

SB3307

104TH GENERAL ASSEMBLY

State of Illinois

2025 and 2026

SB3307

Introduced 2/3/2026, by Sen. Michael W. Halpin

SYNOPSIS AS INTRODUCED:

20 ILCS 2705/2705-635 new

Amends the Department of Transportation Law of the Civil Administrative Code of Illinois. Requires the Department of Transportation, in consultation and collaboration with the Department of Central Management Services and the Capital Development Board, to develop one or more standards for State purchases of appliances, concrete, asphalt, steel, and other building materials, subject to appropriation or the award of grant funding for this purpose. Provides that in developing these standards, the establishment of a maximum acceptable Global Warming Potential standard, as well as ways to promote and facilitate the use of life cycle assessments and environmental product declarations, shall be considered when considering bids for State-funded infrastructure projects.

LRB104 18881 LNS 32326 b

A BILL FOR

1 AN ACT concerning State government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Department of Transportation Law of the
5 Civil Administrative Code of Illinois is amended by adding
6 Section 2705-635 as follows:

7 (20 ILCS 2705/2705-635 new)

8 Sec. 2705-635. Sustainability standards. To reduce the
9 carbon intensity and increase the sustainability of
10 State-funded infrastructure projects, the Department of
11 Transportation, in consultation and collaboration with the
12 Department of Central Management Services and the Capital
13 Development Board, shall develop one or more standards for
14 State purchases of appliances, concrete, asphalt, steel, and
15 other building materials, subject to appropriation or the
16 award of grant funding for this purpose. In developing these
17 standards, the establishment of a maximum acceptable Global
18 Warming Potential standard, as well as ways to promote and
19 facilitate the use of life cycle assessments and environmental
20 product declarations, shall be considered when considering
21 bids for State-funded infrastructure projects.
