

104TH GENERAL ASSEMBLY

State of Illinois

2025 and 2026

SB3306

Introduced 2/3/2026, by Sen. David Koehler

SYNOPSIS AS INTRODUCED:

50 ILCS 705/10.19

Amends the Illinois Police Training Act. Provides that the Illinois Law Enforcement Training Standards Board shall conduct or approve a required (rather than optional) advanced training program for law enforcement officers to recognize and respond to anaphylaxis, including the administration of an epinephrine auto-injector. Provides that a local law enforcement agency shall authorize (rather than may authorize) a law enforcement officer who has completed the required advanced training regarding anaphylaxis and the administration of an epinephrine auto-injector to carry, administer, or assist with the administration of epinephrine auto-injectors provided by the local law enforcement agency whenever the officer is performing official duties. Allows rulemaking by the Illinois Law Enforcement Training Standards Board to implement the amendatory Act.

LRB104 19031 TRT 32476 b

1 AN ACT concerning government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Police Training Act is amended by
5 adding Section 10.19 as follows:

6 (50 ILCS 705/10.19)

7 Sec. 10.19. Training; administration of epinephrine.

8 (a) This Section, along with Section 40 of the Illinois
9 State Police Act, may be referred to as the Annie LeGere Law.

10 (b) For purposes of this Section, "epinephrine
11 auto-injector" means a single-use device used for the
12 automatic injection of a pre-measured dose of epinephrine into
13 the human body prescribed in the name of a local law
14 enforcement agency.

15 (c) The Board shall conduct or approve a required ~~an~~
16 ~~optional~~ advanced training program for law enforcement
17 officers to recognize and respond to anaphylaxis, including
18 the administration of an epinephrine auto-injector. The
19 training must include, but is not limited to:

20 (1) how to recognize symptoms of an allergic reaction;

21 (2) how to respond to an emergency involving an
22 allergic reaction;

23 (3) how to administer an epinephrine auto-injector;

1 (4) how to respond to an individual with a known
2 allergy as well as an individual with a previously unknown
3 allergy;

4 (5) a test demonstrating competency of the knowledge
5 required to recognize anaphylaxis and administer an
6 epinephrine auto-injector; and

7 (6) other criteria as determined in rules adopted by
8 the Board.

9 (d) A local law enforcement agency shall ~~may~~ authorize a
10 law enforcement officer who has completed the required ~~an~~
11 ~~optional~~ advanced training program under subsection (c) to
12 carry, administer, or assist with the administration of
13 epinephrine auto-injectors provided by the local law
14 enforcement agency whenever the officer is performing official
15 duties.

16 (e) Each ~~A~~ local law enforcement agency that authorizes
17 its officers to carry and administer epinephrine
18 auto-injectors under subsection (d) must establish a policy to
19 control the acquisition, storage, transportation,
20 administration, and disposal of epinephrine auto-injectors and
21 to provide continued training in the administration of
22 epinephrine auto-injectors.

23 (f) A physician, physician assistant with prescriptive
24 authority, or advanced practice registered nurse with
25 prescriptive authority may provide a standing protocol or
26 prescription for epinephrine auto-injectors in the name of a

1 local law enforcement agency to be maintained for use when
2 necessary.

3 (g) When a law enforcement officer administers an
4 epinephrine auto-injector in good faith, the law enforcement
5 officer and local law enforcement agency, and its employees
6 and agents, including a physician, physician assistant with
7 prescriptive authority, or advanced practice registered nurse
8 with prescriptive authority who provides a standing order or
9 prescription for an epinephrine auto-injector, incur no civil
10 or professional liability, except for willful and wanton
11 conduct, or as a result of any injury or death arising from the
12 use of an epinephrine auto-injector.

13 (h) The Board shall adopt rules to implement this Section,
14 including, but not limited to:

15 (1) minimum training standards;

16 (2) guidelines to control the acquisition, storage,
17 transportation, administration, and disposal of
18 epinephrine auto-injectors; and

19 (3) documentation and reporting requirements following
20 the administration of epinephrine by a law enforcement
21 officer.
