LRB104 17875 RTM 34587 a

1 AMENDMENT TO SENATE BILL 2952

2 AMENDMENT NO. \_\_\_\_\_. Amend Senate Bill 2952 by replacing  
3 everything after the enacting clause with the following:

4 "Section 1. Short title. This Act may be cited as the  
5 Protection from Vehicle Impacts Act.

6 Section 5. Definitions. As used in this Act:

7 "Day care center" means an establishment providing care  
8 for more than 3 adults or children in a protective setting for  
9 less than 24 hours per day that is not located within a  
10 residential dwelling unit. "Day care center" does not include  
11 day care programs operated by an elementary school, middle  
12 school, high school, park, or place of worship.

13 "Outdoor dining area" means an outdoor seating area for a  
14 restaurant.

15 "Outdoor play area" means an outdoor area owned or  
16 controlled by a day care center that is designated by the day

1 care center for use solely or primarily for children's  
2 recreation.

3 "Residential care facility" means a care facility licensed  
4 for 24-hour medical or non-medical care of people in need of  
5 supervision or assistance essential for daily living or for  
6 the protection of the individual. "Residential care facility"  
7 includes assisted living facilities, independent living  
8 facilities, nursing homes, hospice facilities, and continuum  
9 of care facilities. "Residential care facility" does not  
10 include community residences or transitional treatment  
11 facilities.

12 "Restaurant" has the meaning given to that term in the  
13 Smoke Free Illinois Act.

14 "Vehicle impact protection device" means a concrete or  
15 metal barrier that is designed to protect people and property  
16 from moving vehicles. "Vehicle impact protection device"  
17 includes, but is not limited to, a bollard or decorative  
18 planter designed to protect people and property from moving  
19 vehicles.

20 Section 10. Vehicle impact protection device requirements.

21 (a) The owner or operator of a residential care facility  
22 shall install and maintain vehicle impact protection devices  
23 in front of all public entrances of the facility.

24 (b) The owner or operator of a restaurant shall install  
25 and maintain vehicle impact protection devices:

1 (1) if the restaurant is in an area zoned as a business  
2 or manufacturing district, in front of all public  
3 entrances of the restaurant; and

4 (2) if the restaurant has an outdoor dining area, then  
5 around any outdoor dining area.

6 (c) The owner or operator of a day care center shall  
7 install and maintain vehicle impact protection devices:

8 (1) if the day care center is in an area zoned as a  
9 business or manufacturing district, in front of all public  
10 entrances of the day care center; and

11 (2) if the day care center has an outdoor play area,  
12 then around any outdoor play area.

13 Section 15. Standards for vehicle impact protection  
14 devices.

15 (a) Vehicle protection devices required under this Act  
16 shall comply with the requirements of this Section.

17 (b) The Department of Transportation shall adopt rules  
18 establishing the requirements for the vehicle impact  
19 protection devices required under this Act.

20 (c) The vehicle impact protection devices shall be  
21 designed to withstand, at minimum, an impact resistance level  
22 of 5,000 pounds at 30 miles per hour. The devices must have a  
23 minimum height of 3 feet and must be spaced 48 inches from  
24 inside edge to inside edge of the device. Vehicle impact  
25 protection devices must not restrict access to the building

1 and must be designed and installed to meet the requirements of  
2 the Illinois Accessibility Code and all other State and  
3 federal laws.

4 (d) Vehicle impact protection devices may be located along  
5 the outside wall of a building, along the edge of an adjacent  
6 sidewalk, at the end of an adjacent parking space, or in other  
7 locations approved by the Department of Transportation. If  
8 vehicle impact protection devices are located within a parking  
9 space, then the parking space must be adequately sized to meet  
10 the requirements set by units of local government with  
11 jurisdiction over the parking space.

12 (e) A municipality may, by ordinance, require vehicle  
13 impact protection devices installed within the municipality to  
14 be manufactured from finished metal or have a decorative cover  
15 that is complementary to the design of the associated  
16 building, storefront, outdoor dining area, or day care center.

17 (f) A county may, by ordinance, require vehicle impact  
18 protection devices installed within the county and outside the  
19 corporate limits of a municipality to be manufactured from  
20 finished metal or have a decorative cover that is  
21 complementary to the design of the associated building,  
22 storefront, outdoor dining area, or day care center.

23 Section 20. Enforcement. The Department of Public Health  
24 shall require restaurants to comply with this Act. The  
25 Department of Public Health shall adopt rules to enforce this

1 Section.

2 Section 900. The Nursing Home Care Act is amended by  
3 adding Section 3-225 as follows:

4 (210 ILCS 45/3-225 new)

5 Sec. 3-225. The Protection from Vehicle Impacts Act.

6 (a) As used in this Section, "residential care facility"  
7 has the meaning given to that term in the Protection from  
8 Vehicle Impacts Act.

9 (b) The Department shall require residential care  
10 facilities to comply with the Protection from Vehicle Impacts  
11 Act. The Department shall adopt rules to enforce this Section.

12 Section 905. The Child Care Act of 1969 is amended by  
13 adding Section 18.2 as follows:

14 (225 ILCS 10/18.2 new)

15 Sec. 18.2. The Protection from Vehicle Impacts Act.

16 (a) As used in this Section, "day care center" has the  
17 meaning given to that term in the Protection from Vehicle  
18 Impacts Act.

19 (b) The Department of Early Childhood shall require day  
20 care centers to comply with the Protection from Vehicle  
21 Impacts Act. The Department of Early Childhood shall adopt  
22 rules to enforce this Section."
