Introduced 2/7/2025, by Sen. Karina Villa

SYNOPSIS AS INTRODUCED:

See Index

Amends the Behavior Analyst Licensing Act, the Clinical Psychologist Licensing Act, the Clinical Social Work and Social Work Practice Act, the Marriage and Family Therapy Licensing Act, the Medical Practice Act of 1987, the Licensed Certified Professional Midwife Practice Act, the Nurse Practice Act, the Pharmacy Practice Act, the Physician Assistant Practice Act of 1987, the Professional Counselor and Clinical Professional Counselor Licensing and Practice Act, the Wholesale Drug Distribution Licensing Act, the Registered Surgical Assistant and Registered Surgical Technologist Title Protection Act, and the Genetic Counselor Licensing Act. Provides that the Department of Professional and Financial Regulation shall not take any disciplinary or non-disciplinary action against a person's authorization to practice (rather than against the license or permit issued) under each of the amended Acts based solely upon the person's involvement in any health care service, so long as the care was not unlawful under the laws of the State. Prohibits the Department from taking any disciplinary or non-disciplinary action against a person's authorization to practice (rather than against the license or permit issued) under each of the amended Acts based upon the person's license, registration, or permit (rather than only license) being revoked or suspended, or the person being otherwise disciplined by any other state, if that form of discipline was based solely on the person violating another state's laws prohibiting involvement in any health care service if that health care service would not have been unlawful under the laws of the State and is consistent with the applicable standard of conduct for a person practicing in Illinois under those Acts. Changes certain references to official occupation titles in the amended Acts to "person". Amends the Illinois Food, Drug and Cosmetic Act. Provides that a drug's status as not approved by the U.S. Food and Drug Administration shall not cause it to be deemed an adulterated drug if its safety and efficacy have been established by peer-reviewed research or if it is recommended for use by the World Health Organization, even if the drug's labelling reflects prior approval that is no longer in effect, so long as such labelling was true and accurate at the time of manufacture.

8 subject to involuntary admission or judicial admission as
9 provided in the Mental Health and Developmental Disabilities
10 Code shall result in an automatic suspension of the licensee's
11 license. The suspension shall end upon a finding by a court
12 that the licensee is no longer subject to involuntary
13 admission or judicial admission and issues an order so finding
14 and discharging the patient, and upon the recommendation of
15 the Board to the Secretary that the licensee be allowed to
16 resume professional practice.

22 Department of Revenue, until the requirements of the tax Act
23 are satisfied or (ii) has failed to pay any court-ordered

25 from the Department of Healthcare and Family Services.

26 (c-1) The Department shall not revoke, suspend, place on

8 regardless of whether the client ~~patient~~ was a resident of
9 this State or another state.

10 (c-2) The Department shall not revoke, suspend, place on
11 prohibition, reprimand, refuse to issue or renew, or take any
12 other disciplinary or non-disciplinary action against a
13 person's authorization to practice ~~the license or permit~~

15 ~~analyst~~ based upon the person's licensed behavior analyst's
16 license, registration, or permit being revoked or suspended,
17 or the person licensed behavior analyst being otherwise
18 disciplined, by any other state, if that revocation,
19 suspension, or other form of discipline was based solely on
20 the person licensed behavior analyst violating another state's
21 laws prohibiting the provision of, authorization of,
22 recommendation of, aiding or assisting in, referring for, or
23 participation in any health care service if that health care
24 service as provided would not have been unlawful under the
25 laws of this State and is consistent with the applicable
26 standard ~~standards~~ of conduct for a person licensed behavior

1 ~~analyst~~ practicing in Illinois under this Act.

2 (c-3) The conduct specified in subsections (c-1) and (c-2)
3 shall not constitute grounds for suspension under Section 125.

4 (c-4) The Department shall not revoke, suspend, summarily
5 suspend, place on prohibition, reprimand, refuse to issue or
6 renew, or take any other disciplinary or non-disciplinary
7 action against a person's authorization to practice ~~the~~

12 ~~behavior analyst~~ being otherwise disciplined, by any other
13 state or territory other than Illinois for the referral for or
14 having otherwise participated in any health care service, if
15 the revocation, suspension, or disciplinary action was based
16 solely on a violation of the other state's law prohibiting
17 such health care services in the state, for a resident of the
18 state, or in any other state.

19 (d) In enforcing this Section, the Department, upon a
20 showing of a possible violation, may compel a person licensed
21 to practice under this Act, or who has applied for licensure
22 under this Act, to submit to a mental or physical examination,
23 or both, which may include a substance abuse or sexual
24 offender evaluation, as required by and at the expense of the
25 Department.

26 (1) The Department shall specifically designate the

1 examining physician licensed to practice medicine in all
2 of its branches or, if applicable, the multidisciplinary
3 team involved in providing the mental or physical
4 examination or both. The multidisciplinary team shall be
5 led by a physician licensed to practice medicine in all of
6 its branches and may consist of one or more or a
7 combination of physicians licensed to practice medicine in
8 all of its branches, licensed clinical psychologists,
9 licensed clinical professional counselors, and other
10 professional and administrative staff. Any examining
11 physician or member of the multidisciplinary team may
12 require any person ordered to submit to an examination
13 pursuant to this Section to submit to any additional
14 supplemental testing deemed necessary to complete any
15 examination or evaluation process, including, but not
16 limited to, blood testing, urinalysis, psychological
17 testing, or neuropsychological testing.

18 (2) The Department may order the examining physician
19 or any member of the multidisciplinary team to present
20 testimony concerning this mental or physical examination
21 of the licensee or applicant. No information, report,
22 record, or other documents in any way related to the
23 examination shall be excluded by reason of any common law
24 or statutory privilege relating to communications between
25 the licensee or applicant and the examining physician or
26 any member of the multidisciplinary team. No authorization

1 is necessary from the licensee or applicant ordered to
2 undergo an examination for the examining physician or any
3 member of the multidisciplinary team to provide
4 information, reports, records, or other documents or to
5 provide any testimony regarding the examination and
6 evaluation.

7 (3) The person to be examined may have, at the
8 person's own expense, another physician of the person's
9 choice present during all aspects of the examination.
10 However, that physician shall be present only to observe
11 and may not interfere in any way with the examination.

12 (4) The failure of any person to submit to a mental or
13 physical examination without reasonable cause, when
14 ordered, shall result in an automatic suspension of the
15 person's license until the person submits to the
16 examination.

17 (e) If the Department finds a person unable to practice
18 because of the reasons set forth in this Section, the
19 Department or Board may require that person to submit to care,
20 counseling, or treatment by physicians approved or designated
21 by the Department or Board, as a condition, term, or
22 restriction for continued, reinstated, or renewed licensure to
23 practice; or, in lieu of care, counseling, or treatment, the
24 Department may file, or the Board may recommend to the
25 Department to file, a complaint to immediately suspend,
26 revoke, or otherwise discipline the license of the person. Any

1 person whose license was granted, continued, reinstated,
2 renewed, disciplined, or supervised subject to the terms,
3 conditions, or restrictions, and who fails to comply with the
4 terms, conditions, or restrictions, shall be referred to the
5 Secretary for a determination as to whether the person shall
6 have the person's license suspended immediately, pending a
7 hearing by the Department.

8 (f) All fines imposed shall be paid within 60 days after
9 the effective date of the order imposing the fine or in
10 accordance with the terms set forth in the order imposing the
11 fine.

12 If the Secretary immediately suspends a person's license
13 under this subsection, a hearing on that person's license must
14 be convened by the Department within 30 days after the
15 suspension and completed without appreciable delay. The
16 Department and Board shall have the authority to review the
17 subject person's record of treatment and counseling regarding
18 the impairment, to the extent permitted by applicable federal
19 statutes and regulations safeguarding the confidentiality of
20 medical records.

21 A person licensed under this Act and affected under this
22 Section shall be afforded an opportunity to demonstrate to the
23 Department or Board that the person can resume practice in
24 compliance with acceptable and prevailing standards under the
25 provisions of the person's license.

26 (g) The Department may adopt rules to implement, l

1 administer, and enforce this Section ~~the changes made by this~~
2 ~~amendatory Act of the 102nd General Assembly.~~

21 practice of the profession.

22 (2) Gross negligence in the rendering of clinical

7 any person, firm, corporation, association, or partnership
8 any fee, commission, rebate, or other form of compensation

11 fide independent contractor or employment arrangements
12 among health care professionals, health facilities, health
13 care providers, or other entities, except as otherwise
14 prohibited by law. Any employment arrangements may include
15 provisions for compensation, health insurance, pension, or
16 other employment benefits for the provision of services

24 conduct that would constitute grounds for action as set
25 forth in this Section.

26 (21) Failing to report to the Department any adverse

1 final action taken against a licensee or applicant by

25 involuntary admission or judicial admission as provided for in
26 the Mental Health and Developmental Disabilities Code,

1 operates as an automatic suspension of that license. That
2 person may have his or her license restored only upon the
3 determination by a circuit court that the patient is no longer
4 subject to involuntary admission or judicial admission and the
5 issuance of an order so finding and discharging the patient
6 and upon the Board's recommendation to the Department that the
7 license be restored. Where the circumstances so indicate, the
8 Board may recommend to the Department that it require an
9 examination prior to restoring any license so automatically

11 The Department shall refuse to issue or suspend the
12 license of any person who fails to file a return, or to pay the
13 tax, penalty, or interest shown in a filed return, or to pay
14 any final assessment of the tax, penalty, or interest, as
15 required by any tax Act administered by the Illinois
16 Department of Revenue, until such time as the requirements of
17 any such tax Act are satisfied.

18 In enforcing this Section, the Department or Board upon a
19 showing of a possible violation may compel any person licensed
20 to practice under this Act, or who has applied for licensure or

22 physical examination, or both, as required by and at the
23 expense of the Department. The examining physicians or
24 clinical psychologists shall be those specifically designated
25 by the Department. The Board or the Department may order the
26 examining physician or clinical psychologist to present

1 testimony concerning this mental or physical examination of
2 the licensee or applicant. No information shall be excluded by
3 reason of any common law or statutory privilege relating to
4 communications between the licensee or applicant and the
5 examining physician or clinical psychologist. The person to be
6 examined may have, at his or her own expense, another
7 physician or clinical psychologist of his or her choice
8 present during all aspects of the examination. Failure of any
9 person to submit to a mental or physical examination, when
10 directed, shall be grounds for suspension of a license until
11 the person submits to the examination if the Department or
12 Board finds, after notice and hearing, that the refusal to
13 submit to the examination was without reasonable cause.

14 If the Department or Board finds a person unable to
15 practice because of the reasons set forth in this Section, the
16 Department or Board may require that person to submit to care,
17 counseling, or treatment by physicians or clinical
18 psychologists approved or designated by the Department, as a
19 condition, term, or restriction for continued, reinstated, or
20 renewed licensure to practice; or, in lieu of care,
21 counseling, or treatment, the Board may recommend to the
22 Department to file or the Department may file a complaint to
23 immediately suspend, revoke, or otherwise discipline the
24 license of the person. Any person whose license was granted,
25 continued, reinstated, renewed, disciplined, or supervised
26 subject to such terms, conditions, or restrictions, and who

1 fails to comply with such terms, conditions, or restrictions,
2 shall be referred to the Secretary for a determination as to
3 whether the person shall have his or her license suspended
4 immediately, pending a hearing by the Board.

5 In instances in which the Secretary immediately suspends a
6 person's license under this Section, a hearing on that
7 person's license must be convened by the Board within 15 days
8 after the suspension and completed without appreciable delay.
9 The Board shall have the authority to review the subject
10 person's record of treatment and counseling regarding the
11 impairment, to the extent permitted by applicable federal
12 statutes and regulations safeguarding the confidentiality of
13 medical records.

14 A person licensed under this Act and affected under this
15 Section shall be afforded an opportunity to demonstrate to the
16 Board that he or she can resume practice in compliance with
17 acceptable and prevailing standards under the provisions of
18 his or her license.

19 (b) The Department shall not revoke, suspend, place on
20 probation, reprimand, refuse to issue or renew, or take any
21 other disciplinary or non-disciplinary action against a
22 person's authorization to practice ~~the license or permit~~
23 ~~issued~~ under this Act based solely upon the person ~~licensed~~
24 ~~clinical psychologist~~ recommending, aiding, assisting,
25 referring for, or participating in any health care service, so
26 long as the care was not unlawful under the laws of this State,

1 regardless of whether the patient was a resident of this State
2 or another state.

3 (c) The Department shall not revoke, suspend, place on
4 prohibition, reprimand, refuse to issue or renew, or take any
5 other disciplinary or non-disciplinary action against a
6 person's authorization to practice ~~the license or permit~~
7 ~~issued~~ under this Act ~~to practice as a licensed clinical~~
8 ~~psychologist~~ based upon the person's ~~licensed clinical~~
9 ~~psychologist's~~ license, registration, or permit being revoked
10 or suspended, or the person ~~licensed clinical psychologist~~
11 being otherwise disciplined, by any other state, if that
12 revocation, suspension, or other form of discipline was based
13 solely on the person ~~licensed clinical psychologist~~ violating
14 another state's laws prohibiting the provision of,
15 authorization of, recommendation of, aiding or assisting in,
16 referring for, or participation in any health care service if
17 that health care service as provided would not have been
18 unlawful under the laws of this State and is consistent with
19 the applicable standard ~~standards~~ of conduct for a person
20 ~~licensed clinical psychologist~~ practicing in Illinois under
21 this Act.

22 (d) The conduct specified in subsections (b) and (c) shall
23 not constitute grounds for suspension under Section 21.6.

24 (e) The Department shall not revoke, suspend, summarily
25 suspend, place on prohibition, reprimand, refuse to issue or
26 renew, or take any other disciplinary or non-disciplinary

1 action against a person's authorization to practice ~~the~~

12 state, for a resident of the state, or in any other state.

19 (2) (Blank).

20 (3) The determination by a court that a licensee is
21 subject to involuntary admission or judicial admission as
22 provided in the Mental Health and Developmental Disabilities

25 that the licensee is no longer subject to involuntary
26 admission or judicial admission and issues an order so finding

1 and discharging the patient, and upon the recommendation of
2 the Board to the Secretary that the licensee be allowed to
3 resume professional practice.

4 (4) The Department shall refuse to issue or renew or may

12 of Healthcare and Family Services.

13 (4.5) The Department shall not revoke, suspend, summarily
14 suspend, place on prohibition, reprimand, refuse to issue or
15 renew, or take any other disciplinary or non-disciplinary
16 action against a person's authorization to practice ~~license or~~
17 ~~permit issued~~ under this Act based solely upon the person
18 ~~licensed clinical social worker~~ authorizing, recommending,
19 aiding, assisting, referring for, or otherwise participating
20 in any health care service, so long as the care was not
21 unlawful under the laws of this State, regardless of whether
22 the patient was a resident of this State or another state.

23 (4.10) The Department shall not revoke, suspend, summarily
24 suspend, place on prohibition, reprimand, refuse to issue or
25 renew, or take any other disciplinary or non-disciplinary
26 action against a person's authorization to practice ~~the~~

3 ~~licensed clinical social worker's~~ license, registration, or
4 permit being revoked or suspended, or the person ~~licensed~~
5 ~~clinical social worker~~ being otherwise disciplined, by any
6 other state, if that revocation, suspension, or other form of

8 ~~social worker~~ violating another state's laws prohibiting the
9 provision of, authorization of, recommendation of, aiding or
10 assisting in, referring for, or participation in any health
11 care service if that health care service as provided would not

15 Illinois under this Act.

16 (4.15) The conduct specified in subsection (4.5), (4.10),
17 (4.25), or (4.30) shall not constitute grounds for suspension
18 under Section 32.

19 (4.20) An applicant seeking licensure, certification, or
20 authorization pursuant to this Act who has been subject to
21 disciplinary action by a duly authorized professional
22 disciplinary agency of another jurisdiction solely on the
23 basis of having authorized, recommended, aided, assisted,
24 referred for, or otherwise participated in health care shall
25 not be denied such licensure, certification, or authorization,
26 unless the Department determines that such action would have

1 constituted professional misconduct in this State; however,
2 nothing in this Section shall be construed as prohibiting the
3 Department from evaluating the conduct of such applicant and
4 making a determination regarding the licensure, certification,
5 or authorization to practice a profession under this Act.

6 (4.25) The Department may not revoke, suspend, summarily
7 suspend, place on prohibition, reprimand, refuse to issue or

16 ~~license or permit issued~~ under this Act ~~to practice as a~~
17 ~~licensed clinical social worker~~ based upon the person's
18 ~~licensed clinical social worker's~~ license, registration, or
19 permit being revoked or suspended, or the person ~~licensed~~
20 ~~clinical social worker~~ being otherwise disciplined, by any
21 other state, if that revocation, suspension, or other form of
22 discipline was based solely upon an immigration violation by
23 the person ~~licensed clinical social worker~~.

24 (5) (a) In enforcing this Section, the Department or Board,
25 upon a showing of a possible violation, may compel a person
26 licensed to practice under this Act, or who has applied for

1 licensure under this Act, to submit to a mental or physical
2 examination, or both, which may include a substance abuse or
3 sexual offender evaluation, as required by and at the expense
4 of the Department.

5 (b) The Department shall specifically designate the
6 examining physician licensed to practice medicine in all of
7 its branches or, if applicable, the multidisciplinary team
8 involved in providing the mental or physical examination or
9 both. The multidisciplinary team shall be led by a physician
10 licensed to practice medicine in all of its branches and may
11 consist of one or more or a combination of physicians licensed
12 to practice medicine in all of its branches, licensed clinical
13 psychologists, licensed clinical social workers, licensed
14 clinical professional counselors, and other professional and
15 administrative staff. Any examining physician or member of the
16 multidisciplinary team may require any person ordered to
17 submit to an examination pursuant to this Section to submit to

3 licensee or applicant and the examining physician or any
4 member of the multidisciplinary team. No authorization is
5 necessary from the licensee or applicant ordered to undergo an
6 examination for the examining physician or any member of the
7 multidisciplinary team to provide information, reports,
8 records, or other documents or to provide any testimony
9 regarding the examination and evaluation.

10 (d) The person to be examined may have, at the person's own
11 expense, another physician of the person's choice present
12 during all aspects of the examination. However, that physician
13 shall be present only to observe and may not interfere in any
14 way with the examination.

15 (e) Failure of any person to submit to a mental or physical
16 examination without reasonable cause, when ordered, shall
17 result in an automatic suspension of the person's license
18 until the person submits to the examination.

19 (f) If the Department or Board finds a person unable to
20 practice because of the reasons set forth in this Section, the
21 Department or Board may require that person to submit to care,
22 counseling, or treatment by physicians approved or designated
23 by the Department or Board, as a condition, term, or
24 restriction for continued, reinstated, or renewed licensure to
25 practice; or, in lieu of care, counseling or treatment, the
26 Department may file, or the Board may recommend to the

1 Department to file, a complaint to immediately suspend,
2 revoke, or otherwise discipline the license of the person. Any
3 person whose license was granted, continued, reinstated,
4 renewed, disciplined, or supervised subject to such terms,
5 conditions, or restrictions, and who fails to comply with such
6 terms, conditions, or restrictions, shall be referred to the
7 Secretary for a determination as to whether the person's
8 license shall be suspended immediately, pending a hearing by
9 the Department.

10 (g) All fines imposed shall be paid within 60 days after
11 the effective date of the order imposing the fine or in
12 accordance with the terms set forth in the order imposing the
13 fine.

14 In instances in which the Secretary immediately suspends a
15 person's license under this Section, a hearing on that
16 person's license must be convened by the Department within 30
17 days after the suspension and completed without appreciable
18 delay. The Department and Board shall have the authority to
19 review the subject person's record of treatment and counseling
20 regarding the impairment, to the extent permitted by
21 applicable federal statutes and regulations safeguarding the
22 confidentiality of medical records.

23 A person licensed under this Act and affected under this
24 Section shall be afforded an opportunity to demonstrate to the
25 Department or Board that the person can resume practice in
26 compliance with acceptable and prevailing standards under the

1 provisions of the person's license.

2 (h) The Department may adopt rules to implement,
3 administer, and enforce this Section ~~the changes made by this~~

3 not be denied such licensure, certification, or authorization,
4 unless the Department determines that such action would have
5 constituted professional misconduct in this State; however,
6 nothing in this Section shall be construed as prohibiting the
7 Department from evaluating the conduct of such applicant and
8 making a determination regarding the licensure, certification,
9 or authorization to practice a profession under this Act.

8 (e) In enforcing this Section, the Department or Board
9 upon a showing of a possible violation may compel an
10 individual licensed to practice under this Act, or who has
11 applied for licensure under this Act, to submit to a mental or
12 physical examination, or both, which may include a substance
13 abuse or sexual offender evaluation, as required by and at the
14 expense of the Department.

15 The Department shall specifically designate the examining
16 physician licensed to practice medicine in all of its branches
17 or, if applicable, the multidisciplinary team involved in
18 providing the mental or physical examination or both. The
19 multidisciplinary team shall be led by a physician licensed to
20 practice medicine in all of its branches and may consist of one

6 testing, or neuropsychological testing.

7 The Department may order the examining physician or any
8 member of the multidisciplinary team to provide to the
9 Department any and all records, including business records,

11 supplemental testing performed.

12 The Department or Board may order the examining physician
13 or any member of the multidisciplinary team to present
14 testimony concerning the mental or physical examination of the
15 licensee or applicant. No information, report, record, or
16 other documents in any way related to the examination shall be
17 excluded by reason of any common law or statutory privilege
18 relating to communications between the licensee or applicant
19 and the examining physician or any member of the
20 multidisciplinary team. No authorization is necessary from the
21 licensee or applicant ordered to undergo an examination for
22 the examining physician or any member of the multidisciplinary
23 team to provide information, reports, records, or other
24 documents or to provide any testimony regarding the
25 examination and evaluation.

26 The individual to be examined may have, at his or her own

1 expense, another physician of his or her choice present during
2 all aspects of this examination. However, that physician shall
3 be present only to observe and may not interfere in any way
4 with the examination.

5 Failure of an individual to submit to a mental or physical
6 examination, when ordered, shall result in an automatic
7 suspension of his or her license until the individual submits
8 to the examination.

9 If the Department or Board finds an individual unable to
10 practice because of the reasons set forth in this Section, the
11 Department or Board may require that individual to submit to
12 care, counseling, or treatment by physicians approved or
13 designated by the Department or Board, as a condition, term,
14 or restriction for continued, reinstated, or renewed licensure

23 deem proper, with regard to a license on any of the foregoing
24 grounds, must be commenced within 5 years next after receipt
25 by the Department of a complaint alleging the commission of or
26 notice of the conviction order for any of the acts described

1 herein. Except for the grounds numbered (8), (9), (26), and
2 (29), no action shall be commenced more than 10 years after the
3 date of the incident or act alleged to have violated this
4 Section. For actions involving the ground numbered (26), a
5 pattern of practice or other behavior includes all incidents
6 alleged to be part of the pattern of practice or other behavior
7 that occurred, or a report pursuant to Section 23 of this Act
8 received, within the 10-year period preceding the filing of
9 the complaint. In the event of the settlement of any claim or
10 cause of action in favor of the claimant or the reduction to
11 final judgment of any civil action in favor of the plaintiff,
12 such claim, cause of action, or civil action being grounded on
13 the allegation that a person licensed under this Act was
14 negligent in providing care, the Department shall have an
15 additional period of 2 years from the date of notification to
16 the Department under Section 23 of this Act of such settlement
17 or final judgment in which to investigate and commence formal
18 disciplinary proceedings under Section 36 of this Act, except
19 as otherwise provided by law. The time during which the holder
20 of the license was outside the State of Illinois shall not be
21 included within any period of time limiting the commencement
22 of disciplinary action by the Department.

23 The entry of an order or judgment by any circuit court
24 establishing that any person holding a license under this Act
25 is a person in need of mental treatment operates as a
26 suspension of that license. That person may resume his or her

1 practice only upon the entry of a Departmental order based
2 upon a finding by the Medical Board that the person has been
3 determined to be recovered from mental illness by the court
4 and upon the Medical Board's recommendation that the person be
5 permitted to resume his or her practice.

6 The Department may refuse to issue or take disciplinary
7 action concerning the license of any person who fails to file a
8 return, or to pay the tax, penalty, or interest shown in a
9 filed return, or to pay any final assessment of tax, penalty,
10 or interest, as required by any tax Act administered by the
11 Illinois Department of Revenue, until such time as the
12 requirements of any such tax Act are satisfied as determined
13 by the Illinois Department of Revenue.

14 The Department, upon the recommendation of the Medical
15 Board, shall adopt rules which set forth standards to be used
16 in determining:

17 (a) when a person will be deemed sufficiently
18 rehabilitated to warrant the public trust;

19 (b) what constitutes dishonorable, unethical, or
20 unprofessional conduct of a character likely to deceive,
21 defraud, or harm the public;

22 (c) what constitutes immoral conduct in the commission
23 of any act, including, but not limited to, commission of
24 an act of sexual misconduct related to the licensee's
25 practice; and

26 (d) what constitutes gross negligence in the practice

1 of medicine.

2 However, no such rule shall be admissible into evidence in
3 any civil action except for review of a licensing or other
4 disciplinary action under this Act.

5 In enforcing this Section, the Medical Board, upon a
6 showing of a possible violation, may compel any individual who
7 is licensed to practice under this Act or holds a permit to
8 practice under this Act, or any individual who has applied for
9 licensure or a permit pursuant to this Act, to submit to a
10 mental or physical examination and evaluation, or both, which
11 may include a substance abuse or sexual offender evaluation,
12 as required by the Medical Board and at the expense of the
13 Department. The Medical Board shall specifically designate the
14 examining physician licensed to practice medicine in all of
15 its branches or, if applicable, the multidisciplinary team
16 involved in providing the mental or physical examination and
17 evaluation, or both. The multidisciplinary team shall be led
18 by a physician licensed to practice medicine in all of its
19 branches and may consist of one or more or a combination of
20 physicians licensed to practice medicine in all of its
21 branches, licensed chiropractic physicians, licensed clinical
22 psychologists, licensed clinical social workers, licensed
23 clinical professional counselors, and other professional and
24 administrative staff. Any examining physician or member of the
25 multidisciplinary team may require any person ordered to
26 submit to an examination and evaluation pursuant to this

1 Section to submit to any additional supplemental testing
2 deemed necessary to complete any examination or evaluation
3 process, including, but not limited to, blood testing,
4 urinalysis, psychological testing, or neuropsychological
5 testing. The Medical Board or the Department may order the
6 examining physician or any member of the multidisciplinary
7 team to provide to the Department or the Medical Board any and
8 all records, including business records, that relate to the
9 examination and evaluation, including any supplemental testing
10 performed. The Medical Board or the Department may order the
11 examining physician or any member of the multidisciplinary
12 team to present testimony concerning this examination and
13 evaluation of the licensee, permit holder, or applicant,
14 including testimony concerning any supplemental testing or
15 documents relating to the examination and evaluation. No
16 information, report, record, or other documents in any way
17 related to the examination and evaluation shall be excluded by
18 reason of any common law or statutory privilege relating to
19 communication between the licensee, permit holder, or
20 applicant and the examining physician or any member of the
21 multidisciplinary team. No authorization is necessary from the
22 licensee, permit holder, or applicant ordered to undergo an
23 evaluation and examination for the examining physician or any
24 member of the multidisciplinary team to provide information,
25 reports, records, or other documents or to provide any
26 testimony regarding the examination and evaluation. The

1 individual to be examined may have, at his or her own expense,
2 another physician of his or her choice present during all
3 aspects of the examination. Failure of any individual to
4 submit to mental or physical examination and evaluation, or
5 both, when directed, shall result in an automatic suspension,
6 without hearing, until such time as the individual submits to
7 the examination. If the Medical Board finds a physician unable
8 to practice following an examination and evaluation because of
9 the reasons set forth in this Section, the Medical Board shall
10 require such physician to submit to care, counseling, or
11 treatment by physicians, or other health care professionals,
12 approved or designated by the Medical Board, as a condition
13 for issued, continued, reinstated, or renewed licensure to
14 practice. Any physician, whose license was granted pursuant to
15 Section 9, 17, or 19 of this Act, or, continued, reinstated,
16 renewed, disciplined, or supervised, subject to such terms,
17 conditions, or restrictions who shall fail to comply with such
18 terms, conditions, or restrictions, or to complete a required
19 program of care, counseling, or treatment, as determined by
20 the Chief Medical Coordinator or Deputy Medical Coordinators,
21 shall be referred to the Secretary for a determination as to
22 whether the licensee shall have his or her license suspended
23 immediately, pending a hearing by the Medical Board. In
24 instances in which the Secretary immediately suspends a
25 license under this Section, a hearing upon such person's
26 license must be convened by the Medical Board within 15 days

1 after such suspension and completed without appreciable delay.
2 The Medical Board shall have the authority to review the
3 subject physician's record of treatment and counseling
4 regarding the impairment, to the extent permitted by
5 applicable federal statutes and regulations safeguarding the
6 confidentiality of medical records.

7 An individual licensed under this Act, affected under this
8 Section, shall be afforded an opportunity to demonstrate to
9 the Medical Board that he or she can resume practice in
10 compliance with acceptable and prevailing standards under the
11 provisions of his or her license.

12 The Medical Board, in determining mental capacity of an
13 individual licensed under this Act, shall consider the latest
14 recommendations of the Federation of State Medical Boards.

15 The Department may promulgate rules for the imposition of
16 fines in disciplinary cases, not to exceed \$10,000 for each
17 violation of this Act. Fines may be imposed in conjunction
18 with other forms of disciplinary action, but shall not be the
19 exclusive disposition of any disciplinary action arising out
20 of conduct resulting in death or injury to a patient. Any funds
21 collected from such fines shall be deposited in the Illinois
22 State Medical Disciplinary Fund.

23 All fines imposed under this Section shall be paid within
24 60 days after the effective date of the order imposing the fine
25 or in accordance with the terms set forth in the order imposing
26 the fine.

1 (B) The Department shall revoke the license or permit
2 issued under this Act to practice medicine of ~~or~~ a
3 chiropractic physician who has been convicted a second time of
4 committing any felony under the Illinois Controlled Substances
5 Act or the Methamphetamine Control and Community Protection
6 Act, or who has been convicted a second time of committing a
7 Class 1 felony under Sections 8A-3 and 8A-6 of the Illinois
8 Public Aid Code. A person whose license or permit is revoked
9 under this subsection (B) ~~B~~ shall be prohibited from
10 practicing medicine or treating human ailments without the use
11 of drugs and without operative surgery.

12 (C) The Department shall not revoke, suspend, place on
13 probation, reprimand, refuse to issue or renew, or take any
14 other disciplinary or non-disciplinary action against a
15 person's authorization to practice ~~the license or permit~~
16 ~~issued under this Act to practice medicine to a physician:~~

17 (1) based solely upon the recommendation of the person
18 ~~physician~~ to an eligible patient regarding, or
19 prescription for, or treatment with, an investigational
20 drug, biological product, or device;

21 (2) for experimental treatment for Lyme disease or
22 other tick-borne diseases, including, but not limited to,
23 the prescription of or treatment with long-term
24 antibiotics;

25 (3) based solely upon the person ~~physician~~ providing,
26 authorizing, recommending, aiding, assisting, referring

1 for, or otherwise participating in any health care
2 service, so long as the care was not unlawful under the
3 laws of this State, regardless of whether the patient was
4 a resident of this State or another state; or

5 (4) based upon the person's ~~physician's~~ license,
6 registration, or permit being revoked or suspended, or the
7 person ~~physician~~ being otherwise disciplined, by any other
8 state, if that revocation, suspension, or other form of
9 discipline was based solely on the person ~~physician~~
10 violating another state's laws prohibiting the provision
11 of, authorization of, recommendation of, aiding or
12 assisting in, referring for, or participation in any
13 health care service if that health care service as
14 provided would not have been unlawful under the laws of
15 this State and is consistent with the applicable standard
16 ~~standards~~ of conduct for the person practicing in Illinois
17 under this Act ~~physician if it occurred in Illinois.~~

18 (D) (Blank).

19 (E) The conduct specified in subsection (C) shall not
20 trigger reporting requirements under Section 23, constitute
21 grounds for suspension under Section 25, or be included on the
22 physician's profile required under Section 10 of the Patients'
23 Right to Know Act.

24 (F) An applicant seeking licensure, certification, or
25 authorization pursuant to this Act and who has been subject to
26 disciplinary action by a duly authorized professional

1 disciplinary agency of another jurisdiction solely on the
2 basis of having provided, authorized, recommended, aided,
3 assisted, referred for, or otherwise participated in health
4 care shall not be denied such licensure, certification, or
5 authorization, unless the Department determines that the
6 action would have constituted professional misconduct in this
7 State; however, nothing in this Section shall be construed as
8 prohibiting the Department from evaluating the conduct of the
9 applicant and making a determination regarding the licensure,
10 certification, or authorization to practice a profession under
11 this Act.

12 (G) The Department may adopt rules to implement,
13 administer, and enforce this Section ~~the changes made by this~~
14 ~~amendatory Act of the 102nd General Assembly.~~

19 (Section scheduled to be repealed on January 1, 2027)

20 Sec. 23. Reports relating to professional conduct and
21 capacity.

22 (A) Entities required to report.

23 (1) Health care institutions. The chief administrator
24 or executive officer of any health care institution
25 licensed by the Illinois Department of Public Health shall

1 report to the Medical Board when any person's clinical
2 privileges are terminated or are restricted based on a
3 final determination made in accordance with that
4 institution's by-laws or rules and regulations that a
5 person has either committed an act or acts which may
6 directly threaten patient care or that a person may have a
7 mental or physical disability that may endanger patients
8 under that person's care. Such officer also shall report
9 if a person accepts voluntary termination or restriction
10 of clinical privileges in lieu of formal action based upon
11 conduct related directly to patient care or in lieu of
12 formal action seeking to determine whether a person may
13 have a mental or physical disability that may endanger
14 patients under that person's care. The Medical Board
15 shall, by rule, provide for the reporting to it by health
16 care institutions of all instances in which a person,
17 licensed under this Act, who is impaired by reason of age,
18 drug or alcohol abuse, or physical or mental impairment,
19 is under supervision and, where appropriate, is in a
20 program of rehabilitation. Such reports shall be strictly
21 confidential and may be reviewed and considered only by
22 the members of the Medical Board, or by authorized staff
23 as provided by rules of the Medical Board. Provisions
24 shall be made for the periodic report of the status of any
25 such person not less than twice annually in order that the
26 Medical Board shall have current information upon which to

1 determine the status of any such person. Such initial and
2 periodic reports of impaired physicians shall not be
3 considered records within the meaning of the State Records
4 Act and shall be disposed of, following a determination by
5 the Medical Board that such reports are no longer
6 required, in a manner and at such time as the Medical Board
7 shall determine by rule. The filing of such reports shall
8 be construed as the filing of a report for purposes of
9 subsection (C) of this Section. Such health care
10 institution shall not take any adverse action, including,
11 but not limited to, restricting or terminating any
12 person's clinical privileges, as a result of an adverse
13 action against a person's license, registration, permit,
14 or clinical privileges or other disciplinary action by
15 another state or health care institution that resulted
16 from the person's provision of, authorization of,
17 recommendation of, aiding or assistance with, referral
18 for, or participation in any health care service if the
19 adverse action was based solely on a violation of the
20 other state's law prohibiting the provision of such health
21 care and related services in the state or for a resident of
22 the state if that health care service would not have been
23 unlawful under the laws of this State and is consistent
24 with the applicable standard ~~standards~~ of conduct for a
25 person practicing in Illinois under this Act ~~physicians~~
26 ~~practicing in Illinois.~~

1 (1.5) Clinical training programs. The program director
2 of any post-graduate clinical training program shall
3 report to the Medical Board if a person engaged in a
4 post-graduate clinical training program at the
5 institution, including, but not limited to, a residency or
6 fellowship, separates from the program for any reason
7 prior to its conclusion. The program director shall
8 provide all documentation relating to the separation if,
9 after review of the report, the Medical Board determines
10 that a review of those documents is necessary to determine
11 whether a violation of this Act occurred.

12 (2) Professional associations. The President or chief
13 executive officer of any association or society, of
14 persons licensed under this Act, operating within this

12 health care services in this State in violation of another
13 state's law, or a revocation or other adverse action
14 against the person's license, registration, or permit in

7 this Act or which may constitute unprofessional conduct
8 related directly to patient care or which indicates that a
9 person licensed under this Act may have a mental or
10 physical disability that may endanger patients under that
11 person's care.

13 (34), (35), and (36) of subsection (A) of Section 22 and by
14 this Section 23 shall be submitted to the Medical Board in a

16 hospital or medical records in mandatory report cases alleging
17 death or permanent bodily injury. Appropriate rules shall be
18 adopted by the Department with the approval of the Medical
19 Board.

20 When the Department has received written reports
21 concerning incidents required to be reported in items (34),
22 (35), and (36) of subsection (A) of Section 22, the licensee's
23 failure to report the incident to the Department under those
24 items shall not be the sole grounds for disciplinary action.

25 Nothing contained in this Section shall act to, in any
26 way, waive or modify the confidentiality of medical reports

1 and committee reports to the extent provided by law. Any
2 information reported or disclosed shall be kept for the
3 confidential use of the Medical Board, the Medical
4 Coordinators, the Medical Board's attorneys, the medical
5 investigative staff, and authorized clerical staff, as
6 provided in this Act, and shall be afforded the same status as

21 to a license. Information and documents disclosed to the
22 Department of Public Health may be used by that Department
23 only for investigation and disciplinary action regarding the
24 license of a health care institution licensed by the
25 Department of Public Health.

26 (C) Immunity from prosecution. Any individual or

1 organization acting in good faith, and not in a wilful and
2 wanton manner, in complying with this Act by providing any
3 report or other information to the Medical Board or a peer
4 review committee, or assisting in the investigation or
5 preparation of such information, or by voluntarily reporting
6 to the Medical Board or a peer review committee information

8 under this Act, or by participating in proceedings of the
9 Medical Board or a peer review committee, or by serving as a
10 member of the Medical Board or a peer review committee, shall
11 not, as a result of such actions, be subject to criminal
12 prosecution or civil damages.

13 (D) Indemnification. Members of the Medical Board, the
14 Medical Coordinators, the Medical Board's attorneys, the
15 medical investigative staff, physicians retained under
16 contract to assist and advise the medical coordinators in the
17 investigation, and authorized clerical staff shall be
18 indemnified by the State for any actions occurring within the
19 scope of services on the Medical Board, done in good faith and
20 not wilful and wanton in nature. The Attorney General shall
21 defend all such actions unless he or she determines either
22 that there would be a conflict of interest in such
23 representation or that the actions complained of were not in
24 good faith or were wilful and wanton.

25 Should the Attorney General decline representation, the
26 member shall have the right to employ counsel of his or her

1 choice, whose fees shall be provided by the State, after
2 approval by the Attorney General, unless there is a
3 determination by a court that the member's actions were not in
4 good faith or were wilful and wanton.

5 The member must notify the Attorney General within 7 days
6 of receipt of notice of the initiation of any action involving
7 services of the Medical Board. Failure to so notify the
8 Attorney General shall constitute an absolute waiver of the
9 right to a defense and indemnification.

10 The Attorney General shall determine within 7 days after
11 receiving such notice, whether he or she will undertake to
12 represent the member.

13 (E) Deliberations of Medical Board. Upon the receipt of
14 any report called for by this Act, other than those reports of
15 impaired persons licensed under this Act required pursuant to
16 the rules of the Medical Board, the Medical Board shall notify
17 in writing, by mail or email, the person who is the subject of
18 the report. Such notification shall be made within 30 days of
19 receipt by the Medical Board of the report.

20 The notification shall include a written notice setting
21 forth the person's right to examine the report. Included in
22 such notification shall be the address at which the file is
23 maintained, the name of the custodian of the reports, and the
24 telephone number at which the custodian may be reached. The
25 person who is the subject of the report shall submit a written
26 statement responding, clarifying, adding to, or proposing the

1 amending of the report previously filed. The person who is the
2 subject of the report shall also submit with the written
3 statement any medical records related to the report. The
4 statement and accompanying medical records shall become a
5 permanent part of the file and must be received by the Medical
6 Board no more than 30 days after the date on which the person
7 was notified by the Medical Board of the existence of the
8 original report.

9 The Medical Board shall review all reports received by it,
10 together with any supporting information and responding
11 statements submitted by persons who are the subject of
12 reports. The review by the Medical Board shall be in a timely
13 manner but in no event, shall the Medical Board's initial
14 review of the material contained in each disciplinary file be
15 less than 61 days nor more than 180 days after the receipt of
16 the initial report by the Medical Board.

17 When the Medical Board makes its initial review of the
18 materials contained within its disciplinary files, the Medical
19 Board shall, in writing, make a determination as to whether
20 there are sufficient facts to warrant further investigation or
21 action. Failure to make such determination within the time
22 provided shall be deemed to be a determination that there are
23 not sufficient facts to warrant further investigation or
24 action.

25 Should the Medical Board find that there are not
26 sufficient facts to warrant further investigation, or action,

1 the report shall be accepted for filing and the matter shall be
2 deemed closed and so reported to the Secretary. The Secretary
3 shall then have 30 days to accept the Medical Board's decision
4 or request further investigation. The Secretary shall inform
5 the Medical Board of the decision to request further
6 investigation, including the specific reasons for the
7 decision. The individual or entity filing the original report
8 or complaint and the person who is the subject of the report or
9 complaint shall be notified in writing by the Secretary of any
10 final action on their report or complaint. The Department
11 shall disclose to the individual or entity who filed the
12 original report or complaint, on request, the status of the
13 Medical Board's review of a specific report or complaint. Such
14 request may be made at any time, including prior to the Medical
15 Board's determination as to whether there are sufficient facts
16 to warrant further investigation or action.

17 (F) Summary reports. The Medical Board shall prepare, on a
18 timely basis, but in no event less than once every other month,
19 a summary report of final disciplinary actions taken upon
20 disciplinary files maintained by the Medical Board. The
21 summary reports shall be made available to the public upon
22 request and payment of the fees set by the Department. This
23 publication may be made available to the public on the
24 Department's website. Information or documentation relating to
25 any disciplinary file that is closed without disciplinary
26 action taken shall not be disclosed and shall be afforded the

1 same status as is provided by Part 21 of Article VIII of the
2 Code of Civil Procedure.

3 (G) Any violation of this Section shall be a Class A
4 misdemeanor.

5 (H) If any such person violates the provisions of this
6 Section an action may be brought in the name of the People of
7 the State of Illinois, through the Attorney General of the
8 State of Illinois, for an order enjoining such violation or
9 for an order enforcing compliance with this Section. Upon
10 filing of a verified petition in such court, the court may
11 issue a temporary restraining order without notice or bond and
12 may preliminarily or permanently enjoin such violation, and if
13 it is established that such person has violated or is
14 violating the injunction, the court may punish the offender
15 for contempt of court. Proceedings under this paragraph shall
16 be in addition to, and not in lieu of, all other remedies and
17 penalties provided for by this Section.

25 continued, reinstated, or renewed licensure to practice; or,
26 in lieu of care, counseling, or treatment, the Department may

1 file a complaint to immediately suspend, revoke, or otherwise
2 discipline the license of the individual. An individual whose
3 license was granted, continued, reinstated, renewed,
4 disciplined, or supervised subject to such terms, conditions,
5 or restrictions, and who fails to comply with such terms,
6 conditions, or restrictions, shall be referred to the
7 Secretary for a determination as to whether the individual
8 shall have his or her license suspended immediately, pending a
9 hearing by the Department.

10 In instances in which the Secretary immediately suspends a
11 person's license under this Section, a hearing on that
12 person's license must be convened by the Department within 30
13 days after the suspension and completed without appreciable
14 delay. The Department shall have the authority to review the
15 subject individual's record of treatment and counseling
16 regarding the impairment to the extent permitted by applicable
17 federal statutes and regulations safeguarding the
18 confidentiality of medical records.

19 An individual licensed under this Act and affected under
20 this Section shall be afforded an opportunity to demonstrate
21 to the Department that he or she can resume practice in
22 compliance with acceptable and prevailing standards under the
23 provisions of his or her license.

24 (e) The Department shall not revoke, suspend, summarily
25 suspend, place on prohibition, reprimand, refuse to issue or
26 renew, or take any other disciplinary or non-disciplinary

1 action against a person's authorization to practice under this
2 Act based solely upon the person authorizing, recommending,
3 aiding, assisting, referring for, or otherwise participating
4 in any health care service, so long as the care was not
5 unlawful under the laws of this State, regardless of whether
6 the patient was a resident of this State or another state.

7 (f) The Department shall not revoke, suspend, summarily
8 suspend, place on prohibition, reprimand, refuse to issue or
9 renew, or take any other disciplinary or non-disciplinary
10 action against a person's authorization to practice under this
11 Act based upon the person's license, registration, or permit
12 being revoked or suspended, or the person being otherwise
13 disciplined, by any other state if that revocation,
14 suspension, or other form of discipline was based solely on
15 the person violating another state's laws prohibiting the
16 provision of, authorization of, recommendation of, aiding or
17 assisting in, referring for, or participation in any health
18 care service if that health care service as provided would not
19 have been unlawful under the laws of this State and is
20 consistent with the applicable standard of conduct for the
21 person practicing in Illinois under this Act.

13 are restricted based on a final determination, in
14 accordance with that institution's bylaws or rules and
15 regulations, that (i) a person has either committed an act
16 or acts that may directly threaten patient care and that
17 are not of an administrative nature or (ii) that a person
18 may have a mental or physical disability that may endanger
19 patients under that person's care. The chief administrator
20 or officer shall also report if an advanced practice
21 registered nurse accepts voluntary termination or
22 restriction of clinical privileges in lieu of formal
23 action based upon conduct related directly to patient care
24 and not of an administrative nature, or in lieu of formal
25 action seeking to determine whether a person may have a
26 mental or physical disability that may endanger patients

1 under that person's care. The Department shall provide by
2 rule for the reporting to it of all instances in which a
3 person licensed under this Article, who is impaired by
4 reason of age, drug~~r~~ or alcohol abuse~~l~~, or physical or
5 mental impairment, is under supervision and, where
6 appropriate, is in a program of rehabilitation. Reports
7 submitted under this subsection shall be strictly
8 confidential and may be reviewed and considered only by
9 the members of the Board or authorized staff as provided
10 by rule of the Department. Provisions shall be made for
11 the periodic report of the status of any such reported
12 person not less than twice annually in order that the
13 Board shall have current information upon which to
14 determine the status of that person. Initial and periodic
15 reports of impaired advanced practice registered nurses
16 shall not be considered records within the meaning of the
17 State Records Act and shall be disposed of, following a
18 determination by the Board that such reports are no longer
19 required, in a manner and at an appropriate time as the
20 Board shall determine by rule. The filing of reports
21 submitted under this subsection shall be construed as the
22 filing of a report for purposes of subsection (c) of this
23 Section. Such health care institution shall not take any
24 adverse action, including, but not limited to, restricting
25 or terminating any person's clinical privileges, as a
26 result of an adverse action against a person's license~~l~~.

1 registration, permit, or clinical privileges or other
2 disciplinary action by another state or health care
3 institution that resulted from the person's provision of,
4 authorization of, recommendation of, aiding or assistance
5 with, referral for, or participation in any health care
6 service if the adverse action was based solely on a
7 violation of the other state's law prohibiting the
8 provision of such health care and related services in the
9 state or for a resident of the state if that health care
10 service would not have been unlawful under the laws of
11 this State and is consistent with the applicable standard
12 ~~standards~~ of conduct for a person ~~advanced practice~~
13 ~~registered nurses~~ practicing in Illinois under this Act.

14 (2) Professional Associations. The President or chief
15 executive officer of an association or society of persons
16 licensed under this Article, operating within this State,
17 shall report to the Board when the association or society
18 renders a final determination that a person licensed under
19 this Article has committed unprofessional conduct related
20 directly to patient care or that a person may have a mental
21 or physical disability that may endanger patients under
22 the person's care.

23 (3) Professional Liability Insurers. Every insurance
24 company that offers policies of professional liability
25 insurance to persons licensed under this Article, or any
26 other entity that seeks to indemnify the professional

1 liability of a person licensed under this Article, shall
2 report to the Board the settlement of any claim or cause of
3 action, or final judgment rendered in any cause of action,
4 that alleged negligence in the furnishing of patient care
5 by the licensee when the settlement or final judgment is
6 in favor of the plaintiff. Such insurance company shall
7 not take any adverse action, including, but not limited
8 to, denial or revocation of coverage, or rate increases,
9 against a person licensed under this Act with respect to
10 coverage for services provided in Illinois if based solely
11 on the person providing, authorizing, recommending,
12 aiding, assisting, referring for, or otherwise
13 participating in health care services this State in
14 violation of another state's law, or a revocation or other
15 adverse action against the person's license in another
16 state for violation of such law if that health care
17 service as provided would have been lawful and consistent
18 with the standards of conduct for registered nurses and
19 advanced practice registered nurses if it occurred in
20 Illinois. Notwithstanding this provision, it is against
21 public policy to require coverage for an illegal action.

22 (4) State's Attorneys. The State's Attorney of each
23 county shall report to the Board all instances in which a
24 person licensed under this Article is convicted or
25 otherwise found guilty of the commission of a felony.

26 (5) State Agencies. All agencies, boards, commissions,

1 departments, or other instrumentalities of the government
2 of this State shall report to the Board any instance
3 arising in connection with the operations of the agency,
4 including the administration of any law by the agency, in
5 which a person licensed under this Article has either
6 committed an act or acts that may constitute a violation
7 of this Article, that may constitute unprofessional
8 conduct related directly to patient care, or that
9 indicates that a person licensed under this Article may
10 have a mental or physical disability that may endanger
11 patients under that person's care.

12 (b) Mandatory Reporting. All reports required under items
13 (16) and (17) of subsection (a) of Section 70-5 shall be
14 submitted to the Board in a timely fashion. The reports shall
15 be filed in writing within 60 days after a determination that a
16 report is required under this Article. All reports shall
17 contain the following information:

18 (1) The name, address, and telephone number of the
19 person making the report.

20 (2) The name, address, and telephone number of the
21 person who is the subject of the report.

22 (3) The name or other means of identification of any
23 patient or patients whose treatment is a subject of the
24 report, except that no medical records may be revealed
25 without the written consent of the patient or patients.

26 (4) A brief description of the facts that gave rise to

1 the issuance of the report, including, but not limited to,
2 the dates of any occurrences deemed to necessitate the
3 filing of the report.

4 (5) If court action is involved, the identity of the
5 court in which the action is filed, the docket number, and
6 date of filing of the action.

7 (6) Any further pertinent information that the
8 reporting party deems to be an aid in the evaluation of the
9 report.

10 Nothing contained in this Section shall be construed to in
11 any way waive or modify the confidentiality of medical reports
12 and committee reports to the extent provided by law. Any
13 information reported or disclosed shall be kept for the
14 confidential use of the Board, the Board's attorneys, the
15 investigative staff, and authorized clerical staff and shall
16 be afforded the same status as is provided information
17 concerning medical studies in Part 21 of Article VIII of the
18 Code of Civil Procedure.

19 (c) Immunity from Prosecution. An individual or
20 organization acting in good faith, and not in a willful and
21 wanton manner, in complying with this Section by providing a
22 report or other information to the Board, by assisting in the
23 investigation or preparation of a report or information, by
24 participating in proceedings of the Board, or by serving as a
25 member of the Board shall not, as a result of such actions, be
26 subject to criminal prosecution or civil damages.

1 (d) Indemnification. Members of the Board, the Board's
2 attorneys, the investigative staff, advanced practice
3 registered nurses or physicians retained under contract to
4 assist and advise in the investigation, and authorized
5 clerical staff shall be indemnified by the State for any
6 actions (i) occurring within the scope of services on the
7 Board, (ii) performed in good faith, and (iii) not willful and
8 wanton in nature. The Attorney General shall defend all
9 actions taken against those persons unless he or she
10 determines either that there would be a conflict of interest
11 in the representation or that the actions complained of were
12 not performed in good faith or were willful and wanton in
13 nature. If the Attorney General declines representation, the
14 member shall have the right to employ counsel of his or her
15 choice, whose fees shall be provided by the State, after
16 approval by the Attorney General, unless there is a
17 determination by a court that the member's actions were not
18 performed in good faith or were willful and wanton in nature.
19 The member shall notify the Attorney General within 7 days of
20 receipt of notice of the initiation of an action involving
21 services of the Board. Failure to so notify the Attorney
22 General shall constitute an absolute waiver of the right to a
23 defense and indemnification. The Attorney General shall
24 determine within 7 days after receiving the notice whether he
25 or she will undertake to represent the member.

26 (e) Deliberations of Board. Upon the receipt of a report

1 called for by this Section, other than those reports of
2 impaired persons licensed under this Article required pursuant
3 to the rules of the Board, the Board shall notify in writing by
4 certified or registered mail or by email to the email address
5 of record the person who is the subject of the report. The
6 notification shall be made within 30 days of receipt by the
7 Board of the report. The notification shall include a written
8 notice setting forth the person's right to examine the report.
9 Included in the notification shall be the address at which the
10 file is maintained, the name of the custodian of the reports,
11 and the telephone number at which the custodian may be
12 reached. The person who is the subject of the report shall
13 submit a written statement responding to, clarifying, adding
14 to, or proposing to amend the report previously filed. The
15 statement shall become a permanent part of the file and shall
16 be received by the Board no more than 30 days after the date on
17 which the person was notified of the existence of the original
18 report. The Board shall review all reports received by it and
19 any supporting information and responding statements submitted
20 by persons who are the subject of reports. The review by the
21 Board shall be in a timely manner but in no event shall the
22 Board's initial review of the material contained in each
23 disciplinary file be less than 61 days nor more than 180 days
24 after the receipt of the initial report by the Board. When the
25 Board makes its initial review of the materials contained
26 within its disciplinary files, the Board shall, in writing,

1 make a determination as to whether there are sufficient facts
2 to warrant further investigation or action. Failure to make
3 that determination within the time provided shall be deemed to
4 be a determination that there are not sufficient facts to
5 warrant further investigation or action. Should the Board find
6 that there are not sufficient facts to warrant further
7 investigation or action, the report shall be accepted for
8 filing and the matter shall be deemed closed and so reported.
9 The individual or entity filing the original report or
10 complaint and the person who is the subject of the report or
11 complaint shall be notified in writing by the Board of any
12 final action on their report or complaint.

13 (f) (Blank).

14 (g) Any violation of this Section shall constitute a Class
15 A misdemeanor.

16 (h) If a person violates the provisions of this Section,
17 an action may be brought in the name of the People of the State
18 of Illinois, through the Attorney General of the State of
19 Illinois, for an order enjoining the violation or for an order
20 enforcing compliance with this Section. Upon filing of a
21 petition in court, the court may issue a temporary restraining
22 order without notice or bond and may preliminarily or
23 permanently enjoin the violation, and if it is established
24 that the person has violated or is violating the injunction,
25 the court may punish the offender for contempt of court.
26 Proceedings under this subsection shall be in addition to, and

1 not in lieu of, all other remedies and penalties provided for
2 by this Section.

3 (i) The Department may adopt rules to implement,
4 administer, and enforce this Section ~~the changes made by this~~
5 ~~amendatory Act of the 102nd General Assembly.~~

12 based solely upon the person ~~registered nurse or advanced~~
13 ~~practice registered nurse~~ providing, authorizing,

17 whether the patient was a resident of this State or another
18 state.

19 (b-10) The Department shall not revoke, suspend, summarily
20 suspend, place on prohibition, reprimand, refuse to issue or
21 renew, or take any other disciplinary or non-disciplinary
22 action against a person's authorization to practice ~~the~~
23 ~~license or permit issued~~ under this Act ~~to practice as a~~

11 the applicable standard ~~standards~~ of conduct for the person
12 ~~registered nurse or advanced practice registered nurse~~
13 practicing in Illinois under this Act.

14 (b-15) The conduct specified in subsections (b-5) and
15 (b-10) shall not trigger reporting requirements under Section
16 65-65 or constitute grounds for suspension under Section
17 70-60.

18 (b-20) An applicant seeking licensure, certification, or
19 authorization under this Act who has been subject to
20 disciplinary action by a duly authorized professional
21 disciplinary agency of another jurisdiction solely on the
22 basis of having provided, authorized, recommended, aided,
23 assisted, referred for, or otherwise participated in health
24 care shall not be denied such licensure, certification, or
25 authorization, unless the Department determines that such
26 action would have constituted professional misconduct in this

1 State; however, nothing in this Section shall be construed as
2 prohibiting the Department from evaluating the conduct of such
3 applicant and making a determination regarding the licensure,
4 certification, or authorization to practice a profession under
5 this Act.

6 (c) The determination by a circuit court that a licensee
7 is subject to involuntary admission or judicial admission as
8 provided in the Mental Health and Developmental Disabilities
9 Code, as amended, operates as an automatic suspension. The
10 suspension will end only upon a finding by a court that the
11 patient is no longer subject to involuntary admission or
12 judicial admission and issues an order so finding and
13 discharging the patient; and upon the recommendation of the
14 Board to the Secretary that the licensee be allowed to resume
15 his or her practice.

16 (d) The Department may refuse to issue or may suspend or
17 otherwise discipline the license of any person who fails to
18 file a return, or to pay the tax, penalty, or interest shown in
19 a filed return, or to pay any final assessment of the tax,
20 penalty, or interest as required by any tax Act administered
21 by the Department of Revenue, until such time as the
22 requirements of any such tax Act are satisfied.

23 (e) In enforcing this Act, the Department, upon a showing
24 of a possible violation, may compel an individual licensed to
25 practice under this Act or who has applied for licensure under
26 this Act, to submit to a mental or physical examination, or

1 both, as required by and at the expense of the Department. The
2 Department may order the examining physician to present
3 testimony concerning the mental or physical examination of the
4 licensee or applicant. No information shall be excluded by
5 reason of any common law or statutory privilege relating to
6 communications between the licensee or applicant and the
7 examining physician. The examining physicians shall be
8 specifically designated by the Department. The individual to
9 be examined may have, at his or her own expense, another
10 physician of his or her choice present during all aspects of
11 this examination. Failure of an individual to submit to a
12 mental or physical examination, when directed, shall result in
13 an automatic suspension without hearing.

14 All substance-related violations shall mandate an
15 automatic substance abuse assessment. Failure to submit to an
16 assessment by a licensed physician who is certified as an
17 addictionist or an advanced practice registered nurse with
18 specialty certification in addictions may be grounds for an
19 automatic suspension, as defined by rule.

20 If the Department finds an individual unable to practice
21 or unfit for duty because of the reasons set forth in this
22 subsection (e), the Department may require that individual to
23 submit to a substance abuse evaluation or treatment by
24 individuals or programs approved or designated by the
25 Department, as a condition, term, or restriction for
26 continued, restored, or renewed licensure to practice; or, in

1 lieu of evaluation or treatment, the Department may file, or
2 the Board may recommend to the Department to file, a complaint
3 to immediately suspend, revoke, or otherwise discipline the
4 license of the individual. An individual whose license was
5 granted, continued, restored, renewed, disciplined, or
6 supervised subject to such terms, conditions, or restrictions,
7 and who fails to comply with such terms, conditions, or
8 restrictions, shall be referred to the Secretary for a
9 determination as to whether the individual shall have his or
10 her license suspended immediately, pending a hearing by the
11 Department.

12 In instances in which the Secretary immediately suspends a
13 person's license under this subsection (e), a hearing on that
14 person's license must be convened by the Department within 15
15 days after the suspension and completed without appreciable
16 delay. The Department and Board shall have the authority to
17 review the subject individual's record of treatment and
18 counseling regarding the impairment to the extent permitted by
19 applicable federal statutes and regulations safeguarding the
20 confidentiality of medical records.

21 An individual licensed under this Act and affected under
22 this subsection (e) shall be afforded an opportunity to
23 demonstrate to the Department that he or she can resume
24 practice in compliance with nursing standards under the
25 provisions of his or her license.

26 (f) The Department may adopt rules to implement, l

5 Section 40. The Pharmacy Practice Act is amended by
6 changing Sections 30 and 30.1 as follows:

7 (225 ILCS 85/30) (from Ch. 111, par. 4150)

8 tax, penalty, or interest shown in a filed return, or to pay
9 any final assessment of tax, penalty, or interest, as required
10 by any tax Act administered by the Illinois Department of
11 Revenue, until such time as the requirements of any such tax
12 Act are satisfied.

13 (c) The Department shall revoke any license issued under
14 the provisions of this Act or any prior Act of this State of
15 any person who has been convicted a second time of committing
16 any felony under the Illinois Controlled Substances Act, or

19 Code. A person whose license issued under the provisions of
20 this Act or any prior Act of this State is revoked under this
21 subsection (c) shall be prohibited from engaging in the
22 practice of pharmacy in this State.

23 (c-5) The Department shall not revoke, suspend, summarily
24 suspend, place on prohibition, reprimand, refuse to issue or

4 ~~pharmacist, registered pharmacy technician, or registered~~

8 was not unlawful under the laws of this State, regardless of

10 state.

11 (c-10) The Department shall not revoke, suspend, summarily
12 suspend, place on prohibition, reprimand, refuse to issue or
13 renew, or take any other disciplinary or non-disciplinary
14 action against a person's authorization to practice ~~the~~
15 ~~license or permit issued~~ under this Act ~~to practice as a~~

17 ~~certified pharmacy technician~~ based upon the person's

23 solely on the person ~~pharmacist, registered pharmacy~~
24 ~~technician, or registered certified pharmacy technician~~
25 violating another state's laws prohibiting the provision of,
26 authorization of, recommendation of, aiding or assisting in,

1 referring for, or participation in any health care service if

3 unlawful under the laws of this State and is consistent with
4 the applicable standard ~~standards~~ of conduct for a person
5 ~~pharmacist, registered pharmacy technician, or registered~~
6 ~~certified pharmacy technician~~ practicing in Illinois under
7 this Act.

8 (c-15) The conduct specified in subsections (c-5) and
9 (c-10) shall not constitute grounds for suspension under
10 Section 35.16.

11 (c-20) An applicant seeking licensure, certification, or
12 authorization pursuant to this Act who has been subject to
13 disciplinary action by a duly authorized professional
14 disciplinary agency of another jurisdiction solely on the
15 basis of having provided, authorized, recommended, aided,
16 assisted, referred for, or otherwise participated in health
17 care shall not be denied such licensure, certification, or
18 authorization, unless the Department determines that such
19 action would have constituted professional misconduct in this
20 State; however, nothing in this Section shall be construed as
21 prohibiting the Department from evaluating the conduct of such
22 applicant and making a determination regarding the licensure,
23 certification, or authorization to practice a profession under
24 this Act.

25 (d) Fines may be imposed in conjunction with other forms
26 of disciplinary action, but shall not be the exclusive

1 disposition of any disciplinary action arising out of conduct
2 resulting in death or injury to a patient. Fines shall be paid
3 within 60 days or as otherwise agreed to by the Department. Any
4 funds collected from such fines shall be deposited in the
5 Illinois State Pharmacy Disciplinary Fund.

6 (e) The entry of an order or judgment by any circuit court
7 establishing that any person holding a license or certificate
8 under this Act is a person in need of mental treatment operates

11 based upon a finding by the Board that he or she has been
12 determined to be recovered from mental illness by the court
13 and upon the Board's recommendation that the licensee be
14 permitted to resume his or her practice.

15 (f) The Department shall issue quarterly to the Board a
16 status of all complaints related to the profession received by
17 the Department.

18 (g) In enforcing this Section, the Board or the
19 Department, upon a showing of a possible violation, may compel
20 any licensee or applicant for licensure under this Act to
21 submit to a mental or physical examination or both, as
22 required by and at the expense of the Department. The
23 examining physician, or multidisciplinary team involved in
24 providing physical and mental examinations led by a physician
25 consisting of one or a combination of licensed physicians,
26 licensed clinical psychologists, licensed clinical social

1 workers, licensed clinical professional counselors, and other
2 professional and administrative staff, shall be those
3 specifically designated by the Department. The Board or the
4 Department may order the examining physician or any member of
5 the multidisciplinary team to present testimony concerning
6 this mental or physical examination of the licensee or
7 applicant. No information, report, or other documents in any
8 way related to the examination shall be excluded by reason of
9 any common law or statutory privilege relating to
10 communication between the licensee or applicant and the
11 examining physician or any member of the multidisciplinary
12 team. The individual to be examined may have, at his or her own
13 expense, another physician of his or her choice present during
14 all aspects of the examination. Failure of any individual to
15 submit to a mental or physical examination when directed shall
16 result in the automatic suspension of his or her license until
17 such time as the individual submits to the examination. If the
18 Board or Department finds a pharmacist, registered certified
19 pharmacy technician, or registered pharmacy technician unable
20 to practice because of the reasons set forth in this Section,
21 the Board or Department shall require such pharmacist,
22 registered certified pharmacy technician, or registered
23 pharmacy technician to submit to care, counseling, or
24 treatment by physicians or other appropriate health care
25 providers approved or designated by the Department as a
26 condition for continued, restored, or renewed licensure to

1 practice. Any pharmacist, registered certified pharmacy
2 technician, or registered pharmacy technician whose license
3 was granted, continued, restored, renewed, disciplined, or
4 supervised, subject to such terms, conditions, or
5 restrictions, and who fails to comply with such terms,
6 conditions, or restrictions or to complete a required program
7 of care, counseling, or treatment, as determined by the chief
8 pharmacy coordinator, shall be referred to the Secretary for a
9 determination as to whether the licensee shall have his or her
10 license suspended immediately, pending a hearing by the Board.
11 In instances in which the Secretary immediately suspends a
12 license under this subsection (g), a hearing upon such
13 person's license must be convened by the Board within 15 days
14 after such suspension and completed without appreciable delay.
15 The Department and Board shall have the authority to review
16 the subject pharmacist's, registered certified pharmacy
17 technician's, or registered pharmacy technician's record of
18 treatment and counseling regarding the impairment.

19 (h) An individual or organization acting in good faith,
20 and not in a willful and wanton manner, in complying with this
21 Section by providing a report or other information to the
22 Board, by assisting in the investigation or preparation of a
23 report or information, by participating in proceedings of the
24 Board, or by serving as a member of the Board shall not, as a
25 result of such actions, be subject to criminal prosecution or
26 civil damages. Any person who reports a violation of this

1 Section to the Department is protected under subsection (b) of
2 Section 15 of the Whistleblower Act.

3 (i) Members of the Board shall have no liability in any
4 action based upon any disciplinary proceedings or other
5 activity performed in good faith as a member of the Board. The
6 Attorney General shall defend all such actions unless he or
7 she determines either that there would be a conflict of
8 interest in such representation or that the actions complained
9 of were not in good faith or were willful and wanton.

10 If the Attorney General declines representation, the
11 member shall have the right to employ counsel of his or her
12 choice, whose fees shall be provided by the State, after
13 approval by the Attorney General, unless there is a
14 determination by a court that the member's actions were not in
15 good faith or were willful and wanton.

16 The member must notify the Attorney General within 7 days
17 of receipt of notice of the initiation of any action involving
18 services of the Board. Failure to so notify the Attorney
19 General shall constitute an absolute waiver of the right to a
20 defense and indemnification.

21 The Attorney General shall determine, within 7 days after
22 receiving such notice, whether he or she will undertake to
23 represent the member.

24 (j) The Department may adopt rules to implement,
25 administer, and enforce this Section ~~the changes made by this~~
26 ~~amendatory Act of the 102nd General Assembly.~~

12 the termination to the chief pharmacy coordinator. Such
13 reports shall be strictly confidential and may be reviewed and
14 considered only by the members of the Board or by authorized
15 Department staff. Such reports, and any records associated
16 with such reports, are exempt from public disclosure and the
17 Freedom of Information Act. Although the reports are exempt
18 from disclosure, any formal complaint filed against a licensee
19 or registrant by the Department or any order issued by the
20 Department against a licensee, registrant, or applicant shall
21 be a public record, except as otherwise prohibited by law. A
22 pharmacy shall not take any adverse action, including, but not
23 limited to, disciplining or terminating a person authorized to
24 practice under this Act ~~pharmacist, registered certified~~
25 ~~pharmacy technician, or registered pharmacy technician, as a~~

3 disciplinary action by another state or health care
4 institution that resulted from the person's ~~pharmacist's,~~
5 ~~registered certified pharmacy technician's, or registered~~
6 ~~pharmacy technician's~~ provision of, authorization of,
7 recommendation of, aiding or assistance with, referral for, or
8 participation in any health care service, if the adverse
9 action was based solely on a violation of the other state's law
10 prohibiting the provision such health care and related
11 services in the state or for a resident of the state if that
12 health care service would not have been unlawful under the
13 laws of this State and is consistent with the applicable
14 standard of conduct for the person practicing in Illinois
15 under this Act.

16 (b) The report shall be submitted to the chief pharmacy
17 coordinator in a timely fashion. Unless otherwise provided in
18 this Section, the reports shall be filed in writing, on forms

25 and telephone number of the person who is the subject of
26 the report.

1 (3) A brief description of the facts which gave rise
2 to the issuance of the report, including dates of
3 occurrence.

4 (c) The contents of any report and any records associated

14 prosecutors; or

15 (5) attorneys from the Office of the Illinois Attorney
16 General representing the Department in litigation in
17 response to specific disciplinary action the Department
18 has taken or initiated against a specific individual
19 pursuant to this Section.

21 report and provides any records associated with that report to
22 the Department, acts in good faith, and not in a willful and
23 wanton manner, the person or entity making the report and the
24 pharmacy or health care institution employing him or her shall
25 not, as a result of such actions, be subject to criminal
26 prosecution or civil damages.

22 patient care and treatment as required by law.

23 (34) Attempting to subvert or cheat on the examination
24 of the National Commission on Certification of Physician
25 Assistants or its successor agency.

26 (35) Willfully or negligently violating the

1 confidentiality between physician assistant and patient,
2 except as required by law.

3 (36) Willfully failing to report an instance of
4 suspected abuse, neglect, financial exploitation, or
5 self-neglect of an eligible adult as defined in and
6 required by the Adult Protective Services Act.

7 (37) Being named as an abuser in a verified report by
8 the Department on Aging under the Adult Protective
9 Services Act and upon proof by clear and convincing
10 evidence that the licensee abused, neglected, or
11 financially exploited an eligible adult as defined in the
12 Adult Protective Services Act.

13 (38) Failure to report to the Department an adverse
14 final action taken against him or her by another licensing
15 jurisdiction of the United States or a foreign state or
16 country, a peer review body, a health care institution, a
17 professional society or association, a governmental
18 agency, a law enforcement agency, or a court acts or
19 conduct similar to acts or conduct that would constitute
20 grounds for action under this Section.

21 (39) Failure to provide copies of records of patient
22 care or treatment, except as required by law.

23 (40) Entering into an excessive number of written
24 collaborative agreements with licensed physicians
25 resulting in an inability to adequately collaborate.

26 (41) Repeated failure to adequately collaborate with a

1 collaborating physician.

2 (42) Violating the Compassionate Use of Medical
3 Cannabis Program Act.

4 (b) The Department may, without a hearing, refuse to issue
5 or renew or may suspend the license of any person who fails to
6 file a return, or to pay the tax, penalty, or interest shown in
7 a filed return, or to pay any final assessment of the tax,
8 penalty, or interest as required by any tax Act administered
9 by the Illinois Department of Revenue, until such time as the
10 requirements of any such tax Act are satisfied.

11 (b-5) The Department shall not revoke, suspend, summarily
12 suspend, place on prohibition, reprimand, refuse to issue or
13 renew, or take any other disciplinary or non-disciplinary
14 action against a person's authorization to practice ~~the~~
15 ~~license or permit issued~~ under this Act ~~to practice as a~~
16 ~~physician assistant~~ based solely upon the person ~~physician~~
17 ~~assistant~~ providing, authorizing, recommending, aiding,
18 assisting, referring for, or otherwise participating in any
19 health care service, so long as the care was not unlawful under
20 the laws of this State, regardless of whether the patient was a
21 resident of this State or another state.

22 (b-10) The Department shall not revoke, suspend, summarily
23 suspend, place on prohibition, reprimand, refuse to issue or
24 renew, or take any other disciplinary or non-disciplinary
25 action against a person's authorization to practice ~~the~~
26 ~~license or permit issued~~ under this Act ~~to practice as a~~

1 ~~physician assistant~~ based upon the person's ~~physician~~
2 ~~assistant's~~ license, registration, or permit being revoked or
3 suspended, or the person ~~physician assistant~~ being otherwise
4 disciplined, by any other state, if that revocation,
5 suspension, or other form of discipline was based solely on
6 the person ~~physician assistant~~ violating another state's laws
7 prohibiting the provision of, authorization of, recommendation
8 of, aiding or assisting in, referring for, or participation in
9 any health care service if that health care service as
10 provided would not have been unlawful under the laws of this
11 State and is consistent with the applicable standard ~~standards~~
12 of conduct for a person ~~physician assistant~~ practicing in
13 Illinois under this Act.

14 (b-15) The conduct specified in subsections (b-5) and
15 (b-10) shall not constitute grounds for suspension under
16 Section 22.13.

17 (b-20) An applicant seeking licensure, certification, or
18 authorization pursuant to this Act who has been subject to
19 disciplinary action by a duly authorized professional
20 disciplinary agency of another jurisdiction solely on the
21 basis of having provided, authorized, recommended, aided,
22 assisted, referred for, or otherwise participated in health
23 care shall not be denied such licensure, certification, or
24 authorization, unless the Department determines that such
25 action would have constituted professional misconduct in this
26 State; however, nothing in this Section shall be construed as

1 prohibiting the Department from evaluating the conduct of such
2 applicant and making a determination regarding the licensure,
3 certification, or authorization to practice a profession under
4 this Act.

5 (c) The determination by a circuit court that a licensee
6 is subject to involuntary admission or judicial admission as
7 provided in the Mental Health and Developmental Disabilities
8 Code operates as an automatic suspension. The suspension will
9 end only upon a finding by a court that the patient is no
10 longer subject to involuntary admission or judicial admission
11 and issues an order so finding and discharging the patient,
12 and upon the recommendation of the Board to the Secretary that
13 the licensee be allowed to resume his or her practice.

14 (d) In enforcing this Section, the Department upon a
15 showing of a possible violation may compel an individual
16 licensed to practice under this Act, or who has applied for
17 licensure under this Act, to submit to a mental or physical
18 examination, or both, which may include a substance abuse or
19 sexual offender evaluation, as required by and at the expense
20 of the Department.

21 The Department shall specifically designate the examining
22 physician licensed to practice medicine in all of its branches
23 or, if applicable, the multidisciplinary team involved in
24 providing the mental or physical examination or both. The
25 multidisciplinary team shall be led by a physician licensed to
26 practice medicine in all of its branches and may consist of one

1 or more or a combination of physicians licensed to practice
2 medicine in all of its branches, licensed clinical
3 psychologists, licensed clinical social workers, licensed
4 clinical professional counselors, and other professional and
5 administrative staff. Any examining physician or member of the
6 multidisciplinary team may require any person ordered to
7 submit to an examination pursuant to this Section to submit to
8 any additional supplemental testing deemed necessary to
9 complete any examination or evaluation process, including, but
10 not limited to, blood testing, urinalysis, psychological
11 testing, or neuropsychological testing.

12 The Department may order the examining physician or any
13 member of the multidisciplinary team to provide to the
14 Department any and all records, including business records,
15 that relate to the examination and evaluation, including any
16 supplemental testing performed.

17 The Department may order the examining physician or any
18 member of the multidisciplinary team to present testimony
19 concerning the mental or physical examination of the licensee
20 or applicant. No information, report, record, or other
21 documents in any way related to the examination shall be
22 excluded by reason of any common law or statutory privilege
23 relating to communications between the licensee or applicant
24 and the examining physician or any member of the
25 multidisciplinary team. No authorization is necessary from the
26 licensee or applicant ordered to undergo an examination for

1 the examining physician or any member of the multidisciplinary
2 team to provide information, reports, records, or other
3 documents or to provide any testimony regarding the
4 examination and evaluation.

5 The individual to be examined may have, at his or her own
6 expense, another physician of his or her choice present during
7 all aspects of this examination. However, that physician shall
8 be present only to observe and may not interfere in any way
9 with the examination.

10 Failure of an individual to submit to a mental or physical
11 examination, when ordered, shall result in an automatic
12 suspension of his or her license until the individual submits
13 to the examination.

14 If the Department finds an individual unable to practice
15 because of the reasons set forth in this Section, the
16 Department may require that individual to submit to care,
17 counseling, or treatment by physicians approved or designated
18 by the Department, as a condition, term, or restriction for
19 continued, reinstated, or renewed licensure to practice; or,
20 in lieu of care, counseling, or treatment, the Department may
21 file a complaint to immediately suspend, revoke, or otherwise
22 discipline the license of the individual. An individual whose
23 license was granted, continued, reinstated, renewed,
24 disciplined, or supervised subject to such terms, conditions,
25 or restrictions, and who fails to comply with such terms,
26 conditions, or restrictions, shall be referred to the

1 Secretary for a determination as to whether the individual
2 shall have his or her license suspended immediately, pending a
3 hearing by the Department.

4 In instances in which the Secretary immediately suspends a
5 person's license under this Section, a hearing on that
6 person's license must be convened by the Department within 30
7 days after the suspension and completed without appreciable
8 delay. The Department shall have the authority to review the
9 subject individual's record of treatment and counseling
10 regarding the impairment to the extent permitted by applicable
11 federal statutes and regulations safeguarding the
12 confidentiality of medical records.

13 An individual licensed under this Act and affected under
14 this Section shall be afforded an opportunity to demonstrate
15 to the Department that he or she can resume practice in
16 compliance with acceptable and prevailing standards under the
17 provisions of his or her license.

18 (e) An individual or organization acting in good faith,
19 and not in a willful and wanton manner, in complying with this
20 Section by providing a report or other information to the
21 Board, by assisting in the investigation or preparation of a
22 report or information, by participating in proceedings of the
23 Board, or by serving as a member of the Board, shall not be
24 subject to criminal prosecution or civil damages as a result
25 of such actions.

26 (f) Members of the Board shall be indemnified by the State

1 for any actions occurring within the scope of services on the
2 Board, done in good faith and not willful and wanton in nature.
3 The Attorney General shall defend all such actions unless he
4 or she determines either that there would be a conflict of
5 interest in such representation or that the actions complained
6 of were not in good faith or were willful and wanton.

7 If the Attorney General declines representation, the
8 member has the right to employ counsel of his or her choice,
9 whose fees shall be provided by the State, after approval by
10 the Attorney General, unless there is a determination by a
11 court that the member's actions were not in good faith or were
12 willful and wanton.

13 The member must notify the Attorney General within 7 days
14 after receipt of notice of the initiation of any action
15 involving services of the Board. Failure to so notify the
16 Attorney General constitutes an absolute waiver of the right
17 to a defense and indemnification.

18 The Attorney General shall determine, within 7 days after
19 receiving such notice, whether he or she will undertake to
20 represent the member.

21 (g) The Department may adopt rules to implement,
22 administer, and enforce this Section ~~the changes made by this~~
23 ~~amendatory Act of the 102nd General Assembly.~~

6 Sec. 80. Grounds for discipline.

7 (a) The Department may refuse to issue, renew, or may
8 revoke, suspend, place on probation, reprimand, or take other

22 the laws of any jurisdiction of the United States: (i)

4 fide independent contractor or employment arrangements
5 among health care professionals, health facilities, health
6 care providers, or other entities, except as otherwise
7 prohibited by law. Any employment arrangements may include
8 provisions for compensation, health insurance, pension, or
9 other employment benefits for the provision of services

22 (16) Willfully failing to report an instance of
23 suspected child abuse or neglect as required by the Abused
24 and Neglected Child Reporting Act and in matters
25 pertaining to suspected abuse, neglect, financial
26 exploitation, or self-neglect of adults with disabilities

1 and older adults as set forth in the Adult Protective
2 Services Act.

3 (17) Being named as a perpetrator in an indicated
4 report by the Department of Children and Family Services
5 pursuant to the Abused and Neglected Child Reporting Act,

7 licensee has caused a child to be an abused child or
8 neglected child as defined in the Abused and Neglected
9 Child Reporting Act.

10 (18) Physical or mental illness or disability,

5 All fines imposed under this Section shall be paid within
6 60 days after the effective date of the order imposing the
7 fine.

8 (b) (Blank).

9 (b-5) The Department may refuse to issue or may suspend
10 without hearing, as provided for in the Code of Civil
11 Procedure, the license of any person who fails to file a
12 return, pay the tax, penalty, or interest shown in a filed
13 return, or pay any final assessment of the tax, penalty, or
14 interest as required by any tax Act administered by the
15 Illinois Department of Revenue, until such time as the
16 requirements of any such tax Act are satisfied in accordance
17 with subsection (g) of Section 2105-15 of the Department of
18 Professional Regulation Law of the Civil Administrative Code
19 of Illinois.

20 (b-10) In cases where the Department of Healthcare and
21 Family Services has previously determined a licensee or a
22 potential licensee is more than 30 days delinquent in the
23 payment of child support and has subsequently certified the
24 delinquency to the Department, the Department may refuse to
25 issue or renew or may revoke or suspend that person's license
26 or may take other disciplinary action against that person

1 based solely upon the certification of delinquency made by the
2 Department of Healthcare and Family Services in accordance
3 with item (5) of subsection (a) of Section 2105-15 of the
4 Department of Professional Regulation Law of the Civil
5 Administrative Code of Illinois.

6 (c) The determination by a court that a licensee is
7 subject to involuntary admission or judicial admission as
8 provided in the Mental Health and Developmental Disabilities
9 Code will result in an automatic suspension of his or her
10 license. The suspension will end upon a finding by a court that
11 the licensee is no longer subject to involuntary admission or
12 judicial admission, the issuance of an order so finding and
13 discharging the patient, and the recommendation of the Board
14 to the Secretary that the licensee be allowed to resume
15 professional practice.

16 (c-1) The Department shall not revoke, suspend, summarily
17 suspend, place on prohibition, reprimand, refuse to issue or
18 renew, or take any other disciplinary or non-disciplinary
19 action against a person's authorization to practice ~~the~~
20 ~~license or permit issued~~ under this Act ~~to practice as a~~
21 ~~professional counselor or clinical professional counselor~~
22 based solely upon the person ~~professional counselor or~~
23 ~~clinical professional counselor~~ authorizing, recommending,
24 aiding, assisting, referring for, or otherwise participating
25 in any health care service, so long as the care was not
26 unlawful under the laws of this State, regardless of whether

1 the patient was a resident of this State or another state.

2 (c-2) The Department shall not revoke, suspend, summarily
3 suspend, place on prohibition, reprimand, refuse to issue or
4 renew, or take any other disciplinary or non-disciplinary
5 action against a person's authorization to practice ~~the~~
6 ~~license or permit issued under this Act to practice as a~~
7 ~~professional counselor or clinical professional counselor~~
8 based upon the person's ~~professional counselor's or clinical~~
9 ~~professional counselor's~~ license, registration, or permit
10 being revoked or suspended, or the person ~~professional~~
11 ~~counselor or clinical professional counselor~~ being otherwise
12 disciplined, by any other state, if that revocation,
13 suspension, or other form of discipline was based solely on
14 the person ~~professional counselor or clinical professional~~
15 ~~counselor~~ violating another state's laws prohibiting the
16 provision of, authorization of, recommendation of, aiding or
17 assisting in, referring for, or participation in any health
18 care service if that health care service as provided would not
19 have been unlawful under the laws of this State and is
20 consistent with the applicable standard ~~standards~~ of conduct
21 for a person ~~professional counselor or clinical professional~~
22 ~~counselor~~ practicing in Illinois under this Act.

23 (c-3) The conduct specified in subsection (c-1), (c-2),
24 (c-6), or (c-7) shall not constitute grounds for suspension
25 under Section 145.

26 (c-4) An applicant seeking licensure, certification, or

1 authorization pursuant to this Act who has been subject to
2 disciplinary action by a duly authorized professional
3 disciplinary agency of another jurisdiction solely on the
4 basis of having authorized, recommended, aided, assisted,
5 referred for, or otherwise participated in health care shall
6 not be denied such licensure, certification, or authorization,
7 unless the Department determines that such action would have
8 constituted professional misconduct in this State; however,
9 nothing in this Section shall be construed as prohibiting the
10 Department from evaluating the conduct of such applicant and
11 making a determination regarding the licensure, certification,
12 or authorization to practice a profession under this Act.

13 (c-5) In enforcing this Act, the Department, upon a
14 showing of a possible violation, may compel an individual
15 licensed to practice under this Act, or who has applied for
16 licensure under this Act, to submit to a mental or physical
17 examination, or both, as required by and at the expense of the
18 Department. The Department may order the examining physician
19 to present testimony concerning the mental or physical
20 examination of the licensee or applicant. No information shall
21 be excluded by reason of any common law or statutory privilege
22 relating to communications between the licensee or applicant
23 and the examining physician. The examining physicians shall be
24 specifically designated by the Department. The individual to
25 be examined may have, at his or her own expense, another
26 physician of his or her choice present during all aspects of

1 this examination. The examination shall be performed by a
2 physician licensed to practice medicine in all its branches.
3 Failure of an individual to submit to a mental or physical
4 examination, when directed, shall result in an automatic
5 suspension without hearing.

6 All substance-related violations shall mandate an
7 automatic substance abuse assessment. Failure to submit to an
8 assessment by a licensed physician who is certified as an
9 addictionist or an advanced practice registered nurse with
10 specialty certification in addictions may be grounds for an
11 automatic suspension.

12 If the Department finds an individual unable to practice
13 or unfit for duty because of the reasons set forth in this
14 subsection (c-5), the Department may require that individual
15 to submit to a substance abuse evaluation or treatment by
16 individuals or programs approved or designated by the
17 Department, as a condition, term, or restriction for
18 continued, restored, or renewed licensure to practice; or, in
19 lieu of evaluation or treatment, the Department may file, or
20 the Board may recommend to the Department to file, a complaint
21 to immediately suspend, revoke, or otherwise discipline the
22 license of the individual. An individual whose license was
23 granted, continued, restored, renewed, disciplined, or
24 supervised subject to such terms, conditions, or restrictions,
25 and who fails to comply with such terms, conditions, or
26 restrictions, shall be referred to the Secretary for a

1 determination as to whether the individual shall have his or
2 her license suspended immediately, pending a hearing by the
3 Department.

4 A person holding a license under this Act or who has
5 applied for a license under this Act who, because of a physical
6 or mental illness or disability, including, but not limited
7 to, deterioration through the aging process or loss of motor
8 skill, is unable to practice the profession with reasonable
9 judgment, skill, or safety, may be required by the Department
10 to submit to care, counseling, or treatment by physicians
11 approved or designated by the Department as a condition, term,
12 or restriction for continued, reinstated, or renewed licensure
13 to practice. Submission to care, counseling, or treatment as
14 required by the Department shall not be considered discipline
15 of a license. If the licensee refuses to enter into a care,
16 counseling, or treatment agreement or fails to abide by the
17 terms of the agreement, the Department may file a complaint to
18 revoke, suspend, or otherwise discipline the license of the
19 individual. The Secretary may order the license suspended
20 immediately, pending a hearing by the Department. Fines shall
21 not be assessed in disciplinary actions involving physical or
22 mental illness or impairment.

23 In instances in which the Secretary immediately suspends a
24 person's license under this Section, a hearing on that
25 person's license must be convened by the Department within 15
26 days after the suspension and completed without appreciable

1 delay. The Department shall have the authority to review the
2 subject individual's record of treatment and counseling
3 regarding the impairment to the extent permitted by applicable
4 federal statutes and regulations safeguarding the
5 confidentiality of medical records.

6 An individual licensed under this Act and affected under
7 this Section shall be afforded an opportunity to demonstrate
8 to the Department that he or she can resume practice in
9 compliance with acceptable and prevailing standards under the
10 provisions of his or her license.

11 (c-6) The Department may not revoke, suspend, summarily
12 suspend, place on prohibition, reprimand, refuse to issue or
13 renew, or take any other disciplinary or non-disciplinary
14 action against a person's authorization to practice ~~the~~
15 ~~license or permit issued~~ under this Act ~~to practice as a~~
16 ~~professional counselor or clinical professional counselor~~
17 based solely upon an immigration violation by the person
18 ~~counselor~~.

19 (c-7) The Department may not revoke, suspend, summarily
20 suspend, place on prohibition, reprimand, refuse to issue or
21 renew, or take any other disciplinary or non-disciplinary
22 action against a person's authorization to practice ~~the~~
23 ~~license or permit issued~~ under this Act ~~to practice as a~~
24 ~~professional counselor or clinical professional counselor~~
25 based upon the person's ~~professional counselor's or clinical~~
26 ~~professional counselor's~~ license, registration, or permit

1 being revoked or suspended, or the person ~~professional~~
2 ~~counselor or clinical professional counselor~~ being otherwise
3 disciplined, by any other state, if that revocation,
4 suspension, or other form of discipline was based solely upon
5 an immigration violation by the person ~~counselor~~.

6 (d) (Blank).

7 (e) The Department may adopt rules to implement,
8 administer, and enforce this Section ~~the changes made by this~~
9 ~~amendatory Act of the 102nd General Assembly.~~

12 Section 55. The Wholesale Drug Distribution Licensing Act
13 is amended by changing Section 55 as follows:

14 (225 ILCS 120/55) (from Ch. 111, par. 8301-55)

15 (Section scheduled to be repealed on January 1, 2028)

16 Sec. 55. Discipline; grounds.

17 (a) The Department may refuse to issue, restore, or renew,
18 or may revoke, suspend, place on probation, reprimand or take
19 other disciplinary or non-disciplinary action as the
20 Department may deem appropriate, including imposing fines not
21 to exceed \$10,000 for each violation, with regard to any
22 applicant or licensee or any officer, director, manager, or
23 shareholder who owns 5% or more interest in the business that
24 holds the license for any one or a combination of the following

1 reasons:

2 (1) Violation of this Act or of the rules adopted
3 under this Act.

4 (2) Aiding or assisting another person in violating
5 any provision of this Act or the rules adopted under this
6 Act.

7 (3) Failing, within 60 days, to provide information in
8 response to a written requirement made by the Department.

9 (4) Engaging in dishonorable, unethical, or
10 unprofessional conduct of a character likely to deceive,
11 defraud, or harm the public. This includes violations of
12 "good faith" as defined by the Illinois Controlled
13 Substances Act and applies to all prescription drugs.

14 (5) Discipline by another U.S. jurisdiction or foreign
15 nation, if at least one of the grounds for the discipline
16 is the same or substantially equivalent to those set forth
17 in this Act.

18 (6) Selling or engaging in the sale of drug samples

23 assisted, referred for, or otherwise participated in health
24 care shall not be denied such licensure, certification, or
25 authorization, unless the Department determines that such
26 action would have constituted professional misconduct in this

5 this Act.

6 (c) The determination by a circuit court that a registrant
7 is subject to involuntary admission or judicial admission as

11 longer subject to involuntary admission or judicial admission,
12 (2) issuance of an order so finding and discharging the

14 demonstrating fitness to practice.

15 (d) (Blank).

16 (e) In cases where the Department of Healthcare and Family
17 Services has previously determined a registrant or a potential
18 registrant is more than 30 days delinquent in the payment of
19 child support and has subsequently certified the delinquency
20 to the Department, the Department may refuse to issue or renew
21 or may revoke or suspend that person's registration or may
22 take other disciplinary action against that person based
23 solely upon the certification of delinquency made by the
24 Department of Healthcare and Family Services in accordance
25 with paragraph (5) of subsection (a) of Section 2105-15 of the
26 Department of Professional Regulation Law of the Civil

1 Administrative Code of Illinois.

2 (f) In enforcing this Section, the Department, upon a
3 showing of a possible violation, may compel any individual
4 registered under this Act or any individual who has applied
5 for registration to submit to a mental or physical examination
6 and evaluation, or both, that may include a substance abuse or
7 sexual offender evaluation, at the expense of the Department.
8 The Department shall specifically designate the examining
9 physician licensed to practice medicine in all of its branches
10 or, if applicable, the multidisciplinary team involved in
11 providing the mental or physical examination and evaluation,
12 or both. The multidisciplinary team shall be led by a
13 physician licensed to practice medicine in all of its branches
14 and may consist of one or more or a combination of physicians
15 licensed to practice medicine in all of its branches, licensed
16 chiropractic physicians, licensed clinical psychologists,
17 licensed clinical social workers, licensed clinical
18 professional counselors, and other professional and
19 administrative staff. Any examining physician or member of the
20 multidisciplinary team may require any person ordered to

12 examination and evaluation shall be excluded by reason of any
13 common law or statutory privilege relating to communication
14 between the registrant or applicant and the examining
15 physician or any member of the multidisciplinary team. No
16 authorization is necessary from the registrant or applicant
17 ordered to undergo an evaluation and examination for the
18 examining physician or any member of the multidisciplinary
19 team to provide information, reports, records, or other
20 documents or to provide any testimony regarding the
21 examination and evaluation. The individual to be examined may
22 have, at the individual's own expense, another physician of
23 the individual's choice present during all aspects of the
24 examination.

25 Failure of any individual to submit to mental or physical
26 examination and evaluation, or both, when directed, shall

1 result in an automatic suspension without a hearing until such
2 time as the individual submits to the examination. If the
3 Department finds a registrant unable to practice because of
4 the reasons set forth in this Section, the Department shall
5 require such registrant to submit to care, counseling, or
6 treatment by physicians approved or designated by the
7 Department as a condition for continued, reinstated, or
8 renewed registration.

9 When the Secretary immediately suspends a registration
10 under this Section, a hearing upon such person's registration
11 must be convened by the Department within 15 days after such
12 suspension and completed without appreciable delay. The
13 Department shall have the authority to review the registrant's
14 record of treatment and counseling regarding the impairment to
15 the extent permitted by applicable federal statutes and
16 regulations safeguarding the confidentiality of medical
17 records.

18 Individuals registered under this Act and affected under
19 this Section shall be afforded an opportunity to demonstrate
20 to the Department that they can resume practice in compliance
21 with acceptable and prevailing standards under the provisions
22 of their registration.

23 (g) All fines imposed under this Section shall be paid
24 within 60 days after the effective date of the order imposing
25 the fine or in accordance with the terms set forth in the order
26 imposing the fine.

22 (410 ILCS 620/14) (from Ch. 56 1/2, par. 514)

23 Sec. 14. A drug or device is adulterated: (a) (1) If it

1 consists in whole or in part of any filthy, putrid or
2 decomposed substance; or (2) (A) if it has been produced,
3 prepared, packed or held under unsanitary conditions whereby
4 it may have been contaminated with filth or whereby it may have
5 been rendered injurious to health; or (B) if it is a drug and
6 the methods used in, or the facilities or controls used for,
7 its manufacture, processing, packing or holding do not conform
8 to or are not operated or administered in conformity with
9 current good manufacturing practice to assure that such drug
10 meets the requirements of the Act as to safety and has the
11 identity and strength and meets the quality and purity
12 characteristics which it purports or is represented to
13 possess; or (3) if it is a drug and its container is composed,
14 in whole or in part, of any poisonous or deleterious substance
15 which may render the contents injurious to health; or (4) if
16 (A) it is a drug and it bears or contains, for purposes of
17 coloring only, a color additive which is unsafe within the
18 meaning of Section 706 of the Federal Act or (B) it is a color
19 additive, the intended use of which in or on drugs or devices
20 is for purposes of coloring only and is unsafe within the
21 meaning of Section 706 of the Federal Act; or (5) if it is a
22 new animal drug which is unsafe within the meaning of Section
23 512 of the Federal Act; or (6) if it is an animal feed bearing
24 or containing a new animal drug, and such animal feed is unsafe
25 within the meaning of Section 512 of the Federal Act.

26 (b) If it purports to be or is represented as a drug the

1 name of which is recognized in an official compendium, and its
2 strength differs from or its quality or purity falls below the
3 standard set forth in such compendium. Such determination as
4 to strength, quality or purity shall be made in accordance
5 with the tests or methods of assay set forth in such compendium
6 or in the absence of or inadequacy of such tests or methods of
7 assay, those prescribed under authority of the Federal Act. No
8 drug defined in an official compendium is adulterated under
9 this subsection because it differs from the standard of
10 strength, quality or purity therefor set forth in such
11 compendium, if its difference in strength, quality or purity
12 from such standard is plainly stated on its label. When a drug
13 is recognized in both the United States Pharmacopoeia -
14 National Formulary and the Homeopathic Pharmacopoeia of the
15 United States it shall be subject to the requirements of the
16 United States Pharmacopoeia - National Formulary unless it is
17 labeled and offered for sale as a homeopathic drug, in which
18 case it shall be subject to the provisions of the Homeopathic
19 Pharmacopoeia of the United States and not to those of the
20 United States Pharmacopoeia - National Formulary.

21 (c) If it is not subject to the provisions of subsection
22 (b) of this Section and its strength differs from or its purity
23 or quality falls below that which it purports or is
24 represented to possess.

25 (d) If it is a drug and any substance has been (1) mixed or
26 packed therewith so as to reduce its quality or strength; or

1 (2) substituted wholly or in part therefor.

2 (e) If it is, or purports to be or is represented as, a
3 device which is subject to a performance standard established
4 under Section 514 of the Federal Act, unless such device is in
5 all respects in conformity with such standard.

6 (f) If it is a device and the methods used in, or the
7 facilities or controls used for, its manufacture, packing,
8 storage, or installations are not in conformity with
9 applicable requirements under Section 520(b)(1) of the Federal
10 Act or an applicable condition as prescribed by an order under
11 Section 520(b)(2) of the Federal Act.

12 (g) If it is a device for which an exemption has been
13 granted under Section 520(g) of the Federal Act for
14 investigational use and the person who was granted such
15 exemption fails to comply with a requirement prescribed by or
16 under such Section.

17 (h) A drug's status as not approved by the U.S. Food and
18 Drug Administration shall not cause it to be deemed an
19 adulterated drug in violation of this Act if its safety and
20 efficacy have been established by peer-reviewed research or if
21 it is recommended for use by the World Health Organization,
22 even if the drug's labelling reflects prior approval that is
23 no longer in effect, so long as such labelling was true and
24 accurate at the time of manufacture.

1 (410 ILCS 620/15) (from Ch. 56 1/2, par. 515)

2 Sec. 15. A drug or device is misbranded - (a) If its
3 labeling is false or misleading in any particular.

4 (b) If in package form unless it bears a label containing
5 (1) the name and place of business of the manufacturer, packer
6 or distributor; and (2) an accurate statement of the quantity
7 of the contents in terms of weight, measure or numerical
8 count. However, under paragraph (2) of this subsection
9 reasonable variations shall be permitted and exemptions as to
10 small packages shall be allowed, in accordance with
11 regulations prescribed by the Director or issued under the
12 Federal Act.

13 (c) If any word, statement or other information required
14 by or under authority of this Act to appear on the label or
15 labeling is not prominently placed thereon with such
16 conspicuousness (as compared with other words, statements,
17 designs or devices, in the labeling) and in such terms as to
18 render it likely to be read and understood by the ordinary
19 person under customary conditions of purchase and use.

20 (d) If it is for use by man and contains any quantity of
21 the narcotic or hypnotic substance alpha-eucaine, barbituric
22 acid, beta-eucaine, bromal, cannabis, carbromal, chloral,
23 coca, cocaine, codeine, heroin, marihuana, morphine, opium,
24 paraldehyde, peyote or sulphonmethane, (or any chemical
25 derivative of such substance, which derivative, after
26 investigation, has been found to be and is designated as habit

1 forming, by regulations issued by the Director under this Act,
2 or by regulations issued pursuant to Section 502(d) of the
3 Federal Act) unless its label bears the name and quantity or
4 proportion of such substance or derivative and in
5 juxtaposition therewith the statement "Warning--May be habit
6 forming".

7 (e) (1) If it is a drug, unless (A) its label bears to the
8 exclusion of any other nonproprietary name (except the
9 applicable systematic chemical name or the chemical formula),
10 (i) the established name (as defined in paragraph (2) of this
11 subsection) of the drug, if such there be; and (ii), in case it
12 is fabricated from 2 or more ingredients, the established name
13 and quantity of each active ingredient, including the kind and
14 quantity or proportion of any alcohol, and also including
15 whether active or not, the established name and quantity or
16 proportion of any bromides, ether, chloroform, acetanilid,
17 acetphenetidin, amidopyrine, antipyrine, atropine, hyoscine,
18 hyoscyamine, arsenic, digitalis, digitalis glucosides,
19 mercury, ouabain, strophanthin, strychnine, thyroid or any
20 derivative or preparation of any such substances contained
21 therein, except the requirement for stating the quantity of
22 the active ingredients, other than the quantity of those
23 specifically named in this paragraph, shall apply only to
24 prescription drugs; and, (B) for any prescription drug the
25 established name of such drug or ingredient, as the case may
26 be, on such label (and on any labeling on which a name for such

1 drug or ingredient is used) is printed prominently and in type
2 at least half as large as that used thereon for any proprietary
3 name or designation for such drug or ingredient to the extent
4 that compliance with the requirements of subclause (ii) of
5 clause (A) or clause (B) of this paragraph is impracticable,
6 exemptions may be allowed under regulations promulgated by the
7 Director or under the Federal Act.

8 (2) As used in paragraph (1) of this subsection (e),
9 "established name", with respect to a drug or ingredient
10 thereof, means (A) the applicable official name designated
11 pursuant to Section 508 of the Federal Act, or (B) if there is
12 no such name and such drug or such ingredient is an article
13 recognized in an official compendium, then the official title
14 thereof in such compendium or (C) if neither clause (A) nor
15 clause (B) of this paragraph applies, then the common or usual
16 name, if any, of such drug or of such ingredient. However,
17 where clause (B) of this paragraph applies to an article
18 recognized in the United States Pharmacopoeia - National
19 Formulary and in the Homeopathic Pharmacopoeia under different
20 official titles, the official title used in the United States
21 Pharmacopoeia - National Formulary shall apply unless it is
22 labeled and offered for sale as a homeopathic drug, in which
23 case the official title used in the Homeopathic Pharmacopoeia
24 shall apply.

25 (3) If it is a device and it has an established name,
26 unless its label bears, to the exclusion of any other

1 nonproprietary name, its established name (as defined in
2 paragraph (4) of this subsection (e)) prominently printed in
3 type at least half as large as that used thereon for any
4 proprietary name or designation for such device, except that
5 to the extent compliance with this paragraph (3) is
6 impracticable, exemptions shall be allowed under regulations
7 promulgated under the Federal Act.

8 (4) As used in paragraph (3), "established name", with
9 respect to a device, means (A) the applicable official name of
10 the device designated pursuant to Section 508 of the Federal
11 Act, (B) if there is no such name and such device is an article
12 recognized in an official compendium, then the official title
13 thereof in such compendium, or (C) if neither clause (A) nor
14 clause (B) of this paragraph applies, then any common or usual
15 name.

16 (f) Unless its labeling bears (1) adequate directions for
17 use; and (2) such adequate warnings against use in those
18 pathological conditions or by children where its use may be
19 dangerous to health or against unsafe dosage or methods or
20 duration of administration or application in such manner and
21 form as are necessary for the protection of users. However,
22 where any requirement of clause (1) of this subsection (f) as
23 applied to any drug or device, is not necessary for the
24 protection of the public health, the Director shall promulgate
25 regulations exempting such drug or device from such
26 requirements; and the articles exempted under regulations

1 issued under Section 502(f) of the Federal Act may also be
2 exempt.

3 (g) If it purports to be a drug the name of which is
4 recognized in an official compendium, unless it is packaged
5 and labeled as prescribed therein. However, the method of
6 packing may be modified with the consent of the Director, or if
7 consent is obtained under the Federal Act. When a drug is
8 recognized in both the United States Pharmacopoeia - National
9 Formulary and the Homeopathic Pharmacopoeia of the United
10 States, it shall be subject to the requirements of the United
11 States Pharmacopoeia - National Formulary with respect to
12 packaging and labeling unless it is labeled and offered for
13 sale as a homeopathic drug, in which case it shall be subject
14 to the provisions of the Homeopathic Pharmacopoeia of the
15 United States and not to those of the United States
16 Pharmacopoeia - National Formulary; and, in the event of
17 inconsistency between the requirements of this subsection and
18 those of subsection (e) as to the name by which the drug or its
19 ingredients shall be designated, the requirements of
20 subsection (e) shall prevail.

21 (h) If it has been found by the Director or under the
22 Federal Act to be a drug liable to deterioration, unless it is
23 packaged in such form and manner, and its label bears a
24 statement of such precautions, as the regulations issued by
25 the Director or under the Federal Act require as necessary for
26 the protection of public health. No such regulation shall be

1 established for any drug recognized in an official compendium
2 until the Director shall have informed the appropriate body
3 charged with the revision of such compendium of the need for
4 such packaging or labeling requirements and such body shall
5 have failed within a reasonable time to prescribe such
6 requirements.

7 (i) (1) If it is a drug and its container is so made,
8 formed or filled as to be misleading; or (2) if it is an
9 imitation of another drug; or (3) if it is offered for sale
10 under the name of another drug.

11 (j) If it is dangerous to health when used in the dosage
12 (or manner) or with the frequency or duration prescribed,
13 recommended or suggested in the labeling thereof.

14 (k) If it is or purports to be or is represented as a drug
15 composed wholly or partly of insulin, unless (1) it is a batch
16 with respect to which a certificate or release has been issued
17 pursuant to Section 506 of the Federal Act and (2) such
18 certificate or release is in effect with respect to such drug.

19 (l) If it is or purports to be or is represented as a drug
20 (except a drug for use in animals other than man) composed
21 wholly or partly of any kind of penicillin, streptomycin,
22 chlortetracycline, chloramphenicol or bacitracin or any other
23 antibiotic drug or any derivative thereof unless (1) it is
24 from a batch with respect to which a certificate or release has
25 been issued pursuant to Section 507 of the Federal Act and (2)
26 such certificate or release is in effect with respect to such

1 drug. However, this subsection (1) shall not apply to any drug
2 or class of drugs exempted by regulations promulgated under
3 Section 507(c) or (d) of the Federal Act. For the purpose of
4 this subsection, "antibiotic drug" means any drug intended for
5 use by man containing any quantity of any chemical substance
6 which is produced by a microorganism and which has the
7 capacity to inhibit or destroy microorganisms in dilute
8 solution (including the chemically synthesized equivalent of
9 any such substance).

10 (m) If it is a color additive, the intended use of which in
11 or on drugs is for the purpose of coloring only, unless its
12 packaging and labeling are in conformity with such packaging
13 and labeling requirements applicable to such color additive
14 prescribed under the provision of Section 13(b) or of the
15 Federal Act.

16 (n) In the case of any prescription drug distributed or
17 offered for sale in this State, unless the manufacturer,
18 packer or distributor thereof includes in all advertisements
19 and other descriptive printed matter issued or caused to be
20 issued by the manufacturer, packer or distributor with respect
21 to that drug a true statement of (1) the established name as
22 defined in paragraph (2) of subsection (e) of Section 15 of
23 this Act, (2) the formula showing quantitatively each
24 ingredient of such drug to the extent required for labels
25 under Section 502(e) of the Federal Act, and (3) such other
26 information in brief summary relating to side effects,

1 contraindications, and effectiveness as shall be required in
2 regulations issued under the Federal Act.

3 (o) If it was manufactured, prepared, propagated,
4 compounded or processed in an establishment in this State not
5 duly registered under Section 510 of the Federal Act, if it was
6 not included in a list required by Section 510(j) of the
7 Federal Act, if a notice or other information respecting it
8 was not provided as required by such Section or Section 510(k)
9 of the Federal Act, or if it does not bear such symbols from
10 the uniform system for identification of devices prescribed
11 under Section 510(e) of the Federal Act as required by
12 regulation.

13 (p) If a trademark, trade name or other identifying mark,
14 imprint or device of another or any likeness of the foregoing
15 has been placed thereon or upon its container with intent to
16 defraud.

17 (q) If it is a drug and its packaging or labeling is in
18 violation of an applicable regulation issued pursuant to
19 Section 3, 4 or 5 of the Illinois Poison Prevention Packaging
20 Act.

21 (r) In the case of any restricted device distributed or
22 offered for sale in this State, if (1) its advertising is false
23 or misleading in any particular, or (2) it is sold,
24 distributed or used in violation or regulations prescribed
25 under Section 520(e) of the Federal Act.

26 (s) In the case of any restricted device distributed or

1 offered for sale in this State, unless the manufacturer,
2 packer or distributor thereof includes in all advertisements
3 and other descriptive printed matter issued by the
4 manufacturer, packer or distributor with respect to that
5 device (1) a true statement of the device's established name
6 as defined in Section 502(e) of the Federal Act or subsection
7 (e) of Section 15 of this Act, printed prominently and in type
8 at least half as large as that used for any trade or brand name
9 thereof, and (2) a brief statement of the intended uses of the
10 device and relevant warnings, precautions, side effects and
11 contraindications and in the case of specific devices made
12 subject to regulations issued under the Federal Act, a full
13 description of the components of such device or the formula
14 showing quantitatively each ingredient of such device to the
15 extent required in regulations under the Federal Act.

16 (t) If it is a device subject to a performance standard
17 established under Section 514 of the Federal Act, unless it
18 bears such labeling as may be prescribed in such performance
19 standard.

20 (u) If it is a device and there was a failure or refusal
21 (1) to comply with any requirement prescribed under Section
22 518 of the Federal Act respecting the device, or (2) to furnish
23 material required by or under Section 519 of the Federal Act
24 respecting the device.

25 (v) A drug's status as not approved by the U.S. Food and
26 Drug Administration shall not cause it to be deemed a

1 misbranded drug in violation of this Act if its safety and
2 efficacy have been established by peer-reviewed research or if
3 it is recommended for use by the World Health Organization,
4 even if the drug's labelling reflects prior approval that is
5 no longer in effect, so long as such labelling was true and
6 accurate at the time of manufacture.
