Code of 2012.

(3) The defendant has received immunity from prosecution for the offense charged.

(4) The indictment was returned by a Grand Jury which was improperly selected and which results in substantial injustice to the defendant.

(5) The indictment was returned by a Grand Jury which acted contrary to Article 112 of this Code and which results in substantial injustice to the defendant.

(6) The court in which the charge has been filed does not have jurisdiction.

(7) The county is an improper place of trial.

(8) The charge does not state an offense.

(9) The indictment is based solely upon the testimony of an incompetent witness.

(10) The defendant is misnamed in the charge and the misnomer results in substantial injustice to the defendant.

(11) The requirements of Section 109-3.1 have not been complied with.

(b) The court shall require any motion to dismiss to be filed within a reasonable time after the defendant has been arraigned. Any motion not filed within such time or an extension thereof shall not be considered by the court and the grounds therefor, except as to subsections (a)(6) and (a)(8) of this Section, are waived.

(c) If the motion presents only an issue of law the court shall determine it without the necessity of further pleadings. If the motion alleges facts not of record in the case the State shall file an answer admitting or denying each of the factual allegations of the motion.

(d) When an issue of fact is presented by a motion to dismiss and the answer of the State the court shall conduct a hearing and determine the issues.

(d-5) When a defendant seeks dismissal of the charge upon

the ground set forth in subsection (a)(7) of this Section, the defendant shall make a prima facie showing that the county is an improper place of trial. Upon such showing, the State shall have the burden of proving, by a preponderance of the evidence, that the county is the proper place of trial.

(d-6) When a defendant seeks dismissal of the charge upon the grounds set forth in subsection (a)(2) of this Section, the prosecution shall have the burden of proving, by a preponderance of the evidence, that the prosecution of the offense is not barred by Sections 3-3 through 3-8 of the Criminal Code of 2012.

(e) Dismissal of the charge upon the grounds set forth in subsections (a)(4) through (a)(11) of this Section shall not prevent the return of a new indictment or the filing of a new charge, and upon such dismissal the court may order that the defendant be held in custody or, if the defendant had been previously released on bail ~~pretrial release~~, that the bail ~~pretrial release~~ be continued for a specified time pending the return of a new indictment or the filing of a new charge.

(f) If the court determines that the motion to dismiss based upon the grounds set forth in subsections (a)(6) and (a)(7) is well founded it may, instead of dismissal, order the cause transferred to a court of competent jurisdiction or to a proper place of trial.

(725 ILCS 5/115-4.1) (from Ch. 38, par. 115-4.1)

Sec. 115-4.1. Absence of defendant.

(a) When a defendant after arrest and an initial court appearance for a non-capital felony or a misdemeanor, fails to appear for trial, at the request of the State and after the State has affirmatively proven through substantial evidence that the defendant is willfully avoiding trial, the court may commence trial in the absence of the defendant. Absence of a defendant as specified in this Section shall not be a bar to indictment of a defendant, return of information against a defendant, or arraignment of a defendant for the charge for which bail ~~pretrial release~~ has been granted. If a defendant fails to appear at arraignment, the court may enter a plea of "not guilty" on his behalf. If a defendant absents himself before trial on a capital felony, trial may proceed as specified in this Section provided that the State certifies that it will not seek a death sentence following conviction. Trial in the defendant's absence shall be by jury unless the defendant had previously waived trial by jury. The absent defendant must be represented by retained or appointed counsel. The court, at the conclusion of all of the proceedings, may order the clerk of the circuit court to pay counsel such sum as the court deems reasonable, from any bond monies which were posted by the defendant with the clerk, after the clerk has first deducted all court costs. If trial had previously commenced in the presence of the defendant and

the defendant willfully absents himself for two successive court days, the court shall proceed to trial. All procedural rights guaranteed by the United States Constitution, Constitution of the State of Illinois, statutes of the State of Illinois, and rules of court shall apply to the proceedings the same as if the defendant were present in court and had not either forfeited his or her bail bond ~~had his or her pretrial release revoked~~ or escaped from custody. The court may set the case for a trial which may be conducted under this Section despite the failure of the defendant to appear at the hearing at which the trial date is set. When such trial date is set the clerk shall send to the defendant, by certified mail at his last known address indicated on his bond slip, notice of the new date which has been set for trial. Such notification shall be required when the defendant was not personally present in open court at the time when the case was set for trial.

(b) The absence of a defendant from a trial conducted pursuant to this Section does not operate as a bar to concluding the trial, to a judgment of conviction resulting therefrom, or to a final disposition of the trial in favor of the defendant.

(c) Upon a verdict of not guilty, the court shall enter judgment for the defendant. Upon a verdict of guilty, the court shall set a date for the hearing of post-trial motions and shall hear such motion in the absence of the defendant. If post-trial motions are denied, the court shall proceed to

conduct a sentencing hearing and to impose a sentence upon the defendant.

(d) A defendant who is absent for part of the proceedings of trial, post-trial motions, or sentencing, does not thereby forfeit his right to be present at all remaining proceedings.

(e) When a defendant who in his absence has been either convicted or sentenced or both convicted and sentenced appears before the court, he must be granted a new trial or new sentencing hearing if the defendant can establish that his failure to appear in court was both without his fault and due to circumstances beyond his control. A hearing with notice to the State's Attorney on the defendant's request for a new trial or a new sentencing hearing must be held before any such request may be granted. At any such hearing both the defendant and the State may present evidence.

(f) If the court grants only the defendant's request for a new sentencing hearing, then a new sentencing hearing shall be held in accordance with the provisions of the Unified Code of Corrections. At any such hearing, both the defendant and the State may offer evidence of the defendant's conduct during his period of absence from the court. The court may impose any sentence authorized by the Unified Code of Corrections and is not in any way limited or restricted by any sentence previously imposed.

(g) A defendant whose motion under paragraph (e) for a new trial or new sentencing hearing has been denied may file a

notice of appeal therefrom. Such notice may also include a request for review of the judgment and sentence not vacated by the trial court.

Sec. 122-6. Disposition in trial court. The court may receive proof by affidavits, depositions, oral testimony, or other evidence. In its discretion the court may order the petitioner brought before the court for the hearing. (a) All necessary and reasonable force may be used to effect an entry into any building or property or part thereof to execute a search warrant.

(b) The court issuing a warrant may authorize the officer executing the warrant to make entry without first knocking and announcing his or her office if it finds, based upon a showing of specific facts, the existence of the following exigent circumstances:

(1) That the officer reasonably believes that if

notice were given a weapon would be used:

(a) Persons who are arrested shall have the right to communicate with an attorney of their choice and a member of their family by making a reasonable number of telephone calls or in any other reasonable manner. Such communication shall be permitted within a reasonable time after arrival at the first place of custody.

(b) In the event the accused is transferred to a new place of custody his right to communicate with an attorney and a member of his family is renewed.

(725 ILCS 5/110-4.1 new)

Sec. 110-4.1. Bailable offenses.

(a) All persons shall be bailable before conviction, except the following offenses where the proof is evident or the presumption great that the defendant is guilty of the offense: capital offenses; offenses for which a sentence of life imprisonment may be imposed as a consequence of conviction; felony offenses for which a sentence of imprisonment, without conditional and revocable release, shall be imposed by law as a consequence of conviction, where the court after a hearing, determines that the release of the defendant would pose a real and present threat to the physical safety of any person or persons; stalking or aggravated stalking, where the court, after a hearing, determines that the release of the defendant would pose a real and present threat to the physical safety of the alleged victim of the offense and denial of bail is necessary to prevent fulfillment of the threat upon which the charge is based; or unlawful use of weapons in violation of item (4) of subsection (a) of Section 24-1 of the Criminal Code of 1961 or the Criminal Code of 2012 when that offense occurred in a school or in any conveyance owned, leased, or contracted by a school to transport students to or from school or a school-related activity, or on any public way within 1,000 feet of real property comprising any school, where the court, after a hearing, determines that the release of the defendant would pose a real and present threat to the physical safety of any

person and denial of bail is necessary to prevent fulfillment of that threat; or making a terrorist threat in violation of Section 29D-20 of the Criminal Code of 1961 or the Criminal Code of 2012 or an attempt to commit the offense of making a terrorist threat, where the court, after a hearing, determines that the release of the defendant would pose a real and present threat to the physical safety of any person and denial of bail is necessary to prevent fulfillment of that threat.

(b) A person seeking release on bail who is charged with a capital offense or an offense for which a sentence of life imprisonment may be imposed shall not be bailable until a hearing is held wherein such person has the burden of demonstrating that the proof of his guilt is not evident and the presumption is not great.

(c) Where it is alleged that bail should be denied to a person upon the grounds that the person presents a real and present threat to the physical safety of any person or persons, the burden of proof of such allegations shall be upon the State.

(d) When it is alleged that bail should be denied to a person charged with stalking or aggravated stalking upon the grounds set forth in Section 110-6.3-1 of this Code, the burden of proof of those allegations shall be upon the State.

(725 ILCS 5/110-6.3-1 new)

Sec. 110-6.3-1. Denial of bail in stalking and aggravated

stalking offenses.

(a) Upon verified petition by the State, the court shall hold a hearing to determine whether bail should be denied to a defendant who is charged with stalking or aggravated stalking, when it is alleged that the defendant's admission to bail poses a real and present threat to the physical safety of the alleged victim of the offense, and denial of release on bail or personal recognizance is necessary to prevent fulfillment of the threat upon which the charge is based.

(1) A petition may be filed without prior notice to the defendant at the first appearance before a judge, or within 21 calendar days, except as provided in Section 110-6, after arrest and release of the defendant upon reasonable notice to defendant; provided that while the petition is pending before the court, the defendant if previously released shall not be detained.

(2) The hearing shall be held immediately upon the defendant's appearance before the court, unless for good cause shown the defendant or the State seeks a continuance. A continuance on motion of the defendant may not exceed 5 calendar days, and the defendant may be held in custody during the continuance. A continuance on the motion of the State may not exceed 3 calendar days; however, the defendant may be held in custody during the continuance under this provision if the defendant has been previously found to have violated an order of protection

or has been previously convicted of, or granted court supervision for, any of the offenses set forth in Sections 11-1.20, 11-1.30, 11-1.40, 11-1.50, 11-1.60, 12-2, 12-3.05, 12-3.2, 12-3.3, 12-4, 12-4.1, 12-7.3, 12-7.4, 12-13, 12-14, 12-14.1, 12-15 or 12-16 of the Criminal Code of 1961 or the Criminal Code of 2012, against the same person as the alleged victim of the stalking or aggravated stalking offense.

(b) The court may deny bail to the defendant when, after the hearing, it is determined that:

(1) the proof is evident or the presumption great that the defendant has committed the offense of stalking or aggravated stalking; and

(2) the defendant poses a real and present threat to the physical safety of the alleged victim of the offense; and

(3) the denial of release on bail or personal recognizance is necessary to prevent fulfillment of the threat upon which the charge is based; and

(4) the court finds that no condition or combination of conditions set forth in subsection (b) of Section 110-10 of this Code, including mental health treatment at a community mental health center, hospital, or facility of the Department of Human Services, can reasonably assure the physical safety of the alleged victim of the offense.

(c) Conduct of the hearings.

(1) The hearing on the defendant's culpability and threat to the alleged victim of the offense shall be conducted in accordance with the following provisions:

(A) Information used by the court in its findings or stated in or offered at the hearing may be by way of proffer based upon reliable information offered by the State or by defendant. Defendant has the right to be represented by counsel, and if he is indigent, to have counsel appointed for him. Defendant shall have the opportunity to testify, to present witnesses in his own behalf, and to cross-examine witnesses if any are called by the State. The defendant has the right to present witnesses in his favor. When the ends of justice so require, the court may exercise its discretion and compel the appearance of a complaining witness. The court shall state on the record reasons for granting a defense request to compel the presence of a complaining witness. Cross-examination of a complaining witness at the pretrial detention hearing for the purpose of impeaching the witness' credibility is insufficient reason to compel the presence of the witness. In deciding whether to compel the appearance of a complaining witness, the court shall be considerate of the emotional and physical well-being of the witness. The pretrial detention hearing is not to be used for the purposes of discovery, and the post

arraignment rules of discovery do not apply. The State shall tender to the defendant, prior to the hearing, copies of defendant's criminal history, if any, if available, and any written or recorded statements and the substance of any oral statements made by any person, if relied upon by the State. The rules concerning the admissibility of evidence in criminal trials do not apply to the presentation and consideration of information at the hearing. At the trial concerning the offense for which the hearing was conducted neither the finding of the court nor any transcript or other record of the hearing shall be admissible in the State's case in chief, but shall be admissible for impeachment, or as provided in Section 115-10.1 of this Code, or in a perjury proceeding.

(B) A motion by the defendant to suppress evidence or to suppress a confession shall not be entertained. Evidence that proof may have been obtained as the result of an unlawful search and seizure or through improper interrogation is not relevant to this state of the prosecution.

(2) The facts relied upon by the court to support a finding that:

(A) the defendant poses a real and present threat to the physical safety of the alleged victim of the offense; and

(B) the denial of release on bail or personal recognizance is necessary to prevent fulfillment of the threat upon which the charge is based;

shall be supported by clear and convincing evidence presented by the State.

(d) Factors to be considered in making a determination of the threat to the alleged victim of the offense. The court may, in determining whether the defendant poses, at the time of the hearing, a real and present threat to the physical safety of the alleged victim of the offense, consider but shall not be limited to evidence or testimony concerning:

(1) The nature and circumstances of the offense charged;

(2) The history and characteristics of the defendant including:

(A) Any evidence of the defendant's prior criminal history indicative of violent, abusive or assaultive behavior, or lack of that behavior. The evidence may include testimony or documents received in juvenile proceedings, criminal, quasi-criminal, civil commitment, domestic relations or other proceedings;

(B) Any evidence of the defendant's psychological, psychiatric or other similar social history that tends to indicate a violent, abusive, or assaultive nature, or lack of any such history.

(3) The nature of the threat which is the basis of the

charge against the defendant;

(4) Any statements made by, or attributed to the defendant, together with the circumstances surrounding them;

(5) The age and physical condition of any person assaulted by the defendant;

(6) Whether the defendant is known to possess or have access to any weapon or weapons;

(7) Whether, at the time of the current offense or any other offense or arrest, the defendant was on probation, parole, aftercare release, mandatory supervised release or other release from custody pending trial, sentencing, appeal or completion of sentence for an offense under federal or state law;

(8) Any other factors, including those listed in Section 110-5 of this Code, deemed by the court to have a reasonable bearing upon the defendant's propensity or reputation for violent, abusive or assaultive behavior, or lack of that behavior.

(e) The court shall, in any order denying bail to a person charged with stalking or aggravated stalking:

(1) briefly summarize the evidence of the defendant's culpability and its reasons for concluding that the defendant should be held without bail;

(2) direct that the defendant be committed to the custody of the sheriff for confinement in the county jail

pending trial;

(3) direct that the defendant be given a reasonable opportunity for private consultation with counsel, and for communication with others of his choice by visitation, mail and telephone; and

(4) direct that the sheriff deliver the defendant as required for appearances in connection with court proceedings.

(f) If the court enters an order for the detention of the defendant under subsection (e) of this Section, the defendant shall be brought to trial on the offense for which he is detained within 90 days after the date on which the order for detention was entered. If the defendant is not brought to trial within the 90 day period required by this subsection (f), he shall not be held longer without bail. In computing the 90 day period, the court shall omit any period of delay resulting from a continuance granted at the request of the defendant. The court shall immediately notify the alleged victim of the offense that the defendant has been admitted to bail under this subsection.

(g) Any person shall be entitled to appeal any order entered under this Section denying bail to the defendant.

(h) The State may appeal any order entered under this Section denying any motion for denial of bail.

(i) Nothing in this Section shall be construed as modifying or limiting in any way the defendant's presumption

of innocence in further criminal proceedings.

(725 ILCS 5/110-6.5-1 new)

Sec. 110-6.5-1. Drug testing program.

(a) The Chief Judge of the circuit may establish a drug testing program as provided by this Section in any county in the circuit if the county board has approved the establishment of the program and the county probation department or pretrial services agency has consented to administer it. The drug testing program shall be conducted under the following provisions:

(a-1) The court, in the case of a defendant charged with a felony offense or any offense involving the possession or delivery of cannabis or a controlled substance, shall:

(1) not consider the release of the defendant on his or her own recognizance, unless the defendant consents to periodic drug testing during the period of release on his or her own recognizance, in accordance with this Section;

(2) consider the consent of the defendant to periodic drug testing during the period of release on bail in accordance with this Section as a favorable factor for the defendant in determining the amount of bail, the conditions of release or in considering the defendant's motion to reduce the amount of bail.

(b) The drug testing shall be conducted by the pretrial services agency or under the direction of the probation

department when a pretrial services agency does not exist in accordance with this Section.

(c) A defendant who consents to periodic drug testing as set forth in this Section shall sign an agreement with the court that, during the period of release, the defendant shall refrain from using illegal drugs and that the defendant will comply with the conditions of the testing program. The agreement shall be on a form prescribed by the court and shall be executed at the time of the bail hearing. This agreement shall be made a specific condition of bail.

(d) The drug testing program shall be conducted as follows:

(1) The testing shall be done by urinalysis for the detection of phencyclidine, heroin, cocaine, methadone and amphetamines.

(2) The collection of samples shall be performed under reasonable and sanitary conditions.

(3) Samples shall be collected and tested with due regard for the privacy of the individual being tested and in a manner reasonably calculated to prevent substitutions or interference with the collection or testing of reliable samples.

(4) Sample collection shall be documented, and the documentation procedures shall include:

(i) Labeling of samples so as to reasonably preclude the probability of erroneous identification

of test results; and

(ii) An opportunity for the defendant to provide information on the identification of prescription or nonprescription drugs used in connection with a medical condition.

(5) Sample collection, storage, and transportation to the place of testing shall be performed so as to reasonably preclude the probability of sample contamination or adulteration.

(6) Sample testing shall conform to scientifically accepted analytical methods and procedures. Testing shall include verification or confirmation of any positive test result by a reliable analytical method before the result of any test may be used as a basis for any action by the court.

(e) The initial sample shall be collected before the defendant's release on bail. Thereafter, the defendant shall report to the pretrial services agency or probation department as required by the agency or department. The pretrial services agency or probation department shall immediately notify the court of any defendant who fails to report for testing.

(f) After the initial test, a subsequent confirmed positive test result indicative of continued drug use shall result in the following:

(1) Upon the first confirmed positive test result, the pretrial services agency or probation department, shall

place the defendant on a more frequent testing schedule and shall warn the defendant of the consequences of continued drug use.

(2) A second confirmed positive test result shall be grounds for a hearing before the judge who authorized the release of the defendant in accordance with the provisions of subsection (g) of this Section.

(g) The court shall, upon motion of the State or upon its own motion, conduct a hearing in connection with any defendant who fails to appear for testing, fails to cooperate with the persons conducting the testing program, attempts to submit a sample not his or her own or has had a confirmed positive test result indicative of continued drug use for the second or subsequent time after the initial test. The hearing shall be conducted in accordance with the procedures of Section 110-6.

Upon a finding by the court that the State has established by clear and convincing evidence that the defendant has violated the drug testing conditions of bail, the court may consider any of the following sanctions:

(1) increase the amount of the defendant's bail or conditions of release;

(2) impose a jail sentence of up to 5 days;

(3) revoke the defendant's bail; or

(4) enter such other orders which are within the power of the court as deemed appropriate.

(h) The results of any drug testing conducted under this

Sec. 110-7.1. Deposit of bail security.

(a) The person for whom bail has been set shall execute the bail bond and deposit with the clerk of the court before which the proceeding is pending a sum of money equal to 10% of the bail, but in no event shall such deposit be less than $25. The clerk of the court shall provide a space on each form for a person other than the accused who has provided the money for the posting of bail to so indicate and a space signed by an accused who has executed the bail bond indicating whether a person other than the accused has provided the money for the posting of bail. The form shall also include a written notice to such person who has provided the defendant with the money for the posting of bail indicating that the bail may be used to pay costs, attorney's fees, fines, or other purposes authorized by the court and if the defendant fails to comply with the conditions of the bail bond, the court shall enter an order declaring the bail to be forfeited. The written notice must be: (1) distinguishable from the surrounding text; (2) in bold type or underscored; and (3) in a type size at least 2 points larger than the surrounding type. When a person for

whom bail has been set is charged with an offense under the Illinois Controlled Substances Act or the Methamphetamine Control and Community Protection Act which is a Class X felony, or making a terrorist threat in violation of Section 29D-20 of the Criminal Code of 1961 or the Criminal Code of 2012 or an attempt to commit the offense of making a terrorist threat, the court may require the defendant to deposit a sum equal to 100% of the bail. Where any person is charged with a forcible felony while free on bail and is the subject of proceedings under Section 109-3 of this Code the judge conducting the preliminary examination may also conduct a hearing upon the application of the State pursuant to the provisions of Section 110-6 of this Code to increase or revoke the bail for that person's prior alleged offense.

(b) Upon depositing this sum and any bond fee authorized by law, the person shall be released from custody subject to the conditions of the bail bond.

(c) Once bail has been given and a charge is pending or is thereafter filed in or transferred to a court of competent jurisdiction the latter court shall continue the original bail in that court subject to the provisions of Section 110-6 of this Code.

(d) After conviction the court may order that the original bail stand as bail pending appeal or deny, increase or reduce bail subject to the provisions of Section 110-6.2.

(e) After the entry of an order by the trial court allowing

or denying bail pending appeal either party may apply to the reviewing court having jurisdiction or to a justice thereof sitting in vacation for an order increasing or decreasing the amount of bail or allowing or denying bail pending appeal subject to the provisions of Section 110-6.2.

(f) When the conditions of the bail bond have been performed and the accused has been discharged from all obligations in the cause the clerk of the court shall return to the accused or to the defendant's designee by an assignment executed at the time the bail amount is deposited, unless the court orders otherwise, 90% of the sum which had been deposited and shall retain as bail bond costs 10% of the amount deposited. However, in no event shall the amount retained by the clerk as bail bond costs be less than $5. Notwithstanding the foregoing, in counties with a population of 3,000,000 or more, in no event shall the amount retained by the clerk as bail bond costs exceed $100. Bail bond deposited by or on behalf of a defendant in one case may be used, in the court's discretion, to satisfy financial obligations of that same defendant incurred in a different case due to a fine, court costs, restitution or fees of the defendant's attorney of record. In counties with a population of 3,000,000 or more, the court shall not order bail bond deposited by or on behalf of a defendant in one case to be used to satisfy financial obligations of that same defendant in a different case until the bail bond is first used to satisfy court costs and

attorney's fees in the case in which the bail bond has been deposited and any other unpaid child support obligations are satisfied. In counties with a population of less than 3,000,000, the court shall not order bail bond deposited by or on behalf of a defendant in one case to be used to satisfy financial obligations of that same defendant in a different case until the bail bond is first used to satisfy court costs in the case in which the bail bond has been deposited.

At the request of the defendant the court may order such 90% of defendant's bail deposit, or whatever amount is repayable to defendant from such deposit, to be paid to defendant's attorney of record.

(g) If the accused does not comply with the conditions of the bail bond the court having jurisdiction shall enter an order declaring the bail to be forfeited. Notice of such order of forfeiture shall be mailed forthwith to the accused at his last known address. If the accused does not appear and surrender to the court having jurisdiction within 30 days from the date of the forfeiture or within such period satisfy the court that appearance and surrender by the accused is impossible and without his fault the court shall enter judgment for the State if the charge for which the bond was given was a felony or misdemeanor, or if the charge was quasi-criminal or traffic, judgment for the political subdivision of the State which prosecuted the case, against the accused for the amount of the bail and costs of the court

proceedings; however, in counties with a population of less than 3,000,000, instead of the court entering a judgment for the full amount of the bond the court may, in its discretion, enter judgment for the cash deposit on the bond, less costs, retain the deposit for further disposition or, if a cash bond was posted for failure to appear in a matter involving enforcement of child support or maintenance, the amount of the cash deposit on the bond, less outstanding costs, may be awarded to the person or entity to whom the child support or maintenance is due. The deposit made in accordance with paragraph (a) shall be applied to the payment of costs. If judgment is entered and any amount of such deposit remains after the payment of costs it shall be applied to payment of the judgment and transferred to the treasury of the municipal corporation wherein the bond was taken if the offense was a violation of any penal ordinance of a political subdivision of this State, or to the treasury of the county wherein the bond was taken if the offense was a violation of any penal statute of this State. The balance of the judgment may be enforced and collected in the same manner as a judgment entered in a civil action.

(h) After a judgment for a fine and court costs or either is entered in the prosecution of a cause in which a deposit had been made in accordance with paragraph (a) the balance of such deposit, after deduction of bail bond costs, shall be applied to the payment of the judgment.

(i) When a court appearance is required for an alleged violation of the Criminal Code of 1961, the Criminal Code of 2012, the Illinois Vehicle Code, the Wildlife Code, the Fish and Aquatic Life Code, the Child Passenger Protection Act, or a comparable offense of a unit of local government as specified in Supreme Court Rule 551, and if the accused does not appear in court on the date set for appearance or any date to which the case may be continued and the court issues an arrest warrant for the accused, based upon his or her failure to appear when having so previously been ordered to appear by the court, the accused upon his or her admission to bail shall be assessed by the court a fee of $75. Payment of the fee shall be a condition of release unless otherwise ordered by the court. The fee shall be in addition to any bail that the accused is required to deposit for the offense for which the accused has been charged and may not be used for the payment of court costs or fines assessed for the offense. The clerk of the court shall remit $70 of the fee assessed to the arresting agency who brings the offender in on the arrest warrant. If the Illinois State Police is the arresting agency, $70 of the fee assessed shall be remitted by the clerk of the court to the State Treasurer within one month after receipt for deposit into the State Police Operations Assistance Fund. The clerk of the court shall remit $5 of the fee assessed to the Circuit Court Clerk Operation and Administrative Fund as provided in Section 27.3d of the Clerks of Courts Act.

(4) A statement that the affiant is the sole owner of the stocks and bonds listed and they are not exempt from

the enforcement of a judgment thereon;

(5) A statement that such stocks and bonds have not previously been used or accepted as bail in this State during the 12 months preceding the date of the bail bond; and

(6) A statement that such stocks and bonds are security for the appearance of the accused in accordance with the conditions of the bail bond.

(c) If the bail bond is secured by real estate the accused or sureties shall file with the bond a sworn schedule which shall contain:

(1) A legal description of the real estate;

(2) A description of any and all encumbrances on the real estate including the amount of each and the holder thereof;

(3) The market value of the unencumbered equity owned by the affiant;

(4) A statement that the affiant is the sole owner of such unencumbered equity and that it is not exempt from the enforcement of a judgment thereon;

(5) A statement that the real estate has not previously been used or accepted as bail in this State during the 12 months preceding the date of the bail bond; and

(6) A statement that the real estate is security for the appearance of the accused in accordance with the

The registrar of titles or recorder shall enter, index and record (or register as the case may be) such bail bonds and schedules without requiring any advance fee, which fee shall be taxed as costs in the proceeding and paid out of such costs when collected.

(f) When the conditions of the bail bond have been performed and the accused has been discharged from his obligations in the cause, the clerk of the court shall return to him or his sureties the deposit of any cash, stocks or bonds. If the bail bond has been secured by real estate the clerk of the court shall forthwith notify in writing the registrar of titles or recorder and the lien of the bail bond on the real estate shall be discharged.

(g) If the accused does not comply with the conditions of the bail bond the court having jurisdiction shall enter an

order declaring the bail to be forfeited. Notice of such order of forfeiture shall be mailed forthwith by the clerk of the court to the accused and his sureties at their last known address. If the accused does not appear and surrender to the court having jurisdiction within 30 days from the date of the forfeiture or within such period satisfy the court that appearance and surrender by the accused is impossible and without his fault the court shall enter judgment for the State against the accused and his sureties for the amount of the bail and costs of the proceedings; however, in counties with a population of less than 3,000,000, if the defendant has posted a cash bond, instead of the court entering a judgment for the full amount of the bond the court may, in its discretion, enter judgment for the cash deposit on the bond, less costs, retain the deposit for further disposition or, if a cash bond was posted for failure to appear in a matter involving enforcement of child support or maintenance, the amount of the cash deposit on the bond, less outstanding costs, may be awarded to the person or entity to whom the child support or maintenance is due.

(h) When judgment is entered in favor of the State on any bail bond given for a felony or misdemeanor, or judgment for a political subdivision of the state on any bail bond given for a quasi-criminal or traffic offense, the State's Attorney or political subdivision's attorney shall forthwith obtain a certified copy of the judgment and deliver same to the sheriff

Any cash forfeited under subsection (g) of this Section shall be used to satisfy the judgment and costs and, without necessity of levy, ordered paid into the treasury of the municipal corporation wherein the bail bond was taken if the offense was a violation of any penal ordinance of a political subdivision of this State, or into the treasury of the county wherein the bail bond was taken if the offense was a violation of any penal statute of this State, or to the person or entity to whom child support or maintenance is owed if the bond was taken for failure to appear in a matter involving child support or maintenance. The stocks, bonds and real estate shall be sold in the same manner as in sales for the enforcement of a judgment in civil actions and the proceeds of such sale shall be used to satisfy all court costs, prior encumbrances, if any, and from the balance a sufficient amount to satisfy the judgment shall be paid into the treasury of the municipal corporation wherein the bail bond was taken if the offense was a violation of any penal ordinance of a political subdivision of this State, or into the treasury of the county wherein the bail bond was taken if the offense was a violation of any penal statute of this State. The balance shall be returned to the owner. The real estate so sold may be redeemed in the same manner as real estate may be redeemed after judicial sales or sales for the enforcement of judgments in

civil actions.

For the purposes of this paragraph, "personal injury" shall include any Type A injury as indicated on the traffic crash report completed by a law enforcement officer that requires immediate professional attention in either a doctor's office or medical facility. The right to consult with the prosecutor does not include the right to veto a plea agreement or to insist the case go to trial. (20) shall, within a reasonable time, offer to meet with the crime victim regarding the decision of the State's Attorney not to charge an offense, and shall meet with the victim, if the victim agrees. The victim has a

right to have an attorney, advocate, and other support person of the victim's choice attend this meeting with the victim; and

(21) shall give the crime victim timely notice of any decision not to pursue charges and consider the safety of the victim when deciding how to give such notice.

(c) The court shall ensure that the rights of the victim are afforded.

(c-5) The following procedures shall be followed to afford victims the rights guaranteed by Article I, Section 8.1 of the Illinois Constitution:

(1) Written notice. A victim may complete a written notice of intent to assert rights on a form prepared by the Office of the Attorney General and provided to the victim by the State's Attorney. The victim may at any time provide a revised written notice to the State's Attorney. The State's Attorney shall file the written notice with the court. At the beginning of any court proceeding in which the right of a victim may be at issue, the court and prosecutor shall review the written notice to determine whether the victim has asserted the right that may be at issue.

(2) Victim's retained attorney. A victim's attorney shall file an entry of appearance limited to assertion of the victim's rights. Upon the filing of the entry of appearance and service on the State's Attorney and the

defendant, the attorney is to receive copies of all notices, motions and court orders filed thereafter in the case.

(3) Standing. The victim has standing to assert the rights enumerated in subsection (a) of Article I, Section 8.1 of the Illinois Constitution and the statutory rights under Section 4 of this Act in any court exercising jurisdiction over the criminal case. The prosecuting attorney, a victim, or the victim's retained attorney may assert the victim's rights. The defendant in the criminal case has no standing to assert a right of the victim in any court proceeding, including on appeal.

(4) Assertion of and enforcement of rights.

(A) The prosecuting attorney shall assert a victim's right or request enforcement of a right by filing a motion or by orally asserting the right or requesting enforcement in open court in the criminal case outside the presence of the jury. The prosecuting attorney shall consult with the victim and the victim's attorney regarding the assertion or enforcement of a right. If the prosecuting attorney decides not to assert or enforce a victim's right, the prosecuting attorney shall notify the victim or the victim's attorney in sufficient time to allow the victim or the victim's attorney to assert the right or to seek enforcement of a right.

(B) If the prosecuting attorney elects not to assert a victim's right or to seek enforcement of a right, the victim or the victim's attorney may assert the victim's right or request enforcement of a right by filing a motion or by orally asserting the right or requesting enforcement in open court in the criminal case outside the presence of the jury.

(C) If the prosecuting attorney asserts a victim's right or seeks enforcement of a right, unless the prosecuting attorney objects or the trial court does not allow it, the victim or the victim's attorney may be heard regarding the prosecuting attorney's motion or may file a simultaneous motion to assert or request enforcement of the victim's right. If the victim or the victim's attorney was not allowed to be heard at the hearing regarding the prosecuting attorney's motion, and the court denies the prosecuting attorney's assertion of the right or denies the request for enforcement of a right, the victim or victim's attorney may file a motion to assert the victim's right or to request enforcement of the right within 10 days of the court's ruling. The motion need not demonstrate the grounds for a motion for reconsideration. The court shall rule on the merits of the motion.

(D) The court shall take up and decide any motion

or request asserting or seeking enforcement of a victim's right without delay, unless a specific time period is specified by law or court rule. The reasons for any decision denying the motion or request shall be clearly stated on the record.

(E) No later than January 1, 2023, the Office of the Attorney General shall:

(i) designate an administrative authority within the Office of the Attorney General to receive and investigate complaints relating to the provision or violation of the rights of a crime victim as described in Article I, Section 8.1 of the Illinois Constitution and in this Act;

(ii) create and administer a course of training for employees and offices of the State of Illinois that fail to comply with provisions of Illinois law pertaining to the treatment of crime victims as described in Article I, Section 8.1 of the Illinois Constitution and in this Act as required by the court under Section 5 of this Act; and

(iii) have the authority to make recommendations to employees and offices of the State of Illinois to respond more effectively to the needs of crime victims, including regarding the violation of the rights of a crime victim.

(F) Crime victims' rights may also be asserted by filing a complaint for mandamus, injunctive, or declaratory relief in the jurisdiction in which the victim's right is being violated or where the crime is being prosecuted. For complaints or motions filed by or on behalf of the victim, the clerk of court shall waive filing fees that would otherwise be owed by the victim for any court filing with the purpose of enforcing crime victims' rights. If the court denies the relief sought by the victim, the reasons for the denial shall be clearly stated on the record in the transcript of the proceedings, in a written opinion, or in the docket entry, and the victim may appeal the circuit court's decision to the appellate court. The court shall issue prompt rulings regarding victims' rights. Proceedings seeking to enforce victims' rights shall not be stayed or subject to unreasonable delay via continuances.

(5) Violation of rights and remedies.

(A) If the court determines that a victim's right has been violated, the court shall determine the appropriate remedy for the violation of the victim's right by hearing from the victim and the parties, considering all factors relevant to the issue, and then awarding appropriate relief to the victim.

(A-5) Consideration of an issue of a substantive

nature or an issue that implicates the constitutional or statutory right of a victim at a court proceeding labeled as a status hearing shall constitute a per se violation of a victim's right.

(B) The appropriate remedy shall include only actions necessary to provide the victim the right to which the victim was entitled. Remedies may include, but are not limited to: injunctive relief requiring the victim's right to be afforded; declaratory judgment recognizing or clarifying the victim's rights; a writ of mandamus; and may include reopening previously held proceedings; however, in no event shall the court vacate a conviction. Any remedy shall be tailored to provide the victim an appropriate remedy without violating any constitutional right of the defendant. In no event shall the appropriate remedy to the victim be a new trial or damages.

The court shall impose a mandatory training course provided by the Attorney General for the employee under item (ii) of subparagraph (E) of paragraph (4), which must be successfully completed within 6 months of the entry of the court order.

This paragraph (5) takes effect January 2, 2023.

(6) Right to be heard. Whenever a victim has the right to be heard, the court shall allow the victim to exercise the right in any reasonable manner the victim chooses.

(7) Right to attend trial. A party must file a written motion to exclude a victim from trial at least 60 days prior to the date set for trial. The motion must state with specificity the reason exclusion is necessary to protect a constitutional right of the party, and must contain an offer of proof. The court shall rule on the motion within 30 days. If the motion is granted, the court shall set forth on the record the facts that support its finding that the victim's testimony will be materially affected if the victim hears other testimony at trial.

(8) Right to have advocate and support person present at court proceedings.

(A) A party who intends to call an advocate as a witness at trial must seek permission of the court before the subpoena is issued. The party must file a written motion at least 90 days before trial that sets forth specifically the issues on which the advocate's testimony is sought and an offer of proof regarding (i) the content of the anticipated testimony of the advocate; and (ii) the relevance, admissibility, and materiality of the anticipated testimony. The court shall consider the motion and make findings within 30 days of the filing of the motion. If the court finds by a preponderance of the evidence that: (i) the anticipated testimony is not protected by an absolute privilege; and (ii) the anticipated testimony contains

relevant, admissible, and material evidence that is not available through other witnesses or evidence, the court shall issue a subpoena requiring the advocate to appear to testify at an in camera hearing. The prosecuting attorney and the victim shall have 15 days to seek appellate review before the advocate is required to testify at an ex parte in camera proceeding.

The prosecuting attorney, the victim, and the advocate's attorney shall be allowed to be present at the ex parte in camera proceeding. If, after conducting the ex parte in camera hearing, the court determines that due process requires any testimony regarding confidential or privileged information or communications, the court shall provide to the prosecuting attorney, the victim, and the advocate's attorney a written memorandum on the substance of the advocate's testimony. The prosecuting attorney, the victim, and the advocate's attorney shall have 15 days to seek appellate review before a subpoena may be issued for the advocate to testify at trial. The presence of the prosecuting attorney at the ex parte in camera proceeding does not make the substance of the advocate's testimony that the court has ruled inadmissible subject to discovery.

(B) If a victim has asserted the right to have a

support person present at the court proceedings, the victim shall provide the name of the person the victim has chosen to be the victim's support person to the prosecuting attorney, within 60 days of trial. The prosecuting attorney shall provide the name to the defendant. If the defendant intends to call the support person as a witness at trial, the defendant must seek permission of the court before a subpoena is issued. The defendant must file a written motion at least 45 days prior to trial that sets forth specifically the issues on which the support person will testify and an offer of proof regarding: (i) the content of the anticipated testimony of the support person; and (ii) the relevance, admissibility, and materiality of the anticipated testimony.

If the prosecuting attorney intends to call the support person as a witness during the State's case-in-chief, the prosecuting attorney shall inform the court of this intent in the response to the defendant's written motion. The victim may choose a different person to be the victim's support person. The court may allow the defendant to inquire about matters outside the scope of the direct examination during cross-examination. If the court allows the defendant to do so, the support person shall be allowed to remain in the courtroom after the support

person has testified. A defendant who fails to question the support person about matters outside the scope of direct examination during the State's case-in-chief waives the right to challenge the presence of the support person on appeal. The court shall allow the support person to testify if called as a witness in the defendant's case-in-chief or the State's rebuttal.

If the court does not allow the defendant to inquire about matters outside the scope of the direct examination, the support person shall be allowed to remain in the courtroom after the support person has been called by the defendant or the defendant has rested. The court shall allow the support person to testify in the State's rebuttal.

If the prosecuting attorney does not intend to call the support person in the State's case-in-chief, the court shall verify with the support person whether the support person, if called as a witness, would testify as set forth in the offer of proof. If the court finds that the support person would testify as set forth in the offer of proof, the court shall rule on the relevance, materiality, and admissibility of the anticipated testimony. If the court rules the anticipated testimony is admissible, the court shall issue the subpoena. The support person may remain in

the courtroom after the support person testifies and shall be allowed to testify in rebuttal.

If the court excludes the victim's support person during the State's case-in-chief, the victim shall be allowed to choose another support person to be present in court.

If the victim fails to designate a support person within 60 days of trial and the defendant has subpoenaed the support person to testify at trial, the court may exclude the support person from the trial until the support person testifies. If the court excludes the support person the victim may choose another person as a support person.

(9) Right to notice and hearing before disclosure of confidential or privileged information or records.

(A) A defendant who seeks to subpoena testimony or records of or concerning the victim that are confidential or privileged by law must seek permission of the court before the subpoena is issued. The defendant must file a written motion and an offer of proof regarding the relevance, admissibility and materiality of the testimony or records. If the court finds by a preponderance of the evidence that:

(i) the testimony or records are not protected by an absolute privilege and

(ii) the testimony or records contain

relevant, admissible, and material evidence that is not available through other witnesses or evidence, the court shall issue a subpoena requiring the witness to appear in camera or a sealed copy of the records be delivered to the court to be reviewed in camera. If, after conducting an in camera review of the witness statement or records, the court determines that due process requires disclosure of any potential testimony or any portion of the records, the court shall provide copies of the records that it intends to disclose to the prosecuting attorney and the victim. The prosecuting attorney and the victim shall have 30 days to seek appellate review before the records are disclosed to the defendant, used in any court proceeding, or disclosed to anyone or in any way that would subject the testimony or records to public review. The disclosure of copies of any portion of the testimony or records to the prosecuting attorney under this Section does not make the records subject to discovery or required to be provided to the defendant.

(B) A prosecuting attorney who seeks to subpoena information or records concerning the victim that are confidential or privileged by law must first request

the written consent of the crime victim. If the victim does not provide such written consent, including where necessary the appropriate signed document required for waiving privilege, the prosecuting attorney must serve the subpoena at least 21 days prior to the date a response or appearance is required to allow the subject of the subpoena time to file a motion to quash or request a hearing. The prosecuting attorney must also send a written notice to the victim at least 21 days prior to the response date to allow the victim to file a motion or request a hearing. The notice to the victim shall inform the victim (i) that a subpoena has been issued for confidential information or records concerning the victim, (ii) that the victim has the right to request a hearing prior to the response date of the subpoena, and (iii) how to request the hearing. The notice to the victim shall also include a copy of the subpoena. If requested, a hearing regarding the subpoena shall occur before information or records are provided to the prosecuting attorney.

(10) Right to notice of court proceedings. If the victim is not present at a court proceeding in which a right of the victim is at issue, the court shall ask the prosecuting attorney whether the victim was notified of the time, place, and purpose of the court proceeding and that the victim had a right to be heard at the court

proceeding. If the court determines that timely notice was not given or that the victim was not adequately informed of the nature of the court proceeding, the court shall not rule on any substantive issues, accept a plea, or impose a sentence and shall continue the hearing for the time necessary to notify the victim of the time, place and nature of the court proceeding. The time between court proceedings shall not be attributable to the State under Section 103-5 of the Code of Criminal Procedure of 1963.

(11) Right to timely disposition of the case. A victim has the right to timely disposition of the case so as to minimize the stress, cost, and inconvenience resulting from the victim's involvement in the case. Before ruling on a motion to continue trial or other court proceeding, the court shall inquire into the circumstances for the request for the delay and, if the victim has provided written notice of the assertion of the right to a timely disposition, and whether the victim objects to the delay. If the victim objects, the prosecutor shall inform the court of the victim's objections. If the prosecutor has not conferred with the victim about the continuance, the prosecutor shall inform the court of the attempts to confer. If the court finds the attempts of the prosecutor to confer with the victim were inadequate to protect the victim's right to be heard, the court shall give the prosecutor at least 3 but not more than 5 business days to

confer with the victim. In ruling on a motion to continue, the court shall consider the reasons for the requested continuance, the number and length of continuances that have been granted, the victim's objections and procedures to avoid further delays. If a continuance is granted over the victim's objection, the court shall specify on the record the reasons for the continuance and the procedures that have been or will be taken to avoid further delays.

(12) Right to Restitution.

(A) If the victim has asserted the right to restitution and the amount of restitution is known at the time of sentencing, the court shall enter the judgment of restitution at the time of sentencing.

(B) If the victim has asserted the right to restitution and the amount of restitution is not known at the time of sentencing, the prosecutor shall, within 5 days after sentencing, notify the victim what information and documentation related to restitution is needed and that the information and documentation must be provided to the prosecutor within 45 days after sentencing. Failure to timely provide information and documentation related to restitution shall be deemed a waiver of the right to restitution. The prosecutor shall file and serve within 60 days after sentencing a proposed judgment for restitution and a notice that includes information concerning the

identity of any victims or other persons seeking restitution, whether any victim or other person expressly declines restitution, the nature and amount of any damages together with any supporting documentation, a restitution amount recommendation, and the names of any co-defendants and their case numbers. Within 30 days after receipt of the proposed judgment for restitution, the defendant shall file any objection to the proposed judgment, a statement of grounds for the objection, and a financial statement. If the defendant does not file an objection, the court may enter the judgment for restitution without further proceedings. If the defendant files an objection and either party requests a hearing, the court shall schedule a hearing.

(13) Access to presentence reports.

(A) The victim may request a copy of the presentence report prepared under the Unified Code of Corrections from the State's Attorney. The State's Attorney shall redact the following information before providing a copy of the report:

(i) the defendant's mental history and condition;

(ii) any evaluation prepared under subsection (b) or (b-5) of Section 5-3-2; and

(iii) the name, address, phone number, and

other personal information about any other victim.

(B) The State's Attorney or the defendant may request the court redact other information in the report that may endanger the safety of any person.

(C) The State's Attorney may orally disclose to the victim any of the information that has been redacted if there is a reasonable likelihood that the information will be stated in court at the sentencing.

(D) The State's Attorney must advise the victim that the victim must maintain the confidentiality of the report and other information. Any dissemination of the report or information that was not stated at a court proceeding constitutes indirect criminal contempt of court.

(14) Appellate relief. If the trial court denies the relief requested, the victim, the victim's attorney, or the prosecuting attorney may file an appeal within 30 days of the trial court's ruling. The trial or appellate court may stay the court proceedings if the court finds that a stay would not violate a constitutional right of the defendant. If the appellate court denies the relief sought, the reasons for the denial shall be clearly stated in a written opinion. In any appeal in a criminal case, the State may assert as error the court's denial of any crime victim's right in the proceeding to which the appeal relates.

Sec. 5-6-4. Violation, modification or revocation of probation, of conditional discharge or supervision or of a sentence of county impact incarceration - hearing.

(a) Except in cases where conditional discharge or supervision was imposed for a petty offense as defined in Section 5-1-17, when a petition is filed charging a violation of a condition, the court may:

(1) in the case of probation violations, order the issuance of a notice to the offender to be present by the County Probation Department or such other agency designated by the court to handle probation matters; and in the case of conditional discharge or supervision violations, such notice to the offender shall be issued by the Circuit Court Clerk; and in the case of a violation of a sentence of county impact incarceration, such notice shall be issued by the Sheriff;

(3) order a warrant for the offender's arrest where

there is danger of his fleeing the jurisdiction or causing serious harm to others or when the offender fails to answer a summons or notice from the clerk of the court or Sheriff.

Personal service of the petition for violation of probation or the issuance of such warrant, summons or notice shall toll the period of probation, conditional discharge, supervision, or sentence of county impact incarceration until the final determination of the charge, and the term of probation, conditional discharge, supervision, or sentence of county impact incarceration shall not run until the hearing and disposition of the petition for violation.

(b) The court shall conduct a hearing of the alleged violation. The court shall admit the offender to bail ~~pretrial release~~ pending the hearing unless the alleged violation is itself a criminal offense in which case the offender shall be admitted to bail ~~pretrial release~~ on such terms as are provided in the Code of Criminal Procedure of 1963, as amended. In any case where an offender remains incarcerated only as a result of his alleged violation of the court's earlier order of probation, supervision, conditional discharge, or county impact incarceration such hearing shall be held within 14 days of the onset of said incarceration, unless the alleged violation is the commission of another offense by the offender during the period of probation, supervision or conditional discharge in which case such

hearing shall be held within the time limits described in Section 103-5 of the Code of Criminal Procedure of 1963, as amended.

(c) The State has the burden of going forward with the evidence and proving the violation by the preponderance of the evidence. The evidence shall be presented in open court with the right of confrontation, cross-examination, and representation by counsel.

(d) Probation, conditional discharge, periodic imprisonment and supervision shall not be revoked for failure to comply with conditions of a sentence or supervision, which imposes financial obligations upon the offender unless such failure is due to his willful refusal to pay.

(e) If the court finds that the offender has violated a condition at any time prior to the expiration or termination of the period, it may continue him on the existing sentence, with or without modifying or enlarging the conditions, or may impose any other sentence that was available under Article 4.5 of Chapter V of this Code or Section 11-501 of the Illinois Vehicle Code at the time of initial sentencing. If the court finds that the person has failed to successfully complete his or her sentence to a county impact incarceration program, the court may impose any other sentence that was available under Article 4.5 of Chapter V of this Code or Section 11-501 of the Illinois Vehicle Code at the time of initial sentencing, except for a sentence of probation or conditional discharge.

(g) A judgment revoking supervision, probation, conditional discharge, or a sentence of county impact incarceration is a final appealable order.

(h) Resentencing after revocation of probation, conditional discharge, supervision, or a sentence of county impact incarceration shall be under Article 4. The term on probation, conditional discharge or supervision shall not be credited by the court against a sentence of imprisonment or periodic imprisonment unless the court orders otherwise. The amount of credit to be applied against a sentence of imprisonment or periodic imprisonment when the defendant served a term or partial term of periodic imprisonment shall be calculated upon the basis of the actual days spent in confinement rather than the duration of the term.

(i) Instead of filing a violation of probation, conditional discharge, supervision, or a sentence of county

impact incarceration, an agent or employee of the supervising agency with the concurrence of his or her supervisor may serve on the defendant a Notice of Intermediate Sanctions. The Notice shall contain the technical violation or violations involved, the date or dates of the violation or violations, and the intermediate sanctions to be imposed. Upon receipt of the Notice, the defendant shall immediately accept or reject the intermediate sanctions. If the sanctions are accepted, they shall be imposed immediately. If the intermediate sanctions are rejected or the defendant does not respond to the Notice, a violation of probation, conditional discharge, supervision, or a sentence of county impact incarceration shall be immediately filed with the court. The State's Attorney and the sentencing court shall be notified of the Notice of Sanctions. Upon successful completion of the intermediate sanctions, a court may not revoke probation, conditional discharge, supervision, or a sentence of county impact incarceration or impose additional sanctions for the same violation. A notice of intermediate sanctions may not be issued for any violation of probation, conditional discharge, supervision, or a sentence of county impact incarceration which could warrant an additional, separate felony charge. The intermediate sanctions shall include a term of home detention as provided in Article 8A of Chapter V of this Code for multiple or repeat violations of the terms and conditions of a sentence of probation, conditional discharge, or supervision.

(j) When an offender is re-sentenced after revocation of probation that was imposed in combination with a sentence of imprisonment for the same offense, the aggregate of the sentences may not exceed the maximum term authorized under Article 4.5 of Chapter V.

(k)(1) On and after the effective date of this amendatory Act of the 101st General Assembly, this subsection (k) shall apply to arrest warrants in Cook County only. An arrest warrant issued under paragraph (3) of subsection (a) when the underlying conviction is for the offense of theft, retail theft, or possession of a controlled substance shall remain active for a period not to exceed 10 years from the date the warrant was issued unless a motion to extend the warrant is filed by the office of the State's Attorney or by, or on behalf of, the agency supervising the wanted person. A motion to extend the warrant shall be filed within one year before the warrant expiration date and notice shall be provided to the office of the sheriff.

(2) If a motion to extend a warrant issued under paragraph (3) of subsection (a) is not filed, the warrant shall be quashed and recalled as a matter of law under paragraph (1) of this subsection (k) and the wanted person's period of probation, conditional discharge, or supervision shall terminate unsatisfactorily as a matter of law.

Each day of sentence credit shall reduce by one day the prisoner's

period of imprisonment or recommitment under Section 3-3-9.

(2.2) A prisoner serving a term of natural life imprisonment shall receive no sentence credit.

(2.3) Except as provided in paragraph (4.7) of this subsection (a), the rules and regulations on sentence credit shall provide that a prisoner who is serving a sentence for aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, shall receive no more than 4.5 days of sentence credit for each month of his or her sentence of imprisonment.

Eligibility for the additional earned sentence credit under this paragraph (3) shall ~~may~~ be based on, but is not limited to, ~~participation in programming offered by the Department as appropriate for the prisoner based on~~ the results of any available risk/needs assessment or other relevant assessments or evaluations administered by the Department using a validated instrument, the circumstances of the crime, any ~~demonstrated commitment to rehabilitation by a~~ prisoner with a history of conviction for a forcible felony enumerated in Section 2-8 of the Criminal Code of 2012, the inmate's behavior and ~~improvements in~~ disciplinary history while incarcerated, and the inmate's commitment to rehabilitation, including participation in programming offered by the Department.

The Director of Corrections or the Director of Juvenile Justice shall not award sentence credit under this paragraph (3) to an inmate unless the inmate has served a minimum of 60

days of the sentence, including time served in a county jail; except nothing in this paragraph shall be construed to permit either Director to extend an inmate's sentence beyond that which was imposed by the court. Prior to awarding credit under this paragraph (3), each Director shall make a written determination that the inmate:

(A) is eligible for the earned sentence credit;

(B) has served a minimum of 60 days, or as close to 60 days as the sentence will allow;

(B-1) has received a risk/needs assessment or other relevant evaluation or assessment administered by the Department using a validated instrument; and

The rules and regulations shall also provide that sentence credit , subject to the same offense limits and multiplier provided in this paragraph, may be provided to an inmate who was held in pre-trial detention prior to his or her current commitment to the Department of Corrections and

successfully completed a full-time, 60-day or longer substance abuse program, educational program, behavior modification program, life skills course, or re-entry planning provided by the county department of corrections or county jail. Calculation of this county program credit shall be done at sentencing as provided in Section 5-4.5-100 of this Code and shall be included in the sentencing order. However, no inmate shall be eligible for the additional sentence credit under this paragraph (4) or (4.1) of this subsection (a) while assigned to a boot camp or electronic detention. ~~The rules and regulations shall also provide that sentence credit may be provided to an inmate who is in compliance with programming requirements in an adult transition center.~~

program as determined by the standards of the Department during the inmate's current term of incarceration; or

(ii) the inmate's own testimony in the form of an affidavit or documentation, or a third party's documentation or testimony in the form of an affidavit that the inmate likely engaged in any full-time substance abuse programs, correctional industry assignments, educational programs, behavior modification programs, life skills courses, or re-entry planning provided by the Department under paragraph (4) and satisfactorily completed the assigned program as determined by the standards of the Department during the inmate's current term of incarceration.

(C) If the inmate can provide documentation that he or she is entitled to sentence credit under subparagraph (B) in excess of 45 days of participation in those programs, the inmate shall receive 90 days of sentence credit. If the inmate cannot provide documentation of more than 45 days of participation in those programs, the inmate shall receive 45 days of sentence credit. In the event of a disagreement between the Department and the inmate as to the amount of credit accumulated under subparagraph (B), if the Department provides documented proof of a lesser amount of days of participation in those programs, that proof shall control. If the Department provides no documentary proof, the inmate's proof as set forth in clause (ii) of subparagraph (B) shall

control as to the amount of sentence credit provided.

(D) If the inmate has been convicted of a sex offense as defined in Section 2 of the Sex Offender Registration Act, sentencing credits under subparagraph (B) of this paragraph (4) shall be awarded by the Department only if the conditions set forth in paragraph (4.6) of subsection (a) are satisfied. No inmate serving a term of natural life imprisonment shall receive sentence credit under subparagraph (B) of this paragraph (4).

Educational, vocational, substance abuse, behavior modification programs, life skills courses, re-entry planning, and correctional industry programs under which sentence credit may be earned under this paragraph (4) and paragraph (4.1) of this subsection (a) shall be evaluated by the Department on the basis of documented standards. The Department shall report the results of these evaluations to the Governor and the General Assembly by September 30th of each year. The reports shall include data relating to the recidivism rate among program participants.

Availability of these programs shall be subject to the limits of fiscal resources appropriated by the General

Assembly for these purposes. Eligible inmates who are denied immediate admission shall be placed on a waiting list under criteria established by the Department. ~~The rules and regulations shall provide that a prisoner who has been placed on a waiting list but is transferred for non disciplinary reasons before beginning a program shall receive priority placement on the waitlist for appropriate programs at the new facility.~~ The inability of any inmate to become engaged in any such programs by reason of insufficient program resources or for any other reason established under the rules and regulations of the Department shall not be deemed a cause of action under which the Department or any employee or agent of the Department shall be liable for damages to the inmate. ~~The rules and regulations shall provide that a prisoner who begins an educational, vocational, substance abuse, work-release programs or activities in accordance with Article 13 of Chapter III of this Code, behavior modification program, life skills course, re entry planning, or correctional industry programs but is unable to complete the program due to illness, disability, transfer, lockdown, or another reason outside of the prisoner's control shall receive prorated sentence credits for the days in which the prisoner did participate.~~

while the prisoner is committed to the Department of Corrections. The sentence credit awarded under this paragraph (4.1) shall be in addition to, and shall not affect, the award of sentence credit under any other paragraph of this Section, but shall also be pursuant to the guidelines and restrictions set forth in paragraph (4) of subsection (a) of this Section. The sentence credit provided for in this paragraph shall be available only to those prisoners who have not previously earned a high school diploma or a State of Illinois High School Diploma. If, after an award of the high school equivalency testing sentence credit has been made, the Department determines that the prisoner was not eligible, then the award shall be revoked. The Department may also award 90 days of sentence credit to any committed person who passed high school equivalency testing while he or she was held in pre-trial detention prior to the current commitment to the Department of Corrections. ~~Except as provided in paragraph (4.7) of this subsection (a), the rules and regulations shall provide that an additional 120 days of sentence credit shall be awarded to any prisoner who obtains an associate degree while the prisoner is committed to the Department of Corrections, regardless of the date that the associate degree was obtained, including if prior to July 1, 2021 (the effective date of Public Act 101-652). The sentence credit awarded under this paragraph (4.1) shall be in addition to, and shall not affect, the award of sentence credit under any other paragraph of this~~

~~Section, but shall also be under the guidelines and restrictions set forth in paragraph (4) of subsection (a) of this Section. The sentence credit provided for in this paragraph (4.1) shall be available only to those prisoners who have not previously earned an associate degree prior to the current commitment to the Department of Corrections. If, after an award of the associate degree sentence credit has been made and the Department determines that the prisoner was not eligible, then the award shall be revoked. The Department may also award 120 days of sentence credit to any committed person who earned an associate degree while he or she was held in pre-trial detention prior to the current commitment to the Department of Corrections.~~

Except as provided in paragraph (4.7) of this subsection (a), the rules and regulations shall provide that an additional 180 days of sentence credit shall be awarded to any prisoner who obtains a bachelor's degree while the prisoner is committed to the Department of Corrections. The sentence credit awarded under this paragraph (4.1) shall be in addition to, and shall not affect, the award of sentence credit under any other paragraph of this Section, but shall also be under the guidelines and restrictions set forth in paragraph (4) of this subsection (a). The sentence credit provided for in this paragraph shall be available only to those prisoners who have not earned a bachelor's degree prior to the current commitment to the Department of Corrections. If, after an award of the

bachelor's degree sentence credit has been made, the Department determines that the prisoner was not eligible, then the award shall be revoked. The Department may also award 180 days of sentence credit to any committed person who earned a bachelor's degree while he or she was held in pre-trial detention prior to the current commitment to the Department of Corrections.

Except as provided in paragraph (4.7) of this subsection (a), the rules and regulations shall provide that an additional 180 days of sentence credit shall be awarded to any prisoner who obtains a master's or professional degree while the prisoner is committed to the Department of Corrections. The sentence credit awarded under this paragraph (4.1) shall be in addition to, and shall not affect, the award of sentence credit under any other paragraph of this Section, but shall also be under the guidelines and restrictions set forth in paragraph (4) of this subsection (a). The sentence credit provided for in this paragraph shall be available only to those prisoners who have not previously earned a master's or professional degree prior to the current commitment to the Department of Corrections. If, after an award of the master's or professional degree sentence credit has been made, the Department determines that the prisoner was not eligible, then the award shall be revoked. The Department may also award 180 days of sentence credit to any committed person who earned a master's or professional degree while he or she was held in

pre-trial detention prior to the current commitment to the Department of Corrections.

~~(4.2)(A) The rules and regulations shall also provide that any prisoner engaged in self-improvement programs, volunteer work, or work assignments that are not otherwise eligible activities under paragraph (4), shall receive up to 0.5 days of sentence credit for each day in which the prisoner is engaged in activities described in this paragraph.~~

~~(B) The rules and regulations shall provide for the award of sentence credit under this paragraph (4.2) for qualifying days of engagement in eligible activities occurring prior to July 1, 2021 (the effective date of Public Act 101-652).~~

(4.5) The rules and regulations on sentence credit shall also provide that when the court's sentencing order recommends a prisoner for substance abuse treatment and the crime was committed on or after September 1, 2003 (the effective date of Public Act 93-354), the prisoner shall receive no sentence credit awarded under clause (3) of this subsection (a) unless he or she participates in and completes a substance abuse treatment program. The Director of Corrections may waive the requirement to participate in or complete a substance abuse treatment program in specific instances if the prisoner is not a good candidate for a substance abuse treatment program for medical, programming, or operational reasons. Availability of substance abuse treatment shall be subject to the limits of fiscal resources appropriated by the General Assembly for

these purposes. If treatment is not available and the requirement to participate and complete the treatment has not been waived by the Director, the prisoner shall be placed on a waiting list under criteria established by the Department. The Director may allow a prisoner placed on a waiting list to participate in and complete a substance abuse education class or attend substance abuse self-help meetings in lieu of a substance abuse treatment program. A prisoner on a waiting list who is not placed in a substance abuse program prior to release may be eligible for a waiver and receive sentence credit under clause (3) of this subsection (a) at the discretion of the Director.

(4.6) The rules and regulations on sentence credit shall also provide that a prisoner who has been convicted of a sex offense as defined in Section 2 of the Sex Offender Registration Act shall receive no sentence credit unless he or she either has successfully completed or is participating in sex offender treatment as defined by the Sex Offender Management Board. However, prisoners who are waiting to receive treatment, but who are unable to do so due solely to the lack of resources on the part of the Department, may, at either Director's sole discretion, be awarded sentence credit at a rate as the Director shall determine.

(4.7) On or after January 1, 2018 (the effective date of Public Act 100-3), sentence credit under paragraph (3), (4), or (4.1) of this subsection (a) may be awarded to a prisoner

who is serving a sentence for an offense described in paragraph (2), (2.3), (2.4), (2.5), or (2.6) for credit earned on or after January 1, 2018 (the effective date of Public Act 100-3); provided, the award of the credits under this paragraph (4.7) shall not reduce the sentence of the prisoner to less than the following amounts:

(i) 85% of his or her sentence if the prisoner is required to serve 85% of his or her sentence; or

(ii) 60% of his or her sentence if the prisoner is required to serve 75% of his or her sentence, except if the prisoner is serving a sentence for gunrunning his or her sentence shall not be reduced to less than 75%.

(iii) 100% of his or her sentence if the prisoner is required to serve 100% of his or her sentence.

(5) Whenever the Department is to release any inmate earlier than it otherwise would because of a grant of earned sentence credit under paragraph (3) of subsection (a) of this Section given at any time during the term, the Department shall give reasonable notice of the impending release not less than 14 days prior to the date of the release to the State's Attorney of the county where the prosecution of the inmate took place, and if applicable, the State's Attorney of the county into which the inmate will be released. The Department must also make identification information and a recent photo of the inmate being released accessible on the Internet by means of a hyperlink labeled "Community Notification of Inmate

Early Release" on the Department's World Wide Web homepage. The identification information shall include the inmate's: name, any known alias, date of birth, physical characteristics, commitment offense, and county where conviction was imposed. The identification information shall be placed on the website within 3 days of the inmate's release and the information may not be removed until either: completion of the first year of mandatory supervised release or return of the inmate to custody of the Department.

(b) Whenever a person is or has been committed under several convictions, with separate sentences, the sentences shall be construed under Section 5-8-4 in granting and forfeiting of sentence credit.

(c) ~~(1)~~ The Department shall prescribe rules and regulations for revoking sentence credit, including revoking sentence credit awarded under paragraph (3) of subsection (a) of this Section. ~~The Department shall prescribe rules and regulations establishing and requiring the use of a sanctions matrix for revoking sentence credit.~~ The Department shall prescribe rules and regulations for suspending or reducing the rate of accumulation of sentence credit for specific rule violations, during imprisonment. These rules and regulations shall provide that no inmate may be penalized more than one year of sentence credit for any one infraction.

~~(2)~~ When the Department seeks to revoke, suspend, or reduce the rate of accumulation of any sentence credits for an

alleged infraction of its rules, it shall bring charges therefor against the prisoner sought to be so deprived of sentence credits before the Prisoner Review Board as provided in subparagraph (a)(4) of Section 3-3-2 of this Code, if the amount of credit at issue exceeds 30 days~~, whether from one infraction or cumulatively from multiple infractions arising out of a single event,~~ or when, during any 12-month period, the cumulative amount of credit revoked exceeds 30 days except where the infraction is committed or discovered within 60 days of scheduled release. In those cases, the Department of Corrections may revoke up to 30 days of sentence credit. The Board may subsequently approve the revocation of additional sentence credit, if the Department seeks to revoke sentence credit in excess of 30 days. However, the Board shall not be empowered to review the Department's decision with respect to the loss of 30 days of sentence credit within any calendar year for any prisoner or to increase any penalty beyond the length requested by the Department.

~~(3)~~ The Director of Corrections or ~~the Director of Juvenile Justice~~, in appropriate cases, may restore up to 30 days of sentence credits which have been revoked, suspended, or reduced. Any restoration of sentence credits in excess of 30 days shall be subject to review by the Prisoner Review Board. However, the Board may not restore sentence credit in excess of the amount requested by the Director. ~~The Department shall prescribe rules and regulations governing the~~

~~restoration of sentence credits. These rules and regulations shall provide for the automatic restoration of sentence credits following a period in which the prisoner maintains a record without a disciplinary violation.~~

Nothing contained in this Section shall prohibit the Prisoner Review Board from ordering, pursuant to Section 3-3-9(a)(3)(i)(B), that a prisoner serve up to one year of the sentence imposed by the court that was not served due to the accumulation of sentence credit.

(d) If a lawsuit is filed by a prisoner in an Illinois or federal court against the State, the Department of Corrections, or the Prisoner Review Board, or against any of their officers or employees, and the court makes a specific finding that a pleading, motion, or other paper filed by the prisoner is frivolous, the Department of Corrections shall conduct a hearing to revoke up to 180 days of sentence credit by bringing charges against the prisoner sought to be deprived of the sentence credits before the Prisoner Review Board as provided in subparagraph (a)(8) of Section 3-3-2 of this Code. If the prisoner has not accumulated 180 days of sentence credit at the time of the finding, then the Prisoner Review Board may revoke all sentence credit accumulated by the prisoner.

For purposes of this subsection (d):

(1) "Frivolous" means that a pleading, motion, or other filing which purports to be a legal document filed

by a prisoner in his or her lawsuit meets any or all of the following criteria:

(A) it lacks an arguable basis either in law or in fact;

(B) it is being presented for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation;

(C) the claims, defenses, and other legal contentions therein are not warranted by existing law or by a nonfrivolous argument for the extension, modification, or reversal of existing law or the establishment of new law;

(D) the allegations and other factual contentions do not have evidentiary support or, if specifically so identified, are not likely to have evidentiary support after a reasonable opportunity for further investigation or discovery; or

(E) the denials of factual contentions are not warranted on the evidence, or if specifically so identified, are not reasonably based on a lack of information or belief.

(2) "Lawsuit" means a motion pursuant to Section 116-3 of the Code of Criminal Procedure of 1963, a habeas corpus action under Article X of the Code of Civil Procedure or under federal law (28 U.S.C. 2254), a petition for claim under the Court of Claims Act, an action under the federal

Civil Rights Act (42 U.S.C. 1983), or a second or subsequent petition for post-conviction relief under Article 122 of the Code of Criminal Procedure of 1963 whether filed with or without leave of court or a second or subsequent petition for relief from judgment under Section 2-1401 of the Code of Civil Procedure.

(e) Nothing in Public Act 90-592 or 90-593 affects the validity of Public Act 89-404.

(f) Whenever the Department is to release any inmate who has been convicted of a violation of an order of protection under Section 12-3.4 or 12-30 of the Criminal Code of 1961 or the Criminal Code of 2012, earlier than it otherwise would because of a grant of sentence credit, the Department, as a condition of release, shall require that the person, upon release, be placed under electronic surveillance as provided in Section 5-8A-7 of this Code.

Sec. 5-4-1. Sentencing hearing.

(a) After a determination of guilt, a hearing shall be held to impose the sentence. However, prior to the imposition of sentence on an individual being sentenced for an offense

based upon a charge for a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance, the individual must undergo a professional evaluation to determine if an alcohol or other drug abuse problem exists and the extent of such a problem. Programs conducting these evaluations shall be licensed by the Department of Human Services. However, if the individual is not a resident of Illinois, the court may, in its discretion, accept an evaluation from a program in the state of such individual's residence. The court shall make a specific finding about whether the defendant is eligible for participation in a Department impact incarceration program as provided in Section 5-8-1.1 or 5-8-1.3, and if not, provide an explanation as to why a sentence to impact incarceration is not an appropriate sentence. The court may in its sentencing order recommend a defendant for placement in a Department of Corrections substance abuse treatment program as provided in paragraph (a) of subsection (1) of Section 3-2-2 conditioned upon the defendant being accepted in a program by the Department of Corrections. At the hearing the court shall:

(1) consider the evidence, if any, received upon the trial;

(2) consider any presentence reports;

(3) consider the financial impact of incarceration based on the financial impact statement filed with the clerk of the court by the Department of Corrections;

(4) consider evidence and information offered by the parties in aggravation and mitigation;

(4.5) consider substance abuse treatment, eligibility screening, and an assessment, if any, of the defendant by an agent designated by the State of Illinois to provide assessment services for the Illinois courts;

(5) hear arguments as to sentencing alternatives;

(6) afford the defendant the opportunity to make a statement in his own behalf;

(7) afford the victim of a violent crime or a violation of Section 11-501 of the Illinois Vehicle Code, or a similar provision of a local ordinance, the opportunity to present an oral or written statement, as guaranteed by Article I, Section 8.1 of the Illinois Constitution and provided in Section 6 of the Rights of Crime Victims and Witnesses Act. The court shall allow a victim to make an oral statement if the victim is present in the courtroom and requests to make an oral or written statement. An oral or written statement includes the victim or a representative of the victim reading the written statement. The court may allow persons impacted by the crime who are not victims under subsection (a) of Section 3 of the Rights of Crime Victims and Witnesses Act to present an oral or written statement. A victim and any person making an oral statement shall not be put under oath or subject to cross-examination. All statements

offered under this paragraph (7) shall become part of the record of the court. In this paragraph (7), "victim of a violent crime" means a person who is a victim of a violent crime for which the defendant has been convicted after a bench or jury trial or a person who is the victim of a violent crime with which the defendant was charged and the defendant has been convicted under a plea agreement of a crime that is not a violent crime as defined in subsection (c) of 3 of the Rights of Crime Victims and Witnesses Act;

(7.5) afford a qualified person affected by: (i) a violation of Section 405, 405.1, 405.2, or 407 of the Illinois Controlled Substances Act or a violation of Section 55 or Section 65 of the Methamphetamine Control and Community Protection Act; or (ii) a Class 4 felony violation of Section 11-14, 11-14.3 except as described in subdivisions (a)(2)(A) and (a)(2)(B), 11-15, 11-17, 11-18, 11-18.1, or 11-19 of the Criminal Code of 1961 or the Criminal Code of 2012, committed by the defendant the opportunity to make a statement concerning the impact on the qualified person and to offer evidence in aggravation or mitigation; provided that the statement and evidence offered in aggravation or mitigation shall first be prepared in writing in conjunction with the State's Attorney before it may be presented orally at the hearing. Sworn testimony offered by the qualified person is subject to the defendant's right to cross-examine. All statements

and evidence offered under this paragraph (7.5) shall become part of the record of the court. In this paragraph (7.5), "qualified person" means any person who: (i) lived or worked within the territorial jurisdiction where the offense took place when the offense took place; or (ii) is familiar with various public places within the territorial jurisdiction where the offense took place when the offense took place. "Qualified person" includes any peace officer or any member of any duly organized State, county, or municipal peace officer unit assigned to the territorial jurisdiction where the offense took place when the offense took place;

(8) in cases of reckless homicide afford the victim's spouse, guardians, parents or other immediate family members an opportunity to make oral statements;

(9) in cases involving a felony sex offense as defined under the Sex Offender Management Board Act, consider the results of the sex offender evaluation conducted pursuant to Section 5-3-2 of this Act; and

(10) make a finding of whether a motor vehicle was used in the commission of the offense for which the defendant is being sentenced.

(b) All sentences shall be imposed by the judge based upon his independent assessment of the elements specified above and any agreement as to sentence reached by the parties. The judge who presided at the trial or the judge who accepted the plea of

guilty shall impose the sentence unless he is no longer sitting as a judge in that court. Where the judge does not impose sentence at the same time on all defendants who are convicted as a result of being involved in the same offense, the defendant or the State's Attorney may advise the sentencing court of the disposition of any other defendants who have been sentenced.

(b-1) In imposing a sentence of imprisonment or periodic imprisonment for a Class 3 or Class 4 felony for which a sentence of probation or conditional discharge is an available sentence, if the defendant has no prior sentence of probation or conditional discharge and no prior conviction for a violent crime, the defendant shall not be sentenced to imprisonment before review and consideration of a presentence report and determination and explanation of why the particular evidence, information, factor in aggravation, factual finding, or other reasons support a sentencing determination that one or more of the factors under subsection (a) of Section 5-6-1 of this Code apply and that probation or conditional discharge is not an appropriate sentence.

(c) In imposing a sentence for a violent crime or for an offense of operating or being in physical control of a vehicle while under the influence of alcohol, any other drug or any combination thereof, or a similar provision of a local ordinance, when such offense resulted in the personal injury to someone other than the defendant, the trial judge shall

specify on the record the particular evidence, information, factors in mitigation and aggravation or other reasons that led to his sentencing determination. The full verbatim record of the sentencing hearing shall be filed with the clerk of the court and shall be a public record.

(c-1) In imposing a sentence for the offense of aggravated kidnapping for ransom, home invasion, armed robbery, aggravated vehicular hijacking, aggravated discharge of a firearm, or armed violence with a category I weapon or category II weapon, the trial judge shall make a finding as to whether the conduct leading to conviction for the offense resulted in great bodily harm to a victim, and shall enter that finding and the basis for that finding in the record.

(c-1.5) (Blank). ~~Notwithstanding any other provision of law to the contrary, in imposing a sentence for an offense that requires a mandatory minimum sentence of imprisonment, the court may instead sentence the offender to probation, conditional discharge, or a lesser term of imprisonment it deems appropriate if: (1) the offense involves the use or possession of drugs, retail theft, or driving on a revoked license due to unpaid financial obligations; (2) the court finds that the defendant does not pose a risk to public safety; and (3) the interest of justice requires imposing a term of probation, conditional discharge, or a lesser term of imprisonment. The court must state on the record its reasons for imposing probation, conditional discharge, or a lesser~~

~~term of imprisonment.~~

(c-2) If the defendant is sentenced to prison, other than when a sentence of natural life imprisonment is imposed, at the time the sentence is imposed the judge shall state on the record in open court the approximate period of time the defendant will serve in custody according to the then current statutory rules and regulations for sentence credit found in Section 3-6-3 and other related provisions of this Code. This statement is intended solely to inform the public, has no legal effect on the defendant's actual release, and may not be relied on by the defendant on appeal.

The judge's statement, to be given after pronouncing the sentence, other than when the sentence is imposed for one of the offenses enumerated in paragraph (a)(4) of Section 3-6-3, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, assuming the defendant receives all of his or her sentence credit, the period of estimated actual custody is ... years and ... months, less up to 180 days additional earned sentence credit. If the defendant, because of his or her own misconduct or failure to comply with the institutional

regulations, does not receive those credits, the actual time served in prison will be longer. The defendant may also receive an additional one-half day sentence credit for each day of participation in vocational, industry, substance abuse, and educational programs as provided for by Illinois statute."

When the sentence is imposed for one of the offenses enumerated in paragraph (a)(2) of Section 3-6-3, other than first degree murder, and the offense was committed on or after June 19, 1998, and when the sentence is imposed for reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 if the offense was committed on or after January 1, 1999, and when the sentence is imposed for aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, and when the sentence is imposed for aggravated arson if the offense was committed on or after July 27, 2001 (the effective date of Public Act 92-176), and when the sentence is imposed for aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (C) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code committed on or after January 1, 2011 (the effective date of Public Act 96-1230), the judge's statement, to be given after

pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, the defendant is entitled to no more than 4 1/2 days of sentence credit for each month of his or her sentence of imprisonment. Therefore, this defendant will serve at least 85% of his or her sentence. Assuming the defendant receives 4 1/2 days credit for each month of his or her sentence, the period of estimated actual custody is ... years and ... months. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations receives lesser credit, the actual time served in prison will be longer."

When a sentence of imprisonment is imposed for first degree murder and the offense was committed on or after June 19, 1998, the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of

Corrections and the Illinois Prisoner Review Board. In this case, the defendant is not entitled to sentence credit. Therefore, this defendant will serve 100% of his or her sentence."

When the sentencing order recommends placement in a substance abuse program for any offense that results in incarceration in a Department of Corrections facility and the crime was committed on or after September 1, 2003 (the effective date of Public Act 93-354), the judge's statement, in addition to any other judge's statement required under this Section, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, the defendant shall receive no earned sentence credit under clause (3) of subsection (a) of Section 3-6-3 until he or she participates in and completes a substance abuse treatment program or receives a waiver from the Director of Corrections pursuant to clause (4.5) of subsection (a) of Section 3-6-3."

(c-4) Before the sentencing hearing and as part of the presentence investigation under Section 5-3-1, the court shall inquire of the defendant whether the defendant is currently

serving in or is a veteran of the Armed Forces of the United States. If the defendant is currently serving in the Armed Forces of the United States or is a veteran of the Armed Forces of the United States and has been diagnosed as having a mental illness by a qualified psychiatrist or clinical psychologist or physician, the court may:

(1) order that the officer preparing the presentence report consult with the United States Department of Veterans Affairs, Illinois Department of Veterans' Affairs, or another agency or person with suitable knowledge or experience for the purpose of providing the court with information regarding treatment options available to the defendant, including federal, State, and local programming; and

(2) consider the treatment recommendations of any diagnosing or treating mental health professionals together with the treatment options available to the defendant in imposing sentence.

For the purposes of this subsection (c-4), "qualified psychiatrist" means a reputable physician licensed in Illinois to practice medicine in all its branches, who has specialized in the diagnosis and treatment of mental and nervous disorders for a period of not less than 5 years.

(c-6) In imposing a sentence, the trial judge shall specify, on the record, the particular evidence and other reasons which led to his or her determination that a motor

vehicle was used in the commission of the offense.

(c-7) (Blank). ~~In imposing a sentence for a Class 3 or 4 felony, other than a violent crime as defined in Section 3 of the Rights of Crime Victims and Witnesses Act, the court shall determine and indicate in the sentencing order whether the defendant has 4 or more or fewer than 4 months remaining on his or her sentence accounting for time served.~~

(d) When the defendant is committed to the Department of Corrections, the State's Attorney shall and counsel for the defendant may file a statement with the clerk of the court to be transmitted to the department, agency or institution to which the defendant is committed to furnish such department, agency or institution with the facts and circumstances of the offense for which the person was committed together with all other factual information accessible to them in regard to the person prior to his commitment relative to his habits, associates, disposition and reputation and any other facts and circumstances which may aid such department, agency or institution during its custody of such person. The clerk shall within 10 days after receiving any such statements transmit a copy to such department, agency or institution and a copy to the other party, provided, however, that this shall not be cause for delay in conveying the person to the department, agency or institution to which he has been committed.

(e) The clerk of the court shall transmit to the department, agency or institution, if any, to which the

defendant is committed, the following:

(1) the sentence imposed;

(2) any statement by the court of the basis for imposing the sentence;

(3) any presentence reports;

(3.3) the person's last known complete street address prior to incarceration or legal residence, the person's race, whether the person is of Hispanic or Latino origin, and whether the person is 18 years of age or older;

(3.5) any sex offender evaluations;

(3.6) any substance abuse treatment eligibility screening and assessment of the defendant by an agent designated by the State of Illinois to provide assessment services for the Illinois courts;

(4) the number of days, if any, which the defendant has been in custody and for which he is entitled to credit against the sentence, which information shall be provided to the clerk by the sheriff;

(4.1) any finding of great bodily harm made by the court with respect to an offense enumerated in subsection (c-1);

(5) all statements filed under subsection (d) of this Section;

(6) any medical or mental health records or summaries of the defendant;

(7) the municipality where the arrest of the offender

or the commission of the offense has occurred, where such municipality has a population of more than 25,000 persons;

(8) all statements made and evidence offered under paragraph (7) of subsection (a) of this Section; and

(9) all additional matters which the court directs the clerk to transmit.

(f) In cases in which the court finds that a motor vehicle was used in the commission of the offense for which the defendant is being sentenced, the clerk of the court shall, within 5 days thereafter, forward a report of such conviction to the Secretary of State.

Sec. 5-4.5-95. GENERAL RECIDIVISM PROVISIONS.

(a) HABITUAL CRIMINALS.

(1) Every person who has been twice convicted in any state or federal court of an offense that contains the same elements as an offense now (the date of the offense committed after the 2 prior convictions) classified in Illinois as a Class X felony, criminal sexual assault, aggravated kidnapping, or first degree murder, and who is thereafter convicted of a Class X felony, criminal sexual assault, or first degree murder, committed after the 2 prior convictions, shall be adjudged an habitual criminal.

(2) The 2 prior convictions need not have been for the same offense.

(3) Any convictions that result from or are connected with the same transaction, or result from offenses committed at the same time, shall be counted for the purposes of this Section as one conviction.

(4) This Section does not apply unless each of the following requirements are satisfied:

(A) The third offense was committed after July 3, 1980.

(B) The third offense was committed within 20 years of the date that judgment was entered on the first conviction; provided, however, that time spent in custody shall not be counted.

(C) The third offense was committed after conviction on the second offense.

(D) The second offense was committed after conviction on the first offense.

(E) (Blank). ~~The first offense was committed when the person was 21 years of age or older.~~

(5) Anyone who, having attained the age of 18 at the time of the third offense, is adjudged an habitual criminal shall be sentenced to a term of natural life imprisonment.

(6) A prior conviction shall not be alleged in the indictment, and no evidence or other disclosure of that

conviction shall be presented to the court or the jury during the trial of an offense set forth in this Section unless otherwise permitted by the issues properly raised in that trial. After a plea or verdict or finding of guilty and before sentence is imposed, the prosecutor may file with the court a verified written statement signed by the State's Attorney concerning any former conviction of an offense set forth in this Section rendered against the defendant. The court shall then cause the defendant to be brought before it; shall inform the defendant of the allegations of the statement so filed, and of his or her right to a hearing before the court on the issue of that former conviction and of his or her right to counsel at that hearing; and unless the defendant admits such conviction, shall hear and determine the issue, and shall make a written finding thereon. If a sentence has previously been imposed, the court may vacate that sentence and impose a new sentence in accordance with this Section.

(7) A duly authenticated copy of the record of any alleged former conviction of an offense set forth in this Section shall be prima facie evidence of that former conviction; and a duly authenticated copy of the record of the defendant's final release or discharge from probation granted, or from sentence and parole supervision (if any) imposed pursuant to that former conviction, shall be prima

facie evidence of that release or discharge.

(8) Any claim that a previous conviction offered by the prosecution is not a former conviction of an offense set forth in this Section because of the existence of any exceptions described in this Section, is waived unless duly raised at the hearing on that conviction, or unless the prosecution's proof shows the existence of the exceptions described in this Section.

(9) If the person so convicted shows to the satisfaction of the court before whom that conviction was had that he or she was released from imprisonment, upon either of the sentences upon a pardon granted for the reason that he or she was innocent, that conviction and sentence shall not be considered under this Section.

(b) When a defendant, over the age of 21 years, is convicted of a Class 1 or Class 2 ~~forcible~~ felony, except for an offense listed in subsection (c-5) of this Section, after having twice been convicted in any state or federal court of an offense that contains the same elements as an offense now (the date the Class 1 or Class 2 ~~forcible~~ felony was committed) classified in Illinois as a Class 2 or greater Class ~~forcible~~ felony, except for an offense listed in subsection (c-5) of this Section, and those charges are separately brought and tried and arise out of different series of acts, that defendant shall be sentenced as a Class X offender. This subsection does not apply unless:

(1) the first ~~forcible~~ felony was committed after February 1, 1978 (the effective date of Public Act 80-1099);

(2) the second ~~forcible~~ felony was committed after conviction on the first;

(3) the third ~~forcible~~ felony was committed after conviction on the second; and

(4) (blank). ~~the first offense was committed when the person was 21 years of age or older.~~

(c) (Blank).

(c-5) Subsection (b) of this Section does not apply to Class 1 or Class 2 felony convictions for a violation of Section 16-1 of the Criminal Code of 2012.

A person sentenced as a Class X offender under this subsection (b) is not eligible to apply for treatment as a condition of probation as provided by Section 40-10 of the Substance Use Disorder Act (20 ILCS 301/40-10).

(a) COMMENCEMENT. A sentence of imprisonment shall commence on the date on which the offender is received by the Department or the institution at which the sentence is to be served.

(b) CREDIT; TIME IN CUSTODY; SAME CHARGE. Except as set forth in subsection (e), the offender shall be given credit on the determinate sentence or maximum term and the minimum period of imprisonment for the number of days spent in custody as a result of the offense for which the sentence was imposed. The Department shall calculate the credit at the rate specified in Section 3-6-3 ~~(730 ILCS 5/3-6-3)~~. Except when prohibited by subsection (d-5), the ~~The~~ trial court shall give credit to the defendant for time spent in home detention on the same sentencing terms as incarceration as provided in Section 5-8A-3 ~~(730 ILCS 5/5-8A-3)~~. ~~Home detention for purposes of credit includes restrictions on liberty such as curfews restricting movement for 12 hours or more per day and electronic monitoring that restricts travel or movement. Electronic monitoring is not required for home detention to be considered custodial for purposes of sentencing credit.~~ The trial court may give credit to the defendant for the number of days spent confined for psychiatric or substance abuse treatment prior to judgment, if the court finds that the detention or confinement was custodial.

(c) CREDIT; TIME IN CUSTODY; FORMER CHARGE. An offender arrested on one charge and prosecuted on another charge for conduct that occurred prior to his or her arrest shall be given credit on the determinate sentence or maximum term and the minimum term of imprisonment for time spent in custody under the former charge not credited against another sentence.

(c-5) CREDIT; PROGRAMMING. The trial court shall give the defendant credit for successfully completing county programming while in custody prior to imposition of sentence at the rate specified in Section 3-6-3 ~~(730 ILCS 5/3-6-3)~~. For the purposes of this subsection, "custody" includes time spent in home detention.

(d) (Blank).

(d-5) NO CREDIT; SOME HOME DETENTION. An offender sentenced to a term of imprisonment for an offense listed in paragraph (2) of subsection (c) of Section 5-5-3 or in paragraph (3) of subsection (c-1) of Section 11-501 of the Illinois Vehicle Code shall not receive credit for time spent in home detention prior to judgment.

(e) NO CREDIT; REVOCATION OF PAROLE, MANDATORY SUPERVISED RELEASE, OR PROBATION. An offender charged with the commission of an offense committed while on parole, mandatory supervised release, or probation shall not be given credit for time spent in custody under subsection (b) for that offense for any time spent in custody as a result of a revocation of parole, mandatory supervised release, or probation where such revocation is based on a sentence imposed for a previous conviction, regardless of the facts upon which the revocation of parole, mandatory supervised release, or probation is based, unless both the State and the defendant agree that the time served for a violation of mandatory supervised release, parole, or probation shall be credited towards the sentence

for the current offense.

imprisonment.

(a) Concurrent terms; multiple or additional sentences. When an Illinois court (i) imposes multiple sentences of imprisonment on a defendant at the same time or (ii) imposes a sentence of imprisonment on a defendant who is already subject to a sentence of imprisonment imposed by an Illinois court, a court of another state, or a federal court, then the sentences shall run concurrently unless otherwise determined by the Illinois court under this Section.

~~(4) If a person commits a battery against a county correctional officer or sheriff's employee while serving a sentence or in pretrial detention in a county jail facility, then the sentence imposed upon conviction of the battery may be served consecutively with the sentence imposed upon conviction of the earlier misdemeanor or felony, regardless of the order in which the judgments of conviction are entered.~~

~~(5) If a person admitted to pretrial release following conviction of a felony commits a separate felony while released pretrial or if a person detained in a county jail facility or county detention facility following conviction of a felony commits a separate felony while in detention, then any sentence following conviction of the separate~~

(b) Illinois courts may enforce civil no contact orders through both criminal proceedings and civil contempt proceedings, unless the action which is second in time is barred by collateral estoppel or the constitutional prohibition against double jeopardy.

(b-1) The court shall not hold a school district or private or non-public school or any of its employees in civil or criminal contempt unless the school district or private or

non-public school has been allowed to intervene.

(b-2) The court may hold the parents, guardian, or legal custodian of a minor respondent in civil or criminal contempt for a violation of any provision of any order entered under this Act for conduct of the minor respondent in violation of this Act if the parents, guardian, or legal custodian directed, encouraged, or assisted the respondent minor in such conduct.

(c) Criminal prosecution. A violation of any civil no contact order, whether issued in a civil or criminal proceeding or by a military judge, shall be enforced by a criminal court when the respondent commits the crime of violation of a civil no contact order pursuant to Section 219 by having knowingly violated:

(1) remedies described in Section 213 and included in a civil no contact order; or

(2) a provision of an order, which is substantially similar to provisions of Section 213, in a valid civil no contact order which is authorized under the laws of another state, tribe, or United States territory.

(d) Contempt of court. A violation of any valid Illinois civil no contact order, whether issued in a civil or criminal

proceeding, may be enforced through civil or criminal contempt procedures, as appropriate, by any court with jurisdiction, regardless of where the act or acts which violated the civil no contact order were committed, to the extent consistent with the venue provisions of this Act.

(1) In a contempt proceeding where the petition for a rule to show cause or petition for adjudication of criminal contempt sets forth facts evidencing an immediate danger that the respondent will flee the jurisdiction or inflict physical abuse on the petitioner or minor children or on dependent adults in the petitioner's care, the court may order the attachment of the respondent without prior service of the petition for a rule to show cause, the rule to show cause, the petition for adjudication of criminal contempt or the adjudication of criminal contempt. Bond ~~Conditions of release~~ shall be set unless specifically denied in writing.

(2) A petition for a rule to show cause or a petition for adjudication of criminal contempt for violation of a civil no contact order shall be treated as an expedited proceeding.

(1) by service, delivery, or notice under Section 208;

(2) by notice under Section 218;

(3) by service of a civil no contact order under Section 218; or

(4) by other means demonstrating actual knowledge of the contents of the order.

(f) The enforcement of a civil no contact order in civil or criminal court shall not be affected by either of the following:

(1) the existence of a separate, correlative order, entered under Section 202; or

(2) any finding or order entered in a conjoined criminal proceeding.

(g) Circumstances. The court, when determining whether or not a violation of a civil no contact order has occurred, shall not require physical manifestations of abuse on the person of the victim.

(h) Penalties.

(1) Except as provided in paragraph (3) of this subsection, where the court finds the commission of a crime or contempt of court under subsection (a) or (b) of this Section, the penalty shall be the penalty that generally applies in such criminal or contempt proceedings, and may include one or more of the following: incarceration, payment of restitution, a fine, payment of attorneys' fees and costs, or community service.

(2) The court shall hear and take into account

evidence of any factors in aggravation or mitigation before deciding an appropriate penalty under paragraph (1) of this subsection.

(3) To the extent permitted by law, the court is encouraged to:

(i) increase the penalty for the knowing violation of any civil no contact order over any penalty previously imposed by any court for respondent's violation of any civil no contact order or penal statute involving petitioner as victim and respondent as defendant;

(ii) impose a minimum penalty of 24 hours imprisonment for respondent's first violation of any civil no contact order; and

(iii) impose a minimum penalty of 48 hours imprisonment for respondent's second or subsequent violation of a civil no contact order unless the court explicitly finds that an increased penalty or that period of imprisonment would be manifestly unjust.

(4) In addition to any other penalties imposed for a violation of a civil no contact order, a criminal court may consider evidence of any previous violations of a civil no contact order:

(i) to increase, revoke or modify the bail bond ~~conditions of pretrial release~~ on an underlying criminal charge pursuant to Section 110-6 of the Code

of Criminal Procedure of 1963;

Section 360. The Unemployment Insurance Act is amended by changing Section 602 as follows:

(820 ILCS 405/602) (from Ch. 48, par. 432)

Sec. 602. Discharge for misconduct - Felony.

A. An individual shall be ineligible for benefits for the week in which he has been discharged for misconduct connected with his work and, thereafter, until he has become reemployed and has had earnings equal to or in excess of his current weekly benefit amount in each of four calendar weeks which are either for services in employment, or have been or will be reported pursuant to the provisions of the Federal Insurance Contributions Act by each employing unit for which such services are performed and which submits a statement

certifying to that fact. The requalification requirements of the preceding sentence shall be deemed to have been satisfied, as of the date of reinstatement, if, subsequent to his discharge by an employing unit for misconduct connected with his work, such individual is reinstated by such employing unit. For purposes of this subsection, the term "misconduct" means the deliberate and willful violation of a reasonable rule or policy of the employing unit, governing the individual's behavior in performance of his work, provided such violation has harmed the employing unit or other employees or has been repeated by the individual despite a warning or other explicit instruction from the employing unit. The previous definition notwithstanding, "misconduct" shall include any of the following work-related circumstances:

1. Falsification of an employment application, or any other documentation provided to the employer, to obtain employment through subterfuge.

2. Failure to maintain licenses, registrations, and certifications reasonably required by the employer, or those that the individual is required to possess by law, to perform his or her regular job duties, unless the failure is not within the control of the individual.

3. Knowing, repeated violation of the attendance policies of the employer that are in compliance with State and federal law following a written warning for an attendance violation, unless the individual can

demonstrate that he or she has made a reasonable effort to remedy the reason or reasons for the violations or that the reason or reasons for the violations were out of the individual's control. Attendance policies of the employer shall be reasonable and provided to the individual in writing, electronically, or via posting in the workplace.

4. Damaging the employer's property through conduct that is grossly negligent.

5. Refusal to obey an employer's reasonable and lawful instruction, unless the refusal is due to the lack of ability, skills, or training for the individual required to obey the instruction or the instruction would result in an unsafe act.

6. Consuming alcohol or illegal or non-prescribed prescription drugs, or using an impairing substance in an off-label manner, on the employer's premises during working hours in violation of the employer's policies.

7. Reporting to work under the influence of alcohol, illegal or non-prescribed prescription drugs, or an impairing substance used in an off-label manner in violation of the employer's policies, unless the individual is compelled to report to work by the employer outside of scheduled and on-call working hours and informs the employer that he or she is under the influence of alcohol, illegal or non-prescribed prescription drugs, or an impairing substance used in an off-label manner in

violation of the employer's policies.

8. Grossly negligent conduct endangering the safety of the individual or co-workers.

For purposes of paragraphs 4 and 8, conduct is "grossly negligent" when the individual is, or reasonably should be, aware of a substantial risk that the conduct will result in the harm sought to be prevented and the conduct constitutes a substantial deviation from the standard of care a reasonable person would exercise in the situation.

Nothing in paragraph 6 or 7 prohibits the lawful use of over-the-counter drug products as defined in Section 206 of the Illinois Controlled Substances Act, provided that the medication does not affect the safe performance of the employee's work duties.

B. Notwithstanding any other provision of this Act, no benefit rights shall accrue to any individual based upon wages from any employer for service rendered prior to the day upon which such individual was discharged because of the commission of a felony in connection with his work, or because of theft in connection with his work, for which the employer was in no way responsible; provided, that the employer notified the Director of such possible ineligibility within the time limits specified by regulations of the Director, and that the individual has admitted his commission of the felony or theft to a representative of the Director, or has signed a written admission of such act and such written admission has been

presented to a representative of the Director, or such act has resulted in a conviction or order of supervision by a court of competent jurisdiction; and provided further, that if by reason of such act, he is in legal custody, held on bail ~~pretrial release~~ or is a fugitive from justice, the determination of his benefit rights shall be held in abeyance pending the result of any legal proceedings arising therefrom.

The public body shall make the remaining information available for inspection and copying. Subject to this requirement, the following shall be exempt from inspection and copying:

(v) disclose unique or specialized investigative techniques other than those generally used and known or disclose internal documents of correctional agencies related to detection, observation, or investigation of incidents of crime or misconduct, and disclosure would result in demonstrable harm to the agency or public body that is the recipient of the request;

(vi) endanger the life or physical safety of law enforcement personnel or any other person; or

(vii) obstruct an ongoing criminal investigation by the agency that is the recipient of the request.

(d-5) A law enforcement record created for law enforcement purposes and contained in a shared electronic record management system if the law enforcement agency that is the recipient of the request did not create the record, did not participate in or have a role in any of the events which are the subject of the record, and only has access to the record through the shared electronic record

management system.

(d-6) (Blank). ~~Records contained in the Officer Professional Conduct Database under Section 9.2 of the Illinois Police Training Act, except to the extent authorized under that Section. (e-10) Law enforcement records of other persons requested by a person committed to the Department of Corrections, Department of Human Services Division of Mental Health, or a county jail, including, but not limited to, arrest and booking records, mug shots, and

crime scene photographs, except as these records may be relevant to the requester's current or potential case or claim.

(f) Preliminary drafts, notes, recommendations, memoranda, and other records in which opinions are expressed, or policies or actions are formulated, except that a specific record or relevant portion of a record shall not be exempt when the record is publicly cited and identified by the head of the public body. The exemption provided in this paragraph (f) extends to all those records of officers and agencies of the General Assembly that pertain to the preparation of legislative documents.

(g) Trade secrets and commercial or financial information obtained from a person or business where the trade secrets or commercial or financial information are furnished under a claim that they are proprietary, privileged, or confidential, and that disclosure of the trade secrets or commercial or financial information would cause competitive harm to the person or business, and only insofar as the claim directly applies to the records requested.

The information included under this exemption includes all trade secrets and commercial or financial information obtained by a public body, including a public pension fund, from a private equity fund or a privately held company within the investment portfolio of a private

The exemption contained in this item does not apply to the aggregate financial performance information of a private equity fund, nor to the identity of the fund's managers or general partners. The exemption contained in this item does not apply to the identity of a privately held company within the investment portfolio of a private equity fund, unless the disclosure of the identity of a privately held company may cause competitive harm.

Nothing contained in this paragraph (g) shall be construed to prevent a person or business from consenting to disclosure.

(h) Proposals and bids for any contract, grant, or agreement, including information which if it were disclosed would frustrate procurement or give an advantage to any person proposing to enter into a contractor agreement with the body, until an award or final selection is made. Information prepared by or for the body in preparation of a bid solicitation shall be exempt until an award or final selection is made.

(i) Valuable formulae, computer geographic systems, designs, drawings, and research data obtained or produced by any public body when disclosure could reasonably be expected to produce private gain or public loss. The exemption for "computer geographic systems" provided in

this paragraph (i) does not extend to requests made by news media as defined in Section 2 of this Act when the requested information is not otherwise exempt and the only purpose of the request is to access and disseminate information regarding the health, safety, welfare, or legal rights of the general public.

(j) The following information pertaining to educational matters:

(ii) information received by a primary or secondary school, college, or university under its procedures for the evaluation of faculty members by their academic peers;

(iv) course materials or research materials used by faculty members.

(k) Architects' plans, engineers' technical submissions, and other construction related technical documents for projects not constructed or developed in whole or in part with public funds and the same for projects constructed or developed with public funds,

including, but not limited to, power generating and distribution stations and other transmission and distribution facilities, water treatment facilities, airport facilities, sport stadiums, convention centers, and all government owned, operated, or occupied buildings, but only to the extent that disclosure would compromise security.

(l) Minutes of meetings of public bodies closed to the public as provided in the Open Meetings Act until the public body makes the minutes available to the public under Section 2.06 of the Open Meetings Act.

(m) Communications between a public body and an attorney or auditor representing the public body that would not be subject to discovery in litigation, and materials prepared or compiled by or for a public body in anticipation of a criminal, civil, or administrative proceeding upon the request of an attorney advising the public body, and materials prepared or compiled with respect to internal audits of public bodies.

(n) Records relating to a public body's adjudication of employee grievances or disciplinary cases; however, this exemption shall not extend to the final outcome of cases in which discipline is imposed.

(o) Administrative or technical information associated with automated data processing operations, including, but not limited to, software, operating protocols, computer

program abstracts, file layouts, source listings, object modules, load modules, user guides, documentation pertaining to all logical and physical design of computerized systems, employee manuals, and any other information that, if disclosed, would jeopardize the security of the system or its data or the security of materials exempt under this Section.

(p) Records relating to collective negotiating matters between public bodies and their employees or representatives, except that any final contract or agreement shall be subject to inspection and copying.

(q) Test questions, scoring keys, and other examination data used to determine the qualifications of an applicant for a license or employment.

Any full-time or part-time police officer who knowingly makes, submits, causes to be submitted, or files a false or untruthful report to the Board must have his or her certificate or waiver immediately decertified or revoked.

(d) Any person, or a local or State agency, or the Board is immune from liability for submitting, disclosing, or releasing information of arrests, convictions, or pleas of guilty in

this Section as long as the information is submitted, disclosed, or released in good faith and without malice. The Board has qualified immunity for the release of the information.

(e) Any full-time or part-time police officer with a certificate or waiver issued by the Board who is convicted of, or entered a plea of guilty to, any offense described in this Section immediately becomes decertified or no longer has a valid waiver. The decertification and invalidity of waivers occurs as a matter of law. Failure of a convicted person to report to the Board his or her conviction as described in this Section or any continued law enforcement practice after receiving a conviction is a Class 4 felony.

(f) The Board's investigators are peace officers and have all the powers possessed by policemen in cities and by sheriffs, and these investigators may exercise those powers anywhere in the State. An investigator shall not have peace officer status or exercise police powers unless he or she successfully completes the basic police training course mandated and approved by the Board or the Board waives the training requirement by reason of the investigator's prior law enforcement experience, training, or both. The Board shall not waive the training requirement unless the investigator has had a minimum of 5 years experience as a sworn officer of a local, State, or federal law enforcement agency.

(g) The Board must request and receive information and

assistance from any federal, state, or local governmental agency as part of the authorized criminal background investigation. The Illinois State Police must process, retain, and additionally provide and disseminate information to the Board concerning criminal charges, arrests, convictions, and their disposition, that have been filed against a basic academy applicant, law enforcement applicant, or law enforcement officer whose fingerprint identification cards are on file or maintained by the Illinois State Police. The Federal Bureau of Investigation must provide the Board any criminal history record information contained in its files pertaining to law enforcement officers or any applicant to a Board certified basic law enforcement academy as described in this Act based on fingerprint identification. The Board must make payment of fees to the Illinois State Police for each fingerprint card submission in conformance with the requirements of paragraph 22 of Section 55a of the Civil Administrative Code of Illinois.

A police officer who has been certified or granted a valid waiver shall also be decertified or have his or her waiver revoked upon a determination by the Illinois Labor Relations Board State Panel that he or she, while under oath, has knowingly and willfully made false statements as to a material fact going to an element of the offense of murder. If an appeal is filed, the determination shall be stayed.

(1) In the case of an acquittal on a charge of murder,

a verified complaint may be filed:

(A) by the defendant; or

(B) by a police officer with personal knowledge of perjured testimony.

The complaint must allege that a police officer, while under oath, knowingly and willfully made false statements as to a material fact going to an element of the offense of murder. The verified complaint must be filed with the Executive Director of the Illinois Law Enforcement Training Standards Board within 2 years of the judgment of acquittal.

(2) Within 30 days, the Executive Director of the Illinois Law Enforcement Training Standards Board shall review the verified complaint and determine whether the verified complaint is frivolous and without merit, or whether further investigation is warranted. The Illinois Law Enforcement Training Standards Board shall notify the officer and the Executive Director of the Illinois Labor Relations Board State Panel of the filing of the complaint and any action taken thereon. If the Executive Director of the Illinois Law Enforcement Training Standards Board determines that the verified complaint is frivolous and without merit, it shall be dismissed. The Executive Director of the Illinois Law Enforcement Training Standards Board has sole discretion to make this determination and this decision is not subject to appeal.

If the Executive Director of the Illinois Law Enforcement Training Standards Board determines that the verified complaint warrants further investigation, he or she shall refer the matter to a task force of investigators created for this purpose. This task force shall consist of 8 sworn police officers: 2 from the Illinois State Police, 2 from the City of Chicago Police Department, 2 from county police departments, and 2 from municipal police departments. These investigators shall have a minimum of 5 years of experience in conducting criminal investigations. The investigators shall be appointed by the Executive Director of the Illinois Law Enforcement Training Standards Board. Any officer or officers acting in this capacity pursuant to this statutory provision will have statewide police authority while acting in this investigative capacity. Their salaries and expenses for the time spent conducting investigations under this paragraph shall be reimbursed by the Illinois Law Enforcement Training Standards Board.

Once the Executive Director of the Illinois Law Enforcement Training Standards Board has determined that an investigation is warranted, the verified complaint shall be assigned to an investigator or investigators. The investigator or investigators shall conduct an investigation of the verified complaint and shall write a report of his or her findings. This report shall be submitted to the Executive Director of the Illinois Labor Relations Board State Panel.

Within 30 days, the Executive Director of the Illinois Labor Relations Board State Panel shall review the investigative report and determine whether sufficient evidence exists to conduct an evidentiary hearing on the verified complaint. If the Executive Director of the Illinois Labor Relations Board State Panel determines upon his or her review of the investigatory report that a hearing should not be conducted, the complaint shall be dismissed. This decision is in the Executive Director's sole discretion, and this dismissal may not be appealed.

If the Executive Director of the Illinois Labor Relations Board State Panel determines that there is sufficient evidence to warrant a hearing, a hearing shall be ordered on the verified complaint, to be conducted by an administrative law judge employed by the Illinois Labor Relations Board State Panel. The Executive Director of the Illinois Labor Relations Board State Panel shall inform the Executive Director of the Illinois Law Enforcement Training Standards Board and the person who filed the complaint of either the dismissal of the complaint or the issuance of the complaint for hearing. The Executive Director shall assign the complaint to the administrative law judge within 30 days of the decision granting a hearing.

In the case of a finding of guilt on the offense of murder, if a new trial is granted on direct appeal, or a state post-conviction evidentiary hearing is ordered, based on a

claim that a police officer, under oath, knowingly and willfully made false statements as to a material fact going to an element of the offense of murder, the Illinois Labor Relations Board State Panel shall hold a hearing to determine whether the officer should be decertified if an interested party requests such a hearing within 2 years of the court's decision. The complaint shall be assigned to an administrative law judge within 30 days so that a hearing can be scheduled.

At the hearing, the accused officer shall be afforded the opportunity to:

(1) Be represented by counsel of his or her own choosing;

(2) Be heard in his or her own defense;

(3) Produce evidence in his or her defense;

(4) Request that the Illinois Labor Relations Board State Panel compel the attendance of witnesses and production of related documents including but not limited to court documents and records.

Once a case has been set for hearing, the verified complaint shall be referred to the Department of Professional Regulation. That office shall prosecute the verified complaint at the hearing before the administrative law judge. The Department of Professional Regulation shall have the opportunity to produce evidence to support the verified complaint and to request the Illinois Labor Relations Board State Panel to compel the attendance of witnesses and the

production of related documents, including, but not limited to, court documents and records. The Illinois Labor Relations Board State Panel shall have the power to issue subpoenas requiring the attendance of and testimony of witnesses and the production of related documents including, but not limited to, court documents and records and shall have the power to administer oaths.

The administrative law judge shall have the responsibility of receiving into evidence relevant testimony and documents, including court records, to support or disprove the allegations made by the person filing the verified complaint and, at the close of the case, hear arguments. If the administrative law judge finds that there is not clear and convincing evidence to support the verified complaint that the police officer has, while under oath, knowingly and willfully made false statements as to a material fact going to an element of the offense of murder, the administrative law judge shall make a written recommendation of dismissal to the Illinois Labor Relations Board State Panel. If the administrative law judge finds that there is clear and convincing evidence that the police officer has, while under oath, knowingly and willfully made false statements as to a material fact that goes to an element of the offense of murder, the administrative law judge shall make a written recommendation so concluding to the Illinois Labor Relations Board State Panel. The hearings shall be transcribed. The Executive

Director of the Illinois Law Enforcement Training Standards Board shall be informed of the administrative law judge's recommended findings and decision and the Illinois Labor Relations Board State Panel's subsequent review of the recommendation.

An officer named in any complaint filed pursuant to this Act shall be indemnified for his or her reasonable attorney's fees and costs by his or her employer. These fees shall be paid in a regular and timely manner. The State, upon application by the public employer, shall reimburse the public employer for the accused officer's reasonable attorney's fees and costs. At no time and under no circumstances will the accused officer be required to pay his or her own reasonable attorney's fees or costs.

The accused officer shall not be placed on unpaid status because of the filing or processing of the verified complaint until there is a final non-appealable order sustaining his or her guilt and his or her certification is revoked. Nothing in this Act, however, restricts the public employer from pursuing discipline against the officer in the normal course and under procedures then in place.

The Illinois Labor Relations Board State Panel shall review the administrative law judge's recommended decision and order and determine by a majority vote whether or not there was clear and convincing evidence that the accused officer, while under oath, knowingly and willfully made false statements as

to a material fact going to the offense of murder. Within 30 days of service of the administrative law judge's recommended decision and order, the parties may file exceptions to the recommended decision and order and briefs in support of their exceptions with the Illinois Labor Relations Board State Panel. The parties may file responses to the exceptions and briefs in support of the responses no later than 15 days after the service of the exceptions. If exceptions are filed by any of the parties, the Illinois Labor Relations Board State Panel shall review the matter and make a finding to uphold, vacate, or modify the recommended decision and order. If the Illinois Labor Relations Board State Panel concludes that there is clear and convincing evidence that the accused officer, while under oath, knowingly and willfully made false statements as to a material fact going to an element of the offense murder, the Illinois Labor Relations Board State Panel shall inform the Illinois Law Enforcement Training Standards Board and the Illinois Law Enforcement Training Standards Board shall revoke the accused officer's certification. If the accused officer appeals that determination to the Appellate Court, as provided by this Act, he or she may petition the Appellate Court to stay the revocation of his or her certification pending the court's review of the matter.

None of the Illinois Labor Relations Board State Panel's findings or determinations shall set any precedent in any of its decisions decided pursuant to the Illinois Public Labor

Relations Act by the Illinois Labor Relations Board State Panel or the courts.

A party aggrieved by the final order of the Illinois Labor Relations Board State Panel may apply for and obtain judicial review of an order of the Illinois Labor Relations Board State Panel, in accordance with the provisions of the Administrative Review Law, except that such judicial review shall be afforded directly in the Appellate Court for the district in which the accused officer resides. Any direct appeal to the Appellate Court shall be filed within 35 days from the date that a copy of the decision sought to be reviewed was served upon the party affected by the decision.

Interested parties. Only interested parties to the criminal prosecution in which the police officer allegedly, while under oath, knowingly and willfully made false statements as to a material fact going to an element of the offense of murder may file a verified complaint pursuant to this Section. For purposes of this Section, "interested parties" shall be limited to the defendant and any police officer who has personal knowledge that the police officer who is the subject of the complaint has, while under oath, knowingly and willfully made false statements as to a material fact going to an element of the offense of murder.

Semi-annual reports. The Executive Director of the Illinois Labor Relations Board shall submit semi-annual reports to the Governor, President, and Minority Leader of the

Senate, and to the Speaker and Minority Leader of the House of Representatives beginning on June 30, 2004, indicating:

(1) the number of verified complaints received since the date of the last report;

(2) the number of investigations initiated since the date of the last report;

(3) the number of investigations concluded since the date of the last report;

(4) the number of investigations pending as of the reporting date;

(5) the number of hearings held since the date of the last report; and

(6) the number of officers decertified since the date of the last report.

Sec. 8.1. Full-time police ~~law enforcement~~ and county corrections officers.

(a) After January 1, 1976, no person shall receive a permanent appointment as a law enforcement officer as defined in this Act nor shall any person receive, after July 1, 1985 (the effective date of Public Act 83-1389), a permanent

appointment as a county corrections officer unless that person has been awarded, within 6 months of his or her initial full-time employment, a certificate attesting to his or her successful completion of the Minimum Standards Basic Law Enforcement and County Correctional Training Course as prescribed by the Board; or has been awarded a certificate attesting to his or her satisfactory completion of a training program of similar content and number of hours and which course has been found acceptable by the Board under the provisions of this Act; or by reason of extensive prior law enforcement or county corrections experience the basic training requirement is determined by the Board to be illogical and unreasonable.

If such training is required and not completed within the applicable 6 months, then the officer must forfeit his or her position, or the employing agency must obtain a waiver from the Board extending the period for compliance. Such waiver shall be issued only for good and justifiable reasons, and in no case shall extend more than 90 days beyond the initial 6 months. Any hiring agency that fails to train a law enforcement officer within this period shall be prohibited from employing this individual in a law enforcement capacity for one year from the date training was to be completed. If an agency again fails to train the individual a second time, the agency shall be permanently barred from employing this individual in a law enforcement capacity.

(b) No provision of this Section shall be construed to mean that a law enforcement officer employed by a local governmental agency at the time of the effective date of Public Act 83-1389, either as a probationary police officer or as a permanent police officer, shall require certification under the provisions of this Section. No provision of this Section shall be construed to mean that a county corrections officer employed by a local governmental agency at the time of the effective date of Public Act 83-1389, either as a probationary county corrections or as a permanent county corrections officer, shall require certification under the provisions of this Section. No provision of this Section shall be construed to apply to certification of elected county sheriffs.

(c) This Section does not apply to part-time police officers or probationary part-time police officers.

~~(a) No person shall receive a permanent appointment as a law enforcement officer or a permanent appointment as a county corrections officer unless that person has been awarded, within 6 months of the officer's initial full-time employment, a certificate attesting to the officer's successful completion of the Minimum Standards Basic Law Enforcement or County Correctional Training Course as prescribed by the Board; or has been awarded a certificate attesting to the officer's satisfactory completion of a training program of similar content and number of hours and which course has been found~~

~~acceptable by the Board under the provisions of this Act; or a training waiver by reason of prior law enforcement or county corrections experience, obtained in Illinois, in any other state, or with an agency of the federal government, the basic training requirement is determined by the Board to be illogical and unreasonable. Agencies seeking a reciprocity waiver for training completed outside of Illinois must conduct a thorough background check and provide verification of the officer's prior training. After review and satisfaction of all requested conditions, the officer shall be awarded an equivalency certificate satisfying the requirements of this Section. Within 60 days after the effective date of this amendatory Act of the 103rd General Assembly, the Board shall adopt uniform rules providing for a waiver process for a person previously employed and qualified as a law enforcement or county corrections officer under federal law or the laws of any other state, or who has completed a basic law enforcement officer or correctional officer academy who would be qualified to be employed as a law enforcement officer or correctional officer by the federal government or any other state. These rules shall address the process for evaluating prior training credit, a description and list of the courses typically required for reciprocity candidates to complete prior to taking the exam, and a procedure for employers seeking a pre-activation determination for a reciprocity training waiver. The rules shall provide that any eligible person~~

~~previously trained as a law enforcement or county corrections officer under federal law or the laws of any other state shall successfully complete the following prior to the approval of a waiver:~~

~~(1) a training program or set of coursework approved by the Board on the laws of this State relevant to the duties and training requirements of law enforcement and county correctional officers;~~

~~(2) firearms training; and~~

~~(3) successful passage of the equivalency certification examination.~~

~~If such training is required and not completed within the applicable 6 months, then the officer must forfeit the officer's position, or the employing agency must obtain a waiver from the Board extending the period for compliance. Such waiver shall be issued only for good and justifiable reasons, and in no case shall extend more than 90 days beyond the initial 6 months. Any hiring agency that fails to train a law enforcement officer within this period shall be prohibited from employing this individual in a law enforcement capacity for one year from the date training was to be completed. If an agency again fails to train the individual a second time, the agency shall be permanently barred from employing this individual in a law enforcement capacity.~~

~~An individual who is not certified by the Board or whose certified status is inactive shall not function as a law~~

~~enforcement officer, be assigned the duties of a law enforcement officer by an employing agency, or be authorized to carry firearms under the authority of the employer, except as otherwise authorized to carry a firearm under State or federal law. Sheriffs who are elected as of January 1, 2022 (the effective date of Public Act 101-652) are exempt from the requirement of certified status. Failure to be certified in accordance with this Act shall cause the officer to forfeit the officer's position.~~

~~An employing agency may not grant a person status as a law enforcement officer unless the person has been granted an active law enforcement officer certification by the Board.~~

~~(b) Inactive status. A person who has an inactive law enforcement officer certification has no law enforcement authority.~~

~~(1) A law enforcement officer's certification becomes inactive upon termination, resignation, retirement, or separation from the officer's employing law enforcement agency for any reason. The Board shall re-activate a certification upon written application from the law enforcement officer's law enforcement agency that shows the law enforcement officer: (i) has accepted a full-time law enforcement position with that law enforcement agency, (ii) is not the subject of a decertification proceeding, and (iii) meets all other criteria for re-activation required by the Board. The Board may also establish~~

~~special training requirements to be completed as a condition for re-activation.~~

~~The Board shall review a notice for reactivation from a law enforcement agency and provide a response within 30 days. The Board may extend this review. A law enforcement officer shall be allowed to be employed as a full time law enforcement officer while the law enforcement officer reactivation waiver is under review.~~

~~A law enforcement officer who is refused reactivation or an employing agency of a law enforcement officer who is refused reactivation under this Section may request a hearing in accordance with the hearing procedures as outlined in subsection (h) of Section 6.3 of this Act.~~

~~The Board may refuse to re-activate the certification of a law enforcement officer who was involuntarily terminated for good cause by an employing agency for conduct subject to decertification under this Act or resigned or retired after receiving notice of a law enforcement agency's investigation.~~

~~(2) A law enforcement agency may place an officer who is currently certified on inactive status by sending a written request to the Board. A law enforcement officer whose certificate has been placed on inactive status shall not function as a law enforcement officer until the officer has completed any requirements for reactivating the certificate as required by the Board. A request for~~

~~inactive status in this subsection shall be in writing, accompanied by verifying documentation, and shall be submitted to the Board with a copy to the chief administrator of the law enforcement officer's current or new employing agency.~~

~~(3) Certification that has become inactive under paragraph (2) of this subsection (b) shall be reactivated by written notice from the law enforcement officer's agency upon a showing that the law enforcement officer: (i) is employed in a full time law enforcement position with the same law enforcement agency, (ii) is not the subject of a decertification proceeding, and (iii) meets all other criteria for re-activation required by the Board.~~

~~(4) Notwithstanding paragraph (3) of this subsection (b), a law enforcement officer whose certification has become inactive under paragraph (2) may have the officer's employing agency submit a request for a waiver of training requirements to the Board in writing and accompanied by any verifying documentation. A grant of a waiver is within the discretion of the Board. Within 7 days of receiving a request for a waiver under this Section, the Board shall notify the law enforcement officer and the chief administrator of the law enforcement officer's employing agency, whether the request has been granted, denied, or if the Board will take additional time for information. A~~

~~law enforcement agency whose request for a waiver under this subsection is denied is entitled to request a review of the denial by the Board. The law enforcement agency must request a review within 20 days of the waiver being denied. The burden of proof shall be on the law enforcement agency to show why the law enforcement officer is entitled to a waiver of the legislatively required training and eligibility requirements.~~

~~(c) No provision of this Section shall be construed to mean that a county corrections officer employed by a governmental agency at the time of the effective date of this amendatory Act, either as a probationary county corrections officer or as a permanent county corrections officer, shall require certification under the provisions of this Section. No provision of this Section shall be construed to apply to certification of elected county sheriffs.~~

~~(d) Within 14 days, a law enforcement officer shall report to the Board: (1) any name change; (2) any change in employment; or (3) the filing of any criminal indictment or charges against the officer alleging that the officer committed any offense as enumerated in Section 6.1 of this Act.~~

~~(e) All law enforcement officers must report the completion of the training requirements required in this Act in compliance with Section 8.4 of this Act.~~

~~(e-1) Each employing law enforcement agency shall allow~~

~~and provide an opportunity for a law enforcement officer to complete the mandated requirements in this Act. All mandated training shall be provided at no cost to the employees. Employees shall be paid for all time spent attending mandated training.~~

~~(e-2) Each agency, academy, or training provider shall maintain proof of a law enforcement officer's completion of legislatively required training in a format designated by the Board. The report of training shall be submitted to the Board within 30 days following completion of the training. A copy of the report shall be submitted to the law enforcement officer. Upon receipt of a properly completed report of training, the Board will make the appropriate entry into the training records of the law enforcement officer.~~

(f) This Section does not apply to part-time law enforcement officers or probationary part-time law enforcement officers.

~~(g) Notwithstanding any provision of law to the contrary, the changes made to this Section by Public Act 101-652, Public Act 102-28, and Public Act 102-694 take effect July 1, 2022.~~

Sec. 8.2. Part-time law enforcement officers.

(a) A person hired to serve as a part-time police officer

must obtain from the Board a certificate (i) attesting to his or her successful completion of the part-time police training course; (ii) attesting to his or her satisfactory completion of a training program of similar content and number of hours that has been found acceptable by the Board under the provisions of this Act; or (iii) attesting to the Board's determination that the part-time police training course is unnecessary because of the person's extensive prior law enforcement experience. A person hired on or after March 14, 2002 (the effective date of Public Act 92-533) must obtain this certificate within 18 months after the initial date of hire as a probationary part-time police officer in the State of Illinois. The probationary part-time police officer must be enrolled and accepted into a Board-approved course within 6 months after active employment by any department in the State. A person hired on or after January 1, 1996 and before March 14, 2002 (the effective date of Public Act 92-533) must obtain this certificate within 18 months after the date of hire. A person hired before January 1, 1996 must obtain this certificate within 24 months after January 1, 1996 (the effective date of Public Act 89-170).

The employing agency may seek a waiver from the Board extending the period for compliance. A waiver shall be issued only for good and justifiable reasons, and the probationary part-time police officer may not practice as a part-time police officer during the waiver period. If training is

required and not completed within the applicable time period, as extended by any waiver that may be granted, then the officer must forfeit his or her position.

(b) The part-time police training course referred to in this Section shall be of similar content and the same number of hours as the courses for full-time officers and shall be provided by Mobile Team In-Service Training Units under the Intergovernmental Law Enforcement Officer's In-Service Training Act or by another approved program or facility in a manner prescribed by the Board.

(c) For the purposes of this Section, the Board shall adopt rules defining what constitutes employment on a part-time basis.

~~(a) A person hired to serve as a part-time law enforcement officer must obtain from the Board a certificate (i) attesting to the officer's successful completion of the part-time police training course; (ii) attesting to the officer's satisfactory completion of a training program of similar content and number of hours that has been found acceptable by the Board under the provisions of this Act; or (iii) a training waiver attesting to the Board's determination that the part-time police training course is unnecessary because of the person's prior law enforcement experience obtained in Illinois, in any other state, or with an agency of the federal government. A person hired on or after the effective date of this amendatory Act of the 92nd General Assembly must obtain this certificate within~~

~~18 months after the initial date of hire as a probationary part-time law enforcement officer in the State of Illinois. The probationary part-time law enforcement officer must be enrolled and accepted into a Board-approved course within 6 months after active employment by any department in the State. A person hired on or after January 1, 1996 and before the effective date of this amendatory Act of the 92nd General Assembly must obtain this certificate within 18 months after the date of hire. A person hired before January 1, 1996 must obtain this certificate within 24 months after the effective date of this amendatory Act of 1995. Agencies seeking a reciprocity waiver for training completed outside of Illinois must conduct a thorough background check and provide verification of the officer's prior training. After review and satisfaction of all requested conditions, the officer shall be awarded an equivalency certificate satisfying the requirements of this Section. Within 60 days after the effective date of this amendatory Act of the 103rd General Assembly, the Board shall adopt uniform rules providing for a waiver process for a person previously employed and qualified as a law enforcement or county corrections officer under federal law or the laws of any other state, or who has completed a basic law enforcement officer or correctional officer academy who would be qualified to be employed as a law enforcement officer or correctional officer by the federal government or any other state. These rules shall address the process for evaluating prior training~~

~~credit, a description and list of the courses typically required for reciprocity candidates to complete prior to taking the exam, and a procedure for employers seeking a pre-activation determination for a reciprocity training waiver. The rules shall provide that any eligible person previously trained as a law enforcement or county corrections officer under federal law or the laws of any other state shall successfully complete the following prior to the approval of a waiver:~~

~~(1) a training program or set of coursework approved by the Board on the laws of this State relevant to the duties and training requirements of law enforcement and county correctional officers;~~

~~(2) firearms training; and~~

~~(3) successful passage of the equivalency certification examination.~~

~~The employing agency may seek an extension waiver from the Board extending the period for compliance. An extension waiver shall be issued only for good and justifiable reasons, and the probationary part-time law enforcement officer may not practice as a part-time law enforcement officer during the extension waiver period. If training is required and not completed within the applicable time period, as extended by any waiver that may be granted, then the officer must forfeit the officer's position.~~

~~An individual who is not certified by the Board or whose~~

~~certified status is inactive shall not function as a law enforcement officer, be assigned the duties of a law enforcement officer by an agency, or be authorized to carry firearms under the authority of the employer, except that sheriffs who are elected are exempt from the requirement of certified status. Failure to be in accordance with this Act shall cause the officer to forfeit the officer's position.~~

~~(a-5) A part time probationary law enforcement officer shall be allowed to complete six months of a part time police training course and function as a law enforcement officer as permitted by this subsection with a waiver from the Board, provided the part-time law enforcement officer is still enrolled in the training course. If the part-time probationary law enforcement officer withdraws from the course for any reason or does not complete the course within the applicable time period, as extended by any waiver that may be granted, then the officer must forfeit the officer's position. A probationary law enforcement officer must function under the following rules:~~

~~(1) A law enforcement agency may not grant a person status as a law enforcement officer unless the person has been granted an active law enforcement officer certification by the Board.~~

~~(2) A part-time probationary law enforcement officer shall not be used as a permanent replacement for a full time law enforcement.~~

~~(3) A part-time probationary law enforcement officer shall be directly supervised at all times by a Board certified law enforcement officer. Direct supervision requires oversight and control with the supervisor having final decision making authority as to the actions of the recruit during duty hours.~~

~~(b) Inactive status. A person who has an inactive law enforcement officer certification has no law enforcement authority.~~

~~(1) A law enforcement officer's certification becomes inactive upon termination, resignation, retirement, or separation from the employing agency for any reason. The Board shall re-activate a certification upon written application from the law enforcement officer's employing agency that shows the law enforcement officer: (i) has accepted a part time law enforcement position with that a law enforcement agency, (ii) is not the subject of a decertification proceeding, and (iii) meets all other criteria for re activation required by the Board.~~

~~The Board may refuse to re-activate the certification of a law enforcement officer who was involuntarily terminated for good cause by the officer's employing agency for conduct subject to decertification under this Act or resigned or retired after receiving notice of a law enforcement agency's investigation.~~

~~(2) A law enforcement agency may place an officer who~~

~~is currently certified on inactive status by sending a written request to the Board. A law enforcement officer whose certificate has been placed on inactive status shall not function as a law enforcement officer until the officer has completed any requirements for reactivating the certificate as required by the Board. A request for inactive status in this subsection shall be in writing, accompanied by verifying documentation, and shall be submitted to the Board by the law enforcement officer's employing agency.~~

~~(3) Certification that has become inactive under paragraph (2) of this subsection (b), shall be reactivated by written notice from the law enforcement officer's law enforcement agency upon a showing that the law enforcement officer is: (i) employed in a part-time law enforcement position with the same law enforcement agency, (ii) not the subject of a decertification proceeding, and (iii) meets all other criteria for re activation required by the Board. The Board may also establish special training requirements to be completed as a condition for re-activation.~~

~~The Board shall review a notice for reactivation from a law enforcement agency and provide a response within 30 days. The Board may extend this review. A law enforcement officer shall be allowed to be employed as a part-time law enforcement officer while the law enforcement officer~~

~~reactivation waiver is under review.~~

~~A law enforcement officer who is refused reactivation or an employing agency of a law enforcement officer who is refused reactivation under this Section may request a hearing in accordance with the hearing procedures as outlined in subsection (h) of Section 6.3 of this Act.~~

~~(4) Notwithstanding paragraph (3) of this Section, a law enforcement officer whose certification has become inactive under paragraph (2) may have the officer's employing agency submit a request for a waiver of training requirements to the Board in writing and accompanied by any verifying documentation. A grant of a waiver is within the discretion of the Board. Within 7 days of receiving a request for a waiver under this section, the Board shall notify the law enforcement officer and the chief administrator of the law enforcement officer's employing agency, whether the request has been granted, denied, or if the Board will take additional time for information. A law enforcement agency or law enforcement officer, whose request for a waiver under this subsection is denied, is entitled to request a review of the denial by the Board. The law enforcement agency must request a review within 20 days after the waiver being denied. The burden of proof shall be on the law enforcement agency to show why the law enforcement officer is entitled to a waiver of the legislatively required training and eligibility~~

~~requirements.~~

~~(c) The part-time police training course referred to in this Section shall be of similar content and the same number of hours as the courses for full-time officers and shall be provided by Mobile Team In Service Training Units under the Intergovernmental Law Enforcement Officer's In Service Training Act or by another approved program or facility in a manner prescribed by the Board.~~

~~(d) Within 14 days, a law enforcement officer shall report to the Board: (1) any name change; (2) any change in employment; or (3) the filing of any criminal indictment or charges against the officer alleging that the officer committed any offense as enumerated in Section 6.1 of this Act.~~

~~(e) All law enforcement officers must report the completion of the training requirements required in this Act in compliance with Section 8.4 of this Act.~~

~~(e-1) Each employing agency shall allow and provide an opportunity for a law enforcement officer to complete the requirements in this Act. All mandated training shall be provided for at no cost to the employees. Employees shall be paid for all time spent attending mandated training.~~

~~(e-2) Each agency, academy, or training provider shall maintain proof of a law enforcement officer's completion of legislatively required training in a format designated by the Board. The report of training shall be submitted to the Board~~

~~within 30 days following completion of the training. A copy of the report shall be submitted to the law enforcement officer. Upon receipt of a properly completed report of training, the Board will make the appropriate entry into the training records of the law enforcement officer.~~

~~(f) For the purposes of this Section, the Board shall adopt rules defining what constitutes employment on a part time basis.~~

~~(g) Notwithstanding any provision of law to the contrary, the changes made to this Section by this amendatory Act of the 102nd General Assembly and Public Act 101-652 take effect July 1, 2022.~~

(3) a portion of the total amount deposited in the Fund may be used to fund the Intergovernmental Law Enforcement Officer's In-Service Training Act, veto overridden October 29, 1981, as now or hereafter amended, at a rate and method to be determined by the board;
