1 AMENDMENT TO SENATE BILL 3316

2 AMENDMENT NO. \_\_\_\_\_. Amend Senate Bill 3316 by replacing  
3 everything after the enacting clause with the following:

4 "Section 1. Short title. This Act may be cited as the  
5 Emerging Adult Criminal Justice Task Force Act.

6 Section 5. Findings. The General Assembly finds that:

7 (1) Emerging adults are disproportionately involved in  
8 the criminal justice system. National data consistently  
9 show that individuals in this age group have the highest  
10 rates of arrest, jail admissions, prison admissions, and  
11 rearrest.

12 (2) Developmental psychology and neuroscience conclude  
13 that judgment, impulse control, and psychosocial maturity  
14 continue developing into the mid-20s. Emerging adults  
15 differ significantly from older adults in risk assessment,  
16 susceptibility to peer influence, emotional regulation,

1 and decision-making under stress.

2 (3) Emerging adults also face elevated rates of mental  
3 health disorders, trauma exposure, substance use  
4 disorders, unemployment, and housing instability. These  
5 vulnerabilities are closely linked to system involvement.

6 (4) Despite these challenges, emerging adults possess  
7 strong capacity for change. Their brains retain high  
8 neuroplasticity, and appropriate interventions during this  
9 developmental period produce greater long-term benefits  
10 than comparable interventions for older adults.

11 (5) Traditional adult criminal justice responses can  
12 be counterproductive for emerging adults. Adult jails and  
13 prisons are associated with higher rates of victimization,  
14 self-harm, long-term disability, and recidivism among this  
15 population.

16 (6) States and jurisdictions across the U.S. have  
17 created special laws or practices for emerging adults,  
18 including extended juvenile jurisdiction, youthful  
19 offender statutes, specialized probation units, young  
20 adult courts, and correctional units tailored to this age  
21 group.

22 (7) Illinois has taken several important steps,  
23 including youthful offender parole, the First Time Weapon  
24 Offender Program, and the Cook County SEED Program, but it  
25 has not comprehensively examined the full spectrum of  
26 policies affecting emerging adults.

1           (8) Cost-benefit analyses of diversion and  
2           developmentally tailored interventions consistently find  
3           significant taxpayer savings, due to reduced  
4           incarceration, lower recidivism, and improved education  
5           and employment outcomes.

6           (9) Illinois would benefit from a comprehensive,  
7           bipartisan, data-driven review of approaches to emerging  
8           adults across the criminal justice system.

9

10           Section 10. Purpose. The purpose of this Act is to create a  
11           bipartisan, bicameral Task Force to study and recommend  
12           strategies for developmentally appropriate, cost-effective,  
13           and equitable approaches to emerging adults in Illinois.
