1 AN ACT concerning care for persons with intellectual or
2 developmental disabilities.

3 **Be it enacted by the People of the State of Illinois,**
4 **represented in the General Assembly:**

5 Section 1. This Act may be referred to as the Community
6 Disability Living Wage Act.

7 Section 2. Findings.

8 (1) An estimated 22,000 children and adults with
9 intellectual or developmental disabilities are supported in
10 community-based settings in Illinois; direct support
11 professionals (DSPs) are trained paraprofessional staff who
12 are engaged in activities of daily living and community
13 support; too many of these employees earn wages that place
14 them and their families below the poverty level.

15 (2) In Illinois, nearly half of direct care workers rely
16 on public assistance to make ends meet, creating additional
17 expenditures for State government; low wages are a consequence
18 of the historically low reimbursement rates paid by the State
19 of Illinois to community-based service providers.

20 (3) The lack of adequate wages for employees who perform
21 the challenging work of supporting persons with intellectual
22 or developmental disabilities results in high employee
23 turnover, which in turn negatively impacts the quality of

1 services provided, higher wages are proven to reduce staff
2 turnover, improving stability and quality of services while
3 reducing employer training costs.

4 (4) A December 2020 report issued by an independent
5 consulting group commissioned by the State to propose changes
6 to the State's reimbursement for community disability agencies
7 recommended that addressing DSP wages was the number one
8 priority for ensuring compliance with the mandates of the
9 Ligas Consent Decree, and further recommended that wages for
10 DSPs should be fixed at 150% of the prevailing minimum wage
11 plus additional funding for benefits.

12 (5) The difference between 150% of the State minimum wage
13 on January 1, 2027 and the hourly DSP wage rate set by the
14 State amounts to \$1.20 per hour.

15 (6) The General Assembly finds that in order to reduce
16 turnover, increase retention, fill vacancies, and ensure DSPs
17 are adequately compensated for the critically important work
18 they do, an increase in rates and reimbursements to
19 community-based service providers to effectuate an increase in
20 the hourly wage paid to DSPs is needed.

21 Section 3. Purpose and intent. It is the purpose of this
22 Act to increase the wages of DSPs and other frontline staff in
23 community disability agencies beyond the poverty level and to
24 a level competitive with rival employers and above the State
25 minimum wage, in an effort to improve the lives of DSPs and the

1 lives of the vulnerable persons they support.

2 It is the intent of the General Assembly to ensure that all
3 funds resulting from rate increases provided to community
4 disability agencies are allocated to frontline employee wages
5 in order to address the current workforce crisis which is the
6 primary obstacle to the availability of community-based
7 services for people with disabilities.

8 Section 5. The Illinois Administrative Procedure Act is
9 amended by adding Sections 5-45.71 and 5-45.72 as follows:

10 (5 ILCS 100/5-45.71 new)

11 Sec. 5-45.71. Emergency rulemaking; DHS rate increase for
