18 (g) Notwithstanding any other provision of law, the
19 Secretary may not release highly restricted personal
20 information or personally identifying information or disclose
21 documents described in subsection (d) to any immigration
22 agent, ~~as defined in Section 10 of the Illinois TRUST Act,~~
23 unless necessary to comply with the following, to the extent
24 that production of such information or documents is
25 specifically required:

26 (1) a lawful court order;

1 (2) a judicial warrant signed by a judge appointed
2 pursuant to Article III of the Constitution of the United
3 States; or

4 (3) a subpoena for individual records issued by a

1 Section 15. The School Code is amended by changing Section
2 22-105, as added by Public Act 104-288, as follows:

3 (105 ILCS 5/22-106)

4 Sec. 22-106 ~~22-105~~. Denial of free education prohibited.

5 (a) The purpose of this Section is to secure the right of
6 every child to equal access to a free public education and a
7 school that is safe from intimidation and fear, consistent
8 with the landmark United States Supreme Court decision in
9 Plyler v. Doe, 457 U.S. 202 (1982), as in effect on January 1,
10 2025, which held that it is unconstitutional for states to
11 deny children a free public education based on immigration
12 status. In their efforts to promote the right to educational
13 equality established in Plyler, schools must take steps to
14 protect the integrity of school learning environments for all
15 children, so that no parent is discouraged from sending and no
16 child is discouraged from attending school, including from the
17 threat of immigration enforcement or other law enforcement
18 activity on a school campus.

19 (b) As used in this Section:

20 "Citizenship or immigration status" means all matters
21 regarding citizenship of the United States or any other
22 country or the authority or lack thereof to reside in or
23 otherwise to be present in the United States, including an
24 individual's nationality and country of citizenship.

1 "Law enforcement agent" means an agent of federal, State,
2 or local law enforcement authorized with the power to arrest
3 or detain individuals or manage the custody of detained
4 individuals for a law enforcement purpose, including civil
5 immigration enforcement. "Law enforcement agent" does not
6 include a school resource officer as defined in Section
7 10-20.68 of this Code.

8 "Nonjudicial warrant" means a warrant issued by a federal,
9 State, or local agency authorized with the power to arrest or
10 detain individuals or manage the custody of detained
11 individuals for any law enforcement purpose, including civil
12 immigration enforcement. "Nonjudicial warrant" includes an
13 immigration detainer or civil immigration warrant ~~as defined~~
14 ~~in the Illinois TRUST Act~~. "Nonjudicial warrant" does not
15 include a criminal warrant issued upon a judicial
16 determination of probable cause, in compliance with the
17 requirements of the Fourth Amendment to the United States
18 Constitution and Section 6 of Article I of the Illinois
19 Constitution.

20 "Prevailing party" includes any party:

21 (1) who obtains some of his or her requested relief
22 through a judicial judgment in his or her favor;

23 (2) who obtains some of his or her requested relief
24 through a settlement agreement approved by the court; or

25 (3) whose pursuit of a non-frivolous claim was a
26 catalyst for a unilateral change in position by the

1 opposing party relative to the relief sought.

2 "School" means every public school, school district, and
3 governing body, including a special charter district or
4 charter school, organized under this Code, and its agents,
5 including a contracted party.

6 (c) No child may be denied a free public education through
7 secondary school while in this State based on the child's
8 perceived or actual immigration status or the child's parent's
9 or guardian's perceived or actual citizenship or immigration
10 status.

11 (1) A school must not exclude a child from
12 participation in or deny a child the benefits of any
13 program or activity on the grounds of that child's
14 perceived or actual immigration status or the child's
15 parent's or guardian's actual or perceived citizenship or
16 immigration status.

17 (2) A school must not use policies or procedures or
18 engage in practices that have the effect of excluding a
19 child from participation in or denying the benefits of any
20 program or activity or the effect of excluding
21 participation of the child's parent or guardian from
22 parental engagement activities or programs because of the
23 child's perceived or actual immigration status or the
24 child's parent's or guardian's actual or perceived
25 immigration status. These policies, procedures, and
26 practices include:

1 (A) requesting or collecting information or
2 documentation from a student or the student's parent
3 or guardian about citizenship or immigration status
4 unless required by State or federal law; and

5 (B) designating immigration status, citizenship,
6 place of birth, nationality, or national origin as
7 directory information, as that term is defined by
8 federal and State law.

9 (3) A school must not perform any of the following
10 actions:

11 (A) Threaten to disclose anything related to the
12 actual or perceived citizenship or immigration status
13 of a child or a person associated with the child to any
14 other person or entity or an immigration or law
15 enforcement agency.

16 (B) Disclose anything related to the perceived
17 citizenship or immigration status of a child or a
18 person associated with the child to any other person
19 or entity or an immigration or law enforcement agency
20 if the school does not have direct knowledge of the
21 child's or associated person's actual citizenship or
22 immigration status, subject to the requirements of
23 this paragraph (3).

24 (C) Disclose anything related to the actual
25 citizenship or immigration status of a child or a
26 person associated with the child to any other person

1 or nongovernmental entity if the school has direct
2 knowledge of the child's or associated person's actual
3 citizenship or immigration status, subject to the
4 requirements of this paragraph (3).

5 Nothing in subparagraphs (B) and (C) of this paragraph
6 (3) may be construed to permit the disclosure of student
7 records or information without complying with State and
8 federal requirements governing the disclosure of such
9 records or information. Subparagraphs (B) and (C) of this
10 paragraph (3) may not be construed to prohibit or restrict
11 an entity from sending to or receiving from the United
12 States Department of Homeland Security or any other
13 federal, State, or local governmental entity information
14 regarding the citizenship or immigration status of an
15 individual under Sections 1373 and 1644 of Title 8 of the
16 United States Code.

17 (4) A school must develop procedures for reviewing and
18 authorizing requests from law enforcement agents
19 attempting to enter a school or school facility by July 1,
20 2026. The procedures must comply with the requirements of
21 paragraph (2) of this subsection (c), and, at a minimum,
22 include the following:

23 (A) procedures for reviewing and contacting a
24 designated authorized person at the school or school
25 facility and the district superintendent's office or
26 school administrative office, who may contact the

1 school's legal counsel, and procedures for that
2 authorized person or legal counsel to review requests
3 to enter a school or school facility, including
4 judicial warrants, nonjudicial warrants, and
5 subpoenas;

6 (B) procedures for monitoring or accompanying and
7 procedures for documenting all interactions with law
8 enforcement agents while on the school's premises; and

9 (C) procedures for notifying and seeking consent
10 from a student's parents or guardian or from the
11 student if the student is 18 years old or older or
12 emancipated if a law enforcement agent requests access
13 to a student for immigration enforcement purposes,
14 unless such access is in compliance with a judicial
15 warrant or subpoena that restricts the disclosure of
16 the information to the student's parent or guardian.

17 This paragraph (4) is subject to subsection (c) of
18 Section 22-88 of this Code.

19 (d) A school shall adopt a policy for complying with
20 paragraphs (1), (2), (3), and (4) of subsection (c) by July 1,
21 2026.

22 (e) Beginning July 1, 2026, any party aggrieved by conduct
23 that violates subsection (c) may bring a civil lawsuit. This
24 lawsuit must be brought no later than 2 years after the
25 violation of subsection (c). If the court finds that a willful
26 violation of paragraph (1), (2), or (3) of subsection (c) has

1 occurred, the court may award actual damages. The court, as it
2 deems appropriate, may grant, as relief, any permanent or
3 preliminary negative or mandatory injunction, temporary
4 restraining order, or other order.

5 (f) Nothing in this Section may be construed to require an
6 exhaustion of the administrative complaint process before
7 civil law remedies may be pursued.

8 (g) Upon a motion, a court shall award reasonable
9 attorney's fees and costs, including expert witness fees and
10 other litigation expenses, to a plaintiff who is a prevailing
11 party in any action brought under subsection (c). In awarding
12 reasonable attorney's fees, the court shall consider the
13 degree to which the relief obtained relates to the relief
14 sought.

15 (h) The General Assembly finds and declares that this
16 Section is a State law within the meaning of subsection (d) of
17 Section 1621 of Title 8 of the United States Code.

4 "Prevailing party" includes any party:

5 (1) who obtains some of his or her requested relief
6 through a judicial judgment in his or her favor;
