

1 AN ACT to revise the law by combining multiple enactments
2 and making technical corrections.

3 **Be it enacted by the People of the State of Illinois,**
4 **represented in the General Assembly:**

5 Section 1. Nature of this Act.

6 (a) This Act may be cited as the First 2026 General
7 Revisory Act.

8 (b) This Act is not intended to make any substantive
9 change in the law. It reconciles conflicts that have arisen
10 from multiple amendments and enactments and makes technical
11 corrections and revisions in the law.

12 This Act revises and, where appropriate, renumbers certain
13 Sections that have been added or amended by more than one
14 Public Act. In certain cases in which a repealed Act or Section
15 has been replaced with a successor law, this Act may
16 incorporate amendments to the repealed Act or Section into the
17 successor law. This Act also corrects errors, revises
18 cross-references, and deletes obsolete text.

19 (c) In this Act, the reference at the end of each amended
20 Section indicates the sources in the Session Laws of Illinois
21 that were used in the preparation of the text of that Section.
22 The text of the Section included in this Act is intended to
23 include the different versions of the Section found in the
24 Public Acts included in the list of sources, but may not

1 include other versions of the Section to be found in Public
2 Acts not included in the list of sources. The list of sources
3 is not a part of the text of the Section.

4 (d) Public Acts 103-1059 through 104-459 were considered
5 in the preparation of the combining revisories included in
6 this Act. Many of those combining revisories contain no
7 striking or underscoring because no additional changes are
8 being made in the material that is being combined.

9 Section 5. The Statute on Statutes is amended by setting
10 forth, renumbering, and changing multiple versions of Section
11 1.45 as follows:

12 (5 ILCS 70/1.45)

14 services. Whenever there is a reference in any Act to "armed
15 forces", "armed forces of the United States", "U.S. Armed
16 Forces", "United States Armed Forces", or "uniformed
17 services", these terms shall be construed to include the
18 United States Space Force.

11 record that contains information that is exempt from
12 disclosure under this Section, but also contains information
13 that is not exempt from disclosure, the public body may elect
14 to redact the information that is exempt. The public body
15 shall make the remaining information available for inspection
16 and copying. Subject to this requirement, the following shall
17 be exempt from inspection and copying:

18 (a) Information specifically prohibited from
19 disclosure by federal or State law or rules and
20 regulations implementing federal or State law.

3 more law enforcement agencies regarding the physical or
4 mental status of one or more individual subjects.

7 clearly unwarranted invasion of personal privacy, unless
8 the disclosure is consented to in writing by the
9 individual subjects of the information. "Unwarranted
10 invasion of personal privacy" means the disclosure of
11 information that is highly personal or objectionable to a

14 obtaining the information. The disclosure of information
15 that bears on the public duties of public employees and
16 officials shall not be considered an invasion of personal
17 privacy.

18 (d) Records in the possession of any public body
19 created in the course of administrative enforcement
20 proceedings, and any law enforcement or correctional

20 techniques other than those generally used and known
21 or disclose internal documents of correctional

26 request;

9 request did not create the record, did not participate in

11 of the record, and only has access to the record through
12 the shared electronic record management system. As used in

6 trade secrets or commercial or financial information would
7 cause competitive harm to the person or business, and only
8 insofar as the claim directly applies to the records
9 requested.

10 The information included under this exemption includes
11 all trade secrets and commercial or financial information
12 obtained by a public body, including a public pension

17 fund. The exemption contained in this item does not apply
18 to the aggregate financial performance information of a
19 private equity fund, nor to the identity of the fund's
20 managers or general partners. The exemption contained in
21 this item does not apply to the identity of a privately

25 Nothing contained in this paragraph (g) shall be
26 construed to prevent a person or business from consenting

1 to disclosure.

2 (h) Proposals and bids for any contract, grant, or
3 agreement, including information which if it were
4 disclosed would frustrate procurement or give an advantage
5 to any person proposing to enter into a contractor

8 preparation of a bid solicitation shall be exempt until an
9 award or final selection is made.

15 Sec. 7. Exemptions.

16 (1) When a request is made to inspect or copy a public
17 record that contains information that is exempt from
18 disclosure under this Section, but also contains information
19 that is not exempt from disclosure, the public body may elect
20 to redact the information that is exempt. The public body
21 shall make the remaining information available for inspection
22 and copying. Subject to this requirement, the following shall
23 be exempt from inspection and copying:

24 (a) Records created or compiled by a State public
25 defender agency or commission subject to the State Public

1 Defender Act that contain: individual client identity;
2 individual case file information; individual investigation
3 records and other records that are otherwise subject to
4 attorney-client privilege; records that would not be
5 discoverable in litigation; records under Section 2.15;
6 training materials; records related to attorney
7 consultation and representation strategy; or any of the
8 above concerning clients of county public defenders or
9 other defender agencies and firms. This exclusion does not
10 apply to deidentified, aggregated, administrative records,
11 such as general case processing and workload information.

12 (a-5) Information specifically prohibited from
13 disclosure by federal or State law or rules and
14 regulations implementing federal or State law.

15 (b) Private information, unless disclosure is required
16 by another provision of this Act, a State or federal law,
17 or a court order.

18 (b-5) Files, documents, and other data or databases
19 maintained by one or more law enforcement agencies and
20 specifically designed to provide information to one or
21 more law enforcement agencies regarding the physical or
22 mental status of one or more individual subjects.

23 (c) Personal information contained within public
24 records, the disclosure of which would constitute a
25 clearly unwarranted invasion of personal privacy, unless
26 the disclosure is consented to in writing by the

1 individual subjects of the information. "Unwarranted
2 invasion of personal privacy" means the disclosure of
3 information that is highly personal or objectionable to a
4 reasonable person and in which the subject's right to
5 privacy outweighs any legitimate public interest in
6 obtaining the information. The disclosure of information
7 that bears on the public duties of public employees and
8 officials shall not be considered an invasion of personal
9 privacy.

10 (d) Records in the possession of any public body
11 created in the course of administrative enforcement
12 proceedings, and any law enforcement or correctional
13 agency for law enforcement purposes, but only to the
14 extent that disclosure would:

16 reasonably contemplated law enforcement proceedings
17 conducted by any law enforcement or correctional
18 agency that is the recipient of the request;

19 (ii) interfere with active administrative
20 enforcement proceedings conducted by the public body
21 that is the recipient of the request;

22 (iii) create a substantial likelihood that a
23 person will be deprived of a fair trial or an impartial

3 administrative, investigative, law enforcement, or
4 penal agencies; except that the identities of
5 witnesses to traffic crashes, traffic crash reports,
6 and rescue reports shall be provided by agencies of
7 local government, except when disclosure would
8 interfere with an active criminal investigation
9 conducted by the agency that is the recipient of the
10 request;

11 (v) disclose unique or specialized investigative
12 techniques other than those generally used and known
13 or disclose internal documents of correctional
14 agencies related to detection, observation, or
15 investigation of incidents of crime or misconduct, and
16 disclosure would result in demonstrable harm to the
17 agency or public body that is the recipient of the
18 request;

19 (vi) endanger the life or physical safety of law
20 enforcement personnel or any other person; or

21 (vii) obstruct an ongoing criminal investigation
22 by the agency that is the recipient of the request.

23 (d-5) A law enforcement record created for law
24 enforcement purposes and contained in a shared electronic
25 record management system if the law enforcement agency or
26 criminal justice agency that is the recipient of the

1 request did not create the record, did not participate in
2 or have a role in any of the events which are the subject
3 of the record, and only has access to the record through
4 the shared electronic record management system. As used in
5 this subsection (d-5), "criminal justice agency" means the
6 Illinois Criminal Justice Information Authority or the

19 correctional institutions and detention facilities.

20 (e-5) Records requested by persons committed to the
21 Department of Corrections, Department of Human Services
22 Division of Mental Health, or a county jail if those
23 materials are available in the library of the correctional
24 institution or facility or jail where the inmate is
25 confined.

26 (e-6) Records requested by persons committed to the

1 Department of Corrections, Department of Human Services

12 (e-8) Records requested by a person committed to the
13 Department of Corrections, Department of Human Services

15 disclosure of which would result in the risk of harm to any
16 person or the risk of an escape from a jail or correctional
17 institution or facility.

18 (e-9) Records requested by a person in a county jail
19 or committed to the Department of Corrections or
20 Department of Human Services Division of Mental Health,
21 containing personal information pertaining to the person's
22 victim or the victim's family, including, but not limited
23 to, a victim's home address, home telephone number, work

3 requested by a person committed to the Department of
4 Corrections, Department of Human Services Division of

6 limited to, arrest and booking records, mug shots, and
7 crime scene photographs, except as these records may be
8 relevant to the requester's current or potential case or
9 claim.

10 (f) Preliminary drafts, notes, recommendations,
11 memoranda, and other records in which opinions are
12 expressed, or policies or actions are formulated, except
13 that a specific record or relevant portion of a record
14 shall not be exempt when the record is publicly cited and
15 identified by the head of the public body. The exemption
16 provided in this paragraph (f) extends to all those
17 records of officers and agencies of the General Assembly
18 that pertain to the preparation of legislative documents.

19 (g) Trade secrets and commercial or financial
20 information obtained from a person or business where the
21 trade secrets or commercial or financial information are
22 furnished under a claim that they are proprietary,
23 privileged, or confidential, and that disclosure of the
24 trade secrets or commercial or financial information would
25 cause competitive harm to the person or business, and only
26 insofar as the claim directly applies to the records

1 requested.

2 The information included under this exemption includes
3 all trade secrets and commercial or financial information
4 obtained by a public body, including a public pension
5 fund, from a private equity fund or a privately held

8 a potential investment of public funds in a private equity
9 fund. The exemption contained in this item does not apply
10 to the aggregate financial performance information of a
11 private equity fund, nor to the identity of the fund's
12 managers or general partners. The exemption contained in
13 this item does not apply to the identity of a privately

17 Nothing contained in this paragraph (g) shall be
18 construed to prevent a person or business from consenting
19 to disclosure.

20 (h) Proposals and bids for any contract, grant, or
21 agreement, including information which if it were
22 disclosed would frustrate procurement or give an advantage
23 to any person proposing to enter into a contractor
24 agreement with the body, until an award or final selection
25 is made. Information prepared by or for the body in
26 preparation of a bid solicitation shall be exempt until an

8 news media as defined in Section 2 of this Act when the

13 receiving the highest number of votes for State central
14 committeeperson, and the person of a different gender
15 receiving the highest number of votes, shall be declared
16 elected State central committeepersons from the district. At
17 the general primary election held in 1986 and every 4 years
18 thereafter, if all a party's candidates for State central
19 committeeperson from a congressional district are of the same
20 gender, the candidate receiving the highest number of votes
21 shall be declared elected a State central committeeperson from
22 the district, and, because of a failure to elect 2 persons from
23 different genders to the committee, a vacancy shall be
24 declared to exist in the office of the second member of the
25 State central committee from the district. This vacancy shall
26 be filled by appointment by the congressional committee of the

1 political party, and the person appointed to fill the vacancy
2 shall be a resident of the congressional district and of a
3 different gender than the committeeperson elected at the
4 general primary election. Each congressional committee shall
5 make this appointment by voting on the basis set forth in
6 paragraph (e) of this Section.

7 The Chair of a State central committee composed as
8 provided in this Alternative B must be selected from the
9 committee's members.

10 Beginning on August 4, 2023 (the effective date of Public
11 Act 103-467) ~~this amendatory Act of the 103rd General~~
12 ~~Assembly,~~ a State central committee organized under
13 Alternative B shall include as an honorary member any person
14 affiliated with the same political party and serving as the
15 Governor, President of the Senate, and the Speaker of the
16 House of Representatives.

17 Except as provided for in Alternative A with respect to
18 the selection of the Chair of the State central committee and
19 for in Alternative B with respect to the President of the
20 Senate and the Speaker of the House of Representatives, under
21 both of the foregoing alternatives, the State central
22 committee of each political party shall be composed of members
23 elected or appointed from the several congressional districts
24 of the State, and of no other person or persons whomsoever. The
25 members of the State central committee shall, within 41 days
26 after each quadrennial election of the full committee, meet in

1 the city of Springfield and organize by electing a Chair, and
2 may at such time elect such officers from among their own
3 number (or otherwise), as they may deem necessary or
4 expedient. The outgoing chair of the State central committee
5 of the party shall, 10 days before the meeting, notify each
6 member of the State central committee elected at the primary
7 of the time and place of such meeting. In the organization and
8 proceedings of the State central committee, the 2 elected or
9 appointed committeepersons shall each have one vote for each
10 ballot voted in their congressional district by the primary
11 electors of the committeepersons' party at the primary
12 election immediately preceding the meeting of the State
13 central committee. Whenever a vacancy occurs in the State
14 central committee of any political party, the vacancy shall be
15 filled by appointment of the chairmen of the county central
16 committees of the political party of the counties located
17 within the congressional district in which the vacancy occurs
18 and, if applicable, the ward and township committeepersons of
19 the political party in counties of 2,000,000 or more
20 inhabitants located within the congressional district. If the
21 congressional district in which the vacancy occurs lies wholly
22 within a county of 2,000,000 or more inhabitants, the ward and
23 township committeepersons of the political party in that
24 congressional district shall vote to fill the vacancy. In
25 voting to fill the vacancy, each chair of a county central
26 committee and each ward and township committeeperson in

1 counties of 2,000,000 or more inhabitants shall have one vote
2 for each ballot voted in each precinct of the congressional
3 district in which the vacancy exists of the chair's or
4 committeeperson's county, township, or ward cast by the
5 primary electors of the chair's or committeeperson's party at
6 the primary election immediately preceding the meeting to fill
7 the vacancy in the State central committee. The person
8 appointed to fill the vacancy shall be a resident of the
9 congressional district in which the vacancy occurs, shall be a
10 qualified voter, and, in a committee composed as provided in
11 Alternative B, shall be of the same gender as the appointee's
12 predecessor. A political party may, by a majority vote of the
13 delegates of any State convention of such party, determine to
14 return to the election of State central committeepersons by
15 the vote of primary electors. Any action taken by a political
16 party at a State convention in accordance with this Section
17 shall be reported to the State Board of Elections by the chair
18 and secretary of such convention within 10 days after such
19 action.

20 Ward, Township, and Precinct Committeepersons

21 (b) At the primary in 1972 and at the general primary
22 election every 4 years thereafter, each primary elector in
23 cities having a population of 200,000 or over may vote for one
24 candidate of his party in his ward for ward committeeperson.
25 Each candidate for ward committeeperson must be a resident of
26 and in the ward where he seeks to be elected ward

1 committeeperson. The one having the highest number of votes
2 shall be such ward committeeperson of such party for such
3 ward. At the primary election in 1970 and at the general
4 primary election every 4 years thereafter, each primary
5 elector in counties containing a population of 2,000,000 or
6 more, outside of cities containing a population of 200,000 or
7 more, may vote for one candidate of his party for township
8 committeeperson. Each candidate for township committeeperson
9 must be a resident of and in the township or part of a township
10 (which lies outside of a city having a population of 200,000 or
11 more, in counties containing a population of 2,000,000 or
12 more), and in which township or part of a township he seeks to
13 be elected township committeeperson. The one having the
14 highest number of votes shall be such township committeeperson
15 of such party for such township or part of a township. At the
16 primary in 1970 and at the general primary election every 2
17 years thereafter, each primary elector, except in counties
18 having a population of 2,000,000 or over, may vote for one
19 candidate of his party in his precinct for precinct
20 committeeperson. Each candidate for precinct committeeperson
21 must be a bona fide resident of the precinct where he seeks to
22 be elected precinct committeeperson. The one having the
23 highest number of votes shall be such precinct committeeperson
24 of such party for such precinct. The official returns of the
25 primary shall show the name of the committeeperson of each
26 political party.

Terms of Committeepersons. All precinct committeepersons elected under the provisions of this Article shall continue as such committeepersons until the date of the primary to be held in the second year after their election. Except as otherwise provided in this Section for certain State central committeepersons who have 2-year ~~2-year~~ terms, all State central committeepersons, township committeepersons, and ward committeepersons shall continue as such committeepersons until the date of primary to be held in the fourth year after their election. However, a vacancy exists in the office of precinct committeeperson when a precinct committeeperson ceases to reside in the precinct in which he was elected and such precinct committeeperson shall thereafter neither have nor exercise any rights, powers or duties as committeeperson in that precinct, even if a successor has not been elected or appointed.

(c) The Multi-Township Central Committee shall consist of the precinct committeepersons of such party, in the multi-township assessing district formed pursuant to Section 2-10 of the Property Tax Code and shall be organized for the purposes set forth in Section 45-25 of the Township Code. In the organization and proceedings of the Multi-Township Central Committee, each precinct committeeperson shall have one vote for each ballot voted in his precinct by the primary electors of his party at the primary at which he was elected.

1 (d) The county central committee of each political party
2 in each county shall consist of the various township

7 ballot voted in his precinct by the primary electors of his
8 party at the primary at which he was elected; each township
9 committeeperson shall have one vote for each ballot voted in
10 his township or part of a township as the case may be by the
11 primary electors of his party at the primary election for the
12 nomination of candidates for election to the General Assembly
13 immediately preceding the meeting of the county central
14 committee; and in the organization and proceedings of the
15 county central committee, each ward committeeperson shall have
16 one vote for each ballot voted in his ward by the primary
17 electors of his party at the primary election for the
18 nomination of candidates for election to the General Assembly
19 immediately preceding the meeting of the county central
20 committee.

1 proceedings of each of the 3 election district committees,
2 each township committeeperson shall have one vote for each
3 ballot voted in the committeeperson's township or part of a
4 township, as the case may be, by the primary electors of the
5 committeeperson's party at the primary election immediately
6 preceding the meeting of the board of review election district
7 committee; and in the organization and proceedings of each of
8 the 3 election district committees, each ward committeeperson
9 shall have one vote for each ballot voted in the
10 committeeperson's ward or part of that ward, as the case may
11 be, by the primary electors of the committeeperson's party at
12 the primary election immediately preceding the meeting of the
13 board of review election district committee.

14 Congressional Committee

15 (e) The congressional committee of each party in each
16 congressional district shall be composed of the chairmen of
17 the county central committees of the counties composing the
18 congressional district, except that in congressional districts
19 wholly within the territorial limits of one county, the
20 precinct committeepersons, township committeepersons, and ward
21 committeepersons, if any, of the party representing the
22 precincts within the limits of the congressional district,
23 shall compose the congressional committee. A State central
24 committeeperson in each district shall be a member and the
25 chair or, when a district has 2 State central
26 committeepersons, a co-chairperson of the congressional

1 committee, but shall not have the right to vote except in case
2 of a tie.

3 In the organization and proceedings of congressional
4 committees composed of precinct committeepersons or township
5 committeepersons or ward committeepersons, or any combination
6 thereof, each precinct committeeperson shall have one vote for
7 each ballot voted in his precinct by the primary electors of
8 his party at the primary at which he was elected, each township
9 committeeperson shall have one vote for each ballot voted in
10 his township or part of a township as the case may be by the
11 primary electors of his party at the primary election
12 immediately preceding the meeting of the congressional
13 committee, and each ward committeeperson shall have one vote
14 for each ballot voted in each precinct of his ward located in
15 such congressional district by the primary electors of his
16 party at the primary election immediately preceding the
17 meeting of the congressional committee; and in the
18 organization and proceedings of congressional committees
19 composed of the chairmen of the county central committees of
20 the counties within such district, each chair of such county
21 central committee shall have one vote for each ballot voted in
22 his county by the primary electors of his party at the primary
23 election immediately preceding the meeting of the
24 congressional committee.

25 Judicial District Committee

26 (f) The judicial district committee of each political

1 party in each judicial district shall be composed of the chair
2 of the county central committees of the counties composing the
3 judicial district.

4 In the organization and proceedings of judicial district
5 committees composed of the chairmen of the county central
6 committees of the counties within such district, each chair of
7 such county central committee shall have one vote for each
8 ballot voted in his county by the primary electors of his party
9 at the primary election immediately preceding the meeting of
10 the judicial district committee.

11 Circuit Court Committee

12 (g) The circuit court committee of each political party in
13 each judicial circuit outside Cook County shall be composed of
14 the chairmen of the county central committees of the counties
15 composing the judicial circuit.

16 In the organization and proceedings of circuit court
17 committees, each chair of a county central committee shall
18 have one vote for each ballot voted in his county by the
19 primary electors of his party at the primary election
20 immediately preceding the meeting of the circuit court
21 committee.

22 Judicial Subcircuit Committee

23 (g-1) The judicial subcircuit committee of each political
24 party in each judicial subcircuit in a judicial circuit
25 divided into subcircuits shall be composed of (i) the ward and
26 township committeepersons of the townships and wards composing

1 the judicial subcircuit in Cook County and (ii) the precinct
2 committeepersons of the precincts composing the judicial
3 subcircuit in any county other than Cook County.

4 In the organization and proceedings of each judicial
5 subcircuit committee, each township committeeperson shall have
6 one vote for each ballot voted in his township or part of a
7 township, as the case may be, in the judicial subcircuit by the
8 primary electors of his party at the primary election
9 immediately preceding the meeting of the judicial subcircuit
10 committee; each precinct committeeperson shall have one vote
11 for each ballot voted in his precinct or part of a precinct, as
12 the case may be, in the judicial subcircuit by the primary
13 electors of his party at the primary election immediately
14 preceding the meeting of the judicial subcircuit committee;
15 and each ward committeeperson shall have one vote for each
16 ballot voted in his ward or part of a ward, as the case may be,
17 in the judicial subcircuit by the primary electors of his
18 party at the primary election immediately preceding the

22 party shall be composed of the precinct, township or ward
23 committeepersons, as the case may be, of such party
24 representing the precincts or wards, embraced in such city,
25 incorporated town or village. The voting strength of each
26 precinct, township or ward committeeperson on the municipal

1 central committee shall be the same as his voting strength on
2 the county central committee.

3 For political parties, other than a statewide political
4 party, established only within a municipality or township, the
5 municipal or township managing committee shall be composed of
6 the party officers of the local established party. The party
7 officers of a local established party shall be as follows: the
8 chair and secretary of the caucus for those municipalities and
9 townships authorized by statute to nominate candidates by
10 caucus shall serve as party officers for the purpose of
11 filling vacancies in nomination under Section 7-61; for
12 municipalities and townships authorized by statute or
13 ordinance to nominate candidates by petition and primary
14 election, the party officers shall be the party's candidates
15 who are nominated at the primary. If no party primary was held
16 because of the provisions of Section 7-5, vacancies in
17 nomination shall be filled by the party's remaining candidates
18 who shall serve as the party's officers.

19 Powers

20 (i) Each committee and its officers shall have the powers
21 usually exercised by such committees and by the officers
22 thereof, not inconsistent with the provisions of this Article.
23 The several committees herein provided for shall not have
24 power to delegate any of their powers, or functions to any
25 other person, officer or committee, but this shall not be
26 construed to prevent a committee from appointing from its own

1 membership proper and necessary subcommittees.

2 (j) The State central committee of a political party which
3 elects its members by Alternative B under paragraph (a) of
4 this Section shall adopt a plan to give effect to the delegate
5 selection rules of the national political party and file a
6 copy of such plan with the State Board of Elections when
7 approved by a national political party.

8 (k) For the purpose of the designation of a proxy by a
9 Congressional Committee to vote in place of an absent State
10 central committeeperson at meetings of the State central
11 committee of a political party which elects its members by
12 Alternative B under paragraph (a) of this Section, the proxy
13 shall be appointed by the vote of the ward and township
14 committeepersons, if any, of the wards and townships which lie
15 entirely or partially within the Congressional District from
16 which the absent State central committeeperson was elected and
17 the vote of the chairmen of the county central committees of
18 those counties which lie entirely or partially within that
19 Congressional District and in which there are no ward or
20 township committeepersons. When voting for such proxy, the
21 county chair, ward committeeperson or township
22 committeeperson, as the case may be, shall have one vote for
23 each ballot voted in his county, ward, or township, or portion
24 thereof within the Congressional District, by the primary
25 electors of his party at the primary at which he was elected.
26 However, the absent State central committeeperson may

1 designate a proxy when permitted by the rules of a political
2 party which elects its members by Alternative B under
3 paragraph (a) of this Section.

4 Notwithstanding any law to the contrary, a person is
5 ineligible to hold the position of committeeperson in any
6 committee established pursuant to this Section if he or she is
7 statutorily ineligible to vote in a general election because
8 of conviction of a felony. When a committeeperson is convicted
9 of a felony, the position occupied by that committeeperson
10 shall automatically become vacant.

20 writing within 5 business days after the last day for filing
21 the certificate of nomination or nomination papers or petition
22 for a public question, with the following exceptions:

23 A. In the case of petitions to amend Article IV of the

2 B. In the case of petitions for advisory questions of
3 public policy to be submitted to the voters of the entire
4 State, there shall be a period of 35 business days after
5 the last day for the filing of such petitions in which

7 Any legal voter of the political subdivision or district
8 in which the candidate or public question is to be voted on, or
9 any legal voter in the State in the case of a proposed
10 amendment to Article IV of the Constitution or an advisory
11 public question to be submitted to the voters of the entire

19 petitions that do not include 2 copies thereof, shall not be
20 accepted. In the case of nomination papers or certificates of
21 nomination, the State Board of Elections, election authority
22 or local election official shall note the day and hour upon
23 which such objector's petition is filed, and shall, not later
24 than 12:00 p.m. ~~noon~~ on the second business day after receipt
25 of the petition, transmit by registered mail or receipted

3 Code ~~hereof~~, or his authorized agent, and shall transmit a
4 copy by registered mail or receipted personal delivery of the
5 objector's petition, to the candidate whose certificate of

18 for the purpose of receiving notice of objections. In the case
19 of objections to a petition for a public question, to be
20 submitted to the voters of a political subdivision, or
21 district thereof, the election authority or local election
22 official with whom such petition is filed shall note the day

24 shall, not later than 12:00 p.m. ~~noon~~ on the second business
25 day after receipt of the petition, transmit by registered mail
26 or receipted personal delivery the petition for the public

1 question and the original objector's petition to the chair of

4 copy by registered mail or receipted personal delivery, of the
5 objector's petition to the person designated on a certificate
6 attached to the petition as the principal proponent of the
7 public question, or as the proponent's attorney, for the
8 purposes of receiving notice of objections.

9 The objector's petition shall give the objector's name and
10 residence address, and shall state fully the nature of the

14 electoral board.

15 The provisions of this Section and of Sections 10-9,
16 10-10, and 10-10.1 shall also apply to and govern objections

22 (10 ILCS 5/11-2) (from Ch. 46, par. 11-2)

23 Sec. 11-2. Election precincts. The County Board in each
24 county, except in counties having a population of 3,000,000
25 inhabitants or over, shall, at its regular meeting in June or

1 an adjourned meeting in July, divide its election precincts so
2 that each precinct shall contain, as near as may be
3 practicable, 1,200 registered voters. Insofar as is
4 practicable, each precinct shall be situated within a single
5 congressional, legislative and representative district and in
6 not more than one County Board district and one municipal
7 ward. In order to situate each precinct within a single
8 district or ward, the County Board shall change the boundaries
9 of election precincts after each decennial census as soon as
10 is practicable following the completion of congressional and
11 legislative redistricting, except that, in 2021, the county
12 board shall change the boundaries at a regular or special
13 meeting within 60 days after November 15, 2021 (the effective
14 date of Public Act 102-668) ~~this amendatory Act of the 102nd~~
15 ~~General Assembly~~. In determining whether a division of
16 precincts should be made, the county board may anticipate
17 increased voter registration in any precinct in which there is
18 in progress new construction of dwelling units which will be
19 occupied by voters more than 30 days before the next election.
20 Each district shall be composed of contiguous territory in as
21 compact form as can be for the convenience of the electors
22 voting therein. The several county boards in establishing
23 districts shall describe them by metes and bounds and number
24 them. And so often thereafter as it shall appear by the number
25 of votes cast at the general election held in November of any
26 year, that any election district or undivided election

1 precinct contains more than 1,200 registered voters, the
2 County Board of the county in which the district or precinct
3 may be, shall at its regular meeting in June, or an adjourned
4 meeting in July next, after such November election, redivide
5 or readjust such election district or election precinct, so
6 that no district or election precinct shall contain more than
7 the number of votes above specified. If for any reason the
8 County Board fails in any year to redivide or readjust the
9 election districts or election precinct, then the districts or
10 precincts as then existing shall continue until the next
11 regular June meeting of the County Board; at which regular
12 June meeting or an adjourned meeting in July the County Board
13 shall redivide or readjust the election districts or election
14 precincts in manner as herein required. When at any meeting of
15 the County Board any redivision, readjustment, or change in
16 name or number of election districts or election precincts is
17 made by the County Board, the County Clerk shall immediately
18 notify the State Board of Elections of such redivision,
19 readjustment, or change. The County Board in every case shall
20 fix and establish the places for holding elections in its
21 respective county and all elections shall be held at the
22 places so fixed. The polling places shall in all cases be upon
23 the ground floor in the front room, the entrance to which is in
24 a highway or public street which is at least 40 feet wide, and
25 is as near the center of the voting population of the precinct
26 as is practicable, and for the convenience of the greatest

1 number of electors to vote thereat; provided, however, where
2 the County Board is unable to secure a suitable polling place
3 within the boundaries of a precinct, it may select a polling
4 place at the most conveniently located suitable place outside
5 the precinct; but in no case shall an election be held in any
6 room used or occupied as a saloon, dramshop, bowling alley or
7 as a place of resort for idlers and disreputable persons,
8 billiard hall or in any room connected therewith by doors or
9 hallways. No person shall be permitted to vote at any election
10 except at the polling place for the precinct in which he
11 resides, except as otherwise provided in this Section or
12 Article 19 of this Code Act. In counties having a population of
13 3,000,000 inhabitants or over the County Board shall divide
14 its election precincts and shall fix and establish places for
15 holding elections as hereinbefore provided during the month of
16 January instead of at its regular meeting in June or at an
17 adjourned meeting in July.

18 However, in the event that additional divisions of
19 election precincts are indicated after a division made by the
20 County Board in the month of January, such additional
21 divisions may be made by the County Board in counties having a
22 population of 3,000,000 inhabitants or over, at the regular
23 meeting in June or at adjourned meeting in July. The county
24 board of such county may divide or readjust precincts at any
25 meeting of the county board when the voter registration in a
26 precinct has increased beyond 1,800 registered voters and an

1 election is scheduled before the next regular January or June
2 meeting of the county board.

3 When in any city, village or incorporated town territory
4 has been annexed thereto or disconnected therefrom, which
5 annexation or disconnection becomes effective after election
6 precincts or election districts have been established as above
7 provided in this Section, the clerk of the municipality shall
8 inform the county clerk thereof as provided in Section 4-21,
9 5-28.1, or 6-31.1, whichever is applicable. In the event that
10 a regular meeting of the County Board is to be held after such
11 notification and before any election, the County Board shall,
12 at its next regular meeting, l establish new election precinct
13 lines in affected territory. In the event that no regular
14 meeting of the County Board is to be held before such election
15 the county clerk shall, within 5 days after being so informed,
16 call a special meeting of the county board on a day fixed by
17 him not more than 20 days thereafter for the purpose of
18 establishing election precincts or election districts in the
19 affected territory for the ensuing elections.

20 At any consolidated primary or consolidated election at
21 which municipal officers are to be elected, and at any
22 emergency referendum at which a public question relating to a
23 municipality is to be voted on, notwithstanding any other
24 provision of this Code, the election authority shall establish
25 a polling place within such municipality, upon the request of
26 the municipal council or board of trustees at least 60 days

1 before the election and provided that the municipality
2 provides a suitable polling place. To accomplish this purpose,
3 the election authority may establish an election precinct
4 constituting a single municipality of under 500 population for
5 all elections, notwithstanding the minimum precinct size
6 otherwise specified herein.

7 Notwithstanding the above, when there are no more than 50
8 registered voters in a precinct who are entitled to vote in a
9 local government or school district election, the election
10 authority having jurisdiction over the precinct is authorized
11 to reassign such voters to one or more polling places in
12 adjacent precincts, within or without the election authority's
13 jurisdiction, for that election. For the purposes of such
14 local government or school district election only, the votes
15 of the reassigned voters shall be tallied and canvassed as
16 votes from the precinct of the polling place to which such
17 voters have been reassigned. The election authority having
18 jurisdiction over the precinct shall approve all
19 administrative and polling place procedures. Such procedures
20 shall take into account voter convenience, and ensure that the
21 integrity of the election process is maintained and that the
22 secrecy of the ballot is not violated.

23 Except in the event of a fire, flood or total loss of heat
24 in a place fixed or established by any county board or election
25 authority pursuant to this Section as a polling place for an
26 election, no election authority shall change the location of a

1 polling place so established for any precinct after notice of
2 the place of holding the election for that precinct has been
3 given as required under Article 12 unless the election
4 authority notifies all registered voters in the precinct of
5 the change in location by first class mail in sufficient time
6 for such notice to be received by the registered voters in the
7 precinct at least one day prior to the date of the election.

8 The provisions of this Section apply to all precincts,
9 including those where voting machines or electronic voting
10 systems are used.

11 addition to their per day compensation and notwithstanding the
12 limitations thereon stated herein, the judges of election, in
13 all counties with a population of less than 600,000, shall be
14 paid \$3 each for each 100 voters or portion thereof, in excess
15 of 200 voters voting for candidates in the election district
16 or precinct wherein the judge is serving, whether a primary or
17 an election is being held. However, no such extra compensation

5 satisfactorily completed, within the 2 years preceding the day
6 of election, the training course for judges of election, as
7 provided in Sections 13-2.1, 13-2.2, and 14-4.1 of this Code

13 commissioners of each such county, and additional compensation
14 of not less than \$20 per day in counties having a population of
15 2,000,000 or more for primaries and elections not under the
16 jurisdiction of the county clerk, and additional compensation
17 of not less than \$20 per day in counties having a population of
18 2,000,000 or more for primaries and elections under the
19 jurisdiction of the county clerk.

20 In precincts in which there are tally judges, the
21 compensation of the tally judges shall be 2/3 of that of the
22 judges of election and each holdover judge shall be paid the
23 compensation of a judge of election plus that of a tally judge.

25 Act 90-672) ~~this amendatory Act of 1998~~, the portion of an

3 to increase each judge's compensation and may not be used by
4 the county to reduce its portion of a judge's compensation.

5 Beginning on November 9, 2007 (the effective date of
6 Public Act 95-699) ~~this amendatory Act of the 95th General~~
7 ~~Assembly~~, the portion of an election judge's daily

1 Sec. 19-2. Except as otherwise provided in this Code, any
2 elector as defined in Section 19-1 may by mail or
3 electronically on the website of the appropriate election
4 authority, not more than 90 nor less than 5 days prior to the
5 date of such election, or by personal delivery not more than 90
6 nor less than one day prior to the date of such election, make
7 application to the county clerk or to the Board of Election
8 Commissioners for an official ballot for the voter's precinct

10 to the elector only upon separate application by the elector
11 for each election. Voters who make an application for
12 permanent vote by mail ballot status shall follow the
13 procedures specified in Section 19-3 and may apply year round.
14 A voter ~~Voters~~ whose application for permanent vote by mail
15 status is accepted by the election authority shall remain on
16 the permanent vote by mail list until the voter requests to be
17 removed from permanent vote by mail status, the voter provides
18 notice to the election authority of a change in registration
19 that affects the voter's ~~their~~ registration status, or the
20 election authority receives confirmation that the voter has
21 subsequently registered to vote in another election authority
22 jurisdiction. The URL address at which voters may
23 electronically request a vote by mail ballot shall be fixed no
24 later than 90 calendar days before an election and shall not be
25 changed until after the election.

3 (10 ILCS 5/19-8) (from Ch. 46, par. 19-8)

4 Sec. 19-8. Time and place of counting ballots.

5 (a) (Blank). ~~(Blank.)~~

6 (b) Each vote by mail voter's ballot returned to an
7 election authority, by any means authorized by this Article,
8 and received by that election authority before the closing of
9 the polls on election day shall be endorsed by the receiving
10 election authority with the day and hour of receipt and may be
11 processed by the election authority beginning on the day it is
12 received by the election authority in the central ballot
13 counting location of the election authority, but the results
14 of the processing may not be counted until the day of the
15 election after 7:00 p.m., except as provided in subsections
16 (g) and (g-5).

17 (c) Each vote by mail voter's ballot that is mailed to an
18 election authority and postmarked no later than election day,
19 but that is received by the election authority after the polls
20 close on election day and before the close of the period for
21 counting provisional ballots cast at that election, shall be
22 endorsed by the receiving authority with the day and hour of
23 receipt and shall be counted at the central ballot counting
24 location of the election authority during the period for
25 counting provisional ballots.

1 Each vote by mail voter's ballot that is mailed to an
2 election authority absent a postmark or a barcode usable with
3 an intelligent mail barcode tracking system, but that is
4 received by the election authority after the polls close on
5 election day and before the close of the period for counting
6 provisional ballots cast at that election, shall be endorsed
7 by the receiving authority with the day and hour of receipt,
8 opened to inspect the date inserted on the certification, and,
9 if the certification date is election day or earlier and the
10 ballot is otherwise found to be valid under the requirements
11 of this Section, counted at the central ballot counting
12 location of the election authority during the period for
13 counting provisional ballots. Absent a date on the
14 certification, the ballot shall not be counted.

15 If an election authority is using an intelligent mail
16 barcode tracking system, a ballot that is mailed to an
17 election authority absent a postmark may be counted if the
18 intelligent mail barcode tracking system verifies the envelope
19 was mailed no later than election day.

20 (d) Special write-in vote by mail voter's blank ballots
21 returned to an election authority, by any means authorized by
22 this Article, and received by the election authority at any
23 time before the closing of the polls on election day shall be
24 endorsed by the receiving election authority with the day and
25 hour of receipt and shall be counted at the central ballot
26 counting location of the election authority during the same

1 period provided for counting vote by mail voters' ballots
2 under subsections (b), (g), and (g-5). Special write-in vote
3 by mail voter's blank ballots that are mailed to an election
4 authority and postmarked no later than election day, but that
5 are received by the election authority after the polls close
6 on election day and before the closing of the period for
7 counting provisional ballots cast at that election, shall be
8 endorsed by the receiving authority with the day and hour of
9 receipt and shall be counted at the central ballot counting
10 location of the election authority during the same periods
11 provided for counting vote by mail voters' ballots under
12 subsection (c).

13 (e) Except as otherwise provided in this Section, vote by
14 mail voters' ballots and special write-in vote by mail voter's
15 blank ballots received by the election authority after the
16 closing of the polls on an election day shall be endorsed by
17 the election authority receiving them with the day and hour of
18 receipt and shall be safely kept unopened by the election
19 authority for the period of time required for the preservation
20 of ballots used at the election, and shall then, without being
21 opened, be destroyed in like manner as the used ballots of that
22 election.

23 (f) Counting required under this Section to begin on
24 election day after the closing of the polls shall commence no
25 later than 8:00 p.m. and shall be conducted by a panel or
26 panels of election judges appointed in the manner provided by

1 law. The counting shall continue until all vote by mail
2 voters' ballots and special write-in vote by mail voter's
3 blank ballots required to be counted on election day have been
4 counted.

5 (g) The procedures set forth in Articles 17 and 18 of this
6 Code shall apply to all ballots counted under this Section. In
7 addition, within 2 days after a vote by mail ballot is
8 received, but in all cases before the close of the period for
9 counting provisional ballots, the election judge or official
10 shall compare the voter's signature on the certification
11 envelope of that vote by mail ballot with the voter's
12 signature on the application verified in accordance with
13 Section 19-4 or the signature of the voter on file in the
14 office of the election authority. If the election judge or
15 official determines that the 2 signatures match, and that the
16 vote by mail voter is otherwise qualified to cast a vote by
17 mail ballot, the election authority shall cast and count the
18 ballot on election day or the day the ballot is determined to
19 be valid, whichever is later, adding the results to the
20 precinct in which the voter is registered. If the election
21 judge or official determines that the signatures do not match,
22 or that the vote by mail voter is not qualified to cast a vote
23 by mail ballot, then without opening the certification
24 envelope, the judge or official shall mark across the face of
25 the certification envelope the word "Rejected" and shall not
26 cast or count the ballot.

1 In addition to the voter's signatures not matching, a vote
2 by mail ballot may be rejected by the election judge or
3 official:

4 (1) if the ballot envelope is open or has been opened
5 and resealed;

6 (2) if the voter has already cast an early or grace
7 period ballot;

8 (3) if the voter voted in person on election day or the
9 voter is not a duly registered voter in the precinct; or

10 (4) on any other basis set forth in this Code.

11 If the election judge or official determines that any of
12 these reasons apply, the judge or official shall mark across
13 the face of the certification envelope the word "Rejected" and
14 shall not cast or count the ballot.

15 (g-5) If a vote by mail ballot is rejected by the election
16 judge or official for any reason, the election authority
17 shall, within 2 days after the rejection but in all cases
18 before the close of the period for counting provisional
19 ballots, notify the vote by mail voter that his or her ballot
20 was rejected. The notice shall inform the voter of the reason
21 or reasons the ballot was rejected and shall state that the
22 voter may appear before the election authority, on or before
23 the 14th day after the election, to show cause as to why the
24 ballot should not be rejected. The voter may present evidence
25 to the election authority supporting his or her contention
26 that the ballot should be counted. The election authority

1 shall appoint a panel of 3 election judges to review the
2 contested ballot, application, and certification envelope, as
3 well as any evidence submitted by the vote by mail voter. No
4 more than 2 election judges on the reviewing panel shall be of
5 the same political party. The reviewing panel of election
6 judges shall make a final determination as to the validity of
7 the contested vote by mail ballot. The judges' determination
8 shall not be reviewable either administratively or judicially.

9 A vote by mail ballot subject to this subsection that is
10 determined to be valid shall be counted before the close of the
11 period for counting provisional ballots.

12 If a vote by mail ballot is rejected for any reason, the
13 election authority shall, within one day after the rejection,
14 transmit to the State Board of Elections by electronic means
15 the voter's name, street address, email address, and precinct,
16 ward, township, and district numbers, as the case may be. If a
17 rejected vote by mail ballot is determined to be valid, the
18 election authority shall, within one day after the
19 determination, remove the name of the voter from the list
20 transmitted to the State Board of Elections. The State Board
21 of Elections shall maintain the names and information in an
22 electronic format on its website accessible to State and local
23 political committees.

24 Upon request by the State or local political committee,
25 each election authority shall, within one day after the
26 request, provide the following information about all rejected

1 vote by mail ballots: voter's name, street address, email
2 address, and precinct, ward, township, and district numbers,
3 as the case may be.

4 (g-10) All vote by mail ballots determined to be valid
5 shall be added to the vote totals for the precincts for which
6 they were cast in the order in which the ballots were opened.

7 (h) Each political party, candidate, and qualified civic
8 organization shall be entitled to have present one pollwatcher
9 for each panel of election judges therein assigned.

23 Section 65. The Illinois Identification Card Act is

1 amended by changing Sections 4 and 5 as follows:

2 (15 ILCS 335/4)

3 (Text of Section before amendment by P.A. 104-457)

4 Sec. 4. Identification card.

5 (a) In accordance with the requirements of this Section,
6 the Secretary of State shall issue a standard Illinois
7 Identification Card, as well as a mobile Illinois
8 Identification Card, to any natural person who is a resident
9 of the State of Illinois who applies for such a card, or
10 renewal thereof. No identification card shall be issued to any
11 person who holds a valid foreign state identification card,
12 license, or permit unless the person first surrenders to the
13 Secretary of State the valid foreign state identification
14 card, license, or permit. The card shall be prepared and
15 supplied by the Secretary of State and shall include a
16 photograph and signature or mark of the applicant. However,
17 the Secretary of State may provide by rule for the issuance of
18 Illinois Identification Cards without photographs if the
19 applicant has a bona fide religious objection to being
20 photographed or to the display of his or her photograph. The
21 Illinois Identification Card may be used for identification
22 purposes in any lawful situation only by the person to whom it
23 was issued. As used in this Act, "photograph" means any color
24 photograph or digitally produced and captured image of an
25 applicant for an identification card. As used in this Act,

1 "signature" means the name of a person as written by that
2 person and captured in a manner acceptable to the Secretary of
3 State.

4 (a-5) If an applicant for an identification card has a
5 current driver's license or instruction permit issued by the
6 Secretary of State, the Secretary may require the applicant to
7 utilize the same residence address and name on the
8 identification card, driver's license, and instruction permit
9 records maintained by the Secretary. The Secretary may
10 promulgate rules to implement this provision.

11 (a-10) If the applicant is a judicial officer as defined
12 in Section 1-10 of the Judicial Privacy Act, a public official
13 as defined in Section 10 of the Public Official Safety and
14 Privacy Act, or a peace officer, the applicant may elect to
15 have his or her office or work address listed on the card
16 instead of the applicant's residence or mailing address. The
17 Secretary may promulgate rules to implement this provision.
18 For the purposes of this subsection (a-10), "peace officer"
19 means any person who by virtue of his or her office or public
20 employment is vested by law with a duty to maintain public
21 order or to make arrests for a violation of any penal statute
22 of this State, whether that duty extends to all violations or
23 is limited to specific violations.

24 (a-15) The Secretary of State may provide for an expedited
25 process for the issuance of an Illinois Identification Card.
26 The Secretary shall charge an additional fee for the expedited

1 issuance of an Illinois Identification Card, to be set by
2 rule, not to exceed \$75. All fees collected by the Secretary
3 for expedited Illinois Identification Card service shall be
4 deposited into the Secretary of State Special Services Fund.
5 The Secretary may adopt rules regarding the eligibility,
6 process, and fee for an expedited Illinois Identification
7 Card. If the Secretary of State determines that the volume of
8 expedited identification card requests received on a given day
9 exceeds the ability of the Secretary to process those requests
10 in an expedited manner, the Secretary may decline to provide
11 expedited services, and the additional fee for the expedited
12 service shall be refunded to the applicant.

13 (a-20) The Secretary of State shall issue a standard
14 Illinois Identification Card to a person committed to the
15 Department of Corrections, the Department of Juvenile Justice,
16 a Federal Bureau of Prisons facility located in Illinois, or a
17 county jail or county department of corrections as follows:

18 (1) A committed person who has previously held an
19 Illinois Identification Card or an Illinois driver's
20 license shall submit an Identification Card verification
21 form to the Secretary of State, including a photograph
22 taken by the correctional facility, proof of residency
23 upon discharge, and a social security number, if the
24 committed person has a social security number. If the
25 committed person does not have a social security number
26 and is eligible for a social security number, the

1 Secretary of State shall not issue a standard Illinois
2 Identification Card until the committed person obtains a
3 social security number. If the committed person's
4 photograph and demographic information matches an existing
5 Illinois Identification Card or Illinois driver's license
6 and the Secretary of State verifies the applicant's social
7 security number with the Social Security Administration,
8 the Secretary of State shall issue the committed person a
9 standard Illinois Identification Card. If the photograph
10 or demographic information matches an existing Illinois
11 Identification Card or Illinois driver's license in
12 another person's name or identity, a standard Illinois
13 Identification Card shall not be issued until the
14 committed person submits a certified birth certificate and
15 social security card to the Secretary of State and the
16 Secretary of State verifies the identity of the committed
17 person. If the Secretary of State cannot find a match to an
18 existing Illinois Identification Card or Illinois driver's
19 license, the committed person may apply for a standard
20 Illinois Identification card as described in paragraph
21 (2).

22 (2) A committed person who has not previously held an
23 Illinois Identification Card or Illinois driver's license
24 or for whom a match cannot be found as described in
25 paragraph (1) shall submit an Illinois Identification Card
26 verification form, including a photograph taken by the

1 correctional facility, a certified birth certificate,
2 proof of residency upon discharge, and a social security
3 number, if the committed has a social security number. If
4 the committed person does not have a social security
5 number and is eligible for a social security number, the
6 Secretary of State shall not issue a standard Illinois
7 Identification Card until the committed person obtains a
8 social security number. If the Secretary of State verifies
9 the applicant's social security number with the Social
10 Security Administration, the Secretary of State shall
11 issue the committed person a standard Illinois
12 Identification Card.

13 The Illinois Identification Card verification form
14 described in this subsection shall be prescribed by the
15 Secretary of State. The Secretary of State and correctional
16 facilities in this State shall establish a secure method to
17 transfer the form.

18 (a-25) The Secretary of State shall issue a limited-term
19 Illinois Identification Card valid for 90 days to a committed
20 person upon release on parole, mandatory supervised release,
21 aftercare release, final discharge, or pardon from the
22 Department of Corrections, the Department of Juvenile Justice,
23 a Federal Bureau of Prisons facility located in Illinois, or a
24 county jail or county department of corrections, if the
25 released person does not obtain a standard Illinois
26 Identification Card as described in subsection (a-20) prior to

1 release but does present a Secretary of State prescribed
2 Identification Card verification form completed by the
3 correctional facility, verifying the released person's date of
4 birth, social security number, if the person has a social
5 security number, and his or her Illinois residence address.
6 The verification form must have been completed no more than 30
7 days prior to the date of application for the Illinois
8 Identification Card.

9 Prior to the expiration of the 90-day period of the
10 limited-term Illinois Identification Card, if the released
11 person submits to the Secretary of State a certified copy of
12 his or her birth certificate and his or her social security
13 card, if the person has a social security number, or other
14 documents authorized by the Secretary, a standard Illinois
15 Identification Card shall be issued. A limited-term Illinois
16 Identification Card may not be renewed.

17 This subsection shall not apply to a released person who
18 was unable to obtain a standard Illinois Identification Card
19 because his or her photograph or demographic information
20 matched an existing Illinois Identification Card or Illinois
21 driver's license in another person's name or identity or to a
22 released person who does not have a social security number and
23 is eligible for a social security number.

24 (a-30) The Secretary of State shall issue a standard
25 Illinois Identification Card to a person upon conditional
26 release or absolute discharge from the custody of the

1 Department of Human Services, if the person presents a
2 certified copy of his or her birth certificate, social
3 security card, if the person has a social security number, or
4 other documents authorized by the Secretary, and a document
5 proving his or her Illinois residence address. The Secretary
6 of State shall issue a standard Illinois Identification Card
7 to a person prior to his or her conditional release or absolute
8 discharge if personnel from the Department of Human Services
9 bring the person to a Secretary of State location with the
10 required documents. Documents proving residence address may
11 include any official document of the Department of Human
12 Services showing the person's address after release and a
13 Secretary of State prescribed verification form, which may be
14 executed by personnel of the Department of Human Services.

15 (a-35) The Secretary of State shall issue a limited-term
16 Illinois Identification Card valid for 90 days to a person
17 upon conditional release or absolute discharge from the
18 custody of the Department of Human Services, if the person is
19 unable to present a certified copy of his or her birth
20 certificate and social security card, if the person has a
21 social security number, or other documents authorized by the
22 Secretary, but does present a Secretary of State prescribed
23 verification form completed by the Department of Human
24 Services, verifying the person's date of birth and social
25 security number, if the person has a social security number,
26 and a document proving his or her Illinois residence address.

1 The verification form must have been completed no more than 30
2 days prior to the date of application for the Illinois
3 Identification Card. The Secretary of State shall issue a
4 limited-term Illinois Identification Card to a person no
5 sooner than 14 days prior to his or her conditional release or
6 absolute discharge if personnel from the Department of Human
7 Services bring the person to a Secretary of State location
8 with the required documents. Documents proving residence
9 address shall include any official document of the Department
10 of Human Services showing the person's address after release
11 and a Secretary of State prescribed verification form, which
12 may be executed by personnel of the Department of Human
13 Services.

14 (b) The Secretary of State shall issue a special Illinois
15 Identification Card, which shall be known as an Illinois
16 Person with a Disability Identification Card, to any natural
17 person who is a resident of the State of Illinois, who is a
18 person with a disability as defined in Section 4A of this Act,
19 who applies for such card, or renewal thereof. No Illinois
20 Person with a Disability Identification Card shall be issued
21 to any person who holds a valid foreign state identification
22 card, license, or permit unless the person first surrenders to
23 the Secretary of State the valid foreign state identification
24 card, license, or permit. The Secretary of State shall charge
25 no fee to issue such card. The card shall be prepared and
26 supplied by the Secretary of State, and shall include a

1 photograph and signature or mark of the applicant, a
2 designation indicating that the card is an Illinois Person
3 with a Disability Identification Card, and shall include a
4 comprehensible designation of the type and classification of
5 the applicant's disability as set out in Section 4A of this
6 Act. However, the Secretary of State may provide by rule for
7 the issuance of Illinois Person with a Disability
8 Identification Cards without photographs if the applicant has
9 a bona fide religious objection to being photographed or to
10 the display of his or her photograph. If the applicant so
11 requests, the card shall include a description of the
12 applicant's disability and any information about the
13 applicant's disability or medical history which the Secretary
14 determines would be helpful to the applicant in securing
15 emergency medical care. If a mark is used in lieu of a
16 signature, such mark shall be affixed to the card in the
17 presence of 2 witnesses who attest to the authenticity of the
18 mark. The Illinois Person with a Disability Identification
19 Card may be used for identification purposes in any lawful
20 situation by the person to whom it was issued.

21 The Illinois Person with a Disability Identification Card
22 may be used as adequate documentation of disability in lieu of
23 a physician's determination of disability, a determination of
24 disability from a physician assistant, a determination of
25 disability from an advanced practice registered nurse, or any
26 other documentation of disability whenever any State law

1 requires that a person with a disability provide such
2 documentation of disability, however an Illinois Person with a
3 Disability Identification Card shall not qualify the
4 cardholder to participate in any program or to receive any
5 benefit which is not available to all persons with like
6 disabilities. Notwithstanding any other provisions of law, an
7 Illinois Person with a Disability Identification Card, or
8 evidence that the Secretary of State has issued an Illinois
9 Person with a Disability Identification Card, shall not be
10 used by any person other than the person named on such card to
11 prove that the person named on such card is a person with a
12 disability or for any other purpose unless the card is used for
13 the benefit of the person named on such card, and the person
14 named on such card consents to such use at the time the card is
15 so used.

16 An optometrist's determination of a visual disability
17 under Section 4A of this Act is acceptable as documentation
18 for the purpose of issuing an Illinois Person with a
19 Disability Identification Card.

20 When medical information is contained on an Illinois
21 Person with a Disability Identification Card, the Office of
22 the Secretary of State shall not be liable for any actions
23 taken based upon that medical information.

24 (c) The Secretary of State shall provide that each
25 original or renewal Illinois Identification Card or Illinois
26 Person with a Disability Identification Card issued to a

1 person under the age of 21 shall be of a distinct nature from
2 those Illinois Identification Cards or Illinois Person with a
3 Disability Identification Cards issued to individuals 21 years
4 of age or older. The color designated for Illinois
5 Identification Cards or Illinois Person with a Disability
6 Identification Cards for persons under the age of 21 shall be
7 at the discretion of the Secretary of State.

8 (c-1) Each original or renewal Illinois Identification
9 Card or Illinois Person with a Disability Identification Card
10 issued to a person under the age of 21 shall display the date
11 upon which the person becomes 18 years of age and the date upon
12 which the person becomes 21 years of age.

13 (c-3) The General Assembly recognizes the need to identify
14 military veterans living in this State for the purpose of
15 ensuring that they receive all of the services and benefits to
16 which they are legally entitled, including healthcare,
17 education assistance, and job placement. To assist the State
18 in identifying these veterans and delivering these vital
19 services and benefits, the Secretary of State is authorized to
20 issue Illinois Identification Cards and Illinois Person with a
21 Disability Identification Cards with the word "veteran"
22 appearing on the face of the cards. This authorization is
23 predicated on the unique status of veterans. The Secretary may
24 not issue any other identification card which identifies an
25 occupation, status, affiliation, hobby, or other unique
26 characteristics of the identification card holder which is

1 unrelated to the purpose of the identification card.

2 (c-5) Beginning on or before July 1, 2015, the Secretary
3 of State shall designate a space on each original or renewal
4 identification card where, at the request of the applicant,
5 the word "veteran" shall be placed. The veteran designation
6 shall be available to a person identified as a veteran under
7 subsection (b) of Section 5 of this Act who was discharged or
8 separated under honorable conditions.

9 (d) The Secretary of State may issue a Senior Citizen
10 discount card, to any natural person who is a resident of the
11 State of Illinois who is 60 years of age or older and who
12 applies for such a card or renewal thereof. The Secretary of
13 State shall charge no fee to issue such card. The card shall be
14 issued in every county and applications shall be made
15 available at, but not limited to, nutrition sites, senior
16 citizen centers and Area Agencies on Aging. The applicant,
17 upon receipt of such card and prior to its use for any purpose,
18 shall have affixed thereon in the space provided therefor his
19 signature or mark.

20 (e) The Secretary of State, in his or her discretion, may
21 designate on each Illinois Identification Card or Illinois
22 Person with a Disability Identification Card a space where the
23 card holder may place a sticker or decal, issued by the
24 Secretary of State, of uniform size as the Secretary may
25 specify, that shall indicate in appropriate language that the
26 card holder has renewed his or her Illinois Identification

1 Card or Illinois Person with a Disability Identification Card.

2 (f)(1) The Secretary of State may issue a mobile
3 identification card to an individual who is otherwise eligible
4 to hold a physical credential in addition to, and not instead
5 of, an identification card if the Secretary of State has
6 issued an identification card to the person. The data elements
7 that are used to build an electronic credential must match the
8 individual's current Department record.

9 (2) The Secretary may enter into agreements or contract
10 with an agency of the State, another state, the United States,
11 or a third party to facilitate the issuance, use, and
12 verification of a mobile identification card issued by the
13 Secretary or another state.

14 (3) Any mobile identification card issued by the Secretary
15 shall be in accordance with the most recent AAMVA standards.

16 (4) The Secretary shall design the mobile identification
17 card in a manner that allows the credential holder to maintain
18 physical possession of the device on which the mobile
19 identification card is accessed during verification.

20 (g) The verification process shall be implemented to
21 require:

22 (1) the relying parties to authenticate electronic
23 credentials in accordance with applicable AAMVA standards
24 prior to acceptance of the electronic credential;

25 (2) the Secretary to ensure that electronic credential
26 data is subject to all jurisdictional data security and

1 privacy protection laws and regulations; and

2 (3) the relying parties to request only electronic
3 credential data elements that are necessary to complete
4 the transaction for which data is being requested.

5 (h) Privacy and tracking of data shall be restricted by
6 implementing the following requirements:

7 (1) the relying parties shall retain only electronic
8 credential data elements for which the relying party
9 explicitly obtained consent from the electronic credential
10 holder and shall inform the electronic credential holder
11 of the use and retention period of the electronic data
12 elements;

13 (2) the Secretary shall use an electronic credential
14 system that is designed to maximize the privacy of the
15 credential holder in accordance with State and federal law
16 and shall not track or compile information without the
17 credential holder's consent; and

18 (3) the Department shall only compile and disclose
19 information regarding the use of the credential as
20 required by State or federal law.

21 (i)(1) The electronic credential holder shall be required
22 to have the holder's physical credential on the holder's
23 person for all purposes for which an identification card is
24 required. No person, public entity, private entity, or agency
25 shall establish a policy that requires an electronic
26 credential instead of a physical credential.

1 (2) Electronic credential systems shall be designed so
2 that there is no requirement for the electronic credential
3 holder to display or relinquish possession of the credential
4 holder's mobile device to relying parties for the acceptance
5 of an electronic credential.

6 (3) When required by law and upon request by law
7 enforcement, a credential holder must provide the credential
8 holder's physical credential.

9 (4) Any law or regulation that requires an individual to
10 surrender the individual's physical credential to law
11 enforcement does not apply to the device on which an
12 electronic credential has been provisioned.

13 (j) A person may be required to produce when so requested a
14 physical identification card to a law enforcement officer, a
15 representative of a State or federal department or agency, or
16 a private entity and is subject to all applicable laws and
17 consequences for failure to produce such an identification
18 card.

19 (k) The Secretary of State shall adopt such rules as are
20 necessary to implement a mobile identification card.

21 (l) The display of a mobile identification card shall not
22 serve as consent or authorization for a law enforcement
23 officer, or any other person, to search, view, or access any
24 other data or application on the mobile device. If a person
25 presents the person's mobile device to a law enforcement
26 officer for purposes of displaying a mobile identification

1 card, the law enforcement officer shall promptly return the
2 mobile device to the person once the officer has had an
3 opportunity to verify the identity of the person. Except for
4 willful and wanton misconduct, any law enforcement officer,
5 court, or officer of the court presented with the device shall
6 be immune from any liability resulting from damage to the
7 mobile device.

8 (m) The fee to install the application to display a mobile
9 identification card as defined in this subsection shall not
10 exceed \$6.

17 Sec. 4. Identification card.

18 (a) In accordance with the requirements of this Section,
19 the Secretary of State shall issue a standard Illinois
20 Identification Card, as well as a mobile Illinois
21 Identification Card, to any natural person who is a resident
22 of the State of Illinois who applies for such a card, or
23 renewal thereof. No identification card shall be issued to any
24 person who holds a valid foreign state identification card,
25 license, or permit unless the person first surrenders to the

1 Secretary of State the valid foreign state identification
2 card, license, or permit. The card shall be prepared and
3 supplied by the Secretary of State and shall include a
4 photograph and signature or mark of the applicant. However,
5 the Secretary of State may provide by rule for the issuance of
6 Illinois Identification Cards without photographs if the
7 applicant has a bona fide religious objection to being
8 photographed or to the display of his or her photograph. The
9 Illinois Identification Card may be used for identification
10 purposes in any lawful situation only by the person to whom it
11 was issued. As used in this Act, "photograph" means any color
12 photograph or digitally produced and captured image of an
13 applicant for an identification card. As used in this Act,
14 "signature" means the name of a person as written by that
15 person and captured in a manner acceptable to the Secretary of
16 State.

17 (a-5) If an applicant for an identification card has a
18 current driver's license or instruction permit issued by the
19 Secretary of State, the Secretary may require the applicant to
20 utilize the same residence address and name on the
21 identification card, driver's license, and instruction permit
22 records maintained by the Secretary. The Secretary may
23 promulgate rules to implement this provision.

24 (a-10) If the applicant is a judicial officer as defined
25 in Section 1-10 of the Judicial Privacy Act, a public official
26 as defined in Section 10 of the Public Official Safety and

1 Privacy Act, or a peace officer, the applicant may elect to
2 have his or her office or work address listed on the card
3 instead of the applicant's residence or mailing address. The
4 Secretary may promulgate rules to implement this provision.
5 For the purposes of this subsection (a-10), "peace officer"
6 means any person who by virtue of his or her office or public
7 employment is vested by law with a duty to maintain public
8 order or to make arrests for a violation of any penal statute
9 of this State, whether that duty extends to all violations or
10 is limited to specific violations.

11 (a-15) The Secretary of State may provide for an expedited
12 process for the issuance of an Illinois Identification Card.
13 The Secretary shall charge an additional fee for the expedited
14 issuance of an Illinois Identification Card, to be set by
15 rule, not to exceed \$75. All fees collected by the Secretary
16 for expedited Illinois Identification Card service shall be
17 deposited into the Secretary of State Special Services Fund.
18 The Secretary may adopt rules regarding the eligibility,
19 process, and fee for an expedited Illinois Identification
20 Card. If the Secretary of State determines that the volume of
21 expedited identification card requests received on a given day
22 exceeds the ability of the Secretary to process those requests
23 in an expedited manner, the Secretary may decline to provide
24 expedited services, and the additional fee for the expedited
25 service shall be refunded to the applicant.

26 (a-20) The Secretary of State shall issue a standard

1 Illinois Identification Card to a person committed to the
2 Department of Corrections, the Department of Juvenile Justice,
3 a Federal Bureau of Prisons facility located in Illinois, or a
4 county jail or county department of corrections as follows:

5 (1) A committed person who has previously held an
6 Illinois Identification Card or an Illinois driver's
7 license shall submit an Identification Card verification
8 form to the Secretary of State, including a photograph
9 taken by the correctional facility, proof of residency
10 upon discharge, and a social security number, if the
11 committed person has a social security number. If the
12 committed person does not have a social security number
13 and is eligible for a social security number, the
14 Secretary of State shall not issue a standard Illinois
15 Identification Card until the committed person obtains a
16 social security number. If the committed person's
17 photograph and demographic information matches an existing
18 Illinois Identification Card or Illinois driver's license
19 and the Secretary of State verifies the applicant's social
20 security number with the Social Security Administration,
21 the Secretary of State shall issue the committed person a
22 standard Illinois Identification Card. If the photograph
23 or demographic information matches an existing Illinois
24 Identification Card or Illinois driver's license in
25 another person's name or identity, a standard Illinois
26 Identification Card shall not be issued until the

1 committed person submits a certified birth certificate and
2 social security card to the Secretary of State and the
3 Secretary of State verifies the identity of the committed
4 person. If the Secretary of State cannot find a match to an
5 existing Illinois Identification Card or Illinois driver's
6 license, the committed person may apply for a standard
7 Illinois Identification card as described in paragraph
8 (2).

9 (2) A committed person who has not previously held an
10 Illinois Identification Card or Illinois driver's license
11 or for whom a match cannot be found as described in
12 paragraph (1) shall submit an Illinois Identification Card
13 verification form, including a photograph taken by the
14 correctional facility, a certified birth certificate,
15 proof of residency upon discharge, and a social security
16 number, if the committed has a social security number. If
17 the committed person does not have a social security
18 number and is eligible for a social security number, the
19 Secretary of State shall not issue a standard Illinois
20 Identification Card until the committed person obtains a
21 social security number. If the Secretary of State verifies
22 the applicant's social security number with the Social
23 Security Administration, the Secretary of State shall
24 issue the committed person a standard Illinois
25 Identification Card.

26 The Illinois Identification Card verification form

1 described in this subsection shall be prescribed by the
2 Secretary of State. The Secretary of State and correctional
3 facilities in this State shall establish a secure method to
4 transfer the form.

5 (a-25) The Secretary of State shall issue a limited-term
6 Illinois Identification Card valid for 90 days to a committed
7 person upon release on parole, mandatory supervised release,
8 aftercare release, final discharge, or pardon from the
9 Department of Corrections, the Department of Juvenile Justice,
10 a Federal Bureau of Prisons facility located in Illinois, or a
11 county jail or county department of corrections, if the
12 released person does not obtain a standard Illinois
13 Identification Card as described in subsection (a-20) prior to
14 release but does present a Secretary of State prescribed
15 Identification Card verification form completed by the
16 correctional facility, verifying the released person's date of
17 birth, social security number, if the person has a social
18 security number, and his or her Illinois residence address.
19 The verification form must have been completed no more than 30
20 days prior to the date of application for the Illinois
21 Identification Card.

22 Prior to the expiration of the 90-day period of the
23 limited-term Illinois Identification Card, if the released
24 person submits to the Secretary of State a certified copy of
25 his or her birth certificate and his or her social security
26 card, if the person has a social security number, or other

1 documents authorized by the Secretary, a standard Illinois
2 Identification Card shall be issued. A limited-term Illinois
3 Identification Card may not be renewed.

4 This subsection shall not apply to a released person who
5 was unable to obtain a standard Illinois Identification Card
6 because his or her photograph or demographic information
7 matched an existing Illinois Identification Card or Illinois
8 driver's license in another person's name or identity or to a
9 released person who does not have a social security number and
10 is eligible for a social security number.

11 (a-30) The Secretary of State shall issue a standard
12 Illinois Identification Card to a person upon conditional
13 release or absolute discharge from the custody of the
14 Department of Human Services, if the person presents a
15 certified copy of his or her birth certificate, social
16 security card, if the person has a social security number, or
17 other documents authorized by the Secretary, and a document
18 proving his or her Illinois residence address. The Secretary
19 of State shall issue a standard Illinois Identification Card
20 to a person prior to his or her conditional release or absolute
21 discharge if personnel from the Department of Human Services
22 bring the person to a Secretary of State location with the
23 required documents. Documents proving residence address may
24 include any official document of the Department of Human
25 Services showing the person's address after release and a
26 Secretary of State prescribed verification form, which may be

1 executed by personnel of the Department of Human Services.

2 (a-35) The Secretary of State shall issue a limited-term
3 Illinois Identification Card valid for 90 days to a person
4 upon conditional release or absolute discharge from the
5 custody of the Department of Human Services, if the person is
6 unable to present a certified copy of his or her birth
7 certificate and social security card, if the person has a
8 social security number, or other documents authorized by the
9 Secretary, but does present a Secretary of State prescribed
10 verification form completed by the Department of Human
11 Services, verifying the person's date of birth and social
12 security number, if the person has a social security number,
13 and a document proving his or her Illinois residence address.
14 The verification form must have been completed no more than 30
15 days prior to the date of application for the Illinois
16 Identification Card. The Secretary of State shall issue a
17 limited-term Illinois Identification Card to a person no
18 sooner than 14 days prior to his or her conditional release or
19 absolute discharge if personnel from the Department of Human
20 Services bring the person to a Secretary of State location
21 with the required documents. Documents proving residence
22 address shall include any official document of the Department
23 of Human Services showing the person's address after release
24 and a Secretary of State prescribed verification form, which
25 may be executed by personnel of the Department of Human
26 Services.

1 (b) The Secretary of State shall issue a special Illinois
2 Identification Card, which shall be known as an Illinois
3 Person with a Disability Identification Card, to any natural
4 person who is a resident of the State of Illinois, who is a
5 person with a disability as defined in Section 4A of this Act,
6 who applies for such card, or renewal thereof. No Illinois
7 Person with a Disability Identification Card shall be issued
8 to any person who holds a valid foreign state identification
9 card, license, or permit unless the person first surrenders to
10 the Secretary of State the valid foreign state identification
11 card, license, or permit. The Secretary of State shall charge
12 no fee to issue such card. The card shall be prepared and
13 supplied by the Secretary of State, and shall include a
14 photograph and signature or mark of the applicant, a
15 designation indicating that the card is an Illinois Person
16 with a Disability Identification Card, and shall include a
17 comprehensible designation of the type and classification of
18 the applicant's disability as set out in Section 4A of this
19 Act. However, the Secretary of State may provide by rule for
20 the issuance of Illinois Person with a Disability
21 Identification Cards without photographs if the applicant has
22 a bona fide religious objection to being photographed or to
23 the display of his or her photograph. If the applicant so
24 requests, the card shall include a description of the
25 applicant's disability and any information about the
26 applicant's disability or medical history which the Secretary

1 determines would be helpful to the applicant in securing
2 emergency medical care. If a mark is used in lieu of a
3 signature, such mark shall be affixed to the card in the
4 presence of 2 witnesses who attest to the authenticity of the
5 mark. The Illinois Person with a Disability Identification
6 Card may be used for identification purposes in any lawful
7 situation by the person to whom it was issued.

8 The Illinois Person with a Disability Identification Card
9 may be used as adequate documentation of disability in lieu of
10 a physician's determination of disability, a determination of
11 disability from a physician assistant, a determination of
12 disability from an advanced practice registered nurse, or any
13 other documentation of disability whenever any State law
14 requires that a person with a disability provide such
15 documentation of disability, however an Illinois Person with a
16 Disability Identification Card shall not qualify the
17 cardholder to participate in any program or to receive any
18 benefit which is not available to all persons with like

4 under Section 4A of this Act is acceptable as documentation

19 occupation, status, affiliation, hobby, or other unique
20 characteristics of the identification card holder which is
21 unrelated to the purpose of the identification card.

22 (c-5) Beginning on or before July 1, 2015, the Secretary

22 (f)(1) The Secretary of State may issue a mobile
23 identification card to an individual who is otherwise eligible
24 to hold a physical credential in addition to, and not instead
25 of, an identification card if the Secretary of State has
26 issued an identification card to the person. The data elements

1 that are used to build an electronic credential must match the
2 individual's current Department record.

3 (2) The Secretary may enter into agreements or contract
4 with an agency of the State, another state, the United States,
5 or a third party to facilitate the issuance, use, and
6 verification of a mobile identification card issued by the
7 Secretary or another state.

8 (3) Any mobile identification card issued by the Secretary
9 shall be in accordance with the most recent AAMVA standards.

10 (4) The Secretary shall design the mobile identification
11 card in a manner that allows the credential holder to maintain
12 physical possession of the device on which the mobile
13 identification card is accessed during verification.

14 (g) The verification process shall be implemented to
15 require:

16 (1) the relying parties to authenticate electronic
17 credentials in accordance with applicable AAMVA standards
18 prior to acceptance of the electronic credential;

19 (2) the Secretary to ensure that electronic credential
20 data is subject to all jurisdictional data security and
21 privacy protection laws and regulations; and

22 (3) the relying parties to request only electronic
23 credential data elements that are necessary to complete
24 the transaction for which data is being requested.

25 (h) Privacy and tracking of data shall be restricted by
26 implementing the following requirements:

1 (1) the relying parties shall retain only electronic
2 credential data elements for which the relying party
3 explicitly obtained consent from the electronic credential
4 holder and shall inform the electronic credential holder
5 of the use and retention period of the electronic data
6 elements;

7 (2) the Secretary shall use an electronic credential
8 system that is designed to maximize the privacy of the
9 credential holder in accordance with State and federal law
10 and shall not track or compile information without the
11 credential holder's consent; and

12 (3) the Department shall only compile and disclose

15 (i)(1) The electronic credential holder shall be required
16 to have the holder's physical credential on the holder's
17 person for all purposes for which an identification card is
18 required. No person, public entity, private entity, or agency
19 shall establish a policy that requires an electronic
20 credential instead of a physical credential.

21 (2) Electronic credential systems shall be designed so
22 that there is no requirement for the electronic credential
23 holder to display or relinquish possession of the credential
24 holder's mobile device to relying parties for the acceptance
25 of an electronic credential.

26 (3) When required by law and upon request by law

1 enforcement, a credential holder must provide the credential
2 holder's physical credential.

3 (4) Any law or regulation that requires an individual to
4 surrender the individual's physical credential to law
5 enforcement does not apply to the device on which an
6 electronic credential has been provisioned.

7 (j) A person may be required to produce when so requested a
8 physical identification card to a law enforcement officer, a
9 representative of a State or federal department or agency, or
10 a private entity and is subject to all applicable laws and
11 consequences for failure to produce such an identification
12 card.

13 (k) The Secretary of State shall adopt such rules as are
14 necessary to implement a mobile identification card.

15 (l) The display of a mobile identification card shall not
16 serve as consent or authorization for a law enforcement
17 officer, or any other person, to search, view, or access any
18 other data or application on the mobile device. If a person
19 presents the person's mobile device to a law enforcement
20 officer for purposes of displaying a mobile identification
21 card, the law enforcement officer shall promptly return the
22 mobile device to the person once the officer has had an
23 opportunity to verify the identity of the person. Except for
24 willful and wanton misconduct, any law enforcement officer,
25 court, or officer of the court presented with the device shall
26 be immune from any liability resulting from damage to the

1 mobile device.

2 (m) The fee to install the application to display a mobile

23 Section 90. The Children and Family Services Act is
24 amended by changing Sections 5 and 35.10 as follows:

1 (20 ILCS 505/5)

2 (Text of Section before amendment by P.A. 104-107)

3 Sec. 5. Direct child welfare services; Department of
4 Children and Family Services. To provide direct child welfare
5 services when not available through other public or private
6 child care or program facilities.

7 (a) For purposes of this Section:

8 (1) "Children" means persons found within the State
9 who are under the age of 18 years. The term also includes
10 persons under age 21 who:

11 (A) were committed to the Department pursuant to
12 the Juvenile Court Act or the Juvenile Court Act of
13 1987 and who continue under the jurisdiction of the
14 court; or

15 (B) were accepted for care, service and training
16 by the Department prior to the age of 18 and whose best
17 interest in the discretion of the Department would be
18 served by continuing that care, service and training
19 because of severe emotional disturbances, physical
20 disability, social adjustment or any combination
21 thereof, or because of the need to complete an
22 educational or vocational training program.

23 (2) "Homeless youth" means persons found within the
24 State who are under the age of 19, are not in a safe and
25 stable living situation and cannot be reunited with their
26 families.

1 (3) "Child welfare services" means public social
2 services which are directed toward the accomplishment of
3 the following purposes:

4 (A) protecting and promoting the health, safety
5 and welfare of children, including homeless,
6 dependent, or neglected children;

7 (B) remedying, or assisting in the solution of
8 problems which may result in, the neglect, abuse,
9 exploitation, or delinquency of children;

10 (C) preventing the unnecessary separation of
11 children from their families by identifying family
12 problems, assisting families in resolving their
13 problems, and preventing the breakup of the family
14 where the prevention of child removal is desirable and
15 possible when the child can be cared for at home
16 without endangering the child's health and safety;

17 (D) restoring to their families children who have
18 been removed, by the provision of services to the
19 child and the families when the child can be cared for
20 at home without endangering the child's health and
21 safety;

22 (E) placing children in suitable permanent family
23 arrangements, through guardianship or adoption, in
24 cases where restoration to the birth family is not
25 safe, possible, or appropriate;

26 (F) at the time of placement, conducting

1 concurrent planning, as described in subsection (1-1)
2 of this Section, so that permanency may occur at the
3 earliest opportunity. Consideration should be given so
4 that if reunification fails or is delayed, the
5 placement made is the best available placement to
6 provide permanency for the child;

7 (G) (blank);

8 (H) (blank); and

9 (I) placing and maintaining children in facilities
10 that provide separate living quarters for children
11 under the age of 18 and for children 18 years of age
12 and older, unless a child 18 years of age is in the
13 last year of high school education or vocational
14 training, in an approved individual or group treatment
15 program, in a licensed shelter facility, or secure
16 child care facility. The Department is not required to
17 place or maintain children:

18 (i) who are in a foster home, or

19 (ii) who are persons with a developmental
20 disability, as defined in the Mental Health and
21 Developmental Disabilities Code, or

22 (iii) who are female children who are
23 pregnant, pregnant and parenting, or parenting, or

24 (iv) who are siblings, in facilities that
25 provide separate living quarters for children 18
26 years of age and older and for children under 18

1 years of age.

2 (b) (Blank).

3 (b-5) The Department shall adopt rules to establish a
4 process for all licensed residential providers in Illinois to
5 submit data as required by the Department if they contract or
6 receive reimbursement for children's mental health, substance
7 use, and developmental disability services from the Department
8 of Human Services, the Department of Juvenile Justice, or the
9 Department of Healthcare and Family Services. The requested
10 data must include, but is not limited to, capacity, staffing,
11 and occupancy data for the purpose of establishing State need
12 and placement availability.

13 All information collected, shared, or stored pursuant to
14 this subsection shall be handled in accordance with all State
15 and federal privacy laws and accompanying regulations and
16 rules, including, without limitation, the federal Health
17 Insurance Portability and Accountability Act of 1996 (Public
18 Law 104-191) and the Mental Health and Developmental
19 Disabilities Confidentiality Act.

20 (c) The Department shall establish and maintain
21 tax-supported child welfare services and extend and seek to
22 improve voluntary services throughout the State, to the end
23 that services and care shall be available on an equal basis
24 throughout the State to children requiring such services.

25 (d) The Director may authorize advance disbursements for
26 any new program initiative to any agency contracting with the

1 Department. As a prerequisite for an advance disbursement, the
2 contractor must post a surety bond in the amount of the advance
3 disbursement and have a purchase of service contract approved
4 by the Department. The Department may pay up to 2 months
5 operational expenses in advance. The amount of the advance
6 disbursement shall be prorated over the life of the contract
7 or the remaining months of the fiscal year, whichever is less,
8 and the installment amount shall then be deducted from future
9 bills. Advance disbursement authorizations for new initiatives
10 shall not be made to any agency after that agency has operated
11 during 2 consecutive fiscal years. The requirements of this
12 Section concerning advance disbursements shall not apply with
13 respect to the following: payments to local public agencies
14 for child day care services as authorized by Section 5a of this
15 Act; and youth service programs receiving grant funds under
16 Section 17a-4.

17 (e) (Blank).

18 (f) (Blank).

19 (g) The Department shall establish rules and regulations
20 concerning its operation of programs designed to meet the
21 goals of child safety and protection, family preservation, and
22 permanency, including, but not limited to:

23 (1) reunification, guardianship, and adoption;

24 (2) relative and licensed foster care;

25 (3) family counseling;

26 (4) protective services;

1 (5) (blank);

2 (6) homemaker service;

3 (7) return of runaway children;

4 (8) (blank);

5 (9) placement under Section 5-7 of the Juvenile Court
6 Act or Section 2-27, 3-28, 4-25, or 5-740 of the Juvenile
7 Court Act of 1987 in accordance with the federal Adoption
8 Assistance and Child Welfare Act of 1980; and

9 (10) interstate services.

10 Rules and regulations established by the Department shall
11 include provisions for training Department staff and the staff
12 of Department grantees, through contracts with other agencies
13 or resources, in screening techniques to identify substance
14 use disorders, as defined in the Substance Use Disorder Act,
15 approved by the Department of Human Services, as a successor
16 to the Department of Alcoholism and Substance Abuse, for the
17 purpose of identifying children and adults who should be
18 referred for an assessment at an organization appropriately
19 licensed by the Department of Human Services for substance use
20 disorder treatment.

21 (h) If the Department finds that there is no appropriate
22 program or facility within or available to the Department for
23 a youth in care and that no licensed private facility has an
24 adequate and appropriate program or none agrees to accept the
25 youth in care, the Department shall create an appropriate
26 individualized, program-oriented plan for such youth in care.

1 The plan may be developed within the Department or through
2 purchase of services by the Department to the extent that it is
3 within its statutory authority to do.

4 (i) Service programs shall be available throughout the
5 State and shall include but not be limited to the following
6 services:

7 (1) case management;

8 (2) homemakers;

9 (3) counseling;

10 (4) parent education;

11 (5) day care;

12 (6) emergency assistance and advocacy; and

13 (7) kinship navigator and relative caregiver supports.

14 In addition, the following services may be made available
15 to assess and meet the needs of children and families:

16 (1) comprehensive family-based services;

17 (2) assessments;

18 (3) respite care; and

19 (4) in-home health services.

20 The Department shall provide transportation for any of the
21 services it makes available to children or families or for
22 which it refers children or families.

23 (j) The Department may provide categories of financial
24 assistance and education assistance grants, and shall
25 establish rules and regulations concerning the assistance and
26 grants, to persons who adopt or become subsidized guardians of

1 children with physical or mental disabilities, children who
2 are older, or other hard-to-place children who (i) immediately
3 prior to their adoption or subsidized guardianship were youth
4 in care or (ii) were determined eligible for financial
5 assistance with respect to a prior adoption and who become
6 available for adoption because the prior adoption has been
7 dissolved and the parental rights of the adoptive parents have
8 been terminated or because the child's adoptive parents have
9 died. The Department may continue to provide financial
10 assistance and education assistance grants for a child who was
11 determined eligible for financial assistance under this
12 subsection (j) in the interim period beginning when the
13 child's adoptive parents died and ending with the finalization
14 of the new adoption of the child by another adoptive parent or
15 parents. The Department may also provide categories of
16 financial assistance and education assistance grants, and
17 shall establish rules and regulations for the assistance and
18 grants, to persons appointed guardian of the person under
19 Section 5-7 of the Juvenile Court Act or Section 2-27, 3-28,
20 4-25, or 5-740 of the Juvenile Court Act of 1987 for children
21 who were youth in care for 12 months immediately prior to the
22 appointment of the guardian.

23 The amount of assistance may vary, depending upon the
24 needs of the child and the adoptive parents or subsidized
25 guardians, as set forth in the annual assistance agreement.
26 Special purpose grants are allowed where the child requires

1 special service but such costs may not exceed the amounts
2 which similar services would cost the Department if it were to
3 provide or secure them as guardian of the child.

4 Any financial assistance provided under this subsection is
5 inalienable by assignment, sale, execution, attachment,
6 garnishment, or any other remedy for recovery or collection of
7 a judgment or debt.

8 (j-5) The Department shall not deny or delay the placement
9 of a child for adoption if an approved family is available
10 either outside of the Department region handling the case, or
11 outside of the State of Illinois.

12 (k) The Department shall accept for care and training any
13 child who has been adjudicated neglected or abused, or
14 dependent committed to it pursuant to the Juvenile Court Act
15 or the Juvenile Court Act of 1987.

16 (l) The Department shall offer family preservation
17 services, as defined in Section 8.2 of the Abused and
18 Neglected Child Reporting Act, to help families, including
19 adoptive and extended families. Family preservation services
20 shall be offered (i) to prevent the placement of children in
21 substitute care when the children can be cared for at home or
22 in the custody of the person responsible for the children's
23 welfare, (ii) to reunite children with their families, or
24 (iii) to maintain an adoption or subsidized guardianship.
25 Family preservation services shall only be offered when doing
26 so will not endanger the children's health or safety. With

1 respect to children who are in substitute care pursuant to the
2 Juvenile Court Act of 1987, family preservation services shall
3 not be offered if a goal other than those of subdivisions (A),
4 (B), or (B-1) of subsection (2.3) of Section 2-28 of that Act
5 has been set, except that reunification services may be
6 offered as provided in paragraph (F) of subsection (2.3) of
7 Section 2-28 of that Act. Nothing in this paragraph shall be
8 construed to create a private right of action or claim on the
9 part of any individual or child welfare agency, except that
10 when a child is the subject of an action under Article II of
11 the Juvenile Court Act of 1987 and the child's service plan
12 calls for services to facilitate achievement of the permanency
13 goal, the court hearing the action under Article II of the
14 Juvenile Court Act of 1987 may order the Department to provide
15 the services set out in the plan, if those services are not
16 provided with reasonable promptness and if those services are
17 available.

18 The Department shall notify the child and the child's
19 family of the Department's responsibility to offer and provide
20 family preservation services as identified in the service
21 plan. The child and the child's family shall be eligible for
22 services as soon as the report is determined to be
23 "indicated". The Department may offer services to any child or
24 family with respect to whom a report of suspected child abuse
25 or neglect has been filed, prior to concluding its
26 investigation under Section 7.12 of the Abused and Neglected

1 Child Reporting Act. However, the child's or family's
2 willingness to accept services shall not be considered in the
3 investigation. The Department may also provide services to any
4 child or family who is the subject of any report of suspected
5 child abuse or neglect or may refer such child or family to
6 services available from other agencies in the community, even
7 if the report is determined to be unfounded, if the conditions
8 in the child's or family's home are reasonably likely to
9 subject the child or family to future reports of suspected
10 child abuse or neglect. Acceptance of such services shall be
11 voluntary. The Department may also provide services to any
12 child or family after completion of a family assessment, as an
13 alternative to an investigation, as provided under the
14 "differential response program" provided for in subsection
15 (a-5) of Section 7.4 of the Abused and Neglected Child
16 Reporting Act.

17 The Department may, at its discretion except for those
18 children also adjudicated neglected or dependent, accept for
19 care and training any child who has been adjudicated addicted,
20 as a truant minor in need of supervision or as a minor
21 requiring authoritative intervention, under the Juvenile Court
22 Act or the Juvenile Court Act of 1987, but no such child shall
23 be committed to the Department by any court without the
24 approval of the Department. On and after January 1, 2015 (the
25 effective date of Public Act 98-803) and before January 1,
26 2017, a minor charged with a criminal offense under the

1 Criminal Code of 1961 or the Criminal Code of 2012 or
2 adjudicated delinquent shall not be placed in the custody of
3 or committed to the Department by any court, except (i) a minor
4 less than 16 years of age committed to the Department under
5 Section 5-710 of the Juvenile Court Act of 1987, (ii) a minor
6 for whom an independent basis of abuse, neglect, or dependency
7 exists, which must be defined by departmental rule, or (iii) a
8 minor for whom the court has granted a supplemental petition
9 to reinstate wardship pursuant to subsection (2) of Section
10 2-33 of the Juvenile Court Act of 1987. On and after January 1,
11 2017, a minor charged with a criminal offense under the
12 Criminal Code of 1961 or the Criminal Code of 2012 or
13 adjudicated delinquent shall not be placed in the custody of
14 or committed to the Department by any court, except (i) a minor
15 less than 15 years of age committed to the Department under
16 Section 5-710 of the Juvenile Court Act of 1987, (ii) a minor
17 for whom an independent basis of abuse, neglect, or dependency
18 exists, which must be defined by departmental rule, or (iii) a
19 minor for whom the court has granted a supplemental petition
20 to reinstate wardship pursuant to subsection (2) of Section
21 2-33 of the Juvenile Court Act of 1987. An independent basis
22 exists when the allegations or adjudication of abuse, neglect,
23 or dependency do not arise from the same facts, incident, or
24 circumstances which give rise to a charge or adjudication of
25 delinquency. The Department shall assign a caseworker to
26 attend any hearing involving a youth in the care and custody of

1 the Department who is placed on aftercare release, including
2 hearings involving sanctions for violation of aftercare
3 release conditions and aftercare release revocation hearings.

4 As soon as is possible, the Department shall develop and
5 implement a special program of family preservation services to
6 support intact, relative, foster, and adoptive families who
7 are experiencing extreme hardships due to the difficulty and
8 stress of caring for a child who has been diagnosed with a
9 pervasive developmental disorder if the Department determines
10 that those services are necessary to ensure the health and
11 safety of the child. The Department may offer services to any
12 family whether or not a report has been filed under the Abused
13 and Neglected Child Reporting Act. The Department may refer
14 the child or family to services available from other agencies
15 in the community if the conditions in the child's or family's
16 home are reasonably likely to subject the child or family to
17 future reports of suspected child abuse or neglect. Acceptance
18 of these services shall be voluntary. The Department shall
19 develop and implement a public information campaign to alert
20 health and social service providers and the general public
21 about these special family preservation services. The nature
22 and scope of the services offered and the number of families
23 served under the special program implemented under this
24 paragraph shall be determined by the level of funding that the
25 Department annually allocates for this purpose. The term
26 "pervasive developmental disorder" under this paragraph means

1 a neurological condition, including, but not limited to,
2 Asperger's Syndrome and autism, as defined in the most recent
3 edition of the Diagnostic and Statistical Manual of Mental
4 Disorders of the American Psychiatric Association.

5 (1-1) The General Assembly recognizes that the best
6 interests of the child require that the child be placed in the
7 most permanent living arrangement that is an appropriate
8 option for the child, consistent with the child's best
9 interest, using the factors set forth in subsection (4.05) of
10 Section 1-3 of the Juvenile Court Act of 1987 as soon as is
11 practically possible. To achieve this goal, the General
12 Assembly directs the Department of Children and Family
13 Services to conduct concurrent planning so that permanency may
14 occur at the earliest opportunity. Permanent living
15 arrangements may include prevention of placement of a child
16 outside the home of the family when the child can be cared for
17 at home without endangering the child's health or safety;
18 reunification with the family, when safe and appropriate, if
19 temporary placement is necessary; or movement of the child
20 toward the most appropriate living arrangement and legal
21 status.

22 When determining reasonable efforts to be made with
23 respect to a child, as described in this subsection, and in
24 making such reasonable efforts, the child's health and safety
25 shall be the paramount concern.

26 When a child is placed in foster care, the Department

1 shall ensure and document that reasonable efforts were made to
2 prevent or eliminate the need to remove the child from the
3 child's home. The Department must make reasonable efforts to
4 reunify the family when temporary placement of the child
5 occurs unless otherwise required, pursuant to the Juvenile
6 Court Act of 1987. At any time after the dispositional hearing
7 where the Department believes that further reunification
8 services would be ineffective, it may request a finding from
9 the court that reasonable efforts are no longer appropriate.
10 The Department is not required to provide further
11 reunification services after such a finding.

12 A decision to place a child in substitute care shall be
13 made with considerations of the child's health, safety, and
14 best interests. The Department shall make diligent efforts to
15 place the child with a relative, document those diligent
16 efforts, and document reasons for any failure or inability to
17 secure such a relative placement. If the primary issue
18 preventing an emergency placement of a child with a relative
19 is a lack of resources, including, but not limited to,
20 concrete goods, safety modifications, and services, the
21 Department shall make diligent efforts to assist the relative
22 in obtaining the necessary resources. No later than July 1,
23 2025, the Department shall adopt rules defining what is
24 diligent and necessary in providing supports to potential
25 relative placements. At the time of placement, consideration
26 should also be given so that if reunification fails or is

1 delayed, the placement has the potential to be an appropriate
2 permanent placement for the child.

3 The Department shall adopt rules addressing concurrent
4 planning for reunification and permanency. The Department
5 shall consider the following factors when determining
6 appropriateness of concurrent planning:

7 (1) the likelihood of prompt reunification;

8 (2) the past history of the family;

9 (3) the barriers to reunification being addressed by
10 the family;

11 (4) the level of cooperation of the family;

12 (4.5) the child's wishes;

13 (5) the caregivers' willingness to work with the
14 family to reunite;

15 (6) the willingness and ability of the caregivers' to
16 provide a permanent placement;

17 (7) the age of the child;

18 (8) placement of siblings; and

19 (9) the wishes of the parent or parents unless the
20 parental preferences are contrary to the best interests of
21 the child.

22 (m) The Department may assume temporary custody of any
23 child if:

24 (1) it has received a written consent to such
25 temporary custody signed by the parents of the child or by
26 the parent having custody of the child if the parents are

1 not living together or by the guardian or custodian of the
2 child if the child is not in the custody of either parent,
3 or

4 (2) the child is found in the State and neither a
5 parent, guardian nor custodian of the child can be
6 located.

7 If the child is found in the child's residence without a
8 parent, guardian, custodian, or responsible caretaker, the
9 Department may, instead of removing the child and assuming
10 temporary custody, place an authorized representative of the
11 Department in that residence until such time as a parent,
12 guardian, or custodian enters the home and expresses a
13 willingness and apparent ability to ensure the child's health
14 and safety and resume permanent charge of the child, or until a
15 relative enters the home and is willing and able to ensure the
16 child's health and safety and assume charge of the child until
17 a parent, guardian, or custodian enters the home and expresses
18 such willingness and ability to ensure the child's safety and
19 resume permanent charge. After a caretaker has remained in the
20 home for a period not to exceed 12 hours, the Department must
21 follow those procedures outlined in Section 2-9, 3-11, 4-8, or
22 5-415 of the Juvenile Court Act of 1987.

23 The Department shall have the authority, responsibilities
24 and duties that a legal custodian of the child would have
25 pursuant to subsection (9) of Section 1-3 of the Juvenile
26 Court Act of 1987. Whenever a child is taken into temporary

1 custody pursuant to an investigation under the Abused and
2 Neglected Child Reporting Act, or pursuant to a referral and
3 acceptance under the Juvenile Court Act of 1987 of a minor in
4 limited custody, the Department, during the period of
5 temporary custody and before the child is brought before a
6 judicial officer as required by Section 2-9, 3-11, 4-8, or
7 5-415 of the Juvenile Court Act of 1987, shall have the
8 authority, responsibilities and duties that a legal custodian
9 of the child would have under subsection (9) of Section 1-3 of
10 the Juvenile Court Act of 1987.

11 The Department shall ensure that any child taken into
12 custody is scheduled for an appointment for a medical
13 examination.

14 A parent, guardian, or custodian of a child in the
15 temporary custody of the Department who would have custody of
16 the child if the child were not in the temporary custody of the
17 Department may deliver to the Department a signed request that
18 the Department surrender the temporary custody of the child.
19 The Department may retain temporary custody of the child for
20 10 days after the receipt of the request, during which period
21 the Department may cause to be filed a petition pursuant to the
22 Juvenile Court Act of 1987. If a petition is so filed, the
23 Department shall retain temporary custody of the child until
24 the court orders otherwise. If a petition is not filed within
25 the 10-day period, the child shall be surrendered to the
26 custody of the requesting parent, guardian, or custodian not

1 later than the expiration of the 10-day period, at which time
2 the authority and duties of the Department with respect to the
3 temporary custody of the child shall terminate.

4 (m-1) The Department may place children under 18 years of
5 age in a secure child care facility licensed by the Department
6 that cares for children who are in need of secure living
7 arrangements for their health, safety, and well-being after a
8 determination is made by the facility director and the
9 Director or the Director's designate prior to admission to the
10 facility subject to Section 2-27.1 of the Juvenile Court Act
11 of 1987. This subsection (m-1) does not apply to a child who is
12 subject to placement in a correctional facility operated
13 pursuant to Section 3-15-2 of the Unified Code of Corrections,
14 unless the child is a youth in care who was placed in the care
15 of the Department before being subject to placement in a
16 correctional facility and a court of competent jurisdiction
17 has ordered placement of the child in a secure care facility.

18 (n) The Department may place children under 18 years of
19 age in licensed child care facilities when in the opinion of
20 the Department, appropriate services aimed at family
21 preservation have been unsuccessful and cannot ensure the
22 child's health and safety or are unavailable and such
23 placement would be for their best interest. Payment for board,
24 clothing, care, training and supervision of any child placed
25 in a licensed child care facility may be made by the
26 Department, by the parents or guardians of the estates of

1 those children, or by both the Department and the parents or
2 guardians, except that no payments shall be made by the
3 Department for any child placed in a licensed child care
4 facility for board, clothing, care, training, and supervision
5 of such a child that exceed the average per capita cost of
6 maintaining and of caring for a child in institutions for
7 dependent or neglected children operated by the Department.
8 However, such restriction on payments does not apply in cases
9 where children require specialized care and treatment for
10 problems of severe emotional disturbance, physical disability,
11 social adjustment, or any combination thereof and suitable
12 facilities for the placement of such children are not
13 available at payment rates within the limitations set forth in
14 this Section. All reimbursements for services delivered shall
15 be absolutely inalienable by assignment, sale, attachment, or
16 garnishment or otherwise.

17 (n-1) The Department shall provide or authorize child
18 welfare services, aimed at assisting minors to achieve
19 sustainable self-sufficiency as independent adults, for any
20 minor eligible for the reinstatement of wardship pursuant to
21 subsection (2) of Section 2-33 of the Juvenile Court Act of
22 1987, whether or not such reinstatement is sought or allowed,
23 provided that the minor consents to such services and has not
24 yet attained the age of 21. The Department shall have
25 responsibility for the development and delivery of services
26 under this Section. An eligible youth may access services

1 under this Section through the Department of Children and
2 Family Services or by referral from the Department of Human
3 Services. Youth participating in services under this Section
4 shall cooperate with the assigned case manager in developing
5 an agreement identifying the services to be provided and how
6 the youth will increase skills to achieve self-sufficiency. A
7 homeless shelter is not considered appropriate housing for any
8 youth receiving child welfare services under this Section. The
9 Department shall continue child welfare services under this
10 Section to any eligible minor until the minor becomes 21 years
11 of age, no longer consents to participate, or achieves
12 self-sufficiency as identified in the minor's service plan.
13 The Department of Children and Family Services shall create
14 clear, readable notice of the rights of former foster youth to
15 child welfare services under this Section and how such
16 services may be obtained. The Department of Children and
17 Family Services and the Department of Human Services shall
18 disseminate this information statewide. The Department shall
19 adopt regulations describing services intended to assist
20 minors in achieving sustainable self-sufficiency as
21 independent adults.

22 (o) The Department shall establish an administrative
23 review and appeal process for children and families who
24 request or receive child welfare services from the Department.
25 Youth in care who are placed by private child welfare
26 agencies, and caregivers with whom those youth are placed,

1 shall be afforded the same procedural and appeal rights as
2 children and families in the case of placement by the
3 Department, including the right to an initial review of a
4 private agency decision by that agency. The Department shall
5 ensure that any private child welfare agency, which accepts
6 youth in care for placement, affords those rights to children
7 and caregivers with whom those children are placed. The
8 Department shall accept for administrative review and an
9 appeal hearing a complaint made by (i) a child or caregiver
10 with whom the child is placed concerning a decision following
11 an initial review by a private child welfare agency or (ii) a
12 prospective adoptive parent who alleges a violation of
13 subsection (j-5) of this Section. An appeal of a decision
14 concerning a change in the placement of a child shall be
15 conducted in an expedited manner. A court determination that a
16 current placement is necessary and appropriate under Section
17 2-28 of the Juvenile Court Act of 1987 does not constitute a
18 judicial determination on the merits of an administrative
19 appeal, filed by a former caregiver, involving a change of
20 placement decision. No later than July 1, 2025, the Department
21 shall adopt rules to develop a reconsideration process to
22 review: a denial of certification of a relative, a denial of
23 placement with a relative, and a denial of visitation with an
24 identified relative. Rules shall include standards and
25 criteria for reconsideration that incorporate the best
26 interests of the child under subsection (4.05) of Section 1-3

1 of the Juvenile Court Act of 1987, address situations where
2 multiple relatives seek certification, and provide that all
3 rules regarding placement changes shall be followed. The rules
4 shall outline the essential elements of each form used in the
5 implementation and enforcement of the provisions of this
6 amendatory Act of the 103rd General Assembly.

7 (p) (Blank).

8 (q) The Department may receive and use, in their entirety,
9 for the benefit of children any gift, donation, or bequest of
10 money or other property which is received on behalf of such
11 children, or any financial benefits to which such children are
12 or may become entitled while under the jurisdiction or care of
13 the Department, except that the benefits described in Section
14 5.46 must be used and conserved consistent with the provisions
15 under Section 5.46.

16 The Department shall set up and administer no-cost,
17 interest-bearing accounts in appropriate financial
18 institutions for children for whom the Department is legally
19 responsible and who have been determined eligible for
20 Veterans' Benefits, Social Security benefits, assistance
21 allotments from the armed forces, court ordered payments,
22 parental voluntary payments, Supplemental Security Income,
23 Railroad Retirement payments, Black Lung benefits, or other
24 miscellaneous payments. Interest earned by each account shall
25 be credited to the account, unless disbursed in accordance
26 with this subsection.

1 In disbursing funds from children's accounts, the
2 Department shall:

3 (1) Establish standards in accordance with State and
4 federal laws for disbursing money from children's
5 accounts. In all circumstances, the Department's
6 Guardianship Administrator or the Guardianship
7 Administrator's designee must approve disbursements from
8 children's accounts. The Department shall be responsible
9 for keeping complete records of all disbursements for each
10 account for any purpose.

11 (2) Calculate on a monthly basis the amounts paid from
12 State funds for the child's board and care, medical care
13 not covered under Medicaid, and social services; and
14 utilize funds from the child's account, as covered by
15 regulation, to reimburse those costs. Monthly,
16 disbursements from all children's accounts, up to 1/12 of
17 \$13,000,000, shall be deposited by the Department into the
18 General Revenue Fund and the balance over 1/12 of
19 \$13,000,000 into the DCFS Children's Services Fund.

20 (3) Maintain any balance remaining after reimbursing
21 for the child's costs of care, as specified in item (2).
22 The balance shall accumulate in accordance with relevant
23 State and federal laws and shall be disbursed to the child
24 or the child's guardian or to the issuing agency.

25 (r) The Department shall promulgate regulations
26 encouraging all adoption agencies to voluntarily forward to

1 the Department or its agent names and addresses of all persons
2 who have applied for and have been approved for adoption of a
3 hard-to-place child or child with a disability and the names
4 of such children who have not been placed for adoption. A list
5 of such names and addresses shall be maintained by the
6 Department or its agent, and coded lists which maintain the
7 confidentiality of the person seeking to adopt the child and
8 of the child shall be made available, without charge, to every
9 adoption agency in the State to assist the agencies in placing
10 such children for adoption. The Department may delegate to an
11 agent its duty to maintain and make available such lists. The
12 Department shall ensure that such agent maintains the
13 confidentiality of the person seeking to adopt the child and
14 of the child.

15 (s) The Department of Children and Family Services may
16 establish and implement a program to reimburse caregivers
17 licensed, certified, or otherwise approved by the Department
18 of Children and Family Services for damages sustained by the
19 caregivers as a result of the malicious or negligent acts of
20 children placed by the Department, as well as providing third
21 party coverage for such caregivers with regard to actions of
22 children placed by the Department to other individuals. Such
23 coverage will be secondary to the caregiver's liability
24 insurance policy, if applicable. The program shall be funded
25 through appropriations from the General Revenue Fund,
26 specifically designated for such purposes.

1 (t) The Department shall perform home studies and
2 investigations and shall exercise supervision over visitation
3 as ordered by a court pursuant to the Illinois Marriage and
4 Dissolution of Marriage Act or the Adoption Act only if:

5 (1) an order entered by an Illinois court specifically
6 directs the Department to perform such services; and

7 (2) the court has ordered one or both of the parties to
8 the proceeding to reimburse the Department for its
9 reasonable costs for providing such services in accordance
10 with Department rules, or has determined that neither
11 party is financially able to pay.

12 The Department shall provide written notification to the
13 court of the specific arrangements for supervised visitation
14 and projected monthly costs within 60 days of the court order.
15 The Department shall send to the court information related to
16 the costs incurred except in cases where the court has
17 determined the parties are financially unable to pay. The
18 court may order additional periodic reports as appropriate.

19 (u) In addition to other information that must be
20 provided, whenever the Department places a child with a
21 prospective adoptive parent or parents, in a licensed foster
22 home, group home, or child care institution, in a relative
23 home, or in a certified relative caregiver home, the
24 Department shall provide to the caregiver, appropriate
25 facility staff, or prospective adoptive parent or parents:

26 (1) available detailed information concerning the

1 child's educational and health history, copies of
2 immunization records (including insurance and medical card
3 information), a history of the child's previous
4 placements, if any, and reasons for placement changes
5 excluding any information that identifies or reveals the
6 location of any previous caregiver or adoptive parents;

7 (2) a copy of the child's portion of the client
8 service plan, including any visitation arrangement, and
9 all amendments or revisions to it as related to the child;
10 and

11 (3) information containing details of the child's
12 individualized education program ~~educational plan~~ when the
13 child is receiving special education services.

14 The caregiver, appropriate facility staff, or prospective
15 adoptive parent or parents, shall be informed of any known
16 social or behavioral information (including, but not limited
17 to, criminal background, fire setting, perpetuation of sexual
18 abuse, destructive behavior, and substance abuse) necessary to
19 care for and safeguard the children to be placed or currently
20 in the home or setting. The Department may prepare a written
21 summary of the information required by this paragraph, which
22 may be provided to the caregiver, appropriate facility staff,
23 or prospective adoptive parent in advance of a placement. The
24 caregiver, appropriate facility staff, or prospective adoptive
25 parent may review the supporting documents in the child's file
26 in the presence of casework staff. In the case of an emergency

1 placement, casework staff shall at least provide known
2 information verbally, if necessary, and must subsequently
3 provide the information in writing as required by this
4 subsection.

5 The information described in this subsection shall be
6 provided in writing. In the case of emergency placements when
7 time does not allow prior review, preparation, and collection
8 of written information, the Department shall provide such
9 information as it becomes available. Within 10 business days
10 after placement, the Department shall obtain from the
11 caregiver, appropriate facility staff, or prospective adoptive
12 parent or parents a signed verification of receipt of the
13 information provided. Within 10 business days after placement,
14 the Department shall provide to the child's guardian ad litem
15 a copy of the information provided to the caregiver,
16 appropriate facility staff, or prospective adoptive parent or
17 parents. The information provided to the caregiver,
18 appropriate facility staff, or prospective adoptive parent or
19 parents shall be reviewed and approved regarding accuracy at
20 the supervisory level.

21 (u-5) Beginning July 1, 2025, certified relative caregiver
22 homes under Section 3.4 of the Child Care Act of 1969 shall be
23 eligible to receive foster care maintenance payments from the
24 Department in an amount no less than payments made to licensed
25 foster family homes. Beginning July 1, 2025, relative homes
26 providing care to a child placed by the Department that are not

1 a certified relative caregiver home under Section 3.4 of the
2 Child Care Act of 1969 or a licensed foster family home shall
3 be eligible to receive payments from the Department in an
4 amount no less 90% of the payments made to licensed foster
5 family homes and certified relative caregiver homes.

6 (u-6) To assist relative and certified relative
7 caregivers, no later than July 1, 2025, the Department shall
8 adopt rules to implement a relative support program, as
9 follows:

10 (1) For relative and certified relative caregivers,
11 the Department is authorized to reimburse or prepay
12 reasonable expenditures to remedy home conditions
13 necessary to fulfill the home safety-related requirements
14 of relative caregiver homes.

15 (2) The Department may provide short-term emergency
16 funds to relative and certified relative caregiver homes
17 experiencing extreme hardships due to the difficulty and
18 stress associated with adding youth in care as new
19 household members.

20 (3) Consistent with federal law, the Department shall
21 include in any State Plan made in accordance with the
22 Adoption Assistance and Child Welfare Act of 1980, Titles
23 IV-E and XIX of the Social Security Act, and any other
24 applicable federal laws the provision of kinship navigator
25 program services. The Department shall apply for and
26 administer all relevant federal aid in accordance with

1 law. Federal funds acquired for the kinship navigator
2 program shall be used for the development, implementation,
3 and operation of kinship navigator program services. The
4 kinship navigator program services may provide
5 information, referral services, support, and assistance to
6 relative and certified relative caregivers of youth in
7 care to address their unique needs and challenges. Until
8 the Department is approved to receive federal funds for
9 these purposes, the Department shall publicly post on the
10 Department's website semi-annual updates regarding the
11 Department's progress in pursuing federal funding.
12 Whenever the Department publicly posts these updates on
13 its website, the Department shall notify the General
14 Assembly through the General Assembly's designee.

15 (u-7) To support finding permanency for children through
16 subsidized guardianship and adoption and to prevent disruption
17 in guardianship and adoptive placements, the Department shall
18 establish and maintain accessible subsidized guardianship and
19 adoption support services for all children under 18 years of
20 age placed in guardianship or adoption who, immediately
21 preceding the guardianship or adoption, were in the custody or
22 guardianship of the Department under Article II of the
23 Juvenile Court Act of 1987.

24 The Department shall establish and maintain a toll-free
25 number to respond to requests from the public about its
26 subsidized guardianship and adoption support services under

1 this subsection and shall staff the toll-free number so that
2 calls are answered on a timely basis, but in no event more than
3 one business day after the receipt of a request. These
4 requests from the public may be made anonymously. To meet this
5 obligation, the Department may utilize the same toll-free
6 number the Department operates to respond to post-adoption
7 requests under subsection (b-5) of Section 18.9 of the
8 Adoption Act. The Department shall publicize information about
9 the Department's subsidized guardianship support services and
10 toll-free number as follows:

11 (1) it shall post information on the Department's
12 website;

13 (2) it shall provide the information to every licensed
14 child welfare agency and any entity providing subsidized
15 guardianship support services in Illinois courts;

16 (3) it shall reference such information in the
17 materials the Department provides to caregivers pursuing
18 subsidized guardianship to inform them of their rights and
19 responsibilities under the Child Care Act of 1969 and this
20 Act;

21 (4) it shall provide the information, including the
22 Department's Post Adoption and Guardianship Services
23 booklet, to eligible caregivers as part of its
24 guardianship training and at the time they are presented
25 with the Permanency Commitment form;

26 (5) it shall include, in each annual notification

1 letter mailed to subsidized guardians, a short, 2-sided
2 flier or news bulletin in plain language that describes
3 access to post-guardianship services, how to access
4 services under the Family Support Program, formerly known
5 as the Individual Care Grant Program, the webpage address
6 to the Post Adoption and Guardianship Services booklet,
7 information on how to request that a copy of the booklet be
8 mailed; and

9 (6) it shall ensure that kinship navigator programs of
10 this State, when established, have this information to
11 include in materials the programs provide to caregivers.

12 No later than July 1, 2026, the Department shall provide a
13 mechanism for the public to make information requests by
14 electronic means.

15 The Department shall review and update annually all
16 information relating to its subsidized guardianship support
17 services, including its Post Adoption and Guardianship
18 Services booklet, to include updated information on Family
19 Support Program services eligibility and subsidized
20 guardianship support services that are available through the
21 medical assistance program established under Article V of the
22 Illinois Public Aid Code or any other State program for mental
23 health services. The Department and the Department of
24 Healthcare and Family Services shall coordinate their efforts
25 in the development of these resources.

26 Every licensed child welfare agency and any entity

1 providing kinship navigator programs funded by the Department
2 shall provide the Department's website address and link to the
3 Department's subsidized guardianship support services
4 information set forth in subsection (d), including the
5 Department's toll-free number, to every relative who is or
6 will be providing guardianship placement for a child placed by
7 the Department.

8 (v) The Department shall access criminal history record
9 information as defined in the Illinois Uniform Conviction
10 Information Act and information maintained in the adjudicatory
11 and dispositional record system as defined in Section 2605-355
12 of the Illinois State Police Law if the Department determines
13 the information is necessary to perform its duties under the
14 Abused and Neglected Child Reporting Act, the Child Care Act
15 of 1969, and the Children and Family Services Act. The
16 Department shall provide for interactive computerized
17 communication and processing equipment that permits direct
18 online ~~on-line~~ communication with the Illinois State Police's
19 central criminal history data repository. The Department shall
20 comply with all certification requirements and provide
21 certified operators who have been trained by personnel from
22 the Illinois State Police. In addition, one Office of the
23 Inspector General investigator shall have training in the use
24 of the criminal history information access system and have
25 access to the terminal. The Department of Children and Family
26 Services and its employees shall abide by rules and

1 regulations established by the Illinois State Police relating
2 to the access and dissemination of this information.

3 (v-1) Prior to final approval for placement of a child
4 with a foster or adoptive parent, the Department shall conduct
5 a criminal records background check of the prospective foster
6 or adoptive parent, including fingerprint-based checks of
7 national crime information databases. Final approval for
8 placement shall not be granted if the record check reveals a
9 felony conviction for child abuse or neglect, for spousal
10 abuse, for a crime against children, or for a crime involving
11 violence, including human trafficking, sex trafficking, rape,
12 sexual assault, or homicide, but not including other physical
13 assault or battery, or if there is a felony conviction for
14 physical assault, battery, or a drug-related offense committed
15 within the past 5 years.

16 (v-2) Prior to final approval for placement of a child
17 with a foster or adoptive parent, the Department shall check
18 its child abuse and neglect registry for information
19 concerning prospective foster and adoptive parents, and any
20 adult living in the home. If any prospective foster or
21 adoptive parent or other adult living in the home has resided
22 in another state in the preceding 5 years, the Department
23 shall request a check of that other state's child abuse and
24 neglect registry.

25 (v-3) Prior to the final approval of final placement of a
26 related child in a certified relative caregiver home as

1 defined in Section 2.37 of the Child Care Act of 1969, the
2 Department shall ensure that the background screening meets
3 the standards required under subsection (c) of Section 3.4 of
4 the Child Care Act of 1969.

5 (v-4) Prior to final approval for placement of a child
6 with a relative, as defined in Section 4d of this Act, who is
7 not a licensed foster parent, has declined to seek approval to
8 be a certified relative caregiver, or was denied approval as a
9 certified relative caregiver, the Department shall:

10 (i) check the child abuse and neglect registry for
11 information concerning the prospective relative caregiver
12 and any other adult living in the home. If any prospective
13 relative caregiver or other adult living in the home has
14 resided in another state in the preceding 5 years, the
15 Department shall request a check of that other state's
16 child abuse and neglect registry; and

17 (ii) conduct a criminal records background check of
18 the prospective relative caregiver and all other adults
19 living in the home, including fingerprint-based checks of
20 national crime information databases. Final approval for
21 placement shall not be granted if the record check reveals
22 a felony conviction for child abuse or neglect, for
23 spousal abuse, for a crime against children, or for a
24 crime involving violence, including human trafficking, sex
25 trafficking, rape, sexual assault, or homicide, but not
26 including other physical assault or battery, or if there

1 is a felony conviction for physical assault, battery, or a
2 drug-related offense committed within the past 5 years;
3 provided however, that the Department is empowered to
4 grant a waiver as the Department may provide by rule, and
5 the Department approves the request for the waiver based
6 on a comprehensive evaluation of the caregiver and
7 household members and the conditions relating to the
8 safety of the placement.

9 No later than July 1, 2025, the Department shall adopt
10 rules or revise existing rules to effectuate the changes made
11 to this subsection (v-4). The rules shall outline the
12 essential elements of each form used in the implementation and
13 enforcement of the provisions of this amendatory Act of the
14 103rd General Assembly.

15 (w) (Blank).

16 (x) The Department shall conduct annual credit history
17 checks to determine the financial history of children placed
18 under its guardianship pursuant to the Juvenile Court Act of
19 1987. The Department shall conduct such credit checks starting
20 when a youth in care turns 12 years old and each year
21 thereafter for the duration of the guardianship as terminated
22 pursuant to the Juvenile Court Act of 1987. The Department
23 shall determine if financial exploitation of the child's
24 personal information has occurred. If financial exploitation
25 appears to have taken place or is presently ongoing, the
26 Department shall notify the proper law enforcement agency, the

1 proper State's Attorney, or the Attorney General.

2 (y) Beginning on July 22, 2010 (the effective date of
3 Public Act 96-1189), a child with a disability who receives
4 residential and educational services from the Department shall
5 be eligible to receive transition services in accordance with
6 Article 14 of the School Code from the age of 14.5 through age
7 21, inclusive, notwithstanding the child's residential
8 services arrangement. For purposes of this subsection, "child
9 with a disability" means a child with a disability as defined
10 by the federal Individuals with Disabilities Education
11 Improvement Act of 2004.

12 (z) The Department shall access criminal history record
13 information as defined as "background information" in this
14 subsection and criminal history record information as defined
15 in the Illinois Uniform Conviction Information Act for each
16 Department employee or Department applicant. Each Department
17 employee or Department applicant shall submit the employee's
18 or applicant's fingerprints to the Illinois State Police in
19 the form and manner prescribed by the Illinois State Police.
20 These fingerprints shall be checked against the fingerprint
21 records now and hereafter filed in the Illinois State Police
22 and the Federal Bureau of Investigation criminal history
23 records databases. The Illinois State Police shall charge a
24 fee for conducting the criminal history record check, which
25 shall be deposited into the State Police Services Fund and
26 shall not exceed the actual cost of the record check. The

1 Illinois State Police shall furnish, pursuant to positive
2 identification, all Illinois conviction information to the
3 Department of Children and Family Services.

4 For purposes of this subsection:

5 "Background information" means all of the following:

6 (i) Upon the request of the Department of Children and
7 Family Services, conviction information obtained from the
8 Illinois State Police as a result of a fingerprint-based
9 criminal history records check of the Illinois criminal
10 history records database and the Federal Bureau of
11 Investigation criminal history records database concerning
12 a Department employee or Department applicant.

13 (ii) Information obtained by the Department of
14 Children and Family Services after performing a check of
15 the Illinois State Police's Sex Offender Database, as
16 authorized by Section 120 of the Sex Offender Community
17 Notification Law, concerning a Department employee or
18 Department applicant.

22 operated and maintained by the Department.

23 "Department employee" means a full-time or temporary
24 employee coded or certified within the State of Illinois
25 Personnel System.

4 Department contracts, a work-study student, an individual or
5 entity licensed by the Department, or an unlicensed service
6 provider who works as a condition of a contract or an agreement
7 and whose work may bring the unlicensed service provider into
8 contact with Department clients or client records.

9 (aa) The changes made to this Section by Public Act
10 104-165 ~~this amendatory Act of the 104th General Assembly~~ are
11 declarative of existing law and are not a new enactment.

16 Sec. 5. Direct child welfare services; Department of
17 Children and Family Services. To provide direct child welfare
18 services when not available through other public or private
19 child care or program facilities.

20 (a) For purposes of this Section:

21 (1) "Children" means persons found within the State
22 who are under the age of 18 years. The term also includes
23 persons under age 21 who:

24 (A) were committed to the Department pursuant to
25 the Juvenile Court Act or the Juvenile Court Act of

1 1987 and who continue under the jurisdiction of the
2 court; or

3 (B) were accepted for care, service and training
4 by the Department prior to the age of 18 and whose best
5 interest in the discretion of the Department would be
6 served by continuing that care, service and training
7 because of severe emotional disturbances, physical
8 disability, social adjustment or any combination
9 thereof, or because of the need to complete an
10 educational or vocational training program.

11 (2) "Homeless youth" means persons found within the
12 State who are under the age of 19, are not in a safe and
13 stable living situation and cannot be reunited with their
14 families.

15 (3) "Child welfare services" means public social
16 services which are directed toward the accomplishment of
17 the following purposes:

21 (B) remedying, or assisting in the solution of
22 problems which may result in, the neglect, abuse,
23 exploitation, or delinquency of children;

24 (C) preventing the unnecessary separation of
25 children from their families by identifying family
26 problems, assisting families in resolving their

3 possible when the child can be cared for at home
4 without endangering the child's health and safety;

13 safe, possible, or appropriate;

14 (F) at the time of placement, conducting
15 concurrent planning, as described in subsection (1-1)
16 of this Section, so that permanency may occur at the
17 earliest opportunity. Consideration should be given so
18 that if reunification fails or is delayed, the
19 placement made is the best available placement to
20 provide permanency for the child;

21 (F-1) preparing adolescents to successfully
22 transition to independence, including transition
23 planning for youth who qualify for a guardian as a
24 person with a disability under Article XIa of the
25 Probate Act of 1975;

26 (G) (blank);

1 (H) (blank); and

2 (I) placing and maintaining children in facilities
3 that provide separate living quarters for children
4 under the age of 18 and for children 18 years of age
5 and older, unless a child 18 years of age is in the
6 last year of high school education or vocational
7 training, in an approved individual or group treatment
8 program, in a licensed shelter facility, or secure
9 child care facility. The Department is not required to
10 place or maintain children:

11 (i) who are in a foster home, or

12 (ii) who are persons with a developmental
13 disability, as defined in the Mental Health and
14 Developmental Disabilities Code, or

15 (iii) who are female children who are
16 pregnant, pregnant and parenting, or parenting, or

17 (iv) who are siblings, in facilities that
18 provide separate living quarters for children 18
19 years of age and older and for children under 18
20 years of age.

21 (b) (Blank).

22 (b-5) The Department shall adopt rules to establish a
23 process for all licensed residential providers in Illinois to
24 submit data as required by the Department if they contract or
25 receive reimbursement for children's mental health, substance
26 use, and developmental disability services from the Department

1 of Human Services, the Department of Juvenile Justice, or the
2 Department of Healthcare and Family Services. The requested
3 data must include, but is not limited to, capacity, staffing,
4 and occupancy data for the purpose of establishing State need
5 and placement availability.

6 All information collected, shared, or stored pursuant to
7 this subsection shall be handled in accordance with all State
8 and federal privacy laws and accompanying regulations and
9 rules, including, without limitation, the federal Health
10 Insurance Portability and Accountability Act of 1996 (Public
11 Law 104-191) and the Mental Health and Developmental
12 Disabilities Confidentiality Act.

13 (c) The Department shall establish and maintain
14 tax-supported child welfare services and extend and seek to
15 improve voluntary services throughout the State, to the end
16 that services and care shall be available on an equal basis
17 throughout the State to children requiring such services.

18 (d) The Director may authorize advance disbursements for
19 any new program initiative to any agency contracting with the
20 Department. As a prerequisite for an advance disbursement, the
21 contractor must post a surety bond in the amount of the advance
22 disbursement and have a purchase of service contract approved
23 by the Department. The Department may pay up to 2 months
24 operational expenses in advance. The amount of the advance
25 disbursement shall be prorated over the life of the contract
26 or the remaining months of the fiscal year, whichever is less,

1 and the installment amount shall then be deducted from future
2 bills. Advance disbursement authorizations for new initiatives
3 shall not be made to any agency after that agency has operated
4 during 2 consecutive fiscal years. The requirements of this
5 Section concerning advance disbursements shall not apply with
6 respect to the following: payments to local public agencies
7 for child day care services as authorized by Section 5a of this
8 Act; and youth service programs receiving grant funds under
9 Section 17a-4.

10 (e) (Blank).

11 (f) (Blank).

12 (g) The Department shall establish rules and regulations
13 concerning its operation of programs designed to meet the
14 goals of child safety and protection, family preservation, and
15 permanency, including, but not limited to:

16 (1) reunification, guardianship, and adoption;

17 (2) relative and licensed foster care;

18 (3) family counseling;

19 (4) protective services;

20 (5) (blank);

21 (6) homemaker service;

22 (7) return of runaway children;

23 (8) (blank);

24 (9) placement under Section 5-7 of the Juvenile Court
25 Act or Section 2-27, 3-28, 4-25, or 5-740 of the Juvenile
26 Court Act of 1987 in accordance with the federal Adoption

1 Assistance and Child Welfare Act of 1980;

2 (10) interstate services; and

3 (11) transition planning for youth aging out of care.

4 Rules and regulations established by the Department shall
5 include provisions for training Department staff and the staff
6 of Department grantees, through contracts with other agencies
7 or resources, in screening techniques to identify substance
8 use disorders, as defined in the Substance Use Disorder Act,
9 approved by the Department of Human Services, as a successor
10 to the Department of Alcoholism and Substance Abuse, for the
11 purpose of identifying children and adults who should be
12 referred for an assessment at an organization appropriately
13 licensed by the Department of Human Services for substance use
14 disorder treatment.

15 (h) If the Department finds that there is no appropriate
16 program or facility within or available to the Department for
17 a youth in care and that no licensed private facility has an
18 adequate and appropriate program or none agrees to accept the
19 youth in care, the Department shall create an appropriate
20 individualized, program-oriented plan for such youth in care.
21 The plan may be developed within the Department or through
22 purchase of services by the Department to the extent that it is
23 within its statutory authority to do.

24 (i) Service programs shall be available throughout the
25 State and shall include but not be limited to the following
26 services:

- 1 (1) case management;
- 2 (2) homemakers;
- 3 (3) counseling;
- 4 (4) parent education;
- 5 (5) day care;
- 6 (6) emergency assistance and advocacy; and
- 7 (7) kinship navigator and relative caregiver supports.

8 In addition, the following services may be made available
9 to assess and meet the needs of children and families:

- 10 (1) comprehensive family-based services;
- 11 (2) assessments;
- 12 (3) respite care; and
- 13 (4) in-home health services.

14 The Department shall provide transportation for any of the
15 services it makes available to children or families or for
16 which it refers children or families.

17 (j) The Department may provide categories of financial
18 assistance and education assistance grants, and shall
19 establish rules and regulations concerning the assistance and
20 grants, to persons who adopt or become subsidized guardians of
21 children with physical or mental disabilities, children who
22 are older, or other hard-to-place children who (i) immediately
23 prior to their adoption or subsidized guardianship were youth
24 in care or (ii) were determined eligible for financial
25 assistance with respect to a prior adoption and who become
26 available for adoption because the prior adoption has been

1 dissolved and the parental rights of the adoptive parents have
2 been terminated or because the child's adoptive parents have
3 died. The Department may continue to provide financial
4 assistance and education assistance grants for a child who was
5 determined eligible for financial assistance under this
6 subsection (j) in the interim period beginning when the
7 child's adoptive parents died and ending with the finalization
8 of the new adoption of the child by another adoptive parent or
9 parents. The Department may also provide categories of
10 financial assistance and education assistance grants, and
11 shall establish rules and regulations for the assistance and
12 grants, to persons appointed guardian of the person under
13 Section 5-7 of the Juvenile Court Act or Section 2-27, 3-28,
14 4-25, or 5-740 of the Juvenile Court Act of 1987 for children
15 who were youth in care for 12 months immediately prior to the
16 appointment of the guardian.

17 The amount of assistance may vary, depending upon the
18 needs of the child and the adoptive parents or subsidized
19 guardians, as set forth in the annual assistance agreement.
20 Special purpose grants are allowed where the child requires
21 special service but such costs may not exceed the amounts
22 which similar services would cost the Department if it were to
23 provide or secure them as guardian of the child.

24 Any financial assistance provided under this subsection is
25 inalienable by assignment, sale, execution, attachment,
26 garnishment, or any other remedy for recovery or collection of

1 a judgment or debt.

2 (j-5) The Department shall not deny or delay the placement
3 of a child for adoption if an approved family is available
4 either outside of the Department region handling the case, or
5 outside of the State of Illinois.

6 (k) The Department shall accept for care and training any
7 child who has been adjudicated neglected or abused, or
8 dependent committed to it pursuant to the Juvenile Court Act
9 or the Juvenile Court Act of 1987.

10 (l) The Department shall offer family preservation
11 services, as defined in Section 8.2 of the Abused and
12 Neglected Child Reporting Act, to help families, including
13 adoptive and extended families. Family preservation services
14 shall be offered (i) to prevent the placement of children in
15 substitute care when the children can be cared for at home or
16 in the custody of the person responsible for the children's
17 welfare, (ii) to reunite children with their families, or
18 (iii) to maintain an adoption or subsidized guardianship.
19 Family preservation services shall only be offered when doing
20 so will not endanger the children's health or safety. With
21 respect to children who are in substitute care pursuant to the
22 Juvenile Court Act of 1987, family preservation services shall
23 not be offered if a goal other than those of subdivisions (A),
24 (B), or (B-1) of subsection (2.3) of Section 2-28 of that Act
25 has been set, except that reunification services may be
26 offered as provided in paragraph (F) of subsection (2.3) of

1 Section 2-28 of that Act. Nothing in this paragraph shall be
2 construed to create a private right of action or claim on the
3 part of any individual or child welfare agency, except that
4 when a child is the subject of an action under Article II of
5 the Juvenile Court Act of 1987 and the child's service plan
6 calls for services to facilitate achievement of the permanency
7 goal, the court hearing the action under Article II of the
8 Juvenile Court Act of 1987 may order the Department to provide
9 the services set out in the plan, if those services are not
10 provided with reasonable promptness and if those services are
11 available.

12 The Department shall notify the child and the child's
13 family of the Department's responsibility to offer and provide
14 family preservation services as identified in the service
15 plan. The child and the child's family shall be eligible for
16 services as soon as the report is determined to be
17 "indicated". The Department may offer services to any child or
18 family with respect to whom a report of suspected child abuse
19 or neglect has been filed, prior to concluding its
20 investigation under Section 7.12 of the Abused and Neglected
21 Child Reporting Act. However, the child's or family's
22 willingness to accept services shall not be considered in the
23 investigation. The Department may also provide services to any
24 child or family who is the subject of any report of suspected
25 child abuse or neglect or may refer such child or family to
26 services available from other agencies in the community, even

1 if the report is determined to be unfounded, if the conditions
2 in the child's or family's home are reasonably likely to
3 subject the child or family to future reports of suspected
4 child abuse or neglect. Acceptance of such services shall be
5 voluntary. The Department may also provide services to any
6 child or family after completion of a family assessment, as an
7 alternative to an investigation, as provided under the
8 "differential response program" provided for in subsection
9 (a-5) of Section 7.4 of the Abused and Neglected Child
10 Reporting Act.

11 The Department may, at its discretion except for those
12 children also adjudicated neglected or dependent, accept for
13 care and training any child who has been adjudicated addicted,
14 as a truant minor in need of supervision or as a minor
15 requiring authoritative intervention, under the Juvenile Court
16 Act or the Juvenile Court Act of 1987, but no such child shall
17 be committed to the Department by any court without the
18 approval of the Department. On and after January 1, 2015 (the
19 effective date of Public Act 98-803) and before January 1,
20 2017, a minor charged with a criminal offense under the
21 Criminal Code of 1961 or the Criminal Code of 2012 or
22 adjudicated delinquent shall not be placed in the custody of
23 or committed to the Department by any court, except (i) a minor
24 less than 16 years of age committed to the Department under
25 Section 5-710 of the Juvenile Court Act of 1987, (ii) a minor
26 for whom an independent basis of abuse, neglect, or dependency

1 exists, which must be defined by departmental rule, or (iii) a
2 minor for whom the court has granted a supplemental petition
3 to reinstate wardship pursuant to subsection (2) of Section
4 2-33 of the Juvenile Court Act of 1987. On and after January 1,
5 2017, a minor charged with a criminal offense under the
6 Criminal Code of 1961 or the Criminal Code of 2012 or
7 adjudicated delinquent shall not be placed in the custody of
8 or committed to the Department by any court, except (i) a minor
9 less than 15 years of age committed to the Department under
10 Section 5-710 of the Juvenile Court Act of 1987, (ii) a minor
11 for whom an independent basis of abuse, neglect, or dependency
12 exists, which must be defined by departmental rule, or (iii) a
13 minor for whom the court has granted a supplemental petition
14 to reinstate wardship pursuant to subsection (2) of Section
15 2-33 of the Juvenile Court Act of 1987. An independent basis
16 exists when the allegations or adjudication of abuse, neglect,
17 or dependency do not arise from the same facts, incident, or
18 circumstances which give rise to a charge or adjudication of
19 delinquency. The Department shall assign a caseworker to
20 attend any hearing involving a youth in the care and custody of
21 the Department who is placed on aftercare release, including
22 hearings involving sanctions for violation of aftercare
23 release conditions and aftercare release revocation hearings.

24 As soon as is possible, the Department shall develop and
25 implement a special program of family preservation services to
26 support intact, relative, foster, and adoptive families who

1 are experiencing extreme hardships due to the difficulty and
2 stress of caring for a child who has been diagnosed with a
3 pervasive developmental disorder if the Department determines
4 that those services are necessary to ensure the health and
5 safety of the child. The Department may offer services to any
6 family whether or not a report has been filed under the Abused
7 and Neglected Child Reporting Act. The Department may refer
8 the child or family to services available from other agencies
9 in the community if the conditions in the child's or family's
10 home are reasonably likely to subject the child or family to
11 future reports of suspected child abuse or neglect. Acceptance
12 of these services shall be voluntary. The Department shall
13 develop and implement a public information campaign to alert
14 health and social service providers and the general public
15 about these special family preservation services. The nature
16 and scope of the services offered and the number of families
17 served under the special program implemented under this
18 paragraph shall be determined by the level of funding that the
19 Department annually allocates for this purpose. The term
20 "pervasive developmental disorder" under this paragraph means
21 a neurological condition, including, but not limited to,
22 Asperger's Syndrome and autism, as defined in the most recent
23 edition of the Diagnostic and Statistical Manual of Mental
24 Disorders of the American Psychiatric Association.

25 (1-1) The General Assembly recognizes that the best
26 interests of the child require that the child be placed in the

1 most permanent living arrangement that is an appropriate
2 option for the child, consistent with the child's best
3 interest, using the factors set forth in subsection (4.05) of
4 Section 1-3 of the Juvenile Court Act of 1987 as soon as is
5 practically possible. To achieve this goal, the General
6 Assembly directs the Department of Children and Family
7 Services to conduct concurrent planning so that permanency may
8 occur at the earliest opportunity. Permanent living
9 arrangements may include prevention of placement of a child
10 outside the home of the family when the child can be cared for
11 at home without endangering the child's health or safety;
12 reunification with the family, when safe and appropriate, if
13 temporary placement is necessary; or movement of the child
14 toward the most appropriate living arrangement and legal
15 status.

16 When determining reasonable efforts to be made with
17 respect to a child, as described in this subsection, and in
18 making such reasonable efforts, the child's health and safety
19 shall be the paramount concern.

20 When a child is placed in foster care, the Department
21 shall ensure and document that reasonable efforts were made to
22 prevent or eliminate the need to remove the child from the
23 child's home. The Department must make reasonable efforts to
24 reunify the family when temporary placement of the child
25 occurs unless otherwise required, pursuant to the Juvenile
26 Court Act of 1987. At any time after the dispositional hearing

1 where the Department believes that further reunification
2 services would be ineffective, it may request a finding from
3 the court that reasonable efforts are no longer appropriate.
4 The Department is not required to provide further
5 reunification services after such a finding.

6 A decision to place a child in substitute care shall be
7 made with considerations of the child's health, safety, and
8 best interests. The Department shall make diligent efforts to
9 place the child with a relative, document those diligent
10 efforts, and document reasons for any failure or inability to
11 secure such a relative placement. If the primary issue
12 preventing an emergency placement of a child with a relative
13 is a lack of resources, including, but not limited to,
14 concrete goods, safety modifications, and services, the
15 Department shall make diligent efforts to assist the relative
16 in obtaining the necessary resources. No later than July 1,
17 2025, the Department shall adopt rules defining what is
18 diligent and necessary in providing supports to potential
19 relative placements. At the time of placement, consideration
20 should also be given so that if reunification fails or is
21 delayed, the placement has the potential to be an appropriate
22 permanent placement for the child.

23 The Department shall adopt rules addressing concurrent
24 planning for reunification and permanency. The Department
25 shall consider the following factors when determining
26 appropriateness of concurrent planning:

- 1 (1) the likelihood of prompt reunification;
 - 2 (2) the past history of the family;
 - 3 (3) the barriers to reunification being addressed by
 - 4 the family;
 - 5 (4) the level of cooperation of the family;
 - 6 (4.5) the child's wishes;
 - 7 (5) the caregivers' willingness to work with the
 - 8 family to reunite;
 - 9 (6) the willingness and ability of the caregivers' to
 - 10 provide a permanent placement;
 - 11 (7) the age of the child;
 - 12 (8) placement of siblings; and
 - 13 (9) the wishes of the parent or parents unless the
 - 14 parental preferences are contrary to the best interests of
 - 15 the child.
- 16 (m) The Department may assume temporary custody of any
- 17 child if:
- 18 (1) it has received a written consent to such
 - 19 temporary custody signed by the parents of the child or by
 - 20 the parent having custody of the child if the parents are
 - 21 not living together or by the guardian or custodian of the
 - 22 child if the child is not in the custody of either parent,
 - 23 or
 - 24 (2) the child is found in the State and neither a
 - 25 parent, guardian nor custodian of the child can be
 - 26 located.

1 If the child is found in the child's residence without a
2 parent, guardian, custodian, or responsible caretaker, the
3 Department may, instead of removing the child and assuming
4 temporary custody, place an authorized representative of the
5 Department in that residence until such time as a parent,
6 guardian, or custodian enters the home and expresses a
7 willingness and apparent ability to ensure the child's health
8 and safety and resume permanent charge of the child, or until a
9 relative enters the home and is willing and able to ensure the
10 child's health and safety and assume charge of the child until
11 a parent, guardian, or custodian enters the home and expresses
12 such willingness and ability to ensure the child's safety and
13 resume permanent charge. After a caretaker has remained in the
14 home for a period not to exceed 12 hours, the Department must
15 follow those procedures outlined in Section 2-9, 3-11, 4-8, or
16 5-415 of the Juvenile Court Act of 1987.

17 The Department shall have the authority, responsibilities
18 and duties that a legal custodian of the child would have
19 pursuant to subsection (9) of Section 1-3 of the Juvenile
20 Court Act of 1987. Whenever a child is taken into temporary
21 custody pursuant to an investigation under the Abused and
22 Neglected Child Reporting Act, or pursuant to a referral and
23 acceptance under the Juvenile Court Act of 1987 of a minor in
24 limited custody, the Department, during the period of
25 temporary custody and before the child is brought before a
26 judicial officer as required by Section 2-9, 3-11, 4-8, or

1 5-415 of the Juvenile Court Act of 1987, shall have the
2 authority, responsibilities and duties that a legal custodian
3 of the child would have under subsection (9) of Section 1-3 of
4 the Juvenile Court Act of 1987.

5 The Department shall ensure that any child taken into
6 custody is scheduled for an appointment for a medical
7 examination.

8 A parent, guardian, or custodian of a child in the
9 temporary custody of the Department who would have custody of
10 the child if the child were not in the temporary custody of the
11 Department may deliver to the Department a signed request that
12 the Department surrender the temporary custody of the child.
13 The Department may retain temporary custody of the child for
14 10 days after the receipt of the request, during which period
15 the Department may cause to be filed a petition pursuant to the
16 Juvenile Court Act of 1987. If a petition is so filed, the
17 Department shall retain temporary custody of the child until
18 the court orders otherwise. If a petition is not filed within
19 the 10-day period, the child shall be surrendered to the
20 custody of the requesting parent, guardian, or custodian not
21 later than the expiration of the 10-day period, at which time
22 the authority and duties of the Department with respect to the
23 temporary custody of the child shall terminate.

24 (m-1) The Department may place children under 18 years of
25 age in a secure child care facility licensed by the Department
26 that cares for children who are in need of secure living

1 arrangements for their health, safety, and well-being after a
2 determination is made by the facility director and the
3 Director or the Director's designate prior to admission to the
4 facility subject to Section 2-27.1 of the Juvenile Court Act
5 of 1987. This subsection (m-1) does not apply to a child who is
6 subject to placement in a correctional facility operated
7 pursuant to Section 3-15-2 of the Unified Code of Corrections,
8 unless the child is a youth in care who was placed in the care
9 of the Department before being subject to placement in a
10 correctional facility and a court of competent jurisdiction
11 has ordered placement of the child in a secure care facility.

12 (n) The Department may place children under 18 years of
13 age in licensed child care facilities when in the opinion of
14 the Department, appropriate services aimed at family
15 preservation have been unsuccessful and cannot ensure the
16 child's health and safety or are unavailable and such
17 placement would be for their best interest. Payment for board,
18 clothing, care, training and supervision of any child placed
19 in a licensed child care facility may be made by the
20 Department, by the parents or guardians of the estates of
21 those children, or by both the Department and the parents or
22 guardians, except that no payments shall be made by the
23 Department for any child placed in a licensed child care
24 facility for board, clothing, care, training, and supervision
25 of such a child that exceed the average per capita cost of
26 maintaining and of caring for a child in institutions for

1 dependent or neglected children operated by the Department.
2 However, such restriction on payments does not apply in cases
3 where children require specialized care and treatment for
4 problems of severe emotional disturbance, physical disability,
5 social adjustment, or any combination thereof and suitable
6 facilities for the placement of such children are not
7 available at payment rates within the limitations set forth in
8 this Section. All reimbursements for services delivered shall
9 be absolutely inalienable by assignment, sale, attachment, or
10 garnishment or otherwise.

11 (n-1) The Department shall provide or authorize child
12 welfare services, aimed at assisting minors to achieve
13 sustainable self-sufficiency as independent adults, for any
14 minor eligible for the reinstatement of wardship pursuant to
15 subsection (2) of Section 2-33 of the Juvenile Court Act of
16 1987, whether or not such reinstatement is sought or allowed,
17 provided that the minor consents to such services and has not
18 yet attained the age of 21. The Department shall have
19 responsibility for the development and delivery of services
20 under this Section. An eligible youth may access services
21 under this Section through the Department of Children and
22 Family Services or by referral from the Department of Human
23 Services. Youth participating in services under this Section
24 shall cooperate with the assigned case manager in developing
25 an agreement identifying the services to be provided and how
26 the youth will increase skills to achieve self-sufficiency. A

1 homeless shelter is not considered appropriate housing for any
2 youth receiving child welfare services under this Section. The
3 Department shall continue child welfare services under this
4 Section to any eligible minor until the minor becomes 21 years
5 of age, no longer consents to participate, or achieves
6 self-sufficiency as identified in the minor's service plan.
7 The Department of Children and Family Services shall create
8 clear, readable notice of the rights of former foster youth to
9 child welfare services under this Section and how such
10 services may be obtained. The Department of Children and
11 Family Services and the Department of Human Services shall
12 disseminate this information statewide. The Department shall
13 adopt regulations describing services intended to assist
14 minors in achieving sustainable self-sufficiency as
15 independent adults.

16 (o) The Department shall establish an administrative
17 review and appeal process for children and families who
18 request or receive child welfare services from the Department.
19 Youth in care who are placed by private child welfare
20 agencies, and caregivers with whom those youth are placed,
21 shall be afforded the same procedural and appeal rights as
22 children and families in the case of placement by the
23 Department, including the right to an initial review of a
24 private agency decision by that agency. The Department shall
25 ensure that any private child welfare agency, which accepts
26 youth in care for placement, affords those rights to children

1 and caregivers with whom those children are placed. The
2 Department shall accept for administrative review and an
3 appeal hearing a complaint made by (i) a child or caregiver
4 with whom the child is placed concerning a decision following
5 an initial review by a private child welfare agency or (ii) a
6 prospective adoptive parent who alleges a violation of
7 subsection (j-5) of this Section. An appeal of a decision
8 concerning a change in the placement of a child shall be
9 conducted in an expedited manner. A court determination that a
10 current placement is necessary and appropriate under Section
11 2-28 of the Juvenile Court Act of 1987 does not constitute a
12 judicial determination on the merits of an administrative
13 appeal, filed by a former caregiver, involving a change of
14 placement decision. No later than July 1, 2025, the Department
15 shall adopt rules to develop a reconsideration process to
16 review: a denial of certification of a relative, a denial of
17 placement with a relative, and a denial of visitation with an
18 identified relative. Rules shall include standards and
19 criteria for reconsideration that incorporate the best
20 interests of the child under subsection (4.05) of Section 1-3
21 of the Juvenile Court Act of 1987, address situations where
22 multiple relatives seek certification, and provide that all
23 rules regarding placement changes shall be followed. The rules
24 shall outline the essential elements of each form used in the
25 implementation and enforcement of the provisions of this
26 amendatory Act of the 103rd General Assembly.

1 (p) (Blank).

2 (q) The Department may receive and use, in their entirety,
3 for the benefit of children any gift, donation, or bequest of
4 money or other property which is received on behalf of such
5 children, or any financial benefits to which such children are

2 Section 110. The Reimagining Energy and Vehicles in
3 Illinois Act is amended by changing Sections 5, 10, 15, and 100
4 as follows:

5 (20 ILCS 686/5)

6 Sec. 5. Purpose. It is the intent of the General Assembly
7 that Illinois should lead the nation in the production of
8 electric vehicles and other products essential to the growth
9 of the renewable energy sector. The General Assembly finds
10 that, through investments in electric vehicle manufacturing
11 and renewable energy manufacturing, Illinois will be on the
12 forefront of emerging technologies that are currently
13 transforming those industries. This Act will reduce carbon
14 emissions, create good paying jobs, and generate long-term
15 economic investment in the Illinois business economy. Illinois
16 must aggressively adopt new business development investment
17 tools so that Illinois is more competitive in site location
18 decision-making for manufacturing facilities directly related
19 to the electric vehicle and renewable energy industry.
20 Illinois' long-term development benefits from rational,
21 strategic use of State resources in support of development and
22 growth in the electric vehicle and renewable energy industry.

23 The General Assembly finds that workers are essential to
24 the prosperity of our State's economy and play a critical role

1 in Illinois becoming a leader in manufacturing. The General
2 Assembly further finds that, for the prosperity of our State,
3 workers in this industry must be afforded high quality jobs
4 that honor the dignity of work. Therefore, the General
5 Assembly finds that it is in the best interest of Illinois to
6 protect the work conditions, worker safety, and worker rights
7 in the manufacturing industry and further finds that employer
8 workplace policies shall be interpreted broadly to protect
9 employees.

21 Section 130. The Department of Human Services Act is
22 amended by changing Sections 1-17 and by setting forth and
23 renumbering multiple versions of Section 1-90 as follows:

24 (20 ILCS 1305/1-17)

1 Sec. 1-17. Inspector General.

2 (a) Nature and purpose. It is the express intent of the
3 General Assembly to ensure the health, safety, and financial
4 condition of individuals receiving services in this State due
5 to mental illness, developmental disability, or both by
6 protecting those persons from acts of abuse, neglect, or both
7 by service providers. To that end, the Office of the Inspector
8 General for the Department of Human Services is created to
9 investigate and report upon allegations of the abuse, neglect,
10 or financial exploitation of individuals receiving services
11 within mental health facilities, developmental disabilities
12 facilities, and community agencies operated, licensed, funded,
13 or certified by the Department of Human Services, but not
14 licensed or certified by any other State agency.

15 (b) Definitions. The following definitions apply to this
16 Section:

17 "Agency" or "community agency" means (i) a community
18 agency licensed, funded, or certified by the Department, but
19 not licensed or certified by any other human services agency
20 of the State, to provide mental health service or
21 developmental disabilities service, or (ii) a program
22 licensed, funded, or certified by the Department, but not
23 licensed or certified by any other human services agency of
24 the State, to provide mental health service or developmental
25 disabilities service.

4 incident involving any of the following conduct by an
5 employee, facility, or agency against an individual or
6 individuals: mental abuse, physical abuse, sexual abuse,
7 neglect, financial exploitation, or material obstruction of an
8 investigation.

9 "Day" means working day, unless otherwise specified.

10 "Deflection" means a situation in which an individual is
11 presented for admission to a facility or agency, and the
12 facility staff or agency staff do not admit the individual.
13 "Deflection" includes triage, redirection, and denial of
14 admission.

15 "Department" means the Department of Human Services.

16 "Developmental disability" means "developmental
17 disability" as defined in the Mental Health and Developmental
18 Disabilities Code.

19 "Egregious neglect" means a finding of neglect as
20 determined by the Inspector General that (i) represents a
21 gross failure to adequately provide for, or a callous ~~callused~~
22 indifference to, the health, safety, or medical needs of an

24 serious deterioration of an individual's physical condition or
25 mental condition.

26 "Employee" means any person who provides services at the

1 facility or agency on-site or off-site. The service

16 the severity of the conduct, the culpability of the accused,
17 or both the severity of the conduct and the culpability of the
18 accused.

19 "Neglect" means an employee's, agency's, or facility's
20 failure to provide adequate medical care, personal care, or
21 maintenance and that, as a consequence, (i) causes an

23 Department.

24 "Sexual abuse" means any sexual contact or intimate

16 "Substantiated" means there is a preponderance of the
17 evidence to support the allegation.

18 "Unfounded" means there is no credible evidence to support
19 the allegation.

20 "Unsubstantiated" means there is credible evidence, but

22 allegation.

23 (c) Appointment. The Governor shall appoint, and the
24 Senate shall confirm, an Inspector General. The Inspector
25 General shall be appointed for a term of 4 years and shall
26 function within the Department of Human Services and report to

1 the Secretary and the Governor.

2 (d) Operation and appropriation. The Inspector General
3 shall function independently within the Department with
4 respect to the operations of the Office, including the
5 performance of investigations and issuance of findings and
6 recommendations and the performance of site visits and reviews
7 of facilities and community agencies. The appropriation for
8 the Office of Inspector General shall be separate from the
9 overall appropriation for the Department.

10 (e) Powers and duties. The Inspector General shall
11 investigate reports of suspected mental abuse, physical abuse,
12 sexual abuse, neglect, or financial exploitation of
13 individuals in any mental health or developmental disabilities
14 facility or agency and shall have authority to take immediate
15 action to prevent any one or more of the following from
16 happening to individuals under its jurisdiction: mental abuse,
17 physical abuse, sexual abuse, neglect, or financial
18 exploitation. The Inspector General shall also investigate
19 allegations of material obstruction of an investigation by an
20 employee. Upon written request of an agency of this State, the
21 Inspector General may assist another agency of the State in
22 investigating reports of the abuse, neglect, or abuse and
23 neglect of persons with mental illness, persons with
24 developmental disabilities, or persons with both. The
25 Inspector General shall conduct annual site visits of each
26 facility and may conduct reviews of facilities and community

1 agencies. To comply with the requirements of subsection (k) of
2 this Section, the Inspector General shall also review all
3 reportable deaths for which there is no allegation of abuse or
4 neglect. Nothing in this Section shall preempt any duties of
5 the Medical Review Board set forth in the Mental Health and
6 Developmental Disabilities Code. The Inspector General shall
7 have no authority to investigate alleged violations of the
8 State Officials and Employees Ethics Act. Allegations of
9 misconduct under the State Officials and Employees Ethics Act
10 shall be referred to the Office of the Governor's Executive
11 Inspector General for investigation.

12 (f) Limitations. The Inspector General shall not conduct
13 an investigation within an agency or facility if that
14 investigation would be redundant to or interfere with an
15 investigation conducted by another State agency. The Inspector
16 General shall have no supervision over, or involvement in, the
17 routine programmatic, licensing, funding, or certification
18 operations of the Department. Nothing in this subsection
19 limits investigations by the Department that may otherwise be
20 required by law or that may be necessary in the Department's
21 capacity as central administrative authority responsible for
22 the operation of the State's mental health and developmental
23 disabilities facilities.

24 (g) Rulemaking authority. The Inspector General shall
25 promulgate rules establishing minimum requirements for
26 reporting allegations as well as for initiating, conducting,

1 and completing investigations based upon the nature of the
2 allegation or allegations. The rules shall clearly establish
3 that if 2 or more State agencies could investigate an
4 allegation, the Inspector General shall not conduct an
5 investigation that would be redundant to, or interfere with,
6 an investigation conducted by another State agency. The rules
7 shall further clarify the method and circumstances under which
8 the Office of Inspector General may interact with the
9 licensing, funding, or certification units of the Department
10 in preventing further occurrences of mental abuse, physical
11 abuse, sexual abuse, neglect, egregious neglect, financial
12 exploitation, and material obstruction of an investigation.

13 (g-5) Site visits and review authority.

14 (1) Site visits. The Inspector General shall conduct
15 unannounced site visits to each facility at least annually
16 for the purpose of reviewing and making recommendations on
17 systemic issues relative to preventing, reporting,
18 investigating, and responding to all of the following:
19 mental abuse, physical abuse, sexual abuse, neglect,
20 egregious neglect, financial exploitation, or material
21 obstruction of an investigation.

22 (2) Review authority. In response to complaints or
23 information gathered from investigations, the Inspector
24 General shall have and may exercise the authority to
25 initiate reviews of facilities and agencies related to
26 preventing, reporting, investigating, and responding to

1 all of the following: mental abuse, physical abuse, sexual
2 abuse, neglect, egregious neglect, financial exploitation,
3 or material obstruction of an investigation. Upon
4 concluding a review, the Inspector General shall issue a
5 written report setting forth its conclusions and
6 recommendations. The report shall be distributed to the
7 Secretary and to the director of the facility or agency
8 that was the subject of review. Within 45 calendar days,
9 the facility or agency shall submit a written response
10 addressing the Inspector General's conclusions and
11 recommendations and, in a concise and reasoned manner, the
12 actions taken, if applicable, to: (i) protect the
13 individual or individuals; (ii) prevent recurrences; and
14 (iii) eliminate the problems identified. The response
15 shall include the implementation and completion dates of
16 such actions.

17 (h) Training programs. The Inspector General shall (i)
18 establish a comprehensive program to ensure that every person
19 authorized to conduct investigations receives ongoing training
20 relative to investigation techniques, communication skills,
21 and the appropriate means of interacting with persons
22 receiving treatment for mental illness, developmental
23 disability, or both mental illness and developmental
24 disability, and (ii) establish and conduct periodic training
25 programs for facility and agency employees concerning the
26 prevention and reporting of any one or more of the following:

1 mental abuse, physical abuse, sexual abuse, neglect, egregious
2 neglect, financial exploitation, or material obstruction of an
3 investigation. The Inspector General shall further ensure (i)
4 every person authorized to conduct investigations at community
5 agencies receives ongoing training in Title 59, Parts 115,
6 116, and 119 of the Illinois Administrative Code, and (ii)
7 every person authorized to conduct investigations shall
8 receive ongoing training in Title 59, Part 50 of the Illinois
9 Administrative Code. Nothing in this Section shall be deemed
10 to prevent the Office of Inspector General from conducting any
11 other training as determined by the Inspector General to be
12 necessary or helpful.

13 (i) Duty to cooperate.

14 (1) The Inspector General shall at all times be
15 granted access to any facility or agency for the purpose
16 of investigating any allegation, conducting unannounced
17 site visits, monitoring compliance with a written
18 response, conducting reviews of facilities and agencies,
19 or completing any other statutorily assigned duty.

20 (2) Any employee who fails to cooperate with an Office
21 of the Inspector General investigation is in violation of
22 this Act. Failure to cooperate with an investigation
23 includes, but is not limited to, any one or more of the
24 following: (i) creating and transmitting a false report to
25 the Office of the Inspector General hotline, (ii)
26 providing false information to an Office of the Inspector

1 General Investigator during an investigation, (iii)
2 colluding with other employees to cover up evidence, (iv)
3 colluding with other employees to provide false
4 information to an Office of the Inspector General
5 investigator, (v) destroying evidence, (vi) withholding
6 evidence, or (vii) otherwise obstructing an Office of the
7 Inspector General investigation. Additionally, any
8 employee who, during an unannounced site visit, written
9 response compliance check, or review fails to cooperate
10 with requests from the Office of the Inspector General is
11 in violation of this Act.

12 (j) Subpoena powers. The Inspector General shall have the
13 power to subpoena witnesses and compel the production of all
14 documents and physical evidence relating to his or her
15 investigations and reviews and any hearings authorized by this
16 Act. This subpoena power shall not extend to persons or
17 documents of a labor organization or its representatives
18 insofar as the persons are acting in a representative capacity
19 to an employee whose conduct is the subject of an
20 investigation or the documents relate to that representation.
21 Any person who otherwise fails to respond to a subpoena or who
22 knowingly provides false information to the Office of the
23 Inspector General by subpoena during an investigation is
24 guilty of a Class A misdemeanor.

25 (k) Reporting allegations and deaths.

26 (1) Allegations. If an employee witnesses, is told of,

1 or has reason to believe an incident of mental abuse,
2 physical abuse, sexual abuse, neglect, financial
3 exploitation, or material obstruction of an investigation
4 has occurred, the employee, agency, or facility shall
5 report the allegation by phone to the Office of the
6 Inspector General hotline according to the agency's or
7 facility's procedures, but in no event later than 4 hours
8 after the initial discovery of the incident, allegation,
9 or suspicion of any one or more of the following: mental
10 abuse, physical abuse, sexual abuse, neglect, financial
11 exploitation, or material obstruction of an investigation.
12 A required reporter as defined in subsection (b) of this
13 Section who knowingly or intentionally fails to comply
14 with these reporting requirements is guilty of a Class A
15 misdemeanor.

16 (2) Deaths. Absent an allegation, a required reporter
17 shall, within 24 hours after initial discovery, report by
18 phone to the Office of the Inspector General hotline each
19 of the following:

20 (i) Any death of an individual occurring within 14
21 calendar days after discharge or transfer of the
22 individual from a residential program or facility.

23 (ii) Any death of an individual occurring within
24 24 hours after deflection from a residential program
25 or facility.

26 (iii) Any other death of an individual occurring

1 at an agency or facility or at any Department-funded
2 site.

3 (3) Retaliation. It is a violation of this Act for any
4 employee or administrator of an agency or facility to take
5 retaliatory action against an employee who acts in good
6 faith in conformance with his or her duties as a required
7 reporter.

8 (1) Reporting to law enforcement. Reporting criminal acts.
9 Within 24 hours after determining that there is credible
10 evidence indicating that a criminal act may have been
11 committed or that special expertise may be required in an
12 investigation, the Inspector General shall notify the Illinois
13 State Police or other appropriate law enforcement authority,
14 or ensure that such notification is made. The Illinois State
15 Police shall investigate any report from a State-operated
16 facility indicating a possible murder, sexual assault, or
17 other felony by an employee. All investigations conducted by
18 the Inspector General shall be conducted in a manner designed
19 to ensure the preservation of evidence for possible use in a
20 criminal prosecution.

21 (m) Investigative reports. Upon completion of an
22 investigation, the Office of Inspector General shall issue an
23 investigative report identifying whether the allegations are
24 substantiated, unsubstantiated, or unfounded. Within 10
25 business days after the transmittal of a completed
26 investigative report substantiating an allegation, finding an

1 allegation is unsubstantiated, or if a recommendation is made,
2 the Inspector General shall provide the investigative report
3 on the case to the Secretary and to the director of the
4 facility or agency where any one or more of the following
5 occurred: mental abuse, physical abuse, sexual abuse, neglect,
6 egregious neglect, financial exploitation, or material
7 obstruction of an investigation. The director of the facility
8 or agency shall be responsible for maintaining the
9 confidentiality of the investigative report consistent with
10 State and federal law. In a substantiated case, the
11 investigative report shall include any mitigating or
12 aggravating circumstances that were identified during the
13 investigation. If the case involves substantiated neglect, the
14 investigative report shall also state whether egregious
15 neglect was found. An investigative report may also set forth
16 recommendations. All investigative reports prepared by the
17 Office of the Inspector General shall be considered
18 confidential and shall not be released except as provided by
19 the law of this State or as required under applicable federal
20 law. Unsubstantiated and unfounded reports shall not be
21 disclosed except as allowed under Section 6 of the Abused and
22 Neglected Long Term Care Facility Residents Reporting Act. Raw
23 data used to compile the investigative report shall not be
24 subject to release unless required by law or a court order.
25 "Raw data used to compile the investigative report" includes,
26 but is not limited to, any one or more of the following: the

1 initial complaint, witness statements, photographs,
2 investigator's notes, police reports, or incident reports. If
3 the allegations are substantiated, the victim, the victim's
4 guardian, and the accused shall be provided with a redacted
5 copy of the investigative report. Death reports where there
6 was no allegation of abuse or neglect shall only be released to
7 the Secretary, or the Secretary's designee, and to the
8 director of the facility or agency when a recommendation is
9 made and pursuant to applicable State or federal law or a valid
10 court order. Unredacted investigative reports, as well as raw
11 data, may be shared with a local law enforcement entity, a
12 State's Attorney's office, or a county coroner's office upon
13 written request. Unredacted investigative reports, as well as
14 raw data, may be shared with the Department of Financial and
15 Professional Regulation when there is a substantiated finding
16 against a person licensed by the Department of Financial and
17 Professional Regulation who is within the Office of the
18 Inspector General's jurisdiction, upon written request. If,
19 during its investigation, the Office of the Inspector General
20 found credible evidence of neglect by a person licensed by the
21 Department of Financial and Professional Regulation who is not
22 within the Office's jurisdiction, the Office may provide an
23 unfounded or unsubstantiated investigative report or death
24 report, as well as raw data, with the Department of Financial
25 and Professional Regulation, upon written request.

26 (n) Written responses, clarification requests, and

1 reconsideration requests.

2 (1) Written responses. Within 30 calendar days from
3 receipt of a substantiated investigative report or an
4 investigative report which contains recommendations,
5 absent a reconsideration request, the facility or agency
6 shall file a written response that addresses, in a concise
7 and reasoned manner, the actions taken to: (i) protect the
8 individual; (ii) prevent recurrences; and (iii) eliminate
9 the problems identified. The response shall include the
10 implementation and completion dates of such actions. If
11 the written response is not filed within the allotted 30
12 calendar day period, the Secretary, or the Secretary's
13 designee, shall determine the appropriate corrective
14 action to be taken.

15 (2) Requests for clarification. The facility, agency,
16 victim or guardian, or the subject employee may request
17 that the Office of Inspector General clarify the finding
18 or findings for which clarification is sought.

19 (3) Requests for reconsideration. The facility,
20 agency, victim or guardian, or the subject employee may
21 request that the Office of the Inspector General
22 reconsider the finding or findings or the recommendations.
23 A request for reconsideration shall be subject to a
24 multi-layer review and shall include at least one reviewer
25 who did not participate in the investigation or approval
26 of the original investigative report. After the

1 multi-layer review process has been completed, the
2 Inspector General shall make the final determination on
3 the reconsideration request. The investigation shall be
4 reopened if the reconsideration determination finds that
5 additional information is needed to complete the
6 investigative record.

7 (o) Disclosure of the finding by the Inspector General.
8 The Inspector General shall disclose the finding of an
9 investigation to the following persons: (i) the Governor, (ii)
10 the Secretary, (iii) the director of the facility or agency,
11 (iv) the alleged victims and their guardians, (v) the

13 include whether the allegations were deemed substantiated,
14 unsubstantiated, or unfounded.

15 (p) Secretary review. Upon review of the Inspector
16 General's investigative report and any agency's or facility's
17 written response, the Secretary, or the Secretary's designee,
18 shall accept or reject the written response and notify the
19 Inspector General of that determination. The Secretary, or the
20 Secretary's designee, may further direct that other
21 administrative action be taken, including, but not limited to,
22 any one or more of the following: (i) additional site visits,
23 (ii) training, (iii) provision of technical assistance
24 relative to administrative needs, licensure, or certification,
25 or (iv) the imposition of appropriate sanctions.

26 (q) Action by facility or agency. Within 30 days of the

1 date the Secretary, or the Secretary's designee, approves the
2 written response or directs that further administrative action
3 be taken, the facility or agency shall provide an
4 implementation report to the Inspector General that provides
5 the status of the action taken. The facility or agency shall be
6 allowed an additional 30 days to send notice of completion of
7 the action or to send an updated implementation report. If the
8 action has not been completed within the additional 30-day
9 period, the facility or agency shall send updated
10 implementation reports every 60 days until completion. The
11 Inspector General shall conduct a review of any implementation
12 plan that takes more than 120 days after approval to complete,
13 and shall monitor compliance through a random review of
14 approved written responses, which may include, but are not
15 limited to: (i) site visits, (ii) telephone contact, and (iii)
16 requests for additional documentation evidencing compliance.

17 (r) Sanctions. Sanctions, if imposed by the Secretary
18 under Subdivision (p)(iv) of this Section, shall be designed
19 to prevent further acts of mental abuse, physical abuse,
20 sexual abuse, neglect, egregious neglect, or financial
21 exploitation or some combination of one or more of those acts
22 at a facility or agency, and may include any one or more of the
23 following:

25 (2) Transfer or relocation of an individual or
26 individuals.

1 (3) Closure of units.

2 (4) Termination of any one or more of the following:

3 (i) Department licensing, (ii) funding, or (iii)
4 certification.

5 The Inspector General may seek the assistance of the
6 Illinois Attorney General or the office of any State's
7 Attorney in implementing sanctions.

8 (s) Health Care Worker Registry.

9 (1) Reporting to the Registry. The Inspector General
10 shall report to the Department of Public Health's Health
11 Care Worker Registry, a public registry, the identity and
12 finding of each employee of a facility or agency against
13 whom there is a final investigative report prepared by the
14 Office of the Inspector General containing a substantiated
15 allegation of physical or sexual abuse, financial
16 exploitation, egregious neglect of an individual, or
17 material obstruction of an investigation, unless the
18 Inspector General requests a stipulated disposition of the
19 investigative report that does not include the reporting
20 of the employee's name to the Health Care Worker Registry
21 and the Secretary of Human Services agrees with the
22 requested stipulated disposition.

23 (2) Notice to employee. Prior to reporting the name of
24 an employee, the employee shall be notified of the
25 Department's obligation to report and shall be granted an
26 opportunity to request an administrative hearing, the sole

1 purpose of which is to determine if the substantiated
2 finding warrants reporting to the Registry. Notice to the
3 employee shall contain a clear and concise statement of
4 the grounds on which the report to the Registry is based,
5 offer the employee an opportunity for a hearing, and
6 identify the process for requesting such a hearing. Notice
7 is sufficient if provided by certified mail to the
8 employee's last known address. If the employee fails to
9 request a hearing within 30 days from the date of the
10 notice, the Inspector General shall report the name of the
11 employee to the Registry. Nothing in this subdivision
12 (s)(2) shall diminish or impair the rights of a person who
13 is a member of a collective bargaining unit under the
14 Illinois Public Labor Relations Act or under any other
15 federal labor statute.

16 (3) Registry hearings. If the employee requests an
17 administrative hearing, the employee shall be granted an
18 opportunity to appear before an administrative law judge
19 to present reasons why the employee's name should not be
20 reported to the Registry. The Department shall bear the
21 burden of presenting evidence that establishes, by a
22 preponderance of the evidence, that the substantiated
23 finding warrants reporting to the Registry. After
24 considering all the evidence presented, the administrative
25 law judge shall make a recommendation to the Secretary as
26 to whether the substantiated finding warrants reporting

1 the name of the employee to the Registry. The Secretary
2 shall render the final decision. The Department and the
3 employee shall have the right to request that the
4 administrative law judge consider a stipulated disposition
5 of these proceedings.

6 (4) Testimony at Registry hearings. A person who makes
7 a report or who investigates a report under this Act shall
8 testify fully in any judicial proceeding resulting from
9 such a report, as to any evidence of physical abuse,
10 sexual abuse, egregious neglect, financial exploitation,
11 or material obstruction of an investigation, or the cause
12 thereof. No evidence shall be excluded by reason of any
13 common law or statutory privilege relating to
14 communications between the alleged perpetrator of abuse or
15 neglect, or the individual alleged as the victim in the
16 report, and the person making or investigating the report.
17 Testimony at hearings is exempt from the confidentiality
18 requirements of subsection (f) of Section 10 of the Mental
19 Health and Developmental Disabilities Confidentiality Act.

20 (5) Employee's rights to collateral action. No
21 reporting to the Registry shall occur and no hearing shall
22 be set or proceed if an employee notifies the Inspector
23 General in writing, including any supporting
24 documentation, that he or she is formally contesting an
25 adverse employment action resulting from a substantiated
26 finding by complaint filed with the Illinois Civil Service

1 Commission, or which otherwise seeks to enforce the
2 employee's rights pursuant to any applicable collective
3 bargaining agreement. If an action taken by an employer
4 against an employee as a result of a finding of physical
5 abuse, sexual abuse, egregious neglect, financial
6 exploitation, or material obstruction of an investigation
7 is overturned through an action filed with the Illinois
8 Civil Service Commission or under any applicable
9 collective bargaining agreement and if that employee's
10 name has already been sent to the Registry, the employee's
11 name shall be removed from the Registry.

12 (6) Removal from Registry. At any time after the
13 report to the Registry, but no more than once in any
14 12-month period, an employee may petition the Department
15 in writing to remove his or her name from the Registry.
16 Upon receiving notice of such request, the Inspector
17 General shall conduct an investigation into the petition.
18 Upon receipt of such request, an administrative hearing
19 will be set by the Department. At the hearing, the
20 employee shall bear the burden of presenting evidence that
21 establishes, by a preponderance of the evidence, that
22 removal of the name from the Registry is in the public
23 interest. The parties may jointly request that the
24 administrative law judge consider a stipulated disposition
25 of these proceedings.

26 (t) Review of Administrative Decisions. The Department

1 shall preserve a record of all proceedings at any formal
2 hearing conducted by the Department involving Health Care
3 Worker Registry hearings. Final administrative decisions of
4 the Department are subject to judicial review pursuant to
5 provisions of the Administrative Review Law.

6 (u) Quality Care Board. There is created, within the
7 Office of the Inspector General, a Quality Care Board to be
8 composed of 7 members appointed by the Governor with the
9 advice and consent of the Senate. One of the members shall be
10 designated as chairman by the Governor. Of the initial
11 appointments made by the Governor, 4 Board members shall each
12 be appointed for a term of 4 years and 3 members shall each be
13 appointed for a term of 2 years. Upon the expiration of each
14 member's term, a successor shall be appointed for a term of 4
15 years. In the case of a vacancy in the office of any member,
16 the Governor shall appoint a successor for the remainder of
17 the unexpired term.

18 Members appointed by the Governor shall be qualified by
19 professional knowledge or experience in the area of law,
20 investigatory techniques, or in the area of care of the

23 persons with a disability or parents of persons with a
24 disability. Members shall serve without compensation, but
25 shall be reimbursed for expenses incurred in connection with
26 the performance of their duties as members.

1 The Board shall meet quarterly, and may hold other
2 meetings on the call of the chairman. Four members shall
3 constitute a quorum allowing the Board to conduct its
4 business. The Board may adopt rules and regulations it deems
5 necessary to govern its own procedures.

6 The Board shall monitor and oversee the operations,
7 policies, and procedures of the Inspector General to ensure
8 the prompt and thorough investigation of allegations of
9 neglect and abuse. In fulfilling these responsibilities, the
10 Board may do the following:

11 (1) Provide independent, expert consultation to the
12 Inspector General on policies and protocols for
13 investigations of alleged abuse, neglect, or both abuse
14 and neglect.

15 (2) Review existing regulations relating to the
16 operation of facilities.

17 (3) Advise the Inspector General as to the content of
18 training activities authorized under this Section.

19 (4) Recommend policies concerning methods for
20 improving the intergovernmental relationships between the
21 Office of the Inspector General and other State or federal
22 offices.

23 (v) Annual report. The Inspector General shall provide to
24 the General Assembly and the Governor, no later than January 1
25 of each year, a summary of reports and investigations made
26 under this Act for the prior fiscal year with respect to

1 individuals receiving mental health or developmental
2 disabilities services. The report shall detail the imposition
3 of sanctions, if any, and the final disposition of any
4 corrective or administrative action directed by the Secretary.
5 The summaries shall not contain any confidential or
6 identifying information of any individual, but shall include
7 objective data identifying any trends in the number of
8 reported allegations, the timeliness of the Office of the
9 Inspector General's investigations, and their disposition, for
10 each facility and Department-wide, for the most recent 3-year
11 time period. The report shall also identify, by facility, the
12 staff-to-patient ratios taking account of direct care staff
13 only. The report shall also include detailed recommended
14 administrative actions and matters for consideration by the
15 General Assembly.

16 (w) Program audit. The Auditor General shall conduct a
17 program audit of the Office of the Inspector General on an
18 as-needed basis, as determined by the Auditor General. The
19 audit shall specifically include the Inspector General's

22 The Auditor General shall conduct the program audit according
23 to the provisions of the Illinois State Auditing Act and shall
24 report its findings to the General Assembly no later than
25 January 1 following the audit period.

1 that an individual is a victim of abuse or neglect because of
2 health care services appropriately provided or not provided by
3 health care professionals.

4 (y) Nothing in this Section shall require a facility,
5 including its employees, agents, medical staff members, and
6 health care professionals, to provide a service to an
7 individual in contravention of that individual's stated or
8 implied objection to the provision of that service on the
9 ground that that service conflicts with the individual's
10 religious beliefs or practices, nor shall the failure to
11 provide a service to an individual be considered abuse under
12 this Section if the individual has objected to the provision
13 of that service based on his or her religious beliefs or
14 practices.

5 changing Section 5.2 as follows:

6 (20 ILCS 2630/5.2)

7 (Text of Section before amendment by P.A. 104-459)

8 Sec. 5.2. Expungement, sealing, and immediate sealing.

9 (a) General Provisions.

10 (1) Definitions. In this Act, words and phrases have
11 the meanings set forth in this subsection, except when a
12 particular context clearly requires a different meaning.

13 (A) The following terms shall have the meanings
14 ascribed to them in the following Sections of the
15 Unified Code of Corrections:

16 Business Offense, Section 5-1-2.

17 Charge, Section 5-1-3.

18 Court, Section 5-1-6.

19 Defendant, Section 5-1-7.

20 Felony, Section 5-1-9.

21 Imprisonment, Section 5-1-10.

22 Judgment, Section 5-1-12.

23 Misdemeanor, Section 5-1-14.

24 Offense, Section 5-1-15.

1 Parole, Section 5-1-16.

2 Petty Offense, Section 5-1-17.

3 Probation, Section 5-1-18.

4 Sentence, Section 5-1-19.

5 Supervision, Section 5-1-21.

6 Victim, Section 5-1-22.

7 (B) As used in this Section, "charge not initiated
8 by arrest" means a charge (as defined by Section 5-1-3
9 of the Unified Code of Corrections) brought against a
10 defendant where the defendant is not arrested prior to
11 or as a direct result of the charge.

12 (C) "Conviction" means a judgment of conviction or
13 sentence entered upon a plea of guilty or upon a
14 verdict or finding of guilty of an offense, rendered
15 by a legally constituted jury or by a court of
16 competent jurisdiction authorized to try the case
17 without a jury. An order of supervision successfully
18 completed by the petitioner is not a conviction. An
19 order of qualified probation (as defined in subsection
20 (a) (1) (J)) successfully completed by the petitioner is
21 not a conviction. An order of supervision or an order
22 of qualified probation that is terminated
23 unsatisfactorily is a conviction, unless the
24 unsatisfactory termination is reversed, vacated, or
25 modified and the judgment of conviction, if any, is
26 reversed or vacated.

1 (D) "Criminal offense" means a petty offense,
2 business offense, misdemeanor, felony, or municipal
3 ordinance violation (as defined in subsection
4 (a)(1)(H)). As used in this Section, a minor traffic
5 offense (as defined in subsection (a)(1)(G)) shall not
6 be considered a criminal offense.

7 (E) "Expunge" means to physically destroy the
8 records or return them to the petitioner and to
9 obliterate the petitioner's name from any official
10 index or public record, or both. Nothing in this Act
11 shall require the physical destruction of the circuit
12 court file, but such records relating to arrests or
13 charges, or both, ordered expunged shall be impounded
14 as required by subsections (d)(9)(A)(ii) and
15 (d)(9)(B)(ii).

16 (F) As used in this Section, "last sentence" means
17 the sentence, order of supervision, or order of
18 qualified probation (as defined by subsection
19 (a)(1)(J)), for a criminal offense (as defined by
20 subsection (a)(1)(D)) that terminates last in time in
21 any jurisdiction, regardless of whether the petitioner
22 has included the criminal offense for which the
23 sentence or order of supervision or qualified
24 probation was imposed in his or her petition. If
25 multiple sentences, orders of supervision, or orders
26 of qualified probation terminate on the same day and

1 are last in time, they shall be collectively
2 considered the "last sentence" regardless of whether
3 they were ordered to run concurrently.

4 (G) "Minor traffic offense" means a petty offense,
5 business offense, or Class C misdemeanor under the
6 Illinois Vehicle Code or a similar provision of a
7 municipal or local ordinance.

8 (G-5) "Minor Cannabis Offense" means a violation
9 of Section 4 or 5 of the Cannabis Control Act
10 concerning not more than 30 grams of any substance
11 containing cannabis, provided the violation did not
12 include a penalty enhancement under Section 7 of the
13 Cannabis Control Act and is not associated with an
14 arrest, conviction or other disposition for a violent
15 crime as defined in subsection (c) of Section 3 of the
16 Rights of Crime Victims and Witnesses Act.

17 (H) "Municipal ordinance violation" means an
18 offense defined by a municipal or local ordinance that
19 is criminal in nature and with which the petitioner
20 was charged or for which the petitioner was arrested
21 and released without charging.

22 (I) "Petitioner" means an adult or a minor
23 prosecuted as an adult who has applied for relief
24 under this Section.

25 (J) "Qualified probation" means an order of
26 probation under Section 10 of the Cannabis Control

1 Act, Section 410 of the Illinois Controlled Substances
2 Act, Section 70 of the Methamphetamine Control and
3 Community Protection Act, Section 5-6-3.3 or 5-6-3.4
4 of the Unified Code of Corrections, Section
5 12-4.3(b)(1) and (2) of the Criminal Code of 1961 (as
6 those provisions existed before their deletion by
7 Public Act 89-313), Section 10-102 of the Illinois
8 Alcoholism and Other Drug Dependency Act, Section
9 40-10 of the Substance Use Disorder Act, or Section 10
10 of the Steroid Control Act. For the purpose of this
11 Section, "successful completion" of an order of
12 qualified probation under Section 10-102 of the
13 Illinois Alcoholism and Other Drug Dependency Act and
14 Section 40-10 of the Substance Use Disorder Act means
15 that the probation was terminated satisfactorily and
16 the judgment of conviction was vacated.

17 (K) "Seal" means to physically and electronically
18 maintain the records, unless the records would
19 otherwise be destroyed due to age, but to make the
20 records unavailable without a court order, subject to
21 the exceptions in Sections 12 and 13 of this Act. The
22 petitioner's name shall also be obliterated from the
23 official index required to be kept by the circuit
24 court clerk under Section 16 of the Clerks of Courts
25 Act, but any index issued by the circuit court clerk
26 before the entry of the order to seal shall not be

1 affected.

2 (L) "Sexual offense committed against a minor"
3 includes, but is not limited to, the offenses of
4 indecent solicitation of a child or criminal sexual
5 abuse when the victim of such offense is under 18 years
6 of age.

7 (M) "Terminate" as it relates to a sentence or
8 order of supervision or qualified probation includes
9 either satisfactory or unsatisfactory termination of
10 the sentence, unless otherwise specified in this
11 Section. A sentence is terminated notwithstanding any
12 outstanding financial legal obligation.

13 (2) Minor Traffic Offenses. Orders of supervision or
14 convictions for minor traffic offenses shall not affect a
15 petitioner's eligibility to expunge or seal records
16 pursuant to this Section.

17 (2.5) Commencing 180 days after July 29, 2016 (the
18 effective date of Public Act 99-697), the law enforcement
19 agency issuing the citation shall automatically expunge,
20 on or before January 1 and July 1 of each year, the law
21 enforcement records of a person found to have committed a
22 civil law violation of subsection (a) of Section 4 of the
23 Cannabis Control Act or subsection (c) of Section 3.5 of
24 the Drug Paraphernalia Control Act in the law enforcement
25 agency's possession or control and which contains the
26 final satisfactory disposition which pertain to the person

1 issued a citation for that offense. The law enforcement
2 agency shall provide by rule the process for access,
3 review, and to confirm the automatic expungement by the
4 law enforcement agency issuing the citation. Commencing
5 180 days after July 29, 2016 (the effective date of Public
6 Act 99-697), the clerk of the circuit court shall expunge,
7 upon order of the court, or in the absence of a court order
8 on or before January 1 and July 1 of each year, the court
9 records of a person found in the circuit court to have
10 committed a civil law violation of subsection (a) of
11 Section 4 of the Cannabis Control Act or subsection (c) of
12 Section 3.5 of the Drug Paraphernalia Control Act in the
13 clerk's possession or control and which contains the final
14 satisfactory disposition which pertain to the person
15 issued a citation for any of those offenses.

16 (3) Exclusions. Except as otherwise provided in
17 subsections (b)(5), (b)(6), (b)(8), (e), (e-5), and (e-6)
18 of this Section, the court shall not order:

19 (A) the sealing or expungement of the records of
20 arrests or charges not initiated by arrest that result
21 in an order of supervision for or conviction of: (i)
22 any sexual offense committed against a minor; (ii)
23 Section 11-501 of the Illinois Vehicle Code or a
24 similar provision of a local ordinance; or (iii)
25 Section 11-503 of the Illinois Vehicle Code or a
26 similar provision of a local ordinance, unless the

1 arrest or charge is for a misdemeanor violation of
2 subsection (a) of Section 11-503 or a similar
3 provision of a local ordinance, that occurred prior to
4 the offender reaching the age of 25 years and the
5 offender has no other conviction for violating Section
6 11-501 or 11-503 of the Illinois Vehicle Code or a
7 similar provision of a local ordinance.

8 (B) the sealing or expungement of records of minor
9 traffic offenses (as defined in subsection (a)(1)(G)),
10 unless the petitioner was arrested and released
11 without charging.

12 (C) the sealing of the records of arrests or
13 charges not initiated by arrest which result in an
14 order of supervision or a conviction for the following
15 offenses:

16 (i) offenses included in Article 11 of the
17 Criminal Code of 1961 or the Criminal Code of 2012
18 or a similar provision of a local ordinance,
19 except Section 11-14 and a misdemeanor violation
20 of Section 11-30 of the Criminal Code of 1961 or
21 the Criminal Code of 2012, or a similar provision
22 of a local ordinance;

23 (ii) Section 11-1.50, 12-3.4, 12-15, 12-30,
24 26-5, or 48-1 of the Criminal Code of 1961 or the
25 Criminal Code of 2012, or a similar provision of a
26 local ordinance;

1 (iii) Section 12-3.1 or 12-3.2 of the Criminal
2 Code of 1961 or the Criminal Code of 2012, or
3 Section 125 of the Stalking No Contact Order Act,
4 or Section 219 of the Civil No Contact Order Act,
5 or a similar provision of a local ordinance;

6 (iv) Class A misdemeanors or felony offenses
7 under the Humane Care for Animals Act; or

8 (v) any offense or attempted offense that
9 would subject a person to registration under the
10 Sex Offender Registration Act.

11 (D) (blank).

12 (b) Expungement.

13 (1) A petitioner may petition the circuit court to
14 expunge the records of his or her arrests and charges not
15 initiated by arrest when each arrest or charge not
16 initiated by arrest sought to be expunged resulted in: (i)
17 acquittal, dismissal, or the petitioner's release without
18 charging, unless excluded by subsection (a)(3)(B); (ii) a
19 conviction which was vacated or reversed, unless excluded
20 by subsection (a)(3)(B); (iii) an order of supervision and
21 such supervision was successfully completed by the
22 petitioner, unless excluded by subsection (a)(3)(A) or
23 (a)(3)(B); or (iv) an order of qualified probation (as
24 defined in subsection (a)(1)(J)) and such probation was
25 successfully completed by the petitioner.

26 (1.5) When a petitioner seeks to have a record of

1 arrest expunged under this Section, and the offender has
2 been convicted of a criminal offense, the State's Attorney
3 may object to the expungement on the grounds that the
4 records contain specific relevant information aside from
5 the mere fact of the arrest.

6 (2) Time frame for filing a petition to expunge.

7 (A) When the arrest or charge not initiated by
8 arrest sought to be expunged resulted in an acquittal,
9 dismissal, the petitioner's release without charging,
10 or the reversal or vacation of a conviction, there is
11 no waiting period to petition for the expungement of
12 such records.

13 (A-5) In anticipation of the successful completion
14 of a problem-solving court, pre-plea diversion, or
15 post-plea diversion program, a petition for
16 expungement may be filed 61 days before the
17 anticipated dismissal of the case or any time
18 thereafter. Upon successful completion of the program
19 and dismissal of the case, the court shall review the
20 petition of the person graduating from the program and
21 shall grant expungement if the petitioner meets all
22 requirements as specified in any applicable statute.

23 (B) When the arrest or charge not initiated by
24 arrest sought to be expunged resulted in an order of
25 supervision, successfully completed by the petitioner,
26 the following time frames will apply:

1 (i) Those arrests or charges that resulted in
2 orders of supervision under Section 3-707, 3-708,
3 3-710, or 5-401.3 of the Illinois Vehicle Code or
4 a similar provision of a local ordinance, or under
5 Section 11-1.50, 12-3.2, or 12-15 of the Criminal
6 Code of 1961 or the Criminal Code of 2012, or a
7 similar provision of a local ordinance, shall not
8 be eligible for expungement until 5 years have
9 passed following the satisfactory termination of
10 the supervision.

11 (i-5) Those arrests or charges that resulted
12 in orders of supervision for a misdemeanor
13 violation of subsection (a) of Section 11-503 of
14 the Illinois Vehicle Code or a similar provision
15 of a local ordinance, that occurred prior to the
16 offender reaching the age of 25 years and the
17 offender has no other conviction for violating
18 Section 11-501 or 11-503 of the Illinois Vehicle
19 Code or a similar provision of a local ordinance
20 shall not be eligible for expungement until the
21 petitioner has reached the age of 25 years.

22 (ii) Those arrests or charges that resulted in
23 orders of supervision for any other offenses shall
24 not be eligible for expungement until 2 years have
25 passed following the satisfactory termination of
26 the supervision.

1 (C) When the arrest or charge not initiated by
2 arrest sought to be expunged resulted in an order of
3 qualified probation, successfully completed by the
4 petitioner, such records shall not be eligible for
5 expungement until 5 years have passed following the
6 satisfactory termination of the probation.

7 (3) Those records maintained by the Illinois State
8 Police for persons arrested prior to their 17th birthday
9 shall be expunged as provided in Section 5-915 of the
10 Juvenile Court Act of 1987.

11 (4) Whenever a person has been arrested for or
12 convicted of any offense, in the name of a person whose
13 identity he or she has stolen or otherwise come into
14 possession of, the aggrieved person from whom the identity
15 was stolen or otherwise obtained without authorization,
16 upon learning of the person having been arrested using his
17 or her identity, may, upon verified petition to the chief
18 judge of the circuit wherein the arrest was made, have a
19 court order entered nunc pro tunc by the Chief Judge to
20 correct the arrest record, conviction record, if any, and
21 all official records of the arresting authority, the
22 Illinois State Police, other criminal justice agencies,
23 the prosecutor, and the trial court concerning such
24 arrest, if any, by removing his or her name from all such
25 records in connection with the arrest and conviction, if
26 any, and by inserting in the records the name of the

1 offender, if known or ascertainable, in lieu of the
2 aggrieved's name. The records of the circuit court clerk
3 shall be sealed until further order of the court upon good
4 cause shown and the name of the aggrieved person
5 obliterated on the official index required to be kept by
6 the circuit court clerk under Section 16 of the Clerks of
7 Courts Act, but the order shall not affect any index
8 issued by the circuit court clerk before the entry of the
9 order. Nothing in this Section shall limit the Illinois
10 State Police or other criminal justice agencies or
11 prosecutors from listing under an offender's name the
12 false names he or she has used.

13 (5) Whenever a person has been convicted of criminal
14 sexual assault, aggravated criminal sexual assault,
15 predatory criminal sexual assault of a child, criminal
16 sexual abuse, or aggravated criminal sexual abuse, the
17 victim of that offense may request that the State's
18 Attorney of the county in which the conviction occurred
19 file a verified petition with the presiding trial judge at
20 the petitioner's trial to have a court order entered to
21 seal the records of the circuit court clerk in connection
22 with the proceedings of the trial court concerning that
23 offense. However, the records of the arresting authority
24 and the Illinois State Police concerning the offense shall
25 not be sealed. The court, upon good cause shown, shall
26 make the records of the circuit court clerk in connection

1 with the proceedings of the trial court concerning the
2 offense available for public inspection.

3 (6) If a conviction has been set aside on direct
4 review or on collateral attack and the court determines by
5 clear and convincing evidence that the petitioner was
6 factually innocent of the charge, the court that finds the
7 petitioner factually innocent of the charge shall enter an
8 expungement order for the conviction for which the
9 petitioner has been determined to be innocent as provided
10 in subsection (b) of Section 5-5-4 of the Unified Code of
11 Corrections.

12 (7) Nothing in this Section shall prevent the Illinois
13 State Police from maintaining all records of any person
14 who is admitted to probation upon terms and conditions and
15 who fulfills those terms and conditions pursuant to
16 Section 10 of the Cannabis Control Act, Section 410 of the
17 Illinois Controlled Substances Act, Section 70 of the
18 Methamphetamine Control and Community Protection Act,
19 Section 5-6-3.3 or 5-6-3.4 of the Unified Code of
20 Corrections, Section 12-4.3 or subdivision (b)(1) of
21 Section 12-3.05 of the Criminal Code of 1961 or the
22 Criminal Code of 2012, Section 10-102 of the Illinois
23 Alcoholism and Other Drug Dependency Act, Section 40-10 of
24 the Substance Use Disorder Act, or Section 10 of the
25 Steroid Control Act.

26 (8) If the petitioner has been granted a certificate

1 of innocence under Section 2-702 of the Code of Civil
2 Procedure, the court that grants the certificate of
3 innocence shall also enter an order expunging the
4 conviction for which the petitioner has been determined to
5 be innocent as provided in subsection (h) of Section 2-702
6 of the Code of Civil Procedure.

7 (c) Sealing.

8 (1) Applicability. Notwithstanding any other provision
9 of this Act to the contrary, and cumulative with any
10 rights to expungement of criminal records, this subsection
11 authorizes the sealing of criminal records of adults and
12 of minors prosecuted as adults. Subsection (g) of this
13 Section provides for immediate sealing of certain records.

14 (2) Eligible Records. The following records may be
15 sealed:

16 (A) All arrests resulting in release without
17 charging;

18 (B) Arrests or charges not initiated by arrest
19 resulting in acquittal, dismissal, or conviction when
20 the conviction was reversed or vacated, except as
21 excluded by subsection (a) (3) (B);

22 (C) Arrests or charges not initiated by arrest
23 resulting in orders of supervision, including orders
24 of supervision for municipal ordinance violations,
25 successfully completed by the petitioner, unless
26 excluded by subsection (a) (3);

1 (D) Arrests or charges not initiated by arrest
2 resulting in convictions, including convictions on
3 municipal ordinance violations, unless excluded by
4 subsection (a) (3);

5 (E) Arrests or charges not initiated by arrest
6 resulting in orders of first offender probation under
7 Section 10 of the Cannabis Control Act, Section 410 of
8 the Illinois Controlled Substances Act, Section 70 of
9 the Methamphetamine Control and Community Protection
10 Act, or Section 5-6-3.3 of the Unified Code of
11 Corrections; and

12 (F) Arrests or charges not initiated by arrest
13 resulting in felony convictions unless otherwise
14 excluded by subsection (a) paragraph (3) of this
15 Section.

16 (3) When Records Are Eligible to Be Sealed. Records
17 identified as eligible under subsection (c) (2) may be
18 sealed as follows:

19 (A) Records identified as eligible under
20 subsections (c) (2) (A) and (c) (2) (B) may be sealed at
21 any time.

22 (B) Except as otherwise provided in subparagraph
23 (E) of this paragraph (3), records identified as
24 eligible under subsection (c) (2) (C) may be sealed 2
25 years after the termination of petitioner's last
26 sentence (as defined in subsection (a) (1) (F)).

1 (C) Except as otherwise provided in subparagraph
2 (E) of this paragraph (3), records identified as
3 eligible under subsections (c)(2)(D), (c)(2)(E), and
4 (c)(2)(F) may be sealed 3 years after the termination
5 of the petitioner's last sentence (as defined in
6 subsection (a)(1)(F)). Convictions requiring public
7 registration under the Arsonist Registry Act, the Sex
8 Offender Registration Act, or the Murderer and Violent
9 Offender Against Youth Registration Act may not be
10 sealed until the petitioner is no longer required to
11 register under that relevant Act.

12 (D) Records identified in subsection
13 (a)(3)(A)(iii) may be sealed after the petitioner has
14 reached the age of 25 years.

15 (E) Records identified as eligible under
16 subsection (c)(2)(C), (c)(2)(D), (c)(2)(E), or
17 (c)(2)(F) may be sealed upon termination of the
18 petitioner's last sentence if the petitioner earned a
19 high school diploma, associate's degree, career
20 certificate, vocational technical certification, or
21 bachelor's degree, or passed the high school level
22 Test of General Educational Development, during the
23 period of his or her sentence or mandatory supervised
24 release. This subparagraph shall apply only to a
25 petitioner who has not completed the same educational
26 goal prior to the period of his or her sentence or

1 mandatory supervised release. If a petition for
2 sealing eligible records filed under this subparagraph
3 is denied by the court, the time periods under
4 subparagraph (B) or (C) shall apply to any subsequent
5 petition for sealing filed by the petitioner.

6 (4) Subsequent felony convictions. A person may not
7 have subsequent felony conviction records sealed as
8 provided in this subsection (c) if he or she is convicted
9 of any felony offense after the date of the sealing of
10 prior felony convictions as provided in this subsection
11 (c). The court may, upon conviction for a subsequent
12 felony offense, order the unsealing of prior felony
13 conviction records previously ordered sealed by the court.

14 (5) Notice of eligibility for sealing. Upon entry of a
15 disposition for an eligible record under this subsection
16 (c), the petitioner shall be informed by the court of the
17 right to have the records sealed and the procedures for
18 the sealing of the records.

19 (d) Procedure. The following procedures apply to
20 expungement under subsections (b), (e), and (e-6) and sealing
21 under subsections (c) and (e-5):

22 (1) Filing the petition. Upon becoming eligible to
23 petition for the expungement or sealing of records under
24 this Section, the petitioner shall file a petition
25 requesting the expungement or sealing of records with the
26 clerk of the court where the arrests occurred or the

1 charges were brought, or both. If arrests occurred or
2 charges were brought in multiple jurisdictions, a petition
3 must be filed in each such jurisdiction. The petitioner
4 shall pay the applicable fee, except no fee shall be
5 required if the petitioner has obtained a court order
6 waiving fees under Supreme Court Rule 298 or it is
7 otherwise waived.

8 (1.5) County fee waiver pilot program. From August 9,
9 2019 (the effective date of Public Act 101-306) through
10 December 31, 2020, in a county of 3,000,000 or more
11 inhabitants, no fee shall be required to be paid by a
12 petitioner if the records sought to be expunged or sealed
13 were arrests resulting in release without charging or
14 arrests or charges not initiated by arrest resulting in
15 acquittal, dismissal, or conviction when the conviction
16 was reversed or vacated, unless excluded by subsection
17 (a)(3)(B). The provisions of this paragraph (1.5), other
18 than this sentence, are inoperative on and after January
19 1, 2022.

20 (2) Contents of petition. The petition shall be
21 verified and shall contain the petitioner's name, date of
22 birth, current address and, for each arrest or charge not
23 initiated by arrest sought to be sealed or expunged, the
24 case number, the date of arrest (if any), the identity of
25 the arresting authority, and such other information as the
26 court may require. During the pendency of the proceeding,

1 the petitioner shall promptly notify the circuit court
2 clerk of any change of his or her address. If the
3 petitioner has received a certificate of eligibility for
4 sealing from the Prisoner Review Board under paragraph
5 (10) of subsection (a) of Section 3-3-2 of the Unified
6 Code of Corrections, the certificate shall be attached to
7 the petition.

8 (3) Drug test. The petitioner must attach to the
9 petition proof that the petitioner has taken within 30
10 days before the filing of the petition a test showing the
11 absence within his or her body of all illegal substances
12 as defined by the Illinois Controlled Substances Act and
13 the Methamphetamine Control and Community Protection Act
14 if he or she is petitioning to:

15 (A) seal felony records under clause (c) (2) (E);

16 (B) seal felony records for a violation of the
17 Illinois Controlled Substances Act, the
18 Methamphetamine Control and Community Protection Act,
19 or the Cannabis Control Act under clause (c) (2) (F);

20 (C) seal felony records under subsection (e-5); or

21 (D) expunge felony records of a qualified
22 probation under clause (b) (1) (iv).

23 (4) Service of petition. The circuit court clerk shall
24 promptly serve a copy of the petition and documentation to
25 support the petition under subsection (e-5) or (e-6) on
26 the State's Attorney or prosecutor charged with the duty

1 of prosecuting the offense, the Illinois State Police, the
2 arresting agency and the chief legal officer of the unit
3 of local government effecting the arrest.

4 (5) Objections.

5 (A) Any party entitled to notice of the petition
6 may file an objection to the petition. All objections
7 shall be in writing, shall be filed with the circuit
8 court clerk, and shall state with specificity the
9 basis of the objection. Whenever a person who has been
10 convicted of an offense is granted a pardon by the
11 Governor which specifically authorizes expungement, an
12 objection to the petition may not be filed.

13 (B) Objections to a petition to expunge or seal
14 must be filed within 60 days of the date of service of
15 the petition.

16 (6) Entry of order.

17 (A) The Chief Judge of the circuit wherein the
18 charge was brought, any judge of that circuit
19 designated by the Chief Judge, or in counties of less
20 than 3,000,000 inhabitants, the presiding trial judge
21 at the petitioner's trial, if any, shall rule on the
22 petition to expunge or seal as set forth in this
23 subsection (d) (6).

24 (B) Unless the State's Attorney or prosecutor, the
25 Illinois State Police, the arresting agency, or the
26 chief legal officer files an objection to the petition

1 to expunge or seal within 60 days from the date of
2 service of the petition, the court shall enter an
3 order granting or denying the petition.

4 (C) Notwithstanding any other provision of law,
5 the court shall not deny a petition for sealing under
6 this Section because the petitioner has not satisfied
7 an outstanding legal financial obligation established,
8 imposed, or originated by a court, law enforcement
9 agency, or a municipal, State, county, or other unit
10 of local government, including, but not limited to,
11 any cost, assessment, fine, or fee. An outstanding
12 legal financial obligation does not include any court
13 ordered restitution to a victim under Section 5-5-6 of
14 the Unified Code of Corrections, unless the
15 restitution has been converted to a civil judgment.
16 Nothing in this subparagraph (C) waives, rescinds, or
17 abrogates a legal financial obligation or otherwise
18 eliminates or affects the right of the holder of any
19 financial obligation to pursue collection under
20 applicable federal, State, or local law.

21 (D) Notwithstanding any other provision of law,
22 the court shall not deny a petition to expunge or seal
23 under this Section because the petitioner has
24 submitted a drug test taken within 30 days before the
25 filing of the petition to expunge or seal that
26 indicates a positive test for the presence of cannabis

1 within the petitioner's body. In this subparagraph
2 (D), "cannabis" has the meaning ascribed to it in
3 Section 3 of the Cannabis Control Act.

4 (7) Hearings. If an objection is filed, the court
5 shall set a date for a hearing and notify the petitioner
6 and all parties entitled to notice of the petition of the
7 hearing date at least 30 days prior to the hearing. Prior
8 to the hearing, the State's Attorney shall consult with
9 the Illinois State Police as to the appropriateness of the
10 relief sought in the petition to expunge or seal. At the
11 hearing, the court shall hear evidence on whether the
12 petition should or should not be granted, and shall grant
13 or deny the petition to expunge or seal the records based
14 on the evidence presented at the hearing. The court may
15 consider the following:

16 (A) the strength of the evidence supporting the
17 defendant's conviction;

18 (B) the reasons for retention of the conviction
19 records by the State;

20 (C) the petitioner's age, criminal record history,
21 and employment history;

22 (D) the period of time between the petitioner's
23 arrest on the charge resulting in the conviction and
24 the filing of the petition under this Section; and

25 (E) the specific adverse consequences the
26 petitioner may be subject to if the petition is

1 denied.

2 (8) Service of order. After entering an order to
3 expunge or seal records, the court must provide copies of
4 the order to the Illinois State Police, in a form and
5 manner prescribed by the Illinois State Police, to the
6 petitioner, to the State's Attorney or prosecutor charged
7 with the duty of prosecuting the offense, to the arresting
8 agency, to the chief legal officer of the unit of local
9 government effecting the arrest, and to such other
10 criminal justice agencies as may be ordered by the court.

11 (9) Implementation of order.

12 (A) Upon entry of an order to expunge records
13 pursuant to subsection (b) (2) (A) or (b) (2) (B) (ii), or
14 both:

15 (i) the records shall be expunged (as defined
16 in subsection (a) (1) (E)) by the arresting agency,
17 the Illinois State Police, and any other agency as
18 ordered by the court, within 60 days of the date of
19 service of the order, unless a motion to vacate,
20 modify, or reconsider the order is filed pursuant
21 to paragraph (12) of subsection (d) of this
22 Section;

23 (ii) the records of the circuit court clerk
24 shall be impounded until further order of the
25 court upon good cause shown and the name of the
26 petitioner obliterated on the official index

1 required to be kept by the circuit court clerk
2 under Section 16 of the Clerks of Courts Act, but
3 the order shall not affect any index issued by the
4 circuit court clerk before the entry of the order;
5 and

6 (iii) in response to an inquiry for expunged
7 records, the court, the Illinois State Police, or
8 the agency receiving such inquiry, shall reply as
9 it does in response to inquiries when no records
10 ever existed.

11 (B) Upon entry of an order to expunge records
12 pursuant to subsection (b) (2) (B) (i) or (b) (2) (C), or
13 both:

14 (i) the records shall be expunged (as defined
15 in subsection (a) (1) (E)) by the arresting agency
16 and any other agency as ordered by the court,
17 within 60 days of the date of service of the order,
18 unless a motion to vacate, modify, or reconsider
19 the order is filed pursuant to paragraph (12) of
20 subsection (d) of this Section;

21 (ii) the records of the circuit court clerk
22 shall be impounded until further order of the
23 court upon good cause shown and the name of the
24 petitioner obliterated on the official index
25 required to be kept by the circuit court clerk
26 under Section 16 of the Clerks of Courts Act, but

1 the order shall not affect any index issued by the
2 circuit court clerk before the entry of the order;

3 (iii) the records shall be impounded by the
4 Illinois State Police within 60 days of the date
5 of service of the order as ordered by the court,
6 unless a motion to vacate, modify, or reconsider
7 the order is filed pursuant to paragraph (12) of
8 subsection (d) of this Section;

9 (iv) records impounded by the Illinois State
10 Police may be disseminated by the Illinois State
11 Police only as required by law or to the arresting
12 authority, the State's Attorney, and the court
13 upon a later arrest for the same or a similar
14 offense or for the purpose of sentencing for any
15 subsequent felony, and to the Department of
16 Corrections upon conviction for any offense; and

17 (v) in response to an inquiry for such records
18 from anyone not authorized by law to access such
19 records, the court, the Illinois State Police, or
20 the agency receiving such inquiry shall reply as
21 it does in response to inquiries when no records
22 ever existed.

23 (B-5) Upon entry of an order to expunge records
24 under subsection (e-6):

25 (i) the records shall be expunged (as defined
26 in subsection (a)(1)(E)) by the arresting agency

1 and any other agency as ordered by the court,
2 within 60 days of the date of service of the order,
3 unless a motion to vacate, modify, or reconsider
4 the order is filed under paragraph (12) of
5 subsection (d) of this Section;

6 (ii) the records of the circuit court clerk
7 shall be impounded until further order of the
8 court upon good cause shown and the name of the
9 petitioner obliterated on the official index
10 required to be kept by the circuit court clerk
11 under Section 16 of the Clerks of Courts Act, but
12 the order shall not affect any index issued by the
13 circuit court clerk before the entry of the order;

14 (iii) the records shall be impounded by the
15 Illinois State Police within 60 days of the date
16 of service of the order as ordered by the court,
17 unless a motion to vacate, modify, or reconsider
18 the order is filed under paragraph (12) of
19 subsection (d) of this Section;

20 (iv) records impounded by the Illinois State
21 Police may be disseminated by the Illinois State
22 Police only as required by law or to the arresting
23 authority, the State's Attorney, and the court
24 upon a later arrest for the same or a similar
25 offense or for the purpose of sentencing for any
26 subsequent felony, and to the Department of

1 Corrections upon conviction for any offense; and

2 (v) in response to an inquiry for these
3 records from anyone not authorized by law to
4 access the records, the court, the Illinois State
5 Police, or the agency receiving the inquiry shall
6 reply as it does in response to inquiries when no
7 records ever existed.

8 (C) Upon entry of an order to seal records under
9 subsection (c), the arresting agency, any other agency
10 as ordered by the court, the Illinois State Police,
11 and the court shall seal the records (as defined in
12 subsection (a)(1)(K)). In response to an inquiry for
13 such records, from anyone not authorized by law to
14 access such records, the court, the Illinois State
15 Police, or the agency receiving such inquiry shall
16 reply as it does in response to inquiries when no
17 records ever existed.

18 (D) The Illinois State Police shall send written
19 notice to the petitioner of its compliance with each
20 order to expunge or seal records within 60 days of the
21 date of service of that order or, if a motion to
22 vacate, modify, or reconsider is filed, within 60 days
23 of service of the order resolving the motion, if that
24 order requires the Illinois State Police to expunge or
25 seal records. In the event of an appeal from the
26 circuit court order, the Illinois State Police shall

1 send written notice to the petitioner of its
2 compliance with an Appellate Court or Supreme Court
3 judgment to expunge or seal records within 60 days of
4 the issuance of the court's mandate. The notice is not
5 required while any motion to vacate, modify, or
6 reconsider, or any appeal or petition for
7 discretionary appellate review, is pending.

8 (E) Upon motion, the court may order that a sealed
9 judgment or other court record necessary to
10 demonstrate the amount of any legal financial
11 obligation due and owing be made available for the
12 limited purpose of collecting any legal financial
13 obligations owed by the petitioner that were
14 established, imposed, or originated in the criminal
15 proceeding for which those records have been sealed.
16 The records made available under this subparagraph (E)
17 shall not be entered into the official index required
18 to be kept by the circuit court clerk under Section 16
19 of the Clerks of Courts Act and shall be immediately
20 re-impounded upon the collection of the outstanding
21 financial obligations.

22 (F) Notwithstanding any other provision of this
23 Section, a circuit court clerk may access a sealed
24 record for the limited purpose of collecting payment
25 for any legal financial obligations that were
26 established, imposed, or originated in the criminal

1 proceedings for which those records have been sealed.

2 (10) Fees. The Illinois State Police may charge the
3 petitioner a fee equivalent to the cost of processing any
4 order to expunge or seal records. Notwithstanding any
5 provision of the Clerks of Courts Act to the contrary, the
6 circuit court clerk may charge a fee equivalent to the
7 cost associated with the sealing or expungement of records
8 by the circuit court clerk. From the total filing fee
9 collected for the petition to seal or expunge, the circuit
10 court clerk shall deposit \$10 into the Circuit Court Clerk
11 Operation and Administrative Fund, to be used to offset
12 the costs incurred by the circuit court clerk in
13 performing the additional duties required to serve the
14 petition to seal or expunge on all parties. The circuit
15 court clerk shall collect and remit the Illinois State
16 Police portion of the fee to the State Treasurer and it
17 shall be deposited in the State Police Services Fund. If
18 the record brought under an expungement petition was
19 previously sealed under this Section, the fee for the
20 expungement petition for that same record shall be waived.

21 (11) Final Order. No court order issued under the
22 expungement or sealing provisions of this Section shall
23 become final for purposes of appeal until 30 days after
24 service of the order on the petitioner and all parties
25 entitled to notice of the petition.

26 (12) Motion to Vacate, Modify, or Reconsider. Under

1 Section 2-1203 of the Code of Civil Procedure, the
2 petitioner or any party entitled to notice may file a
3 motion to vacate, modify, or reconsider the order granting
4 or denying the petition to expunge or seal within 60 days
5 of service of the order. If filed more than 60 days after
6 service of the order, a petition to vacate, modify, or
7 reconsider shall comply with subsection (c) of Section
8 2-1401 of the Code of Civil Procedure. Upon filing of a
9 motion to vacate, modify, or reconsider, notice of the
10 motion shall be served upon the petitioner and all parties
11 entitled to notice of the petition.

12 (13) Effect of Order. An order granting a petition
13 under the expungement or sealing provisions of this
14 Section shall not be considered void because it fails to
15 comply with the provisions of this Section or because of
16 any error asserted in a motion to vacate, modify, or
17 reconsider. The circuit court retains jurisdiction to
18 determine whether the order is voidable and to vacate,
19 modify, or reconsider its terms based on a motion filed
20 under paragraph (12) of this subsection (d).

21 (14) Compliance with Order Granting Petition to Seal
22 Records. Unless a court has entered a stay of an order
23 granting a petition to seal, all parties entitled to
24 notice of the petition must fully comply with the terms of
25 the order within 60 days of service of the order even if a
26 party is seeking relief from the order through a motion

1 filed under paragraph (12) of this subsection (d) or is
2 appealing the order.

3 (15) Compliance with Order Granting Petition to
4 Expunge Records. While a party is seeking relief from the
5 order granting the petition to expunge through a motion
6 filed under paragraph (12) of this subsection (d) or is
7 appealing the order, and unless a court has entered a stay
8 of that order, the parties entitled to notice of the
9 petition must seal, but need not expunge, the records
10 until there is a final order on the motion for relief or,
11 in the case of an appeal, the issuance of that court's
12 mandate.

13 (16) The changes to this subsection (d) made by Public
14 Act 98-163 apply to all petitions pending on August 5,
15 2013 (the effective date of Public Act 98-163) and to all
16 orders ruling on a petition to expunge or seal on or after
17 August 5, 2013 (the effective date of Public Act 98-163).

18 (e) Whenever a person who has been convicted of an offense
19 is granted a pardon by the Governor which specifically
20 authorizes expungement, he or she may, upon verified petition
21 to the Chief Judge of the circuit where the person had been
22 convicted, any judge of the circuit designated by the Chief
23 Judge, or in counties of less than 3,000,000 inhabitants, the
24 presiding trial judge at the defendant's trial, have a court
25 order entered expunging the record of arrest from the official
26 records of the arresting authority and order that the records

1 of the circuit court clerk and the Illinois State Police be
2 sealed until further order of the court upon good cause shown
3 or as otherwise provided herein, and the name of the defendant
4 obliterated from the official index requested to be kept by
5 the circuit court clerk under Section 16 of the Clerks of
6 Courts Act in connection with the arrest and conviction for
7 the offense for which he or she had been pardoned but the order
8 shall not affect any index issued by the circuit court clerk
9 before the entry of the order. All records sealed by the
10 Illinois State Police may be disseminated by the Illinois
11 State Police only to the arresting authority, the State's
12 Attorney, and the court upon a later arrest for the same or
13 similar offense or for the purpose of sentencing for any
14 subsequent felony. Upon conviction for any subsequent offense,
15 the Department of Corrections shall have access to all sealed
16 records of the Illinois State Police pertaining to that
17 individual. Upon entry of the order of expungement, the
18 circuit court clerk shall promptly mail a copy of the order to
19 the person who was pardoned.

20 (e-5) Whenever a person who has been convicted of an
21 offense is granted a certificate of eligibility for sealing by
22 the Prisoner Review Board which specifically authorizes
23 sealing, he or she may, upon verified petition to the Chief
24 Judge of the circuit where the person had been convicted, any
25 judge of the circuit designated by the Chief Judge, or in
26 counties of less than 3,000,000 inhabitants, the presiding

1 trial judge at the petitioner's trial, have a court order
2 entered sealing the record of arrest from the official records
3 of the arresting authority and order that the records of the
4 circuit court clerk and the Illinois State Police be sealed
5 until further order of the court upon good cause shown or as
6 otherwise provided herein, and the name of the petitioner
7 obliterated from the official index requested to be kept by
8 the circuit court clerk under Section 16 of the Clerks of
9 Courts Act in connection with the arrest and conviction for
10 the offense for which he or she had been granted the
11 certificate but the order shall not affect any index issued by
12 the circuit court clerk before the entry of the order. All
13 records sealed by the Illinois State Police may be
14 disseminated by the Illinois State Police only as required by
15 this Act or to the arresting authority, a law enforcement
16 agency, the State's Attorney, and the court upon a later
17 arrest for the same or similar offense or for the purpose of
18 sentencing for any subsequent felony. Upon conviction for any
19 subsequent offense, the Department of Corrections shall have
20 access to all sealed records of the Illinois State Police
21 pertaining to that individual. Upon entry of the order of
22 sealing, the circuit court clerk shall promptly mail a copy of
23 the order to the person who was granted the certificate of
24 eligibility for sealing.

25 (e-6) Whenever a person who has been convicted of an
26 offense is granted a certificate of eligibility for

1 expungement by the Prisoner Review Board which specifically
2 authorizes expungement, he or she may, upon verified petition
3 to the Chief Judge of the circuit where the person had been
4 convicted, any judge of the circuit designated by the Chief
5 Judge, or in counties of less than 3,000,000 inhabitants, the
6 presiding trial judge at the petitioner's trial, have a court
7 order entered expunging the record of arrest from the official
8 records of the arresting authority and order that the records
9 of the circuit court clerk and the Illinois State Police be
10 sealed until further order of the court upon good cause shown
11 or as otherwise provided herein, and the name of the
12 petitioner obliterated from the official index requested to be
13 kept by the circuit court clerk under Section 16 of the Clerks
14 of Courts Act in connection with the arrest and conviction for
15 the offense for which he or she had been granted the
16 certificate but the order shall not affect any index issued by
17 the circuit court clerk before the entry of the order. All
18 records sealed by the Illinois State Police may be
19 disseminated by the Illinois State Police only as required by
20 this Act or to the arresting authority, a law enforcement
21 agency, the State's Attorney, and the court upon a later
22 arrest for the same or similar offense or for the purpose of
23 sentencing for any subsequent felony. Upon conviction for any
24 subsequent offense, the Department of Corrections shall have
25 access to all expunged records of the Illinois State Police
26 pertaining to that individual. Upon entry of the order of

1 expungement, the circuit court clerk shall promptly mail a
2 copy of the order to the person who was granted the certificate
3 of eligibility for expungement.

4 (f) Subject to available funding, the Illinois Department
5 of Corrections shall conduct a study of the impact of sealing,
6 especially on employment and recidivism rates, utilizing a
7 random sample of those who apply for the sealing of their
8 criminal records under Public Act 93-211. At the request of
9 the Illinois Department of Corrections, records of the
10 Illinois Department of Employment Security shall be utilized
11 as appropriate to assist in the study. The study shall not
12 disclose any data in a manner that would allow the
13 identification of any particular individual or employing unit.
14 The study shall be made available to the General Assembly no
15 later than September 1, 2010.

16 (g) Immediate Sealing.

17 (1) Applicability. Notwithstanding any other provision
18 of this Act to the contrary, and cumulative with any
19 rights to expungement or sealing of criminal records, this
20 subsection authorizes the immediate sealing of criminal
21 records of adults and of minors prosecuted as adults.

22 (2) Eligible Records. Arrests or charges not initiated
23 by arrest resulting in acquittal or dismissal with
24 prejudice, except as excluded by subsection (a)(3)(B),
25 that occur on or after January 1, 2018 (the effective date
26 of Public Act 100-282), may be sealed immediately if the

1 petition is filed with the circuit court clerk on the same
2 day and during the same hearing in which the case is
3 disposed.

4 (3) When Records are Eligible to be Immediately
5 Sealed. Eligible records under paragraph (2) of this
6 subsection (g) may be sealed immediately after entry of
7 the final disposition of a case, notwithstanding the
8 disposition of other charges in the same case.

9 (4) Notice of Eligibility for Immediate Sealing. Upon
10 entry of a disposition for an eligible record under this
11 subsection (g), the defendant shall be informed by the
12 court of his or her right to have eligible records
13 immediately sealed and the procedure for the immediate
14 sealing of these records.

15 (5) Procedure. The following procedures apply to
16 immediate sealing under this subsection (g).

17 (A) Filing the Petition. Upon entry of the final
18 disposition of the case, the defendant's attorney may
19 immediately petition the court, on behalf of the
20 defendant, for immediate sealing of eligible records
21 under paragraph (2) of this subsection (g) that are
22 entered on or after January 1, 2018 (the effective
23 date of Public Act 100-282). The immediate sealing
24 petition may be filed with the circuit court clerk
25 during the hearing in which the final disposition of
26 the case is entered. If the defendant's attorney does

1 not file the petition for immediate sealing during the
2 hearing, the defendant may file a petition for sealing
3 at any time as authorized under subsection (c) (3) (A).

4 (B) Contents of Petition. The immediate sealing
5 petition shall be verified and shall contain the
6 petitioner's name, date of birth, current address, and
7 for each eligible record, the case number, the date of
8 arrest if applicable, the identity of the arresting
9 authority if applicable, and other information as the
10 court may require.

11 (C) Drug Test. The petitioner shall not be
12 required to attach proof that he or she has passed a
13 drug test.

14 (D) Service of Petition. A copy of the petition
15 shall be served on the State's Attorney in open court.
16 The petitioner shall not be required to serve a copy of
17 the petition on any other agency.

18 (E) Entry of Order. The presiding trial judge
19 shall enter an order granting or denying the petition
20 for immediate sealing during the hearing in which it
21 is filed. Petitions for immediate sealing shall be
22 ruled on in the same hearing in which the final
23 disposition of the case is entered.

24 (F) Hearings. The court shall hear the petition
25 for immediate sealing on the same day and during the
26 same hearing in which the disposition is rendered.

1 (G) Service of Order. An order to immediately seal
2 eligible records shall be served in conformance with
3 subsection (d) (8).

4 (H) Implementation of Order. An order to
5 immediately seal records shall be implemented in
6 conformance with subsections (d) (9) (C) and (d) (9) (D).

7 (I) Fees. The fee imposed by the circuit court
8 clerk and the Illinois State Police shall comply with
9 paragraph (1) of subsection (d) of this Section.

10 (J) Final Order. No court order issued under this
11 subsection (g) shall become final for purposes of
12 appeal until 30 days after service of the order on the
13 petitioner and all parties entitled to service of the
14 order in conformance with subsection (d) (8).

15 (K) Motion to Vacate, Modify, or Reconsider. Under
16 Section 2-1203 of the Code of Civil Procedure, the
17 petitioner, State's Attorney, or the Illinois State
18 Police may file a motion to vacate, modify, or
19 reconsider the order denying the petition to
20 immediately seal within 60 days of service of the
21 order. If filed more than 60 days after service of the
22 order, a petition to vacate, modify, or reconsider
23 shall comply with subsection (c) of Section 2-1401 of
24 the Code of Civil Procedure.

25 (L) Effect of Order. An order granting an
26 immediate sealing petition shall not be considered

1 void because it fails to comply with the provisions of
2 this Section or because of an error asserted in a
3 motion to vacate, modify, or reconsider. The circuit
4 court retains jurisdiction to determine whether the
5 order is voidable, and to vacate, modify, or
6 reconsider its terms based on a motion filed under
7 subparagraph (L) of this subsection (g).

8 (M) Compliance with Order Granting Petition to
9 Seal Records. Unless a court has entered a stay of an
10 order granting a petition to immediately seal, all
11 parties entitled to service of the order must fully
12 comply with the terms of the order within 60 days of
13 service of the order.

14 (h) Sealing or vacation and expungement of trafficking
15 victims' crimes.

16 (1) A trafficking victim, as defined by paragraph (10)
17 of subsection (a) of Section 10-9 of the Criminal Code of
18 2012, may petition for vacation and expungement or
19 immediate sealing of his or her criminal record upon the
20 completion of his or her last sentence if his or her
21 participation in the underlying offense was a result of
22 human trafficking under Section 10-9 of the Criminal Code
23 of 2012 or a severe form of trafficking under the federal
24 Trafficking Victims Protection Act.

25 (1.5) A petition under paragraph (1) shall be
26 prepared, signed, and filed in accordance with Supreme

1 Court Rule 9. The court may allow the petitioner to attend
2 any required hearing remotely in accordance with local
3 rules. The court may allow a petition to be filed under
4 seal if the public filing of the petition would constitute
5 a risk of harm to the petitioner.

6 (2) A petitioner under this subsection (h), in
7 addition to the requirements provided under paragraph (4)
8 of subsection (d) of this Section, shall include in his or
9 her petition a clear and concise statement that: (A) he or
10 she was a victim of human trafficking at the time of the
11 offense; and (B) that his or her participation in the
12 offense was a result of human trafficking under Section
13 10-9 of the Criminal Code of 2012 or a severe form of
14 trafficking under the federal Trafficking Victims
15 Protection Act.

16 (3) If an objection is filed alleging that the
17 petitioner is not entitled to vacation and expungement or
18 immediate sealing under this subsection (h), the court
19 shall conduct a hearing under paragraph (7) of subsection
20 (d) of this Section and the court shall determine whether
21 the petitioner is entitled to vacation and expungement or
22 immediate sealing under this subsection (h). A petitioner
23 is eligible for vacation and expungement or immediate
24 relief under this subsection (h) if he or she shows, by a
25 preponderance of the evidence, that: (A) he or she was a
26 victim of human trafficking at the time of the offense;

1 and (B) that his or her participation in the offense was a
2 result of human trafficking under Section 10-9 of the
3 Criminal Code of 2012 or a severe form of trafficking
4 under the federal Trafficking Victims Protection Act.

5 (i) Minor Cannabis Offenses under the Cannabis Control
6 Act.

7 (1) Expungement of Arrest Records of Minor Cannabis
8 Offenses.

9 (A) The Illinois State Police and all law
10 enforcement agencies within the State shall
11 automatically expunge all criminal history records of
12 an arrest, charge not initiated by arrest, order of
13 supervision, or order of qualified probation for a
14 Minor Cannabis Offense committed prior to June 25,
15 2019 (the effective date of Public Act 101-27) if:

16 (i) One year or more has elapsed since the
17 date of the arrest or law enforcement interaction
18 documented in the records; and

19 (ii) No criminal charges were filed relating
20 to the arrest or law enforcement interaction or
21 criminal charges were filed and subsequently
22 dismissed or vacated or the arrestee was
23 acquitted.

24 (B) If the law enforcement agency is unable to
25 verify satisfaction of condition (ii) in paragraph
26 (A), records that satisfy condition (i) in paragraph

1 (A) shall be automatically expunged.

2 (C) Records shall be expunged by the law
3 enforcement agency under the following timelines:

4 (i) Records created prior to June 25, 2019
5 (the effective date of Public Act 101-27), but on
6 or after January 1, 2013, shall be automatically
7 expunged prior to January 1, 2021;

8 (ii) Records created prior to January 1, 2013,
9 but on or after January 1, 2000, shall be
10 automatically expunged prior to January 1, 2023;

11 (iii) Records created prior to January 1, 2000
12 shall be automatically expunged prior to January
13 1, 2025.

14 In response to an inquiry for expunged records,
15 the law enforcement agency receiving such inquiry
16 shall reply as it does in response to inquiries when no
17 records ever existed; however, it shall provide a
18 certificate of disposition or confirmation that the
19 record was expunged to the individual whose record was
20 expunged if such a record exists.

21 (D) Nothing in this Section shall be construed to
22 restrict or modify an individual's right to have that
23 individual's records expunged except as otherwise may
24 be provided in this Act, or diminish or abrogate any
25 rights or remedies otherwise available to the
26 individual.

1 (2) Pardons Authorizing Expungement of Minor Cannabis
2 Offenses.

3 (A) Upon June 25, 2019 (the effective date of
4 Public Act 101-27), the Department of State Police
5 shall review all criminal history record information
6 and identify all records that meet all of the
7 following criteria:

8 (i) one or more convictions for a Minor
9 Cannabis Offense;

10 (ii) the conviction identified in paragraph
11 (2) (A) (i) did not include a penalty enhancement
12 under Section 7 of the Cannabis Control Act; and

13 (iii) the conviction identified in paragraph
14 (2) (A) (i) is not associated with a conviction for
15 a violent crime as defined in subsection (c) of
16 Section 3 of the Rights of Crime Victims and
17 Witnesses Act.

18 (B) Within 180 days after June 25, 2019 (the
19 effective date of Public Act 101-27), the Department
20 of State Police shall notify the Prisoner Review Board
21 of all such records that meet the criteria established
22 in paragraph (2) (A).

23 (i) The Prisoner Review Board shall notify the
24 State's Attorney of the county of conviction of
25 each record identified by State Police in
26 paragraph (2) (A) that is classified as a Class 4

1 felony. The State's Attorney may provide a written
2 objection to the Prisoner Review Board on the sole
3 basis that the record identified does not meet the
4 criteria established in paragraph (2) (A). Such an
5 objection must be filed within 60 days or by such
6 later date set by the Prisoner Review Board in the
7 notice after the State's Attorney received notice
8 from the Prisoner Review Board.

9 (ii) In response to a written objection from a
10 State's Attorney, the Prisoner Review Board is
11 authorized to conduct a non-public hearing to
12 evaluate the information provided in the
13 objection.

14 (iii) The Prisoner Review Board shall make a
15 confidential and privileged recommendation to the
16 Governor as to whether to grant a pardon
17 authorizing expungement for each of the records
18 identified by the Department of State Police as
19 described in paragraph (2) (A).

20 (C) If an individual has been granted a pardon
21 authorizing expungement as described in this Section,
22 the Prisoner Review Board, through the Attorney
23 General, shall file a petition for expungement with
24 the Chief Judge of the circuit or any judge of the
25 circuit designated by the Chief Judge where the
26 individual had been convicted. Such petition may

1 include more than one individual. Whenever an
2 individual who has been convicted of an offense is
3 granted a pardon by the Governor that specifically
4 authorizes expungement, an objection to the petition
5 may not be filed. Petitions to expunge under this
6 subsection (i) may include more than one individual.
7 Within 90 days of the filing of such a petition, the
8 court shall enter an order expunging the records of
9 arrest from the official records of the arresting
10 authority and order that the records of the circuit
11 court clerk and the Illinois State Police be expunged
12 and the name of the defendant obliterated from the
13 official index requested to be kept by the circuit
14 court clerk under Section 16 of the Clerks of Courts
15 Act in connection with the arrest and conviction for
16 the offense for which the individual had received a
17 pardon but the order shall not affect any index issued
18 by the circuit court clerk before the entry of the
19 order. Upon entry of the order of expungement, the
20 circuit court clerk shall promptly provide a copy of
21 the order and a certificate of disposition to the
22 individual who was pardoned to the individual's last
23 known address or by electronic means (if available) or
24 otherwise make it available to the individual upon
25 request.

26 (D) Nothing in this Section is intended to

1 diminish or abrogate any rights or remedies otherwise
2 available to the individual.

3 (3) Any individual may file a motion to vacate and
4 expunge a conviction for a misdemeanor or Class 4 felony
5 violation of Section 4 or Section 5 of the Cannabis
6 Control Act. Motions to vacate and expunge under this
7 subsection (i) may be filed with the circuit court, Chief
8 Judge of a judicial circuit or any judge of the circuit
9 designated by the Chief Judge. The circuit court clerk
10 shall promptly serve a copy of the motion to vacate and
11 expunge, and any supporting documentation, on the State's
12 Attorney or prosecutor charged with the duty of
13 prosecuting the offense. When considering such a motion to
14 vacate and expunge, a court shall consider the following:
15 the reasons to retain the records provided by law
16 enforcement, the petitioner's age, the petitioner's age at
17 the time of offense, the time since the conviction, and
18 the specific adverse consequences if denied. An individual
19 may file such a petition after the completion of any
20 non-financial sentence or non-financial condition imposed
21 by the conviction. Within 60 days of the filing of such
22 motion, a State's Attorney may file an objection to such a
23 petition along with supporting evidence. If a motion to
24 vacate and expunge is granted, the records shall be
25 expunged in accordance with subparagraphs (d)(8) and
26 (d)(9)(A) of this Section. An agency providing civil legal

1 aid, as defined by Section 15 of the Public Interest
2 Attorney Assistance Act, assisting individuals seeking to
3 file a motion to vacate and expunge under this subsection
4 may file motions to vacate and expunge with the Chief
5 Judge of a judicial circuit or any judge of the circuit
6 designated by the Chief Judge, and the motion may include
7 more than one individual. Motions filed by an agency
8 providing civil legal aid concerning more than one
9 individual may be prepared, presented, and signed
10 electronically.

11 (4) Any State's Attorney may file a motion to vacate
12 and expunge a conviction for a misdemeanor or Class 4
13 felony violation of Section 4 or Section 5 of the Cannabis
14 Control Act. Motions to vacate and expunge under this
15 subsection (i) may be filed with the circuit court, Chief
16 Judge of a judicial circuit or any judge of the circuit
17 designated by the Chief Judge, and may include more than
18 one individual. Motions filed by a State's Attorney
19 concerning more than one individual may be prepared,
20 presented, and signed electronically. When considering
21 such a motion to vacate and expunge, a court shall
22 consider the following: the reasons to retain the records
23 provided by law enforcement, the individual's age, the
24 individual's age at the time of offense, the time since
25 the conviction, and the specific adverse consequences if
26 denied. Upon entry of an order granting a motion to vacate

1 and expunge records pursuant to this Section, the State's
2 Attorney shall notify the Prisoner Review Board within 30
3 days. Upon entry of the order of expungement, the circuit
4 court clerk shall promptly provide a copy of the order and
5 a certificate of disposition to the individual whose
6 records will be expunged to the individual's last known
7 address or by electronic means (if available) or otherwise
8 make available to the individual upon request. If a motion
9 to vacate and expunge is granted, the records shall be
10 expunged in accordance with subparagraphs (d)(8) and
11 (d)(9)(A) of this Section.

12 (5) In the public interest, the State's Attorney of a
13 county has standing to file motions to vacate and expunge
14 pursuant to this Section in the circuit court with
15 jurisdiction over the underlying conviction.

16 (6) If a person is arrested for a Minor Cannabis
17 Offense as defined in this Section before June 25, 2019
18 (the effective date of Public Act 101-27) and the person's
19 case is still pending but a sentence has not been imposed,
20 the person may petition the court in which the charges are
21 pending for an order to summarily dismiss those charges
22 against him or her, and expunge all official records of
23 his or her arrest, plea, trial, conviction, incarceration,
24 supervision, or expungement. If the court determines, upon
25 review, that: (A) the person was arrested before June 25,
26 2019 (the effective date of Public Act 101-27) for an

1 offense that has been made eligible for expungement; (B)
2 the case is pending at the time; and (C) the person has not
3 been sentenced of the minor cannabis violation eligible
4 for expungement under this subsection, the court shall
5 consider the following: the reasons to retain the records
6 provided by law enforcement, the petitioner's age, the
7 petitioner's age at the time of offense, the time since
8 the conviction, and the specific adverse consequences if
9 denied. If a motion to dismiss and expunge is granted, the
10 records shall be expunged in accordance with subparagraph
11 (d) (9) (A) of this Section.

12 (7) A person imprisoned solely as a result of one or
13 more convictions for Minor Cannabis Offenses under this
14 subsection (i) shall be released from incarceration upon
15 the issuance of an order under this subsection.

16 (8) The Illinois State Police shall allow a person to
17 use the access and review process, established in the
18 Illinois State Police, for verifying that his or her
19 records relating to Minor Cannabis Offenses of the
20 Cannabis Control Act eligible under this Section have been
21 expunged.

22 (9) No conviction vacated pursuant to this Section
23 shall serve as the basis for damages for time unjustly
24 served as provided in the Court of Claims Act.

25 (10) Effect of Expungement. A person's right to
26 expunge an expungeable offense shall not be limited under

1 this Section. The effect of an order of expungement shall
2 be to restore the person to the status he or she occupied
3 before the arrest, charge, or conviction.

4 (11) Information. The Illinois State Police shall post
5 general information on its website about the expungement
6 process described in this subsection (i).

7 (j) Felony Prostitution Convictions.

8 (1) Automatic Sealing of Felony Prostitution Arrests.

9 (A) The Illinois State Police and local law
10 enforcement agencies within the State shall
11 automatically seal the law enforcement records
12 relating to a person's Class 4 felony arrests and
13 charges not initiated by arrest for prostitution if
14 that arrest or charge not initiated by arrest is
15 eligible for sealing under paragraph (2) of subsection
16 (c).

17 (B) In the absence of a court order or upon the
18 order of a court, the clerk of the circuit court shall
19 automatically seal the court records and case files
20 relating to a person's Class 4 felony arrests and
21 charges not initiated by arrest for prostitution if
22 that arrest or charge not initiated by arrest is
23 eligible for sealing under paragraph (2) of subsection

25 (C) The automatic sealing described in this
26 paragraph (1) shall be completed no later than January

1 1, 2028.

2 (2) Automatic Sealing of Felony Prostitution
3 Convictions.

4 (A) The Illinois State Police and local law
5 enforcement agencies within the State shall

7 relating to a person's Class 4 felony conviction for
8 prostitution if those records are eligible for sealing
9 under paragraph (2) of subsection (c).

10 (B) In the absence of a court order or upon the
11 order of a court, the clerk of the circuit court shall
12 automatically seal the court records relating to a
13 person's Class 4 felony conviction for prostitution if
14 those records are eligible for sealing under paragraph
15 (2) of subsection (c).

16 (C) The automatic sealing of records described in
17 this paragraph (2) shall be completed no later than
18 January 1, 2028.

19 (3) Motions to Vacate and Expunge Felony Prostitution
20 Convictions. Any individual may file a motion to vacate
21 and expunge a conviction for a prior Class 4 felony
22 violation of prostitution. Motions to vacate and expunge
23 under this subsection (j) may be filed with the circuit
24 court, Chief Judge of a judicial circuit, or any judge of
25 the circuit designated by the Chief Judge. When
26 considering the motion to vacate and expunge, a court

1 shall consider the following:

2 (A) the reasons to retain the records provided by
3 law enforcement;

4 (B) the petitioner's age;

5 (C) the petitioner's age at the time of offense;
6 and

7 (D) the time since the conviction, and the
8 specific adverse consequences if denied. An individual
9 may file the petition after the completion of any
10 sentence or condition imposed by the conviction.
11 Within 60 days of the filing of the motion, a State's
12 Attorney may file an objection to the petition along
13 with supporting evidence. If a motion to vacate and
14 expunge is granted, the records shall be expunged in
15 accordance with subparagraph (d)(9)(A) of this
16 Section. An agency providing civil legal aid, as
17 defined in Section 15 of the Public Interest Attorney
18 Assistance Act, assisting individuals seeking to file
19 a motion to vacate and expunge under this subsection

15 notify the Prisoner Review Board within 30 days of the
16 filing. If a motion to vacate and expunge is granted, the
17 records shall be expunged in accordance with subparagraph
18 (d) (9) (A) of this Section.

19 (5) In the public interest, the State's Attorney of a
20 county has standing to file motions to vacate and expunge
21 pursuant to this Section in the circuit court with
22 jurisdiction over the underlying conviction.

23 (6) The Illinois State Police shall allow a person to

18 (a) General Provisions.

19 (1) Definitions. In this Act, words and phrases have
20 the meanings set forth in this subsection, except when a
21 particular context clearly requires a different meaning.

22 (A) The following terms shall have the meanings
23 ascribed to them in the following Sections of the
24 Unified Code of Corrections:

25 Business Offense, Section 5-1-2.

1 Charge, Section 5-1-3.
2 Court, Section 5-1-6.
3 Defendant, Section 5-1-7.
4 Felony, Section 5-1-9.
5 Imprisonment, Section 5-1-10.
6 Judgment, Section 5-1-12.
7 Misdemeanor, Section 5-1-14.
8 Offense, Section 5-1-15.
9 Parole, Section 5-1-16.
10 Petty Offense, Section 5-1-17.
11 Probation, Section 5-1-18.
12 Sentence, Section 5-1-19.
13 Supervision, Section 5-1-21.
14 Victim, Section 5-1-22.

15 (B) As used in this Section, "charge not initiated
16 by arrest" means a charge (as defined by Section 5-1-3
17 of the Unified Code of Corrections) brought against a
18 defendant where the defendant is not arrested prior to
19 or as a direct result of the charge.

20 (C) "Conviction" means a judgment of conviction or
21 sentence entered upon a plea of guilty or upon a
22 verdict or finding of guilty of an offense, rendered
23 by a legally constituted jury or by a court of
24 competent jurisdiction authorized to try the case
25 without a jury. An order of supervision successfully
26 completed by the petitioner is not a conviction. An

1 order of qualified probation (as defined in subsection
2 (a) (1) (J)) successfully completed by the petitioner is
3 not a conviction. An order of supervision or an order
4 of qualified probation that is terminated
5 unsatisfactorily is a conviction, unless the
6 unsatisfactory termination is reversed, vacated, or
7 modified and the judgment of conviction, if any, is
8 reversed or vacated.

9 (D) "Criminal offense" means a petty offense,
10 business offense, misdemeanor, felony, or municipal
11 ordinance violation (as defined in subsection
12 (a) (1) (H)). As used in this Section, a minor traffic

20 court file, but such records relating to arrests or
21 charges, or both, ordered expunged shall be impounded
22 as required by subsections (d) (9) (A) (ii) and
23 (d) (9) (B) (ii).

24 (F) As used in this Section, "last sentence" means
25 the sentence, order of supervision, or order of
26 qualified probation (as defined by subsection

1 (a)(1)(J)), for a criminal offense (as defined by
2 subsection (a)(1)(D)) that terminates last in time in
3 any jurisdiction, regardless of whether the petitioner
4 has included the criminal offense for which the
5 sentence or order of supervision or qualified
6 probation was imposed in his or her petition. If
7 multiple sentences, orders of supervision, or orders
8 of qualified probation terminate on the same day and
9 are last in time, they shall be collectively
10 considered the "last sentence" regardless of whether
11 they were ordered to run concurrently.

12 (G) "Minor traffic offense" means a petty offense,
13 business offense, or Class C misdemeanor under the
14 Illinois Vehicle Code or a similar provision of a
15 municipal or local ordinance.

16 (G-5) "Minor Cannabis Offense" means a violation
17 of Section 4 or 5 of the Cannabis Control Act
18 concerning not more than 30 grams of any substance
19 containing cannabis, provided the violation did not
20 include a penalty enhancement under Section 7 of the
21 Cannabis Control Act and is not associated with an
22 arrest, conviction or other disposition for a violent
23 crime as defined in subsection (c) of Section 3 of the
24 Rights of Crime Victims and Witnesses Act.

25 (H) "Municipal ordinance violation" means an
26 offense defined by a municipal or local ordinance that

1 is criminal in nature and with which the petitioner
2 was charged or for which the petitioner was arrested

5 prosecuted as an adult who has applied for relief
6 under this Section.

7 (J) "Qualified probation" means an order of
8 probation under Section 10 of the Cannabis Control
9 Act, Section 410 of the Illinois Controlled Substances
10 Act, Section 70 of the Methamphetamine Control and
11 Community Protection Act, Section 5-6-3.3 or 5-6-3.4
12 of the Unified Code of Corrections, Section
13 12-4.3(b)(1) and (2) of the Criminal Code of 1961 (as
14 those provisions existed before their deletion by
15 Public Act 89-313), Section 10-102 of the Illinois
16 Alcoholism and Other Drug Dependency Act, Section
17 40-10 of the Substance Use Disorder Act, or Section 10
18 of the Steroid Control Act. For the purpose of this
19 Section, "successful completion" of an order of
20 qualified probation under Section 10-102 of the
21 Illinois Alcoholism and Other Drug Dependency Act and
22 Section 40-10 of the Substance Use Disorder Act means
23 that the probation was terminated satisfactorily and
24 the judgment of conviction was vacated.

25 (K) (i) Except as provided in subdivision (ii),
26 "seal" means to physically and electronically maintain

1 the records, unless the records would otherwise be
2 destroyed due to age, but to make the records
3 unavailable without a court order, subject to the
4 exceptions in Sections 12 and 13 of this Act. The
5 petitioner's name shall also be obliterated from the
6 official index required to be kept by the circuit
7 court clerk under Section 16 of the Clerks of Courts
8 Act, but any index issued by the circuit court clerk
9 before the entry of the order to seal shall not be
10 affected.

11 (ii) For records subject to relief under
12 subsection (k) of this Section, "seal" means to
13 physically and electronically maintain the records,
14 unless the records would otherwise be destroyed due to
15 age, but to have the records impounded, as defined in
16 paragraph (2) of subsection (b) of Section 5 of the
17 Court Record and Document Accessibility Act. The
18 defendant's name shall also be obliterated from the
19 official index required to be kept by the circuit
20 court clerk under Section 16 of the Clerks of Courts
21 Act. Upon request, and without court order, the
22 circuit court clerk shall provide to the Illinois
23 State Police the disposition information for any
24 record that was ordered to be sealed or impounded
25 pursuant to this Section.

26 (L) "Sexual offense committed against a minor"

1 includes, but is not limited to, the offenses of
2 indecent solicitation of a child or criminal sexual
3 abuse when the victim of such offense is under 18 years
4 of age.

5 (M) "Terminate" as it relates to a sentence or
6 order of supervision or qualified probation includes
7 either satisfactory or unsatisfactory termination of
8 the sentence, unless otherwise specified in this
9 Section. A sentence is terminated notwithstanding any
10 outstanding financial legal obligation.

11 (2) Minor Traffic Offenses. Orders of supervision or
12 convictions for minor traffic offenses shall not affect a
13 petitioner's eligibility to expunge or seal records
14 pursuant to this Section.

15 (2.5) Commencing 180 days after July 29, 2016 (the
16 effective date of Public Act 99-697), the law enforcement
17 agency issuing the citation shall automatically expunge,
18 on or before January 1 and July 1 of each year, the law
19 enforcement records of a person found to have committed a
20 civil law violation of subsection (a) of Section 4 of the
21 Cannabis Control Act or subsection (c) of Section 3.5 of
22 the Drug Paraphernalia Control Act in the law enforcement
23 agency's possession or control and which contains the
24 final satisfactory disposition which pertain to the person
25 issued a citation for that offense. The law enforcement
26 agency shall provide by rule the process for access,

1 review, and to confirm the automatic expungement by the
2 law enforcement agency issuing the citation. Commencing
3 180 days after July 29, 2016 (the effective date of Public
4 Act 99-697), the clerk of the circuit court shall expunge,
5 upon order of the court, or in the absence of a court order
6 on or before January 1 and July 1 of each year, the court
7 records of a person found in the circuit court to have
8 committed a civil law violation of subsection (a) of
9 Section 4 of the Cannabis Control Act or subsection (c) of
10 Section 3.5 of the Drug Paraphernalia Control Act in the
11 clerk's possession or control and which contains the final
12 satisfactory disposition which pertain to the person
13 issued a citation for any of those offenses.

14 (3) Exclusions. Except as otherwise provided in
15 subsections (b) (5), (b) (6), (b) (8), (e), (e-5), and (e-6)
16 of this Section, the court shall not order:

17 (A) the sealing or expungement of the records of
18 arrests or charges not initiated by arrest that result
19 in an order of supervision for or conviction of: (i)
20 any sexual offense committed against a minor; (ii)
21 Section 11-501 of the Illinois Vehicle Code or a
22 similar provision of a local ordinance; or (iii)
23 Section 11-503 of the Illinois Vehicle Code or a
24 similar provision of a local ordinance, unless the
25 arrest or charge is for a misdemeanor violation of
26 subsection (a) of Section 11-503 or a similar

1 provision of a local ordinance, that occurred prior to
2 the offender reaching the age of 25 years and the
3 offender has no other conviction for violating Section
4 11-501 or 11-503 of the Illinois Vehicle Code or a
5 similar provision of a local ordinance.

6 (B) the sealing or expungement of records of minor
7 traffic offenses (as defined in subsection (a)(1)(G)),
8 unless the petitioner was arrested and released
9 without charging.

10 (C) the sealing of the records of arrests or
11 charges not initiated by arrest which result in an
12 order of supervision or a conviction for the following
13 offenses:

14 (i) offenses included in Article 11 of the
15 Criminal Code of 1961 or the Criminal Code of 2012
16 or a similar provision of a local ordinance,
17 except Section 11-14 and a misdemeanor violation
18 of Section 11-30 of the Criminal Code of 1961 or
19 the Criminal Code of 2012, or a similar provision
20 of a local ordinance;

21 (ii) Section 11-1.50, 12-3.4, 12-15, 12-30,
22 26-5, or 48-1 of the Criminal Code of 1961 or the
23 Criminal Code of 2012, or a similar provision of a
24 local ordinance;

25 (iii) Section 12-3.1 or 12-3.2 of the Criminal
26 Code of 1961 or the Criminal Code of 2012, or

1 Section 125 of the Stalking No Contact Order Act,
2 or Section 219 of the Civil No Contact Order Act,
3 or a similar provision of a local ordinance;

4 (iv) Class A misdemeanors or felony offenses
5 under the Humane Care for Animals Act; or

6 (v) any offense or attempted offense that
7 would subject a person to registration under the
8 Sex Offender Registration Act.

9 (D) (blank).

10 (b) Expungement.

11 (1) A petitioner may petition the circuit court to
12 expunge the records of his or her arrests and charges not
13 initiated by arrest when each arrest or charge not
14 initiated by arrest sought to be expunged resulted in: (i)
15 acquittal, dismissal, or the petitioner's release without
16 charging, unless excluded by subsection (a)(3)(B); (ii) a
17 conviction which was vacated or reversed, unless excluded
18 by subsection (a)(3)(B); (iii) an order of supervision and
19 such supervision was successfully completed by the
20 petitioner, unless excluded by subsection (a)(3)(A) or
21 (a)(3)(B); or (iv) an order of qualified probation (as
22 defined in subsection (a)(1)(J)) and such probation was
23 successfully completed by the petitioner.

24 (1.5) When a petitioner seeks to have a record of
25 arrest expunged under this Section, and the petitioner has
26 been convicted of a criminal offense, the State's Attorney

1 may object to the expungement on the grounds that the
2 records contain specific relevant information aside from
3 the mere fact of the arrest.

4 (2) Time frame for filing a petition to expunge.

5 (A) When the arrest or charge not initiated by
6 arrest sought to be expunged resulted in an acquittal,
7 dismissal, the petitioner's release without charging,
8 or the reversal or vacation of a conviction, there is
9 no waiting period to petition for the expungement of
10 such records.

11 (A-5) In anticipation of the successful completion
12 of a problem-solving court, pre-plea diversion, or
13 post-plea diversion program, a petition for
14 expungement may be filed 61 days before the
15 anticipated dismissal of the case or any time
16 thereafter. Upon successful completion of the program
17 and dismissal of the case, the court shall review the
18 petition of the person graduating from the program and
19 shall grant expungement if the petitioner meets all
20 requirements as specified in any applicable statute.

21 (B) When the arrest or charge not initiated by
22 arrest sought to be expunged resulted in an order of
23 supervision, successfully completed by the petitioner,
24 the following time frames will apply:

25 (i) Those arrests or charges that resulted in
26 orders of supervision under Section 3-707, 3-708,

1 3-710, or 5-401.3 of the Illinois Vehicle Code or
2 a similar provision of a local ordinance, or under
3 Section 11-1.50, 12-3.2, or 12-15 of the Criminal
4 Code of 1961 or the Criminal Code of 2012, or a
5 similar provision of a local ordinance, shall not
6 be eligible for expungement until 5 years have
7 passed following the satisfactory termination of
8 the supervision.

9 (i-5) Those arrests or charges that resulted
10 in orders of supervision for a misdemeanor
11 violation of subsection (a) of Section 11-503 of
12 the Illinois Vehicle Code or a similar provision
13 of a local ordinance, that occurred prior to the
14 petitioner reaching the age of 25 years and the
15 petitioner has no other conviction for violating
16 Section 11-501 or 11-503 of the Illinois Vehicle
17 Code or a similar provision of a local ordinance
18 shall not be eligible for expungement until the
19 petitioner has reached the age of 25 years.

20 (ii) Those arrests or charges that resulted in
21 orders of supervision for any other offenses shall
22 not be eligible for expungement until 2 years have
23 passed following the satisfactory termination of
24 the supervision.

25 (C) When the arrest or charge not initiated by
26 arrest sought to be expunged resulted in an order of

1 qualified probation, successfully completed by the
2 petitioner, such records shall not be eligible for
3 expungement until 5 years have passed following the
4 satisfactory termination of the probation.

5 (3) Those records maintained by the Illinois State
6 Police for persons arrested prior to their 17th birthday
7 shall be expunged as provided in Section 5-915 of the
8 Juvenile Court Act of 1987.

9 (4) Whenever a person has been arrested for or
10 convicted of any offense, in the name of a person whose
11 identity he or she has stolen or otherwise come into
12 possession of, the aggrieved person from whom the identity
13 was stolen or otherwise obtained without authorization,
14 upon learning of the person having been arrested using his
15 or her identity, may, upon verified petition to the chief
16 judge of the circuit wherein the arrest was made, have a
17 court order entered nunc pro tunc by the Chief Judge to
18 correct the arrest record, conviction record, if any, and
19 all official records of the arresting authority, the
20 Illinois State Police, other criminal justice agencies,
21 the prosecutor, and the trial court concerning such
22 arrest, if any, by removing his or her name from all such
23 records in connection with the arrest and conviction, if
24 any, and by inserting in the records the name of the
25 petitioner, if known or ascertainable, in lieu of the
26 aggrieved's name. The records of the circuit court clerk

1 shall be sealed until further order of the court upon good
2 cause shown and the name of the aggrieved person
3 obliterated on the official index required to be kept by
4 the circuit court clerk under Section 16 of the Clerks of
5 Courts Act, but the order shall not affect any index
6 issued by the circuit court clerk before the entry of the
7 order. Nothing in this Section shall limit the Illinois
8 State Police or other criminal justice agencies or
9 prosecutors from listing under a petitioner's name the
10 false names he or she has used.

11 (5) Whenever a person has been convicted of criminal
12 sexual assault, aggravated criminal sexual assault,
13 predatory criminal sexual assault of a child, criminal
14 sexual abuse, or aggravated criminal sexual abuse, the
15 victim of that offense may request that the State's
16 Attorney of the county in which the conviction occurred
17 file a verified petition with the presiding trial judge at
18 the petitioner's trial to have a court order entered to
19 seal the records of the circuit court clerk in connection
20 with the proceedings of the trial court concerning that
21 offense. However, the records of the arresting authority
22 and the Illinois State Police concerning the offense shall
23 not be sealed. The court, upon good cause shown, shall
24 make the records of the circuit court clerk in connection
25 with the proceedings of the trial court concerning the
26 offense available for public inspection.

1 (6) If a conviction has been set aside on direct
2 review or on collateral attack and the court determines by
3 clear and convincing evidence that the petitioner was
4 factually innocent of the charge, the court that finds the
5 petitioner factually innocent of the charge shall enter an
6 expungement order for the conviction for which the
7 petitioner has been determined to be innocent as provided
8 in subsection (b) of Section 5-5-4 of the Unified Code of
9 Corrections.

10 (7) Nothing in this Section shall prevent the Illinois
11 State Police from maintaining all records of any person
12 who is admitted to probation upon terms and conditions and
13 who fulfills those terms and conditions pursuant to
14 Section 10 of the Cannabis Control Act, Section 410 of the
15 Illinois Controlled Substances Act, Section 70 of the
16 Methamphetamine Control and Community Protection Act,
17 Section 5-6-3.3 or 5-6-3.4 of the Unified Code of
18 Corrections, Section 12-4.3 or subdivision (b)(1) of
19 Section 12-3.05 of the Criminal Code of 1961 or the
20 Criminal Code of 2012, Section 10-102 of the Illinois
21 Alcoholism and Other Drug Dependency Act, Section 40-10 of
22 the Substance Use Disorder Act, or Section 10 of the
23 Steroid Control Act.

24 (8) If the petitioner has been granted a certificate
25 of innocence under Section 2-702 of the Code of Civil
26 Procedure, the court that grants the certificate of

1 innocence shall also enter an order expunging the
2 conviction for which the petitioner has been determined to
3 be innocent as provided in subsection (h) of Section 2-702
4 of the Code of Civil Procedure.

5 (c) Sealing.

6 (1) Applicability. Notwithstanding any other provision
7 of this Act to the contrary, and cumulative with any
8 rights to expungement of criminal records, this subsection
9 authorizes the sealing of criminal records of adults and
10 of minors prosecuted as adults. Subsection (g) of this
11 Section provides for immediate sealing of certain records.

12 (2) Eligible Records. The following records may be
13 sealed:

14 (A) All arrests resulting in release without
15 charging;

16 (B) Arrests or charges not initiated by arrest
17 resulting in acquittal, dismissal, or conviction when
18 the conviction was reversed or vacated, except as
19 excluded by subsection (a) (3) (B);

20 (C) Arrests or charges not initiated by arrest
21 resulting in orders of supervision, including orders
22 of supervision for municipal ordinance violations,
23 successfully completed by the petitioner, unless
24 excluded by subsection (a) (3);

25 (C-5) Arrests or charges not initiated by arrest
26 resulting in orders of qualified probation;

1 (D) Arrests or charges not initiated by arrest
2 resulting in convictions with sentences of conditional
3 discharge or probation, completed without revocation
4 by the petitioner, unless otherwise excluded by
5 subsection (a) (3);

6 (E) Arrests or charges not initiated by arrest
7 resulting in misdemeanor convictions not included in
8 subsection (c) (2) (D), including convictions on
9 municipal ordinance violations, unless excluded by
10 subsection (a) (3); and

11 (F) Arrests or charges not initiated by arrest
12 resulting in felony convictions not included in
13 subsection (c) (2) (D) unless otherwise excluded by
14 subsection (a) (3).

15 (3) When Records Are Eligible to Be Sealed. Records
16 identified as eligible under subsection (c) (2) may be
17 sealed as follows:

18 (A) Records identified as eligible under
19 subsections (c) (2) (A) and (c) (2) (B) may be sealed at
20 any time.

21 (B) Records identified as eligible under
22 subsection (c) (2) (C), (c) (2) (C-5), (c) (2) (D), or
23 (c) (2) (E) may be sealed 2 years after the termination
24 of petitioner's last sentence (as defined in
25 subsection (a) (1) (F)).

26 (C) Except as otherwise provided in subparagraphs

1 (B) and (E) of this paragraph (3), records identified
2 as eligible under subsection (c)(2)(F) may be sealed 3
3 years after the termination of the petitioner's last
4 sentence (as defined in subsection (a)(1)(F)).
5 Convictions requiring public registration under the
6 Arsonist Registry Act, the Sex Offender Registration
7 Act, or the Murderer and Violent Offender Against
8 Youth Registration Act may not be sealed until the
9 petitioner is no longer required to register under
10 that relevant Act.

11 (D) Records identified in subsection
12 (a)(3)(A)(iii) may be sealed after the petitioner has
13 reached the age of 25 years.

14 (E) Records identified as eligible under
15 subsection (c)(2)(F) may be sealed upon termination of
16 the petitioner's last sentence if the petitioner
17 earned a high school diploma, associate's degree,
18 career certificate, vocational technical
19 certification, or bachelor's degree, or passed the
20 high school level Test of General Educational
21 Development, during the period of his or her sentence
22 or mandatory supervised release. This subparagraph
23 shall apply only to a petitioner who has not completed
24 the same educational goal prior to the period of his or
25 her sentence or mandatory supervised release. If a
26 petition for sealing eligible records filed under this

1 subparagraph is denied by the court, the time periods
2 under subparagraph (C) shall apply to any subsequent
3 petition for sealing filed by the petitioner.

4 (4) (Blank).

5 (5) Notice of eligibility for sealing. Upon entry of a
6 disposition for an eligible record under this subsection
7 (c), the petitioner shall be informed by the court of the
8 right to have the records sealed and the procedures for
9 the sealing of the records.

10 (d) Procedure. The following procedures apply to
11 expungement under subsections (b), (e), and (e-6) and sealing
12 under subsections (c) and (e-5):

13 (1) Filing the petition. Upon becoming eligible to
14 petition for the expungement or sealing of records under
15 this Section, the petitioner shall file a petition
16 requesting the expungement or sealing of records with the
17 clerk of the court where the arrests occurred or the
18 charges were brought, or both. If arrests occurred or
19 charges were brought in multiple jurisdictions, a petition
20 must be filed in each such jurisdiction. The petitioner
21 shall pay the applicable fee, except no fee shall be
22 required if the petitioner has obtained a court order
23 waiving fees under Supreme Court Rule 298 or it is
24 otherwise waived.

25 (1.5) County fee waiver pilot program. From August 9,
26 2019 (the effective date of Public Act 101-306) through

1 December 31, 2020, in a county of 3,000,000 or more
2 inhabitants, no fee shall be required to be paid by a
3 petitioner if the records sought to be expunged or sealed
4 were arrests resulting in release without charging or
5 arrests or charges not initiated by arrest resulting in
6 acquittal, dismissal, or conviction when the conviction
7 was reversed or vacated, unless excluded by subsection
8 (a)(3)(B). The provisions of this paragraph (1.5), other
9 than this sentence, are inoperative on and after January
10 1, 2022.

11 (2) Contents of petition. The petition shall be
12 verified and shall contain the petitioner's name, date of
13 birth, current address and, for each arrest or charge not
14 initiated by arrest sought to be sealed or expunged, the
15 case number, the date of arrest (if any), the identity of
16 the arresting authority, and such other information as the
17 court may require. During the pendency of the proceeding,
18 the petitioner shall promptly notify the circuit court
19 clerk of any change of his or her address. If the
20 petitioner has received a certificate of eligibility for
21 sealing from the Prisoner Review Board under paragraph
22 (10) of subsection (a) of Section 3-3-2 of the Unified
23 Code of Corrections, the certificate shall be attached to
24 the petition.

25 (3) (Blank).

26 (4) Service of petition. The circuit court clerk shall

1 promptly serve a copy of the petition and documentation to
2 support the petition under subsection (e-5) or (e-6) on
3 the State's Attorney or prosecutor charged with the duty
4 of prosecuting the offense, the Illinois State Police, the
5 arresting agency, and, for municipal ordinance violations,
6 the chief legal officer of the unit of local government
7 effecting the arrest.

8 (5) Objections.

9 (A) Any party entitled to notice of the petition
10 may file an objection to the petition. All objections
11 shall be in writing, shall be filed with the circuit
12 court clerk, and shall state with specificity the
13 basis of the objection. Whenever a person who has been
14 convicted of an offense is granted a pardon by the
15 Governor which specifically authorizes expungement, an
16 objection to the petition may not be filed.

17 (B) Objections to a petition to expunge or seal
18 must be filed within 60 days of the date of service of
19 the petition.

20 (6) Entry of order.

21 (A) The Chief Judge of the circuit wherein the
22 charge was brought, any judge of that circuit
23 designated by the Chief Judge, or in counties of less
24 than 3,000,000 inhabitants, the presiding trial judge
25 at the petitioner's trial, if any, shall rule on the
26 petition to expunge or seal as set forth in this

1 subsection (d) (6) .

2 (B) Unless the State's Attorney or prosecutor, the
3 Illinois State Police, the arresting agency, or the
4 chief legal officer files an objection to the petition
5 to expunge or seal within 60 days from the date of
6 service of the petition, the court shall enter an
7 order granting or denying the petition.

8 (C) Notwithstanding any other provision of law,
9 the court shall not deny a petition for sealing under
10 this Section because the petitioner has not satisfied
11 an outstanding legal financial obligation established,
12 imposed, or originated by a court, law enforcement
13 agency, or a municipal, State, county, or other unit
14 of local government, including, but not limited to,
15 any cost, assessment, fine, or fee. An outstanding
16 legal financial obligation does not include any court
17 ordered restitution to a victim under Section 5-5-6 of
18 the Unified Code of Corrections, unless the
19 restitution has been converted to a civil judgment.
20 Nothing in this subparagraph (C) waives, rescinds, or
21 abrogates a legal financial obligation or otherwise
22 eliminates or affects the right of the holder of any
23 financial obligation to pursue collection under
24 applicable federal, State, or local law.

25 (D) (Blank) .

26 (7) Hearings. If an objection is filed, the court

1 shall set a date for a hearing and notify the petitioner
2 and all parties entitled to notice of the petition of the
3 hearing date at least 30 days prior to the hearing. Prior
4 to the hearing, the State's Attorney shall consult with
5 the Illinois State Police as to the appropriateness of the
6 relief sought in the petition to expunge or seal. At the
7 hearing, the court shall hear evidence on whether the
8 petition should or should not be granted, and shall grant
9 or deny the petition to expunge or seal the records based
10 on the evidence presented at the hearing. The court may
11 consider the following:

12 (A) the strength of the evidence supporting the
13 defendant's conviction;

14 (B) the reasons for retention of the conviction
15 records by the State;

16 (C) the petitioner's age, criminal record history,
17 and employment history;

18 (D) the period of time between the petitioner's
19 arrest on the charge resulting in the conviction and
20 the filing of the petition under this Section; and

21 (E) the specific adverse consequences the
22 petitioner may be subject to if the petition is
23 denied.

24 (8) Service of order. After entering an order to
25 expunge or seal records, the court must provide copies of
26 the order to the Illinois State Police, in a form and

1 manner prescribed by the Illinois State Police, to the
2 petitioner, to the State's Attorney or prosecutor charged
3 with the duty of prosecuting the offense, to the arresting
4 agency, to the chief legal officer of the unit of local
5 government effecting the arrest for municipal ordinance
6 violations, and to such other criminal justice agencies as
7 may be ordered by the court. The disposition information
8 for each case or record ordered expunged, sealed, or
9 impounded shall be attached to the order provided to the
10 Illinois State Police.

11 (9) Implementation of order.

12 (A) Upon entry of an order to expunge records
13 pursuant to subsection (b) (2) (A) or (b) (2) (B) (ii), or
14 both:

15 (i) the records shall be expunged (as defined
16 in subsection (a) (1) (E)) by the arresting agency,
17 the Illinois State Police, and any other agency as
18 ordered by the court, within 60 days of the date of
19 service of the order, unless a motion to vacate,
20 modify, or reconsider the order is filed pursuant
21 to paragraph (12) of subsection (d) of this
22 Section;

23 (ii) the records of the circuit court clerk
24 shall be impounded until further order of the
25 court upon good cause shown and the name of the
26 petitioner obliterated on the official index

1 required to be kept by the circuit court clerk
2 under Section 16 of the Clerks of Courts Act, but
3 the order shall not affect any index issued by the
4 circuit court clerk before the entry of the order;
5 and

6 (iii) in response to an inquiry for expunged
7 records, the court, the Illinois State Police, or
8 the agency receiving such inquiry, shall reply as
9 it does in response to inquiries when no records
10 ever existed.

11 (B) Upon entry of an order to expunge records
12 pursuant to subsection (b) (2) (B) (i) or (b) (2) (C), or
13 both:

14 (i) the records shall be expunged (as defined
15 in subsection (a) (1) (E)) by the arresting agency
16 and any other agency as ordered by the court,
17 within 60 days of the date of service of the order,
18 unless a motion to vacate, modify, or reconsider
19 the order is filed pursuant to paragraph (12) of
20 subsection (d) of this Section;

21 (ii) the records of the circuit court clerk
22 shall be impounded until further order of the
23 court upon good cause shown and the name of the
24 petitioner obliterated on the official index
25 required to be kept by the circuit court clerk
26 under Section 16 of the Clerks of Courts Act, but

1 the order shall not affect any index issued by the
2 circuit court clerk before the entry of the order;

3 (iii) the records shall be impounded by the
4 Illinois State Police within 60 days of the date
5 of service of the order as ordered by the court,
6 unless a motion to vacate, modify, or reconsider
7 the order is filed pursuant to paragraph (12) of
8 subsection (d) of this Section;

9 (iv) records impounded by the Illinois State
10 Police may be disseminated by the Illinois State
11 Police only as required by law or to the arresting
12 authority, the State's Attorney, and the court
13 upon a later arrest for the same or a similar
14 offense or for the purpose of sentencing for any
15 subsequent felony, and to the Department of
16 Corrections upon conviction for any offense; and

17 (v) in response to an inquiry for such records
18 from anyone not authorized by law to access such
19 records, the court, the Illinois State Police, or
20 the agency receiving such inquiry shall reply as
21 it does in response to inquiries when no records
22 ever existed.

23 (B-5) Upon entry of an order to expunge records
24 under subsection (e-6):

25 (i) the records shall be expunged (as defined
26 in subsection (a)(1)(E)) by the arresting agency

1 and any other agency as ordered by the court,
2 within 60 days of the date of service of the order,
3 unless a motion to vacate, modify, or reconsider
4 the order is filed under paragraph (12) of
5 subsection (d) of this Section;

6 (ii) the records of the circuit court clerk
7 shall be impounded until further order of the
8 court upon good cause shown and the name of the
9 petitioner obliterated on the official index
10 required to be kept by the circuit court clerk
11 under Section 16 of the Clerks of Courts Act, but
12 the order shall not affect any index issued by the
13 circuit court clerk before the entry of the order;

14 (iii) the records shall be impounded by the
15 Illinois State Police within 60 days of the date
16 of service of the order as ordered by the court,
17 unless a motion to vacate, modify, or reconsider
18 the order is filed under paragraph (12) of
19 subsection (d) of this Section;

20 (iv) records impounded by the Illinois State
21 Police may be disseminated by the Illinois State
22 Police only as required by law or to the arresting
23 authority, the State's Attorney, and the court
24 upon a later arrest for the same or a similar
25 offense or for the purpose of sentencing for any
26 subsequent felony, and to the Department of

1 Corrections upon conviction for any offense; and

2 (v) in response to an inquiry for these
3 records from anyone not authorized by law to
4 access the records, the court, the Illinois State
5 Police, or the agency receiving the inquiry shall
6 reply as it does in response to inquiries when no
7 records ever existed.

8 (C) Upon entry of an order to seal records under
9 subsection (c), the arresting agency, any other agency
10 as ordered by the court, the Illinois State Police,
11 and the court shall seal the records (as defined in
12 subsection (a)(1)(K)). In response to an inquiry for
13 such records, from anyone not authorized by law to
14 access such records, the court, the Illinois State
15 Police, or the agency receiving such inquiry shall
16 reply as it does in response to inquiries when no
17 records ever existed.

18 (D) The Illinois State Police shall send written
19 notice to the petitioner of its compliance with each
20 order to expunge or seal records within 60 days of the
21 date of service of that order or, if a motion to
22 vacate, modify, or reconsider is filed, within 60 days
23 of service of the order resolving the motion, if that
24 order requires the Illinois State Police to expunge or
25 seal records. In the event of an appeal from the
26 circuit court order, the Illinois State Police shall

1 send written notice to the petitioner of its
2 compliance with an Appellate Court or Supreme Court
3 judgment to expunge or seal records within 60 days of
4 the issuance of the court's mandate. The notice is not
5 required while any motion to vacate, modify, or
6 reconsider, or any appeal or petition for
7 discretionary appellate review, is pending.

8 (E) Upon motion, the court may order that a sealed
9 judgment or other court record necessary to
10 demonstrate the amount of any legal financial
11 obligation due and owing be made available for the
12 limited purpose of collecting any legal financial
13 obligations owed by the petitioner that were
14 established, imposed, or originated in the criminal
15 proceeding for which those records have been sealed.
16 The records made available under this subparagraph (E)
17 shall not be entered into the official index required
18 to be kept by the circuit court clerk under Section 16
19 of the Clerks of Courts Act and shall be immediately
20 re-impounded upon the collection of the outstanding
21 financial obligations.

22 (F) Notwithstanding any other provision of this
23 Section, a circuit court clerk may access a sealed
24 record for the limited purpose of collecting payment
25 for any legal financial obligations that were
26 established, imposed, or originated in the criminal

1 proceedings for which those records have been sealed.

2 (10) Fees. The Illinois State Police may charge the
3 petitioner a fee equivalent to the cost of processing any
4 order to expunge or seal records. Notwithstanding any
5 provision of the Clerks of Courts Act to the contrary, the
6 circuit court clerk may charge a fee equivalent to the
7 cost associated with the sealing or expungement of records
8 by the circuit court clerk. From the total filing fee
9 collected for the petition to seal or expunge, the circuit
10 court clerk shall deposit \$10 into the Circuit Court Clerk
11 Operation and Administrative Fund, to be used to offset
12 the costs incurred by the circuit court clerk in
13 performing the additional duties required to serve the
14 petition to seal or expunge on all parties. The circuit
15 court clerk shall collect and remit the Illinois State
16 Police portion of the fee to the State Treasurer and it
17 shall be deposited in the State Police Services Fund. If
18 the record brought under an expungement petition was
19 previously sealed under this Section, the fee for the
20 expungement petition for that same record shall be waived.

21 (11) Final Order. No court order issued under the
22 expungement or sealing provisions of this Section shall
23 become final for purposes of appeal until 30 days after
24 service of the order on the petitioner and all parties
25 entitled to notice of the petition.

26 (12) Motion to Vacate, Modify, or Reconsider. Under

1 Section 2-1203 of the Code of Civil Procedure, the
2 petitioner or any party entitled to notice may file a
3 motion to vacate, modify, or reconsider the order granting
4 or denying the petition to expunge or seal within 60 days
5 of service of the order. If filed more than 60 days after
6 service of the order, a petition to vacate, modify, or
7 reconsider shall comply with subsection (c) of Section
8 2-1401 of the Code of Civil Procedure. Upon filing of a
9 motion to vacate, modify, or reconsider, notice of the
10 motion shall be served upon the petitioner and all parties
11 entitled to notice of the petition.

12 (13) Effect of Order. An order granting a petition
13 under the expungement or sealing provisions of this
14 Section shall not be considered void because it fails to
15 comply with the provisions of this Section or because of
16 any error asserted in a motion to vacate, modify, or
17 reconsider. The circuit court retains jurisdiction to
18 determine whether the order is voidable and to vacate,
19 modify, or reconsider its terms based on a motion filed
20 under paragraph (12) of this subsection (d).

21 (14) Compliance with Order Granting Petition to Seal
22 Records. Unless a court has entered a stay of an order
23 granting a petition to seal, all parties entitled to
24 notice of the petition must fully comply with the terms of
25 the order within 60 days of service of the order even if a
26 party is seeking relief from the order through a motion

1 filed under paragraph (12) of this subsection (d) or is
2 appealing the order.

3 (15) Compliance with Order Granting Petition to
4 Expunge Records. While a party is seeking relief from the
5 order granting the petition to expunge through a motion
6 filed under paragraph (12) of this subsection (d) or is
7 appealing the order, and unless a court has entered a stay
8 of that order, the parties entitled to notice of the
9 petition must seal, but need not expunge, the records
10 until there is a final order on the motion for relief or,
11 in the case of an appeal, the issuance of that court's
12 mandate.

13 (16) The changes to this subsection (d) made by Public
14 Act 98-163 apply to all petitions pending on August 5,
15 2013 (the effective date of Public Act 98-163) and to all
16 orders ruling on a petition to expunge or seal on or after
17 August 5, 2013 (the effective date of Public Act 98-163).

18 (17) Upon request, and without court order, the
19 circuit court clerk shall provide the disposition
20 information for any record that was ordered to be sealed
21 or impounded pursuant to this Section to the Illinois
22 State Police.

23 (e) Whenever a person who has been convicted of an offense
24 is granted a pardon by the Governor which specifically
25 authorizes expungement, he or she may, upon verified petition
26 to the Chief Judge of the circuit where the person had been

1 convicted, any judge of the circuit designated by the Chief
2 Judge, or in counties of less than 3,000,000 inhabitants, the
3 presiding trial judge at the defendant's trial, have a court
4 order entered expunging the record of arrest from the official
5 records of the arresting authority and order that the records
6 of the circuit court clerk and the Illinois State Police be
7 sealed until further order of the court upon good cause shown
8 or as otherwise provided herein, and the name of the defendant
9 obliterated from the official index requested to be kept by
10 the circuit court clerk under Section 16 of the Clerks of
11 Courts Act in connection with the arrest and conviction for
12 the offense for which he or she had been pardoned but the order
13 shall not affect any index issued by the circuit court clerk
14 before the entry of the order. All records sealed by the
15 Illinois State Police may be disseminated by the Illinois
16 State Police only to the arresting authority, the State's
17 Attorney, and the court upon a later arrest for the same or
18 similar offense or for the purpose of sentencing for any
19 subsequent felony. Upon conviction for any subsequent offense,
20 the Department of Corrections shall have access to all sealed
21 records of the Illinois State Police pertaining to that
22 individual. Upon entry of the order of expungement, the
23 circuit court clerk shall promptly mail a copy of the order to
24 the person who was pardoned.

25 (e-5) Whenever a person who has been convicted of an
26 offense is granted a certificate of eligibility for sealing by

1 the Prisoner Review Board which specifically authorizes
2 sealing, he or she may, upon verified petition to the Chief
3 Judge of the circuit where the person had been convicted, any
4 judge of the circuit designated by the Chief Judge, or in
5 counties of less than 3,000,000 inhabitants, the presiding
6 trial judge at the petitioner's trial, have a court order
7 entered sealing the record of arrest from the official records
8 of the arresting authority and order that the records of the
9 circuit court clerk and the Illinois State Police be sealed
10 until further order of the court upon good cause shown or as
11 otherwise provided herein, and the name of the petitioner
12 obliterated from the official index requested to be kept by
13 the circuit court clerk under Section 16 of the Clerks of
14 Courts Act in connection with the arrest and conviction for
15 the offense for which he or she had been granted the
16 certificate but the order shall not affect any index issued by
17 the circuit court clerk before the entry of the order. All
18 records sealed by the Illinois State Police may be
19 disseminated by the Illinois State Police only as required by
20 this Act or to the arresting authority, a law enforcement
21 agency, the State's Attorney, and the court upon a later
22 arrest for the same or similar offense or for the purpose of
23 sentencing for any subsequent felony. Upon conviction for any
24 subsequent offense, the Department of Corrections shall have
25 access to all sealed records of the Illinois State Police
26 pertaining to that individual. Upon entry of the order of

1 sealing, the circuit court clerk shall promptly mail a copy of
2 the order to the person who was granted the certificate of
3 eligibility for sealing.

4 (e-6) Whenever a person who has been convicted of an
5 offense is granted a certificate of eligibility for
6 expungement by the Prisoner Review Board which specifically
7 authorizes expungement, he or she may, upon verified petition
8 to the Chief Judge of the circuit where the person had been
9 convicted, any judge of the circuit designated by the Chief
10 Judge, or in counties of less than 3,000,000 inhabitants, the
11 presiding trial judge at the petitioner's trial, have a court
12 order entered expunging the record of arrest from the official
13 records of the arresting authority and order that the records
14 of the circuit court clerk and the Illinois State Police be
15 sealed until further order of the court upon good cause shown
16 or as otherwise provided herein, and the name of the
17 petitioner obliterated from the official index requested to be
18 kept by the circuit court clerk under Section 16 of the Clerks
19 of Courts Act in connection with the arrest and conviction for
20 the offense for which he or she had been granted the
21 certificate but the order shall not affect any index issued by
22 the circuit court clerk before the entry of the order. All
23 records sealed by the Illinois State Police may be
24 disseminated by the Illinois State Police only as required by
25 this Act or to the arresting authority, a law enforcement
26 agency, the State's Attorney, and the court upon a later

1 arrest for the same or similar offense or for the purpose of
2 sentencing for any subsequent felony. Upon conviction for any
3 subsequent offense, the Department of Corrections shall have
4 access to all expunged records of the Illinois State Police
5 pertaining to that individual. Upon entry of the order of
6 expungement, the circuit court clerk shall promptly mail a
7 copy of the order to the person who was granted the certificate
8 of eligibility for expungement.

9 (f) Subject to available funding, the Illinois Department
10 of Corrections shall conduct a study of the impact of sealing,
11 especially on employment and recidivism rates, utilizing a
12 random sample of those who apply for the sealing of their
13 criminal records under Public Act 93-211. At the request of
14 the Illinois Department of Corrections, records of the
15 Illinois Department of Employment Security shall be utilized
16 as appropriate to assist in the study. The study shall not
17 disclose any data in a manner that would allow the
18 identification of any particular individual or employing unit.
19 The study shall be made available to the General Assembly no
20 later than September 1, 2010.

21 (g) Immediate Sealing.

22 (1) Applicability. Notwithstanding any other provision
23 of this Act to the contrary, and cumulative with any
24 rights to expungement or sealing of criminal records, this
25 subsection authorizes the immediate sealing of criminal
26 records of adults and of minors prosecuted as adults.

1 (2) Eligible Records. Arrests or charges not initiated
2 by arrest resulting in acquittal or dismissal with
3 prejudice, except as excluded by subsection (a)(3)(B),
4 that occur on or after January 1, 2018 (the effective date
5 of Public Act 100-282), may be sealed immediately if the
6 petition is filed with the circuit court clerk on the same
7 day and during the same hearing in which the case is
8 disposed.

9 (3) When Records are Eligible to be Immediately
10 Sealed. Eligible records under paragraph (2) of this
11 subsection (g) may be sealed immediately after entry of
12 the final disposition of a case, notwithstanding the
13 disposition of other charges in the same case.

14 (4) Notice of Eligibility for Immediate Sealing. Upon
15 entry of a disposition for an eligible record under this
16 subsection (g), the defendant shall be informed by the
17 court of his or her right to have eligible records
18 immediately sealed and the procedure for the immediate
19 sealing of these records.

20 (5) Procedure. The following procedures apply to
21 immediate sealing under this subsection (g).

22 (A) Filing the Petition. Upon entry of the final
23 disposition of the case, the defendant's attorney may
24 immediately petition the court, on behalf of the
25 defendant, for immediate sealing of eligible records
26 under paragraph (2) of this subsection (g) that are

1 entered on or after January 1, 2018 (the effective
2 date of Public Act 100-282). The immediate sealing
3 petition may be filed with the circuit court clerk
4 during the hearing in which the final disposition of
5 the case is entered. If the defendant's attorney does
6 not file the petition for immediate sealing during the
7 hearing, the defendant may file a petition for sealing
8 at any time as authorized under subsection (c) (3) (A).

9 (B) Contents of Petition. The immediate sealing
10 petition shall be verified and shall contain the
11 petitioner's name, date of birth, current address, and
12 for each eligible record, the case number, the date of
13 arrest if applicable, the identity of the arresting
14 authority if applicable, and other information as the
15 court may require.

16 (C) Drug Test. The petitioner shall not be
17 required to attach proof that he or she has passed a
18 drug test.

19 (D) Service of Petition. A copy of the petition
20 shall be served on the State's Attorney in open court.
21 The petitioner shall not be required to serve a copy of
22 the petition on any other agency.

23 (E) Entry of Order. The presiding trial judge
24 shall enter an order granting or denying the petition
25 for immediate sealing during the hearing in which it
26 is filed. Petitions for immediate sealing shall be

1 ruled on in the same hearing in which the final
2 disposition of the case is entered.

3 (F) Hearings. The court shall hear the petition
4 for immediate sealing on the same day and during the
5 same hearing in which the disposition is rendered.

6 (G) Service of Order. An order to immediately seal
7 eligible records shall be served in conformance with
8 subsection (d) (8) .

9 (H) Implementation of Order. An order to
10 immediately seal records shall be implemented in
11 conformance with subsections (d) (9) (C) and (d) (9) (D) .

12 (I) Fees. The fee imposed by the circuit court
13 clerk and the Illinois State Police shall comply with
14 paragraph (1) of subsection (d) of this Section.

15 (J) Final Order. No court order issued under this
16 subsection (g) shall become final for purposes of
17 appeal until 30 days after service of the order on the
18 petitioner and all parties entitled to service of the
19 order in conformance with subsection (d) (8) .

20 (K) Motion to Vacate, Modify, or Reconsider. Under
21 Section 2-1203 of the Code of Civil Procedure, the
22 petitioner, State's Attorney, or the Illinois State
23 Police may file a motion to vacate, modify, or
24 reconsider the order denying the petition to
25 immediately seal within 60 days of service of the
26 order. If filed more than 60 days after service of the

1 order, a petition to vacate, modify, or reconsider
2 shall comply with subsection (c) of Section 2-1401 of
3 the Code of Civil Procedure.

4 (L) Effect of Order. An order granting an
5 immediate sealing petition shall not be considered
6 void because it fails to comply with the provisions of
7 this Section or because of an error asserted in a
8 motion to vacate, modify, or reconsider. The circuit
9 court retains jurisdiction to determine whether the
10 order is voidable, and to vacate, modify, or
11 reconsider its terms based on a motion filed under
12 subparagraph (L) of this subsection (g).

13 (M) Compliance with Order Granting Petition to
14 Seal Records. Unless a court has entered a stay of an
15 order granting a petition to immediately seal, all
16 parties entitled to service of the order must fully
17 comply with the terms of the order within 60 days of
18 service of the order.

19 (h) Sealing or vacation and expungement of trafficking
20 victims' crimes.

21 (1) A trafficking victim, as defined by paragraph (10)
22 of subsection (a) of Section 10-9 of the Criminal Code of
23 2012, may petition for vacation and expungement or
24 immediate sealing of his or her criminal record upon the
25 completion of his or her last sentence if his or her
26 participation in the underlying offense was a result of

1 human trafficking under Section 10-9 of the Criminal Code
2 of 2012 or a severe form of trafficking under the federal
3 Trafficking Victims Protection Act.

4 (1.5) A petition under paragraph (1) shall be
5 prepared, signed, and filed in accordance with Supreme
6 Court Rule 9. The court may allow the petitioner to attend
7 any required hearing remotely in accordance with local
8 rules. The court may allow a petition to be filed under
9 seal if the public filing of the petition would constitute
10 a risk of harm to the petitioner.

11 (2) A petitioner under this subsection (h), in
12 addition to the requirements provided under paragraph (4)
13 of subsection (d) of this Section, shall include in his or
14 her petition a clear and concise statement that: (A) he or
15 she was a victim of human trafficking at the time of the
16 offense; and (B) that his or her participation in the
17 offense was a result of human trafficking under Section
18 10-9 of the Criminal Code of 2012 or a severe form of
19 trafficking under the federal Trafficking Victims
20 Protection Act.

21 (3) If an objection is filed alleging that the
22 petitioner is not entitled to vacation and expungement or
23 immediate sealing under this subsection (h), the court
24 shall conduct a hearing under paragraph (7) of subsection
25 (d) of this Section and the court shall determine whether
26 the petitioner is entitled to vacation and expungement or

1 immediate sealing under this subsection (h). A petitioner
2 is eligible for vacation and expungement or immediate
3 relief under this subsection (h) if he or she shows, by a
4 preponderance of the evidence, that: (A) he or she was a
5 victim of human trafficking at the time of the offense;
6 and (B) that his or her participation in the offense was a
7 result of human trafficking under Section 10-9 of the
8 Criminal Code of 2012 or a severe form of trafficking
9 under the federal Trafficking Victims Protection Act.

10 (i) Minor Cannabis Offenses under the Cannabis Control
11 Act.

12 (1) Expungement of Arrest Records of Minor Cannabis
13 Offenses.

14 (A) The Illinois State Police and all law
15 enforcement agencies within the State shall
16 automatically expunge all criminal history records of
17 an arrest, charge not initiated by arrest, order of
18 supervision, or order of qualified probation for a
19 Minor Cannabis Offense committed prior to June 25,
20 2019 (the effective date of Public Act 101-27) if:

21 (i) One year or more has elapsed since the
22 date of the arrest or law enforcement interaction
23 documented in the records; and

24 (ii) No criminal charges were filed relating
25 to the arrest or law enforcement interaction or
26 criminal charges were filed and subsequently

1 dismissed or vacated or the arrestee was
2 acquitted.

3 (B) If the law enforcement agency is unable to
4 verify satisfaction of condition (ii) in paragraph
5 (A), records that satisfy condition (i) in paragraph
6 (A) shall be automatically expunged.

7 (C) Records shall be expunged by the law
8 enforcement agency under the following timelines:

9 (i) Records created prior to June 25, 2019
10 (the effective date of Public Act 101-27), but on
11 or after January 1, 2013, shall be automatically
12 expunged prior to January 1, 2021;

13 (ii) Records created prior to January 1, 2013,
14 but on or after January 1, 2000, shall be
15 automatically expunged prior to January 1, 2023;

16 (iii) Records created prior to January 1, 2000
17 shall be automatically expunged prior to January
18 1, 2025.

19 In response to an inquiry for expunged records,
20 the law enforcement agency receiving such inquiry
21 shall reply as it does in response to inquiries when no
22 records ever existed; however, it shall provide a
23 certificate of disposition or confirmation that the
24 record was expunged to the individual whose record was
25 expunged if such a record exists.

26 (D) Nothing in this Section shall be construed to

1 restrict or modify an individual's right to have that
2 individual's records expunged except as otherwise may
3 be provided in this Act, or diminish or abrogate any
4 rights or remedies otherwise available to the
5 individual.

6 (2) Pardons Authorizing Expungement of Minor Cannabis
7 Offenses.

8 (A) Upon June 25, 2019 (the effective date of
9 Public Act 101-27), the Department of State Police
10 shall review all criminal history record information
11 and identify all records that meet all of the
12 following criteria:

13 (i) one or more convictions for a Minor
14 Cannabis Offense;

15 (ii) the conviction identified in paragraph
16 (2)(A)(i) did not include a penalty enhancement
17 under Section 7 of the Cannabis Control Act; and

18 (iii) the conviction identified in paragraph
19 (2)(A)(i) is not associated with a conviction for
20 a violent crime as defined in subsection (c) of
21 Section 3 of the Rights of Crime Victims and
22 Witnesses Act.

23 (B) Within 180 days after June 25, 2019 (the
24 effective date of Public Act 101-27), the Department
25 of State Police shall notify the Prisoner Review Board
26 of all such records that meet the criteria established

1 in paragraph (2) (A) .

2 (i) The Prisoner Review Board shall notify the
3 State's Attorney of the county of conviction of
4 each record identified by State Police in
5 paragraph (2) (A) that is classified as a Class 4
6 felony. The State's Attorney may provide a written
7 objection to the Prisoner Review Board on the sole
8 basis that the record identified does not meet the
9 criteria established in paragraph (2) (A) . Such an
10 objection must be filed within 60 days or by such
11 later date set by the Prisoner Review Board in the
12 notice after the State's Attorney received notice
13 from the Prisoner Review Board.

14 (ii) In response to a written objection from a
15 State's Attorney, the Prisoner Review Board is
16 authorized to conduct a non-public hearing to
17 evaluate the information provided in the
18 objection.

19 (iii) The Prisoner Review Board shall make a
20 confidential and privileged recommendation to the
21 Governor as to whether to grant a pardon
22 authorizing expungement for each of the records
23 identified by the Department of State Police as
24 described in paragraph (2) (A) .

25 (C) If an individual has been granted a pardon
26 authorizing expungement as described in this Section,

1 the Prisoner Review Board, through the Attorney
2 General, shall file a petition for expungement with
3 the Chief Judge of the circuit or any judge of the
4 circuit designated by the Chief Judge where the

4 (h), and (i) of Section 9-4.

5 Minority, veteran, female, or disability small businesses,
6 for the purpose of this Section, shall be defined as small
7 businesses that are, in the Department's judgment, at least
8 51% owned and managed by one or more persons who are minority
9 or female or who have a disability or who are veterans.

10 (b) Loans made pursuant to this Section:

11 (1) Shall not exceed \$2,000,000 or 50% of the business
12 project costs unless the Director of the Department
13 determines that a waiver of these limits is required to
14 meet the purposes of this Act.

15 (2) Shall only be made if, in the Department's
16 judgment, the number of jobs to be created or retained is
17 reasonable in relation to the loan funds requested.

18 (3) Shall be protected by security. Financial
19 assistance may be secured by first, second, or subordinate
20 mortgage positions on real or personal property, by
21 royalty payments, by personal notes or guarantees, or by
22 any other security satisfactory to the Department to
23 secure repayment. Security valuation requirements, as
24 determined by the Department, for the purposes of this
25 Section, may be less than required for similar loans not
26 covered by this Section, provided the applicants

1 demonstrate adequate business experience, entrepreneurial
2 training, or a combination thereof, as determined by the
3 Department.

4 (4) Shall be in such principal amount and form and
5 contain such terms and provisions with respect to
6 security, insurance, reporting, delinquency charges,
7 default remedies, and other matters as the Department
8 shall determine appropriate to protect the public interest
9 and consistent with the purposes of this Section. The
10 terms and provisions may be less than required for similar
11 loans not covered by this Section.

12 ~~(5)~~ Notwithstanding anything in this Act to the contrary,
13 eligible projects include, but are not limited to, refinancing
14 current debt if the loan will refinance a loan previously made
15 by a lender that is unaffiliated with the financial
16 intermediary making the new loan and if the proceeds of the
17 refinance transaction are not used to finance an extraordinary
18 dividend or other distribution.

20 Section 245. The Eliminate the Digital Divide Law is
21 amended by changing Section 5-30 as follows:

22 (30 ILCS 780/5-30)

23 Sec. 5-30. Community Technology Center Grant Program.

24 (a) Subject to appropriation, the Department shall

1 administer the Community Technology Center Grant Program under
2 which the Department shall make grants in accordance with this
3 Article for planning, establishment, administration, and
4 expansion of Community Technology Centers and for assisting
5 public hospitals, libraries, and park districts in eliminating
6 the digital divide. The purposes of the grants shall include,
7 but not be limited to, volunteer recruitment and management,
8 training and instruction, infrastructure, and related goods
9 and services, including case management, administration,
10 personal information management, and outcome-tracking tools
11 and software for the purposes of reporting to the Department
12 and for enabling participation in digital government and
13 consumer services programs, for Community Technology Centers
14 and public hospitals, libraries, and park districts. No
15 Community Technology Center may receive a grant of more than
16 \$75,000 under this Section in a particular fiscal year.

17 (b) Public hospitals, libraries, park districts, and State
18 educational agencies, local educational agencies, institutions
19 of higher education, senior citizen homes, and other public
20 and private nonprofit or for-profit agencies and organizations
21 are eligible to receive grants under this Program, provided
22 that a local educational agency or public or private
23 educational agency or organization must, in order to be
24 eligible to receive grants under this Program, provide
25 computer access and educational services using information
26 technology to the public at one or more of its educational

1 buildings or facilities at least 12 hours each week. A group of
2 eligible entities is also eligible to receive a grant if the
3 group follows the procedures for group applications in 34 CFR
4 75.127-129 of the Education Department General Administrative
5 Regulations.

6 To be eligible to apply for a grant, a Community
7 Technology Center must serve a covered population or a
8 community in which not less than 40% of the students are
9 eligible for a free or reduced price lunch under the national
10 school lunch program or in which not less than 30% of the
11 students are eligible for a free lunch under the national
12 school lunch program; however, if funding is insufficient to
13 approve all grant applications for a particular fiscal year,
14 the Department may impose a higher minimum percentage
15 threshold for that fiscal year. Determinations of communities
16 and determinations of the percentage of students in a
17 community who are eligible for a free or reduced price lunch
18 under the national school lunch program shall be in accordance
19 with rules adopted by the Department.

20 Any entities that have received a Community Technology
21 Center grant under the federal Community Technology Centers
22 Program are also eligible to apply for grants under this
23 Program.

24 The Department shall provide assistance to Community
25 Technology Centers in making those determinations for purposes
26 of applying for grants.

1 The Department shall encourage Community Technology
2 Centers to participate in public and private computer hardware
3 equipment recycling initiatives that provide computers at
4 reduced or no cost to low-income families, including programs
5 authorized by the State Property Control Act. On an annual
6 basis, the Department must provide the Director of Central
7 Management Services with a list of Community Technology
8 Centers that have applied to the Department for funding as
9 potential recipients of surplus State-owned computer hardware
10 equipment under programs authorized by the State Property
11 Control Act.

12 (c) Grant applications shall be submitted to the
13 Department on a schedule of one or more deadlines established
14 by the Department by rule.

15 (d) The Department shall adopt rules setting forth the
16 required form and contents of grant applications.

23 Section 8.49 as follows:

24 (30 ILCS 805/8.49)

1 Sec. 8.49. Exempt mandate. Notwithstanding Sections 6 and
2 8 of this Act, no reimbursement by the State is required for
3 the implementation of any mandate created by Public Act 104-65
4 or 104-284 ~~this amendatory Act of the 104th General Assembly.~~

7 Section 255. The Illinois Income Tax Act is amended by
8 changing Sections 211, 304, and 901 as follows:

9 (35 ILCS 5/211)

10 Sec. 211. Economic Development for a Growing Economy Tax
11 Credit. For tax years beginning on or after January 1, 1999, a
12 Taxpayer who has entered into an Agreement (including a New
13 Construction EDGE Agreement) under the Economic Development
14 for a Growing Economy Tax Credit Act is entitled to a credit
15 against the taxes imposed under subsections (a) and (b) of
16 Section 201 of this Act in an amount to be determined in the
17 Agreement. If the Taxpayer is a partnership or Subchapter S
18 corporation, the credit shall be allowed to the partners or
19 shareholders in accordance with the determination of income
20 and distributive share of income under Sections 702 and 704
21 and subchapter S of the Internal Revenue Code. The Department,
22 in cooperation with the Department of Commerce and Economic
23 Opportunity, shall prescribe rules to enforce and administer
24 the provisions of this Section. This Section is exempt from

1 the provisions of Section 250 of this Act.

2 The credit shall be subject to the conditions set forth in
3 the Agreement and the following limitations:

4 (1) The tax credit shall not exceed the Incremental
5 Income Tax (as defined in Section 5-5 of the Economic
6 Development for a Growing Economy Tax Credit Act) with
7 respect to the project; additionally, the New Construction
8 EDGE Credit shall not exceed the New Construction EDGE
9 Incremental Income Tax (as defined in Section 5-5 of the
10 Economic Development for a Growing Economy Tax Credit
11 Act).

12 (2) The amount of the credit allowed during the tax
13 year plus the sum of all amounts allowed in prior years
14 shall not exceed 100% of the aggregate amount expended by
15 the Taxpayer during all prior tax years on approved costs
16 defined by Agreement.

17 (3) The amount of the credit shall be determined on an
18 annual basis. Except as applied in a carryover year
19 pursuant to Section 211(4) of this Act, the credit may not
20 be applied against any State income tax liability in more
21 than 10 taxable years; provided, however, that (i) an
22 eligible business certified by the Department of Commerce
23 and Economic Opportunity under the Corporate Headquarters
24 Relocation Act may not apply the credit against any of its
25 State income tax liability in more than 15 taxable years
26 and (ii) credits allowed to that eligible business are

1 subject to the conditions and requirements set forth in
2 Sections 5-35 and 5-45 of the Economic Development for a
3 Growing Economy Tax Credit Act and Section 5-51 as
4 applicable to New Construction EDGE Credits.

5 (4) The credit may not exceed the amount of taxes
6 imposed pursuant to subsections (a) and (b) of Section 201
7 of this Act. Any credit that is unused in the year the
8 credit is computed may be carried forward and applied to
9 the tax liability of the 5 taxable years following the
10 excess credit year, except as otherwise provided under
11 paragraph (4.5) of this Section. The credit shall be
12 applied to the earliest year for which there is a tax
13 liability. If there are credits from more than one tax
14 year that are available to offset a liability, the earlier
15 credit shall be applied first.

16 (4.5) The Department of Commerce and Economic
17 Opportunity, in consultation with the Department of
18 Revenue, shall adopt rules to extend the sunset of any
19 earned, existing, or unused credit as provided for in
20 Section 605-1070 ~~605-1055~~ of the Department of Commerce
21 and Economic Opportunity Law of the Civil Administrative
22 Code of Illinois.

23 (5) No credit shall be allowed with respect to any
24 Agreement for any taxable year ending after the
25 Noncompliance Date. Upon receiving notification by the
26 Department of Commerce and Economic Opportunity of the

1 noncompliance of a Taxpayer with an Agreement, the
2 Department shall notify the Taxpayer that no credit is
3 allowed with respect to that Agreement for any taxable
4 year ending after the Noncompliance Date, as stated in
5 such notification. If any credit has been allowed with
6 respect to an Agreement for a taxable year ending after
7 the Noncompliance Date for that Agreement, any refund paid
8 to the Taxpayer for that taxable year shall, to the extent
9 of that credit allowed, be an erroneous refund within the
10 meaning of Section 912 of this Act.

11 If, during any taxable year, a taxpayer ceases
12 operations at a project location that is the subject of
13 that Agreement with the intent to terminate operations in
14 the State, the tax imposed under subsections (a) and (b)
15 of Section 201 of this Act for such taxable year shall be
16 increased by the amount of any credit allowed under the
17 Agreement for that project location prior to the date the
18 taxpayer ceases operations.

19 (6) For purposes of this Section, the terms
20 "Agreement", "Incremental Income Tax", "New Construction
21 EDGE Agreement", "New Construction EDGE Credit", "New
22 Construction EDGE Incremental Income Tax", and
23 "Noncompliance Date" have the same meaning as when used in
24 the Economic Development for a Growing Economy Tax Credit
25 Act.

2 (35 ILCS 5/304) (from Ch. 120, par. 3-304)

3 Sec. 304. Business income of persons other than residents.

4 (a) In general. The business income of a person other than
5 a resident shall be allocated to this State if such person's
6 business income is derived solely from this State. If a person
7 other than a resident derives business income from this State
8 and one or more other states, then, for tax years ending on or
9 before December 30, 1998, and except as otherwise provided by
10 this Section, such person's business income shall be
11 apportioned to this State by multiplying the income by a
12 fraction, the numerator of which is the sum of the property
13 factor (if any), the payroll factor (if any) and 200% of the
14 sales factor (if any), and the denominator of which is 4
15 reduced by the number of factors other than the sales factor
16 which have a denominator of zero and by an additional 2 if the
17 sales factor has a denominator of zero. For tax years ending on
18 or after December 31, 1998, and except as otherwise provided
19 by this Section, persons other than residents who derive
20 business income from this State and one or more other states
21 shall compute their apportionment factor by weighting their
22 property, payroll, and sales factors as provided in subsection
23 (h) of this Section.

24 (1) Property factor.

25 (A) The property factor is a fraction, the numerator

1 of which is the average value of the person's real and
2 tangible personal property owned or rented and used in the
3 trade or business in this State during the taxable year
4 and the denominator of which is the average value of all
5 the person's real and tangible personal property owned or
6 rented and used in the trade or business during the
7 taxable year.

8 (B) Property owned by the person is valued at its
9 original cost. Property rented by the person is valued at
10 8 times the net annual rental rate. Net annual rental rate
11 is the annual rental rate paid by the person less any
12 annual rental rate received by the person from
13 sub-rentals.

14 (C) The average value of property shall be determined
15 by averaging the values at the beginning and ending of the
16 taxable year, but the Director may require the averaging
17 of monthly values during the taxable year if reasonably
18 required to reflect properly the average value of the
19 person's property.

20 (2) Payroll factor.

21 (A) The payroll factor is a fraction, the numerator of
22 which is the total amount paid in this State during the
23 taxable year by the person for compensation, and the
24 denominator of which is the total compensation paid
25 everywhere during the taxable year.

26 (B) Compensation is paid in this State if:

1 (i) The individual's service is performed entirely
2 within this State;

3 (ii) The individual's service is performed both
4 within and without this State, but the service
5 performed without this State is incidental to the
6 individual's service performed within this State; or

7 (iii) For tax years ending prior to December 31,
8 2020, some of the service is performed within this
9 State and either the base of operations, or if there is
10 no base of operations, the place from which the
11 service is directed or controlled is within this
12 State, or the base of operations or the place from
13 which the service is directed or controlled is not in
14 any state in which some part of the service is
15 performed, but the individual's residence is in this
16 State. For tax years ending on or after December 31,
17 2020, compensation is paid in this State if some of the
18 individual's service is performed within this State,
19 the individual's service performed within this State
20 is nonincidental to the individual's service performed
21 without this State, and the individual's service is
22 performed within this State for more than 30 working
23 days during the tax year. The amount of compensation
24 paid in this State shall include the portion of the
25 individual's total compensation for services performed
26 on behalf of his or her employer during the tax year

1 which the number of working days spent within this
2 State during the tax year bears to the total number of
3 working days spent both within and without this State
4 during the tax year. For purposes of this paragraph:

5 (a) The term "working day" means all days
6 during the tax year in which the individual
7 performs duties on behalf of his or her employer.
8 All days in which the individual performs no
9 duties on behalf of his or her employer (e.g.,
10 weekends, vacation days, sick days, and holidays)
11 are not working days.

12 (b) A working day is spent within this State
13 if:

14 (1) the individual performs service on
15 behalf of the employer and a greater amount of
16 time on that day is spent by the individual
17 performing duties on behalf of the employer
18 within this State, without regard to time
19 spent traveling, than is spent performing
20 duties on behalf of the employer without this
21 State; or

22 (2) the only service the individual
23 performs on behalf of the employer on that day
24 is traveling to a destination within this
25 State, and the individual arrives on that day.

26 (c) Working days spent within this State do

1 not include any day in which the employee is
2 performing services in this State during a
3 disaster period solely in response to a request
4 made to his or her employer by the government of
5 this State, by any political subdivision of this
6 State, or by a person conducting business in this
7 State to perform disaster or emergency-related
8 services in this State. For purposes of this item
9 (c):

10 "Declared State disaster or emergency"
11 means a disaster or emergency event (i) for
12 which a Governor's proclamation of a state of
13 emergency has been issued or (ii) for which a
14 Presidential declaration of a federal major
15 disaster or emergency has been issued.

16 "Disaster period" means a period that
17 begins 10 days prior to the date of the
18 Governor's proclamation or the President's
19 declaration (whichever is earlier) and extends
20 for a period of 60 calendar days after the end
21 of the declared disaster or emergency period.

22 "Disaster or emergency-related services"
23 means repairing, renovating, installing,
24 building, or rendering services or conducting
25 other business activities that relate to
26 infrastructure that has been damaged,

1 impaired, or destroyed by the declared State
2 disaster or emergency.

3 "Infrastructure" means property and
4 equipment owned or used by a public utility,
5 communications network, broadband and Internet
6 service provider, cable and video service
7 provider, electric or gas distribution system,
8 or water pipeline that provides service to
9 more than one customer or person, including
10 related support facilities. "Infrastructure"
11 includes, but is not limited to, real and
12 personal property such as buildings, offices,
13 power lines, cable lines, poles,
14 communications lines, pipes, structures, and
15 equipment.

16 (iv) Compensation paid to nonresident professional
17 athletes.

18 (a) General. The Illinois source income of a
19 nonresident individual who is a member of a
20 professional athletic team includes the portion of the
21 individual's total compensation for services performed
22 as a member of a professional athletic team during the
23 taxable year which the number of duty days spent
24 within this State performing services for the team in
25 any manner during the taxable year bears to the total
26 number of duty days spent both within and without this

1 State during the taxable year.

2 (b) Travel days. Travel days that do not involve
3 either a game, practice, team meeting, or other
4 similar team event are not considered duty days spent
5 in this State. However, such travel days are
6 considered in the total duty days spent both within
7 and without this State.

8 (c) Definitions. For purposes of this subpart
9 (iv):

10 (1) The term "professional athletic team"
11 includes, but is not limited to, any professional
12 baseball, basketball, football, soccer, or hockey
13 team.

14 (2) The term "member of a professional
15 athletic team" includes those employees who are
16 active players, players on the disabled list, and
17 any other persons required to travel and who
18 travel with and perform services on behalf of a
19 professional athletic team on a regular basis.
20 This includes, but is not limited to, coaches,
21 managers, and trainers.

22 (3) Except as provided in items (C) and (D) of
23 this subpart (3), the term "duty days" means all
24 days during the taxable year from the beginning of
25 the professional athletic team's official
26 pre-season training period through the last game

1 in which the team competes or is scheduled to
2 compete. Duty days shall be counted for the year
3 in which they occur, including where a team's
4 official pre-season training period through the
5 last game in which the team competes or is
6 scheduled to compete, occurs during more than one
7 tax year.

8 (A) Duty days shall also include days on
9 which a member of a professional athletic team
10 performs service for a team on a date that
11 does not fall within the foregoing period
12 (e.g., participation in instructional leagues,
13 the "All Star Game", or promotional
14 "caravans"). Performing a service for a
15 professional athletic team includes conducting
16 training and rehabilitation activities, when
17 such activities are conducted at team
18 facilities.

19 (B) Also included in duty days are game
20 days, practice days, days spent at team
21 meetings, promotional caravans, preseason
22 training camps, and days served with the team
23 through all post-season games in which the
24 team competes or is scheduled to compete.

25 (C) Duty days for any person who joins a
26 team during the period from the beginning of

1 the professional athletic team's official
2 pre-season training period through the last
3 game in which the team competes, or is
4 scheduled to compete, shall begin on the day
5 that person joins the team. Conversely, duty
6 days for any person who leaves a team during
7 this period shall end on the day that person
8 leaves the team. Where a person switches teams
9 during a taxable year, a separate duty-day
10 calculation shall be made for the period the
11 person was with each team.

12 (D) Days for which a member of a
13 professional athletic team is not compensated
14 and is not performing services for the team in
15 any manner, including days when such member of
16 a professional athletic team has been
17 suspended without pay and prohibited from
18 performing any services for the team, shall
19 not be treated as duty days.

20 (E) Days for which a member of a
21 professional athletic team is on the disabled
22 list and does not conduct rehabilitation
23 activities at facilities of the team, and is
24 not otherwise performing services for the team
25 in Illinois, shall not be considered duty days
26 spent in this State. All days on the disabled

1 list, however, are considered to be included
2 in total duty days spent both within and
3 without this State.

4 (4) The term "total compensation for services
5 performed as a member of a professional athletic
6 team" means the total compensation received during
7 the taxable year for services performed:

8 (A) from the beginning of the official
9 pre-season training period through the last
10 game in which the team competes or is
11 scheduled to compete during that taxable year;
12 and

13 (B) during the taxable year on a date
14 which does not fall within the foregoing
15 period (e.g., participation in instructional
16 leagues, the "All Star Game", or promotional
17 caravans).

18 This compensation shall include, but is not
19 limited to, salaries, wages, bonuses as described
20 in this subpart, and any other type of
21 compensation paid during the taxable year to a
22 member of a professional athletic team for
23 services performed in that year. This compensation
24 does not include strike benefits, severance pay,
25 termination pay, contract or option year buy-out
26 payments, expansion or relocation payments, or any

1 other payments not related to services performed
2 for the team.

3 For purposes of this subparagraph, "bonuses"
4 included in "total compensation for services
5 performed as a member of a professional athletic
6 team" subject to the allocation described in
7 Section 302(c)(1) are: bonuses earned as a result
8 of play (i.e., performance bonuses) during the
9 season, including bonuses paid for championship,
10 playoff or "bowl" games played by a team, or for
11 selection to all-star league or other honorary
12 positions; and bonuses paid for signing a
13 contract, unless the payment of the signing bonus
14 is not conditional upon the signee playing any
15 games for the team or performing any subsequent
16 services for the team or even making the team, the
17 signing bonus is payable separately from the
18 salary and any other compensation, and the signing
19 bonus is nonrefundable.

20 (3) Sales factor.

21 (A) The sales factor is a fraction, the numerator of
22 which is the total sales of the person in this State during
23 the taxable year, and the denominator of which is the
24 total sales of the person everywhere during the taxable
25 year.

26 (B) Sales of tangible personal property are in this

1 State if:

2 (i) The property is delivered or shipped to a
3 purchaser, other than the United States government,
4 within this State regardless of the f. o. b. point or
5 other conditions of the sale; or

6 (ii) The property is shipped from an office,
7 store, warehouse, factory or other place of storage in
8 this State and either the purchaser is the United
9 States government or the person is not taxable in the
10 state of the purchaser; provided, however, that
11 premises owned or leased by a person who has
12 independently contracted with the seller for the
13 printing of newspapers, periodicals or books shall not
14 be deemed to be an office, store, warehouse, factory
15 or other place of storage for purposes of this
16 Section. Sales of tangible personal property are not
17 in this State if the seller and purchaser would be
18 members of the same unitary business group but for the
19 fact that either the seller or purchaser is a person
20 with 80% or more of total business activity outside of
21 the United States and the property is purchased for
22 resale.

23 (B-1) Patents, copyrights, trademarks, and similar
24 items of intangible personal property.

25 (i) Gross receipts from the licensing, sale, or
26 other disposition of a patent, copyright, trademark,

1 or similar item of intangible personal property, other
2 than gross receipts governed by paragraph (B-7) of
3 this item (3), are in this State to the extent the item
4 is utilized in this State during the year the gross
5 receipts are included in gross income.

6 (ii) Place of utilization.

7 (I) A patent is utilized in a state to the
8 extent that it is employed in production,
9 fabrication, manufacturing, or other processing in
10 the state or to the extent that a patented product
11 is produced in the state. If a patent is utilized
12 in more than one state, the extent to which it is
13 utilized in any one state shall be a fraction
14 equal to the gross receipts of the licensee or
15 purchaser from sales or leases of items produced,
16 fabricated, manufactured, or processed within that
17 state using the patent and of patented items
18 produced within that state, divided by the total
19 of such gross receipts for all states in which the
20 patent is utilized.

21 (II) A copyright is utilized in a state to the
22 extent that printing or other publication
23 originates in the state. If a copyright is
24 utilized in more than one state, the extent to
25 which it is utilized in any one state shall be a
26 fraction equal to the gross receipts from sales or

1 licenses of materials printed or published in that
2 state divided by the total of such gross receipts
3 for all states in which the copyright is utilized.

4 (III) Trademarks and other items of intangible
5 personal property governed by this paragraph (B-1)
6 are utilized in the state in which the commercial
7 domicile of the licensee or purchaser is located.

8 (iii) If the state of utilization of an item of
9 property governed by this paragraph (B-1) cannot be
10 determined from the taxpayer's books and records or
11 from the books and records of any person related to the
12 taxpayer within the meaning of Section 267(b) of the
13 Internal Revenue Code, 26 U.S.C. 267, the gross
14 receipts attributable to that item shall be excluded
15 from both the numerator and the denominator of the
16 sales factor.

17 (B-2) Gross receipts from the license, sale, or other
18 disposition of patents, copyrights, trademarks, and
19 similar items of intangible personal property, other than
20 gross receipts governed by paragraph (B-7) of this item
21 (3), may be included in the numerator or denominator of
22 the sales factor only if gross receipts from licenses,
23 sales, or other disposition of such items comprise more
24 than 50% of the taxpayer's total gross receipts included
25 in gross income during the tax year and during each of the
26 2 immediately preceding tax years; provided that, when a

1 taxpayer is a member of a unitary business group, such
2 determination shall be made on the basis of the gross
3 receipts of the entire unitary business group.

4 (B-5) For taxable years ending on or after December
5 31, 2008, except as provided in subsections (ii) through
6 (vii), receipts from the sale of telecommunications
7 service or mobile telecommunications service are in this
8 State if the customer's service address is in this State.

9 (i) For purposes of this subparagraph (B-5), the
10 following terms have the following meanings:

11 "Ancillary services" means services that are
12 associated with or incidental to the provision of
13 "telecommunications services", including, but not
14 limited to, "detailed telecommunications billing",
15 "directory assistance", "vertical service", and "voice
16 mail services".

17 "Air-to-Ground Radiotelephone service" means a
18 radio service, as that term is defined in 47 CFR 22.99,
19 in which common carriers are authorized to offer and
20 provide radio telecommunications service for hire to
21 subscribers in aircraft.

22 "Call-by-call Basis" means any method of charging
23 for telecommunications services where the price is
24 measured by individual calls.

25 "Communications Channel" means a physical or
26 virtual path of communications over which signals are

1 transmitted between or among customer channel
2 termination points.

3 "Conference bridging service" means an "ancillary
4 service" that links two or more participants of an
5 audio or video conference call and may include the
6 provision of a telephone number. "Conference bridging
7 service" does not include the "telecommunications
8 services" used to reach the conference bridge.

9 "Customer Channel Termination Point" means the
10 location where the customer either inputs or receives
11 the communications.

12 "Detailed telecommunications billing service"
13 means an "ancillary service" of separately stating
14 information pertaining to individual calls on a
15 customer's billing statement.

16 "Directory assistance" means an "ancillary
17 service" of providing telephone number information,
18 and/or address information.

20 carrier or reseller with which the customer contracts
21 for the provision of mobile telecommunications
22 services.

23 "Mobile telecommunications service" means
24 commercial mobile radio service, as defined in Section
25 20.3 of Title 47 of the Code of Federal Regulations as
26 in effect on June 1, 1999.

1 "Place of primary use" means the street address
2 representative of where the customer's use of the
3 telecommunications service primarily occurs, which
4 must be the residential street address or the primary
5 business street address of the customer. In the case
6 of mobile telecommunications services, "place of
7 primary use" must be within the licensed service area
8 of the home service provider.

9 "Post-paid telecommunication service" means the
10 telecommunications service obtained by making a
11 payment on a call-by-call basis either through the use
12 of a credit card or payment mechanism such as a bank
13 card, travel card, credit card, or debit card, or by
14 charge made to a telephone number which is not
15 associated with the origination or termination of the
16 telecommunications service. A post-paid calling
17 service includes telecommunications service, except a
18 prepaid wireless calling service, that would be a
19 prepaid calling service except it is not exclusively a
20 telecommunication service.

21 "Prepaid telecommunication service" means the
22 right to access exclusively telecommunications
23 services, which must be paid for in advance and which
24 enables the origination of calls using an access
25 number or authorization code, whether manually or
26 electronically dialed, and that is sold in

1 predetermined units or dollars of which the number
2 declines with use in a known amount.

3 "Prepaid Mobile telecommunication service" means a
4 telecommunications service that provides the right to
5 utilize mobile wireless service as well as other
6 non-telecommunication services, including, but not
7 limited to, ancillary services, which must be paid for
8 in advance that is sold in predetermined units or
9 dollars of which the number declines with use in a
10 known amount.

11 "Private communication service" means a
12 telecommunication service that entitles the customer
13 to exclusive or priority use of a communications
14 channel or group of channels between or among
15 termination points, regardless of the manner in which
16 such channel or channels are connected, and includes
17 switching capacity, extension lines, stations, and any
18 other associated services that are provided in
19 connection with the use of such channel or channels.

20 "Service address" means:

21 (a) The location of the telecommunications
22 equipment to which a customer's call is charged
23 and from which the call originates or terminates,
24 regardless of where the call is billed or paid;

25 (b) If the location in line (a) is not known,
26 service address means the origination point of the

1 signal of the telecommunications services first
2 identified by either the seller's
3 telecommunications system or in information
4 received by the seller from its service provider
5 where the system used to transport such signals is
6 not that of the seller; and

7 (c) If the locations in line (a) and line (b)
8 are not known, the service address means the
9 location of the customer's place of primary use.

10 "Telecommunications service" means the electronic
11 transmission, conveyance, or routing of voice, data,
12 audio, video, or any other information or signals to a
13 point, or between or among points. The term
14 "telecommunications service" includes such
15 transmission, conveyance, or routing in which computer
16 processing applications are used to act on the form,
17 code or protocol of the content for purposes of
18 transmission, conveyance or routing without regard to
19 whether such service is referred to as voice over
20 Internet protocol services or is classified by the
21 Federal Communications Commission as enhanced or value
22 added. "Telecommunications service" does not include:

23 (a) Data processing and information services
24 that allow data to be generated, acquired, stored,
25 processed, or retrieved and delivered by an
26 electronic transmission to a purchaser when such

1 purchaser's primary purpose for the underlying
2 transaction is the processed data or information;

3 (b) Installation or maintenance of wiring or
4 equipment on a customer's premises;

5 (c) Tangible personal property;

6 (d) Advertising, including, but not limited
7 to, directory advertising;

8 (e) Billing and collection services provided
9 to third parties;

10 (f) Internet access service;

11 (g) Radio and television audio and video
12 programming services, regardless of the medium,
13 including the furnishing of transmission,
14 conveyance and routing of such services by the
15 programming service provider. Radio and television
16 audio and video programming services shall
17 include, but not be limited to, cable service as
18 defined in 47 USC 522(6) and audio and video
19 programming services delivered by commercial
20 mobile radio service providers, as defined in 47
21 CFR 20.3;

22 (h) "Ancillary services"; or

23 (i) Digital products "delivered
24 electronically", including, but not limited to,
25 software, music, video, reading materials or
26 ringtones.

1 "Vertical service" means an "ancillary service"
2 that is offered in connection with one or more
3 "telecommunications services", which offers advanced
4 calling features that allow customers to identify
5 callers and to manage multiple calls and call
6 connections, including "conference bridging services".

7 "Voice mail service" means an "ancillary service"
8 that enables the customer to store, send or receive
9 recorded messages. "Voice mail service" does not
10 include any "vertical services" that the customer may
11 be required to have in order to utilize the "voice mail
12 service".

13 (ii) Receipts from the sale of telecommunications
14 service sold on an individual call-by-call basis are
15 in this State if either of the following applies:

16 (a) The call both originates and terminates in
17 this State.

18 (b) The call either originates or terminates
19 in this State and the service address is located
20 in this State.

21 (iii) Receipts from the sale of postpaid
22 telecommunications service at retail are in this State
23 if the origination point of the telecommunication
24 signal, as first identified by the service provider's
25 telecommunication system or as identified by
26 information received by the seller from its service

1 provider if the system used to transport
2 telecommunication signals is not the seller's, is
3 located in this State.

4 (iv) Receipts from the sale of prepaid
5 telecommunications service or prepaid mobile
6 telecommunications service at retail are in this State
7 if the purchaser obtains the prepaid card or similar
8 means of conveyance at a location in this State.
9 Receipts from recharging a prepaid telecommunications
10 service or mobile telecommunications service is in
11 this State if the purchaser's billing information
12 indicates a location in this State.

13 (v) Receipts from the sale of private
14 communication services are in this State as follows:

15 (a) 100% of receipts from charges imposed at
16 each channel termination point in this State.

17 (b) 100% of receipts from charges for the
18 total channel mileage between each channel
19 termination point in this State.

20 (c) 50% of the total receipts from charges for
21 service segments when those segments are between 2
22 customer channel termination points, 1 of which is
23 located in this State and the other is located
24 outside of this State, which segments are
25 separately charged.

26 (d) The receipts from charges for service

1 segments with a channel termination point located
2 in this State and in two or more other states, and
3 which segments are not separately billed, are in
4 this State based on a percentage determined by
5 dividing the number of customer channel
6 termination points in this State by the total
7 number of customer channel termination points.

8 (vi) Receipts from charges for ancillary services
9 for telecommunications service sold to customers at
10 retail are in this State if the customer's primary
11 place of use of telecommunications services associated
12 with those ancillary services is in this State. If the
13 seller of those ancillary services cannot determine
14 where the associated telecommunications are located,
15 then the ancillary services shall be based on the
16 location of the purchaser.

17 (vii) Receipts to access a carrier's network or
18 from the sale of telecommunication services or
19 ancillary services for resale are in this State as
20 follows:

21 (a) 100% of the receipts from access fees
22 attributable to intrastate telecommunications
23 service that both originates and terminates in
24 this State.

25 (b) 50% of the receipts from access fees
26 attributable to interstate telecommunications

1 service if the interstate call either originates
2 or terminates in this State.

3 (c) 100% of the receipts from interstate end
4 user access line charges, if the customer's
5 service address is in this State. As used in this
6 subdivision, "interstate end user access line
7 charges" includes, but is not limited to, the
8 surcharge approved by the federal communications
9 commission and levied pursuant to 47 CFR 69.

10 (d) Gross receipts from sales of
11 telecommunication services or from ancillary
12 services for telecommunications services sold to
13 other telecommunication service providers for
14 resale shall be sourced to this State using the
15 apportionment concepts used for non-resale
16 receipts of telecommunications services if the
17 information is readily available to make that
18 determination. If the information is not readily
19 available, then the taxpayer may use any other
20 reasonable and consistent method.

21 (B-7) For taxable years ending on or after December
22 31, 2008, receipts from the sale of broadcasting services
23 are in this State if the broadcasting services are
24 received in this State. For purposes of this paragraph
25 (B-7), the following terms have the following meanings:

26 "Advertising revenue" means consideration received

1 by the taxpayer in exchange for broadcasting services
2 or allowing the broadcasting of commercials or
3 announcements in connection with the broadcasting of
4 film or radio programming, from sponsorships of the
5 programming, or from product placements in the
6 programming.

7 "Audience factor" means the ratio that the
8 audience or subscribers located in this State of a
9 station, a network, or a cable system bears to the
10 total audience or total subscribers for that station,
11 network, or cable system. The audience factor for film
12 or radio programming shall be determined by reference
13 to the books and records of the taxpayer or by
14 reference to published rating statistics provided the
15 method used by the taxpayer is consistently used from
16 year to year for this purpose and fairly represents
17 the taxpayer's activity in this State.

18 "Broadcast" or "broadcasting" or "broadcasting
19 services" means the transmission or provision of film
20 or radio programming, whether through the public
21 airwaves, by cable, by direct or indirect satellite
22 transmission, or by any other means of communication,
23 either through a station, a network, or a cable
24 system.

25 "Film" or "film programming" means the broadcast
26 on television of any and all performances, events, or

1 productions, including, but not limited to, news,
2 sporting events, plays, stories, or other literary,
3 commercial, educational, or artistic works, either
4 live or through the use of video tape, disc, or any
5 other type of format or medium. Each episode of a
6 series of films produced for television shall
7 constitute a separate "film" notwithstanding that the
8 series relates to the same principal subject and is
9 produced during one or more tax periods.

10 "Radio" or "radio programming" means the broadcast
11 on radio of any and all performances, events, or
12 productions, including, but not limited to, news,
13 sporting events, plays, stories, or other literary,
14 commercial, educational, or artistic works, either
15 live or through the use of an audio tape, disc, or any
16 other format or medium. Each episode in a series of
17 radio programming produced for radio broadcast shall
18 constitute a separate "radio programming"
19 notwithstanding that the series relates to the same
20 principal subject and is produced during one or more
21 tax periods.

22 (i) In the case of advertising revenue from
23 broadcasting, the customer is the advertiser and
24 the service is received in this State if the
25 commercial domicile of the advertiser is in this
26 State.

1 (ii) In the case where film or radio
2 programming is broadcast by a station, a network,
3 or a cable system for a fee or other remuneration
4 received from the recipient of the broadcast, the
5 portion of the service that is received in this
6 State is measured by the portion of the recipients
7 of the broadcast located in this State.
8 Accordingly, the fee or other remuneration for
9 such service that is included in the Illinois
10 numerator of the sales factor is the total of
11 those fees or other remuneration received from
12 recipients in Illinois. For purposes of this
13 paragraph, a taxpayer may determine the location
14 of the recipients of its broadcast using the
15 address of the recipient shown in its contracts
16 with the recipient or using the billing address of
17 the recipient in the taxpayer's records.

18 (iii) In the case where film or radio
19 programming is broadcast by a station, a network,
20 or a cable system for a fee or other remuneration
21 from the person providing the programming, the
22 portion of the broadcast service that is received
23 by such station, network, or cable system in this
24 State is measured by the portion of recipients of
25 the broadcast located in this State. Accordingly,
26 the amount of revenue related to such an

1 arrangement that is included in the Illinois
2 numerator of the sales factor is the total fee or
3 other total remuneration from the person providing
4 the programming related to that broadcast
5 multiplied by the Illinois audience factor for
6 that broadcast.

7 (iv) In the case where film or radio
8 programming is provided by a taxpayer that is a
9 network or station to a customer for broadcast in
10 exchange for a fee or other remuneration from that
11 customer the broadcasting service is received at
12 the location of the office of the customer from
13 which the services were ordered in the regular
14 course of the customer's trade or business.
15 Accordingly, in such a case the revenue derived by
16 the taxpayer that is included in the taxpayer's
17 Illinois numerator of the sales factor is the
18 revenue from such customers who receive the
19 broadcasting service in Illinois.

20 (v) In the case where film or radio
21 programming is provided by a taxpayer that is not
22 a network or station to another person for
23 broadcasting in exchange for a fee or other
24 remuneration from that person, the broadcasting
25 service is received at the location of the office
26 of the customer from which the services were

1 ordered in the regular course of the customer's
2 trade or business. Accordingly, in such a case the
3 revenue derived by the taxpayer that is included
4 in the taxpayer's Illinois numerator of the sales
5 factor is the revenue from such customers who
6 receive the broadcasting service in Illinois.

7 (B-8) Gross receipts from winnings under the Illinois
8 Lottery Law from the assignment of a prize under Section
9 13.1 of the Illinois Lottery Law are received in this
10 State. This paragraph (B-8) applies only to taxable years
11 ending on or after December 31, 2013.

12 (B-9) For taxable years ending on or after December
13 31, 2019, gross receipts from winnings from pari-mutuel
14 wagering conducted at a wagering facility licensed under
15 the Illinois Horse Racing Act of 1975 or from winnings
16 from gambling games conducted on a riverboat or in a
17 casino or organization gaming facility licensed under the
18 Illinois Gambling Act are in this State.

19 (B-10) For taxable years ending on or after December
20 31, 2021, gross receipts from winnings from sports
21 wagering conducted in accordance with the Sports Wagering
22 Act are in this State.

23 (C) For taxable years ending before December 31, 2008,
24 sales, other than sales governed by paragraphs (B), (B-1),
25 (B-2), and (B-8) are in this State if:

26 (i) The income-producing activity is performed in

1 this State; or

2 (ii) The income-producing activity is performed
3 both within and without this State and a greater
4 proportion of the income-producing activity is
5 performed within this State than without this State,
6 based on performance costs.

7 (C-5) For taxable years ending on or after December
8 31, 2008, sales, other than sales governed by paragraphs
9 (B), (B-1), (B-2), (B-5), and (B-7), are in this State if
10 any of the following criteria are met:

11 (i) Sales from the sale or lease of real property
12 are in this State if the property is located in this
13 State.

14 (ii) Sales from the lease or rental of tangible
15 personal property are in this State if the property is
16 located in this State during the rental period. Sales
17 from the lease or rental of tangible personal property
18 that is characteristically moving property, including,
19 but not limited to, motor vehicles, rolling stock,
20 aircraft, vessels, or mobile equipment are in this
21 State to the extent that the property is used in this
22 State.

23 (iii) In the case of interest, net gains (but not
24 less than zero) and other items of income from
25 intangible personal property, the sale is in this
26 State if:

1 (a) in the case of a taxpayer who is a dealer
2 in the item of intangible personal property within
3 the meaning of Section 475 of the Internal Revenue
4 Code, the income or gain is received from a
5 customer in this State. For purposes of this
6 subparagraph, a customer is in this State if the
7 customer is an individual, trust or estate who is
8 a resident of this State and, for all other
9 customers, if the customer's commercial domicile
10 is in this State. Unless the dealer has actual
11 knowledge of the residence or commercial domicile
12 of a customer during a taxable year, the customer
13 shall be deemed to be a customer in this State if
14 the billing address of the customer, as shown in
15 the records of the dealer, is in this State;

16 (a-5) in the case of the sale or exchange of
17 shares in a Subchapter S corporation or an
18 interest in a partnership, other than an
19 investment partnership as defined in paragraph
20 (11.5) of subsection (a) of Section 1501, the
21 Subchapter S corporation or partnership was
22 taxable in this State; for purposes of this
23 subparagraph, the amount attributable to this
24 State shall be determined in proportion to the
25 average of the pass-through entity's Illinois
26 apportionment factor computed under this Section

1 in the year of the sale or exchange and the 2 tax
2 years immediately preceding the year of the sale
3 or exchange; if the pass-through entity was not in
4 existence during both of the preceding 2 years,
5 then only the years in which the pass-through
6 entity was in existence shall be considered when
7 computing the average; or

8 (b) in all other cases, if the
9 income-producing activity of the taxpayer is
10 performed in this State or, if the
11 income-producing activity of the taxpayer is
12 performed both within and without this State, if a
13 greater proportion of the income-producing
14 activity of the taxpayer is performed within this
15 State than in any other state, based on
16 performance costs.

17 (iv) Sales of services are in this State if the
18 services are received in this State. For the purposes
19 of this section, gross receipts from the performance
20 of services provided to a corporation, partnership, or
21 trust may only be attributed to a state where that
22 corporation, partnership, or trust has a fixed place
23 of business. If the state where the services are
24 received is not readily determinable or is a state
25 where the corporation, partnership, or trust receiving
26 the service does not have a fixed place of business,

1 the services shall be deemed to be received at the
2 location of the office of the customer from which the
3 services were ordered in the regular course of the
4 customer's trade or business. If the ordering office
5 cannot be determined, the services shall be deemed to
6 be received at the office of the customer to which the
7 services are billed. If the taxpayer is not taxable in
8 the state in which the services are received, the sale
9 must be excluded from both the numerator and the
10 denominator of the sales factor. The Department shall
11 adopt rules prescribing where specific types of
12 service are received, including, but not limited to,
13 publishing, and utility service.

14 (D) For taxable years ending on or after December 31,
15 1995, the following items of income shall not be included
16 in the numerator or denominator of the sales factor:
17 dividends; amounts included under Section 78 of the
18 Internal Revenue Code; and Subpart F income as defined in
19 Section 952 of the Internal Revenue Code. No inference
20 shall be drawn from the enactment of this paragraph (D) in
21 construing this Section for taxable years ending before
22 December 31, 1995.

23 (E) Paragraphs (B-1) and (B-2) shall apply to tax
24 years ending on or after December 31, 1999, provided that
25 a taxpayer may elect to apply the provisions of these
26 paragraphs to prior tax years. Such election shall be made

1 in the form and manner prescribed by the Department, shall
2 be irrevocable, and shall apply to all tax years; provided
3 that, if a taxpayer's Illinois income tax liability for
4 any tax year, as assessed under Section 903 prior to
5 January 1, 1999, was computed in a manner contrary to the
6 provisions of paragraphs (B-1) or (B-2), no refund shall
7 be payable to the taxpayer for that tax year to the extent
8 such refund is the result of applying the provisions of
9 paragraph (B-1) or (B-2) retroactively. In the case of a
10 unitary business group, such election shall apply to all
11 members of such group for every tax year such group is in
12 existence, but shall not apply to any taxpayer for any
13 period during which that taxpayer is not a member of such
14 group.

15 (b) Insurance companies.

16 (1) In general. Except as otherwise provided by
17 paragraph (2), business income of an insurance company for
18 a taxable year shall be apportioned to this State by
19 multiplying such income by a fraction, the numerator of
20 which is the direct premiums written for insurance upon
21 property or risk in this State, and the denominator of
22 which is the direct premiums written for insurance upon
23 property or risk everywhere. For purposes of this
24 subsection, the term "direct premiums written" means the
25 total amount of direct premiums written, assessments and
26 annuity considerations as reported for the taxable year on

1 the annual statement filed by the company with the
2 Illinois Director of Insurance in the form approved by the
3 National Convention of Insurance Commissioners or such
4 other form as may be prescribed in lieu thereof.

5 (2) Reinsurance. If the principal source of premiums
6 written by an insurance company consists of premiums for
7 reinsurance accepted by it, the business income of such
8 company shall be apportioned to this State by multiplying
9 such income by a fraction, the numerator of which is the
10 sum of (i) direct premiums written for insurance upon
11 property or risk in this State, plus (ii) premiums written
12 for reinsurance accepted in respect of property or risk in
13 this State, and the denominator of which is the sum of
14 (iii) direct premiums written for insurance upon property
15 or risk everywhere, plus (iv) premiums written for
16 reinsurance accepted in respect of property or risk
17 everywhere. For purposes of this paragraph, premiums
18 written for reinsurance accepted in respect of property or
19 risk in this State, whether or not otherwise determinable,
20 may, at the election of the company, be determined on the
21 basis of the proportion which premiums written for
22 reinsurance accepted from companies commercially domiciled
23 in Illinois bears to premiums written for reinsurance
24 accepted from all sources, or, alternatively, in the
25 proportion which the sum of the direct premiums written
26 for insurance upon property or risk in this State by each

ceding company from which reinsurance is accepted bears to the sum of the total direct premiums written by each such ceding company for the taxable year. The election made by a company under this paragraph for its first taxable year ending on or after December 31, 2011, shall be binding for that company for that taxable year and for all subsequent taxable years, and may be altered only with the written permission of the Department, which shall not be unreasonably withheld.

(c) Financial organizations.

(1) In general. For taxable years ending before December 31, 2008, business income of a financial organization shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is its business income from sources within this State, and the denominator of which is its business income from all sources. For the purposes of this subsection, the business income of a financial organization from sources within this State is the sum of the amounts referred to in subparagraphs (A) through (E) following, but excluding the adjusted income of an international banking facility as determined in paragraph (2):

(A) Fees, commissions or other compensation for financial services rendered within this State;

(B) Gross profits from trading in stocks, bonds or other securities managed within this State;

1 (C) Dividends, and interest from Illinois
2 customers, which are received within this State;

3 (D) Interest charged to customers at places of
4 business maintained within this State for carrying
5 debit balances of margin accounts, without deduction
6 of any costs incurred in carrying such accounts; and

7 (E) Any other gross income resulting from the
8 operation as a financial organization within this
9 State.

10 In computing the amounts referred to in paragraphs (A)
11 through (E) of this subsection, any amount received by a
12 member of an affiliated group (determined under Section
13 1504(a) of the Internal Revenue Code but without reference
14 to whether any such corporation is an "includible
15 corporation" under Section 1504(b) of the Internal Revenue
16 Code) from another member of such group shall be included
17 only to the extent such amount exceeds expenses of the
18 recipient directly related thereto.

19 (2) International Banking Facility. For taxable years
20 ending before December 31, 2008:

21 (A) Adjusted Income. The adjusted income of an
22 international banking facility is its income reduced
23 by the amount of the floor amount.

24 (B) Floor Amount. The floor amount shall be the
25 amount, if any, determined by multiplying the income
26 of the international banking facility by a fraction,

1 not greater than one, which is determined as follows:

2 (i) The numerator shall be:

3 The average aggregate, determined on a
4 quarterly basis, of the financial organization's
5 loans to banks in foreign countries, to foreign
6 domiciled borrowers (except where secured
7 primarily by real estate) and to foreign
8 governments and other foreign official
9 institutions, as reported for its branches,
10 agencies and offices within the state on its
11 "Consolidated Report of Condition", Schedule A,
12 Lines 2.c., 5.b., and 7.a., which was filed with
13 the Federal Deposit Insurance Corporation and
14 other regulatory authorities, for the year 1980,
15 minus

16 The average aggregate, determined on a
17 quarterly basis, of such loans (other than loans
18 of an international banking facility), as reported
19 by the financial institution for its branches,
20 agencies and offices within the state, on the
21 corresponding Schedule and lines of the
22 Consolidated Report of Condition for the current
23 taxable year, provided, however, that in no case
24 shall the amount determined in this clause (the
25 subtrahend) exceed the amount determined in the
26 preceding clause (the minuend); and

1 (ii) the denominator shall be the average
2 aggregate, determined on a quarterly basis, of the
3 international banking facility's loans to banks in
4 foreign countries, to foreign domiciled borrowers
5 (except where secured primarily by real estate)
6 and to foreign governments and other foreign
7 official institutions, which were recorded in its
8 financial accounts for the current taxable year.

9 (C) Change to Consolidated Report of Condition and
10 in Qualification. In the event the Consolidated Report
11 of Condition which is filed with the Federal Deposit
12 Insurance Corporation and other regulatory authorities
13 is altered so that the information required for
14 determining the floor amount is not found on Schedule
15 A, lines 2.c., 5.b. and 7.a., the financial
16 institution shall notify the Department and the
17 Department may, by regulations or otherwise, prescribe
18 or authorize the use of an alternative source for such
19 information. The financial institution shall also
20 notify the Department should its international banking
21 facility fail to qualify as such, in whole or in part,
22 or should there be any amendment or change to the
23 Consolidated Report of Condition, as originally filed,
24 to the extent such amendment or change alters the
25 information used in determining the floor amount.

26 (3) For taxable years ending on or after December 31,

1 2008, the business income of a financial organization
2 shall be apportioned to this State by multiplying such
3 income by a fraction, the numerator of which is its gross
4 receipts from sources in this State or otherwise
5 attributable to this State's marketplace and the
6 denominator of which is its gross receipts everywhere
7 during the taxable year. "Gross receipts" for purposes of
8 this subparagraph (3) means gross income, including net
9 taxable gain on disposition of assets, including
10 securities and money market instruments, when derived from
11 transactions and activities in the regular course of the
12 financial organization's trade or business. The following
13 examples are illustrative:

14 (i) Receipts from the lease or rental of real or
15 tangible personal property are in this State if the
16 property is located in this State during the rental
17 period. Receipts from the lease or rental of tangible
18 personal property that is characteristically moving
19 property, including, but not limited to, motor
20 vehicles, rolling stock, aircraft, vessels, or mobile
21 equipment are from sources in this State to the extent
22 that the property is used in this State.

23 (ii) Interest income, commissions, fees, gains on
24 disposition, and other receipts from assets in the
25 nature of loans that are secured primarily by real
26 estate or tangible personal property are from sources

1 in this State if the security is located in this State.

2 (iii) Interest income, commissions, fees, gains on
3 disposition, and other receipts from consumer loans
4 that are not secured by real or tangible personal
5 property are from sources in this State if the debtor
6 is a resident of this State.

7 (iv) Interest income, commissions, fees, gains on
8 disposition, and other receipts from commercial loans
9 and installment obligations that are not secured by
10 real or tangible personal property are from sources in
11 this State if the proceeds of the loan are to be
12 applied in this State. If it cannot be determined
13 where the funds are to be applied, the income and
14 receipts are from sources in this State if the office
15 of the borrower from which the loan was negotiated in
16 the regular course of business is located in this
17 State. If the location of this office cannot be
18 determined, the income and receipts shall be excluded
19 from the numerator and denominator of the sales
20 factor.

21 (v) Interest income, fees, gains on disposition,
22 service charges, merchant discount income, and other
23 receipts from credit card receivables are from sources
24 in this State if the card charges are regularly billed
25 to a customer in this State.

26 (vi) Receipts from the performance of services,

1 including, but not limited to, fiduciary, advisory,
2 and brokerage services, are in this State if the
3 services are received in this State within the meaning
4 of subparagraph (a) (3) (C-5) (iv) of this Section.

5 (vii) Receipts from the issuance of travelers
6 checks and money orders are from sources in this State
7 if the checks and money orders are issued from a
8 location within this State.

9 (viii) For tax years ending before December 31,
10 2024, receipts from investment assets and activities
11 and trading assets and activities are included in the
12 receipts factor as follows:

13 (1) Interest, dividends, net gains (but not
14 less than zero) and other income from investment
15 assets and activities from trading assets and
16 activities shall be included in the receipts
17 factor. Investment assets and activities and
18 trading assets and activities include, but are not
19 limited to: investment securities; trading account
20 assets; federal funds; securities purchased and
21 sold under agreements to resell or repurchase;
22 options; futures contracts; forward contracts;
23 notional principal contracts such as swaps;
24 equities; and foreign currency transactions. With
25 respect to the investment and trading assets and
26 activities described in subparagraphs (A) and (B)

1 of this paragraph, the receipts factor shall
2 include the amounts described in such
3 subparagraphs.

4 (A) The receipts factor shall include the
5 amount by which interest from federal funds
6 sold and securities purchased under resale
7 agreements exceeds interest expense on federal
8 funds purchased and securities sold under
9 repurchase agreements.

10 (B) The receipts factor shall include the
11 amount by which interest, dividends, gains and
12 other income from trading assets and
13 activities, including, but not limited to,
14 assets and activities in the matched book, in
15 the arbitrage book, and foreign currency
16 transactions, exceed amounts paid in lieu of
17 interest, amounts paid in lieu of dividends,
18 and losses from such assets and activities.

19 (2) The numerator of the receipts factor
20 includes interest, dividends, net gains (but not
21 less than zero), and other income from investment
22 assets and activities and from trading assets and
23 activities described in paragraph (1) of this
24 subsection that are attributable to this State.

25 (A) The amount of interest, dividends, net
26 gains (but not less than zero), and other

1 income from investment assets and activities
2 in the investment account to be attributed to
3 this State and included in the numerator is
4 determined by multiplying all such income from
5 such assets and activities by a fraction, the
6 numerator of which is the gross income from
7 such assets and activities which are properly
8 assigned to a fixed place of business of the
9 taxpayer within this State and the denominator
10 of which is the gross income from all such
11 assets and activities.

12 (B) The amount of interest from federal
13 funds sold and purchased and from securities
14 purchased under resale agreements and
15 securities sold under repurchase agreements
16 attributable to this State and included in the
17 numerator is determined by multiplying the
18 amount described in subparagraph (A) of
19 paragraph (1) of this subsection from such
20 funds and such securities by a fraction, the
21 numerator of which is the gross income from
22 such funds and such securities which are
23 properly assigned to a fixed place of business
24 of the taxpayer within this State and the
25 denominator of which is the gross income from
26 all such funds and such securities.

1 (C) The amount of interest, dividends,
2 gains, and other income from trading assets
3 and activities, including, but not limited to,
4 assets and activities in the matched book, in
5 the arbitrage book and foreign currency
6 transactions (but excluding amounts described
7 in subparagraphs (A) or (B) of this
8 paragraph), attributable to this State and
9 included in the numerator is determined by
10 multiplying the amount described in
11 subparagraph (B) of paragraph (1) of this
12 subsection by a fraction, the numerator of
13 which is the gross income from such trading
14 assets and activities which are properly
15 assigned to a fixed place of business of the
16 taxpayer within this State and the denominator
17 of which is the gross income from all such
18 assets and activities.

19 (D) Properly assigned, for purposes of
20 this paragraph (2) of this subsection, means
21 the investment or trading asset or activity is
22 assigned to the fixed place of business with
23 which it has a preponderance of substantive
24 contacts. An investment or trading asset or
25 activity assigned by the taxpayer to a fixed
26 place of business without the State shall be

1 presumed to have been properly assigned if:

2 (i) the taxpayer has assigned, in the
3 regular course of its business, such asset
4 or activity on its records to a fixed
5 place of business consistent with federal
6 or state regulatory requirements;

7 (ii) such assignment on its records is
8 based upon substantive contacts of the
9 asset or activity to such fixed place of
10 business; and

11 (iii) the taxpayer uses such records
12 reflecting assignment of such assets or
13 activities for the filing of all state and
14 local tax returns for which an assignment
15 of such assets or activities to a fixed
16 place of business is required.

17 (E) The presumption of proper assignment
18 of an investment or trading asset or activity
19 provided in subparagraph (D) of paragraph (2)
20 of this subsection may be rebutted upon a
21 showing by the Department, supported by a
22 preponderance of the evidence, that the
23 preponderance of substantive contacts
24 regarding such asset or activity did not occur
25 at the fixed place of business to which it was
26 assigned on the taxpayer's records. If the

1 fixed place of business that has a
2 preponderance of substantive contacts cannot
3 be determined for an investment or trading
4 asset or activity to which the presumption in
5 subparagraph (D) of paragraph (2) of this
6 subsection does not apply or with respect to
7 which that presumption has been rebutted, that
8 asset or activity is properly assigned to the
9 state in which the taxpayer's commercial
10 domicile is located. For purposes of this
11 subparagraph (E), it shall be presumed,
12 subject to rebuttal, that taxpayer's
13 commercial domicile is in the state of the
14 United States or the District of Columbia to
15 which the greatest number of employees are
16 regularly connected with the management of the
17 investment or trading income or out of which
18 they are working, irrespective of where the
19 services of such employees are performed, as
20 of the last day of the taxable year.

21 (ix) For tax years ending on or after December 31,
22 2024, receipts from investment assets and activities
23 and trading assets and activities are included in the
24 receipts factor as follows:

25 (1) Interest, dividends, net gains (but not
26 less than zero), and other income from investment

1 assets and activities from trading assets and
2 activities shall be included in the receipts
3 factor. Investment assets and activities and
4 trading assets and activities include, but are not
5 limited to the following: investment securities;
6 trading account assets; federal funds; securities
7 purchased and sold under agreements to resell or
8 repurchase; options; futures contracts; forward
9 contracts; notional principal contracts, such as
10 swaps; equities; and foreign currency
11 transactions. With respect to the investment and
12 trading assets and activities described in
13 subparagraphs (A) and (B) of this paragraph, the
14 receipts factor shall include the amounts
15 described in those subparagraphs.

16 (A) The receipts factor shall include the
17 amount by which interest from federal funds
18 sold and securities purchased under resale
19 agreements exceeds interest expense on federal
20 funds purchased and securities sold under
21 repurchase agreements.

22 (B) The receipts factor shall include the
23 amount by which interest, dividends, gains and
24 other income from trading assets and
25 activities, including, but not limited to,
26 assets and activities in the matched book, in

1 the arbitrage book, and foreign currency
2 transactions, exceed amounts paid in lieu of
3 interest, amounts paid in lieu of dividends,
4 and losses from such assets and activities.

5 (2) The numerator of the receipts factor
6 includes interest, dividends, net gains (but not
7 less than zero), and other income from investment
8 assets and activities and from trading assets and
9 activities described in paragraph (1) of this
10 subsection that are attributable to this State.

11 (A) The amount of interest, dividends, net
12 gains (but not less than zero), and other
13 income from investment assets and activities
14 in the investment account to be attributed to
15 this State and included in the numerator is
16 determined by multiplying all of the income
17 from those assets and activities by a
18 fraction, the numerator of which is the total
19 receipts included in the numerator pursuant to
20 items (i) through (vii) of this subparagraph
21 (3) and the denominator of which is all total
22 receipts included in the denominator, other
23 than interest, dividends, net gains (but not
24 less than zero), and other income from
25 investment assets and activities and trading
26 assets and activities.

1 (B) The amount of interest from federal
2 funds sold and purchased and from securities
3 purchased under resale agreements and
4 securities sold under repurchase agreements
5 attributable to this State and included in the
6 numerator is determined by multiplying the
7 amount described in subparagraph (A) of
8 paragraph (1) of this subsection from such
9 funds and such securities by a fraction, the
10 numerator of which is the total receipts
11 included in the numerator pursuant to items
12 (i) through (vii) of this subparagraph (3) and
13 the denominator of which is all total receipts
14 included in the denominator, other than
15 interest, dividends, net gains (but not less
16 than zero), and other income from investment
17 assets and activities and trading assets and
18 activities.

19 (C) The amount of interest, dividends,
20 gains, and other income from trading assets
21 and activities, including, but not limited to,
22 assets and activities in the matched book, in
23 the arbitrage book and foreign currency
24 transactions (but excluding amounts described
25 in subparagraphs (A) or (B) of this
26 paragraph), attributable to this State and

1 included in the numerator is determined by
2 multiplying the amount described in
3 subparagraph (B) of paragraph (1) of this
4 subsection by a fraction, the numerator of
5 which is the total receipts included in the
6 numerator pursuant to items (i) through (vii)
7 of this subparagraph (3) and the denominator
8 of which is all total receipts included in the
9 denominator, other than interest, dividends,
10 net gains (but not less than zero), and other
11 income from investment assets and activities
12 and trading assets and activities.

13 (4) (Blank).

14 (5) (Blank).

15 (c-1) Federally regulated exchanges. For taxable years
16 ending on or after December 31, 2012, business income of a
17 federally regulated exchange shall, at the option of the
18 federally regulated exchange, be apportioned to this State by
19 multiplying such income by a fraction, the numerator of which
20 is its business income from sources within this State, and the
21 denominator of which is its business income from all sources.
22 For purposes of this subsection, the business income within
23 this State of a federally regulated exchange is the sum of the
24 following:

25 (1) Receipts attributable to transactions executed on
26 a physical trading floor if that physical trading floor is

1 located in this State.

2 (2) Receipts attributable to all other matching,
3 execution, or clearing transactions, including without
4 limitation receipts from the provision of matching,
5 execution, or clearing services to another entity,
6 multiplied by (i) for taxable years ending on or after
7 December 31, 2012 but before December 31, 2013, 63.77%;
8 and (ii) for taxable years ending on or after December 31,
9 2013, 27.54%.

10 (3) All other receipts not governed by subparagraphs
11 (1) or (2) of this subsection (c-1), to the extent the
12 receipts would be characterized as "sales in this State"
13 under item (3) of subsection (a) of this Section.

14 "Federally regulated exchange" means (i) a "registered
15 entity" within the meaning of 7 U.S.C. Section 1a(40) (A), (B),
16 or (C), (ii) an "exchange" or "clearing agency" within the
17 meaning of 15 U.S.C. Section 78c (a) (1) or (23), (iii) any such
18 entities regulated under any successor regulatory structure to
19 the foregoing, and (iv) all taxpayers who are members of the
20 same unitary business group as a federally regulated exchange,
21 determined without regard to the prohibition in Section
22 1501(a) (27) of this Act against including in a unitary
23 business group taxpayers who are ordinarily required to
24 apportion business income under different subsections of this
25 Section; provided that this subparagraph (iv) shall apply only
26 if 50% or more of the business receipts of the unitary business

1 group determined by application of this subparagraph (iv) for
2 the taxable year are attributable to the matching, execution,
3 or clearing of transactions conducted by an entity described
4 in subparagraph (i), (ii), or (iii) of this paragraph.

5 In no event shall the Illinois apportionment percentage
6 computed in accordance with this subsection (c-1) for any
7 taxpayer for any tax year be less than the Illinois
8 apportionment percentage computed under this subsection (c-1)
9 for that taxpayer for the first full tax year ending on or
10 after December 31, 2013 for which this subsection (c-1)
11 applied to the taxpayer.

12 (d) Transportation services. For taxable years ending
13 before December 31, 2008, business income derived from
14 furnishing transportation services shall be apportioned to
15 this State in accordance with paragraphs (1) and (2):

16 (1) Such business income (other than that derived from
17 transportation by pipeline) shall be apportioned to this
18 State by multiplying such income by a fraction, the
19 numerator of which is the revenue miles of the person in
20 this State, and the denominator of which is the revenue
21 miles of the person everywhere. For purposes of this
22 paragraph, a revenue mile is the transportation of 1
23 passenger or 1 net ton of freight the distance of 1 mile
24 for a consideration. Where a person is engaged in the
25 transportation of both passengers and freight, the
26 fraction above referred to shall be determined by means of

1 an average of the passenger revenue mile fraction and the
2 freight revenue mile fraction, weighted to reflect the
3 person's

4 (A) relative railway operating income from total
5 passenger and total freight service, as reported to
6 the Interstate Commerce Commission, in the case of
7 transportation by railroad, and

8 (B) relative gross receipts from passenger and
9 freight transportation, in case of transportation
10 other than by railroad.

11 (2) Such business income derived from transportation
12 by pipeline shall be apportioned to this State by
13 multiplying such income by a fraction, the numerator of
14 which is the revenue miles of the person in this State, and
15 the denominator of which is the revenue miles of the
16 person everywhere. For the purposes of this paragraph, a
17 revenue mile is the transportation by pipeline of 1 barrel
18 of oil, 1,000 cubic feet of gas, or of any specified
19 quantity of any other substance, the distance of 1 mile
20 for a consideration.

21 (3) For taxable years ending on or after December 31,
22 2008, business income derived from providing
23 transportation services other than airline services shall
24 be apportioned to this State by using a fraction, (a) the
25 numerator of which shall be (i) all receipts from any
26 movement or shipment of people, goods, mail, oil, gas, or

1 any other substance (other than by airline) that both
2 originates and terminates in this State, plus (ii) that
3 portion of the person's gross receipts from movements or
4 shipments of people, goods, mail, oil, gas, or any other
5 substance (other than by airline) that originates in one
6 state or jurisdiction and terminates in another state or
7 jurisdiction, that is determined by the ratio that the
8 miles traveled in this State bears to total miles
9 everywhere and (b) the denominator of which shall be all
10 revenue derived from the movement or shipment of people,
11 goods, mail, oil, gas, or any other substance (other than
12 by airline). Where a taxpayer is engaged in the
13 transportation of both passengers and freight, the
14 fraction above referred to shall first be determined
15 separately for passenger miles and freight miles. Then an
16 average of the passenger miles fraction and the freight
17 miles fraction shall be weighted to reflect the
18 taxpayer's:

19 (A) relative railway operating income from total
20 passenger and total freight service, as reported to
21 the Surface Transportation Board, in the case of
22 transportation by railroad; and

23 (B) relative gross receipts from passenger and
24 freight transportation, in case of transportation
25 other than by railroad.

26 (4) For taxable years ending on or after December 31,

1 2008, business income derived from furnishing airline
2 transportation services shall be apportioned to this State
3 by multiplying such income by a fraction, the numerator of
4 which is the revenue miles of the person in this State, and
5 the denominator of which is the revenue miles of the
6 person everywhere. For purposes of this paragraph, a
7 revenue mile is the transportation of one passenger or one
8 net ton of freight the distance of one mile for a
9 consideration. If a person is engaged in the
10 transportation of both passengers and freight, the
11 fraction above referred to shall be determined by means of
12 an average of the passenger revenue mile fraction and the
13 freight revenue mile fraction, weighted to reflect the
14 person's relative gross receipts from passenger and
15 freight airline transportation.

16 (e) Combined apportionment. Where 2 or more persons are
17 engaged in a unitary business as described in subsection
18 (a)(27) of Section 1501, a part of which is conducted in this
19 State by one or more members of the group, the business income
20 attributable to this State by any such member or members shall
21 be apportioned by means of the combined apportionment method.
22 For purposes of applying this Section, for tax years ending on
23 or after December 31, 2025, sales of each member of the unitary
24 business group, as defined in paragraph (27) of subsection (a)
25 of Section 1501, who is not a taxpayer, as defined in paragraph
26 (24) of subsection (a) Section 1501, shall be determined based

1 upon the apportionment rules applicable to the member and
2 shall be aggregated. Each taxpayer member of the unitary
3 business group shall include in its sales factor numerator a
4 portion of the aggregate Illinois sales of non-taxpayer
5 members based on a ratio, the numerator of which is that
6 taxpayer member's Illinois sales taking into account its
7 applicable sales factor provisions, and the denominator of
8 which is the aggregate Illinois sales of all the taxpayer
9 members of the group taking into account their respective
10 sales factor provisions. In addition, if inclusion of sales in
11 the sales factor or numerator of the sales factor depends on
12 whether a taxpayer is considered taxable in another state
13 within the meaning of subsection (f) of Section 303, that
14 taxpayer shall be considered taxable in any state in which any
15 member of its unitary business group is considered taxable
16 under subsection (f) of Section 303.

17 (f) Alternative allocation. If the allocation and
18 apportionment provisions of subsections (a) through (e) and of
19 subsection (h) do not, for taxable years ending before
20 December 31, 2008, fairly represent the extent of a person's
21 business activity in this State, or, for taxable years ending
22 on or after December 31, 2008, fairly represent the market for
23 the person's goods, services, or other sources of business
24 income, the person may petition for, or the Director may,
25 without a petition, permit or require, in respect of all or any
26 part of the person's business activity, if reasonable:

1 (1) Separate accounting;

2 (2) The exclusion of any one or more factors;

3 (3) The inclusion of one or more additional factors
4 which will fairly represent the person's business
5 activities or market in this State; or

6 (4) The employment of any other method to effectuate
7 an equitable allocation and apportionment of the person's
8 business income.

9 (g) Cross-reference. For allocation of business income by
10 residents, see Section 301(a).

11 (h) For tax years ending on or after December 31, 1998, the
12 apportionment factor of persons who apportion their business
13 income to this State under subsection (a) shall be equal to:

14 (1) for tax years ending on or after December 31, 1998

20 Section 260. The Economic Development for a Growing
21 Economy Tax Credit Act is amended by changing Section 5-5 as
22 follows:

23 (35 ILCS 10/5-5)

24 Sec. 5-5. Definitions. As used in this Act:

1 "Agreement" means the Agreement between a Taxpayer and the
2 Department under the provisions of Section 5-50 of this Act.

3 "Applicant" means a Taxpayer that is operating a business
4 located or that the Taxpayer plans to locate within the State
5 of Illinois and that is engaged in interstate or intrastate
6 commerce for the purpose of manufacturing, processing,
7 assembling, warehousing, or distributing products, conducting
8 research and development, providing tourism services, or
9 providing services in interstate commerce, office industries,
10 or agricultural processing, but excluding retail, retail food,
11 health, professional services, and services delivered to
12 business customer sites. "Applicant" does not include a
13 Taxpayer who closes or substantially reduces an operation at
14 one location in the State and relocates substantially the same
15 operation to another location in the State. This does not
16 prohibit a Taxpayer from expanding its operations at another
17 location in the State, provided that existing operations of a
18 similar nature located within the State are not closed or
19 substantially reduced. This also does not prohibit a Taxpayer
20 from moving its operations from one location in the State to
21 another location in the State for the purpose of expanding the
22 operation provided that the Department determines that
23 expansion cannot reasonably be accommodated within the
24 municipality in which the business is located, or in the case
25 of a business located in an incorporated area of the county,
26 within the county in which the business is located, after

1 conferring with the chief elected official of the municipality
2 or county and taking into consideration any evidence offered
3 by the municipality or county regarding the ability to
4 accommodate expansion within the municipality or county.

5 "Credit" means the amount agreed to between the Department
6 and Applicant under this Act, but not to exceed the lesser of:
7 (1) the sum of (i) 50% of the Incremental Income Tax
8 attributable to New Employees at the Applicant's project and
9 (ii) 10% of the training costs of New Employees; or (2) 100% of
10 the Incremental Income Tax attributable to New Employees at
11 the Applicant's project. However, if the project is located in
12 an underserved area, then the amount of the Credit may not
13 exceed the lesser of: (1) the sum of (i) 75% of the Incremental
14 Income Tax attributable to New Employees at the Applicant's
15 project and (ii) 10% of the training costs of New Employees; or
16 (2) 100% of the Incremental Income Tax attributable to New
17 Employees at the Applicant's project. If the project is not
18 located in an underserved area and the Applicant agrees to
19 hire the required number of New Employees, then the maximum
20 amount of the Credit for that Applicant may be increased by an
21 amount not to exceed 25% of the Incremental Income Tax
22 attributable to retained employees at the Applicant's project.
23 If the project is located in an underserved area and the
24 Applicant agrees to hire the required number of New Employees,
25 then the maximum amount of the credit for that Applicant may be
26 increased by an amount not to exceed 50% of the Incremental

1 Income Tax attributable to retained employees at the
2 Applicant's project.

3 "Department" means the Department of Commerce and Economic
4 Opportunity.

5 "Director" means the Director of Commerce and Economic
6 Opportunity.

7 "Full-time Employee" means an individual who is employed
8 for consideration for at least 35 hours each week or who
9 renders any other standard of service generally accepted by
10 industry custom or practice as full-time employment. An
11 individual for whom a W-2 is issued by a Professional Employer
12 Organization (PEO) is a full-time employee if employed in the
13 service of the Applicant for consideration for at least 35
14 hours each week or who renders any other standard of service
15 generally accepted by industry custom or practice as full-time
16 employment to Applicant. The employee need not be physically
17 present at the EDGE project location during the entire
18 full-time workweek; however, the agreement shall set forth a
19 minimum number of hours during which the employee is scheduled
20 to be present at the EDGE project location.

21 "Incremental Income Tax" means the total amount withheld
22 during the taxable year from the compensation of New Employees
23 and, if applicable, retained employees under Article 7 of the
24 Illinois Income Tax Act arising from employment at a project
25 that is the subject of an Agreement.

26 "New Construction EDGE Agreement" means the Agreement

1 between a Taxpayer and the Department under the provisions of
2 Section 5-51 of this Act.

3 "New Construction EDGE Credit" means an amount agreed to
4 between the Department and the Applicant under this Act as
5 part of a New Construction EDGE Agreement that does not exceed
6 50% of the Incremental Income Tax attributable to New
7 Construction EDGE Employees at the Applicant's project;
8 however, if the New Construction EDGE Project is located in an
9 underserved area, then the amount of the New Construction EDGE
10 Credit may not exceed 75% of the Incremental Income Tax
11 attributable to New Construction EDGE Employees at the
12 Applicant's New Construction EDGE Project.

13 "New Construction EDGE Employee" means a laborer or worker
14 who is employed by a contractor or subcontractor in the actual
15 construction work on the site of a New Construction EDGE
16 Project, pursuant to a New Construction EDGE Agreement.

17 "New Construction EDGE Incremental Income Tax" means the
18 total amount withheld during the taxable year from the
19 compensation of New Construction EDGE Employees.

20 "New Construction EDGE Project" means the building of a
21 Taxpayer's structure or building, or making improvements of
22 any kind to real property. "New Construction EDGE Project"
23 does not include the routine operation, routine repair, or
24 routine maintenance of existing structures, buildings, or real
25 property.

26 "New Employee" means:

1 (a) A Full-time Employee first employed by a Taxpayer
2 at the project, or assigned to the project as their
3 primary work location, that is the subject of an Agreement
4 and who is hired after the Taxpayer enters into the tax
5 credit Agreement.

6 (b) The term "New Employee" does not include:

7 (1) an employee of the Taxpayer who performs a job
8 that was previously performed by another employee, if
9 that job existed for at least 6 months before hiring
10 the employee;

11 (2) an employee of the Taxpayer who was previously
12 employed in Illinois by a Related Member of the
13 Taxpayer and whose employment was shifted to the
14 Taxpayer after the Taxpayer entered into the tax
15 credit Agreement; or

16 (3) a child, grandchild, parent, or spouse, other
17 than a spouse who is legally separated from the
18 individual, of any individual who has a direct or an
19 indirect ownership interest of at least 5% in the
20 profits, capital, or value of the Taxpayer.

21 (c) Notwithstanding paragraph (1) of subsection (b),
22 an employee may be considered a New Employee under the
23 Agreement if the employee performs a job that was
24 previously performed by an employee who was:

25 (1) treated under the Agreement as a New Employee;

26 and

1 (2) promoted by the Taxpayer to another job.

2 (d) Notwithstanding subsection (a), the Department may
3 award a Credit to an Applicant with respect to an employee
4 hired prior to the date of the Agreement if:

20 toward the renewable energy requirements in subsection (c) of
21 Section 1-75 of the Illinois Power Agency Act.

22 "Qualifying hydrogen" means hydrogen that (i) receives
23 100% of the tax credit available under 26 U.S.C. 45V and (ii)

14 (35 ILCS 55/36)

15 Sec. 36. Analysis of hydrogen production and utilization.

16 (a) No later than April 1, 2028, the Illinois
17 Environmental Protection Agency, in consultation with the
18 Department, the Illinois Power Agency, the Illinois Commerce
19 Commission, and other State agencies, as needed, shall publish
20 a report analyzing the greenhouse gas and copollutant
21 emissions impacts of hydrogen production and utilization in
22 the State from January 1, 2026 through December 31, 2027. The
23 report shall separately measure each of the following:

24 (1) life-cycle greenhouse gas and copollutant emission
25 impacts of producing qualifying hydrogen;

1 (2) life-cycle greenhouse gas and copollutant emission
2 impacts of eligible qualifying hydrogen use for which an
3 eligible taxpayer receives a credit under this Act;

4 (3) any greenhouse gas and copollutant emissions
5 avoided by eligible use of qualifying hydrogen, such as by
6 displacing diesel in long-haul, heavy-duty trucking and
7 displacing hydrogen created using fossil fuel feedstock or

12 investments in qualifying hydrogen production and eligible
13 qualifying hydrogen use in the State across sectors.

14 The report shall also include the following separate
15 provisions:

17 production of qualifying hydrogen from electrolysis that
18 is powered entirely by electricity generated from
19 qualified renewable energy resources in the State;

20 (2) a comparison of the cost of qualifying hydrogen to
21 the cost of hydrogen produced from fossil fuels;

22 (3) an analysis of whether energy sources other than
23 hydrogen are available alternatives for qualified uses,
24 and if so, whether those alternatives would achieve
25 greater emissions reductions, economic savings, or both;

26 (4) an analysis of the efficacy of this tax credit at

1 incentivizing the transition of industries with eligible
2 uses to use clean hydrogen as a means of decarbonization;

3 (5) an analysis of Illinois' competitiveness in the
4 clean hydrogen economy relative to other states; this
5 analysis shall include, but not be limited to, a review of
6 the Department of Energy's Hydrogen Hub awards, other
7 states' incentives for clean hydrogen, the amount of
8 eligible use of clean hydrogen in Illinois relative to
9 other states, and the amount of production of clean
10 hydrogen in Illinois relative to other states; this
11 analysis should also recommend policy changes the State
12 can make to be more competitive with other states in the
13 clean hydrogen economy to the extent that such
14 competitiveness is consistent with the State's emissions
15 reductions goals and is economically beneficial;

16 (6) an analysis of areas where clean hydrogen use,
17 clean energy use, or both can increase emissions
18 reduction, and policy measures the State can take to
19 incentivize those uses, including, but not limited to, an
20 extension of this tax credit and changes to the total
21 annual amount of this tax credit; and

22 (7) an analysis of the expected arc of production,
23 relative costs of different methods of hydrogen
24 production, relative costs and emissions reductions
25 benefits of clean energy produced by other methods,
26 including renewables, for eligible and other uses to help

1 right-size the total tax credit amount.

2 The Illinois Environmental Protection Agency may consider
3 application and attestation information provided by eligible
4 taxpayers pursuant to this Act and any other data it deems
5 relevant.

6 Data relied upon for the report and methods of measurement
7 shall be identified in the report and be made publicly
8 available in easily accessible, machine-readable format.

9 The Illinois Environmental Protection Agency shall
10 determine and state in its report the impact of the production
11 of qualifying hydrogen and eligible qualifying hydrogen uses
12 receiving a tax credit pursuant to this Act on greenhouse gas
13 and copollutant emissions.

14 (b) A draft of the report shall be made available for
15 public comment no less than 30 days prior to its final
16 publication. The final report and comments received shall be
17 made publicly available in both English and Spanish, and
18 copies of the final report shall be filed with the General
19 Assembly and the Governor.

21 Section 275. The Service Use Tax Act is amended by
22 changing Section 9 as follows:

23 (35 ILCS 110/9)

24 (Text of Section before amendment by P.A. 104-457)

1 Sec. 9. Each serviceman required or authorized to collect
2 the tax herein imposed shall pay to the Department the amount
3 of such tax (except as otherwise provided) at the time when he
4 is required to file his return for the period during which such
5 tax was collected, less a discount of 2.1% prior to January 1,
6 1990 and 1.75% on and after January 1, 1990, or \$5 per calendar
7 year, whichever is greater, which is allowed to reimburse the
8 serviceman for expenses incurred in collecting the tax,
9 keeping records, preparing and filing returns, remitting the
10 tax, and supplying data to the Department on request.
11 Beginning with returns due on or after January 1, 2025, the
12 vendor's discount allowed in this Section, the Retailers'
13 Occupation Tax Act, the Service Occupation Tax Act, and the
14 Use Tax Act, including any local tax administered by the
15 Department and reported on the same return, shall not exceed
16 \$1,000 per month in the aggregate. When determining the
17 discount allowed under this Section, servicemen shall include
18 the amount of tax that would have been due at the 1% rate but
19 for the 0% rate imposed under Public Act 102-700. The discount
20 under this Section is not allowed for the 1.25% portion of
21 taxes paid on aviation fuel that is subject to the revenue use
22 requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133. The
23 discount allowed under this Section is allowed only for
24 returns that are filed in the manner required by this Act. The
25 Department may disallow the discount for servicemen whose
26 certificate of registration is revoked at the time the return

1 is filed, but only if the Department's decision to revoke the
2 certificate of registration has become final. A serviceman
3 need not remit that part of any tax collected by him to the
4 extent that he is required to pay and does pay the tax imposed
5 by the Service Occupation Tax Act with respect to his sale of
6 service involving the incidental transfer by him of the same
7 property.

8 Except as provided hereinafter in this Section, on or
9 before the twentieth day of each calendar month, such
10 serviceman shall file a return for the preceding calendar
11 month in accordance with reasonable Rules and Regulations to
12 be promulgated by the Department. Such return shall be filed
13 on a form prescribed by the Department and shall contain such
14 information as the Department may reasonably require. The
15 return shall include the gross receipts which were received
16 during the preceding calendar month or quarter on the
17 following items upon which tax would have been due but for the
18 0% rate imposed under Public Act 102-700: (i) food for human
19 consumption that is to be consumed off the premises where it is
20 sold (other than alcoholic beverages, food consisting of or
21 infused with adult use cannabis, soft drinks, and food that
22 has been prepared for immediate consumption); and (ii) food
23 prepared for immediate consumption and transferred incident to
24 a sale of service subject to this Act or the Service Occupation
25 Tax Act by an entity licensed under the Hospital Licensing
26 Act, the Nursing Home Care Act, the Assisted Living and Shared

1 Housing Act, the ID/DD Community Care Act, the MC/DD Act, the
2 Specialized Mental Health Rehabilitation Act of 2013, or the
3 Child Care Act of 1969, or an entity that holds a permit issued
4 pursuant to the Life Care Facilities Act. The return shall
5 also include the amount of tax that would have been due on the
6 items listed in the previous sentence but for the 0% rate
7 imposed under Public Act 102-700.

8 In the case of leases, except as otherwise provided in
9 this Act, the lessor, in collecting the tax, may collect for
10 each tax return period only the tax applicable to that part of
11 the selling price actually received during such tax return
12 period.

13 On and after January 1, 2018, with respect to servicemen
14 whose annual gross receipts average \$20,000 or more, all
15 returns required to be filed pursuant to this Act shall be
16 filed electronically. Servicemen who demonstrate that they do
17 not have access to the Internet or demonstrate hardship in
18 filing electronically may petition the Department to waive the
19 electronic filing requirement.

20 The Department may require returns to be filed on a
21 quarterly basis. If so required, a return for each calendar
22 quarter shall be filed on or before the twentieth day of the
23 calendar month following the end of such calendar quarter. The
24 taxpayer shall also file a return with the Department for each
25 of the first 2 ~~two~~ months of each calendar quarter, on or
26 before the twentieth day of the following calendar month,

1 stating:

2 1. The name of the seller;

3 2. The address of the principal place of business from
4 which he engages in business as a serviceman in this
5 State;

6 3. The total amount of taxable receipts received by
7 him during the preceding calendar month, including
8 receipts from charge and time sales, but less all
9 deductions allowed by law;

10 4. The amount of credit provided in Section 2d of this
11 Act;

12 5. The amount of tax due;

13 5-5. The signature of the taxpayer; and

14 6. Such other reasonable information as the Department
15 may require.

16 Each serviceman required or authorized to collect the tax
17 imposed by this Act on aviation fuel transferred as an
18 incident of a sale of service in this State during the
19 preceding calendar month shall, instead of reporting and
20 paying tax on aviation fuel as otherwise required by this
21 Section, report and pay such tax on a separate aviation fuel
22 tax return. The requirements related to the return shall be as
23 otherwise provided in this Section. Notwithstanding any other
24 provisions of this Act to the contrary, servicemen collecting
25 tax on aviation fuel shall file all aviation fuel tax returns
26 and shall make all aviation fuel tax payments by electronic

1 means in the manner and form required by the Department. For
2 purposes of this Section, "aviation fuel" means jet fuel and
3 aviation gasoline.

4 If a taxpayer fails to sign a return within 30 days after
5 the proper notice and demand for signature by the Department,
6 the return shall be considered valid and any amount shown to be
7 due on the return shall be deemed assessed.

8 Notwithstanding any other provision of this Act to the
9 contrary, servicemen subject to tax on cannabis shall file all
10 cannabis tax returns and shall make all cannabis tax payments
11 by electronic means in the manner and form required by the
12 Department.

13 Beginning October 1, 1993, a taxpayer who has an average
14 monthly tax liability of \$150,000 or more shall make all
15 payments required by rules of the Department by electronic
16 funds transfer. Beginning October 1, 1994, a taxpayer who has
17 an average monthly tax liability of \$100,000 or more shall
18 make all payments required by rules of the Department by
19 electronic funds transfer. Beginning October 1, 1995, a
20 taxpayer who has an average monthly tax liability of \$50,000
21 or more shall make all payments required by rules of the
22 Department by electronic funds transfer. Beginning October 1,
23 2000, a taxpayer who has an annual tax liability of \$200,000 or
24 more shall make all payments required by rules of the
25 Department by electronic funds transfer. The term "annual tax
26 liability" shall be the sum of the taxpayer's liabilities

1 under this Act, and under all other State and local occupation
2 and use tax laws administered by the Department, for the
3 immediately preceding calendar year. The term "average monthly
4 tax liability" means the sum of the taxpayer's liabilities
5 under this Act, and under all other State and local occupation
6 and use tax laws administered by the Department, for the
7 immediately preceding calendar year divided by 12. Beginning
8 on October 1, 2002, a taxpayer who has a tax liability in the
9 amount set forth in subsection (b) of Section 2505-210 of the
10 Department of Revenue Law shall make all payments required by
11 rules of the Department by electronic funds transfer.

12 Before August 1 of each year beginning in 1993, the
13 Department shall notify all taxpayers required to make
14 payments by electronic funds transfer. All taxpayers required
15 to make payments by electronic funds transfer shall make those
16 payments for a minimum of one year beginning on October 1.

17 Any taxpayer not required to make payments by electronic
18 funds transfer may make payments by electronic funds transfer
19 with the permission of the Department.

20 All taxpayers required to make payment by electronic funds
21 transfer and any taxpayers authorized to voluntarily make
22 payments by electronic funds transfer shall make those
23 payments in the manner authorized by the Department.

24 The Department shall adopt such rules as are necessary to
25 effectuate a program of electronic funds transfer and the
26 requirements of this Section.

1 If the serviceman is otherwise required to file a monthly
2 return and if the serviceman's average monthly tax liability
3 to the Department does not exceed \$200, the Department may
4 authorize his returns to be filed on a quarter annual basis,
5 with the return for January, February, and March of a given
6 year being due by April 20 of such year; with the return for
7 April, May, and June of a given year being due by July 20 of
8 such year; with the return for July, August, and September of a
9 given year being due by October 20 of such year, and with the
10 return for October, November, and December of a given year
11 being due by January 20 of the following year.

12 If the serviceman is otherwise required to file a monthly
13 or quarterly return and if the serviceman's average monthly
14 tax liability to the Department does not exceed \$50, the
15 Department may authorize his returns to be filed on an annual
16 basis, with the return for a given year being due by January 20
17 of the following year.

18 Such quarter annual and annual returns, as to form and
19 substance, shall be subject to the same requirements as
20 monthly returns.

21 Notwithstanding any other provision in this Act concerning
22 the time within which a serviceman may file his return, in the
23 case of any serviceman who ceases to engage in a kind of
24 business which makes him responsible for filing returns under
25 this Act, such serviceman shall file a final return under this
26 Act with the Department not more than one month after

1 discontinuing such business.

2 Where a serviceman collects the tax with respect to the
3 selling price of property which he sells and the purchaser
4 thereafter returns such property and the serviceman refunds
5 the selling price thereof to the purchaser, such serviceman
6 shall also refund, to the purchaser, the tax so collected from
7 the purchaser. When filing his return for the period in which
8 he refunds such tax to the purchaser, the serviceman may
9 deduct the amount of the tax so refunded by him to the
10 purchaser from any other Service Use Tax, Service Occupation
11 Tax, retailers' occupation tax, or use tax which such
12 serviceman may be required to pay or remit to the Department,
13 as shown by such return, provided that the amount of the tax to
14 be deducted shall previously have been remitted to the
15 Department by such serviceman. If the serviceman shall not
16 previously have remitted the amount of such tax to the
17 Department, he shall be entitled to no deduction hereunder
18 upon refunding such tax to the purchaser.

19 Any serviceman filing a return hereunder shall also
20 include the total tax upon the selling price of tangible
21 personal property purchased for use by him as an incident to a
22 sale of service, and such serviceman shall remit the amount of
23 such tax to the Department when filing such return.

24 If experience indicates such action to be practicable, the
25 Department may prescribe and furnish a combination or joint
26 return which will enable servicemen, who are required to file

1 returns hereunder and also under the Service Occupation Tax
2 Act, to furnish all the return information required by both
3 Acts on the one form.

4 Where the serviceman has more than one business registered
5 with the Department under separate registration hereunder,
6 such serviceman shall not file each return that is due as a
7 single return covering all such registered businesses, but
8 shall file separate returns for each such registered business.

9 Beginning January 1, 1990, each month the Department shall
10 pay into the State and Local Tax Reform Fund, a special fund in
11 the State treasury, the net revenue realized for the preceding
12 month from the 1% tax imposed under this Act.

13 Beginning January 1, 1990, each month the Department shall
14 pay into the State and Local Sales Tax Reform Fund 20% of the
15 net revenue realized for the preceding month from the 6.25%
16 general rate on transfers of tangible personal property, other
17 than (i) tangible personal property which is purchased outside
18 Illinois at retail from a retailer and which is titled or
19 registered by an agency of this State's government and (ii)
20 aviation fuel sold on or after December 1, 2019. This
21 exception for aviation fuel only applies for so long as the
22 revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C.
23 47133 are binding on the State.

24 For aviation fuel sold on or after December 1, 2019, each
25 month the Department shall pay into the State Aviation Program
26 Fund 20% of the net revenue realized for the preceding month

1 from the 6.25% general rate on the selling price of aviation
2 fuel, less an amount estimated by the Department to be
3 required for refunds of the 20% portion of the tax on aviation
4 fuel under this Act, which amount shall be deposited into the
5 Aviation Fuel Sales Tax Refund Fund. The Department shall only
6 pay moneys into the State Aviation Program Fund and the
7 Aviation Fuel Sales Tax Refund Fund under this Act for so long
8 as the revenue use requirements of 49 U.S.C. 47107(b) and 49
9 U.S.C. 47133 are binding on the State.

10 Beginning August 1, 2000, each month the Department shall
11 pay into the State and Local Sales Tax Reform Fund 100% of the
12 net revenue realized for the preceding month from the 1.25%
13 rate on the selling price of motor fuel and gasohol.

14 Beginning October 1, 2009, each month the Department shall
15 pay into the Capital Projects Fund an amount that is equal to
16 an amount estimated by the Department to represent 80% of the
17 net revenue realized for the preceding month from the sale of
18 candy, grooming and hygiene products, and soft drinks that had
19 been taxed at a rate of 1% prior to September 1, 2009 but that
20 are now taxed at 6.25%.

21 Beginning July 1, 2013, each month the Department shall
22 pay into the Underground Storage Tank Fund from the proceeds
23 collected under this Act, the Use Tax Act, the Service
24 Occupation Tax Act, and the Retailers' Occupation Tax Act an
25 amount equal to the average monthly deficit in the Underground
26 Storage Tank Fund during the prior year, as certified annually

1 by the Illinois Environmental Protection Agency, but the total
2 payment into the Underground Storage Tank Fund under this Act,
3 the Use Tax Act, the Service Occupation Tax Act, and the
4 Retailers' Occupation Tax Act shall not exceed \$18,000,000 in
5 any State fiscal year. As used in this paragraph, the "average
6 monthly deficit" shall be equal to the difference between the
7 average monthly claims for payment by the fund and the average
8 monthly revenues deposited into the fund, excluding payments
9 made pursuant to this paragraph.

10 Beginning July 1, 2015, of the remainder of the moneys
11 received by the Department under the Use Tax Act, this Act, the
12 Service Occupation Tax Act, and the Retailers' Occupation Tax
13 Act, each month the Department shall deposit \$500,000 into the
14 State Crime Laboratory Fund.

15 Of the remainder of the moneys received by the Department
16 pursuant to this Act, (a) 1.75% thereof shall be paid into the
17 Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on
18 and after July 1, 1989, 3.8% thereof shall be paid into the
19 Build Illinois Fund; provided, however, that if in any fiscal
20 year the sum of (1) the aggregate of 2.2% or 3.8%, as the case
21 may be, of the moneys received by the Department and required
22 to be paid into the Build Illinois Fund pursuant to Section 3
23 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax
24 Act, Section 9 of the Service Use Tax Act, and Section 9 of the
25 Service Occupation Tax Act, such Acts being hereinafter called
26 the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case

1 may be, of moneys being hereinafter called the "Tax Act
2 Amount", and (2) the amount transferred to the Build Illinois
3 Fund from the State and Local Sales Tax Reform Fund shall be
4 less than the Annual Specified Amount (as defined in Section 3
5 of the Retailers' Occupation Tax Act), an amount equal to the
6 difference shall be immediately paid into the Build Illinois
7 Fund from other moneys received by the Department pursuant to
8 the Tax Acts; and further provided, that if on the last
9 business day of any month the sum of (1) the Tax Act Amount
10 required to be deposited into the Build Illinois Bond Account
11 in the Build Illinois Fund during such month and (2) the amount
12 transferred during such month to the Build Illinois Fund from
13 the State and Local Sales Tax Reform Fund shall have been less
14 than 1/12 of the Annual Specified Amount, an amount equal to
15 the difference shall be immediately paid into the Build
16 Illinois Fund from other moneys received by the Department
17 pursuant to the Tax Acts; and, further provided, that in no
18 event shall the payments required under the preceding proviso
19 result in aggregate payments into the Build Illinois Fund
20 pursuant to this clause (b) for any fiscal year in excess of
21 the greater of (i) the Tax Act Amount or (ii) the Annual
22 Specified Amount for such fiscal year; and, further provided,
23 that the amounts payable into the Build Illinois Fund under
24 this clause (b) shall be payable only until such time as the
25 aggregate amount on deposit under each trust indenture
26 securing Bonds issued and outstanding pursuant to the Build

1 Illinois Bond Act is sufficient, taking into account any
2 future investment income, to fully provide, in accordance with
3 such indenture, for the defeasance of or the payment of the
4 principal of, premium, if any, and interest on the Bonds
5 secured by such indenture and on any Bonds expected to be
6 issued thereafter and all fees and costs payable with respect
7 thereto, all as certified by the Director of the Bureau of the
8 Budget (now Governor's Office of Management and Budget). If on
9 the last business day of any month in which Bonds are
10 outstanding pursuant to the Build Illinois Bond Act, the
11 aggregate of the moneys deposited into ~~in~~ the Build Illinois
12 Bond Account in the Build Illinois Fund in such month shall be
13 less than the amount required to be transferred in such month
14 from the Build Illinois Bond Account to the Build Illinois
15 Bond Retirement and Interest Fund pursuant to Section 13 of
16 the Build Illinois Bond Act, an amount equal to such
17 deficiency shall be immediately paid from other moneys
18 received by the Department pursuant to the Tax Acts to the
19 Build Illinois Fund; provided, however, that any amounts paid
20 to the Build Illinois Fund in any fiscal year pursuant to this
21 sentence shall be deemed to constitute payments pursuant to
22 clause (b) of the preceding sentence and shall reduce the
23 amount otherwise payable for such fiscal year pursuant to
24 clause (b) of the preceding sentence. The moneys received by
25 the Department pursuant to this Act and required to be
26 deposited into the Build Illinois Fund are subject to the

pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

7 (Text of Section after amendment by P.A. 104-457)

8 Sec. 9. Each serviceman required or authorized to collect
9 the tax herein imposed shall pay to the Department the amount
10 of such tax (except as otherwise provided) at the time when he
11 is required to file his return for the period during which such
12 tax was collected, less a discount of 2.1% prior to January 1,
13 1990 and 1.75% on and after January 1, 1990, or \$5 per calendar
14 year, whichever is greater, which is allowed to reimburse the
15 serviceman for expenses incurred in collecting the tax,
16 keeping records, preparing and filing returns, remitting the
17 tax, and supplying data to the Department on request.
18 Beginning with returns due on or after January 1, 2025, the
19 vendor's discount allowed in this Section, the Retailers'
20 Occupation Tax Act, the Service Occupation Tax Act, and the
21 Use Tax Act, including any local tax administered by the
22 Department and reported on the same return, shall not exceed
23 \$1,000 per month in the aggregate. When determining the
24 discount allowed under this Section, servicemen shall include
25 the amount of tax that would have been due at the 1% rate but

1 for the 0% rate imposed under Public Act 102-700. The discount
2 under this Section is not allowed for the 1.25% portion of
3 taxes paid on aviation fuel that is subject to the revenue use
4 requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133. The
5 discount allowed under this Section is allowed only for
6 returns that are filed in the manner required by this Act. The
7 Department may disallow the discount for servicemen whose
8 certificate of registration is revoked at the time the return
9 is filed, but only if the Department's decision to revoke the
10 certificate of registration has become final. A serviceman
11 need not remit that part of any tax collected by him to the
12 extent that he is required to pay and does pay the tax imposed
13 by the Service Occupation Tax Act with respect to his sale of
14 service involving the incidental transfer by him of the same
15 property.

16 Except as provided hereinafter in this Section, on or
17 before the twentieth day of each calendar month, such
18 serviceman shall file a return for the preceding calendar
19 month in accordance with reasonable Rules and Regulations to
20 be promulgated by the Department. Such return shall be filed
21 on a form prescribed by the Department and shall contain such
22 information as the Department may reasonably require. The
23 return shall include the gross receipts which were received
24 during the preceding calendar month or quarter on the
25 following items upon which tax would have been due but for the
26 0% rate imposed under Public Act 102-700: (i) food for human

1 consumption that is to be consumed off the premises where it is
2 sold (other than alcoholic beverages, food consisting of or
3 infused with adult use cannabis, soft drinks, and food that
4 has been prepared for immediate consumption); and (ii) food
5 prepared for immediate consumption and transferred incident to
6 a sale of service subject to this Act or the Service Occupation
7 Tax Act by an entity licensed under the Hospital Licensing
8 Act, the Nursing Home Care Act, the Assisted Living and Shared
9 Housing Act, the ID/DD Community Care Act, the MC/DD Act, the
10 Specialized Mental Health Rehabilitation Act of 2013, or the
11 Child Care Act of 1969, or an entity that holds a permit issued
12 pursuant to the Life Care Facilities Act. The return shall
13 also include the amount of tax that would have been due on the
14 items listed in the previous sentence but for the 0% rate
15 imposed under Public Act 102-700.

16 In the case of leases, except as otherwise provided in
17 this Act, the lessor, in collecting the tax, may collect for
18 each tax return period only the tax applicable to that part of
19 the selling price actually received during such tax return
20 period.

21 On and after January 1, 2018, with respect to servicemen
22 whose annual gross receipts average \$20,000 or more, all
23 returns required to be filed pursuant to this Act shall be
24 filed electronically. Servicemen who demonstrate that they do
25 not have access to the Internet or demonstrate hardship in
26 filing electronically may petition the Department to waive the

1 electronic filing requirement.

2 The Department may require returns to be filed on a
3 quarterly basis. If so required, a return for each calendar
4 quarter shall be filed on or before the twentieth day of the
5 calendar month following the end of such calendar quarter. The
6 taxpayer shall also file a return with the Department for each
7 of the first 2 ~~two~~ months of each calendar quarter, on or
8 before the twentieth day of the following calendar month,
9 stating:

10 1. The name of the seller;

11 2. The address of the principal place of business from
12 which he engages in business as a serviceman in this
13 State;

14 3. The total amount of taxable receipts received by
15 him during the preceding calendar month, including
16 receipts from charge and time sales, but less all
17 deductions allowed by law;

18 4. The amount of credit provided in Section 2d of this
19 Act;

20 5. The amount of tax due;

21 5-5. The signature of the taxpayer; and

22 6. Such other reasonable information as the Department
23 may require.

24 Each serviceman required or authorized to collect the tax
25 imposed by this Act on aviation fuel transferred as an
26 incident of a sale of service in this State during the

1 preceding calendar month shall, instead of reporting and
2 paying tax on aviation fuel as otherwise required by this
3 Section, report and pay such tax on a separate aviation fuel
4 tax return. The requirements related to the return shall be as
5 otherwise provided in this Section. Notwithstanding any other
6 provisions of this Act to the contrary, servicemen collecting
7 tax on aviation fuel shall file all aviation fuel tax returns
8 and shall make all aviation fuel tax payments by electronic
9 means in the manner and form required by the Department. For
10 purposes of this Section, "aviation fuel" means jet fuel and
11 aviation gasoline.

12 If a taxpayer fails to sign a return within 30 days after
13 the proper notice and demand for signature by the Department,
14 the return shall be considered valid and any amount shown to be
15 due on the return shall be deemed assessed.

16 Notwithstanding any other provision of this Act to the
17 contrary, servicemen subject to tax on cannabis shall file all
18 cannabis tax returns and shall make all cannabis tax payments
19 by electronic means in the manner and form required by the
20 Department.

21 Beginning October 1, 1993, a taxpayer who has an average
22 monthly tax liability of \$150,000 or more shall make all
23 payments required by rules of the Department by electronic
24 funds transfer. Beginning October 1, 1994, a taxpayer who has
25 an average monthly tax liability of \$100,000 or more shall
26 make all payments required by rules of the Department by

1 electronic funds transfer. Beginning October 1, 1995, a
2 taxpayer who has an average monthly tax liability of \$50,000
3 or more shall make all payments required by rules of the
4 Department by electronic funds transfer. Beginning October 1,
5 2000, a taxpayer who has an annual tax liability of \$200,000 or
6 more shall make all payments required by rules of the
7 Department by electronic funds transfer. The term "annual tax
8 liability" shall be the sum of the taxpayer's liabilities
9 under this Act, and under all other State and local occupation
10 and use tax laws administered by the Department, for the
11 immediately preceding calendar year. The term "average monthly
12 tax liability" means the sum of the taxpayer's liabilities
13 under this Act, and under all other State and local occupation
14 and use tax laws administered by the Department, for the
15 immediately preceding calendar year divided by 12. Beginning
16 on October 1, 2002, a taxpayer who has a tax liability in the
17 amount set forth in subsection (b) of Section 2505-210 of the
18 Department of Revenue Law shall make all payments required by
19 rules of the Department by electronic funds transfer.

20 Before August 1 of each year beginning in 1993, the
21 Department shall notify all taxpayers required to make
22 payments by electronic funds transfer. All taxpayers required
23 to make payments by electronic funds transfer shall make those
24 payments for a minimum of one year beginning on October 1.

25 Any taxpayer not required to make payments by electronic
26 funds transfer may make payments by electronic funds transfer

1 with the permission of the Department.

2 All taxpayers required to make payment by electronic funds
3 transfer and any taxpayers authorized to voluntarily make
4 payments by electronic funds transfer shall make those
5 payments in the manner authorized by the Department.

6 The Department shall adopt such rules as are necessary to
7 effectuate a program of electronic funds transfer and the
8 requirements of this Section.

9 If the serviceman is otherwise required to file a monthly
10 return and if the serviceman's average monthly tax liability
11 to the Department does not exceed \$200, the Department may
12 authorize his returns to be filed on a quarter annual basis,
13 with the return for January, February, and March of a given
14 year being due by April 20 of such year; with the return for
15 April, May, and June of a given year being due by July 20 of
16 such year; with the return for July, August, and September of a
17 given year being due by October 20 of such year, and with the
18 return for October, November, and December of a given year
19 being due by January 20 of the following year.

20 If the serviceman is otherwise required to file a monthly
21 or quarterly return and if the serviceman's average monthly
22 tax liability to the Department does not exceed \$50, the
23 Department may authorize his returns to be filed on an annual
24 basis, with the return for a given year being due by January 20
25 of the following year.

26 Such quarter annual and annual returns, as to form and

1 substance, shall be subject to the same requirements as
2 monthly returns.

3 Notwithstanding any other provision in this Act concerning
4 the time within which a serviceman may file his return, in the
5 case of any serviceman who ceases to engage in a kind of
6 business which makes him responsible for filing returns under
7 this Act, such serviceman shall file a final return under this
8 Act with the Department not more than one month after
9 discontinuing such business.

10 Where a serviceman collects the tax with respect to the
11 selling price of property which he sells and the purchaser
12 thereafter returns such property and the serviceman refunds
13 the selling price thereof to the purchaser, such serviceman
14 shall also refund, to the purchaser, the tax so collected from
15 the purchaser. When filing his return for the period in which
16 he refunds such tax to the purchaser, the serviceman may
17 deduct the amount of the tax so refunded by him to the
18 purchaser from any other Service Use Tax, Service Occupation
19 Tax, retailers' occupation tax, or use tax which such
20 serviceman may be required to pay or remit to the Department,
21 as shown by such return, provided that the amount of the tax to
22 be deducted shall previously have been remitted to the
23 Department by such serviceman. If the serviceman shall not
24 previously have remitted the amount of such tax to the
25 Department, he shall be entitled to no deduction hereunder
26 upon refunding such tax to the purchaser.

1 Any serviceman filing a return hereunder shall also
2 include the total tax upon the selling price of tangible
3 personal property purchased for use by him as an incident to a
4 sale of service, and such serviceman shall remit the amount of
5 such tax to the Department when filing such return.

6 If experience indicates such action to be practicable, the
7 Department may prescribe and furnish a combination or joint
8 return which will enable servicemen, who are required to file
9 returns hereunder and also under the Service Occupation Tax
10 Act, to furnish all the return information required by both
11 Acts on the one form.

12 Where the serviceman has more than one business registered
13 with the Department under separate registration hereunder,
14 such serviceman shall not file each return that is due as a
15 single return covering all such registered businesses, but
16 shall file separate returns for each such registered business.

17 Beginning January 1, 1990, each month the Department shall
18 pay into the State and Local Tax Reform Fund, a special fund in
19 the State treasury, the net revenue realized for the preceding
20 month from the 1% tax imposed under this Act.

21 Beginning January 1, 1990, each month the Department shall
22 pay into the State and Local Sales Tax Reform Fund 20% of the
23 net revenue realized for the preceding month from the 6.25%
24 general rate on transfers of tangible personal property, other
25 than (i) tangible personal property which is purchased outside
26 Illinois at retail from a retailer and which is titled or

1 registered by an agency of this State's government and (ii)
2 aviation fuel sold on or after December 1, 2019. This
3 exception for aviation fuel only applies for so long as the
4 revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C.
5 47133 are binding on the State.

6 For aviation fuel sold on or after December 1, 2019, each
7 month the Department shall pay into the State Aviation Program
8 Fund 20% of the net revenue realized for the preceding month
9 from the 6.25% general rate on the selling price of aviation
10 fuel, less an amount estimated by the Department to be
11 required for refunds of the 20% portion of the tax on aviation
12 fuel under this Act, which amount shall be deposited into the
13 Aviation Fuel Sales Tax Refund Fund. The Department shall only
14 pay moneys into the State Aviation Program Fund and the
15 Aviation Fuel Sales Tax Refund Fund under this Act for so long
16 as the revenue use requirements of 49 U.S.C. 47107(b) and 49
17 U.S.C. 47133 are binding on the State.

18 Beginning August 1, 2000, each month the Department shall
19 pay into the State and Local Sales Tax Reform Fund 100% of the
20 net revenue realized for the preceding month from the 1.25%
21 rate on the selling price of motor fuel and gasohol.

22 Beginning October 1, 2009, each month the Department shall
23 pay into the Capital Projects Fund an amount that is equal to
24 an amount estimated by the Department to represent 80% of the
25 net revenue realized for the preceding month from the sale of
26 candy, grooming and hygiene products, and soft drinks that had

1 been taxed at a rate of 1% prior to September 1, 2009 but that
2 are now taxed at 6.25%.

3 Beginning July 1, 2013, each month the Department shall
4 pay into the Underground Storage Tank Fund from the proceeds
5 collected under this Act, the Use Tax Act, the Service
6 Occupation Tax Act, and the Retailers' Occupation Tax Act an
7 amount equal to the average monthly deficit in the Underground
8 Storage Tank Fund during the prior year, as certified annually
9 by the Illinois Environmental Protection Agency, but the total
10 payment into the Underground Storage Tank Fund under this Act,
11 the Use Tax Act, the Service Occupation Tax Act, and the
12 Retailers' Occupation Tax Act shall not exceed \$18,000,000 in
13 any State fiscal year. As used in this paragraph, the "average
14 monthly deficit" shall be equal to the difference between the
15 average monthly claims for payment by the fund and the average
16 monthly revenues deposited into the fund, excluding payments
17 made pursuant to this paragraph.

18 Beginning July 1, 2015, of the remainder of the moneys
19 received by the Department under the Use Tax Act, this Act, the
20 Service Occupation Tax Act, and the Retailers' Occupation Tax
21 Act, each month the Department shall deposit \$500,000 into the
22 State Crime Laboratory Fund.

23 Of the remainder of the moneys received by the Department
24 pursuant to this Act, (a) 1.75% thereof shall be paid into the
25 Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on
26 and after July 1, 1989, 3.8% thereof shall be paid into the

1 Build Illinois Fund; provided, however, that if in any fiscal
2 year the sum of (1) the aggregate of 2.2% or 3.8%, as the case
3 may be, of the moneys received by the Department and required
4 to be paid into the Build Illinois Fund pursuant to Section 3
5 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax
6 Act, Section 9 of the Service Use Tax Act, and Section 9 of the
7 Service Occupation Tax Act, such Acts being hereinafter called
8 the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case
9 may be, of moneys being hereinafter called the "Tax Act
10 Amount", and (2) the amount transferred to the Build Illinois
11 Fund from the State and Local Sales Tax Reform Fund shall be
12 less than the Annual Specified Amount (as defined in Section 3
13 of the Retailers' Occupation Tax Act), an amount equal to the
14 difference shall be immediately paid into the Build Illinois
15 Fund from other moneys received by the Department pursuant to
16 the Tax Acts; and further provided, that if on the last
17 business day of any month the sum of (1) the Tax Act Amount
18 required to be deposited into the Build Illinois Bond Account
19 in the Build Illinois Fund during such month and (2) the amount
20 transferred during such month to the Build Illinois Fund from
21 the State and Local Sales Tax Reform Fund shall have been less
22 than 1/12 of the Annual Specified Amount, an amount equal to
23 the difference shall be immediately paid into the Build
24 Illinois Fund from other moneys received by the Department
25 pursuant to the Tax Acts; and, further provided, that in no
26 event shall the payments required under the preceding proviso

1 result in aggregate payments into the Build Illinois Fund
2 pursuant to this clause (b) for any fiscal year in excess of
3 the greater of (i) the Tax Act Amount or (ii) the Annual
4 Specified Amount for such fiscal year; and, further provided,
5 that the amounts payable into the Build Illinois Fund under
6 this clause (b) shall be payable only until such time as the
7 aggregate amount on deposit under each trust indenture
8 securing Bonds issued and outstanding pursuant to the Build
9 Illinois Bond Act is sufficient, taking into account any
10 future investment income, to fully provide, in accordance with
11 such indenture, for the defeasance of or the payment of the
12 principal of, premium, if any, and interest on the Bonds
13 secured by such indenture and on any Bonds expected to be
14 issued thereafter and all fees and costs payable with respect
15 thereto, all as certified by the Director of the Bureau of the
16 Budget (now Governor's Office of Management and Budget). If on
17 the last business day of any month in which Bonds are
18 outstanding pursuant to the Build Illinois Bond Act, the
19 aggregate of the moneys deposited into ~~in~~ the Build Illinois
20 Bond Account in the Build Illinois Fund in such month shall be
21 less than the amount required to be transferred in such month
22 from the Build Illinois Bond Account to the Build Illinois
23 Bond Retirement and Interest Fund pursuant to Section 13 of
24 the Build Illinois Bond Act, an amount equal to such
25 deficiency shall be immediately paid from other moneys
26 received by the Department pursuant to the Tax Acts to the

1 Build Illinois Fund; provided, however, that any amounts paid
2 to the Build Illinois Fund in any fiscal year pursuant to this
3 sentence shall be deemed to constitute payments pursuant to
4 clause (b) of the preceding sentence and shall reduce the
5 amount otherwise payable for such fiscal year pursuant to
6 clause (b) of the preceding sentence. The moneys received by
7 the Department pursuant to this Act and required to be
8 deposited into the Build Illinois Fund are subject to the
9 pledge, claim and charge set forth in Section 12 of the Build
10 Illinois Bond Act.

11 Subject to payment of amounts into the Build Illinois Fund
12 as provided in the preceding paragraph or in any amendment
13 thereto hereafter enacted, the following specified monthly
14 installment of the amount requested in the certificate of the
15 Chairman of the Metropolitan Pier and Exposition Authority
16 provided under Section 8.25f of the State Finance Act, but not
17 in excess of the sums designated as "Total Deposit", shall be
18 deposited in the aggregate from collections under Section 9 of
19 the Use Tax Act, Section 9 of the Service Use Tax Act, Section
20 9 of the Service Occupation Tax Act, and Section 3 of the
21 Retailers' Occupation Tax Act into the McCormick Place
22 Expansion Project Fund in the specified fiscal years.

21 Section 13.2 of the

22 Metropolitan Pier and

23 Exposition Authority Act,

25 Beginning July 20, 1993 and in each month of each fiscal
26 year thereafter, one-eighth of the amount requested in the

1 certificate of the Chairman of the Metropolitan Pier and
2 Exposition Authority for that fiscal year, less the amount
3 deposited into the McCormick Place Expansion Project Fund by
4 the State Treasurer in the respective month under subsection
5 (g) of Section 13 of the Metropolitan Pier and Exposition
6 Authority Act, plus cumulative deficiencies in the deposits
7 required under this Section for previous months and years,
8 shall be deposited into the McCormick Place Expansion Project
9 Fund, until the full amount requested for the fiscal year, but
10 not in excess of the amount specified above as "Total
11 Deposit", has been deposited.

12 Subject to payment of amounts into the Capital Projects
13 Fund, the Clean Air Act Permit Fund, the Build Illinois Fund,
14 and the McCormick Place Expansion Project Fund pursuant to the
15 preceding paragraphs or in any amendments thereto hereafter
16 enacted, for aviation fuel sold on or after December 1, 2019,
17 the Department shall each month deposit into the Aviation Fuel
18 Sales Tax Refund Fund an amount estimated by the Department to
19 be required for refunds of the 80% portion of the tax on
20 aviation fuel under this Act. The Department shall only
21 deposit moneys into the Aviation Fuel Sales Tax Refund Fund
22 under this paragraph for so long as the revenue use
23 requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are
24 binding on the State.

25 Subject to payment of amounts into the Build Illinois Fund

2 enacted, beginning July 1, 1993 and ending on September 30,

7 Subject to payment of amounts into the Build Illinois
8 Fund, the McCormick Place Expansion Project Fund, the Illinois
9 Tax Increment Fund, pursuant to the preceding paragraphs or in
10 any amendments to this Section hereafter enacted, beginning on
11 the first day of the first calendar month to occur on or after
12 August 26, 2014 (the effective date of Public Act 98-1098),
13 each month, from the collections made under Section 9 of the
14 Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of
15 the Service Occupation Tax Act, and Section 3 of the
16 Retailers' Occupation Tax Act, the Department shall pay into

22 Department under the Use Tax Act, the Service Use Tax Act, the
23 Service Occupation Tax Act, the Retailers' Occupation Tax Act,
24 and associated local occupation and use taxes administered by
25 the Department.

26 Subject to payments of amounts into the Build Illinois

5 Beginning July 1, 2022 and until July 1, 2023, subject to the
6 payment of amounts into the State and Local Sales Tax Reform

11 the taxes imposed on motor fuel and gasohol. Those moneys
12 shall be apportioned as follows: 85% into the Public
13 Transportation Fund and 15% into the Downstate Public
14 Transportation Fund. As used in this paragraph "motor fuel"
15 has the meaning given to that term in Section 1.1 of the Motor
16 Fuel Tax Law, and "gasohol" has the meaning given to that term
17 in Section 3-40 of the Use Tax Act.

18 Until July 1, 2025, of the remainder of the moneys
19 received by the Department pursuant to this Act, 75% thereof
20 shall be paid into the General Revenue Fund of the State

21 (35 ILCS 143/10-30)

22 Sec. 10-30. Returns.

23 (a) Every distributor shall, on or before the 15th day of
24 each month, file a return with the Department covering the

1 preceding calendar month. Through June 30, 2025, the return
2 shall disclose the wholesale price for all tobacco products
3 other than moist snuff and the quantity in ounces of moist
4 snuff sold or otherwise disposed of and other information that
5 the Department may reasonably require. Beginning July 1, 2025,
6 the return shall disclose the wholesale price for all tobacco
7 products, including moist snuff, sold or otherwise disposed of
8 and other information that the Department may reasonably
9 require. Information that the Department may reasonably
10 require includes information related to the uniform regulation
11 and taxation of tobacco products.

12 (b) In addition to the information required under
13 subsection (a), on or before the 15th day of each month,
14 covering the preceding calendar month, each stamping
15 distributor shall report the quantity of little cigars sold or
16 otherwise disposed of, including the number of packages of
17 little cigars sold or disposed of during the month containing
18 20 or 25 little cigars.

19 (c) At the time when any return of any distributor is due
20 to be filed with the Department, the distributor shall also
21 remit to the Department the tax liability that the distributor
22 has incurred for transactions occurring in the preceding
23 calendar month.

24 (d) All returns and supporting schedules required to be

26 under this Section shall be by electronic means in the form

1 prescribed by the Department.

2 (e) If any payment provided for in this Section exceeds
3 the distributor's liabilities under this Act, as shown on an
4 original return, the distributor may credit such excess
5 payment against liability subsequently to be remitted to the
6 Department under this Act, in accordance with reasonable rules
7 adopted by the Department.

11 Section 285. The Property Tax Code is amended by changing
12 Sections 15-172, 18-190, 21-306, and 31-5 as follows:

13 (35 ILCS 200/15-172)

14 Sec. 15-172. Low-Income Senior Citizens Assessment Freeze
15 Homestead Exemption.

16 (a) This Section may be cited as the Low-Income Senior
17 Citizens Assessment Freeze Homestead Exemption.

18 (b) As used in this Section:

19 "Applicant" means an individual who has filed an
20 application under this Section.

21 "Base amount" means the base year equalized assessed value
22 of the residence plus the first year's equalized assessed
23 value of any added improvements which increased the assessed
24 value of the residence after the base year.

1 "Base year" means the taxable year prior to the taxable
2 year for which the applicant first qualifies and applies for
3 the exemption provided that in the prior taxable year the
4 property was improved with a permanent structure that was
5 occupied as a residence by the applicant who was liable for
6 paying real property taxes on the property and who was either
7 (i) an owner of record of the property or had legal or
8 equitable interest in the property as evidenced by a written
9 instrument or (ii) had a legal or equitable interest as a
10 lessee in the parcel of property that was a single-family
11 ~~single-family~~ residence. If in any subsequent taxable year for
12 which the applicant applies and qualifies for the exemption
13 the equalized assessed value of the residence is less than the
14 equalized assessed value in the existing base year (provided
15 that such equalized assessed value is not based on an assessed
16 value that results from a temporary irregularity in the
17 property that reduces the assessed value for one or more
18 taxable years), then that subsequent taxable year shall become
19 the base year until a new base year is established under the
20 terms of this paragraph. For taxable year 1999 only, the Chief
21 County Assessment Officer shall review (i) all taxable years
22 for which the applicant applied and qualified for the
23 exemption and (ii) the existing base year. The assessment
24 officer shall select as the new base year the year with the
25 lowest equalized assessed value. An equalized assessed value
26 that is based on an assessed value that results from a

1 temporary irregularity in the property that reduces the
2 assessed value for one or more taxable years shall not be
3 considered the lowest equalized assessed value. The selected
4 year shall be the base year for taxable year 1999 and
5 thereafter until a new base year is established under the
6 terms of this paragraph.

7 "Chief County Assessment Officer" means the County
8 Assessor or Supervisor of Assessments of the county in which
9 the property is located.

10 "Equalized assessed value" means the assessed value as
11 equalized by the Illinois Department of Revenue.

12 "Household" means the applicant, the spouse of the
13 applicant, and all persons using the residence of the
14 applicant as their principal place of residence.

15 "Household income" means the combined income of the
16 members of a household for the calendar year preceding the
17 taxable year.

18 "Income" has the same meaning as provided in Section 3.07
19 of the Senior Citizens and Persons with Disabilities Property
20 Tax Relief Act, except that, beginning in assessment year
21 2001, "income" does not include veteran's benefits.

22 "Internal Revenue Code of 1986" means the United States
23 Internal Revenue Code of 1986 or any successor law or laws
24 relating to federal income taxes in effect for the year
25 preceding the taxable year.

26 "Life care facility that qualifies as a cooperative" means

1 a facility as defined in Section 2 of the Life Care Facilities
2 Act.

3 "Maximum income limitation" means:

- 4 (1) \$35,000 prior to taxable year 1999;
5 (2) \$40,000 in taxable years 1999 through 2003;
6 (3) \$45,000 in taxable years 2004 through 2005;
7 (4) \$50,000 in taxable years 2006 and 2007;
8 (5) \$55,000 in taxable years 2008 through 2016;
9 (6) for taxable year 2017, (i) \$65,000 for qualified
10 property located in a county with 3,000,000 or more
11 inhabitants and (ii) \$55,000 for qualified property
12 located in a county with fewer than 3,000,000 inhabitants;
13 (7) for taxable years 2018 through 2025, \$65,000 for
14 all qualified property;
15 (8) for taxable year 2026, \$75,000 for all qualified
16 property;
17 (9) for taxable year 2027, \$77,000 for all qualified
18 property; and
19 (10) for taxable years 2028 and thereafter, \$79,000
20 for all qualified property.

21 As an alternative income valuation, a homeowner who is
22 enrolled in any of the following programs may be presumed to
23 have household income that does not exceed the maximum income
24 limitation for that tax year as required by this Section: Aid
25 to the Aged, Blind or Disabled (AABD) Program or the
26 Supplemental Nutrition Assistance Program (SNAP), both of

1 which are administered by the Department of Human Services;
2 the Low Income Home Energy Assistance Program (LIHEAP), which
3 is administered by the Department of Commerce and Economic
4 Opportunity; The Benefit Access program, which is administered
5 by the Department on Aging; and the Senior Citizens Real
6 Estate Tax Deferral Program.

7 A chief county assessment officer may indicate that he or
8 she has verified an applicant's income eligibility for this
9 exemption but may not report which program or programs, if
10 any, enroll the applicant. Release of personal information
11 submitted pursuant to this Section shall be deemed an
12 unwarranted invasion of personal privacy under the Freedom of
13 Information Act.

14 "Residence" means the principal dwelling place and
15 appurtenant structures used for residential purposes in this
16 State occupied on January 1 of the taxable year by a household
17 and so much of the surrounding land, constituting the parcel
18 upon which the dwelling place is situated, as is used for
19 residential purposes. If the Chief County Assessment Officer
20 has established a specific legal description for a portion of
21 property constituting the residence, then that portion of
22 property shall be deemed the residence for the purposes of
23 this Section.

24 "Taxable year" means the calendar year during which ad
25 valorem property taxes payable in the next succeeding year are
26 levied.

1 (c) Beginning in taxable year 1994, a low-income senior
2 citizens assessment freeze homestead exemption is granted for
3 real property that is improved with a permanent structure that
4 is occupied as a residence by an applicant who (i) is 65 years
5 of age or older during the taxable year, (ii) has a household
6 income that does not exceed the maximum income limitation,
7 (iii) is liable for paying real property taxes on the
8 property, and (iv) is an owner of record of the property or has
9 a legal or equitable interest in the property as evidenced by a
10 written instrument. This homestead exemption shall also apply
11 to a leasehold interest in a parcel of property improved with a
12 permanent structure that is a single-family ~~single-family~~
13 residence that is occupied as a residence by a person who (i)
14 is 65 years of age or older during the taxable year, (ii) has a
15 household income that does not exceed the maximum income
16 limitation, (iii) has a legal or equitable ownership interest
17 in the property as lessee, and (iv) is liable for the payment
18 of real property taxes on that property.

19 In counties of 3,000,000 or more inhabitants, the amount
20 of the exemption for all taxable years is the equalized
21 assessed value of the residence in the taxable year for which
22 application is made minus the base amount. In all other
23 counties, the amount of the exemption is as follows: (i)
24 through taxable year 2005 and for taxable year 2007 and
25 thereafter, the amount of this exemption shall be the
26 equalized assessed value of the residence in the taxable year

1 for which application is made minus the base amount; and (ii)
2 for taxable year 2006, the amount of the exemption is as
3 follows:

4 (1) For an applicant who has a household income of
5 \$45,000 or less, the amount of the exemption is the
6 equalized assessed value of the residence in the taxable
7 year for which application is made minus the base amount.

8 (2) For an applicant who has a household income
9 exceeding \$45,000 but not exceeding \$46,250, the amount of
10 the exemption is (i) the equalized assessed value of the
11 residence in the taxable year for which application is
12 made minus the base amount (ii) multiplied by 0.8.

13 (3) For an applicant who has a household income
14 exceeding \$46,250 but not exceeding \$47,500, the amount of
15 the exemption is (i) the equalized assessed value of the
16 residence in the taxable year for which application is
17 made minus the base amount (ii) multiplied by 0.6.

18 (4) For an applicant who has a household income
19 exceeding \$47,500 but not exceeding \$48,750, the amount of
20 the exemption is (i) the equalized assessed value of the
21 residence in the taxable year for which application is
22 made minus the base amount (ii) multiplied by 0.4.

23 (5) For an applicant who has a household income
24 exceeding \$48,750 but not exceeding \$50,000, the amount of
25 the exemption is (i) the equalized assessed value of the
26 residence in the taxable year for which application is

1 made minus the base amount (ii) multiplied by 0.2.

2 When the applicant is a surviving spouse of an applicant
3 for a prior year for the same residence for which an exemption
4 under this Section has been granted, the base year and base
5 amount for that residence are the same as for the applicant for
6 the prior year.

7 Each year at the time the assessment books are certified
8 to the County Clerk, the Board of Review or Board of Appeals
9 shall give to the County Clerk a list of the assessed values of
10 improvements on each parcel qualifying for this exemption that
11 were added after the base year for this parcel and that
12 increased the assessed value of the property.

13 In the case of land improved with an apartment building
14 owned and operated as a cooperative or a building that is a
15 life care facility that qualifies as a cooperative, the
16 maximum reduction from the equalized assessed value of the
17 property is limited to the sum of the reductions calculated
18 for each unit occupied as a residence by a person or persons
19 (i) 65 years of age or older, (ii) with a household income that
20 does not exceed the maximum income limitation, (iii) who is
21 liable, by contract with the owner or owners of record, for
22 paying real property taxes on the property, and (iv) who is an
23 owner of record of a legal or equitable interest in the
24 cooperative apartment building, other than a leasehold
25 interest. In the instance of a cooperative where a homestead
26 exemption has been granted under this Section, the cooperative

1 association or its management firm shall credit the savings
2 resulting from that exemption only to the apportioned tax
3 liability of the owner who qualified for the exemption. Any
4 person who willfully refuses to credit that savings to an
5 owner who qualifies for the exemption is guilty of a Class B
6 misdemeanor.

7 When a homestead exemption has been granted under this
8 Section and an applicant then becomes a resident of a facility
9 licensed under the Assisted Living and Shared Housing Act, the
10 Nursing Home Care Act, the Specialized Mental Health
11 Rehabilitation Act of 2013, the ID/DD Community Care Act, or
12 the MC/DD Act, the exemption shall be granted in subsequent
13 years so long as the residence (i) continues to be occupied by
14 the qualified applicant's spouse or (ii) if remaining
15 unoccupied, is still owned by the qualified applicant for the
16 homestead exemption.

17 Beginning January 1, 1997, when an individual dies who
18 would have qualified for an exemption under this Section, and
19 the surviving spouse does not independently qualify for this
20 exemption because of age, the exemption under this Section
21 shall be granted to the surviving spouse for the taxable year
22 preceding and the taxable year of the death, provided that,
23 except for age, the surviving spouse meets all other
24 qualifications for the granting of this exemption for those
25 years.

26 When married persons maintain separate residences, the

1 exemption provided for in this Section may be claimed by only
2 one of such persons and for only one residence.

3 For taxable year 1994 only, in counties having less than
4 3,000,000 inhabitants, to receive the exemption, a person
5 shall submit an application by February 15, 1995 to the Chief
6 County Assessment Officer of the county in which the property
7 is located. In counties having 3,000,000 or more inhabitants,
8 for taxable year 1994 and all subsequent taxable years, to
9 receive the exemption, a person may submit an application to
10 the Chief County Assessment Officer of the county in which the
11 property is located during such period as may be specified by
12 the Chief County Assessment Officer. The Chief County
13 Assessment Officer in counties of 3,000,000 or more
14 inhabitants shall annually give notice of the application
15 period by mail or by publication. In counties having less than
16 3,000,000 inhabitants, beginning with taxable year 1995 and
17 thereafter, to receive the exemption, a person shall submit an
18 application by July 1 of each taxable year to the Chief County
19 Assessment Officer of the county in which the property is
20 located. A county may, by ordinance, establish a date for
21 submission of applications that is different than July 1. The
22 applicant shall submit with the application an affidavit of
23 the applicant's total household income, age, marital status
24 (and if married the name and address of the applicant's
25 spouse, if known), and principal dwelling place of members of
26 the household on January 1 of the taxable year. The Department

1 shall establish, by rule, a method for verifying the accuracy
2 of affidavits filed by applicants under this Section, and the
3 Chief County Assessment Officer may conduct audits of any
4 taxpayer claiming an exemption under this Section to verify
5 that the taxpayer is eligible to receive the exemption. Each
6 application shall contain or be verified by a written
7 declaration that it is made under the penalties of perjury. A
8 taxpayer's signing a fraudulent application under this Act is
9 perjury, as defined in Section 32-2 of the Criminal Code of
10 2012. The applications shall be clearly marked as applications
11 for the Low-Income Senior Citizens Assessment Freeze Homestead
12 Exemption and must contain a notice that any taxpayer who
13 receives the exemption is subject to an audit by the Chief
14 County Assessment Officer.

15 Notwithstanding any other provision to the contrary, in
16 counties having fewer than 3,000,000 inhabitants, if an
17 applicant fails to file the application required by this
18 Section in a timely manner and this failure to file is due to a
19 mental or physical condition sufficiently severe so as to
20 render the applicant incapable of filing the application in a
21 timely manner, the Chief County Assessment Officer may extend
22 the filing deadline for a period of 30 days after the applicant
23 regains the capability to file the application, but in no case
24 may the filing deadline be extended beyond 3 months of the
25 original filing deadline. In order to receive the extension
26 provided in this paragraph, the applicant shall provide the

1 Chief County Assessment Officer with a signed statement from
2 the applicant's physician, advanced practice registered nurse,
3 or physician assistant stating the nature and extent of the
4 condition, that, in the physician's, advanced practice
5 registered nurse's, or physician assistant's opinion, the
6 condition was so severe that it rendered the applicant
7 incapable of filing the application in a timely manner, and
8 the date on which the applicant regained the capability to
9 file the application.

10 Beginning January 1, 1998, notwithstanding any other
11 provision to the contrary, in counties having fewer than
12 3,000,000 inhabitants, if an applicant fails to file the
13 application required by this Section in a timely manner and
14 this failure to file is due to a mental or physical condition
15 sufficiently severe so as to render the applicant incapable of
16 filing the application in a timely manner, the Chief County
17 Assessment Officer may extend the filing deadline for a period
18 of 3 months. In order to receive the extension provided in this
19 paragraph, the applicant shall provide the Chief County
20 Assessment Officer with a signed statement from the
21 applicant's physician, advanced practice registered nurse, or
22 physician assistant stating the nature and extent of the
23 condition, and that, in the physician's, advanced practice
24 registered nurse's, or physician assistant's opinion, the
25 condition was so severe that it rendered the applicant
26 incapable of filing the application in a timely manner.

1 In counties having less than 3,000,000 inhabitants, if an
2 applicant was denied an exemption in taxable year 1994 and the
3 denial occurred due to an error on the part of an assessment
4 official, or his or her agent or employee, then beginning in
5 taxable year 1997 the applicant's base year, for purposes of
6 determining the amount of the exemption, shall be 1993 rather
7 than 1994. In addition, in taxable year 1997, the applicant's
8 exemption shall also include an amount equal to (i) the amount
9 of any exemption denied to the applicant in taxable year 1995
10 as a result of using 1994, rather than 1993, as the base year,
11 (ii) the amount of any exemption denied to the applicant in
12 taxable year 1996 as a result of using 1994, rather than 1993,
13 as the base year, and (iii) the amount of the exemption
14 erroneously denied for taxable year 1994.

15 For purposes of this Section, a person who will be 65 years
16 of age during the current taxable year shall be eligible to
17 apply for the homestead exemption during that taxable year.
18 Application shall be made during the application period in
19 effect for the county of his or her residence.

20 The Chief County Assessment Officer may determine the
21 eligibility of a life care facility that qualifies as a

23 by use of an affidavit, application, visual inspection,
24 questionnaire, or other reasonable method in order to ensure
25 ~~insure~~ that the tax savings resulting from the exemption are
26 credited by the management firm to the apportioned tax

1 liability of each qualifying resident. The Chief County
2 Assessment Officer may request reasonable proof that the
3 management firm has so credited that exemption.

4 Except as provided in this Section, all information
5 received by the chief county assessment officer or the
6 Department from applications filed under this Section, or from
7 any investigation conducted under the provisions of this
8 Section, shall be confidential, except for official purposes
9 or pursuant to official procedures for collection of any State
10 or local tax or enforcement of any civil or criminal penalty or

12 imposing a State or local tax. Any person who divulges any such
13 information in any manner, except in accordance with a proper
14 judicial order, is guilty of a Class A misdemeanor.

15 Nothing contained in this Section shall prevent the
16 Director or chief county assessment officer from publishing or
17 making available reasonable statistics concerning the
18 operation of the exemption contained in this Section in which
19 the contents of claims are grouped into aggregates in such a
20 way that information contained in any individual claim shall
21 not be disclosed.

22 Notwithstanding any other provision of law, for taxable

24 inhabitants, the amount of the exemption shall be the greater
25 of (i) the amount of the exemption otherwise calculated under
26 this Section or (ii) \$2,000.

1 (c-5) Notwithstanding any other provision of law, each
2 chief county assessment officer may approve this exemption for

20 audits of any taxpayer claiming an exemption under this
21 Section to verify that the taxpayer is eligible to receive the
22 exemption as provided elsewhere in this Section.

23 (c-10) Notwithstanding any other provision of law, each
24 chief county assessment officer may approve this exemption for

3 provided in the Illinois Emergency Management Agency Act
4 related to the COVID-19 public health emergency;

6 1, 2021 is the same as the owner of record of the property
7 as of January 1, 2020;

8 (3) the exemption for the 2020 taxable year has not
9 been determined to be an erroneous exemption as defined by
10 this Code; and

11 (4) the taxpayer for the 2020 taxable year has not
12 asked for the exemption to be removed for the 2020 or 2021
13 taxable years.

14 Nothing in this subsection shall preclude or impair the
15 authority of a chief county assessment officer to conduct
16 audits of any taxpayer claiming an exemption under this
17 Section to verify that the taxpayer is eligible to receive the
18 exemption as provided elsewhere in this Section.

19 (d) Each Chief County Assessment Officer shall annually
20 publish a notice of availability of the exemption provided
21 under this Section. The notice shall be published at least 60
22 days but no more than 75 days prior to the date on which the

5 (35 ILCS 200/18-190)

6 Sec. 18-190. Direct referendum; new rate or increased
7 limiting rate.

8 (a) If a new rate is authorized by statute to be imposed
9 without referendum or is subject to a backdoor referendum, as
10 defined in Section 28-2 of the Election Code, the governing
11 body of the affected taxing district before levying the new
12 rate shall submit the new rate to direct referendum under the
13 provisions of this Section and of Article 28 of the Election
14 Code. Notwithstanding any other provision of law, the levies
15 authorized by Sections 21-110 and 21-110.1 of the Illinois
16 Pension Code shall not be considered new rates; however,
17 nothing in Public Act 98-1088 ~~this amendatory Act of the 98th~~
18 ~~General Assembly~~ authorizes a taxing district to increase its
19 limiting rate or its aggregate extension without first
20 obtaining referendum approval as provided in this Section.
21 Notwithstanding any other provision of law, the levy
22 authorized by Section 18-17 is considered part of the annual
23 corporate extension for the taxing district and is not
24 considered a new rate. Notwithstanding the provisions,
25 requirements, or limitations of any other law, any tax levied

1 for the 2005 levy year and all subsequent levy years by any
2 taxing district subject to this Law may be extended at a rate
3 exceeding the rate established for that tax by referendum or
4 statute, provided that the rate does not exceed the statutory
5 ceiling above which the tax is not authorized to be further
6 increased either by referendum or in any other manner.
7 Notwithstanding the provisions, requirements, or limitations
8 of any other law, all taxing districts subject to this Law
9 shall follow the provisions of this Section whenever seeking
10 referenda approval after March 21, 2006 to (i) levy a new tax
11 rate authorized by statute or (ii) increase the limiting rate
12 applicable to the taxing district. All taxing districts
13 subject to this Law are authorized to seek referendum approval
14 of each proposition described and set forth in this Section.

15 The proposition seeking to obtain referendum approval to
16 levy a new tax rate as authorized in clause (i) shall be in
17 substantially the following form:

18 Shall ... (insert legal name, number, if any, and
19 county or counties of taxing district and geographic or
20 other common name by which a school or community college
21 district is known and referred to), Illinois, be
22 authorized to levy a new tax for ... purposes and have an
23 additional tax of ...% of the equalized assessed value of
24 the taxable property therein extended for such purposes?

25 The votes must be recorded as "Yes" or "No".

26 The proposition seeking to obtain referendum approval to

1 increase the limiting rate as authorized in clause (ii) shall
2 be in substantially the following form:

3 Shall the limiting rate under the Property Tax
4 Extension Limitation Law for ... (insert legal name,
5 number, if any, and county or counties of taxing district
6 and geographic or other common name by which a school or
7 community college district is known and referred to),
8 Illinois, be increased by an additional amount equal to
9 ...% above the limiting rate for the purpose of...(insert
10 purpose) for levy year ... (insert the most recent levy
11 year for which the limiting rate of the taxing district is
12 known at the time the submission of the proposition is
13 initiated by the taxing district) and be equal to ...% of
14 the equalized assessed value of the taxable property
15 therein for levy year(s) (insert each levy year for which
16 the increase will be applicable, which years must be
17 consecutive and may not exceed 4)?

18 The votes must be recorded as "Yes" or "No".

19 The ballot for any proposition submitted pursuant to this
20 Section shall have printed thereon, but not as a part of the
21 proposition submitted, only the following supplemental
22 information (which shall be supplied to the election authority
23 by the taxing district) in substantially the following form:

24 (1) The approximate amount of taxes extendable at the
25 most recently extended limiting rate is \$..., and the
26 approximate amount of taxes extendable if the proposition

1 is approved is \$....

2 (2) For the ... (insert the first levy year for which
3 the new rate or increased limiting rate will be
4 applicable) levy year the approximate amount of the
5 additional tax extendable against property containing a
6 single family residence and having a fair market value at
7 the time of the referendum of \$100,000 is estimated to be
8 \$....

9 (3) Based upon an average annual percentage increase
10 (or decrease) in the market value of such property of ...%
11 ~~%...~~ (insert percentage equal to the average annual
12 percentage increase or decrease for the prior 3 levy
13 years, at the time the submission of the proposition is
14 initiated by the taxing district, in the amount of (A) the
15 equalized assessed value of the taxable property in the
16 taxing district less (B) the new property included in the
17 equalized assessed value), the approximate amount of the
18 additional tax extendable against such property for the
19 ... levy year is estimated to be \$... and for the ... levy
20 year is estimated to be \$....

21 (4) If the proposition is approved, the aggregate
22 extension for ... (insert each levy year for which the
23 increase will apply) will be determined by the limiting
24 rate set forth in the proposition, rather than the
25 otherwise applicable limiting rate calculated under the
26 provisions of the Property Tax Extension Limitation Law

(commonly known as the Property Tax Cap Law).

The approximate amount of taxes extendable shown in paragraph (1) shall be computed upon the last known equalized assessed value of taxable property in the taxing district (at the time the submission of the proposition is initiated by the taxing district). Paragraph (3) shall be included only if the increased limiting rate will be applicable for more than one levy year and shall list each levy year for which the increased limiting rate will be applicable. The additional tax shown for each levy year shall be the approximate dollar amount of the increase over the amount of the most recently completed extension at the time the submission of the proposition is initiated by the taxing district. The approximate amount of the additional taxes extendable shown in paragraphs (2) and (3) shall be calculated by multiplying \$100,000 (the fair market value of the property without regard to any property tax exemptions) by (i) the percentage level of assessment prescribed for that property by statute, or by ordinance of the county board in counties that classify property for purposes of taxation in accordance with Section 4 of Article IX of the Illinois Constitution; (ii) the most recent final equalization factor certified to the county clerk by the Department of Revenue at the time the taxing district initiates the submission of the proposition to the electors; and (iii) either the new rate or the amount by which the limiting rate is to be increased. Public Act 97-1087 ~~This~~

1 ~~amendatory Act of the 97th General Assembly~~ is intended to
2 clarify the existing requirements of this Section, and shall
3 not be construed to validate any prior non-compliant
4 referendum language. Paragraph (4) shall be included if the
5 proposition concerns a limiting rate increase but shall not be
6 included if the proposition concerns a new rate. Any notice
7 required to be published in connection with the submission of
8 the proposition shall also contain this supplemental
9 information and shall not contain any other supplemental
10 information regarding the proposition. Any error,
11 miscalculation, or inaccuracy in computing any amount set
12 forth on the ballot and in the notice that is not deliberate
13 shall not invalidate or affect the validity of any proposition
14 approved. Notice of the referendum shall be published and
15 posted as otherwise required by law, and the submission of the
16 proposition shall be initiated as provided by law.

17 If a majority of all ballots cast on the proposition are in
18 favor of the proposition, the following provisions shall be
19 applicable to the extension of taxes for the taxing district:

20 (A) a new tax rate shall be first effective for the
21 levy year in which the new rate is approved;

22 (B) if the proposition provides for a new tax rate,
23 the taxing district is authorized to levy a tax after the
24 canvass of the results of the referendum by the election
25 authority for the purposes for which the tax is
26 authorized;

1 (C) a limiting rate increase shall be first effective
2 for the levy year in which the limiting rate increase is
3 approved, provided that the taxing district may elect to
4 have a limiting rate increase be effective for the levy
5 year prior to the levy year in which the limiting rate
6 increase is approved unless the extension of taxes for the
7 prior levy year occurs 30 days or less after the canvass of
8 the results of the referendum by the election authority in
9 any county in which the taxing district is located;

10 (D) in order for the limiting rate increase to be
11 first effective for the levy year prior to the levy year of
12 the referendum, the taxing district must certify its
13 election to have the limiting rate increase be effective
14 for the prior levy year to the clerk of each county in
15 which the taxing district is located not more than 2 days
16 after the date the results of the referendum are canvassed
17 by the election authority; and

18 (E) if the proposition provides for a limiting rate
19 increase, the increase may be effective regardless of
20 whether the proposition is approved before or after the
21 taxing district adopts or files its levy for any levy
22 year.

23 Rates required to extend taxes on levies subject to a
24 backdoor referendum in each year there is a levy are not new
25 rates or rate increases under this Section if a levy has been
26 made for the fund in one or more of the preceding 3 levy years.

1 Changes made by Public Act 89-718 ~~this amendatory Act of 1997~~
2 to this Section in reference to rates required to extend taxes
3 on levies subject to a backdoor referendum in each year there
4 is a levy are declarative of existing law and not a new
5 enactment.

6 (b) Whenever other applicable law authorizes a taxing
7 district subject to the limitation with respect to its
8 aggregate extension provided for in this Law to issue bonds or
9 other obligations either without referendum or subject to
10 backdoor referendum, the taxing district may elect for each
11 separate bond issuance to submit the question of the issuance
12 of the bonds or obligations directly to the voters of the
13 taxing district, and if the referendum passes the taxing
14 district is not required to comply with any backdoor
15 referendum procedures or requirements set forth in the other
16 applicable law. The direct referendum shall be initiated by
17 ordinance or resolution of the governing body of the taxing
18 district, and the question shall be certified to the proper
19 election authorities in accordance with the provisions of the
20 Election Code.

16 paid on returns filed under Section 13a.3 of this Act.

17 Any person who purchases motor fuel use tax decals as
18 required by Section 13a.4 and pays an amount of fees for such
19 decals that exceeds the amount due shall be reimbursed and
20 repaid the amount of the decal fees that are deemed by the
21 department to be in excess of the amount due. Alternatively,
22 any person who purchases motor fuel use tax decals as required
23 by Section 13a.4 may credit any excess decal payment verified
24 by the Department against amounts subsequently due for the
25 purchase of additional decals, until such time as no excess
26 payment remains.

1 Claims for such reimbursement must be made to the
2 Department of Revenue, duly verified by the claimant (or by
3 the claimant's legal representative if the claimant has died
4 or become a person under legal disability), upon forms
5 prescribed by the Department. The claim must state such facts
6 relating to the purchase, importation, manufacture or
7 production of the motor fuel by the claimant as the Department
8 may deem necessary, and the time when, and the circumstances
9 of its loss or the specific purpose for which it was used (as
10 the case may be), together with such other information as the
11 Department may reasonably require. No claim based upon idle
12 time shall be allowed. Claims for reimbursement for
13 overpayment of decal fees shall be made to the Department of
14 Revenue, duly verified by the claimant (or by the claimant's
15 legal representative if the claimant has died or become a
16 person under legal disability), upon forms prescribed by the
17 Department. The claim shall state facts relating to the
18 overpayment of decal fees, together with such other
19 information as the Department may reasonably require. Claims
20 for reimbursement of overpayment of decal fees paid on or
21 after January 1, 2011 must be filed not later than one year
22 after the date on which the fees were paid by the claimant. If
23 it is determined that the Department should reimburse a
24 claimant for overpayment of decal fees, the Department shall
25 first apply the amount of such refund against any tax or
26 penalty or interest due by the claimant under Section 13a of

1 this Act.

2 Claims for full reimbursement for taxes paid on or before
3 December 31, 1999 must be filed not later than one year after
4 the date on which the tax was paid by the claimant. If,
5 however, a claim for such reimbursement otherwise meeting the
6 requirements of this Section is filed more than one year but
7 less than 2 years after that date, the claimant shall be
8 reimbursed at the rate of 80% of the amount to which he would
9 have been entitled if his claim had been timely filed.

10 Claims for full reimbursement for taxes paid on or after
11 January 1, 2000 must be filed not later than 2 years after the
12 date on which the tax was paid by the claimant.

13 The Department may make such investigation of the
14 correctness of the facts stated in such claims as it deems
15 necessary. When the Department has approved any such claim, it
16 shall pay to the claimant (or to the claimant's legal
17 representative, as such if the claimant has died or become a
18 person under legal disability) the reimbursement provided in
19 this Section, out of any moneys appropriated to it for that
20 purpose.

21 Any distributor who has paid the tax imposed by Section 2
22 of this Act upon motor fuel lost or used by such distributor
23 for any purpose other than operating a motor vehicle upon the
24 public highways or waters may file a claim for credit or refund
25 to recover the amount so paid. Such claims shall be filed on
26 forms prescribed by the Department. Such claims shall be made

1 to the Department, duly verified by the claimant (or by the
2 claimant's legal representative if the claimant has died or
3 become a person under legal disability), upon forms prescribed
4 by the Department. The claim shall state such facts relating
5 to the purchase, importation, manufacture or production of the
6 motor fuel by the claimant as the Department may deem
7 necessary and the time when the loss or nontaxable use
8 occurred, and the circumstances of its loss or the specific
9 purpose for which it was used (as the case may be), together
10 with such other information as the Department may reasonably
11 require. Claims must be filed not later than one year after the
12 date on which the tax was paid by the claimant.

13 The Department may make such investigation of the
14 correctness of the facts stated in such claims as it deems
15 necessary. When the Department approves a claim, the
16 Department shall issue a refund or credit memorandum, as
17 requested by the taxpayer, to the distributor who made the
18 payment for which the refund or credit is being given or, if
19 the distributor has died or become incompetent, to such
20 distributor's legal representative, as such. The amount of
21 such credit memorandum shall be credited against any tax due
22 or to become due under this Act from the distributor who made
23 the payment for which credit has been given.

24 Any credit or refund that is allowed under this Section
25 shall bear interest at the rate and in the manner specified in
26 the Uniform Penalty and Interest Act.

1 In case the distributor requests and the Department
2 determines that the claimant is entitled to a refund, such
3 refund shall be made only from such appropriation as may be
4 available for that purpose. If it appears unlikely that the
5 amount appropriated would permit everyone having a claim
6 allowed during the period covered by such appropriation to
7 elect to receive a cash refund, the Department, by rule or
8 regulation, shall provide for the payment of refunds in
9 hardship cases and shall define what types of cases qualify as
10 hardship cases.

11 In any case in which there has been an erroneous refund of
12 tax or fees payable under this Section, a notice of tax
13 liability may be issued at any time within 3 years from the
14 making of that refund, or within 5 years from the making of
15 that refund if it appears that any part of the refund was
16 induced by fraud or the misrepresentation of material fact.
17 The amount of any proposed assessment set forth by the
18 Department shall be limited to the amount of the erroneous
19 refund.

20 If no tax is due and no proceeding is pending to determine
21 whether such distributor is indebted to the Department for
22 tax, the credit memorandum so issued may be assigned and set
23 over by the lawful holder thereof, subject to reasonable rules
24 of the Department, to any other licensed distributor who is
25 subject to this Act, and the amount thereof applied by the
26 Department against any tax due or to become due under this Act

1 from such assignee.

2 If the payment for which the distributor's claim is filed
3 is held in the protest fund of the State treasury ~~Treasury~~
4 during the pendency of the claim for credit proceedings
5 pursuant to the order of the court in accordance with Section
6 2a of the State Officers and Employees Money Disposition Act
7 and if it is determined by the Department or by the final order
8 of a reviewing court under the Administrative Review Law that
9 the claimant is entitled to all or a part of the credit
10 claimed, the claimant, instead of receiving a credit
11 memorandum from the Department, shall receive a cash refund
12 from the protest fund as provided for in Section 2a of the
13 State Officers and Employees Money Disposition Act.

14 If any person ceases to be licensed as a distributor while
15 still holding an unused credit memorandum issued under this
16 Act, such person may, at his election (instead of assigning
17 the credit memorandum to a licensed distributor under this
18 Act), surrender such unused credit memorandum to the
19 Department and receive a refund of the amount to which such
20 person is entitled.

21 For claims based upon taxes paid on or before December 31,
22 2000, a claim based upon the use of undyed diesel fuel shall
23 not be allowed except (i) if allowed under the following
24 paragraph or (ii) for undyed diesel fuel used by a commercial
25 vehicle, as that term is defined in Section 1-111.8 of the
26 Illinois Vehicle Code, for any purpose other than operating

1 the commercial vehicle upon the public highways and unlicensed
2 commercial vehicles operating on private property. Claims
3 shall be limited to commercial vehicles that are operated for
4 both highway purposes and any purposes other than operating
5 such vehicles upon the public highways.

6 For claims based upon taxes paid on or after January 1,
7 2000, a claim based upon the use of undyed diesel fuel shall
8 not be allowed except (i) if allowed under the preceding
9 paragraph or (ii) for claims for the following:

10 (1) Undyed diesel fuel used (i) in a manufacturing
11 process, as defined in Section 2-45 of the Retailers'
12 Occupation Tax Act, wherein the undyed diesel fuel becomes
13 a component part of a product or by-product, other than
14 fuel or motor fuel, when the use of dyed diesel fuel in
15 that manufacturing process results in a product that is
16 unsuitable for its intended use or (ii) for testing
17 machinery and equipment in a manufacturing process, as
18 defined in Section 2-45 of the Retailers' Occupation Tax
19 Act, wherein the testing takes place on private property.

20 (2) Undyed diesel fuel used by a manufacturer on
21 private property in the research and development, as
22 defined in Section 1.29, of machinery or equipment
23 intended for manufacture.

24 (3) Undyed diesel fuel used by a single unit
25 self-propelled agricultural fertilizer implement,
26 designed for on-road ~~on~~ and off-road ~~off-road~~ use,

1 equipped with flotation tires and specially adapted for
2 the application of plant food materials or agricultural
3 chemicals.

4 (4) Undyed diesel fuel used by a commercial motor
5 vehicle for any purpose other than operating the
6 commercial motor vehicle upon the public highways. Claims
7 shall be limited to commercial motor vehicles that are
8 operated for both highway purposes and any purposes other
9 than operating such vehicles upon the public highways.

10 (5) Undyed diesel fuel used by a unit of local
11 government in its operation of an airport if the undyed
12 diesel fuel is used directly in airport operations on
13 airport property.

14 (6) Undyed diesel fuel used by refrigeration units
15 that are permanently mounted to a semitrailer, as defined
16 in Section 1.28 of this Law, wherein the refrigeration
17 units have a fuel supply system dedicated solely for the
18 operation of the refrigeration units.

19 (7) Undyed diesel fuel used by power take-off
20 equipment as defined in Section 1.27 of this Law.

21 (8) Beginning on August 22, 2005 (the effective date
22 of Public Act 94-654) ~~this amendatory Act of the 94th~~
23 ~~General Assembly,~~ undyed diesel fuel used by tugs and
24 spotter equipment to shift vehicles or parcels on both
25 private and airport property. Any claim under this item
26 (8) may be made only by a claimant that owns tugs and

1 spotter equipment and operates that equipment on both
2 private and airport property. The aggregate of all credits
3 or refunds resulting from claims filed under this item (8)
4 by a claimant in any calendar year may not exceed
5 \$100,000. A claim may not be made under this item (8) by
6 the same claimant more often than once each quarter. For
7 the purposes of this item (8), "tug" means a vehicle
8 designed for use on airport property that shifts
9 custom-designed containers of parcels from loading docks
10 to aircraft, and "spotter equipment" means a vehicle
11 designed for use on both private and airport property that
12 shifts trailers containing parcels between staging areas
13 and loading docks.

14 Any person who has paid the tax imposed by Section 2 of
15 this Law upon undyed diesel fuel that is unintentionally mixed
16 with dyed diesel fuel and who owns or controls the mixture of
17 undyed diesel fuel and dyed diesel fuel may file a claim for
18 refund to recover the amount paid. The amount of undyed diesel
19 fuel unintentionally mixed must equal 500 gallons or more. Any
20 claim for refund of unintentionally mixed undyed diesel fuel
21 and dyed diesel fuel shall be supported by documentation
22 showing the date and location of the unintentional mixing, the
23 number of gallons involved, the disposition of the mixed
24 diesel fuel, and any other information that the Department may
25 reasonably require. Any unintentional mixture of undyed diesel
26 fuel and dyed diesel fuel shall be sold or used only for

1 non-highway purposes.

2 The Department shall promulgate regulations establishing
3 specific limits on the amount of undyed diesel fuel that may be
4 claimed for refund.

5 For purposes of claims for refund, "loss" means the
6 reduction of motor fuel resulting from fire, theft, spillage,
7 spoilage, leakage, or any other provable cause, but does not
8 include a reduction resulting from evaporation, or shrinkage
9 due to temperature variations. In the case of losses due to
10 fire or theft, the claimant must include fire department or
11 police department reports and any other documentation that the
12 Department may require.

13 For purposes of claims for refund, "any purpose other than
14 operating a motor vehicle upon the public highways" refers to
15 the specific purpose for which the motor vehicle was used and
16 does not refer to the specific location where the motor fuel
17 was used. Incidental use of motor fuel on private roads or
18 private highways in the operation of a motor vehicle does not
19 constitute a "purpose other than operating a motor vehicle
20 upon the public highways" and does not form a basis for a claim
21 under this Section. The provisions of this amendatory Act of
22 the 104th General Assembly are declaratory of existing law as
23 to the meaning and scope of this claim for refund.

1 (35 ILCS 505/16) (from Ch. 120, par. 432)

2 Sec. 16. The Department may, after 5 days' notice, revoke
3 the distributor's or receiver's license or permit of any
4 person (1) who does not operate as a distributor or receiver
5 ~~(a)~~ under Section ~~Sections~~ 1.2 or 1.20, (2) who violates any
6 provision of this Act or any rule or regulation promulgated by
7 the Department under Section 14 of this Act, or (3) who refuses
8 to allow any inspection or test authorized by this Law.

9 Any person whose returns for 2 or more consecutive months
10 do not show sufficient taxable sales to indicate an active
11 business as a distributor or receiver shall be deemed to not be
12 operating as a distributor or receiver as defined in Section
13 ~~Sections~~ 1.2 or 1.20.

14 The Department may, after 5 days' ~~days~~ notice, revoke any
15 distributor's or receiver's license of a person who is
16 registered as a reseller of motor fuel pursuant to Section 2a
17 or 2c of the Retailers' Occupation Tax Act and who fails to
18 collect such prepaid tax on invoiced gallons of motor fuel
19 sold or who fails to deliver a statement of tax paid to the
20 purchaser or to the Department as required by Sections 2d and
21 2e of the Retailers' Occupation Tax Act.

22 The Department may, on notice given by registered mail,
23 cancel a Blender's Permit for any violation of any provisions
24 of this Act or for noncompliance with any rule or regulation
25 made by the Department under Section 14 of this Act.

1 The Department, upon complaint filed in the circuit court,
2 may, by injunction, restrain any person who fails or refuses
3 to comply with the provisions of this Act from acting as a
4 blender or distributor of motor fuel or as a receiver of fuel
5 in this State.

6 The Department may revoke the motor fuel use tax license
7 of a motor carrier registered under Section 13a.4, or that is
8 required to be registered under the terms of the International
9 Fuel Tax Agreement, that violates any provision of this Act or
10 any rule promulgated by the Department under Section ~~Sections~~
11 14 or 14a of this Act. Motor fuel use tax licenses that have
12 been revoked are subject to a \$100 reinstatement fee.

13 Licensees registered or required to be registered under
14 Section 13a.4, or persons required to obtain single trip
15 permits under Section 13a.5, may protest any action or audit
16 finding made by the Department by making a written request for
17 a hearing within 30 days after service of the notice of the
18 original action or finding. If the hearing is not requested
19 within 30 days in writing, the original finding or action is
20 final. Once a hearing has been properly requested, the
21 Department shall give at least 20 days' ~~days~~ written notice of
22 the time and place of the hearing.

1 (35 ILCS 516/250)

2 Sec. 250. Indemnity fund fraud.

3 (a) A person commits the offense of indemnity fund fraud
4 when that person knowingly:

5 (1) offers or agrees to become a party to, or to
6 acquire an interest in, a contract involving the proceeds
7 of a judgment for indemnity under Section 245 before the
8 end of the period of redemption from the tax sale to which
9 the judgment relates;

10 (2) fraudulently induces a party to forgo ~~forego~~
11 bringing an action for the recovery of the mobile home;

12 (3) makes a deceptive misrepresentation during the
13 course of negotiating an agreement under subsection (c) of
14 Section 245; or

15 (4) conspires to violate any of the provisions of this
16 subsection.

17 (b) Commission of any one act described in subsection (a)
18 is a Class A misdemeanor. Commission of more than one act
19 described in subsection (a) during a single course of conduct
20 is a Class 4 felony. A second or subsequent conviction for
21 violation of any portion of this Section is a Class 4 felony.

22 (c) The State's Attorney of the county in which a judgment
23 for indemnity under Section 245 is entered may bring a civil
24 action in the name of the People of the State of Illinois
25 against a person who violates paragraph (1), (2), or (3) of

1 subsection (a). Upon a finding of liability in the action the
2 court shall enter judgment in favor of the People in a sum
3 equal to 3 times the amount of the judgment for indemnity,

8 Section 305. The Illinois Pension Code is amended by
9 changing Sections 8-165, 16-150.1, 16-190.6, 22-101, 22A-106,
10 and 22C-117 as follows:

11 (40 ILCS 5/8-165) (from Ch. 108 1/2, par. 8-165)

12 Sec. 8-165. Re-entry into service.

13 (a) Except as provided in subsection (c) or (d), when an
14 employee receiving an age and service or a prior service
15 annuity who has withdrawn from service after the effective
16 date re-enters service before age 65, any annuity previously
17 granted and any annuity fixed for his wife shall be canceled
18 ~~cancelled~~. The employee shall be credited for annuity purposes
19 with sums sufficient to provide annuities equal to those
20 canceled ~~cancelled~~, as of their ages on the date of re-entry;
21 provided, the maximum age of the wife for this purpose shall be
22 as provided in Section 8-155 of this Article.

23 The sums so credited shall provide for annuities to be
24 fixed and granted in the future. Contributions by the

1 employees and the city for the purposes of this Article shall
2 be made, and, when the proper time arrives, as provided in this
3 Article, new annuities based upon the total credit for annuity
4 purposes and the entire term of his service shall be fixed for
5 the employee and his wife.

6 If the employee's wife died before he re-entered service,
7 no part of any credits for a widow's or widow's prior service
8 annuity at the time the annuity for his wife was fixed shall be
9 credited upon re-entry into service, and no such sums shall
10 thereafter be used to provide such annuity.

11 (b) Except as provided in subsection (c) or (d), when an
12 employee re-enters service after age 65, payments on account
13 of any annuity previously granted shall be suspended during
14 the time thereafter that he is in service, and when he again
15 withdraws, annuity payments shall be resumed. If the employee
16 dies in service, his widow shall receive the amount of the
17 annuity previously fixed for her.

18 (c) For school years beginning on or after July 1, 2021, an
19 age and service or a prior service annuity shall not be
20 canceled ~~cancelled~~ in the case of an employee who is
21 re-employed by the Board of Education of the city as a Special
22 Education Classroom Assistant or Classroom Assistant on a
23 temporary and non-annual basis or on an hourly basis so long as
24 the person: (1) does not work for compensation on more than 120
25 days in a school year; or (2) does not accept gross
26 compensation for the re-employment in a school year in excess

1 of \$30,000. These limitations apply only to school years that
2 begin on or after July 1, 2021. Re-employment under this
3 subsection does not require contributions, result in service
4 credit being earned or granted, or constitute active
5 participation in the Fund.

6 (d) For school years beginning on or after July 1, 2023, an
7 age and service or a prior service annuity shall not be
8 canceled ~~cancelled~~ in the case of an employee who is
9 re-employed by the Board of Education of the city as a
10 paraprofessional or related service provider on a temporary
11 and non-annual basis or on an hourly basis so long as the
12 person: (1) does not work for compensation on more than 120
13 days in a school year; or (2) does not accept gross
14 compensation for the re-employment in a school year in excess
15 of \$30,000. These limitations apply only to school years that
16 begin on or after July 1, 2023. Re-employment under this
17 subsection does not require contributions, result in service
18 credit being earned or granted, or constitute active
19 participation in the Fund.

20 (Source: P.A. 102-342, eff. 8-13-21; 103-552, eff. 8-11-23;

22 (40 ILCS 5/16-150.1)

23 Sec. 16-150.1. Return to teaching in subject shortage
24 area.

25 (a) As used in this Section, "eligible employment" means

1 employment beginning on or after July 1, 2003 and ending no
2 later than June 30, 2027, in a subject shortage area at a
3 qualified school, in a position requiring certification under
4 the law governing the certification of teachers.

5 As used in this Section, "qualified school" means a public
6 elementary or secondary school that meets all of the following
7 requirements:

8 (1) At the time of hiring a retired teacher under this
9 Section, the school is experiencing a shortage of teachers
10 in the subject shortage area for which the teacher is
11 hired.

12 (2) The school district to which the school belongs
13 has complied with the requirements of subsection (e), and
14 the regional superintendent has certified that compliance
15 to the System.

16 (3) If the school district to which the school belongs
17 provides group health benefits for its teachers generally,
18 substantially similar health benefits are made available
19 for teachers participating in the program under this
20 Section, without any limitations based on pre-existing
21 conditions.

22 (b) An annuitant receiving a retirement annuity under this
23 Article (other than a disability retirement annuity) may
24 engage in eligible employment at a qualified school without
25 impairing his or her retirement status or retirement annuity,
26 subject to the following conditions:

1 (1) the eligible employment does not begin within the
2 school year during which service was terminated;

3 (2) the annuitant has not received any early
4 retirement incentive under Section 16-133.3, 16-133.4, or
5 16-133.5;

6 (3) if the annuitant retired before age 60 and with
7 less than 34 years of service, the eligible employment
8 does not begin within the year following the effective
9 date of the retirement annuity;

10 (4) if the annuitant retired at age 60 or above or with
11 34 or more years of service, the eligible employment does
12 not begin within the 90 days following the effective date
13 of the retirement annuity; and

14 (5) before the eligible employment begins, the
15 employer notifies the System in writing of the annuitant's
16 desire to participate in the program established under
17 this Section.

18 (c) An annuitant engaged in eligible employment in
19 accordance with subsection (b) shall be deemed a participant
20 in the program established under this Section for so long as he
21 or she remains employed in eligible employment.

22 (d) A participant in the program established under this
23 Section continues to be a retirement annuitant, rather than an
24 active teacher, for all of the purposes of this Code, but shall
25 be deemed an active teacher for other purposes, such as
26 inclusion in a collective bargaining unit, eligibility for

1 group health benefits, and compliance with the laws governing
2 the employment, regulation, certification, treatment, and
3 conduct of teachers.

4 With respect to an annuitant's eligible employment under
5 this Section, neither employee nor employer contributions
6 shall be made to the System and no additional service credit
7 shall be earned. Eligible employment does not affect the
8 annuitant's final average salary or the amount of the
9 retirement annuity.

10 (e) Before hiring a teacher under this Section, the school
11 district to which the school belongs must do the following:

12 (1) If the school district to which the school belongs
13 has honorably dismissed, within the calendar year
14 preceding the beginning of the school term for which it
15 seeks to employ a retired teacher under the program
16 established in this Section, any teachers who are legally
17 qualified to hold positions in the subject shortage area
18 and have not yet begun to receive their retirement
19 annuities under this Article, the vacant positions must
20 first be tendered to those teachers.

21 (2) For a period of at least 90 days during the 6
22 months preceding the beginning of either the fall or
23 spring term for which it seeks to employ a retired teacher
24 under the program established in this Section, the school
25 district must, on an ongoing basis:
26 (i) advertise its vacancies in the subject shortage area in employment

1 bulletins published by college and university placement
2 offices located near the school; (ii) search for teachers
3 legally qualified to fill those vacancies through the
4 Illinois Education Job Bank; and (iii) post all vacancies
5 on the school district's website and list the vacancies
6 ~~vacancy~~ in an online job portal or database.

7 A school district replacing a teacher who is unable to
8 continue employment with the school district because of
9 documented illness, injury, or disability that occurred after
10 being hired by a school district under this Section shall be
11 exempt from the provisions of paragraph (2) for 90 school
12 days. However, the school district must on an ongoing basis
13 comply with items (i), (ii), and (iii) of paragraph (2).

14 The school district must submit documentation of its
15 compliance with this subsection to the regional
16 superintendent. Upon receiving satisfactory documentation from
17 the school district, the regional superintendent shall certify
18 the district's compliance with this subsection to the System.

19 (f) This Section applies without regard to whether the
20 annuitant was in service on or after July 23, 2003 (the
21 effective date of Public Act 93-320) ~~this amendatory Act of~~
22 ~~the 93rd General Assembly.~~

1 Sec. 16-190.6. Accelerated pension benefit payment for a
2 reduction in annual retirement annuity and survivor's annuity
3 increases.

4 (a) As used in this Section:

5 "Accelerated pension benefit payment" means a lump sum
6 payment equal to 70% of the difference of the present value of
7 the automatic annual increases to a Tier 1 member's retirement
8 annuity and survivor's annuity using the formula applicable to
9 the Tier 1 member and the present value of the automatic annual
10 increases to the Tier 1 member's retirement annuity using the
11 formula provided under subsection (b-5) and the survivor's
12 annuity using the formula provided under subsection (b-6).

13 "Eligible person" means a person who:

14 (1) is a Tier 1 member;

15 (2) has submitted an application for a retirement
16 annuity under this Article;

17 (3) meets the age and service requirements for
18 receiving a retirement annuity under this Article;

19 (4) has not received any retirement annuity under this
20 Article; and

21 (5) has not made the election under Section 16-190.5.

22 (b) As soon as practical after June 4, 2018 (the effective
23 date of Public Act 100-587) and until June 30, 2026, the System
24 shall implement an accelerated pension benefit payment option
25 for eligible persons. Upon the request of an eligible person,
26 the System shall calculate, using actuarial tables and other

1 assumptions adopted by the Board, an accelerated pension
2 benefit payment amount and shall offer that eligible person
3 the opportunity to irrevocably elect to have his or her
4 automatic annual increases in retirement annuity calculated in
5 accordance with the formula provided under subsection (b-5)
6 and any increases in survivor's annuity payable to his or her
7 survivor's annuity beneficiary calculated in accordance with
8 the formula provided under subsection (b-6) in exchange for
9 the accelerated pension benefit payment. The election under
10 this subsection must be made before the eligible person
11 receives the first payment of a retirement annuity otherwise
12 payable under this Article.

13 (b-5) Notwithstanding any other provision of law, the
14 retirement annuity of a person who made the election under
15 subsection (b) shall be subject to annual increases on the
16 January 1 occurring either on or after the attainment of age 67
17 or the first anniversary of the annuity start date, whichever
18 is later. Each annual increase shall be calculated at 1.5% of
19 the originally granted retirement annuity.

20 (b-6) Notwithstanding any other provision of law, a
21 survivor's annuity payable to a survivor's annuity beneficiary
22 of a person who made the election under subsection (b) shall be
23 subject to annual increases on the January 1 occurring on or
24 after the first anniversary of the commencement of the
25 annuity. Each annual increase shall be calculated at 1.5% of
26 the originally granted survivor's annuity.

1 (c) If a person who has received an accelerated pension
2 benefit payment returns to active service under this Article,
3 then:

4 (1) the calculation of any future automatic annual
5 increase in retirement annuity shall be calculated in
6 accordance with the formula provided in subsection (b-5);
7 and

8 (2) the accelerated pension benefit payment may not be
9 repaid to the System.

10 (d) As a condition of receiving an accelerated pension
11 benefit payment, the accelerated pension benefit payment must
12 be transferred into a tax qualified retirement plan or
13 account. The accelerated pension benefit payment under this
14 Section may be subject to withholding or payment of applicable
15 taxes, but to the extent permitted by federal law, a person who
16 receives an accelerated pension benefit payment under this
17 Section must direct the System to pay all of that payment as a
18 rollover into another retirement plan or account qualified
19 under the Internal Revenue Code of 1986, as amended.

20 (d-5) Upon receipt of a member's irrevocable election to
21 receive an accelerated pension benefit payment under this
22 Section, the System shall submit a voucher to the Comptroller
23 for payment of the member's accelerated pension benefit
24 payment. The Comptroller shall transfer the amount of the
25 voucher from the State Pension Obligation Acceleration Bond
26 Fund to the System, and the System shall transfer the amount

1 into the member's eligible retirement plan or qualified
2 account.

3 (e) The Board shall adopt any rules, including emergency
4 rules, necessary to implement this Section.

5 (f) No provision of this Section shall be interpreted in a
6 way that would cause the applicable System to cease to be a
7 qualified plan under the Internal Revenue Code of 1986.

11 (Text of Section before amendment by P.A. 104-457)

12 Sec. 22-101. Retirement Plan for Chicago Transit Authority
13 Employees.

14 (a) There shall be established and maintained by the
15 Authority created by the "Metropolitan Transit Authority Act",
16 approved April 12, 1945, as amended, (referred to in this
17 Section as the "Authority") a financially sound pension and
18 retirement system adequate to provide for all payments when
19 due under such established system or as modified from time to
20 time by ordinance of the Chicago Transit Board or collective
21 bargaining agreement. For this purpose, the Board must make
22 contributions to the established system as required under this
23 Section and may make any additional contributions provided for
24 by Board ordinance or collective bargaining agreement. The
25 participating employees shall make such periodic payments to

1 the established system as required under this Section and may
2 make any additional contributions provided for by Board
3 ordinance or collective bargaining agreement.

4 Provisions shall be made by the Board for all officers,
5 except those who first become members on or after January 1,
6 2012, and employees of the Authority appointed pursuant to the
7 "Metropolitan Transit Authority Act" to become, subject to
8 reasonable rules and regulations, participants of the pension
9 or retirement system with uniform rights, privileges,
10 obligations and status as to the class in which such officers
11 and employees belong. The terms, conditions and provisions of
12 any pension or retirement system or of any amendment or
13 modification thereof affecting employees who are members of
14 any labor organization may be established, amended or modified
15 by agreement with such labor organization, provided the terms,
16 conditions and provisions must be consistent with this Act,
17 the annual funding levels for the retirement system
18 established by law must be met and the benefits paid to future
19 participants in the system may not exceed the benefit ceilings
20 set for future participants under this Act and the
21 contribution levels required by the Authority and its
22 employees may not be less than the contribution levels
23 established under this Act.

24 (b) The Board of Trustees shall consist of 11 members
25 appointed as follows: (i) 5 trustees shall be appointed by the
26 Chicago Transit Board; (ii) 3 trustees shall be appointed by

1 an organization representing the highest number of Chicago
2 Transit Authority participants; (iii) one trustee shall be
3 appointed by an organization representing the second-highest
4 number of Chicago Transit Authority participants; (iv) one
5 trustee shall be appointed by the recognized coalition
6 representatives of participants who are not represented by an
7 organization with the highest or second-highest number of
8 Chicago Transit Authority participants; and (v) one trustee
9 shall be selected by the Regional Transportation Authority
10 Board of Directors, and the trustee shall be a professional
11 fiduciary who has experience in the area of collectively
12 bargained pension plans. Trustees shall serve until a
13 successor has been appointed and qualified, or until
14 resignation, death, incapacity, or disqualification.

15 Any person appointed as a trustee of the board shall
16 qualify by taking an oath of office that he or she will
17 diligently and honestly administer the affairs of the system
18 and will not knowingly violate or willfully permit the
19 violation of any of the provisions of law applicable to the
20 Plan, including Sections 1-109, 1-109.1, 1-109.2, 1-110,
21 1-111, 1-114, and 1-115 of the Illinois Pension Code.

22 Each trustee shall cast individual votes, and a majority
23 vote shall be final and binding upon all interested parties,
24 provided that the Board of Trustees may require a
25 supermajority vote with respect to the investment of the
26 assets of the Retirement Plan, and may set forth that

1 requirement in the Retirement Plan documents, by-laws, or
2 rules of the Board of Trustees. Each trustee shall have the
3 rights, privileges, authority, and obligations as are usual
4 and customary for such fiduciaries.

5 The Board of Trustees may cause amounts on deposit in the
6 Retirement Plan to be invested in those investments that are
7 permitted investments for the investment of moneys held under
8 any one or more of the pension or retirement systems of the
9 State, any unit of local government or school district, or any
10 agency or instrumentality thereof. The Board, by a vote of at
11 least two-thirds of the trustees, may transfer investment
12 management to the Illinois State Board of Investment, which is
13 hereby authorized to manage these investments when so
14 requested by the Board of Trustees.

15 Notwithstanding any other provision of this Article or any
16 law to the contrary, any person who first becomes a member of
17 the Chicago Transit Board on or after January 1, 2012 shall not
18 be eligible to participate in this Retirement Plan.

19 (c) All individuals who were previously participants in
20 the Retirement Plan for Chicago Transit Authority Employees
21 shall remain participants, and shall receive the same benefits
22 established by the Retirement Plan for Chicago Transit
23 Authority Employees, except as provided in this amendatory Act
24 or by subsequent legislative enactment or amendment to the
25 Retirement Plan. For Authority employees hired on or after the
26 effective date of this amendatory Act of the 95th General

1 Assembly, the Retirement Plan for Chicago Transit Authority
2 Employees shall be the exclusive retirement plan and such
3 employees shall not be eligible for any supplemental plan,
4 except for a deferred compensation plan funded only by
5 employee contributions.

6 For all Authority employees who are first hired on or
7 after the effective date of this amendatory Act of the 95th
8 General Assembly and are participants in the Retirement Plan
9 for Chicago Transit Authority Employees, the following terms,
10 conditions and provisions with respect to retirement shall be
11 applicable:

12 (1) Such participant shall be eligible for an
13 unreduced retirement allowance for life upon the
14 attainment of age 64 with 25 years of continuous service.

15 (2) Such participant shall be eligible for a reduced
16 retirement allowance for life upon the attainment of age
17 55 with 10 years of continuous service.

18 (3) For the purpose of determining the retirement
19 allowance to be paid to a retiring employee, the term
20 "Continuous Service" as used in the Retirement Plan for
21 Chicago Transit Authority Employees shall also be deemed
22 to include all pension credit for service with any
23 retirement system established under Article 8 or Article
24 11 of this Code, provided that the employee forfeits and
25 relinquishes all pension credit under Article 8 or Article
26 11 of this Code, and the contribution required under this

1 subsection is made by the employee. The Retirement Plan's
2 actuary shall determine the contribution paid by the
3 employee as an amount equal to the normal cost of the
4 benefit accrued, had the service been rendered as an
5 employee, plus interest per annum from the time such
6 service was rendered until the date the payment is made.

7 (d) From the effective date of this amendatory Act through
8 December 31, 2008, all participating employees shall
9 contribute to the Retirement Plan in an amount not less than 6%
10 of compensation, and the Authority shall contribute to the
11 Retirement Plan in an amount not less than 12% of
12 compensation.

13 (e)(1) Beginning January 1, 2009 the Authority shall make
14 contributions to the Retirement Plan in an amount equal to
15 twelve percent (12%) of compensation and participating
16 employees shall make contributions to the Retirement Plan in
17 an amount equal to six percent (6%) of compensation. These
18 contributions may be paid by the Authority and participating
19 employees on a payroll or other periodic basis, but shall in
20 any case be paid to the Retirement Plan at least monthly.

21 (2) For the period ending December 31, 2040, the amount
22 paid by the Authority in any year with respect to debt service
23 on bonds issued for the purposes of funding a contribution to
24 the Retirement Plan under Section 12c of the Metropolitan
25 Transit Authority Act, other than debt service paid with the
26 proceeds of bonds or notes issued by the Authority for any year

1 after calendar year 2008, shall be treated as a credit against
2 the amount of required contribution to the Retirement Plan by
3 the Authority under subsection (e)(1) for the following year
4 up to an amount not to exceed 6% of compensation paid by the
5 Authority in that following year.

6 (3) By September 15 of each year beginning in 2009 and
7 ending on December 31, 2039, on the basis of a report prepared
8 by an enrolled actuary retained by the Plan, the Board of
9 Trustees of the Retirement Plan shall determine the estimated
10 funded ratio of the total assets of the Retirement Plan to its
11 total actuarially determined liabilities. A report containing
12 that determination and the actuarial assumptions on which it
13 is based shall be filed with the Authority, the
14 representatives of its participating employees, the Auditor
15 General of the State of Illinois, and the Regional
16 Transportation Authority. If the funded ratio is projected to
17 decline below 60% in any year before 2040, the Board of
18 Trustees shall also determine the increased contribution
19 required each year as a level percentage of payroll over the
20 years remaining until 2040 using the projected unit credit
21 actuarial cost method so the funded ratio does not decline
22 below 60% and include that determination in its report. If the
23 actual funded ratio declines below 60% in any year prior to
24 2040, the Board of Trustees shall also determine the increased
25 contribution required each year as a level percentage of
26 payroll during the years after the then current year using the

1 projected unit credit actuarial cost method so the funded
2 ratio is projected to reach at least 60% no later than 10 years
3 after the then current year and include that determination in
4 its report. Within 60 days after receiving the report, the
5 Auditor General shall review the determination and the
6 assumptions on which it is based, and if he finds that the
7 determination and the assumptions on which it is based are
8 unreasonable in the aggregate, he shall issue a new
9 determination of the funded ratio, the assumptions on which it
10 is based and the increased contribution required each year as
11 a level percentage of payroll over the years remaining until
12 2040 using the projected unit credit actuarial cost method so
13 the funded ratio does not decline below 60%, or, in the event
14 of an actual decline below 60%, so the funded ratio is
15 projected to reach 60% by no later than 10 years after the then
16 current year. If the Board of Trustees or the Auditor General
17 determine that an increased contribution is required to meet
18 the funded ratio required by the subsection, effective January
19 1 following the determination or 30 days after such
20 determination, whichever is later, one-third of the increased
21 contribution shall be paid by participating employees and
22 two-thirds by the Authority, in addition to the contributions
23 required by this subsection (1).

24 (4) For the period beginning 2040, the minimum
25 contribution to the Retirement Plan for each fiscal year shall
26 be an amount determined by the Board of Trustees of the

1 Retirement Plan to be sufficient to bring the total assets of
2 the Retirement Plan up to 90% of its total actuarial
3 liabilities by the end of 2059. Participating employees shall
4 be responsible for one-third of the required contribution and
5 the Authority shall be responsible for two-thirds of the
6 required contribution. In making these determinations, the
7 Board of Trustees shall calculate the required contribution
8 each year as a level percentage of payroll over the years
9 remaining to and including fiscal year 2059 using the
10 projected unit credit actuarial cost method. A report
11 containing that determination and the actuarial assumptions on
12 which it is based shall be filed by September 15 of each year
13 with the Authority, the representatives of its participating
14 employees, the Auditor General of the State of Illinois and
15 the Regional Transportation Authority. If the funded ratio is
16 projected to fail to reach 90% by December 31, 2059, the Board
17 of Trustees shall also determine the increased contribution
18 required each year as a level percentage of payroll over the
19 years remaining until December 31, 2059 using the projected
20 unit credit actuarial cost method so the funded ratio will
21 meet 90% by December 31, 2059 and include that determination
22 in its report. Within 60 days after receiving the report, the
23 Auditor General shall review the determination and the
24 assumptions on which it is based and if he finds that the
25 determination and the assumptions on which it is based are
26 unreasonable in the aggregate, he shall issue a new

1 determination of the funded ratio, the assumptions on which it
2 is based and the increased contribution required each year as
3 a level percentage of payroll over the years remaining until
4 December 31, 2059 using the projected unit credit actuarial
5 cost method so the funded ratio reaches no less than 90% by
6 December 31, 2059. If the Board of Trustees or the Auditor
7 General determine that an increased contribution is required
8 to meet the funded ratio required by this subsection,
9 effective January 1 following the determination or 30 days
10 after such determination, whichever is later, one-third of the
11 increased contribution shall be paid by participating
12 employees and two-thirds by the Authority, in addition to the
13 contributions required by subsection (e) (1).

14 (5) Beginning in 2060, the minimum contribution for each
15 year shall be the amount needed to maintain the total assets of
16 the Retirement Plan at 90% of the total actuarial liabilities
17 of the Plan, and the contribution shall be funded two-thirds
18 by the Authority and one-third by the participating employees
19 in accordance with this subsection.

20 (f) The Authority shall take the steps necessary to comply
21 with Section 414(h) (2) of the Internal Revenue Code of 1986,
22 as amended, to permit the pick-up of employee contributions
23 under subsections (d) and (e) on a tax-deferred basis.

24 (g) The Board of Trustees shall certify to the Governor,
25 the General Assembly, the Auditor General, the Board of the
26 Regional Transportation Authority, and the Authority at least

1 90 days prior to the end of each fiscal year the amount of the
2 required contributions to the retirement system for the next
3 retirement system fiscal year under this Section. The
4 certification shall include a copy of the actuarial
5 recommendations upon which it is based. In addition, copies of
6 the certification shall be sent to the Commission on
7 Government Forecasting and Accountability and the Mayor of
8 Chicago.

9 (h)(1) As to an employee who first becomes entitled to a
10 retirement allowance commencing on or after November 30, 1989,
11 the retirement allowance shall be the amount determined in
12 accordance with the following formula:

13 (A) One percent (1%) of his "Average Annual
14 Compensation in the highest four (4) completed Plan Years"
15 for each full year of continuous service from the date of
16 original employment to the effective date of the Plan;
17 plus

18 (B) One and seventy-five hundredths percent (1.75%) of
19 his "Average Annual Compensation in the highest four (4)
20 completed Plan Years" for each year (including fractions
21 thereof to completed calendar months) of continuous
22 service as provided for in the Retirement Plan for Chicago
23 Transit Authority Employees.

24 Provided, however that:

25 (2) As to an employee who first becomes entitled to a
26 retirement allowance commencing on or after January 1, 1993,

1 the retirement allowance shall be the amount determined in
2 accordance with the following formula:

3 (A) One percent (1%) of his "Average Annual
4 Compensation in the highest four (4) completed Plan Years"
5 for each full year of continuous service from the date of
6 original employment to the effective date of the Plan;
7 plus

8 (B) One and eighty hundredths percent (1.80%) of his
9 "Average Annual Compensation in the highest four (4)
10 completed Plan Years" for each year (including fractions
11 thereof to completed calendar months) of continuous
12 service as provided for in the Retirement Plan for Chicago
13 Transit Authority Employees.

14 Provided, however that:

15 (3) As to an employee who first becomes entitled to a
16 retirement allowance commencing on or after January 1, 1994,
17 the retirement allowance shall be the amount determined in
18 accordance with the following formula:

19 (A) One percent (1%) of his "Average Annual
20 Compensation in the highest four (4) completed Plan Years"
21 for each full year of continuous service from the date of
22 original employment to the effective date of the Plan;
23 plus

24 (B) One and eighty-five hundredths percent (1.85%) of
25 his "Average Annual Compensation in the highest four (4)
26 completed Plan Years" for each year (including fractions

1 thereof to completed calendar months) of continuous
2 service as provided for in the Retirement Plan for Chicago
3 Transit Authority Employees.

4 Provided, however that:

5 (4) As to an employee who first becomes entitled to a
6 retirement allowance commencing on or after January 1, 2000,
7 the retirement allowance shall be the amount determined in
8 accordance with the following formula:

9 (A) One percent (1%) of his "Average Annual
10 Compensation in the highest four (4) completed Plan Years"
11 for each full year of continuous service from the date of
12 original employment to the effective date of the Plan;
13 plus

14 (B) Two percent (2%) of his "Average Annual
15 Compensation in the highest four (4) completed Plan Years"
16 for each year (including fractions thereof to completed
17 calendar months) of continuous service as provided for in
18 the Retirement Plan for Chicago Transit Authority
19 Employees.

20 Provided, however that:

21 (5) As to an employee who first becomes entitled to a
22 retirement allowance commencing on or after January 1, 2001,
23 the retirement allowance shall be the amount determined in
24 accordance with the following formula:

25 (A) One percent (1%) of his "Average Annual
26 Compensation in the highest four (4) completed Plan Years"

1 for each full year of continuous service from the date of
2 original employment to the effective date of the Plan;
3 plus

4 (B) Two and fifteen hundredths percent (2.15%) of his
5 "Average Annual Compensation in the highest four (4)
6 completed Plan Years" for each year (including fractions
7 thereof to completed calendar months) of continuous
8 service as provided for in the Retirement Plan for Chicago
9 Transit Authority Employees.

10 The changes made by this amendatory Act of the 95th
11 General Assembly, to the extent that they affect the rights or
12 privileges of Authority employees that are currently the
13 subject of collective bargaining, have been agreed to between
14 the authorized representatives of these employees and of the
15 Authority prior to enactment of this amendatory Act, as
16 evidenced by a Memorandum of Understanding between these
17 representatives that will be filed with the Secretary of State
18 Index Department and designated as "95-GA-C05". The General
19 Assembly finds and declares that those changes are consistent
20 with 49 U.S.C. 5333(b) (also known as Section 13(c) of the
21 Federal Transit Act) because of this agreement between
22 authorized representatives of these employees and of the
23 Authority, and that any future amendments to the provisions of
24 this amendatory Act of the 95th General Assembly, to the
25 extent those amendments would affect the rights and privileges
26 of Authority employees that are currently the subject of

1 collective bargaining, would be consistent with 49 U.S.C.
2 5333(b) if and only if those amendments were agreed to between
3 these authorized representatives prior to enactment.

4 (i) Early retirement incentive plan; funded ratio.

5 (1) Beginning on the effective date of this Section,
6 no early retirement incentive shall be offered to
7 participants of the Plan unless the Funded Ratio of the
8 Plan is at least 80% or more.

9 (2) For the purposes of this Section, the Funded Ratio
10 shall be the Adjusted Assets divided by the Actuarial
11 Accrued Liability developed in accordance with Statement
12 #25 promulgated by the Government Accounting Standards
13 Board and the actuarial assumptions described in the Plan.
14 The Adjusted Assets shall be calculated based on the
15 methodology described in the Plan.

16 (j) Nothing in this amendatory Act of the 95th General
17 Assembly shall impair the rights or privileges of Authority
18 employees under any other law.

19 (k) Any individual who, on or after August 19, 2011 (the
20 effective date of Public Act 97-442), first becomes a
21 participant of the Retirement Plan shall not be paid any of the
22 benefits provided under this Code if he or she is convicted of
23 a felony relating to, arising out of, or in connection with his
24 or her service as a participant.

25 This subsection (k) shall not operate to impair any
26 contract or vested right acquired before August 19, 2011 (the

1 effective date of Public Act 97-442) under any law or laws
2 continued in this Code, and it shall not preclude the right to
3 refund.

7 Sec. 22-101. Retirement Plan for Chicago Transit Authority
8 Employees.

9 (a) There shall be established and maintained by the
10 Authority created by the Chicago Transit Authority Act
11 (referred to in this Section as the Authority), a financially
12 sound pension and retirement system adequate to provide for
13 all payments when due under such established system or as
14 modified from time to time by ordinance of the Chicago Transit
15 Board or collective bargaining agreement. For this purpose,
16 the Board must make contributions to the established system as
17 required under this Section and may make any additional
18 contributions provided for by Board ordinance or collective
19 bargaining agreement. The participating employees shall make
20 such periodic payments to the established system as required
21 under this Section and may make any additional contributions
22 provided for by Board ordinance or collective bargaining
23 agreement.

24 Provisions shall be made by the Board for all officers,
25 except those who first become members on or after January 1,

1 2012, and employees of the Authority appointed pursuant to the
2 Chicago Transit Authority Act to become, subject to reasonable
3 rules and regulations, participants of the pension or
4 retirement system with uniform rights, privileges, obligations
5 and status as to the class in which such officers and employees
6 belong. The terms, conditions and provisions of any pension or
7 retirement system or of any amendment or modification thereof
8 affecting employees who are members of any labor organization
9 may be established, amended or modified by agreement with such
10 labor organization, provided the terms, conditions and
11 provisions must be consistent with this Act, the annual
12 funding levels for the retirement system established by law
13 must be met and the benefits paid to future participants in the
14 system may not exceed the benefit ceilings set for future
15 participants under this Act and the contribution levels
16 required by the Authority and its employees may not be less
17 than the contribution levels established under this Act.

18 (b) The Board of Trustees shall consist of 11 members
19 appointed as follows: (i) 5 trustees shall be appointed by the
20 Chicago Transit Board; (ii) 3 trustees shall be appointed by
21 an organization representing the highest number of Chicago
22 Transit Authority participants; (iii) one trustee shall be
23 appointed by an organization representing the second-highest
24 number of Chicago Transit Authority participants; (iv) one
25 trustee shall be appointed by the recognized coalition
26 representatives of participants who are not represented by an

1 organization with the highest or second-highest number of
2 Chicago Transit Authority participants; and (v) one trustee
3 shall be selected by the Northern Illinois Transit Authority
4 Board, and the trustee shall be a professional fiduciary who
5 has experience in the area of collectively bargained pension
6 plans. Trustees shall serve until a successor has been
7 appointed and qualified, or until resignation, death,
8 incapacity, or disqualification.

9 Any person appointed as a trustee of the board shall
10 qualify by taking an oath of office that he or she will
11 diligently and honestly administer the affairs of the system
12 and will not knowingly violate or willfully permit the
13 violation of any of the provisions of law applicable to the
14 Plan, including Sections 1-109, 1-109.1, 1-109.2, 1-110,
15 1-111, 1-114, and 1-115 of the Illinois Pension Code.

16 Each trustee shall cast individual votes, and a majority
17 vote shall be final and binding upon all interested parties,
18 provided that the Board of Trustees may require a
19 supermajority vote with respect to the investment of the
20 assets of the Retirement Plan, and may set forth that
21 requirement in the Retirement Plan documents, by-laws, or
22 rules of the Board of Trustees. Each trustee shall have the
23 rights, privileges, authority, and obligations as are usual
24 and customary for such fiduciaries.

25 The Board of Trustees may cause amounts on deposit in the
26 Retirement Plan to be invested in those investments that are

1 permitted investments for the investment of moneys held under
2 any one or more of the pension or retirement systems of the
3 State, any unit of local government or school district, or any
4 agency or instrumentality thereof. The Board, by a vote of at
5 least two-thirds of the trustees, may transfer investment
6 management to the Illinois State Board of Investment, which is
7 hereby authorized to manage these investments when so
8 requested by the Board of Trustees.

9 Notwithstanding any other provision of this Article or any
10 law to the contrary, any person who first becomes a member of
11 the Chicago Transit Board on or after January 1, 2012 shall not
12 be eligible to participate in this Retirement Plan.

13 (c) All individuals who were previously participants in
14 the Retirement Plan for Chicago Transit Authority Employees
15 shall remain participants, and shall receive the same benefits
16 established by the Retirement Plan for Chicago Transit
17 Authority Employees, except as provided in this amendatory Act
18 or by subsequent legislative enactment or amendment to the
19 Retirement Plan. For Authority employees hired on or after the
20 effective date of this amendatory Act of the 95th General
21 Assembly, the Retirement Plan for Chicago Transit Authority
22 Employees shall be the exclusive retirement plan and such
23 employees shall not be eligible for any supplemental plan,
24 except for a deferred compensation plan funded only by
25 employee contributions.

26 For all Authority employees who are first hired on or

1 after the effective date of this amendatory Act of the 95th
2 General Assembly and are participants in the Retirement Plan
3 for Chicago Transit Authority Employees, the following terms,
4 conditions and provisions with respect to retirement shall be
5 applicable:

6 (1) Such participant shall be eligible for an
7 unreduced retirement allowance for life upon the
8 attainment of age 64 with 25 years of continuous service.

9 (2) Such participant shall be eligible for a reduced
10 retirement allowance for life upon the attainment of age
11 55 with 10 years of continuous service.

12 (3) For the purpose of determining the retirement
13 allowance to be paid to a retiring employee, the term
14 "Continuous Service" as used in the Retirement Plan for
15 Chicago Transit Authority Employees shall also be deemed
16 to include all pension credit for service with any
17 retirement system established under Article 8 or Article
18 11 of this Code, provided that the employee forfeits and
19 relinquishes all pension credit under Article 8 or Article
20 11 of this Code, and the contribution required under this
21 subsection is made by the employee. The Retirement Plan's
22 actuary shall determine the contribution paid by the
23 employee as an amount equal to the normal cost of the
24 benefit accrued, had the service been rendered as an
25 employee, plus interest per annum from the time such
26 service was rendered until the date the payment is made.

1 (d) From the effective date of this amendatory Act through
2 December 31, 2008, all participating employees shall
3 contribute to the Retirement Plan in an amount not less than 6%
4 of compensation, and the Authority shall contribute to the
5 Retirement Plan in an amount not less than 12% of
6 compensation.

7 (e)(1) Beginning January 1, 2009 the Authority shall make
8 contributions to the Retirement Plan in an amount equal to
9 twelve percent (12%) of compensation and participating
10 employees shall make contributions to the Retirement Plan in
11 an amount equal to six percent (6%) of compensation. These
12 contributions may be paid by the Authority and participating
13 employees on a payroll or other periodic basis, but shall in
14 any case be paid to the Retirement Plan at least monthly.

15 (2) For the period ending December 31, 2040, the amount
16 paid by the Authority in any year with respect to debt service
17 on bonds issued for the purposes of funding a contribution to
18 the Retirement Plan under Section 12c of the Chicago Transit
19 Authority Act, other than debt service paid with the proceeds
20 of bonds or notes issued by the Authority for any year after
21 calendar year 2008, shall be treated as a credit against the
22 amount of required contribution to the Retirement Plan by the
23 Authority under subsection (e)(1) for the following year up to
24 an amount not to exceed 6% of compensation paid by the
25 Authority in that following year.

26 (3) By September 15 of each year beginning in 2009 and

1 ending on December 31, 2039, on the basis of a report prepared
2 by an enrolled actuary retained by the Plan, the Board of
3 Trustees of the Retirement Plan shall determine the estimated
4 funded ratio of the total assets of the Retirement Plan to its
5 total actuarially determined liabilities. A report containing
6 that determination and the actuarial assumptions on which it
7 is based shall be filed with the Authority, the
8 representatives of its participating employees, the Auditor
9 General of the State of Illinois, and the Northern Illinois
10 Transit Authority. If the funded ratio is projected to decline
11 below 60% in any year before 2040, the Board of Trustees shall
12 also determine the increased contribution required each year
13 as a level percentage of payroll over the years remaining
14 until 2040 using the projected unit credit actuarial cost
15 method so the funded ratio does not decline below 60% and
16 include that determination in its report. If the actual funded
17 ratio declines below 60% in any year prior to 2040, the Board
18 of Trustees shall also determine the increased contribution
19 required each year as a level percentage of payroll during the
20 years after the then current year using the projected unit
21 credit actuarial cost method so the funded ratio is projected
22 to reach at least 60% no later than 10 years after the then
23 current year and include that determination in its report.
24 Within 60 days after receiving the report, the Auditor General
25 shall review the determination and the assumptions on which it
26 is based, and if he finds that the determination and the

1 assumptions on which it is based are unreasonable in the
2 aggregate, he shall issue a new determination of the funded
3 ratio, the assumptions on which it is based and the increased
4 contribution required each year as a level percentage of
5 payroll over the years remaining until 2040 using the
6 projected unit credit actuarial cost method so the funded
7 ratio does not decline below 60%, or, in the event of an actual
8 decline below 60%, so the funded ratio is projected to reach
9 60% by no later than 10 years after the then current year. If
10 the Board of Trustees or the Auditor General determine that an
11 increased contribution is required to meet the funded ratio
12 required by the subsection, effective January 1 following the
13 determination or 30 days after such determination, whichever
14 is later, one-third of the increased contribution shall be
15 paid by participating employees and two-thirds by the
16 Authority, in addition to the contributions required by this
17 subsection (1).

18 (4) For the period beginning 2040, the minimum
19 contribution to the Retirement Plan for each fiscal year shall
20 be an amount determined by the Board of Trustees of the
21 Retirement Plan to be sufficient to bring the total assets of
22 the Retirement Plan up to 90% of its total actuarial
23 liabilities by the end of 2059. Participating employees shall
24 be responsible for one-third of the required contribution and
25 the Authority shall be responsible for two-thirds of the
26 required contribution. In making these determinations, the

1 Board of Trustees shall calculate the required contribution
2 each year as a level percentage of payroll over the years
3 remaining to and including fiscal year 2059 using the
4 projected unit credit actuarial cost method. A report
5 containing that determination and the actuarial assumptions on
6 which it is based shall be filed by September 15 of each year
7 with the Authority, the representatives of its participating
8 employees, the Auditor General of the State of Illinois and
9 the Northern Illinois Transit Authority. If the funded ratio
10 is projected to fail to reach 90% by December 31, 2059, the
11 Board of Trustees shall also determine the increased
12 contribution required each year as a level percentage of
13 payroll over the years remaining until December 31, 2059 using
14 the projected unit credit actuarial cost method so the funded
15 ratio will meet 90% by December 31, 2059 and include that
16 determination in its report. Within 60 days after receiving
17 the report, the Auditor General shall review the determination
18 and the assumptions on which it is based and if he finds that
19 the determination and the assumptions on which it is based are
20 unreasonable in the aggregate, he shall issue a new
21 determination of the funded ratio, the assumptions on which it
22 is based and the increased contribution required each year as
23 a level percentage of payroll over the years remaining until
24 December 31, 2059 using the projected unit credit actuarial
25 cost method so the funded ratio reaches no less than 90% by
26 December 31, 2059. If the Board of Trustees or the Auditor

1 General determine that an increased contribution is required
2 to meet the funded ratio required by this subsection,
3 effective January 1 following the determination or 30 days
4 after such determination, whichever is later, one-third of the
5 increased contribution shall be paid by participating
6 employees and two-thirds by the Authority, in addition to the
7 contributions required by subsection (e) (1) .

8 (5) Beginning in 2060, the minimum contribution for each
9 year shall be the amount needed to maintain the total assets of
10 the Retirement Plan at 90% of the total actuarial liabilities
11 of the Plan, and the contribution shall be funded two-thirds
12 by the Authority and one-third by the participating employees
13 in accordance with this subsection.

14 (f) The Authority shall take the steps necessary to comply
15 with Section 414(h) (2) of the Internal Revenue Code of 1986,
16 as amended, to permit the pick-up of employee contributions
17 under subsections (d) and (e) on a tax-deferred basis.

18 (g) The Board of Trustees shall certify to the Governor,
19 the General Assembly, the Auditor General, the Board of the
20 Northern Illinois Transit Authority, and the Authority at
21 least 90 days prior to the end of each fiscal year the amount
22 of the required contributions to the retirement system for the
23 next retirement system fiscal year under this Section. The
24 certification shall include a copy of the actuarial
25 recommendations upon which it is based. In addition, copies of
26 the certification shall be sent to the Commission on

1 Government Forecasting and Accountability and the Mayor of
2 Chicago.

3 (h)(1) As to an employee who first becomes entitled to a
4 retirement allowance commencing on or after November 30, 1989,
5 the retirement allowance shall be the amount determined in
6 accordance with the following formula:

18 Provided, however that:

19 (2) As to an employee who first becomes entitled to a
20 retirement allowance commencing on or after January 1, 1993,
21 the retirement allowance shall be the amount determined in
22 accordance with the following formula:

23 (A) One percent (1%) of his "Average Annual
24 Compensation in the highest four (4) completed Plan Years"
25 for each full year of continuous service from the date of
26 original employment to the effective date of the Plan;

1 plus

2 (B) One and eighty hundredths percent (1.80%) of his
3 "Average Annual Compensation in the highest four (4)
4 completed Plan Years" for each year (including fractions
5 thereof to completed calendar months) of continuous
6 service as provided for in the Retirement Plan for Chicago
7 Transit Authority Employees.

8 Provided, however that:

9 (3) As to an employee who first becomes entitled to a
10 retirement allowance commencing on or after January 1, 1994,
11 the retirement allowance shall be the amount determined in
12 accordance with the following formula:

13 (A) One percent (1%) of his "Average Annual
14 Compensation in the highest four (4) completed Plan Years"
15 for each full year of continuous service from the date of
16 original employment to the effective date of the Plan;
17 plus

18 (B) One and eighty-five hundredths percent (1.85%) of
19 his "Average Annual Compensation in the highest four (4)
20 completed Plan Years" for each year (including fractions
21 thereof to completed calendar months) of continuous
22 service as provided for in the Retirement Plan for Chicago
23 Transit Authority Employees.

24 Provided, however that:

25 (4) As to an employee who first becomes entitled to a
26 retirement allowance commencing on or after January 1, 2000,

1 the retirement allowance shall be the amount determined in
2 accordance with the following formula:

3 (A) One percent (1%) of his "Average Annual

5 for each full year of continuous service from the date of
6 original employment to the effective date of the Plan;
7 plus

8 (B) Two percent (2%) of his "Average Annual
9 Compensation in the highest four (4) completed Plan Years"
10 for each year (including fractions thereof to completed
11 calendar months) of continuous service as provided for in
12 the Retirement Plan for Chicago Transit Authority
13 Employees.

14 Provided, however that:

15 (5) As to an employee who first becomes entitled to a
16 retirement allowance commencing on or after January 1, 2001,
17 the retirement allowance shall be the amount determined in
18 accordance with the following formula:

20 Compensation in the highest four (4) completed Plan Years"
21 for each full year of continuous service from the date of
22 original employment to the effective date of the Plan;
23 plus

24 (B) Two and fifteen hundredths percent (2.15%) of his
25 "Average Annual Compensation in the highest four (4)
26 completed Plan Years" for each year (including fractions

1 thereof to completed calendar months) of continuous

3 Transit Authority Employees.

4 The changes made by this amendatory Act of the 95th
5 General Assembly, to the extent that they affect the rights or
6 privileges of Authority employees that are currently the
7 subject of collective bargaining, have been agreed to between
8 the authorized representatives of these employees and of the
9 Authority prior to enactment of this amendatory Act, as
10 evidenced by a Memorandum of Understanding between these
11 representatives that will be filed with the Secretary of State
12 Index Department and designated as "95-GA-C05". The General
13 Assembly finds and declares that those changes are consistent
14 with 49 U.S.C. 5333(b) (also known as Section 13(c) of the
15 Federal Transit Act) because of this agreement between
16 authorized representatives of these employees and of the
17 Authority, and that any future amendments to the provisions of
18 this amendatory Act of the 95th General Assembly, to the
19 extent those amendments would affect the rights and privileges
20 of Authority employees that are currently the subject of
21 collective bargaining, would be consistent with 49 U.S.C.
22 5333(b) if and only if those amendments were agreed to between
23 these authorized representatives prior to enactment.

7 Board and the actuarial assumptions described in the Plan.
8 The Adjusted Assets shall be calculated based on the

11 (1) Definition. "High-risk missing person" means a
12 person whose whereabouts are not currently known and whose
13 circumstances indicate that the person may be at risk of
14 injury or death. The circumstances that indicate that a

8 (H) any other factor that may, in the judgment of
9 the law enforcement official, indicate that the
10 missing person may be at risk.

11 (b) Law enforcement risk assessment.

12 (1) Upon initial receipt of a missing person report,
13 the law enforcement agency shall immediately determine
14 whether there is a basis to determine that the missing
15 person is a high-risk missing person.

16 (2) If a law enforcement agency has previously
17 determined that a missing person is not a high-risk
18 missing person, but obtains new information, it shall
19 immediately determine whether the information indicates
20 that the missing person is a high-risk missing person.

21 (3) Law enforcement agencies are encouraged to
22 establish written protocols for the handling of missing
23 person cases to accomplish the purposes of this Act.

24 (c) Law enforcement reporting.

25 (1) Upon receipt of a missing person report, the
26 responding local law enforcement agency shall enter all

2 in the Law Enforcement Agencies Data System (LEADS) and
3 the National Crime Information Center (NCIC). The database
4 entries shall remain on file indefinitely or until action
5 is taken by the originating agency to clear or cancel the
6 record. In addition, if the missing person remains missing
7 for 60 days after the date of the report, the law
8 enforcement agency shall immediately generate a report of
9 the missing person within the National Missing and

19 of the DNA analysis and other procedures required for
20 database entry. The responding local law enforcement
21 agency shall attempt to collect and submit any DNA
22 samples voluntarily obtained from family members to an
23 accredited Combined DNA Index System (CODIS)
24 laboratory for DNA analysis within 90 days from the
25 date of the police report. A notation of DNA
26 submission may be made within the National Missing and

1 Unidentified Persons System (NamUs) record.

2 (B) If the missing person remains missing for 60
3 days from the date of the report and if reporting
4 requirements for entry into the Federal Bureau of
5 Investigation's Violent Criminal Apprehension Program
6 are met, the law enforcement agency shall enter the
7 missing person case into the Federal Bureau of
8 Investigation's Violent Criminal Apprehension Program
9 database.

10 (C) The Illinois State Police or other assigned
11 law enforcement agency shall ensure that persons
12 entering data relating to medical or dental records in

19 odontologist to ensure the accuracy and completeness
20 of information entered into the State and federal
21 databases.

22 (2) The Illinois State Police shall immediately notify
23 all law enforcement agencies within this State and the

25 prompt location and safe return of the high-risk missing
26 person.

1 (3) The local law enforcement agencies that receive
2 the notification from the Illinois State Police shall
3 notify officers to be on the lookout for the missing
4 person or a suspected abductor.

5 (4) Pursuant to any applicable State criteria, local
6 law enforcement agencies shall also provide for the prompt
7 use of an Amber Alert in cases involving abducted
8 children; or use of the Endangered Missing Person Advisory
9 in appropriate high-risk missing person cases.

11 (50 ILCS 722/20)

12 Sec. 20. Unidentified persons or human remains
13 identification responsibilities.

14 (a) In this Section, "assisting law enforcement agency"
15 means a law enforcement agency with jurisdiction acting under
16 the request and direction of the medical examiner or coroner
17 to assist with human remains identification.

18 (a-5) If the official with custody of the human remains is
19 not a coroner or medical examiner, the official shall
20 immediately notify the coroner or medical examiner of the
21 county in which the remains were found. The coroner or medical
22 examiner shall go to the scene and take charge of the remains.

23 (b) Notwithstanding any other action deemed appropriate
24 for the handling of the human remains, the assisting law
25 enforcement agency, medical examiner, or coroner shall make

1 reasonable attempts to promptly identify human remains. This
2 does not include historic or prehistoric skeletal remains.
3 These actions shall include, but are not limited to, obtaining
4 the following when possible:

5 (1) photographs of the human remains (prior to an
6 autopsy);

7 (2) dental and skeletal radiographs;

8 (3) photographs of items found on or with the human
9 remains;

10 (4) fingerprints from the remains;

11 (5) tissue samples suitable for DNA analysis;

12 (6) (blank); and

13 (7) any other information that may support
14 identification efforts.

15 (c) No medical examiner or coroner or any other person
16 shall dispose of, or engage in actions that will materially
17 affect the unidentified human remains before the assisting law
18 enforcement agency, medical examiner, or coroner obtains items
19 essential for human identification efforts listed in
20 subsection (b) of this Section.

21 (d) Cremation of unidentified human remains is prohibited.

22 (e) (Blank).

23 (f) The assisting law enforcement agency, medical
24 examiner, or coroner shall seek support from appropriate State
25 and federal agencies, including National Missing and
26 Unidentified Persons System resources to facilitate prompt

1 identification of human remains. This support may include, but
2 is not limited to, fingerprint comparison; forensic
3 odontology; nuclear or mitochondrial DNA analysis, or both;
4 and forensic anthropology.

5 (f-5) In this subsection, "local, State, and federal
6 automated fingerprint identification system databases"
7 includes:

8 (1) local criminal history repositories;

9 (2) the Illinois State Police Automated Biometric
10 Identification System (ABIS), both criminal and civil, and
11 any successor databases; and

12 (3) the Next Generation Integrated Automated
13 Fingerprint Identification System (NGI) and other federal
14 fingerprint databases, including immigration and military
15 databases and the Repository for Individuals of Special
16 Concern (RISC), and any successor databases.

17 It is the responsibility of the submitting agency to
18 ensure the following steps are completed in the following
19 order:

20 (1) Fingerprints from unidentified human remains,
21 including partial prints, if any, shall be submitted for
22 analysis within 7 days of recovery of the remains by the
23 assisting law enforcement agency, medical examiner, or
24 coroner to all local, State, and federal automated
25 fingerprint identification system databases.

26 (2) The submitting agency shall ensure fingerprints

1 are appropriately searched for identification purposes.

2 If there are no matches in any of the local, State, and
3 federal automated fingerprint identification system databases,
4 the unidentified fingerprint records shall be uploaded to the
5 National Missing and Unidentified Persons System (NamUs)
6 within 60 days after recovery of the remains. If no matches are
7 made in the local, State, and federal automated fingerprint
8 identification system databases, the submitting agency may
9 contact the International Criminal Police Organization
10 (INTERPOL) to search through the automated fingerprint
11 identification system databases of member countries if remains
12 are believed to have an international nexus. If the
13 fingerprint analysis does not aid in the identification of the
14 remains, then the assisting law enforcement agency, coroner,
15 or medical examiner shall cause a dental examination to be
16 performed by a forensic odontologist within 45 days of
17 recovery of the remains for the purpose of dental charting,
18 direct comparison to missing person dental records, and
19 uploading to the National Crime Information Center (NCIC) and
20 National Missing and Unidentified Persons System (NamUs). If
21 the fingerprint and dental analysis does not aid in the
22 identification of the remains, then blood, tissue, or bone
23 samples from the unidentified remains shall be submitted for
24 DNA analysis within 90 days of the recovery of the remains to a
25 Combined DNA Index System (CODIS) accredited laboratory where
26 DNA profiles are entered into the National DNA Index System

1 upon completion of testing. In the case of markedly decomposed
2 or skeletal remains, a forensic anthropological analysis of
3 the remains, authorized by the coroner or medical examiner,
4 shall also be performed within 60 days from the recovery and
5 preparation of the remains for the analysis.

6 (g) (Blank).

7 (g-2) The medical examiner~~7~~ or coroner shall cause the
8 entry of a National Crime Information Center Unidentified
9 Person record within 5 days of the discovery of the remains. In
10 the case of markedly decomposed or skeletal remains, the
11 creation of a National Crime Information Center (NCIC)
12 Unidentified Person File shall be made upon receipt of the
13 anthropological analysis report. The medical examiner or
14 coroner shall provide the assisting law enforcement agency
15 with all information required for the National Crime
16 Information Center (NCIC) entry. Upon receipt of this
17 information, the assisting law enforcement agency shall create
18 the Unidentified Person record without unnecessary delay. In
19 the case of markedly decomposed or skeletal remains, the
20 creation of a National Crime Information Center (NCIC)
21 Unidentified Person File shall be made upon receipt of the
22 anthropological analysis report. If an anthropological
23 analysis report determines the remains to be historic or
24 prehistoric, then no NCIC entry is required.

25 (g-5) The medical examiner or coroner shall obtain a
26 National Crime Information Center number from the assisting

1 law enforcement agency to verify entry and maintain this
2 number within the unidentified human remains case file. A
3 National Crime Information Center Unidentified Person record
4 shall remain on file indefinitely or until action is taken by
5 the originating agency to clear or cancel the record. The
6 medical examiner or coroner shall notify the assisting law
7 enforcement agency of necessary record modifications or
8 cancellation if identification is made.

9 (h) (Blank).

10 (h-5) No later than 60 days following the discovery of the
11 remains, the assisting law enforcement agency, medical
12 examiner, or coroner shall create an unidentified person
13 record in the National Missing and Unidentified Persons System
14 if no identification has been made. The entry shall include
15 all available case information, including fingerprint data and
16 dental radiographs and charts. A notation of DNA submission
17 shall be made within the National Missing and Unidentified
18 Persons System Unidentified Person record.

19 (i) Nothing in this Act shall be interpreted to preclude
20 any assisting law enforcement agency, medical examiner,
21 coroner, or the Illinois State Police from pursuing other
22 efforts to identify human remains including efforts to
23 publicize information, descriptions, or photographs related to
24 the investigation. An assisting law enforcement agency, a
25 medical examiner, a coroner, or the Illinois State Police may
26 not close an unidentified person case until the individual has

1 been identified. Law enforcement agencies, medical examiners,
2 and coroners shall keep such cases under active investigation
3 until the person is identified. Reasons for closing an
4 unidentified person case may not include exhaustion of leads
5 or termination of the anticipated life span of the missing
6 person's next of kin.

7 (j) For historic or prehistoric human skeletal remains
8 determined by an anthropologist to be older than 100 years,
9 jurisdiction shall be transferred to the Department of Natural
10 Resources for further investigation under the Archaeological
11 and Paleontological Resources Protection Act.

1 for mental and behavioral health emergencies shall be
2 available regardless of whether the initial contact was with
3 9-8-8, with 9-1-1, or directly with an emergency service
4 dispatched through 9-1-1. Appropriate mobile response services
5 must:

6 (1) whenever possible, ensure that individuals
7 experiencing mental or behavioral health crises are
8 diverted from hospitalization or incarceration and are
9 instead linked with available appropriate community
10 services;

11 (2) include the option of on-site care if that type of
12 care is appropriate and does not override the care
13 decisions of the individual receiving care. Providing care
14 in the community, through methods like mobile crisis
15 units, is encouraged. If effective care is provided on
16 site, and if it is consistent with the care decisions of
17 the individual receiving the care, further transportation
18 to other medical providers is not required by this Act;

19 (3) recommend appropriate referrals for available
20 community services if the individual receiving on-site
21 care is not already in a treatment relationship with a
22 service provider or is unsatisfied with their current
23 service providers. The referrals shall take into
24 consideration waiting lists and copayments, which may
25 present barriers to access; and

26 (4) subject to the care decisions of the individual

1 receiving care, coordinate transportation for any
2 individual experiencing a mental or behavioral health
3 emergency to the most integrated and least restrictive
4 setting feasible. A mobile crisis response team may
5 provide transportation if the mobile crisis response team
6 is appropriately equipped and staffed to do so.

7 (b) Prioritize requests for emergency assistance. 9-1-1
8 PSAPs, emergency services dispatched through 9-1-1 PSAPs, and
9 the mobile mental and behavioral health service established by
10 the Division of Mental Health must provide guidance for
11 prioritizing calls for assistance and maximum response time in
12 relation to the type of emergency reported.

13 (c) Provide appropriate response times. From the time of
14 first notification, 9-1-1 PSAPs, emergency services dispatched
15 through 9-1-1 PSAPs, and the mobile mental and behavioral
16 health service established by the Division of Mental Health
17 must provide the response within a response time appropriate
18 to the care requirements of the individual with an emergency.

19 (d) Require appropriate mobile mental health relief
20 provider training. Mobile mental health relief providers must
21 have adequate training to address the needs of individuals
22 experiencing a mental or behavioral health emergency. Adequate
23 training at least includes:

24 (1) training in de-escalation techniques;

25 (2) knowledge of local community services and
26 supports;

1 (3) training in respectful interaction with people
2 experiencing mental or behavioral health crises, including
3 the concepts of stigma and respectful language;

4 (4) training in recognizing and working with people
5 with neurodivergent and developmental disability diagnoses
6 and in the techniques available to help stabilize and
7 connect them to further services; and

8 (5) training in the involuntary commitment process, in
9 identification of situations that meet the standards for
10 involuntary commitment, and in cultural competencies and
11 social biases to guard against any group being
12 disproportionately subjected to the involuntary commitment
13 process or the use of the process not warranted under the
14 legal standard for involuntary commitment.

15 (e) Require minimum team staffing. The Division of Mental
16 Health, in consultation with the Regional Advisory Committees
17 created in Section 40, shall determine the appropriate
18 credentials for the mental health providers responding to
19 calls, including to what extent the mobile mental health
20 relief providers must have certain credentials and licensing,
21 and to what extent the mobile mental health relief providers
22 can be peer support professionals.

23 (f) Require training from individuals with lived
24 experience. Training shall be provided by individuals with
25 lived experience to the extent available.

26 (g) Adopt guidelines directing referral to restrictive

1 care settings. Mobile mental health relief providers must have
2 guidelines to follow when considering whether to refer an
3 individual to more restrictive forms of care, like emergency
4 room or hospital settings.

5 (h) Specify regional best practices. Mobile mental health
6 relief providers providing these services must do so
7 consistently with best practices, which include respecting the
8 care choices of the individuals receiving assistance. Regional
9 best practices may be broken down into sub-regions, as
10 appropriate to reflect local resources and conditions. With
11 the agreement of the impacted EMS Regions, providers of
12 emergency response to physical emergencies may participate in
13 another EMS Region for mental and behavioral response, if that
14 participation shall provide a better service to individuals
15 experiencing a mental or behavioral health emergency.

16 (i) Adopt a system for directing care in advance of an
17 emergency. The Division of Mental Health shall select and
18 publicly identify a system that allows individuals who
19 voluntarily chose to do so to provide confidential advanced
20 care directions to individuals providing services under this
21 Act. No system for providing advanced care direction may be
22 implemented unless the Division of Mental Health approves it
23 as confidential, available to individuals at all economic
24 levels, and non-stigmatizing. The Division of Mental Health
25 may defer this requirement for providing a system for advanced
26 care direction if it determines that no existing systems can

1 currently meet these requirements.

2 (j) Train dispatching staff. The personnel staffing 9-1-1,
3 3-1-1, or other emergency response intake systems must be
4 provided with adequate training to assess whether coordinating
5 with 9-8-8 is appropriate.

6 (k) Establish protocol for emergency responder
7 coordination. The Division of Mental Health shall establish a
8 protocol for mobile mental health relief providers, law
9 enforcement, and fire and ambulance services to request
10 assistance from each other, and train these groups on the
11 protocol.

12 (l) Integrate law enforcement. The Division of Mental
13 Health shall provide for law enforcement to request mobile
14 mental health relief provider assistance whenever law
15 enforcement engages an individual appropriate for services
16 under this Act. If law enforcement would typically request EMS
17 assistance when it encounters an individual with a physical
18 health emergency, law enforcement shall similarly dispatch
19 mental or behavioral health personnel or medical
20 transportation when it encounters an individual in a mental or
21 behavioral health emergency.

24 Section 355. The Counties Code is amended by changing
25 Sections 3-4006, 5-1006.5, and 5-1069.3 and by setting forth

1 and renumbering multiple versions of Section 5-1192 as
2 follows:

3 (55 ILCS 5/3-4006) (from Ch. 34, par. 3-4006)

4 Sec. 3-4006. Duties of public defender. The public
5 defender ~~Public Defender~~, as directed by the court, shall act
6 as attorney, without fee, before any court within any county
7 for all persons who are held in custody or who are charged with
8 the commission of any criminal offense, and who the court
9 finds are unable to employ counsel.

10 The public defender ~~Public Defender~~ shall be the attorney,
11 without fee, when so appointed by the court under Section 1-5
12 of the Juvenile Court Act of 1987.

13 In cases subject to Section 5-170 of the Juvenile Court
14 Act of 1987 involving a minor who was under 15 years of age at
15 the time of the commission of the offense, that occurs in a
16 county with a full-time public defender office, a public
17 defender, without fee or appointment, may represent and have
18 access to a minor during a custodial interrogation. In cases
19 subject to Section 5-170 of the Juvenile Court Act of 1987
20 involving a minor who was under 15 years of age at the time of
21 the commission of the offense, that occurs in a county without
22 a full-time public defender, the law enforcement agency
23 conducting the custodial interrogation shall ensure that the
24 minor is able to consult with an attorney who is under contract
25 with the county to provide public defender services.

1 Representation by the public defender shall terminate at the
2 first court appearance if the court determines that the minor
3 is not indigent.

4 Every court shall, with the consent of the defendant and
5 where the court finds that the rights of the defendant would be
6 prejudiced by the appointment of the public defender, appoint
7 counsel other than the public defender, except as otherwise
8 provided in Section 113-3 of the "Code of Criminal Procedure
9 of 1963". That counsel shall be compensated as is provided by
10 law. He shall also, in the case of the conviction of any such
11 person, prosecute any proceeding in review which in his
12 judgment the interests of justice require.

13 In counties with a population over 3,000,000, the public
14 defender, without fee or appointment and with the concurrence
15 of the county board, may act as attorney to noncitizens in
16 immigration cases. Representation by the public defender in
17 immigration cases shall be limited to those arising or being
18 heard within the geographical boundaries of the county where
19 the public defender has been appointed to office and to those
20 of county residents with immigration cases outside of the
21 county unless the board authorizes the public defender to
22 provide representation beyond those limits.

25 Sec. 5-1006.5. Special County Retailers' Occupation Tax

1 For Public Safety, Public Facilities, Mental Health, Substance
2 Abuse, or Transportation.

3 (a) The county board of any county may impose a tax upon
4 all persons engaged in the business of selling tangible
5 personal property, other than personal property titled or
6 registered with an agency of this State's government, at
7 retail in the county on the gross receipts from the sales made
8 in the course of business to provide revenue to be used
9 exclusively for public safety, public facility, mental health,
10 substance abuse, or transportation purposes in that county
11 (except as otherwise provided in this Section), if a
12 proposition for the tax has been submitted to the electors of
13 that county and approved by a majority of those voting on the
14 question. If imposed, this tax shall be imposed only in
15 one-quarter percent increments. By resolution, the county
16 board may order the proposition to be submitted at any
17 election. If the tax is imposed for transportation purposes
18 for expenditures for public highways or as authorized under
19 the Illinois Highway Code, the county board must publish
20 notice of the existence of its long-range highway
21 transportation plan as required or described in Section 5-301
22 of the Illinois Highway Code and must make the plan publicly
23 available prior to approval of the ordinance or resolution
24 imposing the tax. If the tax is imposed for transportation
25 purposes for expenditures for passenger rail transportation,
26 the county board must publish notice of the existence of its

1 long-range passenger rail transportation plan and must make
2 the plan publicly available prior to approval of the ordinance
3 or resolution imposing the tax.

4 If a tax is imposed for public facilities purposes, then
5 the name of the project may be included in the proposition at
6 the discretion of the county board as determined in the
7 enabling resolution. For example, the "XXX Nursing Home" or
8 the "YYY Museum".

9 The county clerk shall certify the question to the proper
10 election authority, who shall submit the proposition at an
11 election in accordance with the general election law.

12 (1) The proposition for public safety purposes shall
13 be in substantially the following form:

14 "To pay for public safety purposes, shall (name of
15 county) be authorized to impose an increase on its share
16 of local sales taxes by (insert rate)?"

17 As additional information on the ballot below the
18 question shall appear the following:

19 "This would mean that a consumer would pay an
20 additional (insert amount) in sales tax for every \$100 of
21 tangible personal property bought at retail."

22 The county board may also opt to establish a sunset
23 provision at which time the additional sales tax would
24 cease being collected, if not terminated earlier by a vote
25 of the county board. If the county board votes to include a
26 sunset provision, the proposition for public safety

1 purposes shall be in substantially the following form:

2 "To pay for public safety purposes, shall (name of
3 county) be authorized to impose an increase on its share
4 of local sales taxes by (insert rate) for a period not to
5 exceed (insert number of years)?"

6 As additional information on the ballot below the
7 question shall appear the following:

8 "This would mean that a consumer would pay an
9 additional (insert amount) in sales tax for every \$100 of
10 tangible personal property bought at retail. If imposed,
11 the additional tax would cease being collected at the end
12 of (insert number of years), if not terminated earlier by
13 a vote of the county board."

14 For the purposes of the paragraph, "public safety
15 purposes" means crime prevention, detention, fire
16 fighting, police, medical, ambulance, or other emergency
17 services.

18 Votes shall be recorded as "Yes" or "No".

19 Beginning on the January 1 or July 1, whichever is
20 first, that occurs not less than 30 days after May 31, 2015
21 (the effective date of Public Act 99-4), Adams County may
22 impose a public safety retailers' occupation tax and
23 service occupation tax at the rate of 0.25%, as provided
24 in the referendum approved by the voters on April 7, 2015,
25 notwithstanding the omission of the additional information
26 that is otherwise required to be printed on the ballot

1 below the question pursuant to this item (1).

2 (2) The proposition for transportation purposes shall
3 be in substantially the following form:

4 "To pay for improvements to roads and other
5 transportation purposes, shall (name of county) be
6 authorized to impose an increase on its share of local
7 sales taxes by (insert rate)?"

8 As additional information on the ballot below the
9 question shall appear the following:

10 "This would mean that a consumer would pay an
11 additional (insert amount) in sales tax for every \$100 of
12 tangible personal property bought at retail."

13 The county board may also opt to establish a sunset
14 provision at which time the additional sales tax would
15 cease being collected, if not terminated earlier by a vote
16 of the county board. If the county board votes to include a
17 sunset provision, the proposition for transportation
18 purposes shall be in substantially the following form:

19 "To pay for road improvements and other transportation
20 purposes, shall (name of county) be authorized to impose
21 an increase on its share of local sales taxes by (insert
22 rate) for a period not to exceed (insert number of
23 years)?"

24 As additional information on the ballot below the
25 question shall appear the following:

26 "This would mean that a consumer would pay an

1 additional (insert amount) in sales tax for every \$100 of
2 tangible personal property bought at retail. If imposed,
3 the additional tax would cease being collected at the end
4 of (insert number of years), if not terminated earlier by
5 a vote of the county board."

6 For the purposes of this paragraph, transportation
7 purposes means construction, maintenance, operation, and
8 improvement of public highways, any other purpose for
9 which a county may expend funds under the Illinois Highway
10 Code, and passenger rail transportation.

11 The votes shall be recorded as "Yes" or "No".

12 (3) The proposition for public facilities purposes
13 shall be in substantially the following form:

14 "To pay for public facilities purposes, shall (name of
15 county) be authorized to impose an increase on its share
16 of local sales taxes by (insert rate)?"

17 As additional information on the ballot below the
18 question shall appear the following:

19 "This would mean that a consumer would pay an
20 additional (insert amount) in sales tax for every \$100 of
21 tangible personal property bought at retail."

22 The county board may also opt to establish a sunset
23 provision at which time the additional sales tax would
24 cease being collected, if not terminated earlier by a vote
25 of the county board. If the county board votes to include a
26 sunset provision, the proposition for public facilities

1 purposes shall be in substantially the following form:

2 "To pay for public facilities purposes, shall (name of
3 county) be authorized to impose an increase on its share
4 of local sales taxes by (insert rate) for a period not to
5 exceed (insert number of years)?"

6 As additional information on the ballot below the
7 question shall appear the following:

8 "This would mean that a consumer would pay an
9 additional (insert amount) in sales tax for every \$100 of
10 tangible personal property bought at retail. If imposed,
11 the additional tax would cease being collected at the end
12 of (insert number of years), if not terminated earlier by
13 a vote of the county board."

14 For purposes of this Section, "public facilities
15 purposes" means the acquisition, development,
16 construction, reconstruction, rehabilitation,
17 improvement, financing, architectural planning, and
18 installation of capital facilities consisting of
19 buildings, structures, and durable equipment and for the
20 acquisition and improvement of real property and interest
21 in real property required, or expected to be required, in
22 connection with the public facilities, for use by the
23 county for the furnishing of governmental services to its
24 citizens, including, but not limited to, museums and
25 nursing homes.

26 The votes shall be recorded as "Yes" or "No".

1 (4) The proposition for mental health purposes shall
2 be in substantially the following form:

3 "To pay for mental health purposes, shall (name of
4 county) be authorized to impose an increase on its share
5 of local sales taxes by (insert rate)?"

6 As additional information on the ballot below the
7 question shall appear the following:

8 "This would mean that a consumer would pay an
9 additional (insert amount) in sales tax for every \$100 of
10 tangible personal property bought at retail."

11 The county board may also opt to establish a sunset
12 provision at which time the additional sales tax would
13 cease being collected, if not terminated earlier by a vote
14 of the county board. If the county board votes to include a
15 sunset provision, the proposition for public facilities
16 purposes shall be in substantially the following form:

17 "To pay for mental health purposes, shall (name of
18 county) be authorized to impose an increase on its share
19 of local sales taxes by (insert rate) for a period not to
20 exceed (insert number of years)?"

21 As additional information on the ballot below the
22 question shall appear the following:

23 "This would mean that a consumer would pay an
24 additional (insert amount) in sales tax for every \$100 of
25 tangible personal property bought at retail. If imposed,
26 the additional tax would cease being collected at the end

1 of (insert number of years), if not terminated earlier by
2 a vote of the county board."

3 The votes shall be recorded as "Yes" or "No".

4 (5) The proposition for substance abuse purposes shall
5 be in substantially the following form:

6 "To pay for substance abuse purposes, shall (name of
7 county) be authorized to impose an increase on its share
8 of local sales taxes by (insert rate)?"

9 As additional information on the ballot below the
10 question shall appear the following:

11 "This would mean that a consumer would pay an
12 additional (insert amount) in sales tax for every \$100 of
13 tangible personal property bought at retail."

14 The county board may also opt to establish a sunset
15 provision at which time the additional sales tax would
16 cease being collected, if not terminated earlier by a vote
17 of the county board. If the county board votes to include a
18 sunset provision, the proposition for public facilities
19 purposes shall be in substantially the following form:

20 "To pay for substance abuse purposes, shall (name of
21 county) be authorized to impose an increase on its share
22 of local sales taxes by (insert rate) for a period not to
23 exceed (insert number of years)?"

24 As additional information on the ballot below the
25 question shall appear the following:

26 "This would mean that a consumer would pay an

1 additional (insert amount) in sales tax for every \$100 of
2 tangible personal property bought at retail. If imposed,
3 the additional tax would cease being collected at the end
4 of (insert number of years), if not terminated earlier by
5 a vote of the county board."

6 The votes shall be recorded as "Yes" or "No".

7 If a majority of the electors voting on the proposition
8 vote in favor of it, the county may impose the tax. A county
9 may not submit more than one proposition authorized by this
10 Section to the electors at any one time.

11 This additional tax may not be imposed on tangible
12 personal property taxed at the 1% rate under the Retailers'
13 Occupation Tax Act (or at the 0% rate imposed under Public Act
14 102-700 ~~this amendatory Act of the 102nd General Assembly~~).
15 Beginning December 1, 2019 and through December 31, 2020, this
16 tax is not imposed on sales of aviation fuel unless the tax
17 revenue is expended for airport-related purposes. If the
18 county does not have an airport-related purpose to which it
19 dedicates aviation fuel tax revenue, then aviation fuel is
20 excluded from the tax. The county must comply with the
21 certification requirements for airport-related purposes under
22 Section 2-22 of the Retailers' Occupation Tax Act. For
23 purposes of this Section, "airport-related purposes" has the
24 meaning ascribed in Section 6z-20.2 of the State Finance Act.
25 Beginning January 1, 2021, this tax is not imposed on sales of
26 aviation fuel for so long as the revenue use requirements of 49

1 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.
2 The tax imposed by a county under this Section and all civil
3 penalties that may be assessed as an incident of the tax shall
4 be collected and enforced by the Illinois Department of
5 Revenue and deposited into a special fund created for that
6 purpose. The certificate of registration that is issued by the
7 Department to a retailer under the Retailers' Occupation Tax
8 Act shall permit the retailer to engage in a business that is
9 taxable without registering separately with the Department
10 under an ordinance or resolution under this Section. The
11 Department has full power to administer and enforce this
12 Section, to collect all taxes and penalties due under this
13 Section, to dispose of taxes and penalties so collected in the
14 manner provided in this Section, and to determine all rights
15 to credit memoranda arising on account of the erroneous
16 payment of a tax or penalty under this Section. In the
17 administration of and compliance with this Section, the
18 Department and persons who are subject to this Section shall
19 (i) have the same rights, remedies, privileges, immunities,
20 powers, and duties, (ii) be subject to the same conditions,
21 restrictions, limitations, penalties, and definitions of
22 terms, and (iii) employ the same modes of procedure as are
23 prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m,
24 1n, 2 through 2-70 (in respect to all provisions contained in
25 those Sections other than the State rate of tax), 2a, 2b, 2c, 3
26 (except provisions relating to transaction returns and quarter

1 monthly payments, and except that the retailer's discount is
2 not allowed for taxes paid on aviation fuel that are deposited
3 into the Local Government Aviation Trust Fund), 4, 5, 5a, 5b,
4 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7,
5 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax
6 Act and Section 3-7 of the Uniform Penalty and Interest Act as
7 if those provisions were set forth in this Section.

8 Persons subject to any tax imposed under the authority
9 granted in this Section may reimburse themselves for their
10 sellers' tax liability by separately stating the tax as an
11 additional charge, which charge may be stated in combination,
12 in a single amount, with State tax which sellers are required
13 to collect under the Use Tax Act, pursuant to such bracketed
14 schedules as the Department may prescribe.

15 Whenever the Department determines that a refund should be
16 made under this Section to a claimant instead of issuing a
17 credit memorandum, the Department shall notify the State
18 Comptroller, who shall cause the order to be drawn for the
19 amount specified and to the person named in the notification
20 from the Department. The refund shall be paid by the State
21 Treasurer out of the County Public Safety, Public Facilities,
22 Mental Health, Substance Abuse, or Transportation Retailers'
23 Occupation Tax Fund or the Local Government Aviation Trust
24 Fund, as appropriate.

25 (b) If a tax has been imposed under subsection (a), a
26 service occupation tax shall also be imposed at the same rate

1 upon all persons engaged, in the county, in the business of
2 making sales of service, who, as an incident to making those
3 sales of service, transfer tangible personal property within
4 the county as an incident to a sale of service. This tax may
5 not be imposed on tangible personal property taxed at the 1%
6 rate under the Service Occupation Tax Act (or at the 0% rate
7 imposed under Public Act 102-700 ~~this amendatory Act of the~~
8 ~~102nd General Assembly~~). Beginning December 1, 2019 and
9 through December 31, 2020, this tax is not imposed on sales of
10 aviation fuel unless the tax revenue is expended for
11 airport-related purposes. If the county does not have an
12 airport-related purpose to which it dedicates aviation fuel
13 tax revenue, then aviation fuel is excluded from the tax. The
14 county must comply with the certification requirements for
15 airport-related purposes under Section 2-22 of the Retailers'
16 Occupation Tax Act. For purposes of this Section,
17 "airport-related purposes" has the meaning ascribed in Section
18 6z-20.2 of the State Finance Act. Beginning January 1, 2021,
19 this tax is not imposed on sales of aviation fuel for so long
20 as the revenue use requirements of 49 U.S.C. 47107(b) and 49
21 U.S.C. 47133 are binding on the county. The tax imposed under
22 this subsection and all civil penalties that may be assessed
23 as an incident thereof shall be collected and enforced by the
24 Department of Revenue. The Department has full power to
25 administer and enforce this subsection; to collect all taxes
26 and penalties due hereunder; to dispose of taxes and penalties

1 so collected in the manner hereinafter provided; and to
2 determine all rights to credit memoranda arising on account of
3 the erroneous payment of tax or penalty hereunder. In the
4 administration of and compliance with this subsection, the
5 Department and persons who are subject to this paragraph shall
6 (i) have the same rights, remedies, privileges, immunities,
7 powers, and duties, (ii) be subject to the same conditions,
8 restrictions, limitations, penalties, exclusions, exemptions,
9 and definitions of terms, and (iii) employ the same modes of
10 procedure as are prescribed in Sections 2 (except that the
11 reference to State in the definition of supplier maintaining a
12 place of business in this State shall mean the county), 2a, 2b,
13 2c, 3 through 3-50 (in respect to all provisions therein other
14 than the State rate of tax), 4 (except that the reference to
15 the State shall be to the county), 5, 7, 8 (except that the
16 jurisdiction to which the tax shall be a debt to the extent
17 indicated in that Section 8 shall be the county), 9 (except as
18 to the disposition of taxes and penalties collected, and
19 except that the retailer's discount is not allowed for taxes
20 paid on aviation fuel that are deposited into the Local
21 Government Aviation Trust Fund), 10, 11, 12 (except the
22 reference therein to Section 2b of the Retailers' Occupation
23 Tax Act), 13 (except that any reference to the State shall mean
24 the county), Section 15, 16, 17, 18, 19, and 20 of the Service
25 Occupation Tax Act, and Section 3-7 of the Uniform Penalty and
26 Interest Act, as fully as if those provisions were set forth

1 herein.

2 Persons subject to any tax imposed under the authority
3 granted in this subsection may reimburse themselves for their
4 serviceman's tax liability by separately stating the tax as an
5 additional charge, which charge may be stated in combination,
6 in a single amount, with State tax that servicemen are
7 authorized to collect under the Service Use Tax Act, in
8 accordance with such bracket schedules as the Department may
9 prescribe.

10 Whenever the Department determines that a refund should be
11 made under this subsection to a claimant instead of issuing a
12 credit memorandum, the Department shall notify the State
13 Comptroller, who shall cause the warrant to be drawn for the
14 amount specified, and to the person named, in the notification
15 from the Department. The refund shall be paid by the State
16 Treasurer out of the County Public Safety, Public Facilities,
17 Mental Health, Substance Abuse, or Transportation Retailers'
18 Occupation Tax Fund or the Local Government Aviation Trust
19 Fund, as appropriate.

20 Nothing in this subsection shall be construed to authorize
21 the county to impose a tax upon the privilege of engaging in
22 any business which under the Constitution of the United States
23 may not be made the subject of taxation by the State.

24 (b-5) If, on January 1, 2025, a unit of local government
25 has in effect a tax under this Section, or if, after January 1,
26 2025, a unit of local government imposes a tax under this

1 Section, then that tax applies to leases of tangible personal
2 property in effect, entered into, or renewed on or after that
3 date in the same manner as the tax under this Section and in
4 accordance with the changes made by Public Act 103-592 ~~this~~
5 ~~amendatory Act of the 103rd General Assembly.~~

6 (c) Except as otherwise provided in this paragraph, the
7 Department shall immediately pay over to the State Treasurer,
8 ex officio, as trustee, all taxes and penalties collected
9 under this Section to be deposited into the County Public
10 Safety, Public Facilities, Mental Health, Substance Abuse, or
11 Transportation Retailers' Occupation Tax Fund, which shall be
12 an unappropriated trust fund held outside of the State
13 treasury. Taxes and penalties collected on aviation fuel sold
14 on or after December 1, 2019 and through December 31, 2020,
15 shall be immediately paid over by the Department to the State
16 Treasurer, ex officio, as trustee, for deposit into the Local
17 Government Aviation Trust Fund. The Department shall only pay
18 moneys into the Local Government Aviation Trust Fund under
19 this Act for so long as the revenue use requirements of 49
20 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

21 As soon as possible after the first day of each month,
22 beginning January 1, 2011, upon certification of the
23 Department of Revenue, the Comptroller shall order
24 transferred, and the Treasurer shall transfer, to the STAR
25 Bonds Revenue Fund the local sales tax increment, as defined
26 in the Innovation Development and Economy Act, collected under

1 this Section during the second preceding calendar month for
2 sales within a STAR bond district.

3 After the monthly transfer to the STAR Bonds Revenue Fund,
4 on or before the 25th day of each calendar month, the
5 Department shall prepare and certify to the Comptroller the
6 disbursement of stated sums of money to the counties from
7 which retailers have paid taxes or penalties to the Department
8 during the second preceding calendar month. The amount to be
9 paid to each county, and deposited by the county into its
10 special fund created for the purposes of this Section, shall
11 be the amount (not including credit memoranda and not
12 including taxes and penalties collected on aviation fuel sold
13 on or after December 1, 2019 and through December 31, 2020)
14 collected under this Section during the second preceding
15 calendar month by the Department plus an amount the Department
16 determines is necessary to offset any amounts that were
17 erroneously paid to a different taxing body, and not including
18 (i) an amount equal to the amount of refunds made during the
19 second preceding calendar month by the Department on behalf of
20 the county, (ii) any amount that the Department determines is
21 necessary to offset any amounts that were payable to a
22 different taxing body but were erroneously paid to the county,
23 (iii) any amounts that are transferred to the STAR Bonds
24 Revenue Fund, and (iv) 1.5% of the remainder, which shall be
25 transferred into the Tax Compliance and Administration Fund.
26 The Department, at the time of each monthly disbursement to

1 the counties, shall prepare and certify to the State
2 Comptroller the amount to be transferred into the Tax
3 Compliance and Administration Fund under this subsection.
4 Within 10 days after receipt by the Comptroller of the
5 disbursement certification to the counties and the Tax
6 Compliance and Administration Fund provided for in this
7 Section to be given to the Comptroller by the Department, the
8 Comptroller shall cause the orders to be drawn for the
9 respective amounts in accordance with directions contained in
10 the certification.

11 In addition to the disbursement required by the preceding
12 paragraph, an allocation shall be made in March of each year to
13 each county that received more than \$500,000 in disbursements
14 under the preceding paragraph in the preceding calendar year.
15 The allocation shall be in an amount equal to the average
16 monthly distribution made to each such county under the
17 preceding paragraph during the preceding calendar year
18 (excluding the 2 months of highest receipts). The distribution
19 made in March of each year subsequent to the year in which an
20 allocation was made pursuant to this paragraph and the
21 preceding paragraph shall be reduced by the amount allocated
22 and disbursed under this paragraph in the preceding calendar
23 year. The Department shall prepare and certify to the
24 Comptroller for disbursement the allocations made in
25 accordance with this paragraph.

26 (d) For the purpose of determining the local governmental

1 unit whose tax is applicable, a retail sale by a producer of
2 coal or another mineral mined in Illinois is a sale at retail
3 at the place where the coal or other mineral mined in Illinois
4 is extracted from the earth. This paragraph does not apply to
5 coal or another mineral when it is delivered or shipped by the
6 seller to the purchaser at a point outside Illinois so that the
7 sale is exempt under the United States Constitution as a sale
8 in interstate or foreign commerce.

9 (e) Nothing in this Section shall be construed to
10 authorize a county to impose a tax upon the privilege of
11 engaging in any business that under the Constitution of the
12 United States may not be made the subject of taxation by this
13 State.

14 (e-5) If a county imposes a tax under this Section, the
15 county board may, by ordinance, discontinue or lower the rate
16 of the tax. If the county board lowers the tax rate or
17 discontinues the tax, a referendum must be held in accordance
18 with subsection (a) of this Section in order to increase the
19 rate of the tax or to reimpose the discontinued tax.

20 (f) Beginning April 1, 1998 and through December 31, 2013,
21 the results of any election authorizing a proposition to
22 impose a tax under this Section or effecting a change in the
23 rate of tax, or any ordinance lowering the rate or
24 discontinuing the tax, shall be certified by the county clerk
25 and filed with the Illinois Department of Revenue either (i)
26 on or before the first day of April, whereupon the Department

1 shall proceed to administer and enforce the tax as of the first
2 day of July next following the filing; or (ii) on or before the
3 first day of October, whereupon the Department shall proceed
4 to administer and enforce the tax as of the first day of
5 January next following the filing.

6 Beginning January 1, 2014, the results of any election
7 authorizing a proposition to impose a tax under this Section
8 or effecting an increase in the rate of tax, along with the
9 ordinance adopted to impose the tax or increase the rate of the
10 tax, or any ordinance adopted to lower the rate or discontinue
11 the tax, shall be certified by the county clerk and filed with
12 the Illinois Department of Revenue either (i) on or before the
13 first day of May, whereupon the Department shall proceed to
14 administer and enforce the tax as of the first day of July next
15 following the adoption and filing; or (ii) on or before the
16 first day of October, whereupon the Department shall proceed
17 to administer and enforce the tax as of the first day of
18 January next following the adoption and filing.

19 (g) When certifying the amount of a monthly disbursement
20 to a county under this Section, the Department shall increase
21 or decrease the amounts by an amount necessary to offset any
22 miscalculation of previous disbursements. The offset amount
23 shall be the amount erroneously disbursed within the previous
24 6 months from the time a miscalculation is discovered.

25 (g-5) Every county authorized to levy a tax under this
26 Section shall, before it levies such tax, establish a 7-member

1 mental health board, which shall have the same powers and
2 duties and be constituted in the same manner as a community
3 mental health board established under the Community Mental
4 Health Act. Proceeds of the tax under this Section that are
5 earmarked for mental health or substance abuse purposes shall
6 be deposited into a special county occupation tax fund for
7 mental health and substance abuse. The 7-member mental health
8 board established under this subsection shall administer the
9 special county occupation tax fund for mental health and
10 substance abuse in the same manner as the community mental
11 health board administers the community mental health fund
12 under the Community Mental Health Act.

13 (h) This Section may be cited as the "Special County
14 Occupation Tax For Public Safety, Public Facilities, Mental
15 Health, Substance Abuse, or Transportation Law".

16 (i) For purposes of this Section, "public safety"
17 includes, but is not limited to, crime prevention, detention,
18 fire fighting, police, medical, ambulance, or other emergency
19 services. The county may share tax proceeds received under
20 this Section for public safety purposes, including proceeds
21 received before August 4, 2009 (the effective date of Public
22 Act 96-124), with any fire protection district located in the
23 county. For the purposes of this Section, "transportation"
24 includes, but is not limited to, the construction,
25 maintenance, operation, and improvement of public highways,
26 any other purpose for which a county may expend funds under the

1 Illinois Highway Code, and passenger rail transportation. For
2 the purposes of this Section, "public facilities purposes"
3 includes, but is not limited to, the acquisition, development,
4 construction, reconstruction, rehabilitation, improvement,
5 financing, architectural planning, and installation of capital
6 facilities consisting of buildings, structures, and durable
7 equipment and for the acquisition and improvement of real
8 property and interest in real property required, or expected
9 to be required, in connection with the public facilities, for
10 use by the county for the furnishing of governmental services
11 to its citizens, including, but not limited to, museums and
12 nursing homes.

13 (j) The Department may promulgate rules to implement
14 Public Act 95-1002 only to the extent necessary to apply the
15 existing rules for the Special County Retailers' Occupation
16 Tax for Public Safety to this new purpose for public
17 facilities.

10 cannot be filed electronically, the Comptroller may waive this
11 requirement. The Comptroller must also post a list of
12 municipalities that are not in compliance with the reporting

10 opinion, then the municipality shall file an audit report
11 annually until the audit report shows no adverse opinion or

6 Sec. 11-13-15. In case any building or structure,
7 including fixtures, is constructed, reconstructed, altered,
8 repaired, converted, or maintained, or any building or
9 structure, including fixtures, or land, is used in violation
10 of an ordinance or ordinances adopted under Division 13, 31,
11 or 31.1 of Article 11 of the Illinois Municipal Code, or of any
12 ordinance or other regulation made under the authority
13 conferred thereby, the proper local authorities of the
14 municipality, or any owner or tenant of real property, within
15 1200 feet in any direction of the property on which the
16 building or structure in question is located who shows that
17 his property or person will be substantially affected by the
18 alleged violation, in addition to other remedies, may
19 institute any appropriate action or proceeding (1) to prevent
20 the unlawful construction, reconstruction, alteration, repair,
21 conversion, maintenance, or use, (2) to prevent the occupancy
22 of the building, structure, or land, (3) to prevent any
23 illegal act, conduct, business, or use in or about the
24 premises, or (4) to restrain, correct, or abate the violation.
25 When any such action is instituted by an owner or tenant,

1 notice of such action shall be served upon the municipality at
2 the time suit is begun, by serving a copy of the complaint on
3 the chief executive officer of the municipality, no such
4 action may be maintained until such notice has been given.

5 In any action or proceeding for a purpose mentioned in
6 this section, the court with jurisdiction of such action or
7 proceeding has the power and in its discretion may issue a
8 restraining order, or a preliminary injunction, as well as a
9 permanent injunction, upon such terms and under such
10 conditions as will do justice and enforce the purposes set
11 forth above.

12 If an owner or tenant files suit hereunder and the court
13 finds that the defendant has engaged in any of the foregoing

6 municipality has (i) granted a franchise to any community
7 antenna television company or (ii) decided for the
8 municipality itself to construct, operate or maintain a cable
9 television system within a designated area, no property owner,
10 condominium association, managing agent, lessee, or other
11 person in possession or control of any residential building
12 located within the designated area shall forbid or prevent any
13 occupant, tenant, or lessee of any such building from
14 receiving cable television service from such franchisee or
15 municipality, nor demand or accept payment from any such
16 occupant, tenant, or lessee in any form as a condition of
17 permitting the installation of cable television facilities or
18 the maintenance of cable television service in any such
19 building or any portion thereof occupied or leased by such
20 occupant, tenant, or lessee, nor shall any such property
21 owner, condominium association, managing agent, lessee, or
22 other person discriminate in rental charges or otherwise

24 service; provided, however, that the owner of such building
25 may require, in exchange and as compensation for permitting

1 the installation of cable television facilities within and
2 upon such building, the payment of just compensation by the
3 cable television franchisee which provides such cable
4 television service, said sum to be determined in accordance
5 with the provisions of subsections ~~subparagraphs~~ (c) and (d)
6 ~~hereof~~, and provided further that the cable television

18 community antenna television company may install cable
19 television facilities throughout the building in a manner
20 which enables the community antenna television company to

22 lessees of other residential units without requiring the
23 installation of additional cable television facilities other
24 than within the residential units occupied by such other
25 occupants, tenants, or lessees.

26 (b) In any instance in which a municipality has (i)

1 granted a franchise to any community antenna television

4 within a designated area, no property owner, condominium
5 association, managing agent, lessee, or other person in
6 possession and control of any improved or unimproved real
7 estate located within such designated area shall forbid or
8 prevent such cable television franchisee or municipality from
9 entering upon such real estate for the purpose of and in
10 connection with the construction or installation of such cable
11 television system and cable television facilities, nor shall
12 any such property owner, condominium association, managing
13 agent, lessee, or other person in possession or control of
14 such real estate forbid or prevent such cable television
15 franchisee or municipality from constructing or installing
16 upon, beneath, or over such real estate, including any
17 buildings or other structures located thereon, hardware,
18 cable, equipment, materials, or other cable television
19 facilities utilized by such cable franchisee or municipality
20 in the construction and installation of such cable television
21 system; provided, however, that the owner of any such real
22 estate may require, in exchange and as compensation for
23 permitting the construction or installation of cable
24 television facilities upon, beneath, or over such real estate,
25 the payment of just compensation by the cable television
26 franchisee which provides such cable television service, said

1 sum to be determined in accordance with the provisions of
2 subsections ~~subparagraphs~~ (c) and (d) ~~hereof~~, and provided
3 further that the cable television franchisee constructing or
4 installing such cable television facilities shall agree to
5 indemnify the owner of such real estate for any damage caused
6 by the installation, operation or removal of such cable
7 television facilities and service.

8 (c) In any instance in which the owner of a residential
9 building or the owner of improved or unimproved real estate
10 intends to require the payment of just compensation in excess
11 of \$1 in exchange for permitting the installation of cable
12 television facilities in and upon such building, or upon,
13 beneath, or over such real estate, the owner shall serve
14 written notice thereof upon the cable television franchisee.
15 Any such notice shall be served within 20 days of the date on
16 which such owner is notified of the cable television
17 franchisee's intention to construct or install cable
18 television facilities in and upon such building, or upon,
19 beneath, or over such real estate. Unless timely notice as
20 herein provided is given by the owner to the cable television
21 franchisee, it will be conclusively presumed that the owner of
22 any such building or real estate does not claim or intend to
23 require a payment of more than \$1 in exchange and as just
24 compensation for permitting the installation of cable
25 television facilities within and upon such building, or upon,
26 beneath, or over such real estate. In any instance in which a

1 cable television franchisee intends to install cable
2 television facilities as herein provided, written notice of
3 such intention shall be sent by the cable television
4 franchisee to the property owner or to such person,
5 association or managing agent as shall have been appointed or
6 otherwise designated to manage or operate the property. Such
7 notice shall include the address of the property, the name of
8 the cable television franchisee, and information as to the
9 time within which the owner may give notice, demand payment as
10 just compensation and initiate legal proceedings as provided
11 in this subsection ~~subparagraph~~ (c) and subsection
12 ~~subparagraph~~ (d). In any instance in which a community antenna
13 television company intends to install cable television
14 facilities within a residential building containing 12 or more
15 residential units or upon, beneath, or over real estate that
16 is used as a site for 12 or more manufactured housing units, 12
17 or more mobile homes, or a combination of 12 or more
18 manufactured housing units and mobile homes, the written
19 notice shall further provide that the property owner may
20 require that the community antenna television company submit
21 to the owner written plans identifying the manner in which
22 cable television facilities are to be installed, including the
23 proposed location of coaxial cable. Approval of such plans by
24 the property owner shall not be unreasonably withheld and such
25 owners' consent to and approval of such plans shall be
26 presumed unless, within 30 days after receipt thereof, or in

1 the case of a condominium association, 90 days after receipt
2 thereof, the property owner identifies in writing the specific
3 manner in which such plans deviate from generally accepted
4 construction or safety standards, and unless the property
5 owner contemporaneously submits an alternative construction
6 plan providing for the installation of cable television
7 facilities in an economically feasible manner. The community
8 antenna television company may proceed with the plans
9 originally submitted if an alternative plan is not submitted
10 by the property owner within 30 days, or in the case of a
11 condominium association, 90 days, or if an alternative plan
12 submitted by the property owner fails to comply with generally
13 accepted construction and safety standards or does not provide
14 for the installation of cable television facilities in an
15 economically feasible manner. For purposes of this subsection,
16 "mobile home" and "manufactured housing unit" have the same
17 meaning as in the Illinois Manufactured Housing and Mobile
18 Home Safety Act.

19 (d) Any owner of a residential building described in
20 subsection ~~subparagraph~~ (a), and any owner of improved or
21 unimproved real estate described in subsection ~~subparagraph~~
22 (b), who shall have given timely written notice to the cable
23 television franchisee as provided in subsection ~~subparagraph~~
24 (c), may assert a claim for just compensation in excess of \$1
25 for permitting the installation of cable television facilities
26 within and upon such building, or upon, beneath, or over such

1 real estate. Within 30 days after notice has been given in
2 accordance with subsection ~~subparagraph~~ (c), the owner shall
3 advise the cable television franchisee in writing of the
4 amount claimed as just compensation. If within 60 days after
5 the receipt of the owner's claim, the cable television
6 franchisee has not agreed to pay the amount claimed or some
7 other amount acceptable to the owner, the owner may bring suit
8 to enforce such claim for just compensation in any court of
9 competent jurisdiction and, upon timely demand, may require
10 that the amount of just compensation be determined by a jury.
11 Any such action shall be commenced within 6 months of the
12 notice given by the cable television franchisee pursuant to
13 subsection ~~subparagraph~~ (c) ~~hereof~~. In any action brought to
14 determine such amount, the owner may submit evidence of a
15 decrease in the fair market value of the property occasioned
16 by the installation or location of the cable on the property,
17 that the owner has a specific alternative use for the space
18 occupied by cable television facilities, the loss of which
19 will result in a monetary loss to the owner, or that
20 installation of cable television facilities within and upon
21 such building or upon, beneath or over such real estate
22 otherwise substantially interferes with the use and occupancy
23 of such building to an extent which causes a decrease in the
24 fair market value of such building or real estate.

25 (e) Neither the giving of a notice by the owner under
26 subsection ~~subparagraph~~ (c), nor the assertion of a specific

1 claim, nor the initiation of legal action to enforce such
2 claim, as provided under subsection ~~subparagraph~~ (d), shall
3 delay or impair the right of the cable television franchisee
4 to construct or install cable television facilities and
5 maintain cable television services within or upon any building
6 described in subsection ~~subparagraph~~ (a) or upon, beneath, or
7 over real estate described in subsection ~~subparagraph~~ (b).

8 (f) Notwithstanding the foregoing, no community antenna
9 television company or municipality shall enter upon any real
10 estate or rights-of-way ~~rights of way~~ in the possession or
11 control of any public utility, railroad, or owner or operator
12 of an oil, petroleum product, chemical, or gas pipeline to
13 install or remove cable television facilities or to provide
14 underground maintenance or repair services with respect
15 thereto, prior to delivery to the public utility, railroad, or
16 pipeline owner or operator of written notice of intent to
17 enter, install, maintain, or remove. For the purposes of this
18 subsection (f), and only in the case of real estate or
19 rights-of-way in possession of or in control of a railroad,
20 the right to enter upon includes the installation,
21 construction, operation, repair, maintenance, or removal of
22 wire, cable, fiber, conduit, or related facilities that are
23 at, above, or below grade and that cross the real estate or
24 rights-of-way in a manner that runs generally perpendicular to
25 the railroad tracks or railroad right-of-way. For the purposes
26 of this subsection (f), and only in the case of real estate or

1 rights-of-way in possession of or in the control of a
2 railroad, the right to enter upon does not apply to wire,
3 cable, fiber, conduit, or related facilities that run along,
4 within, and generally parallel to, but do not cross, the
5 railroad tracks or railroad right-of-way. No entry shall be
6 made until at least 30 days after receipt of such written
7 notice. Such written notice, which shall be delivered to the
8 registered agent of such public utility, railroad, or pipeline
9 owner or operator shall include the following information:

10 (i) The date of the proposed installation,
11 maintenance, repair, or removal and projected length of
12 time required to complete such installation, maintenance,
13 repair or removal;

14 (ii) The manner and method of, and the detailed design
15 and construction plans that conform to the applicable
16 published and publicly available American Railway
17 Engineering and Maintenance-of-Way Association standards
18 and the published and publicly available standards for the
19 appropriate railroad for, such installation, maintenance,
20 repair, or removal;

21 (iii) The location of the proposed entry and path of
22 cable television facilities proposed to be placed,
23 repaired, maintained, or removed upon the real estate or
24 right-of-way ~~right of way~~;

25 (iv) The written agreement of the community antenna
26 television company to indemnify and hold harmless such

1 public utility, railroad, or pipeline owner or operator
2 from the costs of any damages directly or indirectly
3 caused by the installation, maintenance, repair,
4 operation, or removal of cable television facilities. Upon
5 request of the public utility, railroad, or owner or
6 operator of an oil, petroleum product, chemical, or gas
7 pipeline, the community antenna television company shall
8 provide proof that it has purchased and will maintain a
9 policy or policies of insurance in amounts sufficient to
10 provide coverage for personal injury and property damage
11 losses caused by or resulting from the installation,
12 maintenance, repair, or removal of cable television
13 facilities. The written agreement shall provide that the
14 community antenna television company shall maintain such
15 policies of insurance in full force and effect as long as
16 cable television facilities remain on the real estate or
17 right-of-way ~~right of way~~; and

18 (v) A statement, based upon information available to
19 the community antenna television company, confirming that
20 the proposed installation, maintenance, repair, or removal
21 does not create a dangerous condition or threaten public
22 or employee safety and will not adversely impact railroad
23 operations or disrupt vital transportation services.

24 For purposes of this subsection (f), and only in the case
25 of real estate or rights-of-way in possession of or in control
26 of a railroad, "community antenna television company" includes

1 a holder, cable operator, or broadband service provider, as
2 those terms are defined in Section 21-201 of the Public
3 Utilities Act.

4 Within 30 days of receipt of the written prior notice of
5 entry the public utility, railroad, or pipeline owner or
6 operator shall investigate and determine whether or not the
7 proposed entry and installation or repair, maintenance, or
8 removal would create a dangerous condition threatening the
9 safety of the public or the safety of its employees or
10 threatening to cause an interruption of the furnishing of
11 vital transportation, utility, or pipeline services and upon
12 so finding shall so notify the community antenna television
13 company or municipality of such decision in writing. Initial
14 determination of the existence of such a dangerous condition
15 or interruption of services shall be made by the public
16 utility, railroad, or pipeline owner or operator whose real
17 estate or right-of-way ~~right of way~~ is involved. In the event
18 that the community antenna television company or municipality
19 disagrees with such determination, a determination of whether
20 such entry and installation, maintenance, repair, or removal
21 would create such a dangerous condition or interrupt services
22 shall, upon application of the community antenna television
23 company, be made by the Illinois Commerce Commission
24 Transportation Division in accordance with the Commission's
25 Rail Safety Program. An initial written determination of a
26 public utility, railroad, or pipeline owner or operator timely

1 made and transmitted to the community antenna television
2 company or municipality, in the absence of a determination by
3 the Illinois Commerce Commission Transportation Division, in
4 accordance with the Commission's Rail Safety Program, or a
5 court of competent jurisdiction finding to the contrary, bars
6 the entry of the community antenna television company or
7 municipality upon the real estate or right-of-way ~~right-of-way~~
8 for any purpose.

9 Any public utility, railroad or pipeline owner or operator
10 may assert a written claim against any community antenna
11 television company for just compensation within 30 days after
12 written notice has been given in accordance with this
13 subsection ~~subparagraph~~ (f). If, within 60 days after the
14 receipt of such claim for compensation, the community antenna
15 television company has not agreed to the amount claimed or
16 some other amount acceptable to the public utility, railroad,
17 or pipeline owner or operator, the public utility, railroad,
18 or pipeline owner or operator may bring suit to enforce such
19 claim for just compensation in any court of competent
20 jurisdiction and, upon timely demand, may require that the
21 amount of just compensation be determined by a jury. Any such
22 action shall be commenced within 6 months of the notice
23 provided for in this subsection ~~subparagraph~~ (f). In any
24 action brought to determine such just compensation, the public
25 utility, railroad, or pipeline owner or operator may submit
26 such evidence as may be relevant to the issue of just

1 compensation. Neither the assertion of a claim for
2 compensation nor the initiation of legal action to enforce
3 such claim shall delay or impair the right of the community
4 antenna television company to construct or install cable
5 television facilities upon any real estate or rights-of-way
6 ~~rights-of-way~~ of any public utility, railroad, or pipeline
7 owner or operator.

8 To the extent that the public utility, railroad, or owner
9 or operator of an oil, petroleum product, chemical, or gas
10 pipeline deems it appropriate to supervise, monitor, or
11 otherwise assist the community antenna television company in
12 connection with the installation, maintenance, repair, or
13 removal of cable television facilities upon such real estate
14 or rights-of-way ~~rights-of-way~~, the community antenna
15 television company shall reimburse the public utility,
16 railroad, or owner or operator of an oil, petroleum product,
17 chemical, or gas pipeline for costs reasonable and actually
18 incurred in connection therewith.

19 The provisions of this subsection ~~subparagraph~~ (f) shall
20 not be applicable to any easements, rights-of-way, ~~rights-of~~
21 ~~way~~ or ways for public service facilities in which public
22 utilities, other than railroads, have any interest pursuant to
23 the Plat Act ~~"An Act to revise the law in relation to plats",~~
24 ~~approved March 21, 1874, as amended,~~ and all ordinances
25 enacted pursuant thereto. Such easements, rights-of-way ~~rights~~
26 ~~of way~~, and ways for public service facilities are hereby

1 declared to be apportionable and upon written request by a
2 community antenna television company, public utilities shall
3 make such easements, rights-of-way, ~~rights of way~~ and ways for
4 public service facilities available for the construction,
5 maintenance, repair, or removal of cable television facilities
6 provided that such construction, maintenance, repair, or
7 removal does not create a dangerous condition threatening the
8 safety of the public or the safety of such public utility
9 employees or threatening to cause an interruption of the
10 furnishing of vital utility service. Initial determination of
11 the existence of such a dangerous condition or interruption of
12 services shall be made by the public utility whose easement,
13 right-of-way, ~~right of way~~ or way for public service facility
14 is involved. In the event the community antenna television
15 company or municipality disagrees with such determination, a
16 determination of whether such construction, maintenance,
17 repair, or removal would create such a dangerous condition or
18 threaten to interrupt vital utility services, shall be made by
19 a court of competent jurisdiction upon the application of such
20 community antenna television company.

21 If a municipality notifies or a municipality requires a
22 developer to notify a public utility before or after issuing a
23 permit or other authorization for the construction of
24 residential buildings, then the municipality or developer
25 shall, at the same time, similarly notify any community
26 antenna television system franchised by or within that

1 municipality.

2 In addition to such other notices as may be required by
3 this subsection ~~subparagraph~~ (f), a community antenna
4 television company or municipality shall not enter upon the
5 real estate or rights-of-way ~~rights-of-way~~ of any public
6 utility, railroad or pipeline owner or operator for the
7 purposes of above-ground maintenance or repair of its
8 television cable facilities without giving 96 hours prior
9 written notice to the registered agent of the public utility,
10 railroad or pipeline owner or operator involved, or in the
11 case of a public utility, notice may be given through the
12 statewide one-call notice system provided for by General Order
13 of the Illinois Commerce Commission or, if in Chicago, through
14 the system known as the Chicago Utility Alert Network.

Sec. 11-101-3. Noise mitigation; air quality.

(a) A municipality that has implemented a Residential

1 Sound Insulation Program to mitigate aircraft noise shall
2 perform indoor air quality monitoring and laboratory analysis
3 of windows and doors installed pursuant to the Residential
4 Sound Insulation Program to determine whether there are any
5 adverse health impacts associated with off-gassing from such
6 windows and doors. Such monitoring and analysis shall be
7 consistent with applicable professional and industry
8 standards. The municipality shall make any final reports
9 resulting from such monitoring and analysis available to the
10 public on the municipality's website. The municipality shall
11 develop a science-based mitigation plan to address significant
12 health-related impacts, if any, associated with such windows
13 and doors as determined by the results of the monitoring and
14 analysis. In a municipality that has implemented a Residential
15 Sound Insulation Program to mitigate aircraft noise, if
16 requested by the homeowner pursuant to a process established
17 by the municipality, which process shall include, at a
18 minimum, notification in a newspaper of general circulation
19 and a mailer sent to every address identified as a recipient of
20 windows and doors installed under the Residential Sound
21 Insulation Program, the municipality shall replace all windows
22 and doors installed under the Residential Sound Insulation
23 Program in such homes where one or more windows or doors have
24 been found to have caused offensive odors. Subject to
25 appropriation, the municipality shall replace windows and
26 doors in at least 750 residences a year. Residents who altered

1 or modified a replacement window or accepted a replacement
2 screen for the window shall not be disqualified from
3 compensation or future services. Only those homeowners who
4 request that the municipality perform an odor inspection as
5 prescribed by the process established by the municipality
6 within 6 months of notification being published and mailers
7 being sent shall be eligible for odorous window and odorous
8 door replacement. Residents who are eligible to receive
9 replacement windows shall be allowed to choose the color and
10 type of replacement window. For purposes of aiding in the
11 selection of such replacement windows, a showcase and display
12 of available replacement window types shall be established and
13 located at Chicago Midway International Airport. Homes that
14 have been identified by the municipality as having odorous
15 windows or doors are not required to make said request to the
16 municipality. The right to make a claim for replacement and
17 have it considered pursuant to this Section shall not be
18 affected by the fact of odor-related claims made or
19 odor-related products received pursuant to the Residential
20 Sound Insulation Program prior to June 5, 2019 (the effective
21 date of this Section). The municipality shall also perform
22 in-home air quality testing in residences in which windows and
23 doors are replaced under this Section. In order to receive
24 in-home air quality testing, a homeowner must request such
25 testing from the municipality, and the total number of homes
26 tested in any given year shall not exceed 25% of the total

1 number of homes in which windows and doors were replaced under
2 this Section in the prior calendar year.

3 (b) An advisory committee shall be formed, composed of the
4 following: (i) 2 members of the municipality who reside in
5 homes that have received windows or doors pursuant to the
6 Residential Sound Insulation Program and have been identified
7 by the municipality as having odorous windows or doors,
8 appointed by the Secretary of Transportation; (ii) one
9 employee of the Aeronautics Division of the Department of
10 Transportation who shall only cast votes when breaking a tie;
11 (iii) 2 employees of the municipality that implemented the
12 Residential Sound Insulation Program in question; and (iv) 2
13 members appointed by the Speaker of the House of
14 Representatives, 2 members appointed by the President of the
15 Senate, one member appointed by the Minority Leader of the
16 House of Representatives, and one member appointed by the
17 Minority Leader of the Senate. The advisory committee shall
18 determine by majority vote which homes contain windows or
19 doors that cause offensive odors and thus are eligible for
20 replacement, shall promulgate a list of such homes, and shall
21 develop recommendations as to the order in which homes are to
22 receive window replacement. The recommendations shall include
23 reasonable and objective criteria for determining which
24 windows or doors are odorous, consideration of the date of
25 odor confirmation for prioritization, severity of odor,
26 geography and individual hardship, and shall provide such

1 recommendations to the municipality. The advisory committee
2 shall develop a process in which homeowners can demonstrate
3 extreme hardship. As used in this subsection, "extreme
4 hardship" means: liquid infiltration of the window or door;
5 health and medical condition of the resident; and residents
6 with sensitivities related to smell. At least 10% of the homes
7 receiving a replacement in a year shall be homes that have
8 demonstrated extreme hardship. The advisory committee shall
9 compile a report demonstrating: (i) the number of homes in
10 line to receive a replacement; (ii) the number of homes that
11 received replacement windows or doors, or both; (iii) the
12 number of homes that received financial compensation instead
13 of a replacement; and (iv) the number of homes with confirmed
14 mechanical issues. Until December 31, 2022, the report shall
15 be compiled monthly, after December 31, 2022, the report shall
16 be compiled ~~compiled~~ quarterly. The advisory committee shall
17 accept all public questions and furnish a written response
18 within 2 business days. The advisory committee shall comply
19 with the requirements of the Open Meetings Act. The Chicago
20 Department of Aviation shall provide administrative support to
21 the committee. The municipality shall consider the
22 recommendations of the committee but shall retain final
23 decision-making authority over replacement of windows and
24 doors installed under the Residential Sound Insulation
25 Program, and shall comply with all federal, State, and local
26 laws involving procurement. A municipality administering

1 claims pursuant to this Section shall provide to every address
2 identified as having submitted a valid claim under this
3 Section a quarterly report setting forth the municipality's
4 activities undertaken pursuant to this Section for that
5 quarter. However, the municipality shall replace windows and
6 doors pursuant to this Section only if, and to the extent,
7 grants are distributed to, and received by, the municipality
8 from the Sound-Reducing Windows and Doors Replacement Fund for
9 the costs associated with the replacement of sound-reducing
10 windows and doors installed under the Residential Sound
11 Insulation Program pursuant to Section 6z-20.1 of the State
12 Finance Act. In addition, the municipality shall revise its
13 specifications for procurement of windows for the Residential
14 Sound Insulation Program to address potential off-gassing from
15 such windows in future phases of the program. A municipality
16 subject to the Section shall not legislate or otherwise
17 regulate with regard to indoor air quality monitoring,
18 laboratory analysis or replacement requirements, except as
19 provided in this Section, but the foregoing restriction shall
20 not limit said municipality's taxing power.

21 (c) A home rule unit may not regulate indoor air quality
22 monitoring and laboratory analysis, and related mitigation and
23 mitigation plans, in a manner inconsistent with this Section.
24 This Section is a limitation of home rule powers and functions
25 under subsection (i) of Section 6 of Article VII of the
26 Illinois Constitution on the concurrent exercise by home rule

1 units of powers and functions exercised by the State.

2 (d) This Section shall not be construed to create a
3 private right of action.

2 Section 370. The River Edge Redevelopment Zone Act is
3 amended by changing Section 10-5.4 as follows:

4 (65 ILCS 115/10-5.4)

5 Sec. 10-5.4. Amendment and decertification of River Edge
6 Redevelopment Zones.

7 (a) The terms of a certified zone designating ordinance
8 may be amended to:

9 (1) alter the boundaries of the Zone;

10 (2) expand, limit or repeal tax incentives or benefits
11 provided in the ordinance;

12 (3) alter the termination date of the zone; or

13 (4) make technical corrections in the river edge
14 redevelopment zone designating ordinance.

15 An amendment shall not be effective unless the Department
16 issues an amended certificate for the River Edge Redevelopment
17 Zone, approving the amended designating ordinance. Upon the
18 adoption of any ordinance amending or repealing the terms of a
19 certified river edge redevelopment zone designating ordinance,
20 the municipality shall promptly file with the Department an
21 application for approval thereof, containing substantially the
22 same information as required for an application under Section
23 10-5.1 insofar as material to the proposed changes. The
24 municipality must hold a public hearing on the proposed

1 changes as specified in Section 10-5 and, if the amendment is
2 to effectuate the limitation of tax abatements under Section
3 10-5.4.1, then the public notice of the hearing shall state
4 that property that is in both the zone and a redevelopment
5 project area may not receive tax abatements unless within 60
6 days after the adoption of the amendment to the designating
7 ordinance the municipality has determined that eligibility for
8 tax abatements has been established.

9 (b) The Department shall approve or disapprove a proposed
10 amendment to a certified zone within 90 days after its receipt
11 of the application from the municipality. The Department may
12 not approve changes in a Zone that are not in conformity with
13 this Act, as now or hereafter amended, or with other
14 applicable laws. If the Department issues an amended
15 certificate for a Zone, the amended certificate, together with
16 the amended zone designating ordinance, shall be filed,
17 recorded, and transmitted as provided in Section 10-5.3.

18 (c) A River Edge Redevelopment Zone may be decertified by
19 joint action of the Department and by the municipality in
20 which the River Edge Redevelopment ~~Development~~ Zone is
21 located. The designating municipality shall conduct at least
22 one public hearing within the zone prior to its adoption of an
23 ordinance of decertification. The mayor of the designating
24 municipality shall execute a joint decertification agreement
25 with the Department. A decertification of a River Edge
26 Redevelopment Zone that was initiated by the joint action of

1 the Department and one or more of the municipalities in which
2 the zone is located shall not become effective until at least 6
3 months after the execution of the decertification agreement,
4 which shall be filed in the office of the Secretary of State.

5 (d) A River Edge Redevelopment Zone may be decertified for
6 cause by the Department in accordance with this Section. Prior
7 to decertification:

8 (1) the Department shall notify the chief elected
9 official of the designating municipality in writing of the
10 specific deficiencies that provide cause for
11 decertification;

12 (2) the Department shall place the designating
13 municipality on probationary status for at least 6 months
14 during which time corrective action may be achieved in the
15 zone by the designating municipality; and

16 (3) the Department shall conduct at least one public
17 hearing within the zone.

18 If such corrective action is not achieved during the
19 probationary period, the Department shall issue an amended
20 certificate signed by the Director of the Department
21 decertifying the zone, which certificate shall be filed in the
22 office of the Secretary of State. A certified copy of the
23 amended certificate, or a duplicate original thereof, shall be
24 recorded in the office of recorder of the county in which the
25 River Edge Redevelopment Zone lies, and shall be provided to
26 the chief elected official of the designating municipality.

1 Decertification of a River Edge Redevelopment Zone for cause
2 shall not become effective until 60 days after the date of
3 filing.

4 (e) In the event of a decertification, an amendment
5 reducing the length of the term or the area of a River Edge
6 Redevelopment Zone, or the adoption of an ordinance reducing
7 or eliminating tax benefits in a zone, all benefits previously
8 extended within the zone pursuant to this Act or pursuant to
9 any other Illinois law providing benefits specifically to or
10 within River Edge Redevelopment Zones shall remain in effect
11 for the original stated term of the zone, with respect to
12 business enterprises within the zone on the effective date of
13 such decertification or amendment.

14 (f) With respect to a business enterprise (or expansion
15 thereof) that is proposed or under development within a zone
16 at the time of a decertification or an amendment reducing the
17 length of the term of the zone, or excluding from the zone area
18 the site of the proposed enterprise, or an ordinance reducing
19 or eliminating tax benefits in a zone, such business
20 enterprise is entitled to the benefits previously applicable
21 within the zone for the original stated term of the zone, if
22 the business enterprise establishes:

23 (i) that the proposed business enterprise or expansion
24 has been committed to be located within the zone;

25 (ii) that substantial and binding financial
26 obligations have been made towards the development of such

1 enterprise; and

2 (iii) that such commitments have been made in
3 reasonable reliance on the benefits and programs which
4 were to have been applicable to the enterprise by reason
5 of the zone, including in the case of a reduction in term
6 of a zone, the original length of the term.

7 In declaratory judgment actions under this subsection, the
8 Department and the designating municipality shall be necessary
9 parties defendant.

11 Section 375. The Metropolitan Pier and Exposition
12 Authority Act is amended by changing Section 25.3 as follows:

13 (70 ILCS 210/25.3) (from Ch. 85, par. 1245.3)

14 Sec. 25.3. (a) No person who is a member of the Board, a
15 Trustee appointed under Section 22, or an officer or employee
16 of the Authority, may be in any manner interested, either
17 directly or indirectly, in his own name or in the name of any
18 other person, partnership, association, trust, or corporation,
19 including any corporation subject to the ~~"The~~ Medical
20 Corporation Act", ~~as now or hereafter amended,~~ and any
21 professional corporation organized under the ~~"The~~ Professional
22 Service Corporation Act", ~~as now or hereafter amended,~~ or
23 organized under any similar law of a sister state applicable
24 to any such corporation, in any contract or the performance of

1 any work of the Authority. No such person may represent,
2 either professionally or as agent or otherwise, any person,
3 partnership, association, trust, or corporation, including any
4 corporation subject to the ~~"The Medical Corporation Act", as~~
5 ~~now or hereafter amended,~~ and any professional corporation
6 organized under the ~~"The Professional Service Corporation~~
7 ~~Act", as now or hereafter amended,~~ or organized under any
8 similar law of a sister state applicable to any such
9 corporation, with respect to any application or bid for any
10 contract or work in regard to which such person may be called
11 upon to vote. Nor may any such person take or receive, or offer
12 to take or receive, either directly or indirectly, any money
13 or other thing of value as a gift or bribe or means of
14 influencing his vote or action in his official character. Any
15 contract made and procured in violation hereof is void. Each
16 person who at any time within 2 years prior to November 15,
17 1985 (the effective date of Public Act 84-1027) ~~this~~
18 ~~amendatory Act of 1985~~ was a member of the Board and who at any
19 time after so becoming a member ceased to be a member of the
20 Board shall in all respects continue to be governed by and
21 subject to the provisions of this subsection (a) for a period
22 of 2 years from and after the date on which he last ceased or
23 ceases to be a member of such Board. In addition, the
24 provisions of this subsection (a) shall continue to apply
25 equally and in all respects to each person who becomes a member
26 of the Board on or after November 15, 1985 (the effective date

1 of Public Act 84-1027) ~~this amendatory Act of 1985~~ and who
2 thereafter ceases to be a member of the Board, and to any
3 Trustee appointed under Section 22 who ceases to be the
4 Trustee, for a period of 2 years from and after the date on
5 which he ceases to be a member of the Board or to be the
6 Trustee. The foregoing provisions of this subsection (a) shall
7 not apply to render void or to interfere with the performance
8 of any contract of the Authority entered into and in effect
9 prior to November 15, 1985 (the effective date of Public Act
10 84-1027) ~~this amendatory Act of 1985~~.

11 However any such person may provide materials,
12 merchandise, property, services or labor, if:

13 (1) the contract is with a person, firm, partnership,
14 association, corporation, or cooperative association in
15 which such interested person has less than a 7 1/2% share
16 in the ownership; and

17 (2) such interested person publicly discloses the
18 nature and extent of his interest prior to or during
19 deliberations concerning the proposed award of the
20 contract; and

21 (3) such interested person, if a Board member,
22 abstains from voting on the award of the contract, though
23 he shall be considered present for the purposes of
24 establishing a quorum; and

25 (4) such contract is approved by a majority vote of
26 those members presently holding office; and

1 (5) the contract is awarded after sealed bids to the
2 lowest responsible bidder if the amount of the contract
3 exceeds \$1500, or awarded without bidding if the amount of
4 the contract is less than \$1500; and

5 (6) the award of the contract would not cause the
6 aggregate amount of all such contracts so awarded to the
7 same person, firm, association, partnership, corporation,
8 or cooperative association in the same fiscal year to
9 exceed \$25,000.

10 In addition to the above exemption, any such person may
11 provide materials, merchandise, property, services, or labor
12 if:

13 (1) the award of the contract is approved by a
14 majority vote of the Board provided that any such
15 interested member shall abstain from voting; and

16 (2) the amount of the contract does not exceed \$1000;
17 and

18 (3) the award of the contract would not cause the
19 aggregate amount of all such contracts so awarded to the
20 same person, firm, association, partnership, corporation,
21 or cooperative association in the same fiscal year to
22 exceed \$2000; and

23 (4) such person publicly discloses the nature and
24 extent of his interest prior to or during deliberations
25 concerning the proposed award of the contract; and

26 (5) such person abstains from voting on the award of

1 the contract, though he shall be considered present for
2 the purposes of establishing a quorum.

3 A contract for the procurement of public utility services
4 with a public utility company is not barred by this Section by
5 any such person being an officer or employee of the public
6 utility company or holding an ownership interest of no more
7 than 7 1/2% in the public utility company. Any such person
8 having such an interest shall be deemed not to have a
9 prohibited interest under this Section.

10 (b) Before any contract relating to the ownership or use
11 of real property is entered into by and between the Authority
12 the identity of every owner and beneficiary having any
13 interest, real or personal, in such property, and every
14 shareholder entitled to receive more than 7 1/2% of the total
15 distributable income of any corporation having any interest,
16 real or personal, in such property must be disclosed. The
17 disclosure shall be in writing and shall be subscribed by an
18 owner, authorized trustee, corporate official, or managing
19 agent under oath. However, if stock in a corporation is
20 publicly traded and there is no readily known individual
21 having greater than a 7 1/2% interest, then a statement to that
22 effect, subscribed to under oath by an officer of the
23 corporation or its managing agent, shall fulfill the
24 disclosure statement requirement of this Section. This Section
25 shall be liberally construed to accomplish the purpose of
26 requiring the identification of the actual parties benefiting

1 from any transaction with the Authority involving the
2 procurement of the ownership or use of real property thereby.

3 (c) Nothing contained in this Section, including the
4 restrictions set forth in subsection (a) ~~above~~, shall preclude
5 a contract of deposit of monies, loans, or other financial
6 services by the Authority with a local bank or local savings
7 and loan association, regardless of whether former Board
8 members, Board members, or officers or employees of the
9 Authority are interested in such bank or savings and loan
10 association as a director, an officer or employee, or ~~as~~ a
11 holder of less than 7 1/2% of the total ownership interest. Any
12 such person holding such an interest in such a contract shall
13 not be deemed to be holding a prohibited interest for purposes
14 of this Act. Any such person must publicly state the nature and
15 extent of their interest during deliberations concerning the
16 proposed award of such a contract, but shall not participate
17 in any further deliberations concerning the proposed award.
18 Such interested member or members shall not vote on such
19 proposed award. Any Board member or members abstaining from
20 participation in deliberations and voting under this Section
21 may be considered present for purposes of establishing a
22 quorum. Award of such a contract shall require approval by a
23 majority vote of those members presently holding office.
24 Consideration and award of any such contract in which a member
25 or members are interested may only be made at a regularly
26 scheduled public meeting of the Board.

1 (d) Any member of the Board, officer or employee of the
2 Authority, or other person, who violates any provision of this
3 Section, is guilty of a Class 4 felony and in addition thereto,
4 any office or official position held by any person so
5 convicted shall become vacant, and shall be so declared as
6 part of the judgment of court.

8 Section 380. The Park District Code is amended by changing
9 Section 8-1 as follows:

10 (70 ILCS 1205/8-1)

11 Sec. 8-1. General corporate powers. Every park district
12 shall, from the time of its organization, be a body corporate
13 and politic by the name set forth in the petition for its
14 organization, the specific name set forth in this Code, or the
15 name it may adopt under Section 8-9 and shall have and exercise
16 the following powers:

17 (a) To adopt a corporate seal and alter the same at
18 pleasure; to sue and be sued; and to contract in
19 furtherance of any of its corporate purposes.

20 (b) (1) To acquire by gift, legacy, grant or purchase,
21 or by condemnation in the manner provided for the exercise
22 of the power of eminent domain under the Eminent Domain
23 Act, any and all real estate, or rights therein necessary
24 for building, laying out, extending, adorning and

1 maintaining any such parks, boulevards and driveways, or
2 for effecting any of the powers or purposes granted under
3 this Code as its board may deem proper, whether such lands
4 be located within or without such district; but no park
5 district, except as provided in paragraph (2) of this
6 subsection, shall have any power of condemnation in the
7 manner provided for the exercise of the power of eminent
8 domain under the Eminent Domain Act or otherwise as to any
9 real estate, lands, riparian rights or estate, or other
10 property situated outside of such district, but shall only
11 have power to acquire the same by gift, legacy, grant or
12 purchase, and such district shall have the same control of
13 and power over lands so acquired without the district as
14 over parks, boulevards and driveways within such district.

15 (2) In addition to the powers granted in paragraph (1)
16 of subsection (b), a park district located in more than
17 one county, the majority of its territory located in a
18 county over 450,000 in population and none of its
19 territory located in a county over 1,000,000 in
20 population, shall have condemnation power in the manner
21 provided for the exercise of the power of eminent domain
22 under the Eminent Domain Act or as otherwise granted by
23 law as to any and all real estate situated up to one mile
24 outside of such district which is not within the
25 boundaries of another park district.

26 (c) To acquire by gift, legacy or purchase any

1 personal property necessary for its corporate purposes
2 provided that all contracts for supplies, materials, or
3 work involving an expenditure in excess of \$60,000 for
4 supplies or materials and \$30,000 for work, or a lower
5 amount for any contract for supplies, material, or work if
6 required by board policy, shall be let to the lowest
7 responsible bidder after due advertisement. No district
8 shall be required to accept a bid that does not meet the
9 district's established specifications, terms of delivery,
10 quality, and serviceability requirements. Contracts which,
11 by their nature, are not adapted to award by competitive
12 bidding, such as contracts for the services of individuals
13 possessing a high degree of professional skill where the
14 ability or fitness of the individual plays an important
15 part, contracts for the printing of finance committee
16 reports and departmental reports, contracts for the
17 printing or engraving of bonds, tax warrants and other
18 evidences of indebtedness, contracts for utility services
19 such as water, light, heat, telephone or telegraph,
20 contracts for fuel (such as diesel, gasoline, oil,
21 aviation, or propane), lubricants, or other petroleum
22 products, contracts for the use, purchase, delivery,
23 movement, or installation of data processing equipment,
24 software, or services and telecommunications and
25 interconnect equipment, software, or services, contracts
26 for duplicating machines and supplies, contracts for goods

1 or services procured from another governmental agency,
2 purchases of equipment previously owned by some entity
3 other than the district itself, and contracts for the
4 purchase of magazines, books, periodicals, pamphlets and
5 reports are not subject to competitive bidding. Contracts
6 for emergency expenditures are also exempt from
7 competitive bidding when the emergency expenditure is
8 approved by 3/4 of the members of the board.

9 All competitive bids for contracts involving an
10 expenditure in excess of \$60,000 for supplies or materials
11 and \$30,000 for work, or a lower amount for any contract
12 for supplies, material, or work if required by board
13 policy, must be sealed by the bidder and must be opened by
14 a member or employee of the park board at a public bid
15 opening at which the contents of the bids must be
16 announced. Each bidder must receive at least 3 days notice
17 of the time and place of the bid opening.

18 For purposes of this subsection, "due advertisement"
19 includes, but is not limited to, at least one public
20 notice at least 10 days before the bid date in a newspaper
21 published in the district or, if no newspaper is published
22 in the district, in a newspaper of general circulation in
23 the area of the district.

24 (d) To pass all necessary ordinances, rules and
25 regulations for the proper management and conduct of the
26 business of the board and district and to establish by

1 ordinance all needful rules and regulations for the
2 government and protection of parks, boulevards and
3 driveways and other property under its jurisdiction, and
4 to effect the objects for which such districts are formed.

5 (e) To prescribe such fines and penalties for the
6 violation of ordinances as it shall deem proper not
7 exceeding \$1,000 for any one offense, which fines and
8 penalties may be recovered by an action in the name of such
9 district in the circuit court for the county in which such
10 violation occurred. The park district may also seek in the
11 action, in addition to or instead of fines and penalties,
12 an order that the offender be required to make restitution
13 for damage resulting from violations, and the court shall
14 grant such relief where appropriate. The procedure in such
15 actions shall be the same as that provided by law for like
16 actions for the violation of ordinances in cities
17 organized under the general laws of this State, and
18 offenders may be imprisoned for non-payment of fines and
19 costs in the same manner as in such cities. All fines when
20 collected shall be paid into the treasury of such
21 district.

22 (f) To manage and control all officers and property of
23 such districts and to provide for joint ownership with one
24 or more cities, villages or incorporated towns of real and
25 personal property used for park purposes by one or more
26 park districts. In case of joint ownership, the terms of

1 the agreement shall be fair, just and equitable to all
2 parties and shall be set forth in a written agreement
3 entered into by the corporate authorities of each
4 participating district, city, village or incorporated
5 town.

6 (g) To secure grants and loans, or either, from the
7 United States Government, or any agency or agencies
8 thereof, for financing the acquisition or purchase of any
9 and all real estate, or rights therein, or for effecting
10 any of the powers or purposes granted under this Code as
11 its Board may deem proper.

12 (h) To establish fees for the use of facilities and
13 recreational programs of the districts and to derive
14 revenue from non-resident fees from their operations. Fees
15 charged non-residents of such district need not be the
16 same as fees charged to residents of the district.
17 Charging fees or deriving revenue from the facilities and
18 recreational programs shall not affect the right to assert
19 or utilize any defense or immunity, common law or
20 statutory, available to the districts or their employees.

21 (i) To make contracts for a term exceeding one year,
22 but not to exceed 3 years, notwithstanding any provision
23 of this Code to the contrary, relating to: (1) the
24 employment of a park director, superintendent,
25 administrator, engineer, health officer, land planner,
26 finance director, attorney, police chief, or other officer

1 who requires technical training or knowledge; (2) the
2 employment of outside professional consultants such as
3 engineers, doctors, land planners, auditors, attorneys, or
4 other professional consultants who require technical
5 training or knowledge; (3) the provision of data
6 processing equipment and services; and (4) the purchase of
7 energy from a utility or an alternative retail electric
8 supplier. With respect to any contract made under this
9 subsection (i), the corporate authorities shall include in
10 the annual appropriation ordinance for each fiscal year an
11 appropriation of a sum of money sufficient to pay the
12 amount which, by the terms of the contract, is to become
13 due and payable during that fiscal year.

14 (j) To enter into licensing or management agreements
15 with not-for-profit corporations organized under the laws
16 of this State to operate park district facilities if the
17 corporation covenants to use the facilities to provide
18 public park or recreational programs for youth.

19 (k) To allow a person to sign any document with a
20 web-based signature if the district uses a secure
21 web-based platform.

24 Section 385. The Illinois Sports Facilities Authority Act

12 corporate limits of the Authority described in Section 11 of
13 this Act and to which the Authority provides financial
14 assistance. Where the title to all or any part of a facility is
15 held by a public building commission because the public
16 building commission has financed, under the authority of the
17 Public Building Commission Act, the acquisition of real estate
18 or the construction, acquisition, or enlargement of
19 improvements to real estate, or both, for any body politic,
20 public corporation, political subdivision, unit of local
21 government, or municipality formed under the laws of the State
22 of Illinois, the term "governmental owner" when used with

25 or municipality rather than the public building commission.

26 (D) "Management agreement ~~Agreement~~" means a legally

20 (E) "Assistance agreement ~~Agreement~~" means one or more
21 legally binding contracts, with respect to a facility for
22 which the Authority is to provide financial assistance as
23 provided in this Act, to which the Authority and a
24 governmental owner of a facility or its tenant, or both, and
25 any other appropriate persons are parties, which may be in the
26 form of an intergovernmental agreement.

1 (F) "Financial assistance ~~Assistance~~" means the use by the
2 Authority, pursuant to an assistance agreement, of its powers
3 under this Act, including, without limitation, the power to
4 borrow money, to issue bonds and notes, to impose an

6 receive and expend the proceeds of that tax, to assist a
7 governmental owner or its tenant, or both, with one or more of
8 the following: designing, developing, establishing,
9 constructing, erecting, acquiring, repairing, reconstructing,
10 renovating, remodeling, adding to, extending, improving,
11 equipping, operating, and maintaining a facility owned or to
12 be owned by the governmental owner.

13 (G) "Tenant" means any person with which a governmental
14 owner or the Authority has entered into an agreement for the
15 use by a professional sports team or other sports team of any

18 permit, or similar agreement with respect to the use of a
19 facility by such team for such period as shall be agreed upon
20 by the person and the governmental owner or the Authority, as
21 the case may be.

23 Section 390. The Regional Transportation Authority Act is
24 amended by changing Sections 4.01 and 4.09 as follows:

1 (70 ILCS 3615/4.01)

2 (Text of Section before amendment by P.A. 104-457)

3 Sec. 4.01. Budget and program.

4 (a) The Board shall control the finances of the Authority.

5 It shall by ordinance adopted by the affirmative vote of at
6 least 12 of its then Directors (i) appropriate money to
7 perform the Authority's purposes and provide for payment of
8 debts and expenses of the Authority, (ii) take action with
9 respect to the budget and two-year financial plan of each
10 Service Board, as provided in Section 4.11, and (iii) adopt an
11 Annual Budget and Two-Year Financial Plan for the Authority
12 that includes the annual budget and two-year financial plan of
13 each Service Board that has been approved by the Authority.
14 The Annual Budget and Two-Year Financial Plan shall contain a
15 statement of the funds estimated to be on hand for the
16 Authority and each Service Board at the beginning of the
17 fiscal year, the funds estimated to be received from all
18 sources for such year, the estimated expenses and obligations
19 of the Authority and each Service Board for all purposes,
20 including expenses for contributions to be made with respect
21 to pension and other employee benefits, and the funds
22 estimated to be on hand at the end of such year. The fiscal
23 year of the Authority and each Service Board shall begin on
24 January 1st and end on the succeeding December 31st. By July
25 1st of each year the Director of the Illinois Governor's
26 Office of Management and Budget (formerly Bureau of the

1 Budget) shall submit to the Authority an estimate of revenues
2 for the next fiscal year of the Authority to be collected from
3 the taxes imposed by the Authority and the amounts to be
4 available in the Public Transportation Fund and the Regional
5 Transportation Authority Occupation and Use Tax Replacement
6 Fund and the amounts otherwise to be appropriated by the State
7 to the Authority for its purposes. The Authority shall file a
8 copy of its Annual Budget and Two-Year Financial Plan with the
9 General Assembly and the Governor after its adoption. Before
10 the proposed Annual Budget and Two-Year Financial Plan is
11 adopted, the Authority shall hold at least one public hearing
12 thereon in the metropolitan region, and shall meet with the
13 county board or its designee of each of the several counties in
14 the metropolitan region. After conducting such hearings and
15 holding such meetings and after making such changes in the
16 proposed Annual Budget and Two-Year Financial Plan as the
17 Board deems appropriate, the Board shall adopt its annual
18 appropriation and Annual Budget and Two-Year Financial Plan
19 ordinance. The ordinance may be adopted only upon the
20 affirmative votes of 12 of its then Directors. The ordinance
21 shall appropriate such sums of money as are deemed necessary
22 to defray all necessary expenses and obligations of the
23 Authority, specifying purposes and the objects or programs for
24 which appropriations are made and the amount appropriated for
25 each object or program. Additional appropriations, transfers
26 between items and other changes in such ordinance may be made

1 from time to time by the Board upon the affirmative votes of 12
2 of its then Directors.

3 (b) The Annual Budget and Two-Year Financial Plan shall
4 show a balance between anticipated revenues from all sources
5 and anticipated expenses including funding of operating
6 deficits or the discharge of encumbrances incurred in prior
7 periods and payment of principal and interest when due, and
8 shall show cash balances sufficient to pay with reasonable
9 promptness all obligations and expenses as incurred.

10 The Annual Budget and Two-Year Financial Plan must show:

11 (i) that the level of fares and charges for mass
12 transportation provided by, or under grant or purchase of
13 service contracts of, the Service Boards is sufficient to
14 cause the aggregate of all projected fare revenues from
15 such fares and charges received in each fiscal year to
16 equal at least 50% of the aggregate costs of providing
17 such public transportation in such fiscal year. However,
18 due to the fiscal impacts of the COVID-19 pandemic, the
19 aggregate of all projected fare revenues from such fares
20 and charges received in fiscal years 2021, 2022, 2023,
21 2024, 2025, and 2026 may be less than 50% of the aggregate
22 costs of providing such public transportation in those
23 fiscal years. "Fare revenues" include the proceeds of all
24 fares and charges for services provided, contributions
25 received in connection with public transportation from
26 units of local government other than the Authority, except

1 for contributions received by the Chicago Transit
2 Authority from a real estate transfer tax imposed under
3 subsection (i) of Section 8-3-19 of the Illinois Municipal
4 Code, and from the State pursuant to subsection (i) of
5 Section 2705-305 of the Department of Transportation Law
6 (20 ILCS 2705/2705-305), and all other operating revenues
7 properly included consistent with generally accepted
8 accounting principles but do not include: the proceeds of
9 any borrowings, and, beginning with the 2007 fiscal year,
10 all revenues and receipts, including but not limited to
11 fares and grants received from the federal, State or any
12 unit of local government or other entity, derived from
13 providing ADA paratransit service pursuant to Section 2.30
14 of the Regional Transportation Authority Act. "Costs"
15 include all items properly included as operating costs
16 consistent with generally accepted accounting principles,
17 including administrative costs, but do not include:
18 depreciation; payment of principal and interest on bonds,
19 notes or other evidences of obligation for borrowed money
20 issued by the Authority; payments with respect to public
21 transportation facilities made pursuant to subsection (b)
22 of Section 2.20 of this Act; any payments with respect to
23 rate protection contracts, credit enhancements or
24 liquidity agreements made under Section 4.14; any other
25 cost to which it is reasonably expected that a cash
26 expenditure will not be made; costs for passenger security

1 including grants, contracts, personnel, equipment and
2 administrative expenses, except in the case of the Chicago
3 Transit Authority, in which case the term does not include
4 costs spent annually by that entity for protection against
5 crime as required by Section 27a of the Metropolitan
6 Transit Authority Act; the payment by the Chicago Transit
7 Authority of Debt Service, as defined in Section 12c of
8 the Metropolitan Transit Authority Act, on bonds or notes
9 issued pursuant to that Section; the payment by the
10 Commuter Rail Division of debt service on bonds issued
11 pursuant to Section 3B.09; expenses incurred by the
12 Suburban Bus Division for the cost of new public
13 transportation services funded from grants pursuant to
14 Section 2.01e of this amendatory Act of the 95th General
15 Assembly for a period of 2 years from the date of
16 initiation of each such service; costs as exempted by the
17 Board for projects pursuant to Section 2.09 of this Act;
18 or, beginning with the 2007 fiscal year, expenses related
19 to providing ADA paratransit service pursuant to Section
20 2.30 of the Regional Transportation Authority Act; and in
21 fiscal years 2008 through 2012 inclusive, costs in the
22 amount of \$200,000,000 in fiscal year 2008, reducing by
23 \$40,000,000 in each fiscal year thereafter until this
24 exemption is eliminated; and

25 (ii) that the level of fares charged for ADA
26 paratransit services is sufficient to cause the aggregate

1 of all projected revenues from such fares charged and
2 received in each fiscal year to equal at least 10% of the
3 aggregate costs of providing such ADA paratransit
4 services. However, due to the fiscal impacts of the
5 COVID-19 pandemic, the aggregate of all projected fare
6 revenues from such fares and charges received in fiscal
7 years 2021, 2022, 2023, 2024, 2025, and 2026 may be less
8 than 10% of the aggregate costs of providing such ADA
9 paratransit services in those fiscal years. For purposes
10 of this Act, the percentages in this subsection (b)(ii)
11 shall be referred to as the "system generated ADA
12 paratransit services revenue recovery ratio". For purposes
13 of the system generated ADA paratransit services revenue
14 recovery ratio, "costs" shall include all items properly
15 included as operating costs consistent with generally
16 accepted accounting principles. However, the Board may
17 exclude from costs an amount that does not exceed the
18 allowable "capital costs of contracting" for ADA
19 paratransit services pursuant to the Federal Transit
20 Administration guidelines for the Urbanized Area Formula
21 Program.

22 The Authority shall file a statement certifying that the
23 Service Boards published the data described in subsection
24 (b-5) with the General Assembly and the Governor after
25 adoption of the Annual Budget and Two-Year Financial Plan
26 required by subsection (a). If the Authority fails to file a

1 statement certifying publication of the data, then the
2 appropriations to the Department of Transportation for grants
3 to the Authority intended to reimburse the Service Boards for
4 providing free and reduced fares shall be withheld.

5 (b-5) For fiscal years 2024 and 2025, the Service Boards
6 must publish a monthly comprehensive set of data regarding
7 transit service and safety. The data included shall include
8 information to track operations including:

9 (1) staffing levels, including numbers of budgeted
10 positions, current positions employed, hired staff,
11 attrition, staff in training, and absenteeism rates;

12 (2) scheduled service and delivered service, including
13 percentage of scheduled service delivered by day, service
14 by mode of transportation, service by route and rail line,
15 total number of revenue miles driven, excess wait times by
16 day, by mode of transportation, by bus route, and by stop;
17 and

18 (3) safety on the system, including the number of
19 incidents of crime and code of conduct violations on
20 system, any performance measures used to evaluate the
21 effectiveness of investments in private security, safety
22 equipment, and other security investments in the system.
23 If no performance measures exist to evaluate the
24 effectiveness of these safety investments, the Service
25 Boards and Authority shall develop and publish these
26 performance measures.

1 The Authority and Service Boards shall solicit input and
2 ideas on publishing data on the service reliability,
3 operations, and safety of the system from the public and
4 groups representing transit riders, workers, and businesses.

5 (c) The actual administrative expenses of the Authority
6 for the fiscal year commencing January 1, 1985 may not exceed
7 \$5,000,000. The actual administrative expenses of the
8 Authority for the fiscal year commencing January 1, 1986, and
9 for each fiscal year thereafter shall not exceed the maximum
10 administrative expenses for the previous fiscal year plus 5%.
11 "Administrative expenses" are defined for purposes of this
12 Section as all expenses except: (1) capital expenses and
13 purchases of the Authority on behalf of the Service Boards;
14 (2) payments to Service Boards; and (3) payment of principal
15 and interest on bonds, notes or other evidence of obligation
16 for borrowed money issued by the Authority; (4) costs for
17 passenger security including grants, contracts, personnel,
18 equipment and administrative expenses; (5) payments with
19 respect to public transportation facilities made pursuant to
20 subsection (b) of Section 2.20 of this Act; and (6) any
21 payments with respect to rate protection contracts, credit
22 enhancements or liquidity agreements made pursuant to Section
23 4.14.

24 (d) This subsection applies only until the Department
25 begins administering and enforcing an increased tax under
26 Section 4.03(m) as authorized by this amendatory Act of the

1 95th General Assembly. After withholding 15% of the proceeds
2 of any tax imposed by the Authority and 15% of money received
3 by the Authority from the Regional Transportation Authority
4 Occupation and Use Tax Replacement Fund, the Board shall
5 allocate the proceeds and money remaining to the Service
6 Boards as follows: (1) an amount equal to 85% of the proceeds
7 of those taxes collected within the City of Chicago and 85% of
8 the money received by the Authority on account of transfers to
9 the Regional Transportation Authority Occupation and Use Tax
10 Replacement Fund from the County and Mass Transit District
11 Fund attributable to retail sales within the City of Chicago
12 shall be allocated to the Chicago Transit Authority; (2) an
13 amount equal to 85% of the proceeds of those taxes collected
14 within Cook County outside the City of Chicago and 85% of the
15 money received by the Authority on account of transfers to the
16 Regional Transportation Authority Occupation and Use Tax
17 Replacement Fund from the County and Mass Transit District
18 Fund attributable to retail sales within Cook County outside
19 of the city of Chicago shall be allocated 30% to the Chicago
20 Transit Authority, 55% to the Commuter Rail Board and 15% to
21 the Suburban Bus Board; and (3) an amount equal to 85% of the
22 proceeds of the taxes collected within the Counties of DuPage,
23 Kane, Lake, McHenry and Will shall be allocated 70% to the
24 Commuter Rail Board and 30% to the Suburban Bus Board.

25 (e) This subsection applies only until the Department
26 begins administering and enforcing an increased tax under

1 Section 4.03(m) as authorized by this amendatory Act of the
2 95th General Assembly. Moneys received by the Authority on
3 account of transfers to the Regional Transportation Authority
4 Occupation and Use Tax Replacement Fund from the State and
5 Local Sales Tax Reform Fund shall be allocated among the
6 Authority and the Service Boards as follows: 15% of such
7 moneys shall be retained by the Authority and the remaining
8 85% shall be transferred to the Service Boards as soon as may
9 be practicable after the Authority receives payment. Moneys
10 which are distributable to the Service Boards pursuant to the
11 preceding sentence shall be allocated among the Service Boards
12 on the basis of each Service Board's distribution ratio. The
13 term "distribution ratio" means, for purposes of this
14 subsection (e) of this Section 4.01, the ratio of the total
15 amount distributed to a Service Board pursuant to subsection
16 (d) of Section 4.01 for the immediately preceding calendar
17 year to the total amount distributed to all of the Service
18 Boards pursuant to subsection (d) of Section 4.01 for the
19 immediately preceding calendar year.

20 (f) To carry out its duties and responsibilities under
21 this Act, the Board shall employ staff which shall: (1)
22 propose for adoption by the Board of the Authority rules for
23 the Service Boards that establish (i) forms and schedules to
24 be used and information required to be provided with respect
25 to a five-year capital program, annual budgets, and two-year
26 financial plans and regular reporting of actual results

1 against adopted budgets and financial plans, (ii) financial
2 practices to be followed in the budgeting and expenditure of
3 public funds, (iii) assumptions and projections that must be
4 followed in preparing and submitting its annual budget and
5 two-year financial plan or a five-year capital program; (2)
6 evaluate for the Board public transportation programs operated
7 or proposed by the Service Boards and transportation agencies
8 in terms of the goals and objectives set out in the Strategic
9 Plan; (3) keep the Board and the public informed of the extent
10 to which the Service Boards and transportation agencies are
11 meeting the goals and objectives adopted by the Authority in
12 the Strategic Plan; and (4) assess the efficiency or adequacy
13 of public transportation services provided by a Service Board
14 and make recommendations for change in that service to the end
15 that the moneys available to the Authority may be expended in
16 the most economical manner possible with the least possible
17 duplication.

18 (g) All Service Boards, transportation agencies,
19 comprehensive planning agencies, including the Chicago
20 Metropolitan Agency for Planning, or transportation planning
21 agencies in the metropolitan region shall furnish to the
22 Authority such information pertaining to public transportation
23 or relevant for plans therefor as it may from time to time
24 require. The Executive Director, or his or her designee,
25 shall, for the purpose of securing any such information
26 necessary or appropriate to carry out any of the powers and

1 responsibilities of the Authority under this Act, have access
2 to, and the right to examine, all books, documents, papers or
3 records of a Service Board or any transportation agency
4 receiving funds from the Authority or Service Board, and such
5 Service Board or transportation agency shall comply with any
6 request by the Executive Director, or his or her designee,
7 within 30 days or an extended time provided by the Executive
8 Director.

9 (h) No Service Board shall undertake any capital
10 improvement which is not identified in the Five-Year Capital
11 Program.

12 (i) Each Service Board shall furnish to the Board access
13 to its financial information including, but not limited to,
14 audits and reports. The Board shall have real-time access to
15 the financial information of the Service Boards; however, the
16 Board shall be granted read-only access to the Service Board's
17 financial information.

22 It shall, by ordinance adopted by a supermajority vote:

23 (1) appropriate money to perform the Authority's
24 purposes and provide for payment of debts and expenses of
25 the Authority;

3 respect to the budget and 2-year financial plan of each
4 Service Board, as provided in Section 4.11; and

5 (3) until the new budget process under subsection

10 Authority.

11 (a-5) The Annual Budget and 2-Year Financial Plan shall
12 contain a statement of the funds estimated to be on hand for
13 the Authority and each Service Board at the beginning of the
14 fiscal year, the funds estimated to be received from all
15 sources for such year, the estimated expenses and obligations
16 of the Authority and each Service Board for all purposes,
17 including expenses for contributions to be made with respect
18 to pension and other employee benefits, and the funds
19 estimated to be on hand at the end of such year.

20 (a-10) The fiscal year of the Authority and each Service
21 Board shall begin on January 1st and end on the succeeding
22 December 31st.

23 (a-15) Until January 1, 2027, the Annual Budget and 2-Year
24 Financial Plan shall be prepared as follows:

25 (1) By July 1st of each year the Director of the
26 Illinois Governor's Office of Management and Budget shall

1 submit to the Authority an estimate of revenues for the

13 region. In addition, the Authority shall meet with the
14 county board, or its designee, of each of the counties in
15 the metropolitan region.

16 (3) Before the Board adopts the Authority's annual
17 appropriation and Annual Budget and 2-Year Financial Plan
18 ordinance, the Service Boards shall review the proposed
19 Annual Budget and 2-Year Financial Plan and shall adopt,
20 by the affirmative vote of a majority of each Service
21 Board's then Directors, a budget recommendation ordinance
22 describing any modifications to the Board's proposed
23 Annual Budget and 2-Year Financial Plan that are deemed
24 necessary by the Service Boards to provide the service
25 described in the regionwide Service Plan adopted by the
26 Authority.

1 (4) After conducting the hearings and holding the
2 meetings required under this subsection and after making
3 the changes in the proposed Annual Budget and 2-Year
4 Financial Plan as the Authority deems appropriate, the
5 Authority shall adopt its annual appropriation and Annual
6 Budget and 2-Year Financial Plan ordinance. The ordinance
7 may be adopted only upon a supermajority vote. The
8 ordinance shall appropriate such sums of money as are
9 deemed necessary to defray all necessary expenses and
10 obligations of the Authority and the Service Boards,
11 specifying purposes and the objects or programs for which
12 appropriations are made and the amount appropriated for
13 each object or program. Additional appropriations,

15 ordinance may be made from time to time by the Board upon a
16 supermajority vote.

17 (b) The Annual Budget and 2-Year Financial Plan shall show
18 a balance between anticipated revenues from all sources and
19 anticipated expenses including funding of operating deficits
20 or the discharge of encumbrances incurred in prior periods and

22 cash balances sufficient to pay with reasonable promptness all
23 obligations and expenses as incurred.

24 (b-3) The Authority shall file a copy of its Annual Budget
25 and 2-Year Financial Plan with the General Assembly and the
26 Governor after its adoption. ~~, and 2026 , and 2026~~

1 The Authority shall file a statement certifying that the
2 Service Boards published the data described in subsection
3 (b-5) with the General Assembly and the Governor after
4 adoption of the Annual Budget and 2-Year Financial Plan
5 required by subsection (a). If the Authority fails to file a
6 statement certifying publication of the data, then the
7 appropriations to the Department of Transportation for grants
8 to the Authority intended to reimburse the Service Boards for
9 providing free and reduced fares shall be withheld.

10 (b-5) Each fiscal year, the Service Boards must publish a
11 monthly comprehensive set of data regarding transit service
12 and safety. The data included shall include information to
13 track operations including:

14 (1) staffing levels, including numbers of budgeted
15 positions, current positions employed, hired staff,
16 attrition, staff in training, and absenteeism rates;

17 (2) scheduled service and delivered service, including
18 percentage of scheduled service delivered by day, service
19 by mode of transportation, service by route and rail line,

24 incidents of crime and code of conduct violations on
25 system, any performance measures used to evaluate the
26 effectiveness of investments in private security, safety

1 equipment, and other security investments in the system.

2 If no performance measures exist to evaluate the
3 effectiveness of these safety investments, the Service
4 Boards and Authority shall develop and publish these
5 performance measures.

6 The Authority and Service Boards shall solicit input and
7 ideas on publishing data on the service reliability,
8 operations, and safety of the system from the public and
9 groups representing transit riders, workers, and businesses.

10 (c) The actual administrative expenses of the Authority
11 for the fiscal year commencing January 1, 1985 may not exceed
12 \$5,000,000. The actual administrative expenses of the
13 Authority for the fiscal year commencing January 1, 1986, and
14 for each fiscal year thereafter shall not exceed the maximum
15 administrative expenses for the previous fiscal year plus 5%,
16 except that this limitation shall not apply to fiscal years
17 beginning on January 1, 2026, and ending on or before December
18 31, 2027. "Administrative expenses" are defined for purposes
19 of this Section as all expenses except: (1) capital expenses
20 and purchases of the Authority on behalf of the Service
21 Boards; (2) payments to Service Boards; and (3) payment of
22 principal and interest on bonds, notes or other evidence of
23 obligation for borrowed money issued by the Authority; (4)

6 2027. This subsection applies only until the Department begins
7 administering and enforcing an increased tax under Section
8 4.03(m) as authorized by this amendatory Act of the 95th
9 General Assembly. After withholding 15% of the proceeds of any
10 tax imposed by the Authority and 15% of money received by the
11 Authority from the Northern Illinois Transit Authority
12 Occupation and Use Tax Replacement Fund, the Board shall
13 allocate the proceeds and money remaining to the Service
14 Boards as follows: (1) an amount equal to 85% of the proceeds
15 of those taxes collected within the City of Chicago and 85% of
16 the money received by the Authority on account of transfers to
17 the Northern Illinois Transit Authority Occupation and Use Tax
18 Replacement Fund from the County and Mass Transit District
19 Fund attributable to retail sales within the City of Chicago

21 amount equal to 85% of the proceeds of those taxes collected
22 within Cook County outside the City of Chicago and 85% of the
23 money received by the Authority on account of transfers to the
24 Northern Illinois Transit Authority Occupation and Use Tax
25 Replacement Fund from the County and Mass Transit District
26 Fund attributable to retail sales within Cook County outside

7 (e) This subsection becomes inoperative on January 1,
8 2027. This subsection applies only until the Department begins
9 administering and enforcing an increased tax under Section
10 4.03(m) as authorized by this amendatory Act of the 95th
11 General Assembly. Moneys received by the Authority on account
12 of transfers to the Northern Illinois Transit Authority
13 Occupation and Use Tax Replacement Fund from the State and
14 Local Sales Tax Reform Fund shall be allocated among the
15 Authority and the Service Boards as follows: 15% of such
16 moneys shall be retained by the Authority and the remaining
17 85% shall be transferred to the Service Boards as soon as may
18 be practicable after the Authority receives payment. Moneys
19 which are distributable to the Service Boards pursuant to the
20 preceding sentence shall be allocated among the Service Boards
21 on the basis of each Service Board's distribution ratio. The
22 term "distribution ratio" means, for purposes of this
23 subsection (e) of this Section 4.01, the ratio of the total
24 amount distributed to a Service Board pursuant to subsection
25 (d) of Section 4.01 for the immediately preceding calendar
26 year to the total amount distributed to all of the Service

1 Boards pursuant to subsection (d) of Section 4.01 for the
2 immediately preceding calendar year.

3 (f) To carry out its duties and responsibilities under
4 this Act, the Board shall employ staff which shall:

5 (1) propose for adoption by the Board of the Authority
6 rules for the Service Boards that establish (i) forms and
7 schedules to be used and information required to be
8 provided with respect to a 5-Year Capital Program, an
9 Annual Budget and 2-Year Financial Plan, and each Service
10 Board's annual budget and 2-year financial plan, and
11 regular reporting of actual results against adopted
12 budgets and financial plans, (ii) financial practices to
13 be followed in the budgeting and expenditure of public
14 funds, (iii) assumptions and projections that must be
15 followed in preparing and submitting its Annual Budget and
16 2-Year Financial Plan or a 5-Year Capital Program;

17 (2) evaluate for the Board public transportation
18 programs operated or proposed by the Service Boards and
19 Transportation Agencies in terms of the goals and
20 objectives set out in the Strategic Plan;

21 (3) keep the Board and the public informed of the
22 extent to which the Service Boards and Transportation
23 Agencies are meeting the goals and objectives adopted by
24 the Authority in the Strategic Plan; and

25 (4) assess the efficiency or adequacy of public
26 transportation services provided by a Service Board and

1 make recommendations for change in that service to the end
2 that the moneys available to the Authority may be expended
3 in the most economical manner possible with the least
4 possible duplication.

5 (g) All Service Boards, Transportation Agencies,
6 comprehensive planning agencies, including the Chicago
7 Metropolitan Agency for Planning, or transportation planning
8 agencies in the metropolitan region shall furnish to the
9 Authority such information pertaining to public transportation
10 or relevant for plans therefor as it may from time to time
11 require. The Executive Director, or his or her designee,
12 shall, for the purpose of securing any such information
13 necessary or appropriate to carry out any of the powers and
14 responsibilities of the Authority under this Act, have access
15 to, and the right to examine, all books, documents, papers or
16 records of a Service Board or any Transportation Agency
17 receiving funds from the Authority or Service Board, and such
18 Service Board or Transportation Agency shall comply with any
19 request by the Executive Director, or his or her designee,
20 within 30 days or an extended time provided by the Executive
21 Director.

22 (h) No Service Board shall undertake any capital
23 improvement which is not identified in the 5-Year Capital
24 Program.

25 (i) Each Service Board shall furnish to the Board access
26 to its financial information including, but not limited to,

1 audits and reports. The Board shall have real-time access to
2 the financial information of the Service Boards; however, the
3 Board shall be granted read-only access to the Service Board's
4 financial information.

5 (j) Notwithstanding any other provision of this Section,
6 the Authority shall, through the implementation of service
7 efficiencies, realize the following net savings in its annual
8 budget for the fiscal year that begins on October 1, 2026: (i)
9 \$10 million in service-delivery savings; (ii) \$20.1 million in
10 savings from labor optimization, including changes in employee
11 headcounts and position types; and (iii) \$16.8 million in real

18 Transportation Authority Occupation and Use Tax Replacement
19 Fund.

20 (a)(1) Except as otherwise provided in paragraph (4), as
21 soon as possible after the first day of each month, beginning
22 July 1, 1984, upon certification of the Department of Revenue,
23 the Comptroller shall order transferred and the Treasurer
24 shall transfer from the General Revenue Fund to a special fund
25 in the State Treasury to be known as the Public Transportation

1 Fund an amount equal to 25% of the net revenue, before the
2 deduction of the serviceman and retailer discounts pursuant to
3 Section 9 of the Service Occupation Tax Act and Section 3 of
4 the Retailers' Occupation Tax Act, realized from any tax
5 imposed by the Authority pursuant to Sections 4.03 and 4.03.1
6 and 25% of the amounts deposited into the Regional
7 Transportation Authority tax fund created by Section 4.03 of
8 this Act, from the County and Mass Transit District Fund as
9 provided in Section 6z-20 of the State Finance Act and 25% of
10 the amounts deposited into the Regional Transportation
11 Authority Occupation and Use Tax Replacement Fund from the
12 State and Local Sales Tax Reform Fund as provided in Section
13 6z-17 of the State Finance Act. On the first day of the month
14 following the date that the Department receives revenues from
15 increased taxes under Section 4.03(m) as authorized by Public
16 Act 95-708, in lieu of the transfers authorized in the
17 preceding sentence, upon certification of the Department of
18 Revenue, the Comptroller shall order transferred and the
19 Treasurer shall transfer from the General Revenue Fund to the
20 Public Transportation Fund an amount equal to 25% of the net
21 revenue, before the deduction of the serviceman and retailer
22 discounts pursuant to Section 9 of the Service Occupation Tax
23 Act and Section 3 of the Retailers' Occupation Tax Act,
24 realized from (i) 80% of the proceeds of any tax imposed by the
25 Authority at a rate of 1.25% in Cook County, (ii) 75% of the
26 proceeds of any tax imposed by the Authority at the rate of 1%

1 in Cook County, and (iii) one-third of the proceeds of any tax
2 imposed by the Authority at the rate of 0.75% in the Counties
3 of DuPage, Kane, Lake, McHenry, and Will, all pursuant to
4 Section 4.03, and 25% of the net revenue realized from any tax
5 imposed by the Authority pursuant to Section 4.03.1, and 25%
6 of the amounts deposited into the Regional Transportation
7 Authority tax fund created by Section 4.03 of this Act from the
8 County and Mass Transit District Fund as provided in Section
9 6z-20 of the State Finance Act, and 25% of the amounts
10 deposited into the Regional Transportation Authority
11 Occupation and Use Tax Replacement Fund from the State and
12 Local Sales Tax Reform Fund as provided in Section 6z-17 of the
13 State Finance Act. As used in this Section, net revenue
14 realized for a month shall be the revenue collected by the
15 State pursuant to Sections 4.03 and 4.03.1 during the previous
16 month from within the metropolitan region, less the amount
17 paid out during that same month as refunds to taxpayers for
18 overpayment of liability in the metropolitan region under
19 Sections 4.03 and 4.03.1.

20 Notwithstanding any provision of law to the contrary,
21 beginning on July 6, 2017 (the effective date of Public Act
22 100-23), those amounts required under this paragraph (1) of
23 subsection (a) to be transferred by the Treasurer into the
24 Public Transportation Fund from the General Revenue Fund shall
25 be directly deposited into the Public Transportation Fund as
26 the revenues are realized from the taxes indicated.

1 (2) Except as otherwise provided in paragraph (4), on
2 February 1, 2009 (the first day of the month following the
3 effective date of Public Act 95-708) and each month
4 thereafter, upon certification by the Department of Revenue,
5 the Comptroller shall order transferred and the Treasurer
6 shall transfer from the General Revenue Fund to the Public
7 Transportation Fund an amount equal to 5% of the net revenue,
8 before the deduction of the serviceman and retailer discounts
9 pursuant to Section 9 of the Service Occupation Tax Act and
10 Section 3 of the Retailers' Occupation Tax Act, realized from
11 any tax imposed by the Authority pursuant to Sections 4.03 and
12 4.03.1 and certified by the Department of Revenue under
13 Section 4.03(n) of this Act to be paid to the Authority and 5%
14 of the amounts deposited into the Regional Transportation
15 Authority tax fund created by Section 4.03 of this Act from the
16 County and Mass Transit District Fund as provided in Section
17 6z-20 of the State Finance Act, and 5% of the amounts deposited
18 into the Regional Transportation Authority Occupation and Use
19 Tax Replacement Fund from the State and Local Sales Tax Reform
20 Fund as provided in Section 6z-17 of the State Finance Act, and
21 5% of the revenue realized by the Chicago Transit Authority as
22 financial assistance from the City of Chicago from the
23 proceeds of any tax imposed by the City of Chicago under
24 Section 8-3-19 of the Illinois Municipal Code.

25 Notwithstanding any provision of law to the contrary,
26 beginning on July 6, 2017 (the effective date of Public Act

1 100-23), those amounts required under this paragraph (2) of
2 subsection (a) to be transferred by the Treasurer into the
3 Public Transportation Fund from the General Revenue Fund shall
4 be directly deposited into the Public Transportation Fund as
5 the revenues are realized from the taxes indicated.

6 (3) Except as otherwise provided in paragraph (4), as soon
7 as possible after the first day of January, 2009 and each month
8 thereafter, upon certification of the Department of Revenue
9 with respect to the taxes collected under Section 4.03, the
10 Comptroller shall order transferred and the Treasurer shall
11 transfer from the General Revenue Fund to the Public
12 Transportation Fund an amount equal to 25% of the net revenue,
13 before the deduction of the serviceman and retailer discounts
14 pursuant to Section 9 of the Service Occupation Tax Act and
15 Section 3 of the Retailers' Occupation Tax Act, realized from
16 (i) 20% of the proceeds of any tax imposed by the Authority at
17 a rate of 1.25% in Cook County, (ii) 25% of the proceeds of any
18 tax imposed by the Authority at the rate of 1% in Cook County,
19 and (iii) one-third of the proceeds of any tax imposed by the
20 Authority at the rate of 0.75% in the Counties of DuPage, Kane,
21 Lake, McHenry, and Will, all pursuant to Section 4.03, and the
22 Comptroller shall order transferred and the Treasurer shall
23 transfer from the General Revenue Fund to the Public
24 Transportation Fund (iv) an amount equal to 25% of the revenue
25 realized by the Chicago Transit Authority as financial
26 assistance from the City of Chicago from the proceeds of any

1 tax imposed by the City of Chicago under Section 8-3-19 of the
2 Illinois Municipal Code.

3 Notwithstanding any provision of law to the contrary,
4 beginning on July 6, 2017 (the effective date of Public Act
5 100-23), those amounts required under this paragraph (3) of
6 subsection (a) to be transferred by the Treasurer into the
7 Public Transportation Fund from the General Revenue Fund shall
8 be directly deposited into the Public Transportation Fund as
9 the revenues are realized from the taxes indicated.

10 (4) Notwithstanding any provision of law to the contrary,
11 for the State fiscal year beginning July 1, 2024 and each State
12 fiscal year thereafter, the first \$150,000,000 that would have
13 otherwise been transferred from the General Revenue Fund and
14 deposited into the Public Transportation Fund as provided in
15 paragraphs (1), (2), and (3) of this subsection (a) shall
16 instead be transferred from the Road Fund by the Treasurer
17 upon certification by the Department of Revenue and order of
18 the Comptroller. For the State fiscal year beginning July 1,
19 2024, only, the next \$75,000,000 that would have otherwise
20 been transferred from the General Revenue Fund and deposited
21 into the Public Transportation Fund as provided in paragraphs
22 (1), (2), and (3) of this subsection (a) shall instead be
23 transferred from the Road Fund and deposited into the Public
24 Transportation Fund by the Treasurer upon certification by the
25 Department of Revenue and order of the Comptroller. The funds
26 authorized and transferred pursuant to this amendatory Act of

1 the 103rd General Assembly are not intended or planned for
2 road construction projects. For the State fiscal year
3 beginning July 1, 2024, only, the next \$50,000,000 that would
4 have otherwise been transferred from the General Revenue Fund
5 and deposited into the Public Transportation Fund as provided
6 in paragraphs (1), (2), and (3) of this subsection (a) shall
7 instead be transferred from the Underground Storage Tank Fund
8 and deposited into the Public Transportation Fund by the
9 Treasurer upon certification by the Department of Revenue and
10 order of the Comptroller. The remaining balance shall be
11 deposited each State fiscal year as otherwise provided in
12 paragraphs (1), (2), and (3) of this subsection (a).

13 (5) (Blank).

14 (6) (Blank).

15 (7) For State fiscal year 2020 only, notwithstanding any
16 provision of law to the contrary, the total amount of revenue
17 and deposits under this Section attributable to revenues
18 realized during State fiscal year 2020 shall be reduced by 5%.

19 (8) For State fiscal year 2021 only, notwithstanding any
20 provision of law to the contrary, the total amount of revenue
21 and deposits under this Section attributable to revenues
22 realized during State fiscal year 2021 shall be reduced by 5%.

23 (b)(1) All moneys deposited in the Public Transportation
24 Fund and the Regional Transportation Authority Occupation and
25 Use Tax Replacement Fund, whether deposited pursuant to this
26 Section or otherwise, are allocated to the Authority, except

1 for amounts appropriated to the Office of the Executive
2 Inspector General as authorized by subsection (h) of Section
3 4.03.3 and amounts transferred to the Audit Expense Fund
4 pursuant to Section 6z-27 of the State Finance Act. The
5 Comptroller, as soon as possible after each monthly transfer
6 provided in this Section and after each deposit into the
7 Public Transportation Fund, shall order the Treasurer to pay
8 to the Authority out of the Public Transportation Fund the
9 amount so transferred or deposited. Any Additional State
10 Assistance and Additional Financial Assistance paid to the
11 Authority under this Section shall be expended by the
12 Authority for its purposes as provided in this Act. The
13 balance of the amounts paid to the Authority from the Public
14 Transportation Fund shall be expended by the Authority as
15 provided in Section 4.03.3. The Comptroller, as soon as
16 possible after each deposit into the Regional Transportation
17 Authority Occupation and Use Tax Replacement Fund provided in
18 this Section and Section 6z-17 of the State Finance Act, shall
19 order the Treasurer to pay to the Authority out of the Regional
20 Transportation Authority Occupation and Use Tax Replacement
21 Fund the amount so deposited. Such amounts paid to the
22 Authority may be expended by it for its purposes as provided in
23 this Act. The provisions directing the distributions from the
24 Public Transportation Fund and the Regional Transportation
25 Authority Occupation and Use Tax Replacement Fund provided for
26 in this Section shall constitute an irrevocable and continuing

1 appropriation of all amounts as provided herein. The State
2 Treasurer and State Comptroller are hereby authorized and
3 directed to make distributions as provided in this Section.

4 (2) Provided, however, no moneys deposited under subsection
5 (a) of this Section shall be paid from the Public
6 Transportation Fund to the Authority or its assignee for any
7 fiscal year until the Authority has certified to the Governor,
8 the Comptroller, and the Mayor of the City of Chicago that it
9 has adopted for that fiscal year an Annual Budget and Two-Year
10 Financial Plan meeting the requirements in Section 4.01(b).

11 (c) In recognition of the efforts of the Authority to
12 enhance the mass transportation facilities under its control,
13 the State shall provide financial assistance ("Additional
14 State Assistance") in excess of the amounts transferred to the
15 Authority from the General Revenue Fund under subsection (a)
16 of this Section. Additional State Assistance shall be
17 calculated as provided in subsection (d), but shall in no
18 event exceed the following specified amounts with respect to
19 the following State fiscal years:

21	1991	\$5,000,000;
22	1992	\$10,000,000;
23	1993	\$10,000,000;
24	1994	\$20,000,000;
25	1995	\$30,000,000;
26	1996	\$40,000,000;

1 1997 \$50,000,000;
2 1998 \$55,000,000; and
3 each year thereafter \$55,000,000.

4 (c-5) The State shall provide financial assistance
5 ("Additional Financial Assistance") in addition to the
6 Additional State Assistance provided by subsection (c) and the
7 amounts transferred to the Authority from the General Revenue
8 Fund under subsection (a) of this Section. Additional
9 Financial Assistance provided by this subsection shall be
10 calculated as provided in subsection (d), but shall in no
11 event exceed the following specified amounts with respect to
12 the following State fiscal years:

13 2000 \$0;
14 2001 \$16,000,000;
15 2002 \$35,000,000;
16 2003 \$54,000,000;
17 2004 \$73,000,000;
18 2005 \$93,000,000; and
19 each year thereafter \$100,000,000.

20 (d) Beginning with State fiscal year 1990 and continuing
21 for each State fiscal year thereafter, the Authority shall
22 annually certify to the State Comptroller and State Treasurer,
23 separately with respect to each of subdivisions (g)(2) and
24 (g)(3) of Section 4.04 of this Act, the following amounts:

25 (1) The amount necessary and required, during the
26 State fiscal year with respect to which the certification

1 is made, to pay its obligations for debt service on all

3 subdivisions (g)(2) and (g)(3) of Section 4.04 of this
4 Act.

5 (2) An estimate of the amount necessary and required

8 subdivisions (g)(2) and (g)(3) of Section 4.04 during that
9 State fiscal year.

10 (3) Its debt service savings during the preceding
11 State fiscal year from refunding or advance refunding of
12 bonds or notes issued under subdivisions (g)(2) and (g)(3)
13 of Section 4.04.

14 (4) The amount of interest, if any, earned by the
15 Authority during the previous State fiscal year on the
16 proceeds of bonds or notes issued pursuant to subdivisions
17 (g)(2) and (g)(3) of Section 4.04, other than refunding or
18 advance refunding bonds or notes.

19 The certification shall include a specific schedule of
20 debt service payments, including the date and amount of each
21 payment for all outstanding bonds or notes and an estimated
22 schedule of anticipated debt service for all bonds and notes
23 it intends to issue, if any, during that State fiscal year,
24 including the estimated date and estimated amount of each
25 payment.

26 Immediately upon the issuance of bonds for which an

1 estimated schedule of debt service payments was prepared, the
2 Authority shall file an amended certification with respect to
3 item (2) above, to specify the actual schedule of debt service
4 payments, including the date and amount of each payment, for
5 the remainder of the State fiscal year.

6 On the first day of each month of the State fiscal year in
7 which there are bonds outstanding with respect to which the
8 certification is made, the State Comptroller shall order

10 Road Fund to the Public Transportation Fund the Additional
11 State Assistance and Additional Financial Assistance in an
12 amount equal to the aggregate of (i) one-twelfth of the sum of
13 the amounts certified under items (1) and (3) above less the
14 amount certified under item (4) above, plus (ii) the amount
15 required to pay debt service on bonds and notes issued during
16 the fiscal year, if any, divided by the number of months
17 remaining in the fiscal year after the date of issuance, or
18 some smaller portion as may be necessary under subsection (c)
19 or (c-5) of this Section for the relevant State fiscal year,
20 plus (iii) any cumulative deficiencies in transfers for prior
21 months, until an amount equal to the sum of the amounts
22 certified under items (1) and (3) above, plus the actual debt
23 service certified under item (2) above, less the amount
24 certified under item (4) above, has been transferred; except
25 that these transfers are subject to the following limits:

26 (A) In no event shall the total transfers in any State

1 fiscal year relating to outstanding bonds and notes issued
2 by the Authority under subdivision (g)(2) of Section 4.04
3 exceed the lesser of the annual maximum amount specified
4 in subsection (c) or the sum of the amounts certified

12 exceed the lesser of the annual maximum amount specified
13 in subsection (c-5) or the sum of the amounts certified
14 under items (1) and (3) above, plus the actual debt
15 service certified under item (2) above, less the amount
16 certified under item (4) above, with respect to those
17 bonds and notes.

18 The term "outstanding" does not include bonds or notes for
19 which refunding or advance refunding bonds or notes have been
20 issued.

21 (e) Neither Additional State Assistance nor Additional
22 Financial Assistance may be pledged, either directly or
23 indirectly as general revenues of the Authority, as security
24 for any bonds issued by the Authority. The Authority may not
25 assign its right to receive Additional State Assistance or
26 Additional Financial Assistance, or direct payment of

1 Additional State Assistance or Additional Financial
2 Assistance, to a trustee or any other entity for the payment of
3 debt service on its bonds.

4 (f) The certification required under subsection (d) with
5 respect to outstanding bonds and notes of the Authority shall
6 be filed as early as practicable before the beginning of the
7 State fiscal year to which it relates. The certification shall
8 be revised as may be necessary to accurately state the debt
9 service requirements of the Authority.

10 (g) Within 6 months of the end of each fiscal year, the
11 Authority shall determine:

13 revenues for public transportation in the metropolitan
14 region which is provided by, or under grant or purchase of

6 local government or other entity, derived from providing
7 ADA paratransit service pursuant to Section 2.30 of the
8 Regional Transportation Authority Act. "Costs" include all
9 items properly included as operating costs consistent with
10 generally accepted accounting principles, including

20 made; costs for passenger security including grants,
21 contracts, personnel, equipment and administrative
22 expenses, except in the case of the Chicago Transit

6 Suburban Bus Division for the cost of new public
7 transportation services funded from grants pursuant to
8 Section 2.01e of this Act for a period of 2 years from the
9 date of initiation of each such service; costs as exempted
10 by the Board for projects pursuant to Section 2.09 of this
11 Act; or, beginning with the 2007 fiscal year, expenses
12 related to providing ADA paratransit service pursuant to
13 Section 2.30 of the Regional Transportation Authority Act;
14 or in fiscal years 2008 through 2012 inclusive, costs in
15 the amount of \$200,000,000 in fiscal year 2008, reducing

6 (b)(1) All moneys deposited in the Public Transportation
7 Fund and the Northern Illinois Transit Authority Occupation

13 (2) Provided, however, no moneys deposited under
14 subsection (a) of this Section shall be paid from the Public

24 of the Use Tax Act, Section 9 of the Service Use Tax Act,
25 Section 9 of the Service Occupation Tax Act, and Section 3 of

7 Sec. 2-3.207 ~~2-3.204~~. Statewide master contract for
8 prepackaged meals.

9 (a) Throughout the State, students depend on schools to
10 provide nutritionally balanced, low-cost or free school
11 lunches each day. The General Assembly intends for school
12 districts to provide lunch options that satisfy religious
13 dietary requirements to the extent practicable.

14 (b) In this Section, "religious dietary food option" means
15 meals that meet specific foods and food preparation techniques
16 that satisfy religious dietary requirements.

17 (c) This Section is subject to appropriation, including

20 Section.

21 (d) Upon the execution of one or more statewide master
22 contracts entered into under subsection (g) and annually
23 thereafter, the State Board of Education shall notify school
24 districts of any prepackaged meal options, including, but not
25 limited to, halal and kosher food options, available for

4 options offered under a statewide master contract.

5 A school district may not be charged more than the federal
6 free rate of reimbursement for any meal offered under a
7 statewide master contract. Any meal offered under a statewide
8 master contract shall be eligible for and cost no more than the
9 federal free rate of reimbursement.

10 (e) All meal options available under a statewide master
11 contract under subsection (g) must meet the federal
12 nutritional standards set under the federal Richard B. Russell
13 National School Lunch Act. Any meal offered under a statewide
14 master contract under subsection (g) may not require a school
15 district to purchase any special or additional kitchen
16 preparation equipment or storage equipment and may not require
17 either any specialized staff, other than those staff members
18 who are currently available in a school, or any special
19 certifications.

20 (f) Any vendor offering halal food products to a school
21 district under a statewide master contract under subsection
22 (g) shall certify that the food or food product is halal and
23 that the vendor is in compliance with the Halal Food Act. Any

3 certifications.

4 (g) The State Board of Education shall enter into one or
5 more statewide master contracts with a vendor or vendors for
6 prepackaged meals that meet the requirements of this Section
7 for the purpose of providing options to school districts

10 many contracts as needed in order to provide access for school
11 districts statewide.

12 Each statewide master contract must include packaged meal
13 delivery directly to any requesting school in this State at a

5 (b) The State Board of Education, in consultation with
6 stakeholders, shall identify dates during the year of cultural
7 or religious significance to the student population and in
8 which students may have out-of-school commitments or otherwise
9 be unable to participate in a major school event.

10 By July 1 of each year, the State Board of Education shall
11 prominently post on its website and distribute to each school
12 district a nonexhaustive list of the identified days and dates
13 of cultural, religious, or other observances for, at a
14 minimum, the school year that begins in the next calendar year
15 as a resource for making scheduling decisions for major school
16 events. The list shall include a statement encouraging schools
17 to be mindful of the days and dates of cultural, religious, or
18 other observances that impact student participation as schools
19 plan major school events.

20 (c) The list of cultural, religious, or other observances
21 under subsection (b) shall additionally include a statement
22 indicating that the list is only for scheduling guidance
23 purposes and does not affect a student's right to be excused
24 from attendance because of the observance of a religious
25 holiday pursuant to Section 26-2b of this Code, regardless of
26 whether the religious holiday appears on the list.

1 Upon the posting and distribution of the list, the State
2 Board of Education shall also inform school districts that the
3 list is nonexhaustive and that a school district may include
4 additional days and dates on its locally created school
5 calendars based on community feedback or demographics.

6 The State Board of Education shall additionally distribute
7 the list each year to relevant associations or entities as
8 determined by the State Board of Education.

21 (4) the notice of communications with the vendor to
22 exercise renewal options.

23 (b) The State Board of Education shall compile the

25 information available to the public on its Internet website.

1 (c) To further enhance the transparency around

19 services of a third-party ~~third-party~~ consultant who will

24 accordance with the terms of the proposed agreement and
25 any rules adopted by the State Board of Education; and

1 (3) submit the completed agreement form, the signed
2 board resolution, and such other information as the State
3 Board of Education may, by administrative rule, require,
4 to the regional office of education or the executive

11 Board of Education or (ii) disapprove the agreement and return
12 the agreement to the district with a letter of explanation.

13 (d) From funds appropriated to it for that purpose, the
14 State Board of Education may award grants under this Section
15 to districts for which it receives an approved agreement under
16 subsection (c) for costs incurred by those districts to

10 agenda at one of its meetings.

11 (g) When issuing grants under this Section, the State
12 Board of Education may provide a school district up to the
13 maximum reimbursement amount set by the State Board of
14 Education, for the purpose of covering all or part of the costs
15 borne by the school district to conduct a reorganization
16 feasibility study. In awarding grants under this Section, the
17 State Board of Education shall prioritize the awarding of
18 grants to districts that are contiguous with one another,
19 districts that have similar property tax rates, districts with

9 school board, policy guideline procedures to establish and
10 maintain a reciprocal reporting system between the school

6 (105 ILCS 5/14-8.02)

7 Sec. 14-8.02. Identification, evaluation, and placement of
8 children.

9 (a) The State Board of Education shall make rules under
10 which local school boards shall determine the eligibility of
11 children to receive special education. Such rules shall ensure
12 that a free appropriate public education be available to all
13 children with disabilities as defined in Section 14-1.02. The
14 State Board of Education shall require local school districts
15 to administer non-discriminatory procedures or tests to
16 English learners coming from homes in which a language other
17 than English is used to determine their eligibility to receive
18 special education. The placement of low English proficiency
19 students in special education programs and facilities shall be
20 made in accordance with the test results reflecting the
21 student's linguistic, cultural and special education needs.
22 For purposes of determining the eligibility of children the
23 State Board of Education shall include in the rules
24 definitions of "case study", "staff conference",
25 "individualized educational program", and "qualified

1 specialist" appropriate to each category of children with
2 disabilities as defined in this Article. For purposes of
3 determining the eligibility of children from homes in which a
4 language other than English is used, the State Board of
5 Education shall include in the rules definitions for
6 "qualified bilingual specialists" and "linguistically and
7 culturally appropriate individualized educational programs".
8 For purposes of this Section, as well as Sections 14-8.02a,
9 14-8.02b, and 14-8.02c of this Code, "parent" means a parent
10 as defined in the federal Individuals with Disabilities
11 Education Act (20 U.S.C. 1401(23)).

12 (b) No child shall be eligible for special education
13 facilities except with a carefully completed case study fully
14 reviewed by professional personnel in a multidisciplinary
15 staff conference and only upon the recommendation of qualified
16 specialists or a qualified bilingual specialist, if available.
17 At the conclusion of the multidisciplinary staff conference,
18 the parent of the child and, if the child is in the legal
19 custody of the Department of Children and Family Services, the
20 Department's Office of Education and Transition Services shall
21 be given a copy of the multidisciplinary conference summary
22 report and recommendations, which includes options considered,
23 and, in the case of the parent, be informed of his or her right
24 to obtain an independent educational evaluation if he or she
25 disagrees with the evaluation findings conducted or obtained
26 by the school district. If the school district's evaluation is

1 shown to be inappropriate, the school district shall reimburse
2 the parent for the cost of the independent evaluation. The
3 State Board of Education shall, with advice from the State
4 Advisory Council on Education of Children with Disabilities on
5 the inclusion of specific independent educational evaluators,
6 prepare a list of suggested independent educational
7 evaluators. The State Board of Education shall include on the
8 list clinical psychologists licensed pursuant to the Clinical
9 Psychologist Licensing Act. Such psychologists shall not be
10 paid fees in excess of the amount that would be received by a
11 school psychologist for performing the same services. The
12 State Board of Education shall supply school districts with
13 such list and make the list available to parents at their
14 request. School districts shall make the list available to
15 parents at the time they are informed of their right to obtain
16 an independent educational evaluation. However, the school
17 district may initiate an impartial due process hearing under
18 this Section within 7 school days of any written parent
19 request for an independent educational evaluation to show that
20 its evaluation is appropriate. If the final decision is that
21 the evaluation is appropriate, the parent still has a right to
22 an independent educational evaluation, but not at public
23 expense. An independent educational evaluation at public
24 expense must be completed within 60 school days of a parent's
25 written request unless the school district initiates an
26 impartial due process hearing or the parent or school district

1 offers reasonable grounds to show that such time period should
2 be extended. If the due process hearing decision indicates
3 that the parent is entitled to an independent educational
4 evaluation, it must be completed within 60 school days of the
5 decision unless the parent or the school district offers
6 reasonable grounds to show that such period should be
7 extended. If a parent disagrees with the summary report or
8 recommendations of the multidisciplinary conference or the
9 findings of any educational evaluation which results
10 therefrom, the school district shall not proceed with a
11 placement based upon such evaluation and the child shall
12 remain in his or her regular classroom setting. No child shall
13 be eligible for admission to a special class for children with
14 a mental disability who are educable or for children with a
15 mental disability who are trainable except with a
16 psychological evaluation and recommendation by a school
17 psychologist. Consent shall be obtained from the parent of a
18 child before any evaluation is conducted. If consent is not
19 given by the parent or if the parent disagrees with the
20 findings of the evaluation, then the school district may
21 initiate an impartial due process hearing under this Section.
22 The school district may evaluate the child if that is the
23 decision resulting from the impartial due process hearing and
24 the decision is not appealed or if the decision is affirmed on
25 appeal. The determination of eligibility shall be made and the
26 IEP meeting shall be completed within 60 school days from the

1 date of written parental consent. In those instances when
2 written parental consent is obtained with fewer than 60 pupil
3 attendance days left in the school year, the eligibility
4 determination shall be made and the IEP meeting shall be
5 completed prior to the first day of the following school year.
6 Special education and related services must be provided in
7 accordance with the student's IEP no later than 10 school
8 attendance days after notice is provided to the parents
9 pursuant to Section 300.503 of Title 34 of the Code of Federal
10 Regulations and implementing rules adopted by the State Board
11 of Education. The appropriate program pursuant to the
12 individualized educational program of students whose native
13 tongue is a language other than English shall reflect the
14 special education, cultural and linguistic needs. No later
15 than September 1, 1993, the State Board of Education shall
16 establish standards for the development, implementation and
17 monitoring of appropriate bilingual special individualized
18 educational programs. The State Board of Education shall
19 further incorporate appropriate monitoring procedures to
20 verify implementation of these standards. The district shall
21 indicate to the parent, the State Board of Education, and, if
22 applicable, the Department's Office of Education and
23 Transition Services the nature of the services the child will
24 receive for the regular school term while awaiting placement
25 in the appropriate special education class. At the child's
26 initial IEP meeting and at each annual review meeting, the

1 child's IEP team shall provide the child's parent or guardian
2 and, if applicable, the Department's Office of Education and
3 Transition Services with a written notification that informs
4 the parent or guardian or the Department's Office of Education
5 and Transition Services that the IEP team is required to
6 consider whether the child requires assistive technology in
7 order to receive free, appropriate public education. The
8 notification must also include a toll-free telephone number
9 and internet address for the State's assistive technology
10 program.

11 If the child is deaf, hard of hearing, blind, or visually
12 impaired or has an orthopedic impairment or physical
13 disability and he or she might be eligible to receive services
14 from the Illinois School for the Deaf, the Illinois School for
15 the Visually Impaired, the Illinois Center for Rehabilitation
16 and Education-Wood, or the Illinois Center for Rehabilitation
17 and Education-Roosevelt, the school district shall notify the
18 parents, in writing, of the existence of these schools and the
19 services they provide and shall make a reasonable effort to
20 inform the parents of the existence of other, local schools
21 that provide similar services and the services that these
22 other schools provide. This notification shall include,
23 without limitation, information on school services, school
24 admissions criteria, and school contact information.

25 In the development of the individualized education program
26 for a student who has a disability on the autism spectrum

1 (which includes autistic disorder, Asperger's disorder,
2 pervasive developmental disorder not otherwise specified,
3 childhood disintegrative disorder, and Rett Syndrome, as
4 defined in the Diagnostic and Statistical Manual of Mental
5 Disorders, fourth edition (DSM-IV, 2000)), the IEP team shall
6 consider all of the following factors:

7 (1) The verbal and nonverbal communication needs of
8 the child.

9 (2) The need to develop social interaction skills and
10 proficiencies.

11 (3) The needs resulting from the child's unusual
12 responses to sensory experiences.

13 (4) The needs resulting from resistance to
14 environmental change or change in daily routines.

15 (5) The needs resulting from engagement in repetitive
16 activities and stereotyped movements.

17 (6) The need for any positive behavioral
18 interventions, strategies, and supports to address any
19 behavioral difficulties resulting from autism spectrum
20 disorder.

21 (7) Other needs resulting from the child's disability
22 that impact progress in the general curriculum, including
23 social and emotional development.

24 Public Act 95-257 does not create any new entitlement to a
25 service, program, or benefit, but must not affect any
26 entitlement to a service, program, or benefit created by any

1 other law.

2 If the student may be eligible to participate in the
3 Home-Based Support Services Program for Adults with Mental
4 Disabilities authorized under the Developmental Disability and
5 Mental Disability Services Act upon becoming an adult, the
6 student's individualized education program shall include plans
7 for (i) determining the student's eligibility for those
8 home-based services, (ii) enrolling the student in the program
9 of home-based services, and (iii) developing a plan for the
10 student's most effective use of the home-based services after
11 the student becomes an adult and no longer receives special
12 educational services under this Article. The plans developed
13 under this paragraph shall include specific actions to be
14 taken by specified individuals, agencies, or officials.

15 (c) In the development of the individualized education
16 program for a student who is functionally blind, it shall be
17 presumed that proficiency in Braille reading and writing is
18 essential for the student's satisfactory educational progress.
19 For purposes of this subsection, the State Board of Education
20 shall determine the criteria for a student to be classified as
21 functionally blind. Students who are not currently identified
22 as functionally blind who are also entitled to Braille
23 instruction include: (i) those whose vision loss is so severe
24 that they are unable to read and write at a level comparable to
25 their peers solely through the use of vision, and (ii) those
26 who show evidence of progressive vision loss that may result

1 in functional blindness. Each student who is functionally
2 blind shall be entitled to Braille reading and writing
3 instruction that is sufficient to enable the student to
4 communicate with the same level of proficiency as other
5 students of comparable ability. Instruction should be provided
6 to the extent that the student is physically and cognitively
7 able to use Braille. Braille instruction may be used in
8 combination with other special education services appropriate
9 to the student's educational needs. The assessment of each
10 student who is functionally blind for the purpose of
11 developing the student's individualized education program
12 shall include documentation of the student's strengths and
13 weaknesses in Braille skills. Each person assisting in the
14 development of the individualized education program for a
15 student who is functionally blind shall receive information
16 describing the benefits of Braille instruction. The
17 individualized education program for each student who is
18 functionally blind shall specify the appropriate learning
19 medium or media based on the assessment report.

20 (d) To the maximum extent appropriate, the placement shall
21 provide the child with the opportunity to be educated with
22 children who do not have a disability; provided that children
23 with disabilities who are recommended to be placed into
24 regular education classrooms are provided with supplementary
25 services to assist the children with disabilities to benefit
26 from the regular classroom instruction and are included on the

1 teacher's regular education class register. Subject to the
2 limitation of the preceding sentence, placement in special
3 classes, separate schools or other removal of the child with a
4 disability from the regular educational environment shall
5 occur only when the nature of the severity of the disability is
6 such that education in the regular classes with the use of
7 supplementary aids and services cannot be achieved
8 satisfactorily. The placement of English learners with
9 disabilities shall be in non-restrictive environments which
10 provide for integration with peers who do not have
11 disabilities in bilingual classrooms. Annually, each January,
12 school districts shall report data on students from
13 non-English speaking backgrounds receiving special education
14 and related services in public and private facilities as
15 prescribed in Section 2-3.30. If there is a disagreement
16 between parties involved regarding the special education
17 placement of any child, either in-state or out-of-state, the
18 placement is subject to impartial due process procedures
19 described in Article 10 of the Rules and Regulations to Govern
20 the Administration and Operation of Special Education.

21 (e) No child who comes from a home in which a language
22 other than English is the principal language used may be
23 assigned to any class or program under this Article until he
24 has been given, in the principal language used by the child and
25 used in his home, tests reasonably related to his cultural
26 environment. All testing and evaluation materials and

1 procedures utilized for evaluation and placement shall not be
2 linguistically, racially or culturally discriminatory.

3 (f) Nothing in this Article shall be construed to require
4 any child to undergo any physical examination or medical
5 treatment whose parents object thereto on the grounds that
6 such examination or treatment conflicts with his religious
7 beliefs.

8 (g) School boards or their designee shall provide to the
9 parents of a child or, if applicable, the Department of
10 Children and Family Services' Office of Education and
11 Transition Services prior written notice of any decision (a)
12 proposing to initiate or change, or (b) refusing to initiate
13 or change, the identification, evaluation, or educational
14 placement of the child or the provision of a free appropriate
15 public education to their child, and the reasons therefor. For
16 a parent, such written notification shall also inform the
17 parent of the opportunity to present complaints with respect
18 to any matter relating to the educational placement of the
19 student, or the provision of a free appropriate public
20 education and to have an impartial due process hearing on the
21 complaint. The notice shall inform the parents in the parents'
22 native language, unless it is clearly not feasible to do so, of
23 their rights and all procedures available pursuant to this Act
24 and the federal Individuals with Disabilities Education
25 Improvement Act of 2004 (Public Law 108-446); it shall be the
26 responsibility of the State Superintendent to develop uniform

1 notices setting forth the procedures available under this Act
2 and the federal Individuals with Disabilities Education
3 Improvement Act of 2004 (Public Law 108-446) to be used by all
4 school boards. The notice shall also inform the parents of the
5 availability upon request of a list of free or low-cost legal
6 and other relevant services available locally to assist
7 parents in initiating an impartial due process hearing. The
8 State Superintendent shall revise the uniform notices required
9 by this subsection (g) to reflect current law and procedures
10 at least once every 2 years. Any parent who is deaf or does not
11 normally communicate using spoken English and who participates
12 in a meeting with a representative of a local educational
13 agency for the purposes of developing an individualized
14 educational program or attends a multidisciplinary conference
15 shall be entitled to the services of an interpreter. The State
16 Board of Education must adopt rules to establish the criteria,
17 standards, and competencies for a bilingual language
18 interpreter who attends an individualized education program
19 meeting under this subsection to assist a parent who has
20 limited English proficiency.

21 (g-5) For purposes of this subsection (g-5), "qualified
22 professional" means an individual who holds credentials to
23 evaluate the child in the domain or domains for which an
24 evaluation is sought or an intern working under the direct
25 supervision of a qualified professional, including a master's
26 or doctoral degree candidate.

1 To ensure that a parent can participate fully and
2 effectively with school personnel in the development of
3 appropriate educational and related services for his or her
4 child, the parent, an independent educational evaluator, or a
5 qualified professional retained by or on behalf of a parent or
6 child must be afforded reasonable access to educational
7 facilities, personnel, classrooms, and buildings and to the
8 child as provided in this subsection (g-5). The requirements
9 of this subsection (g-5) apply to any public school facility,
10 building, or program and to any facility, building, or program
11 supported in whole or in part by public funds. Prior to
12 visiting a school, school building, or school facility, the
13 parent, independent educational evaluator, or qualified
14 professional may be required by the school district to inform
15 the building principal or supervisor in writing of the
16 proposed visit, the purpose of the visit, and the approximate
17 duration of the visit. The visitor and the school district
18 shall arrange the visit or visits at times that are mutually
19 agreeable. Visitors shall comply with school safety, security,
20 and visitation policies at all times. School district
21 visitation policies must not conflict with this subsection
22 (g-5). Visitors shall be required to comply with the
23 requirements of applicable privacy laws, including those laws
24 protecting the confidentiality of education records such as
25 the federal Family Educational Rights and Privacy Act and the
26 Illinois School Student Records Act. The visitor shall not

1 disrupt the educational process.

2 (1) A parent must be afforded reasonable access of
3 sufficient duration and scope for the purpose of observing
4 his or her child in the child's current educational
5 placement, services, or program or for the purpose of
6 visiting an educational placement or program proposed for
7 the child.

8 (2) An independent educational evaluator or a
9 qualified professional retained by or on behalf of a
10 parent or child must be afforded reasonable access of
11 sufficient duration and scope for the purpose of
12 conducting an evaluation of the child, the child's
13 performance, the child's current educational program,
14 placement, services, or environment, or any educational
15 program, placement, services, or environment proposed for
16 the child, including interviews of educational personnel,
17 child observations, assessments, tests or assessments of
18 the child's educational program, services, or placement or
19 of any proposed educational program, services, or
20 placement. If one or more interviews of school personnel
21 are part of the evaluation, the interviews must be
22 conducted at a mutually agreed-upon time, date, and place
23 that do not interfere with the school employee's school
24 duties. The school district may limit interviews to
25 personnel having information relevant to the child's
26 current educational services, program, or placement or to

1 a proposed educational service, program, or placement.

2 (h) In the development of the individualized education
3 program or federal Section 504 plan for a student, if the
4 student needs extra accommodation during emergencies,
5 including natural disasters or an active shooter situation,
6 then that accommodation shall be taken into account when
7 developing the student's individualized education program or
8 federal Section 504 plan.

12 Sec. 18-8.15. Evidence-Based Funding for student success
13 for the 2017-2018 and subsequent school years.

14 (a) General provisions.

15 (1) The purpose of this Section is to ensure that, by
16 June 30, 2027 and beyond, this State has a kindergarten
17 through grade 12 public education system with the capacity
18 to ensure the educational development of all persons to
19 the limits of their capacities in accordance with Section
20 1 of Article X of the Constitution of the State of
21 Illinois. To accomplish that objective, this Section
22 creates a method of funding public education that is
23 evidence-based; is sufficient to ensure every student
24 receives a meaningful opportunity to learn irrespective of
25 race, ethnicity, sexual orientation, gender, or

1 community-income level; and is sustainable and
2 predictable. When fully funded under this Section, every
3 school shall have the resources, based on what the
4 evidence indicates is needed, to:

5 (A) provide all students with a high quality
6 education that offers the academic, enrichment, social
7 and emotional support, technical, and career-focused
8 programs that will allow them to become competitive
9 workers, responsible parents, productive citizens of
10 this State, and active members of our national
11 democracy;

12 (B) ensure all students receive the education they
13 need to graduate from high school with the skills
14 required to pursue post-secondary education and
15 training for a rewarding career;

16 (C) reduce, with a goal of eliminating, the
17 achievement gap between at-risk and non-at-risk
18 students by raising the performance of at-risk
19 students and not by reducing standards; and

20 (D) ensure this State satisfies its obligation to
21 assume the primary responsibility to fund public
22 education and simultaneously relieve the
23 disproportionate burden placed on local property taxes
24 to fund schools.

25 (2) The Evidence-Based Funding formula under this
26 Section shall be applied to all Organizational Units in

1 this State. The Evidence-Based Funding formula outlined in
2 this Act is based on the formula outlined in Senate Bill 1
3 of the 100th General Assembly, as passed by both
4 legislative chambers. As further defined and described in
5 this Section, there are 4 major components of the
6 Evidence-Based Funding model:

7 (A) First, the model calculates a unique Adequacy
8 Target for each Organizational Unit in this State that
9 considers the costs to implement research-based
10 activities, the unit's student demographics, and
11 regional wage differences.

12 (B) Second, the model calculates each
13 Organizational Unit's Local Capacity, or the amount
14 each Organizational Unit is assumed to contribute
15 toward its Adequacy Target from local resources.

16 (C) Third, the model calculates how much funding
17 the State currently contributes to the Organizational
18 Unit and adds that to the unit's Local Capacity to
19 determine the unit's overall current adequacy of
20 funding.

21 (D) Finally, the model's distribution method
22 allocates new State funding to those Organizational
23 Units that are least well-funded, considering both
24 Local Capacity and State funding, in relation to their
25 Adequacy Target.

26 (3) An Organizational Unit receiving any funding under

1 this Section may apply those funds to any fund so received
2 for which that Organizational Unit is authorized to make
3 expenditures by law.

4 (4) As used in this Section, the following terms shall
5 have the meanings ascribed in this paragraph (4):

6 "Adequacy Target" is defined in paragraph (1) of
7 subsection (b) of this Section.

8 "Adjusted EAV" is defined in paragraph (4) of
9 subsection (d) of this Section.

10 "Adjusted Local Capacity Target" is defined in
11 paragraph (3) of subsection (c) of this Section.

12 "Adjusted Operating Tax Rate" means a tax rate for all
13 Organizational Units, for which the State Superintendent
14 shall calculate and subtract for the Operating Tax Rate a
15 transportation rate based on total expenses for
16 transportation services under this Code, as reported on
17 the most recent Annual Financial Report in Pupil
18 Transportation Services, function 2550 in both the
19 Education and Transportation funds and functions 4110 and
20 4120 in the Transportation fund, less any corresponding
21 fiscal year State of Illinois scheduled payments excluding
22 net adjustments for prior years for regular, vocational,
23 or special education transportation reimbursement pursuant
24 to Section 29-5 or subsection (b) of Section 14-13.01 of
25 this Code divided by the Adjusted EAV. If an
26 Organizational Unit's corresponding fiscal year State of

1 Illinois scheduled payments excluding net adjustments for
2 prior years for regular, vocational, or special education
3 transportation reimbursement pursuant to Section 29-5 or
4 subsection (b) of Section 14-13.01 of this Code exceed the
5 total transportation expenses, as defined in this
6 paragraph, no transportation rate shall be subtracted from
7 the Operating Tax Rate.

8 "Allocation Rate" is defined in paragraph (3) of
9 subsection (g) of this Section.

10 "Alternative School" means a public school that is
11 created and operated by a regional superintendent of
12 schools and approved by the State Board.

13 "Applicable Tax Rate" is defined in paragraph (1) of
14 subsection (d) of this Section.

15 "Assessment" means any of those benchmark, progress
16 monitoring, formative, diagnostic, and other assessments,
17 in addition to the State accountability assessment, that
18 assist teachers' needs in understanding the skills and
19 meeting the needs of the students they serve.

20 "Assistant principal" means a school administrator
21 duly endorsed to be employed as an assistant principal in
22 this State.

23 "At-risk student" means a student who is at risk of
24 not meeting the Illinois Learning Standards or not
25 graduating from elementary or high school and who
26 demonstrates a need for vocational support or social

1 services beyond that provided by the regular school
2 program. All students included in an Organizational Unit's
3 Low-Income Count, as well as all English learner and
4 disabled students attending the Organizational Unit, shall
5 be considered at-risk students under this Section.

6 "Average Student Enrollment" or "ASE" for fiscal year
7 2018 means, for an Organizational Unit, the greater of the
8 average number of students (grades K through 12) reported
9 to the State Board as enrolled in the Organizational Unit
10 on October 1 in the immediately preceding school year,
11 plus the pre-kindergarten students who receive special
12 education services of 2 or more hours a day as reported to
13 the State Board on December 1 in the immediately preceding
14 school year, or the average number of students (grades K
15 through 12) reported to the State Board as enrolled in the
16 Organizational Unit on October 1, plus the
17 pre-kindergarten students who receive special education
18 services of 2 or more hours a day as reported to the State
19 Board on December 1, for each of the immediately preceding
20 3 school years. For fiscal year 2019 and each subsequent
21 fiscal year, "Average Student Enrollment" or "ASE" means,
22 for an Organizational Unit, the greater of the average
23 number of students (grades K through 12) reported to the
24 State Board as enrolled in the Organizational Unit on
25 October 1 and March 1 in the immediately preceding school
26 year, plus the pre-kindergarten students who receive

1 special education services as reported to the State Board
2 on October 1 and March 1 in the immediately preceding
3 school year, or the average number of students (grades K
4 through 12) reported to the State Board as enrolled in the
5 Organizational Unit on October 1 and March 1, plus the
6 pre-kindergarten students who receive special education
7 services as reported to the State Board on October 1 and
8 March 1, for each of the immediately preceding 3 school
9 years. For the purposes of this definition, "enrolled in
10 the Organizational Unit" means the number of students
11 reported to the State Board who are enrolled in schools
12 within the Organizational Unit that the student attends or
13 would attend if not placed or transferred to another
14 school or program to receive needed services. For the
15 purposes of calculating "ASE", all students, grades K
16 through 12, excluding those attending kindergarten for a
17 half day and students attending an alternative education
18 program operated by a regional office of education or
19 intermediate service center, shall be counted as 1.0. All
20 students attending kindergarten for a half day shall be
21 counted as 0.5, unless in 2017 by June 15 or by March 1 in
22 subsequent years, the school district reports to the State
23 Board of Education the intent to implement full-day
24 kindergarten district-wide for all students, then all
25 students attending kindergarten shall be counted as 1.0.
26 Special education pre-kindergarten students shall be

1 counted as 0.5 each. If the State Board does not collect or
2 has not collected both an October 1 and March 1 enrollment
3 count by grade or a December 1 collection of special
4 education pre-kindergarten students as of August 31, 2017
5 (the effective date of Public Act 100-465), it shall
6 establish such collection for all future years. For any
7 year in which a count by grade level was collected only
8 once, that count shall be used as the single count
9 available for computing a 3-year average ASE. Funding for
10 programs operated by a regional office of education or an
11 intermediate service center must be calculated using the
12 Evidence-Based Funding formula under this Section for the
13 2019-2020 school year and each subsequent school year
14 until separate adequacy formulas are developed and adopted
15 for each type of program. ASE for a program operated by a
16 regional office of education or an intermediate service
17 center must be determined by the March 1 enrollment for
18 the program. For the 2019-2020 school year, the ASE used
19 in the calculation must be the first-year ASE and, in that
20 year only, the assignment of students served by a regional
21 office of education or intermediate service center shall
22 not result in a reduction of the March enrollment for any
23 school district. For the 2020-2021 school year, the ASE
24 must be the greater of the current-year ASE or the 2-year
25 average ASE. Beginning with the 2021-2022 school year, the
26 ASE must be the greater of the current-year ASE or the

1 3-year average ASE. School districts shall submit the data
2 for the ASE calculation to the State Board within 45 days
3 of the dates required in this Section for submission of
4 enrollment data in order for it to be included in the ASE
5 calculation. For fiscal year 2018 only, the ASE
6 calculation shall include only enrollment taken on October
7 1. In recognition of the impact of COVID-19, the
8 definition of "Average Student Enrollment" or "ASE" shall
9 be adjusted for calculations under this Section for fiscal
10 years 2022 through 2024. For fiscal years 2022 through
11 2024, the enrollment used in the calculation of ASE
12 representing the 2020-2021 school year shall be the
13 greater of the enrollment for the 2020-2021 school year or
14 the 2019-2020 school year.

15 "Base Funding Guarantee" is defined in paragraph (10)
16 of subsection (g) of this Section.

17 "Base Funding Minimum" is defined in subsection (e) of
18 this Section.

19 "Base Tax Year" means the property tax levy year used
20 to calculate the Budget Year allocation of primary State
21 aid.

22 "Base Tax Year's Extension" means the product of the
23 equalized assessed valuation utilized by the county clerk
24 in the Base Tax Year multiplied by the limiting rate as
25 calculated by the county clerk and defined in PTELL.

26 "Bilingual Education Allocation" means the amount of

1 an Organizational Unit's final Adequacy Target
2 attributable to bilingual education divided by the
3 Organizational Unit's final Adequacy Target, the product
4 of which shall be multiplied by the amount of new funding
5 received pursuant to this Section. An Organizational
6 Unit's final Adequacy Target attributable to bilingual
7 education shall include all additional investments in
8 English learner students' adequacy elements.

9 "Budget Year" means the school year for which primary
10 State aid is calculated and awarded under this Section.

11 "Central office" means individual administrators and
12 support service personnel charged with managing the
13 instructional programs, business and operations, and
14 security of the Organizational Unit.

15 "Comparable Wage Index" or "CWI" means a regional cost
16 differentiation metric that measures systemic, regional
17 variations in the salaries of college graduates who are
18 not educators. The CWI utilized for this Section shall,
19 for the first 3 years of Evidence-Based Funding
20 implementation, be the CWI initially developed by the
21 National Center for Education Statistics, as most recently
22 updated by Texas A & M University. In the fourth and
23 subsequent years of Evidence-Based Funding implementation,
24 the State Superintendent shall re-determine the CWI using
25 the methodology identified in a comparable wage index
26 study developed by the University of Illinois, with

1 adjustments made no less frequently than once every 5
2 years.

3 "Computer technology and equipment" means computers
4 servers, notebooks, network equipment, copiers, printers,
5 instructional software, security software, curriculum
6 management courseware, and other similar materials and
7 equipment.

8 "Computer technology and equipment investment
9 allocation" means the final Adequacy Target amount of an
10 Organizational Unit assigned to Tier 1 or Tier 2 in the
11 prior school year attributable to the additional \$285.50
12 per student computer technology and equipment investment
13 grant divided by the Organizational Unit's final Adequacy
14 Target, the result of which shall be multiplied by the
15 amount of new funding received pursuant to this Section.
16 An Organizational Unit assigned to a Tier 1 or Tier 2 final
17 Adequacy Target attributable to the received computer
18 technology and equipment investment grant shall include
19 all additional investments in computer technology and
20 equipment adequacy elements.

21 "Core subject" means mathematics; science; reading,
22 English, writing, and language arts; history and social
23 studies; world languages; and subjects taught as Advanced
24 Placement in high schools.

25 "Core teacher" means a regular classroom teacher in
26 elementary schools and teachers of a core subject in

1 middle and high schools.

2 "Core Intervention teacher (tutor)" means a licensed
3 teacher providing one-on-one or small group tutoring to
4 students struggling to meet proficiency in core subjects.

5 "CPPRT" means corporate personal property replacement
6 tax funds paid to an Organizational Unit during the
7 calendar year one year before the calendar year in which a
8 school year begins, pursuant to "An Act in relation to the
9 abolition of ad valorem personal property tax and the
10 replacement of revenues lost thereby, and amending and
11 repealing certain Acts and parts of Acts in connection
12 therewith", certified August 14, 1979, as amended (Public
13 Act 81-1st S.S.-1).

14 "EAV" means equalized assessed valuation as defined in
15 paragraph (2) of subsection (d) of this Section and
16 calculated in accordance with paragraph (3) of subsection
17 (d) of this Section.

18 "ECI" means the Bureau of Labor Statistics' national
19 employment cost index for civilian workers in educational
20 services in elementary and secondary schools on a

21 schools operated by the Department of Juvenile Justice,
22 and charter schools, for the following positions:

23 (A) Teacher for grades K through 8.

24 (B) Teacher for grades 9 through 12.

25 (C) Teacher for grades K through 12.

26 (D) School counselor for grades K through 8.

1 (E) School counselor for grades 9 through 12.

2 (F) School counselor for grades K through 12.

3 (G) Social worker.

4 (H) Psychologist.

5 (I) Librarian.

6 (J) Nurse.

7 (K) Principal.

8 (L) Assistant principal.

9 For the purposes of this paragraph (3), "teacher"
10 includes core teachers, specialist and elective teachers,
11 instructional facilitators, tutors, special education
12 teachers, pupil support staff teachers, English learner
13 teachers, extended day teachers, and summer school
14 teachers. Where specific grade data is not required for
15 the Essential Elements, the average salary for
16 corresponding positions shall apply. For substitute
17 teachers, the average teacher salary for grades K through
18 12 shall apply.

19 For calculating the salaries included within the
20 Essential Elements for positions not included within EIS
21 Data, the following salaries shall be used in the first
22 year of implementation of Evidence-Based Funding:

23 (i) school site staff, \$30,000; and

24 (ii) non-instructional assistant, instructional
25 assistant, library aide, library media tech, or
26 supervisory aide: \$25,000.

1 In the second and subsequent years of implementation
2 of Evidence-Based Funding, the amounts in items (i) and
3 (ii) of this paragraph (3) shall annually increase by the
4 ECI.

5 The salary amounts for the Essential Elements
6 determined pursuant to subparagraphs (A) through (L), (S)
7 and (T), and (V) through (X) of paragraph (2) of
8 subsection (b) of this Section shall be multiplied by a
9 Regionalization Factor.

10 (c) Local Capacity calculation.

11 (1) Each Organizational Unit's Local Capacity
12 represents an amount of funding it is assumed to
13 contribute toward its Adequacy Target for purposes of the
14 Evidence-Based Funding formula calculation. "Local
15 Capacity" means either (i) the Organizational Unit's Local
16 Capacity Target as calculated in accordance with paragraph
17 (2) of this subsection (c) if its Real Receipts are equal
18 to or less than its Local Capacity Target or (ii) the
19 Organizational Unit's Adjusted Local Capacity, as
20 calculated in accordance with paragraph (3) of this
21 subsection (c) if Real Receipts are more than its Local
22 Capacity Target.

23 (2) "Local Capacity Target" means, for an
24 Organizational Unit, that dollar amount that is obtained
25 by multiplying its Adequacy Target by its Local Capacity
26 Ratio.

1 (A) An Organizational Unit's Local Capacity
2 Percentage is the conversion of the Organizational
3 Unit's Local Capacity Ratio, as such ratio is
4 determined in accordance with subparagraph (B) of this
5 paragraph (2), into a cumulative distribution
6 resulting in a percentile ranking to determine each
7 Organizational Unit's relative position to all other
8 Organizational Units in this State. The calculation of
9 Local Capacity Percentage is described in subparagraph
10 (C) of this paragraph (2).

11 (B) An Organizational Unit's Local Capacity Ratio
12 in a given year is the percentage obtained by dividing
13 its Adjusted EAV or PTELL EAV, whichever is less, by
14 its Adequacy Target, with the resulting ratio further
15 adjusted as follows:

16 (i) for Organizational Units serving grades
17 kindergarten through 12 and Hybrid Districts, no
18 further adjustments shall be made;

19 (ii) for Organizational Units serving grades
20 kindergarten through 8, the ratio shall be
21 multiplied by 9/13;

22 (iii) for Organizational Units serving grades
23 9 through 12, the Local Capacity Ratio shall be
24 multiplied by 4/13; and

25 (iv) for an Organizational Unit with a
26 different grade configuration than those specified

1 in items (i) through (iii) of this subparagraph
2 (B), the State Superintendent shall determine a
3 comparable adjustment based on the grades served.

4 (C) The Local Capacity Percentage is equal to the
5 percentile ranking of the district. Local Capacity
6 Percentage converts each Organizational Unit's Local
7 Capacity Ratio to a cumulative distribution resulting
8 in a percentile ranking to determine each
9 Organizational Unit's relative position to all other
10 Organizational Units in this State. The Local Capacity
11 Percentage cumulative distribution resulting in a
12 percentile ranking for each Organizational Unit shall
13 be calculated using the standard normal distribution
14 of the score in relation to the weighted mean and
15 weighted standard deviation and Local Capacity Ratios
16 of all Organizational Units. If the value assigned to
17 any Organizational Unit is in excess of 90%, the value
18 shall be adjusted to 90%. For Laboratory Schools, the
19 Local Capacity Percentage shall be set at 10% in
20 recognition of the absence of EAV and resources from
21 the public university that are allocated to the
22 Laboratory School. For a regional office of education
23 or an intermediate service center operating one or
24 more alternative education programs, the Local
25 Capacity Percentage must be set at 10% in recognition
26 of the absence of EAV and resources from school

1 districts that are allocated to the regional office of
2 education or intermediate service center. The weighted
3 mean for the Local Capacity Percentage shall be
4 determined by multiplying each Organizational Unit's
5 Local Capacity Ratio times the ASE for the unit
6 creating a weighted value, summing the weighted values
7 of all Organizational Units, and dividing by the total
8 ASE of all Organizational Units. The weighted standard
9 deviation shall be determined by taking the square
10 root of the weighted variance of all Organizational
11 Units' Local Capacity Ratio, where the variance is
12 calculated by squaring the difference between each
13 unit's Local Capacity Ratio and the weighted mean,
14 then multiplying the variance for each unit times the
15 ASE for the unit to create a weighted variance for each
16 unit, then summing all units' weighted variance and
17 dividing by the total ASE of all units.

18 (D) For any Organizational Unit, the
19 Organizational Unit's Adjusted Local Capacity Target
20 shall be reduced by either (i) the school board's
21 remaining contribution pursuant to paragraph (ii) of
22 subsection (b-4) of Section 16-158 of the Illinois
23 Pension Code in a given year or (ii) the board of
24 education's remaining contribution pursuant to
25 paragraph (iv) of subsection (b) of Section 17-129 of
26 the Illinois Pension Code absent the employer normal

1 cost portion of the required contribution and amount
2 allowed pursuant to subdivision (3) of Section
3 17-142.1 of the Illinois Pension Code in a given year.
4 In the preceding sentence, item (i) shall be certified
5 to the State Board of Education by the Teachers'
6 Retirement System of the State of Illinois and item
7 (ii) shall be certified to the State Board of
8 Education by the Public School Teachers' Pension and
9 Retirement Fund of the City of Chicago.

10 (3) If an Organizational Unit's Real Receipts are more
11 than its Local Capacity Target, then its Local Capacity
12 shall equal an Adjusted Local Capacity Target as
13 calculated in accordance with this paragraph (3). The
14 Adjusted Local Capacity Target is calculated as the sum of
15 the Organizational Unit's Local Capacity Target and its
16 Real Receipts Adjustment. The Real Receipts Adjustment
17 equals the Organizational Unit's Real Receipts less its
18 Local Capacity Target, with the resulting figure
19 multiplied by the Local Capacity Percentage.

20 As used in this paragraph (3), "Real Percent of
21 Adequacy" means the sum of an Organizational Unit's Real
22 Receipts, CPPRT, and Base Funding Minimum, with the
23 resulting figure divided by the Organizational Unit's
24 Adequacy Target.

25 (d) Calculation of Real Receipts, EAV, and Adjusted EAV
26 for purposes of the Local Capacity calculation.

1 (1) An Organizational Unit's Real Receipts are the
2 product of its Applicable Tax Rate and its Adjusted EAV.
3 An Organizational Unit's Applicable Tax Rate is its
4 Adjusted Operating Tax Rate for property within the
5 Organizational Unit.

6 (2) The State Superintendent shall calculate the
7 equalized assessed valuation, or EAV, of all taxable
8 property of each Organizational Unit as of September 30 of
9 the previous year in accordance with paragraph (3) of this
10 subsection (d). The State Superintendent shall then
11 determine the Adjusted EAV of each Organizational Unit in
12 accordance with paragraph (4) of this subsection (d),
13 which Adjusted EAV figure shall be used for the purposes
14 of calculating Local Capacity.

15 (3) To calculate Real Receipts and EAV, the Department
16 of Revenue shall supply to the State Superintendent the
17 value as equalized or assessed by the Department of
18 Revenue of all taxable property of every Organizational
19 Unit, together with (i) the applicable tax rate used in
20 extending taxes for the funds of the Organizational Unit
21 as of September 30 of the previous year and (ii) the
22 limiting rate for all Organizational Units subject to
23 property tax extension limitations as imposed under PTELL.

24 (A) The Department of Revenue shall add to the
25 equalized assessed value of all taxable property of
26 each Organizational Unit situated entirely or

1 partially within a county that is or was subject to the
2 provisions of Section 15-176 or 15-177 of the Property
3 Tax Code (i) an amount equal to the total amount by
4 which the homestead exemption allowed under Section
5 15-176 or 15-177 of the Property Tax Code for real
6 property situated in that Organizational Unit exceeds
7 the total amount that would have been allowed in that
8 Organizational Unit if the maximum reduction under
9 Section 15-176 was (I) \$4,500 in Cook County or \$3,500
10 in all other counties in tax year 2003 or (II) \$5,000
11 in all counties in tax year 2004 and thereafter and
12 (ii) an amount equal to the aggregate amount for the
13 taxable year of all additional exemptions under
14 Section 15-175 of the Property Tax Code for owners
15 with a household income of \$30,000 or less. The county
16 clerk of any county that is or was subject to the
17 provisions of Section 15-176 or 15-177 of the Property
18 Tax Code shall annually calculate and certify to the
19 Department of Revenue for each Organizational Unit all
20 homestead exemption amounts under Section 15-176 or
21 15-177 of the Property Tax Code and all amounts of
22 additional exemptions under Section 15-175 of the
23 Property Tax Code for owners with a household income
24 of \$30,000 or less. It is the intent of this
25 subparagraph (A) that if the general homestead
26 exemption for a parcel of property is determined under

1 Section 15-176 or 15-177 of the Property Tax Code
2 rather than Section 15-175, then the calculation of
3 EAV shall not be affected by the difference, if any,
4 between the amount of the general homestead exemption
5 allowed for that parcel of property under Section
6 15-176 or 15-177 of the Property Tax Code and the
7 amount that would have been allowed had the general
8 homestead exemption for that parcel of property been
9 determined under Section 15-175 of the Property Tax
10 Code. It is further the intent of this subparagraph
11 (A) that if additional exemptions are allowed under
12 Section 15-175 of the Property Tax Code for owners
13 with a household income of less than \$30,000, then the
14 calculation of EAV shall not be affected by the
15 difference, if any, because of those additional
16 exemptions.

17 (B) With respect to any part of an Organizational
18 Unit within a redevelopment project area in respect to
19 which a municipality has adopted tax increment
20 allocation financing pursuant to the Tax Increment
21 Allocation Redevelopment Act, Division 74.4 of Article
22 11 of the Illinois Municipal Code, or the Industrial
23 Jobs Recovery Law, Division 74.6 of Article 11 of the
24 Illinois Municipal Code, no part of the current EAV of
25 real property located in any such project area that is
26 attributable to an increase above the total initial

1 EAV of such property shall be used as part of the EAV
2 of the Organizational Unit, until such time as all
3 redevelopment project costs have been paid, as
4 provided in Section 11-74.4-8 of the Tax Increment
5 Allocation Redevelopment Act or in Section 11-74.6-35
6 of the Industrial Jobs Recovery Law. For the purpose
7 of the EAV of the Organizational Unit, the total
8 initial EAV or the current EAV, whichever is lower,
9 shall be used until such time as all redevelopment
10 project costs have been paid.

11 (B-5) The real property equalized assessed
12 valuation for a school district shall be adjusted by
13 subtracting from the real property value, as equalized
14 or assessed by the Department of Revenue, for the
15 district an amount computed by dividing the amount of
16 any abatement of taxes under Section 18-170 of the
17 Property Tax Code by 3.00% for a district maintaining
18 grades kindergarten through 12, by 2.30% for a
19 district maintaining grades kindergarten through 8, or
20 by 1.05% for a district maintaining grades 9 through
21 12 and adjusted by an amount computed by dividing the
22 amount of any abatement of taxes under subsection (a)
23 of Section 18-165 of the Property Tax Code by the same
24 percentage rates for district type as specified in
25 this subparagraph (B-5).

26 (C) For Organizational Units that are Hybrid

1 Districts, the State Superintendent shall use the
2 lesser of the adjusted equalized assessed valuation
3 for property within the partial elementary unit
4 district for elementary purposes, as defined in
5 Article 11E of this Code, or the adjusted equalized
6 assessed valuation for property within the partial
7 elementary unit district for high school purposes, as
8 defined in Article 11E of this Code.

9 (D) If a school district's boundaries span
10 multiple counties, then the Department of Revenue
11 shall send to the State Board, for the purposes of
12 calculating Evidence-Based Funding, the limiting rate
13 and individual rates by purpose for the county that
14 contains the majority of the school district's
15 equalized assessed valuation.

16 (4) An Organizational Unit's Adjusted EAV shall be the
17 average of its EAV over the immediately preceding 3 years
18 or the lesser of its EAV in the immediately preceding year
19 or the average of its EAV over the immediately preceding 3
20 years if the EAV in the immediately preceding year has
21 declined by 10% or more when comparing the 2 most recent
22 years. In the event of Organizational Unit reorganization,
23 consolidation, or annexation, the Organizational Unit's
24 Adjusted EAV for the first 3 years after such change shall
25 be as follows: the most current EAV shall be used in the
26 first year, the average of a 2-year EAV or its EAV in the

1 immediately preceding year if the EAV declines by 10% or
2 more when comparing the 2 most recent years for the second
3 year, and the lesser of a 3-year average EAV or its EAV in
4 the immediately preceding year if the Adjusted EAV
5 declines by 10% or more when comparing the 2 most recent
6 years for the third year. For any school district whose
7 EAV in the immediately preceding year is used in
8 calculations, in the following year, the Adjusted EAV
9 shall be the average of its EAV over the immediately
10 preceding 2 years or the immediately preceding year if
11 that year represents a decline of 10% or more when
12 comparing the 2 most recent years.

13 "PTELL EAV" means a figure calculated by the State
14 Board for Organizational Units subject to PTELL as
15 described in this paragraph (4) for the purposes of
16 calculating an Organizational Unit's Local Capacity Ratio.
17 Except as otherwise provided in this paragraph (4), the
18 PTELL EAV of an Organizational Unit shall be equal to the
19 product of the equalized assessed valuation last used in
20 the calculation of general State aid under Section 18-8.05
21 of this Code (now repealed) or Evidence-Based Funding
22 under this Section and the Organizational Unit's Extension
23 Limitation Ratio. If an Organizational Unit has approved
24 or does approve an increase in its limiting rate, pursuant
25 to Section 18-190 of the Property Tax Code, affecting the
26 Base Tax Year, the PTELL EAV shall be equal to the product

1 of the equalized assessed valuation last used in the
2 calculation of general State aid under Section 18-8.05 of
3 this Code (now repealed) or Evidence-Based Funding under
4 this Section multiplied by an amount equal to one plus the
5 percentage increase, if any, in the Consumer Price Index
6 for All Urban Consumers for all items published by the
7 United States Department of Labor for the 12-month
8 calendar year preceding the Base Tax Year, plus the
9 equalized assessed valuation of new property, annexed
10 property, and recovered tax increment value and minus the
11 equalized assessed valuation of disconnected property.

12 As used in this paragraph (4), "new property" and
13 "recovered tax increment value" shall have the meanings
14 set forth in the Property Tax Extension Limitation Law.

15 (e) Base Funding Minimum calculation.

16 (1) For the 2017-2018 school year, the Base Funding
17 Minimum of an Organizational Unit or a Specially Funded
18 Unit shall be the amount of State funds distributed to the
19 Organizational Unit or Specially Funded Unit during the
20 2016-2017 school year prior to any adjustments and
21 specified appropriation amounts described in this
22 paragraph (1) from the following Sections, as calculated
23 by the State Superintendent: Section 18-8.05 of this Code
24 (now repealed); Section 5 of Article 224 of Public Act
25 99-524 (equity grants); Section 14-7.02b of this Code
26 (funding for children requiring special education

1 services); Section 14-13.01 of this Code (special
2 education facilities and staffing), except for
3 reimbursement of the cost of transportation pursuant to
4 Section 14-13.01; Section 14C-12 of this Code (English
5 learners); and Section 18-4.3 of this Code (summer
6 school), based on an appropriation level of \$13,121,600.
7 For a school district organized under Article 34 of this
8 Code, the Base Funding Minimum also includes (i) the funds
9 allocated to the school district pursuant to Section 1D-1
10 of this Code attributable to funding programs authorized
11 by the Sections of this Code listed in the preceding
12 sentence and (ii) the difference between (I) the funds
13 allocated to the school district pursuant to Section 1D-1
14 of this Code attributable to the funding programs
15 authorized by Section 14-7.02 (non-public special
16 education reimbursement), subsection (b) of Section
17 14-13.01 (special education transportation), Section 29-5
18 (transportation), Section 2-3.80 (agricultural
19 education), Section 2-3.66 (truants' alternative
20 education), Section 2-3.62 (educational service centers),
21 and Section 14-7.03 (special education - orphanage) of
22 this Code and Section 15 of the Childhood Hunger Relief
23 Act (free breakfast program) and (II) the school
24 district's actual expenditures for its non-public special
25 education, special education transportation,
26 transportation programs, agricultural education, truants'

1 alternative education, services that would otherwise be
2 performed by a regional office of education, special
3 education orphanage expenditures, and free breakfast, as
4 most recently calculated and reported pursuant to
5 subsection (f) of Section 1D-1 of this Code. The Base
6 Funding Minimum for Glenwood Academy shall be \$952,014.
7 For programs operated by a regional office of education or
8 an intermediate service center, the Base Funding Minimum
9 must be the total amount of State funds allocated to those
10 programs in the 2018-2019 school year and amounts provided
11 pursuant to Article 34 of Public Act 100-586 and Section
12 3-16 of this Code. All programs established after June 5,
13 2019 (the effective date of Public Act 101-10) and
14 administered by a regional office of education or an
15 intermediate service center must have an initial Base
16 Funding Minimum set to an amount equal to the first-year
17 ASE multiplied by the amount of per pupil funding received
18 in the previous school year by the lowest funded similar
19 existing program type. If the enrollment for a program
20 operated by a regional office of education or an
21 intermediate service center is zero, then it may not
22 receive Base Funding Minimum funds for that program in the
23 next fiscal year, and those funds must be distributed to
24 Organizational Units under subsection (g).

25 (2) For the 2018-2019 and subsequent school years, the
26 Base Funding Minimum of Organizational Units and Specially

1 Funded Units shall be the sum of (i) the amount of
2 Evidence-Based Funding for the prior school year, (ii) the
3 Base Funding Minimum for the prior school year, and (iii)
4 any amount received by a school district pursuant to
5 Section 7 of Article 97 of Public Act 100-21.

6 For the 2022-2023 school year, the Base Funding
7 Minimum of Organizational Units shall be the amounts
8 recalculated by the State Board of Education for Fiscal
9 Year 2019 through Fiscal Year 2022 that were necessary due
10 to average student enrollment errors for districts
11 organized under Article 34 of this Code, plus the Fiscal
12 Year 2022 property tax relief grants provided under
13 Section 2-3.170 of this Code, ensuring each Organizational
14 Unit has the correct amount of resources for Fiscal Year
15 2023 Evidence-Based Funding calculations and that Fiscal
16 Year 2023 Evidence-Based Funding Distributions are made in
17 accordance with this Section.

18 (3) Subject to approval by the General Assembly as
19 provided in this paragraph (3), an Organizational Unit
20 that meets all of the following criteria, as determined by
21 the State Board, shall have District Intervention Money
22 added to its Base Funding Minimum at the time the Base
23 Funding Minimum is calculated by the State Board:

24 (A) The Organizational Unit is operating under an
25 Independent Authority under Section 2-3.25f-5 of this
26 Code for a minimum of 4 school years or is subject to

1 the control of the State Board pursuant to a court
2 order for a minimum of 4 school years.

3 (B) The Organizational Unit was designated as a
4 Tier 1 or Tier 2 Organizational Unit in the previous
5 school year under paragraph (3) of subsection (g) of
6 this Section.

7 (C) The Organizational Unit demonstrates
8 sustainability through a 5-year financial and
9 strategic plan.

10 (D) The Organizational Unit has made sufficient
11 progress and achieved sufficient stability in the
12 areas of governance, academic growth, and finances.

13 As part of its determination under this paragraph (3),
14 the State Board may consider the Organizational Unit's
15 summative designation, any accreditations of the
16 Organizational Unit, or the Organizational Unit's
17 financial profile, as calculated by the State Board.

18 If the State Board determines that an Organizational
19 Unit has met the criteria set forth in this paragraph (3),
20 it must submit a report to the General Assembly, no later
21 than January 2 of the fiscal year in which the State Board
22 makes its determination, on the amount of District
23 Intervention Money to add to the Organizational Unit's
24 Base Funding Minimum. The General Assembly must review the
25 State Board's report and may approve or disapprove, by
26 joint resolution, the addition of District Intervention

1 Money. If the General Assembly fails to act on the report
2 within 40 calendar days from the receipt of the report,
3 the addition of District Intervention Money is deemed
4 approved. If the General Assembly approves the amount of
5 District Intervention Money to be added to the
6 Organizational Unit's Base Funding Minimum, the District
7 Intervention Money must be added to the Base Funding
8 Minimum annually thereafter.

9 For the first 4 years following the initial year that
10 the State Board determines that an Organizational Unit has
11 met the criteria set forth in this paragraph (3) and has
12 received funding under this Section, the Organizational
13 Unit must annually submit to the State Board, on or before
14 November 30, a progress report regarding its financial and
15 strategic plan under subparagraph (C) of this paragraph
16 (3). The plan shall include the financial data from the
17 past 4 annual financial reports or financial audits that
18 must be presented to the State Board by November 15 of each
19 year and the approved budget financial data for the
20 current year. The plan shall be developed according to the
21 guidelines presented to the Organizational Unit by the
22 State Board. The plan shall further include financial
23 projections for the next 3 fiscal years and include a
24 discussion and financial summary of the Organizational
25 Unit's facility needs. If the Organizational Unit does not
26 demonstrate sufficient progress toward its 5-year plan or

1 if it has failed to file an annual financial report, an
2 annual budget, a financial plan, a deficit reduction plan,
3 or other financial information as required by law, the
4 State Board may establish a Financial Oversight Panel
5 under Article 1H of this Code. However, if the
6 Organizational Unit already has a Financial Oversight
7 Panel, the State Board may extend the duration of the
8 Panel.

9 (f) Percent of Adequacy and Final Resources calculation.

10 (1) The Evidence-Based Funding formula establishes a
11 Percent of Adequacy for each Organizational Unit in order
12 to place such units into tiers for the purposes of the
13 funding distribution system described in subsection (g) of
14 this Section. Initially, an Organizational Unit's
15 Preliminary Resources and Preliminary Percent of Adequacy
16 are calculated pursuant to paragraph (2) of this
17 subsection (f). Then, an Organizational Unit's Final
18 Resources and Final Percent of Adequacy are calculated to
19 account for the Organizational Unit's poverty
20 concentration levels pursuant to paragraphs (3) and (4) of
21 this subsection (f).

22 (2) An Organizational Unit's Preliminary Resources are
23 equal to the sum of its Local Capacity Target, CPPRT, and
24 Base Funding Minimum. An Organizational Unit's Preliminary
25 Percent of Adequacy is the lesser of (i) its Preliminary
26 Resources divided by its Adequacy Target or (ii) 100%.

1 (3) Except for Specially Funded Units, an
2 Organizational Unit's Final Resources are equal to the sum
3 of its Local Capacity, CPPRT, and Adjusted Base Funding
4 Minimum. The Base Funding Minimum of each Specially Funded
5 Unit shall serve as its Final Resources, except that the
6 Base Funding Minimum for State-approved charter schools
7 shall not include any portion of general State aid
8 allocated in the prior year based on the per capita
9 tuition charge times the charter school enrollment.

10 (4) An Organizational Unit's Final Percent of Adequacy
11 is its Final Resources divided by its Adequacy Target. An
12 Organizational Unit's Adjusted Base Funding Minimum is
13 equal to its Base Funding Minimum less its Supplemental
14 Grant Funding, with the resulting figure added to the
15 product of its Supplemental Grant Funding and Preliminary
16 Percent of Adequacy.

17 (g) Evidence-Based Funding formula distribution system.

18 (1) In each school year under the Evidence-Based
19 Funding formula, each Organizational Unit receives funding
20 equal to the sum of its Base Funding Minimum and the unit's
21 allocation of New State Funds determined pursuant to this
22 subsection (g). To allocate New State Funds, the
23 Evidence-Based Funding formula distribution system first
24 places all Organizational Units into one of 4 tiers in
25 accordance with paragraph (3) of this subsection (g),
26 based on the Organizational Unit's Final Percent of

1 Adequacy. New State Funds are allocated to each of the 4
2 tiers as follows: Tier 1 Aggregate Funding equals 50% of
3 all New State Funds, Tier 2 Aggregate Funding equals 49%
4 of all New State Funds, Tier 3 Aggregate Funding equals
5 0.9% of all New State Funds, and Tier 4 Aggregate Funding
6 equals 0.1% of all New State Funds. Each Organizational
7 Unit within Tier 1 or Tier 2 receives an allocation of New
8 State Funds equal to its tier Funding Gap, as defined in
9 the following sentence, multiplied by the tier's
10 Allocation Rate determined pursuant to paragraph (4) of
11 this subsection (g). For Tier 1, an Organizational Unit's
12 Funding Gap equals the tier's Target Ratio, as specified
13 in paragraph (5) of this subsection (g), multiplied by the
14 Organizational Unit's Adequacy Target, with the resulting
15 amount reduced by the Organizational Unit's Final
16 Resources. For Tier 2, an Organizational Unit's Funding
17 Gap equals the tier's Target Ratio, as described in
18 paragraph (5) of this subsection (g), multiplied by the
19 Organizational Unit's Adequacy Target, with the resulting
20 amount reduced by the Organizational Unit's Final
21 Resources and its Tier 1 funding allocation. To determine
22 the Organizational Unit's Funding Gap, the resulting
23 amount is then multiplied by a factor equal to one minus
24 the Organizational Unit's Local Capacity Target
25 percentage. Each Organizational Unit within Tier 3 or Tier
26 4 receives an allocation of New State Funds equal to the

1 product of its Adequacy Target and the tier's Allocation
2 Rate, as specified in paragraph (4) of this subsection
3 (g).

4 (2) To ensure equitable distribution of dollars for
5 all Tier 2 Organizational Units, no Tier 2 Organizational
6 Unit shall receive fewer dollars per ASE than any Tier 3
7 Organizational Unit. Each Tier 2 and Tier 3 Organizational
8 Unit shall have its funding allocation divided by its ASE.
9 Any Tier 2 Organizational Unit with a funding allocation
10 per ASE below the greatest Tier 3 allocation per ASE shall
11 get a funding allocation equal to the greatest Tier 3
12 funding allocation per ASE multiplied by the
13 Organizational Unit's ASE. Each Tier 2 Organizational
14 Unit's Tier 2 funding allocation shall be multiplied by
15 the percentage calculated by dividing the original Tier 2
16 Aggregate Funding by the sum of all Tier 2 Organizational
17 Units' Tier 2 funding allocation after adjusting
18 districts' funding below Tier 3 levels.

19 (3) Organizational Units are placed into one of 4
20 tiers as follows:

21 (A) Tier 1 consists of all Organizational Units,
22 except for Specially Funded Units, with a Percent of
23 Adequacy less than the Tier 1 Target Ratio. The Tier 1
24 Target Ratio is the ratio level that allows for Tier 1
25 Aggregate Funding to be distributed, with the Tier 1
26 Allocation Rate determined pursuant to paragraph (4)

1 of this subsection (g).

2 (B) Tier 2 consists of all Tier 1 Units and all
3 other Organizational Units, except for Specially
4 Funded Units, with a Percent of Adequacy of less than
5 0.90.

6 (C) Tier 3 consists of all Organizational Units,
7 except for Specially Funded Units, with a Percent of
8 Adequacy of at least 0.90 and less than 1.0.

9 (D) Tier 4 consists of all Organizational Units
10 with a Percent of Adequacy of at least 1.0.

11 (4) The Allocation Rates for Tiers 1 through 4 are
12 determined as follows:

13 (A) The Tier 1 Allocation Rate is 30%.

14 (B) The Tier 2 Allocation Rate is the result of the
15 following equation: Tier 2 Aggregate Funding, divided
16 by the sum of the Funding Gaps for all Tier 2
17 Organizational Units, unless the result of such
18 equation is higher than 1.0. If the result of such
19 equation is higher than 1.0, then the Tier 2
20 Allocation Rate is 1.0.

21 (C) The Tier 3 Allocation Rate is the result of the
22 following equation: Tier 3 Aggregate Funding, divided
23 by the sum of the Adequacy Targets of all Tier 3
24 Organizational Units.

25 (D) The Tier 4 Allocation Rate is the result of the
26 following equation: Tier 4 Aggregate Funding, divided

1 by the sum of the Adequacy Targets of all Tier 4
2 Organizational Units.

3 (5) A tier's Target Ratio is determined as follows:

4 (A) The Tier 1 Target Ratio is the ratio level that
5 allows for Tier 1 Aggregate Funding to be distributed
6 with the Tier 1 Allocation Rate.

7 (B) The Tier 2 Target Ratio is 0.90.

8 (C) The Tier 3 Target Ratio is 1.0.

9 (6) If, at any point, the Tier 1 Target Ratio is
10 greater than 90%, then all Tier 1 funding shall be
11 allocated to Tier 2 and no Tier 1 Organizational Unit's
12 funding may be identified.

13 (7) In the event that all Tier 2 Organizational Units
14 receive funding at the Tier 2 Target Ratio level, any
15 remaining New State Funds shall be allocated to Tier 3 and
16 Tier 4 Organizational Units.

17 (8) If any Specially Funded Units, excluding Glenwood
18 Academy, recognized by the State Board do not qualify for
19 direct funding following the implementation of Public Act
20 100-465 from any of the funding sources included within
21 the definition of Base Funding Minimum, the unqualified
22 portion of the Base Funding Minimum shall be transferred
23 to one or more appropriate Organizational Units as
24 determined by the State Superintendent based on the prior
25 year ASE of the Organizational Units.

26 (8.5) If a school district withdraws from a special

1 education cooperative, the portion of the Base Funding
2 Minimum that is attributable to the school district may be
3 redistributed to the school district upon withdrawal. The
4 school district and the cooperative must include the
5 amount of the Base Funding Minimum that is to be
6 reapportioned in their withdrawal agreement and notify the
7 State Board of the change with a copy of the agreement upon
8 withdrawal.

9 (9) The Minimum Funding Level is intended to establish
10 a target for State funding that will keep pace with
11 inflation and continue to advance equity through the
12 Evidence-Based Funding formula. The target for State
13 funding of New Property Tax Relief Pool Funds is
14 \$50,000,000 for State fiscal year 2019 and subsequent
15 State fiscal years. The Minimum Funding Level is equal to
16 \$350,000,000. In addition to any New State Funds, no more
17 than \$50,000,000 New Property Tax Relief Pool Funds may be
18 counted toward the Minimum Funding Level. If the sum of
19 New State Funds and applicable New Property Tax Relief
20 Pool Funds are less than the Minimum Funding Level, than
21 funding for tiers shall be reduced in the following
22 manner:

23 (A) First, Tier 4 funding shall be reduced by an
24 amount equal to the difference between the Minimum
25 Funding Level and New State Funds until such time as
26 Tier 4 funding is exhausted.

1 (B) Next, Tier 3 funding shall be reduced by an
2 amount equal to the difference between the Minimum
3 Funding Level and New State Funds and the reduction in
4 Tier 4 funding until such time as Tier 3 funding is
5 exhausted.

6 (C) Next, Tier 2 funding shall be reduced by an
7 amount equal to the difference between the Minimum
8 Funding Level and New State Funds and the reduction in
9 Tier 4 and Tier 3.

10 (D) Finally, Tier 1 funding shall be reduced by an
11 amount equal to the difference between the Minimum
12 Funding level and New State Funds and the reduction in
13 Tier 2, 3, and 4 funding. In addition, the Allocation
14 Rate for Tier 1 shall be reduced to a percentage equal
15 to the Tier 1 Allocation Rate set by paragraph (4) of
16 this subsection (g), multiplied by the result of New
17 State Funds divided by the Minimum Funding Level.

18 (9.5) For State fiscal year 2019 and subsequent State
19 fiscal years, except State fiscal year 2026, if New State
20 Funds exceed \$300,000,000, then any amount in excess of
21 \$300,000,000 shall be dedicated for purposes of Section
22 2-3.170 of this Code up to a maximum of \$50,000,000.

23 (10) In the event of a decrease in the amount of the
24 appropriation for this Section in any fiscal year after
25 implementation of this Section, the Organizational Units
26 receiving Tier 1 and Tier 2 funding, as determined under

1 paragraph (3) of this subsection (g), shall be held
2 harmless by establishing a Base Funding Guarantee equal to
3 the per pupil kindergarten through grade 12 funding
4 received in accordance with this Section in the prior
5 fiscal year. Reductions shall be made to the Base Funding
6 Minimum of Organizational Units in Tier 3 and Tier 4 on a
7 per pupil basis equivalent to the total number of the ASE
8 in Tier 3-funded and Tier 4-funded Organizational Units
9 divided by the total reduction in State funding. The Base
10 Funding Minimum as reduced shall continue to be applied to
11 Tier 3 and Tier 4 Organizational Units and adjusted by the
12 relative formula when increases in appropriations for this
13 Section resume. In no event may State funding reductions
14 to Organizational Units in Tier 3 or Tier 4 exceed an
15 amount that would be less than the Base Funding Minimum
16 established in the first year of implementation of this
17 Section. If additional reductions are required, all school
18 districts shall receive a reduction by a per pupil amount
19 equal to the aggregate additional appropriation reduction
20 divided by the total ASE of all Organizational Units.

21 (11) The State Superintendent shall make minor
22 adjustments to the distribution formula set forth in this
23 subsection (g) to account for the rounding of percentages
24 to the nearest tenth of a percentage and dollar amounts to
25 the nearest whole dollar.

26 (h) State Superintendent administration of funding and

1 district submission requirements.

2 (1) The State Superintendent shall, in accordance with
3 appropriations made by the General Assembly, meet the
4 funding obligations created under this Section.

5 (2) The State Superintendent shall calculate the
6 Adequacy Target for each Organizational Unit under this
7 Section. No Evidence-Based Funding shall be distributed
8 within an Organizational Unit without the approval of the
9 unit's school board.

10 (3) Annually, the State Superintendent shall calculate
11 and report to each Organizational Unit the unit's
12 aggregate financial adequacy amount, which shall be the
13 sum of the Adequacy Target for each Organizational Unit.
14 The State Superintendent shall calculate and report
15 separately for each Organizational Unit the unit's total
16 State funds allocated for its students with disabilities.
17 The State Superintendent shall calculate and report
18 separately for each Organizational Unit the amount of
19 funding and applicable FTE calculated for each Essential
20 Element of the unit's Adequacy Target.

21 (4) Annually, the State Superintendent shall calculate
22 and report to each Organizational Unit the amount the unit
23 must expend on special education and bilingual education
24 and computer technology and equipment for Organizational
25 Units assigned to Tier 1 or Tier 2 that received an
26 additional \$285.50 per student computer technology and

1 equipment investment grant to their Adequacy Target
2 pursuant to the unit's Base Funding Minimum, Special
3 Education Allocation, Bilingual Education Allocation, and
4 computer technology and equipment investment allocation.

5 (5) Moneys distributed under this Section shall be
6 calculated on a school year basis, but paid on a fiscal
7 year basis, with payments beginning in August and
8 extending through June. Unless otherwise provided, the
9 moneys appropriated for each fiscal year shall be
10 distributed in 22 equal payments at least 2 times monthly
11 to each Organizational Unit. If moneys appropriated for
12 any fiscal year are distributed other than monthly, the
13 distribution shall be on the same basis for each
14 Organizational Unit.

15 (6) Any school district that fails, for any given
16 school year, to maintain school as required by law or to
17 maintain a recognized school is not eligible to receive
18 Evidence-Based Funding. In case of non-recognition of one
19 or more attendance centers in a school district otherwise
20 operating recognized schools, the claim of the district
21 shall be reduced in the proportion that the enrollment in
22 the attendance center or centers bears to the enrollment
23 of the school district. "Recognized school" means any
24 public school that meets the standards for recognition by
25 the State Board. A school district or attendance center
26 not having recognition status at the end of a school term

1 is entitled to receive State aid payments due upon a legal
2 claim that was filed while it was recognized.

3 (7) School district claims filed under this Section
4 are subject to Sections 18-9 and 18-12 of this Code,
5 except as otherwise provided in this Section.

6 (8) Each fiscal year, the State Superintendent shall
7 calculate for each Organizational Unit an amount of its
8 Base Funding Minimum and Evidence-Based Funding that shall
9 be deemed attributable to the provision of special
10 educational facilities and services, as defined in Section
11 14-1.08 of this Code, in a manner that ensures compliance
12 with maintenance of State financial support requirements
13 under the federal Individuals with Disabilities Education
14 Act. An Organizational Unit must use such funds only for
15 the provision of special educational facilities and
16 services, as defined in Section 14-1.08 of this Code, and
17 must comply with any expenditure verification procedures
18 adopted by the State Board.

19 (9) All Organizational Units in this State must submit
20 annual spending plans, as part of the budget submission
21 process, no later than October 31 of each year to the State
22 Board. The spending plan shall describe how each
23 Organizational Unit will utilize the Base Funding Minimum
24 and Evidence-Based Funding it receives from this State
25 under this Section with specific identification of the
26 intended utilization of Low-Income, English learner, and

1 special education resources. Additionally, the annual
2 spending plans of each Organizational Unit shall describe
3 how the Organizational Unit expects to achieve student
4 growth and how the Organizational Unit will achieve State
5 education goals, as defined by the State Board, and shall
6 indicate which stakeholder groups the Organizational Unit
7 engaged with to inform its annual spending plans. The
8 State Superintendent may, from time to time, identify
9 additional requisites for Organizational Units to satisfy
10 when compiling the annual spending plans required under
11 this subsection (h). The format and scope of annual
12 spending plans shall be developed by the State
13 Superintendent and the State Board of Education. School
14 districts that serve students under Article 14C of this
15 Code shall continue to submit information as required
16 under Section 14C-12 of this Code. Annual spending plans
17 required under this subsection (h) shall be integrated
18 into annual school district budgets completed pursuant to
19 Section 17-1 or Section 34-43. Organizational Units that
20 do not submit a budget to the State Board shall be provided
21 with a separate planning template developed by the State
22 Board. The State Board shall create an Evidence-Based
23 Funding spending plan tool to make Evidence-Based Funding
24 spending plan data for each Organizational Unit available
25 on the State Board's website no later than December 31,
26 2025, with annual updates thereafter. The tool shall allow

1 for the selection and review of each Organizational Unit's
2 planned use of Evidence-Based Funding.

3 (10) No later than January 1, 2018, the State
4 Superintendent shall develop a 5-year strategic plan for
5 all Organizational Units to help in planning for adequacy
6 funding under this Section. The State Superintendent shall
7 submit the plan to the Governor and the General Assembly,
8 as provided in Section 3.1 of the General Assembly
9 Organization Act. The plan shall include recommendations
10 for:

11 (A) a framework for collaborative, professional,
12 innovative, and 21st century learning environments
13 using the Evidence-Based Funding model;

14 (B) ways to prepare and support this State's
15 educators for successful instructional careers;

16 (C) application and enhancement of the current
17 financial accountability measures, the approved State
18 plan to comply with the federal Every Student Succeeds
19 Act, and the Illinois Balanced Accountability Measures
20 in relation to student growth and elements of the
21 Evidence-Based Funding model; and

22 (D) implementation of an effective school adequacy
23 funding system based on projected and recommended
24 funding levels from the General Assembly.

25 (11) On an annual basis, the State Superintendent must
26 recalibrate all of the following per pupil elements of the

1 Adequacy Target and applied to the formulas, based on the
2 study of average expenses and as reported in the most
3 recent annual financial report:

4 (A) Gifted under subparagraph (M) of paragraph (2)
5 of subsection (b).

6 (B) Instructional materials under subparagraph (O)
7 of paragraph (2) of subsection (b).

8 (C) Assessment under subparagraph (P) of paragraph
9 (2) of subsection (b).

10 (D) Student activities under subparagraph (R) of
11 paragraph (2) of subsection (b).

12 (E) Maintenance and operations under subparagraph
13 (S) of paragraph (2) of subsection (b).

14 (F) Central office under subparagraph (T) of
15 paragraph (2) of subsection (b).

16 (i) Professional Review Panel.

17 (1) A Professional Review Panel is created to study
18 and review topics related to the implementation and effect
19 of Evidence-Based Funding, as assigned by a joint
20 resolution or Public Act of the General Assembly or a
21 motion passed by the State Board of Education. The Panel
22 must provide recommendations to and serve the Governor,
23 the General Assembly, and the State Board. The State
24 Superintendent or his or her designee must serve as a
25 voting member and chairperson of the Panel. The State
26 Superintendent must appoint a vice chairperson from the

1 membership of the Panel. The Panel must advance
2 recommendations based on a three-fifths majority vote of
3 Panel members present and voting. A minority opinion may
4 also accompany any recommendation of the Panel. The Panel
5 shall be appointed by the State Superintendent, except as
6 otherwise provided in paragraph (2) of this subsection (i)
7 and include the following members:

8 (A) Two appointees that represent district
9 superintendents, recommended by a statewide
10 organization that represents district superintendents.

11 (B) Two appointees that represent school boards,
12 recommended by a statewide organization that
13 represents school boards.

14 (C) Two appointees from districts that represent
15 school business officials, recommended by a statewide
16 organization that represents school business
17 officials.

18 (D) Two appointees that represent school
19 principals, recommended by a statewide organization
20 that represents school principals.

21 (E) Two appointees that represent teachers,
22 recommended by a statewide organization that
23 represents teachers.

24 (F) Two appointees that represent teachers,
25 recommended by another statewide organization that
26 represents teachers.

1 (G) Two appointees that represent regional
2 superintendents of schools, recommended by
3 organizations that represent regional superintendents.

4 (H) Two independent experts selected solely by the
5 State Superintendent.

6 (I) Two independent experts recommended by public
7 universities in this State.

8 (J) One member recommended by a statewide
9 organization that represents parents.

10 (K) Two representatives recommended by collective
11 impact organizations that represent major metropolitan
12 areas or geographic areas in Illinois.

13 (L) One member from a statewide organization
14 focused on research-based education policy to support
15 a school system that prepares all students for
16 college, a career, and democratic citizenship.

17 (M) One representative from a school district
18 organized under Article 34 of this Code.

19 The State Superintendent shall ensure that the
20 membership of the Panel includes representatives from
21 school districts and communities reflecting the
22 geographic, socio-economic, racial, and ethnic diversity
23 of this State. The State Superintendent shall additionally
24 ensure that the membership of the Panel includes
25 representatives with expertise in bilingual education and
26 special education. Staff from the State Board shall staff

1 the Panel.

2 (2) In addition to those Panel members appointed by
3 the State Superintendent, 4 members of the General
4 Assembly shall be appointed as follows: one member of the
5 House of Representatives appointed by the Speaker of the
6 House of Representatives, one member of the Senate
7 appointed by the President of the Senate, one member of
8 the House of Representatives appointed by the Minority
9 Leader of the House of Representatives, and one member of
10 the Senate appointed by the Minority Leader of the Senate.
11 There shall be one additional member appointed by the
12 Governor. All members appointed by legislative leaders or
13 the Governor shall be non-voting, ex officio members.

14 (3) The Panel must study topics at the direction of
15 the General Assembly or State Board of Education, as
16 provided under paragraph (1). The Panel may also study the
17 following topics at the direction of the chairperson:

18 (A) The format and scope of annual spending plans
19 referenced in paragraph (9) of subsection (h) of this
20 Section.

21 (B) The Comparable Wage Index under this Section.

22 (C) Maintenance and operations, including capital
23 maintenance and construction costs.

24 (D) "At-risk student" definition.

25 (E) Benefits.

26 (F) Technology.

1 (G) Local Capacity Target.

2 (H) Funding for Alternative Schools, Laboratory
3 Schools, safe schools, and alternative learning
4 opportunities programs.

5 (I) Funding for college and career acceleration
6 strategies.

7 (J) Special education investments.

8 (K) Early childhood investments, in collaboration
9 with the Illinois Early Learning Council.

10 (4) (Blank).

11 (5) Within 5 years after the implementation of this
12 Section, and every 5 years thereafter, the Panel shall
13 complete an evaluative study of the entire Evidence-Based
14 Funding model, including an assessment of whether or not
15 the formula is achieving State goals. The Panel shall
16 report to the State Board, the General Assembly, and the
17 Governor on the findings of the study.

18 (6) (Blank).

19 (7) To ensure that (i) the Adequacy Target calculation
20 under subsection (b) accurately reflects the needs of
21 students living in poverty or attending schools located in
22 areas of high poverty, (ii) racial equity within the
23 Evidence-Based Funding formula is explicitly explored and
24 advanced, and (iii) the funding goals of the formula
25 distribution system established under this Section are
26 sufficient to provide adequate funding for every student

1 and to fully fund every school in this State, the Panel
2 shall review the Essential Elements under paragraph (2) of
3 subsection (b). The Panel shall consider all of the
4 following in its review:

5 (A) The financial ability of school districts to
6 provide instruction in a foreign language to every
7 student and whether an additional Essential Element
8 should be added to the formula to ensure that every
9 student has access to instruction in a foreign
10 language.

11 (B) The adult-to-student ratio for each Essential
12 Element in which a ratio is identified. The Panel
13 shall consider whether the ratio accurately reflects
14 the staffing needed to support students living in
15 poverty or who have traumatic backgrounds.

16 (C) Changes to the Essential Elements that may be
17 required to better promote racial equity and eliminate
18 structural racism within schools.

19 (D) The impact of investing \$350,000,000 in
20 additional funds each year under this Section and an
21 estimate of when the school system will become fully
22 funded under this level of appropriation.

23 (E) Provide an overview of alternative funding
24 structures that would enable the State to become fully
25 funded at an earlier date.

26 (F) The potential to increase efficiency and to

1 find cost savings within the school system to expedite
2 the journey to a fully funded system.

3 (G) The appropriate levels for reenrolling and
4 graduating high-risk high school students who have
5 been previously out of school. These outcomes shall
6 include enrollment, attendance, skill gains, credit
7 gains, graduation or promotion to the next grade
8 level, and the transition to college, training, or
9 employment, with an emphasis on progressively
10 increasing the overall attendance.

11 (H) The evidence-based or research-based practices
12 that are shown to reduce the gaps and disparities
13 experienced by African American students in academic
14 achievement and educational performance, including
15 practices that have been shown to reduce disparities
16 in disciplinary rates, drop-out rates, graduation
17 rates, college matriculation rates, and college
18 completion rates.

19 On or before December 31, 2021, the Panel shall report
20 to the State Board, the General Assembly, and the Governor
21 on the findings of its review. This paragraph (7) is
22 inoperative on and after July 1, 2022.

23 (8) On or before April 1, 2024, the Panel must submit a
24 report to the General Assembly on annual adjustments to
25 Glenwood Academy's base-funding minimum in a similar
26 fashion to school districts under this Section.

1 (9) On or before March 31, 2026, the Professional
2 Review Panel shall make a report to the Governor and the
3 General Assembly assessing the impact of the property tax
4 relief pool grant program under Section 2-3.170, including
5 the number of districts participating in the program by
6 fiscal year since Fiscal Year 2019, the tier assignment
7 for participating school districts, and an analysis of the
8 operating tax rates of participating school districts to
9 determine if the grant program is meeting the legislative
10 intent of reducing property taxes in high-tax areas of the
11 State.

12 (j) References. Beginning July 1, 2017, references in
13 other laws to general State aid funds or calculations under
14 Section 18-8.05 of this Code (now repealed) shall be deemed to
15 be references to evidence-based model formula funds or
16 calculations under this Section.

22 Sec. 21B-20. Types of licenses. The State Board of
23 Education shall implement a system of educator licensure,
24 whereby individuals employed in school districts who are
25 required to be licensed must have one of the following

1 licenses: (i) a professional educator license; (ii) an
2 educator license with stipulations; (iii) a substitute
3 teaching license; or (iv) until June 30, 2028, a short-term
4 substitute teaching license. References in law regarding
5 individuals certified or certificated or required to be
6 certified or certificated under Article 21 of this Code shall
7 also include individuals licensed or required to be licensed
8 under this Article. The first year of all licenses ends on June
9 30 following one full year of the license being issued.

10 The State Board of Education, in consultation with the
11 State Educator Preparation and Licensure Board, may adopt such
12 rules as may be necessary to govern the requirements for
13 licenses and endorsements under this Section.

14 (1) Professional Educator License. Persons who (i)
15 have successfully completed an approved educator
16 preparation program and are recommended for licensure by
17 the Illinois institution offering the educator preparation
18 program, (ii) have successfully completed the required
19 testing under Section 21B-30 of this Code, (iii) have
20 successfully completed coursework on the psychology of,
21 the identification of, and the methods of instruction for
22 the exceptional child, including, without limitation,
23 children with learning disabilities, (iv) have
24 successfully completed coursework in methods of reading
25 and reading in the content area, and (v) have met all other
26 criteria established by rule of the State Board of

1 Education shall be issued a Professional Educator License.
2 Persons seeking a Professional Educator License with a
3 school support personnel endorsement or chief school
4 business official endorsement are exempt from the

13 preparation program through placement in a setting with
14 children from birth through grade 2, and the individual
15 may be paid and receive credit while student teaching. The

17 and be approved by the individual's early childhood
18 teacher preparation program. No institution of higher
19 education shall establish or maintain any policy which
20 requires student teaching for preservice teachers to be
21 unpaid.

22 Individuals can receive subsequent endorsements on the

24 shall require a minimum of 24 semester hours of coursework
25 in the endorsement area and passage of the applicable

23 (iv) Passed a content area test required under
24 Section 21B-30 of this Code.

25 The endorsement is valid for 2 fiscal years in
26 order to complete one full year of serving as a

1 superintendent or assistant superintendent.

2 (D) (Blank).

3 (E) Career and technical educator. A career and
4 technical educator endorsement on an Educator License
5 with Stipulations may be issued to an applicant who
6 has a minimum of 60 semester hours of coursework from a
7 regionally accredited institution of higher education
8 or an accredited trade and technical institution and
9 has a minimum of 2,000 hours of experience outside of
10 education in each area to be taught.

11 The career and technical educator endorsement on
12 an Educator License with Stipulations is valid until
13 June 30 immediately following 5 years of the
14 endorsement being issued and may be renewed.

15 An individual who holds a valid career and
16 technical educator endorsement on an Educator License
17 with Stipulations but does not hold a bachelor's
18 degree may substitute teach in career and technical
19 education classrooms.

20 An individual who holds a valid career and
21 technical educator endorsement on an Educator License

26 (G) Transitional bilingual educator. A

1 transitional bilingual educator endorsement on an
2 Educator License with Stipulations may be issued for

4 with Article 14C of this Code to an applicant who
5 provides satisfactory evidence that he or she meets
6 all of the following requirements:

7 (i) Possesses adequate speaking, reading, and

9 in which transitional bilingual education is
10 offered.

11 (ii) Has the ability to successfully
12 communicate in English.

13 (iii) Either possessed, within 5 years
14 previous to his or her applying for a transitional

19 a foreign country that the State Educator

23 learning in the United States.

24 A transitional bilingual educator endorsement
25 shall be valid for prekindergarten through grade 12,

1 of the endorsement being issued, and shall not be
2 renewed.

3 Persons holding a transitional bilingual educator
4 endorsement shall not be employed to replace any
5 presently employed teacher who otherwise would not be
6 replaced for any reason.

7 (H) Language endorsement. In an effort to
8 alleviate the shortage of teachers speaking a language
9 other than English in the public schools, an
10 individual who holds an Educator License with
11 Stipulations may also apply for a language

5 (iv) (Blank).

6 A language endorsement on an Educator License with
7 Stipulations is valid for prekindergarten through
8 grade 12 for the same validity period as the
9 individual's transitional bilingual educator
10 endorsement on the Educator License with Stipulations
11 and shall not be renewed.

12 (I) Visiting international educator. A visiting
13 international educator endorsement on an Educator
14 License with Stipulations may be issued to an
15 individual who is being recruited by a particular
16 school district that conducts formal recruitment
17 programs outside of the United States to secure the

7 provided that he or she passes the English Language
8 Proficiency Examination or another test of writing
9 skills in English identified by the State Board of
10 Education, in consultation with the State Educator
11 Preparation and Licensure Board.

12 A visiting international educator endorsement on

14 years and shall not be renewed.

15 (J) Paraprofessional educator. A paraprofessional
16 educator endorsement on an Educator License with
17 Stipulations may be issued to an applicant who holds a
18 high school diploma or its recognized equivalent and
19 (i) holds an associate's degree or a minimum of 60
20 semester hours of credit from a regionally accredited
21 institution of higher education; (ii) has passed a
22 paraprofessional competency test under subsection
23 (c-5) of Section 21B-30; or (iii) is at least 18 years

2 paraprofessional educator endorsement pursuant to this
3 subparagraph (J). The paraprofessional educator
4 endorsement is valid until June 30 immediately
5 following 5 years of the endorsement being issued and
6 may be renewed through application and payment of the
7 appropriate fee, as required under Section 21B-40 of
8 this Code. An individual who holds only a
9 paraprofessional educator endorsement is not subject
10 to additional requirements in order to renew the
11 endorsement.

12 (K) Chief school business official. A chief school
13 business official endorsement on an Educator License
14 with Stipulations may be issued to an applicant who
15 qualifies by having a master's degree or higher, 2
16 years of full-time administrative experience in school
17 business management or 2 years of university-approved
18 practical experience, and a minimum of 24 semester
19 hours of graduate credit in a program approved by the
20 State Board of Education for the preparation of school
21 business administrators and by passage of the
22 applicable State tests, including an applicable
23 content area test.

24 The chief school business official endorsement may
25 also be affixed to the Educator License with
26 Stipulations of any holder who qualifies by having a

1 master's degree in business administration, finance,
2 accounting, or public administration and who completes
3 an additional 6 semester hours of internship in school
4 business management from a regionally accredited
5 institution of higher education and passes the
6 applicable State tests, including an applicable
7 content area test. This endorsement shall be required
8 for any individual employed as a chief school business
9 official.

10 The chief school business official endorsement on
11 an Educator License with Stipulations is valid until
12 June 30 immediately following 5 years of the
13 endorsement being issued and may be renewed if the
14 license holder completes renewal requirements as
15 required for individuals who hold a Professional
16 Educator License endorsed for chief school business
17 official under Section 21B-45 of this Code and such
18 rules as may be adopted by the State Board of
19 Education.

20 The State Board of Education shall adopt any rules
21 necessary to implement Public Act 100-288.

22 (L) Provisional in-state educator. A provisional
23 in-state educator endorsement on an Educator License
24 with Stipulations may be issued to a candidate who has
25 completed an Illinois-approved educator preparation
26 program at an Illinois institution of higher education

1 and who has not successfully completed an
2 evidence-based assessment of teacher effectiveness but
3 who meets all of the following requirements:

4 (i) Holds at least a bachelor's degree.

5 (ii) Has completed an approved educator
6 preparation program at an Illinois institution.

7 (iii) Has passed an applicable content area

10 assessment of teacher effectiveness and received a
11 minimum score on that assessment, as established
12 by the State Board of Education in consultation
13 with the State Educator Preparation and Licensure
14 Board.

15 A provisional in-state educator endorsement on an
16 Educator License with Stipulations is valid for one
17 full fiscal year after the date of issuance and may not
18 be renewed.

19 (M) (Blank).

20 (N) Specialized services. A specialized services
21 endorsement on an Educator License with Stipulations
22 may be issued as defined and specified by rule.

23 (O) Provisional career and technical educator. A
24 provisional career and technical educator endorsement
25 on an Educator License with Stipulations may be issued
26 to an applicant who has a minimum of 8,000 hours of

1 work experience in the skill for which the applicant
2 is seeking the endorsement. Each employing school
3 board and regional office of education shall provide
4 verification, in writing, to the State Superintendent
5 of Education at the time the application is submitted
6 that no qualified teacher holding a Professional
7 Educator License or an Educator License with
8 Stipulations with a career and technical educator
9 endorsement is available to teach and that actual
10 circumstances require such issuance.

11 A provisional career and technical educator
12 endorsement on an Educator License with Stipulations
13 is valid until June 30 immediately following 5 years
14 of the endorsement being issued and may be renewed.

15 An individual who holds a provisional career and
16 technical educator endorsement on an Educator License
17 with Stipulations may teach as a substitute teacher in
18 career and technical education classrooms.

19 An individual who holds a provisional career and
20 technical educator endorsement on an Educator License
21 with Stipulations is entitled to all of the rights and
22 privileges granted to a holder of a Professional
23 Educator License.

24 (3) Substitute Teaching License. A Substitute Teaching
25 License may be issued to qualified applicants for
26 substitute teaching in all grades of the public schools,

1 prekindergarten through grade 12. Substitute Teaching
2 Licenses are not eligible for endorsements. Applicants for
3 a Substitute Teaching License must hold a bachelor's
4 degree or higher from a regionally accredited institution
5 of higher education or must be enrolled in an approved
6 educator preparation program in this State and have earned
7 at least 90 credit hours.

8 Substitute Teaching Licenses are valid for 5 years.

9 Substitute Teaching Licenses are valid for substitute
10 teaching in every county of this State. If an individual
11 has had his or her Professional Educator License or
12 Educator License with Stipulations suspended or revoked,
13 then that individual is not eligible to obtain a
14 Substitute Teaching License.

15 A substitute teacher may only teach in the place of a
16 licensed teacher who is under contract with the employing
17 board. If, however, there is no licensed teacher under
18 contract because of an emergency situation, then a
19 district may employ a substitute teacher for no longer
20 than 30 calendar days per each vacant position in the
21 district if the district notifies the appropriate regional
22 office of education within 5 business days after the
23 employment of the substitute teacher in that vacant
24 position. A district may continue to employ that same
25 substitute teacher in that same vacant position for 90
26 calendar days or until the end of the semester, whichever

1 is greater, if, prior to the expiration of the
2 30-calendar-day period then current, the district files a
3 written request with the appropriate regional office of
4 education for a 30-calendar-day extension on the basis
5 that the position remains vacant and the district
6 continues to actively seek qualified candidates and
7 provides documentation that it has provided training
8 specific to the position, including training on meeting
9 the needs of students with disabilities and English
10 learners if applicable. Each extension request shall be
11 granted in writing by the regional office of education. An
12 emergency situation is one in which an unforeseen vacancy
13 has occurred and (i) a teacher is unexpectedly unable to
14 fulfill his or her contractual duties or (ii) teacher
15 capacity needs of the district exceed previous indications
16 or vacancies are unfilled due to a lack of qualified
17 candidates, and the district is actively engaged in
18 advertising to hire a fully licensed teacher for the
19 vacant position.

20 There is no limit on the number of days that a
21 substitute teacher may teach in a single school district,
22 provided that no substitute teacher may teach for longer
23 than 120 days beginning with the 2021-2022 school year
24 through the 2022-2023 school year, otherwise 90 school
25 days for any one licensed teacher under contract in the
26 same school year. A substitute teacher who holds a

1 Professional Educator License or Educator License with
2 Stipulations shall not teach for more than 120 school days
3 for any one licensed teacher under contract in the same
4 school year. The limitations in this paragraph (3) on the
5 number of days a substitute teacher may be employed do not
6 apply to any school district operating under Article 34 of
7 this Code.

8 A school district may not require an individual who
9 holds a valid Professional Educator License or Educator
10 License with Stipulations to seek or hold a Substitute
11 Teaching License to teach as a substitute teacher.

12 (4) Short-Term Substitute Teaching License. Beginning
13 on July 1, 2018 and until June 30, 2028, applicants may
14 apply to the State Board of Education for issuance of a
15 Short-Term Substitute Teaching License. A Short-Term
16 Substitute Teaching License may be issued to a qualified
17 applicant for substitute teaching in all grades of the
18 public schools, prekindergarten through grade 12.
19 Short-Term Substitute Teaching Licenses are not eligible
20 for endorsements. Applicants for a Short-Term Substitute
21 Teaching License must hold an associate's degree or have
22 completed at least 60 credit hours from a regionally
23 accredited institution of higher education.

24 Short-Term Substitute Teaching Licenses are valid for
25 substitute teaching in every county of this State. If an
26 individual has had his or her Professional Educator

1 License or Educator License with Stipulations suspended or
2 revoked, then that individual is not eligible to obtain a
3 Short-Term Substitute Teaching License.

4 The provisions of Sections 10-21.9 and 34-18.5 of this
5 Code apply to short-term substitute teachers.

6 An individual holding a Short-Term Substitute Teaching
7 License may teach no more than 15 consecutive days per
8 licensed teacher who is under contract. For teacher
9 absences lasting 6 or more days per licensed teacher who
10 is under contract, a school district may not hire an
11 individual holding a Short-Term Substitute Teaching
12 License, unless the Governor has declared a disaster due
13 to a public health emergency pursuant to Section 7 of the
14 Illinois Emergency Management Agency Act. An individual
15 holding a Short-Term Substitute Teaching License must
16 complete the training program under Section 10-20.67 or
17 34-18.60 of this Code to be eligible to teach at a public
18 school. Short-Term Substitute Teaching Licenses under this
19 Section are valid for 5 years.

25 Sec. 21B-30. Educator testing.

1 (a) (Blank).

2 (b) The State Board of Education, in consultation with the
3 State Educator Preparation and Licensure Board, shall design
4 and implement a system of examinations, which shall be
5 required prior to the issuance of educator licenses. These
6 examinations and indicators must be based on national and
7 State professional teaching standards, as determined by the
8 State Board of Education, in consultation with the State
9 Educator Preparation and Licensure Board. By July 1, 2027, the
10 State Superintendent of Education shall begin incorporating
11 the following topics into revised examinations for individuals
12 seeking a Professional Educator License endorsed in teaching
13 or administration, excluding a chief school business official
14 endorsement: (i) methods of instruction of the exceptional
15 child; (ii) methods of reading and reading in the content
16 area; and (iii) instructional strategies for English learners.
17 The State Board of Education may adopt such rules as may be
18 necessary to implement and administer this Section.

19 (c) (Blank).

20 (c-5) The State Board must adopt rules to implement a
21 paraprofessional competency test. This test would allow an
22 applicant seeking an Educator License with Stipulations with a
23 paraprofessional educator endorsement to obtain the
24 endorsement if he or she passes the test and meets the other
25 requirements of subparagraph (J) of paragraph (2) of Section
26 21B-20 other than the higher education requirements.

1 (d) All applicants seeking a State license shall be
2 required to pass a test of content area knowledge for each area
3 of endorsement for which there is an applicable test. There
4 shall be no exception to this requirement except for an
5 applicant seeking a school support personnel endorsement who
6 holds an active and valid professional license issued by the
7 Department of Financial and Professional Regulation in the
8 same subject matter as the endorsement sought, as specified by
9 rule by the State Board, or as provided under subparagraph (P)
10 of paragraph (1) of Section 21B-20. However, notwithstanding
11 any other law to the contrary, individuals seeking a
12 short-term approval for school support personnel, as defined
13 in rules, are not required to take the test of content area
14 knowledge prior to the short-term approval being issued.

15 (d-5) The State Board shall consult with any applicable
16 vendors within 90 days after July 28, 2023 (the effective date
17 of Public Act 103-402) to develop a plan to transition the test
18 of content area knowledge in the endorsement area of
19 elementary education, grades one through 6, by July 1, 2026 to
20 a content area test that contains testing elements that cover
21 bilingualism, biliteracy, oral language development,
22 foundational literacy skills, and developmentally appropriate
23 higher-order comprehension and on which a valid and reliable
24 language and literacy subscore can be determined. The State
25 Board shall base its rules concerning the passing subscore on
26 the language and literacy portion of the test on the

1 recommended cut-score determined in the formal
2 standard-setting process. Candidates need not achieve a
3 particular subscore in the area of language and literacy. The
4 State Board shall aggregate and publish the number of
5 candidates in each preparation program who take the test and
6 the number who pass the language and literacy portion.

7 (e) (Blank).

8 (f) Beginning on August 4, 2023 (the effective date of
9 Public Act 103-488) through August 31, 2026, no candidate
10 completing a teacher preparation program in this State or
11 candidate subject to Section 21B-35 of this Code is required
12 to pass a teacher performance assessment. Except as otherwise
13 provided in this Article, beginning on September 1, 2015 until
14 August 4, 2023 (the effective date of Public Act 103-488) and
15 beginning again on September 1, 2029, all candidates
16 completing teacher preparation programs in this State and all
17 candidates subject to Section 21B-35 of this Code are required
18 to pass a teacher performance assessment approved by the State
19 Board of Education, in consultation with the State Educator
20 Preparation and Licensure Board. Any candidate who has
21 successfully completed student teaching or has met one of the
22 student teaching exceptions set forth in rules prior to
23 September 1, 2028 is exempt from this requirement. A candidate
24 may not be required to submit test materials by video
25 submission. Subject to appropriation, an individual who holds
26 a Professional Educator License and is employed for a minimum

1 of one school year by a school district designated as Tier 1
2 under Section 18-8.15 may, after application to the State
3 Board, receive from the State Board a refund for any costs
4 associated with completing the teacher performance assessment
5 under this subsection.

6 Beginning on September 1, 2026 through August 31, 2029,
7 all institutions of higher education offering educator
8 preparation programs in this State shall participate in the
9 pilot program set forth in Section 21B-32 for the teacher
10 performance assessment developed by the State Board of
11 Education.

12 The State Board of Education shall adopt rules for the
13 administration of this subsection.

14 (f-5) The Teacher Performance Assessment Task Force is
15 created to evaluate potential performance-based and objective
16 teacher performance assessment systems for implementation
17 across all educator preparation programs in this State, with
18 the intention of ensuring consistency across programs and
19 supporting a thoughtful and well-rounded licensure system.
20 Members appointed to the Task Force must reflect the racial,
21 ethnic, and geographic diversity of this State. The Task Force
22 shall consist of all of the following members:

24 President of the Senate.

13 others.

14 Subject to appropriation, the Department of Human Services
15 shall reimburse a grantee for any costs associated with
16 facilitating a heroin and opioid overdose prevention
17 instructional program for school districts seeking to provide
18 instruction under this type of program. Each school district
19 that seeks to participate in the program shall have the
20 discretion to determine which grade levels the school district
21 will instruct under the program.

22 The program must use effective, research-proven,
23 interactive teaching methods and technologies, and must
24 provide students, parents, and school staff with scientific,
25 social, and emotional learning content to help them understand
26 the risk of drug use. Such learning content must specifically

21 paragraph (1).

22 (b) Each school district with a high school must require
23 each high school student to comply with this Section and must
24 provide to each high school student and, if applicable, his or
25 her parent or guardian any support or assistance necessary to

2 Beginning with the 2025-2026 school year, each high school
3 must designate at least one member of its staff as a contact
4 for matters related to this Section, annually provide the
5 individual's name and contact information to the State Board
6 of Education and Illinois Student Assistance Commission in a
7 form and manner that these agencies prescribe, and inform high
8 school seniors that this individual is available to answer
9 questions about this Section or to refer them to an
10 appropriate resource, which may include, but is not limited
11 to, the Illinois Student Assistance Commission. The contact
12 shall serve as a designated point of contact for information
13 from the State Board of Education and Illinois Student

25 Sec. 22-105. Health examinations and immunizations.

1 (1) In compliance with rules and regulations which the
2 Department of Public Health shall promulgate, and except as
3 hereinafter provided, all children in Illinois shall have a
4 health examination as follows: within one year prior to
5 entering kindergarten or the first grade of any public,
6 private, or parochial elementary school; upon entering the
7 sixth and ninth grades of any public, private, or parochial
8 school; prior to entrance into any public, private, or
9 parochial nursery school; and, irrespective of grade,
10 immediately prior to or upon entrance into any public,
11 private, or parochial school or nursery school, each child
12 shall present proof of having been examined in accordance with
13 this Section and the rules and regulations promulgated
14 hereunder. Any child who received a health examination within
15 one year prior to entering the fifth grade for the 2007-2008
16 school year is not required to receive an additional health
17 examination in order to comply with the provisions of Public
18 Act 95-422 when he or she attends school for the 2008-2009
19 school year, unless the child is attending school for the
20 first time as provided in this paragraph.

21 A tuberculosis skin test screening shall be included as a
22 required part of each health examination included under this
23 Section if the child resides in an area designated by the
24 Department of Public Health as having a high incidence of
25 tuberculosis. Additional health examinations of pupils,
26 including eye examinations, may be required when deemed

1 necessary by school authorities. Parents are encouraged to
2 have their children undergo eye examinations at the same
3 points in time required for health examinations.

4 (1.5) In compliance with rules adopted by the Department
5 of Public Health and except as otherwise provided in this
6 Section, all children in kindergarten and the second, sixth,
7 and ninth grades of any public, private, or parochial school
8 shall have a dental examination. Each of these children shall
9 present proof of having been examined by a dentist in
10 accordance with this Section and rules adopted under this
11 Section before May 15th of the school year. If a child in the
12 second, sixth, or ninth grade fails to present proof by May
13 15th, the school may hold the child's report card until one of
14 the following occurs: (i) the child presents proof of a
15 completed dental examination or (ii) the child presents proof
16 that a dental examination will take place within 60 days after
17 May 15th. A school may not withhold a child's report card
18 during a school year in which the Governor has declared a
19 disaster due to a public health emergency pursuant to Section
20 7 of the Illinois Emergency Management Agency Act. The
21 Department of Public Health shall establish, by rule, a waiver
22 for children who show an undue burden or a lack of access to a
23 dentist. Each public, private, and parochial school must give
24 notice of this dental examination requirement to the parents
25 and guardians of students at least 60 days before May 15th of
26 each school year.

1 (1.10) Except as otherwise provided in this Section, all
2 children enrolling in kindergarten in a public, private, or
3 parochial school on or after January 1, 2008 (the effective
4 date of Public Act 95-671) and any student enrolling for the
5 first time in a public, private, or parochial school on or
6 after January 1, 2008 (the effective date of Public Act
7 95-671) shall have an eye examination. Each of these children
8 shall present proof of having been examined by a physician
9 licensed to practice medicine in all of its branches or a
10 licensed optometrist within the previous year, in accordance
11 with this Section and rules adopted under this Section, before
12 October 15th of the school year. If the child fails to present
13 proof by October 15th, the school may hold the child's report
14 card until one of the following occurs: (i) the child presents
15 proof of a completed eye examination or (ii) the child
16 presents proof that an eye examination will take place within
17 60 days after October 15th. A school may not withhold a child's
18 report card during a school year in which the Governor has
19 declared a disaster due to a public health emergency pursuant
20 to Section 7 of the Illinois Emergency Management Agency Act.
21 The Department of Public Health shall establish, by rule, a
22 waiver for children who show an undue burden or a lack of
23 access to a physician licensed to practice medicine in all of
24 its branches who provides eye examinations or to a licensed
25 optometrist. Each public, private, and parochial school must
26 give notice of this eye examination requirement to the parents

1 and guardians of students in compliance with rules of the
2 Department of Public Health. Nothing in this Section shall be
3 construed to allow a school to exclude a child from attending
4 because of a parent's or guardian's failure to obtain an eye
5 examination for the child.

6 (2) The Department of Public Health shall promulgate rules
7 and regulations specifying the examinations and procedures
8 that constitute a health examination, which shall include an
9 age-appropriate developmental screening, an age-appropriate
10 social and emotional screening, and the collection of data
11 relating to asthma and obesity (including at a minimum, date
12 of birth, gender, height, weight, blood pressure, and date of
13 exam), and a dental examination and may recommend by rule that
14 certain additional examinations be performed. The rules and
15 regulations of the Department of Public Health shall specify
16 that a tuberculosis skin test screening shall be included as a
17 required part of each health examination included under this
18 Section if the child resides in an area designated by the
19 Department of Public Health as having a high incidence of
20 tuberculosis. With respect to the developmental screening and
21 the social and emotional screening, the Department of Public
22 Health must, no later than January 1, 2019, develop rules and
23 appropriate revisions to the Child Health Examination form in
24 conjunction with a statewide organization representing school
25 boards; a statewide organization representing pediatricians;
26 statewide organizations representing individuals holding

1 Illinois educator licenses with school support personnel
2 endorsements, including school social workers, school
3 psychologists, and school nurses; a statewide organization
4 representing children's mental health experts; a statewide
5 organization representing school principals; the Director of
6 Healthcare and Family Services or his or her designee, the
7 State Superintendent of Education or his or her designee; and
8 representatives of other appropriate State agencies and, at a
9 minimum, must recommend the use of validated screening tools
10 appropriate to the child's age or grade, and, with regard to
11 the social and emotional screening, require recording only
12 whether or not the screening was completed. The rules shall
13 take into consideration the screening recommendations of the
14 American Academy of Pediatrics and must be consistent with the
15 State Board of Education's social and emotional learning
16 standards. The Department of Public Health shall specify that
17 a diabetes screening as defined by rule shall be included as a
18 required part of each health examination. Diabetes testing is
19 not required.

20 Physicians licensed to practice medicine in all of its
21 branches, licensed advanced practice registered nurses, or
22 licensed physician assistants shall be responsible for the
23 performance of the health examinations, other than dental
24 examinations, eye examinations, and vision and hearing
25 screening, and shall sign all report forms required by
26 subsection (4) of this Section that pertain to those portions

1 of the health examination for which the physician, advanced
2 practice registered nurse, or physician assistant is
3 responsible. If a registered nurse performs any part of a
4 health examination, then a physician licensed to practice
5 medicine in all of its branches must review and sign all
6 required report forms. Licensed dentists shall perform all
7 dental examinations and shall sign all report forms required
8 by subsection (4) of this Section that pertain to the dental
9 examinations. Physicians licensed to practice medicine in all
10 its branches or licensed optometrists shall perform all eye
11 examinations required by this Section and shall sign all
12 report forms required by subsection (4) of this Section that
13 pertain to the eye examination. For purposes of this Section,
14 an eye examination shall at a minimum include history, visual
15 acuity, subjective refraction to best visual acuity near and
16 far, internal and external examination, and a glaucoma
17 evaluation, as well as any other tests or observations that in
18 the professional judgment of the doctor are necessary. Vision
19 and hearing screening tests, which shall not be considered
20 examinations as that term is used in this Section, shall be
21 conducted in accordance with rules and regulations of the
22 Department of Public Health, and by individuals whom the
23 Department of Public Health has certified. In these rules and
24 regulations, the Department of Public Health shall require
25 that individuals conducting vision screening tests give a
26 child's parent or guardian written notification, before the

1 vision screening is conducted, that states, "Vision screening
2 is not a substitute for a complete eye and vision evaluation by
3 an eye doctor. Your child is not required to undergo this
4 vision screening if an optometrist or ophthalmologist has
5 completed and signed a report form indicating that an
6 examination has been administered within the previous 12
7 months."

8 (2.5) With respect to the developmental screening and the
9 social and emotional screening portion of the health
10 examination, each child may present proof of having been
11 screened in accordance with this Section and the rules adopted
12 under this Section before October 15th of the school year.
13 With regard to the social and emotional screening only, the
14 examining health care provider shall only record whether or
15 not the screening was completed. If the child fails to present
16 proof of the developmental screening or the social and
17 emotional screening portions of the health examination by
18 October 15th of the school year, qualified school support
19 personnel may, with a parent's or guardian's consent, offer
20 the developmental screening or the social and emotional
21 screening to the child. Each public, private, and parochial
22 school must give notice of the developmental screening and
23 social and emotional screening requirements to the parents and
24 guardians of students in compliance with the rules of the
25 Department of Public Health. Nothing in this Section shall be
26 construed to allow a school to exclude a child from attending

1 because of a parent's or guardian's failure to obtain a
2 developmental screening or a social and emotional screening
3 for the child. Once a developmental screening or a social and
4 emotional screening is completed and proof has been presented
5 to the school, the school may, with a parent's or guardian's
6 consent, make available appropriate school personnel to work
7 with the parent or guardian, the child, and the provider who
8 signed the screening form to obtain any appropriate
9 evaluations and services as indicated on the form and in other
10 information and documentation provided by the parents,
11 guardians, or provider.

12 (3) Every child shall, at or about the same time as he or
13 she receives a health examination required by subsection (1)
14 of this Section, present to the local school proof of having
15 received such immunizations against preventable communicable
16 diseases as the Department of Public Health shall require by
17 rules and regulations promulgated pursuant to this Section and
18 the Communicable Disease Prevention Act.

19 (4) The individuals conducting the health examination,
20 dental examination, or eye examination shall record the fact
21 of having conducted the examination, and such additional
22 information as required, including for a health examination
23 data relating to asthma and obesity (including at a minimum,
24 date of birth, gender, height, weight, blood pressure, and
25 date of exam), on uniform forms which the Department of Public
26 Health and the State Board of Education shall prescribe for

1 statewide use. The examiner shall summarize on the report form
2 any condition that he or she suspects indicates a need for
3 special services, including for a health examination factors
4 relating to asthma or obesity. The duty to summarize on the
5 report form does not apply to social and emotional screenings.
6 The confidentiality of the information and records relating to
7 the developmental screening and the social and emotional
8 screening shall be determined by the statutes, rules, and
9 professional ethics governing the type of provider conducting
10 the screening. The individuals confirming the administration
11 of required immunizations shall record as indicated on the
12 form that the immunizations were administered.

13 (5) If a child does not submit proof of having had either
14 the health examination or the immunization as required, then
15 the child shall be examined or receive the immunization, as
16 the case may be, and present proof by October 15 of the current
17 school year, or by an earlier date of the current school year
18 established by a school district. To establish a date before
19 October 15 of the current school year for the health
20 examination or immunization as required, a school district
21 must give notice of the requirements of this Section 60 days
22 prior to the earlier established date. If for medical reasons
23 one or more of the required immunizations must be given after
24 October 15 of the current school year, or after an earlier
25 established date of the current school year, then the child
26 shall present, by October 15, or by the earlier established

1 date, a schedule for the administration of the immunizations
2 and a statement of the medical reasons causing the delay, both
3 the schedule and the statement being issued by the physician,
4 advanced practice registered nurse, physician assistant,
5 registered nurse, or local health department that will be
6 responsible for administration of the remaining required
7 immunizations. If a child does not comply by October 15, or by
8 the earlier established date of the current school year, with
9 the requirements of this subsection, then the local school
10 authority shall exclude that child from school until such time
11 as the child presents proof of having had the health
12 examination as required and presents proof of having received
13 those required immunizations which are medically possible to
14 receive immediately. During a child's exclusion from school
15 for noncompliance with this subsection, the child's parents or
16 legal guardian shall be considered in violation of Section
17 26-1 and subject to any penalty imposed by Section 26-10. This
18 subsection (5) does not apply to dental examinations, eye
19 examinations, and the developmental screening and the social
20 and emotional screening portions of the health examination. If
21 the student is an out-of-state transfer student and does not
22 have the proof required under this subsection (5) before
23 October 15 of the current year or whatever date is set by the
24 school district, then he or she may only attend classes (i) if
25 he or she has proof that an appointment for the required
26 vaccinations has been scheduled with a party authorized to

1 submit proof of the required vaccinations. If the proof of
2 vaccination required under this subsection (5) is not
3 submitted within 30 days after the student is permitted to
4 attend classes, then the student is not to be permitted to
5 attend classes until proof of the vaccinations has been
6 properly submitted. No school district or employee of a school
7 district shall be held liable for any injury or illness to
8 another person that results from admitting an out-of-state
9 transfer student to class that has an appointment scheduled
10 pursuant to this subsection (5).

11 (6) Every school shall report to the State Board of
12 Education by November 15, in the manner which that agency
13 shall require, the number of children who have received the
14 necessary immunizations and the health examination (other than
15 a dental examination or eye examination) as required,
16 indicating, of those who have not received the immunizations
17 and examination as required, the number of children who are
18 exempt from health examination and immunization requirements
19 on religious or medical grounds as provided in subsection (8).
20 On or before December 1 of each year, every public school
21 district and registered nonpublic school shall make publicly
22 available the immunization data they are required to submit to
23 the State Board of Education by November 15. The immunization
24 data made publicly available must be identical to the data the
25 school district or school has reported to the State Board of
26 Education.

1 Every school shall report to the State Board of Education
2 by June 30, in the manner that the State Board requires, the
3 number of children who have received the required dental
4 examination, indicating, of those who have not received the
5 required dental examination, the number of children who are
6 exempt from the dental examination on religious grounds as
7 provided in subsection (8) of this Section and the number of
8 children who have received a waiver under subsection (1.5) of
9 this Section.

10 Every school shall report to the State Board of Education
11 by June 30, in the manner that the State Board requires, the
12 number of children who have received the required eye
13 examination, indicating, of those who have not received the
14 required eye examination, the number of children who are
15 exempt from the eye examination as provided in subsection (8)
16 of this Section, the number of children who have received a
17 waiver under subsection (1.10) of this Section, and the total
18 number of children in noncompliance with the eye examination
19 requirement.

20 The reported information under this subsection (6) shall
21 be provided to the Department of Public Health by the State
22 Board of Education.

23 (7) Upon determining that the number of pupils who are
24 required to be in compliance with subsection (5) of this
25 Section is below 90% of the number of pupils enrolled in the
26 school district, 10% of each State aid payment made pursuant

1 to Section 18-8.05 or 18-8.15 to the school district for such
2 year may be withheld by the State Board of Education until the
3 number of students in compliance with subsection (5) is the
4 applicable specified percentage or higher.

5 (8) Children of parents or legal guardians who object to
6 health, dental, or eye examinations or any part thereof, to
7 immunizations, or to vision and hearing screening tests on
8 religious grounds shall not be required to undergo the
9 examinations, tests, or immunizations to which they so object
10 if such parents or legal guardians present to the appropriate
11 local school authority a signed Certificate of Religious
12 Exemption detailing the grounds for objection and the specific
13 immunizations, tests, or examinations to which they object.
14 The grounds for objection must set forth the specific
15 religious belief that conflicts with the examination, test,
16 immunization, or other medical intervention. The signed
17 certificate shall also reflect the parent's or legal
18 guardian's understanding of the school's exclusion policies in
19 the case of a vaccine-preventable disease outbreak or
20 exposure. The certificate must also be signed by the
21 authorized examining health care provider responsible for the
22 performance of the child's health examination confirming that
23 the provider provided education to the parent or legal
24 guardian on the benefits of immunization and the health risks
25 to the student and to the community of the communicable
26 diseases for which immunization is required in this State.

1 However, the health care provider's signature on the
2 certificate reflects only that education was provided and does
3 not allow a health care provider grounds to determine a
4 religious exemption. Those receiving immunizations required
5 under this Code shall be provided with the relevant vaccine
6 information statements that are required to be disseminated by
7 the federal National Childhood Vaccine Injury Act of 1986,
8 which may contain information on circumstances when a vaccine
9 should not be administered, prior to administering a vaccine.
10 A healthcare provider may consider including without
11 limitation the nationally accepted recommendations from
12 federal agencies such as the Advisory Committee on
13 Immunization Practices, the information outlined in the
14 relevant vaccine information statement, and vaccine package
15 inserts, along with the healthcare provider's clinical
16 judgment, to determine whether any child may be more
17 susceptible to experiencing an adverse vaccine reaction than
18 the general population, and, if so, the healthcare provider
19 may exempt the child from an immunization or adopt an
20 individualized immunization schedule. The Certificate of
21 Religious Exemption shall be created by the Department of
22 Public Health and shall be made available and used by parents
23 and legal guardians by the beginning of the 2015-2016 school
24 year. Parents or legal guardians must submit the Certificate
25 of Religious Exemption to their local school authority prior
26 to entering kindergarten, sixth grade, and ninth grade for

1 each child for which they are requesting an exemption. The
2 religious objection stated need not be directed by the tenets
3 of an established religious organization. However, general
4 philosophical or moral reluctance to allow physical
5 examinations, eye examinations, immunizations, vision and
6 hearing screenings, or dental examinations does not provide a
7 sufficient basis for an exception to statutory requirements.
8 The local school authority is responsible for determining if
9 the content of the Certificate of Religious Exemption
10 constitutes a valid religious objection. The local school
11 authority shall inform the parent or legal guardian of
12 exclusion procedures, in accordance with the Department's
13 rules under Part 690 of Title 77 of the Illinois
14 Administrative Code, at the time the objection is presented.

15 If the physical condition of the child is such that any one
16 or more of the immunizing agents should not be administered,
17 the examining physician, advanced practice registered nurse,
18 or physician assistant responsible for the performance of the
19 health examination shall endorse that fact upon the health
20 examination form.

21 Exempting a child from the health, dental, or eye
22 examination does not exempt the child from participation in
23 the program of physical education training provided in
24 Sections 27-705, 27-710, and 27-725 of this Code.

25 (8.5) The school board of a school district shall include
26 informational materials regarding influenza and influenza

1 vaccinations developed, provided, or approved by the
2 Department of Public Health under Section 2310-700 of the
3 Department of Public Health Powers and Duties Law of the Civil
4 Administrative Code of Illinois when the board provides
5 information on immunizations, infectious diseases,
6 medications, or other school health issues to the parents or
7 guardians of students.

8 (9) For the purposes of this Section, "nursery schools"
9 means those nursery schools operated by elementary school
10 systems or secondary level school units or institutions of
11 higher learning.

13 (105 ILCS 5/22-106)

14 Sec. 22-106 ~~22-105~~. Denial of free education prohibited.

15 (a) The purpose of this Section is to secure the right of
16 every child to equal access to a free public education and a
17 school that is safe from intimidation and fear, consistent
18 with the landmark United States Supreme Court decision in
19 Plyler v. Doe, 457 U.S. 202 (1982), as in effect on January 1,
20 2025, which held that it is unconstitutional for states to
21 deny children a free public education based on immigration
22 status. In their efforts to promote the right to educational
23 equality established in Plyler, schools must take steps to
24 protect the integrity of school learning environments for all
25 children, so that no parent is discouraged from sending and no

1 child is discouraged from attending school, including from the
2 threat of immigration enforcement or other law enforcement
3 activity on a school campus.

4 (b) As used in this Section:

5 "Citizenship or immigration status" means all matters
6 regarding citizenship of the United States or any other
7 country or the authority or lack thereof to reside in or
8 otherwise to be present in the United States, including an
9 individual's nationality and country of citizenship.

10 "Law enforcement agent" means an agent of federal, State,
11 or local law enforcement authorized with the power to arrest
12 or detain individuals or manage the custody of detained
13 individuals for a law enforcement purpose, including civil
14 immigration enforcement. "Law enforcement agent" does not
15 include a school resource officer as defined in Section
16 10-20.68 of this Code.

17 "Nonjudicial warrant" means a warrant issued by a federal,
18 State, or local agency authorized with the power to arrest or
19 detain individuals or manage the custody of detained
20 individuals for any law enforcement purpose, including civil
21 immigration enforcement. "Nonjudicial warrant" includes an
22 immigration detainer or civil immigration warrant as defined
23 in the Illinois TRUST Act. "Nonjudicial warrant" does not
24 include a criminal warrant issued upon a judicial
25 determination of probable cause, in compliance with the
26 requirements of the Fourth Amendment to the United States

1 Constitution and Section 6 of Article I of the Illinois
2 Constitution.

3 "Prevailing party" includes any party:

4 (1) who obtains some of his or her requested relief
5 through a judicial judgment in his or her favor;

6 (2) who obtains some of his or her requested relief
7 through a settlement agreement approved by the court; or

8 (3) whose pursuit of a non-frivolous claim was a
9 catalyst for a unilateral change in position by the
10 opposing party relative to the relief sought.

11 "School" means every public school, school district, and
12 governing body, including a special charter district or
13 charter school, organized under this Code, and its agents,
14 including a contracted party.

15 (c) No child may be denied a free public education through
16 secondary school while in this State based on the child's
17 perceived or actual immigration status or the child's parent's
18 or guardian's perceived or actual citizenship or immigration
19 status.

20 (1) A school must not exclude a child from
21 participation in or deny a child the benefits of any
22 program or activity on the grounds of that child's
23 perceived or actual immigration status or the child's
24 parent's or guardian's actual or perceived citizenship or
25 immigration status.

26 (2) A school must not use policies or procedures or

1 engage in practices that have the effect of excluding a
2 child from participation in or denying the benefits of any
3 program or activity or the effect of excluding
4 participation of the child's parent or guardian from
5 parental engagement activities or programs because of the
6 child's perceived or actual immigration status or the
7 child's parent's or guardian's actual or perceived
8 immigration status. These policies, procedures, and
9 practices include:

10 (A) requesting or collecting information or
11 documentation from a student or the student's parent
12 or guardian about citizenship or immigration status
13 unless required by State or federal law; and

14 (B) designating immigration status, citizenship,
15 place of birth, nationality, or national origin as
16 directory information, as that term is defined by
17 federal and State law.

18 (3) A school must not perform any of the following
19 actions:

20 (A) Threaten to disclose anything related to the
21 actual or perceived citizenship or immigration status
22 of a child or a person associated with the child to any
23 other person or entity or an immigration or law
24 enforcement agency.

25 (B) Disclose anything related to the perceived
26 citizenship or immigration status of a child or a

1 person associated with the child to any other person
2 or entity or an immigration or law enforcement agency
3 if the school does not have direct knowledge of the
4 child's or associated person's actual citizenship or
5 immigration status, subject to the requirements of
6 this paragraph (3).

7 (C) Disclose anything related to the actual
8 citizenship or immigration status of a child or a
9 person associated with the child to any other person
10 or nongovernmental entity if the school has direct
11 knowledge of the child's or associated person's actual
12 citizenship or immigration status, subject to the
13 requirements of this paragraph (3).

14 Nothing in subparagraphs (B) and (C) of this paragraph
15 (3) may be construed to permit the disclosure of student
16 records or information without complying with State and
17 federal requirements governing the disclosure of such
18 records or information. Subparagraphs (B) and (C) of this
19 paragraph (3) may not be construed to prohibit or restrict
20 an entity from sending to or receiving from the United
21 States Department of Homeland Security or any other
22 federal, State, or local governmental entity information
23 regarding the citizenship or immigration status of an
24 individual under Sections 1373 and 1644 of Title 8 of the
25 United States Code.

26 (4) A school must develop procedures for reviewing and

1 authorizing requests from law enforcement agents
2 attempting to enter a school or school facility by July 1,
3 2026. The procedures must comply with the requirements of
4 paragraph (2) of this subsection (c), and, at a minimum,
5 include the following:

6 (A) procedures for reviewing and contacting a
7 designated authorized person at the school or school
8 facility and the district superintendent's office or
9 school administrative office, who may contact the
10 school's legal counsel, and procedures for that
11 authorized person or legal counsel to review requests
12 to enter a school or school facility, including
13 judicial warrants, nonjudicial warrants, and
14 subpoenas;

15 (B) procedures for monitoring or accompanying and
16 procedures for documenting all interactions with law
17 enforcement agents while on the school's premises; and

18 (C) procedures for notifying and seeking consent
19 from a student's parents or guardian or from the
20 student if the student is 18 years old or older or
21 emancipated if a law enforcement agent requests access
22 to a student for immigration enforcement purposes,
23 unless such access is in compliance with a judicial
24 warrant or subpoena that restricts the disclosure of
25 the information to the student's parent or guardian.

26 This paragraph (4) is subject to subsection (c) of

1 Section 22-88 of this Code.

2 (d) A school shall adopt a policy for complying with
3 paragraphs (1), (2), (3), and (4) of subsection (c) by July 1,
4 2026.

5 (e) Beginning July 1, 2026, any party aggrieved by conduct
6 that violates subsection (c) may bring a civil lawsuit. This
7 lawsuit must be brought no later than 2 years after the
8 violation of subsection (c). If the court finds that a willful
9 violation of paragraph (1), (2), or (3) of subsection (c) has
10 occurred, the court may award actual damages. The court, as it
11 deems appropriate, may grant, as relief, any permanent or
12 preliminary negative or mandatory injunction, temporary
13 restraining order, or other order.

14 (f) Nothing in this Section may be construed to require an
15 exhaustion of the administrative complaint process before
16 civil law remedies may be pursued.

17 (g) Upon a motion, a court shall award reasonable
18 attorney's fees and costs, including expert witness fees and
19 other litigation expenses, to a plaintiff who is a prevailing
20 party in any action brought under subsection (c). In awarding
21 reasonable attorney's fees, the court shall consider the
22 degree to which the relief obtained relates to the relief
23 sought.

24 (h) The General Assembly finds and declares that this
25 Section is a State law within the meaning of subsection (d) of
26 Section 1621 of Title 8 of the United States Code.

4 Sec. 22-110. Bullying prevention.

5 (a) The General Assembly finds that a safe and civil
6 school environment is necessary for students to learn and
7 achieve and that bullying causes physical, psychological, and
8 emotional harm to students and interferes with students'
9 ability to learn and participate in school activities. The
10 General Assembly further finds that bullying has been linked
11 to other forms of antisocial behavior, such as vandalism,
12 shoplifting, skipping and dropping out of school, fighting,
13 using drugs and alcohol, sexual harassment, and sexual
14 violence. Because of the negative outcomes associated with
15 bullying in schools, the General Assembly finds that school
16 districts, charter schools, and non-public, non-sectarian
17 elementary and secondary schools should educate students,
18 parents, and school district, charter school, or non-public,
19 non-sectarian elementary or secondary school personnel about
20 what behaviors constitute prohibited bullying.

21 Bullying on the basis of actual or perceived race, color,
22 religion, sex, national origin, ancestry, physical appearance,
23 socioeconomic status, academic status, pregnancy, parenting
24 status, homelessness, age, marital status, physical or mental
25 disability, military status, sexual orientation,

1 gender-related identity or expression, unfavorable discharge
2 from military service, association with a person or group with
3 one or more of the aforementioned actual or perceived
4 characteristics, or any other distinguishing characteristic is
5 prohibited in all school districts, charter schools, and
6 non-public, non-sectarian elementary and secondary schools. No
7 student shall be subjected to bullying:

8 (1) during any school-sponsored education program or
9 activity;

10 (2) while in school, on school property, on school
11 buses or other school vehicles, at designated school bus
12 stops waiting for the school bus, or at school-sponsored
13 or school-sanctioned events or activities;

14 (3) through the transmission of information from a
15 school computer, a school computer network, or other
16 similar electronic school equipment; or

17 (4) through the transmission of information from a
18 computer that is accessed at a nonschool-related location,
19 activity, function, or program or from the use of
20 technology or an electronic device that is not owned,
21 leased, or used by a school district or school if the
22 bullying causes a substantial disruption to the
23 educational process or orderly operation of a school. This
24 item (4) applies only in cases in which a school
25 administrator or teacher receives a report that bullying
26 through this means has occurred and does not require a

1 district or school to staff or monitor any
2 nonschool-related activity, function, or program.

3 (a-5) Nothing in this Section is intended to infringe upon
4 any right to exercise free expression or the free exercise of
5 religion or religiously based views protected under the First
6 Amendment to the United States Constitution or under Section 3
7 of Article I of the Illinois Constitution.

8 (b) In this Section:

9 "Bullying" includes "cyber-bullying" and means any severe
10 or pervasive physical or verbal act or conduct, including
11 communications made in writing or electronically, directed
12 toward a student or students that has or can be reasonably
13 predicted to have the effect of one or more of the following:

14 (1) placing the student or students in reasonable fear
15 of harm to the student's or students' person or property;

16 (2) causing a substantially detrimental effect on the
17 student's or students' physical or mental health;

18 (3) substantially interfering with the student's or
19 students' academic performance; or

20 (4) substantially interfering with the student's or
21 students' ability to participate in or benefit from the
22 services, activities, or privileges provided by a school.

23 Bullying, as defined in this subsection (b), may take
24 various forms, including, without limitation, one or more of
25 the following: harassment, threats, intimidation, stalking,
26 physical violence, sexual harassment, sexual violence, theft,

1 public humiliation, destruction of property, or retaliation
2 for asserting or alleging an act of bullying. This list is
3 meant to be illustrative and non-exhaustive.

4 "Cyber-bullying" means bullying through the use of
5 technology or any electronic communication, including, without
6 limitation, any transfer of signs, signals, writing, images,
7 sounds, data, or intelligence of any nature transmitted in
8 whole or in part by a wire, radio, electromagnetic system,
9 photoelectronic system, or photooptical system, including,
10 without limitation, electronic mail, Internet communications,
11 instant messages, or facsimile communications.

12 "Cyber-bullying" includes the creation of a webpage or weblog
13 in which the creator assumes the identity of another person or
14 the knowing impersonation of another person as the author of
15 posted content or messages if the creation or impersonation
16 creates any of the effects enumerated in the definition of
17 bullying in this Section. "Cyber-bullying" also includes the
18 distribution by electronic means of a communication to more
19 than one person or the posting of material on an electronic
20 medium that may be accessed by one or more persons if the
21 distribution or posting creates any of the effects enumerated
22 in the definition of bullying in this Section.

23 "Policy on bullying" means a bullying prevention policy
24 that meets the following criteria:

- 25 (1) Includes the bullying definition provided in this
26 Section.

1 (2) Includes a statement that bullying is contrary to
2 State law and the policy of the school district, charter
3 school, or non-public, non-sectarian elementary or
4 secondary school and is consistent with subsection (a-5)
5 of this Section.

6 (3) Includes procedures for promptly reporting
7 bullying, including, but not limited to, identifying and
8 providing the school e-mail address (if applicable) and
9 school telephone number for the staff person or persons
10 responsible for receiving such reports and a procedure for
11 anonymous reporting; however, this shall not be construed
12 to permit formal disciplinary action solely on the basis
13 of an anonymous report.

14 (4) Consistent with federal and State laws and rules
15 governing student privacy rights, includes procedures for
16 informing parents or guardians of all students involved in
17 the alleged incident of bullying within 24 hours after the
18 school's administration is made aware of the students'
19 involvement in the incident and discussing, as
20 appropriate, the availability of social work services,
21 counseling, school psychological services, other
22 interventions, and restorative measures. The school shall
23 make diligent efforts to notify a parent or legal
24 guardian, utilizing all contact information the school has
25 available or that can be reasonably obtained by the school
26 within the 24-hour period.

1 (5) Contains procedures for promptly investigating and
2 addressing reports of bullying, including the following:

3 (A) Making all reasonable efforts to complete the
4 investigation within 10 school days after the date the
5 report of the incident of bullying was received and
6 taking into consideration additional relevant
7 information received during the course of the
8 investigation about the reported incident of bullying.

9 (B) Involving appropriate school support personnel
10 and other staff persons with knowledge, experience,
11 and training on bullying prevention, as deemed
12 appropriate, in the investigation process.

13 (C) Notifying the principal or school
14 administrator or his or her designee of the report of
15 the incident of bullying as soon as possible after the
16 report is received.

17 (D) Consistent with federal and State laws and
18 rules governing student privacy rights, providing
19 parents and guardians of the students who are parties
20 to the investigation information about the
21 investigation and an opportunity to meet with the
22 principal or school administrator or his or her
23 designee to discuss the investigation, the findings of
24 the investigation, and the actions taken to address
25 the reported incident of bullying.

26 (6) Includes the interventions that can be taken to

1 address bullying, which may include, but are not limited
2 to, school social work services, restorative measures,
3 social-emotional skill building, counseling, school
4 psychological services, and community-based services.

5 (7) Includes a statement prohibiting reprisal or
6 retaliation against any person who reports an act of
7 bullying and the consequences and appropriate remedial
8 actions for a person who engages in reprisal or
9 retaliation.

10 (8) Includes consequences and appropriate remedial
11 actions for a person found to have falsely accused another
12 of bullying as a means of retaliation or as a means of
13 bullying.

14 (9) Is based on the engagement of a range of school
15 stakeholders, including students and parents or guardians.

16 (10) Is posted on the school district's, charter
17 school's, or non-public, non-sectarian elementary or
18 secondary school's existing, publicly accessible Internet
19 website, is included in the student handbook, and, where
20 applicable, posted where other policies, rules, and
21 standards of conduct are currently posted in the school
22 and provided periodically throughout the school year to
23 students and faculty, and is distributed annually to
24 parents, guardians, students, and school personnel,
25 including new employees when hired.

26 (11) As part of the process of reviewing and

1 re-evaluating the policy under subsection (d) of this
2 Section, contains a policy evaluation process to assess
3 the outcomes and effectiveness of the policy that
4 includes, but is not limited to, factors such as the
5 frequency of victimization; student, staff, and family
6 observations of safety at a school; identification of
7 areas of a school where bullying occurs; the types of
8 bullying utilized; and bystander intervention or
9 participation. The school district, charter school, or
10 non-public, non-sectarian elementary or secondary school
11 may use relevant data and information it already collects
12 for other purposes in the policy evaluation. The
13 information developed as a result of the policy evaluation
14 must be made available on the Internet website of the
15 school district, charter school, or non-public,
16 non-sectarian elementary or secondary school. If an
17 Internet website is not available, the information must be
18 provided to school administrators, school board members,
19 school personnel, parents, guardians, and students.

20 (12) Is consistent with the policies of the school
21 board, charter school, or non-public, non-sectarian
22 elementary or secondary school.

23 (13) Requires all individual instances of bullying, as
24 well as all threats, suggestions, or instances of
25 self-harm determined to be the result of bullying, to be
26 reported to the parents or legal guardians of those

1 involved under the guidelines provided in paragraph (4) of
2 this definition.

3 "Restorative measures" means a continuum of school-based
4 alternatives to exclusionary discipline, such as suspensions
5 and expulsions, that: (i) are adapted to the particular needs
6 of the school and community, (ii) contribute to maintaining
7 school safety, (iii) protect the integrity of a positive and
8 productive learning climate, (iv) teach students the personal
9 and interpersonal skills they will need to be successful in
10 school and society, (v) serve to build and restore
11 relationships among students, families, schools, and
12 communities, (vi) reduce the likelihood of future disruption
13 by balancing accountability with an understanding of students'
14 behavioral health needs in order to keep students in school,
15 and (vii) increase student accountability if the incident of
16 bullying is based on religion, race, ethnicity, or any other
17 category that is identified in the Illinois Human Rights Act.

12 the district or school provide the victim with information
13 regarding services that are available within the district and

26 In monitoring the implementation of the policies, the State

1 Board of Education shall review each filed policy on bullying
2 to ensure all policies meet the requirements set forth in this
3 Section, including ensuring that each policy meets the 12
4 criteria ~~criterion~~ identified within the definition of "policy
5 on bullying" set forth in this Section.

17 website.

18 Each school district, charter school, and non-public,

11 The State Board of Education shall adopt rules for the
12 submission of data that includes, but is not limited to: (i) a
13 record of each verified allegation of bullying and action
14 taken; and (ii) whether the instance of bullying was based on
15 actual or perceived characteristics identified in subsection
16 (a) and, if so, lists the relevant characteristics. The rules
17 for the submission of data shall be consistent with federal
18 and State laws and rules governing student privacy rights,
19 including, but not limited to, the federal Family Educational

2 child enrolled in a school district, charter school, or
3 non-public, non-sectarian elementary or secondary school

21 (j) Subject to appropriation, the State Superintendent of
22 Education may provide a grant to a school district, charter
23 school, or non-public, non-sectarian elementary or secondary

7 (Text of Section after amendment by P.A. 104-338)

8 Sec. 22-110. Bullying prevention.

9 (a) The General Assembly finds that a safe and civil
10 school environment is necessary for students to learn and
11 achieve and that bullying causes physical, psychological, and
12 emotional harm to students and interferes with students'
13 ability to learn and participate in school activities. The
14 General Assembly further finds that bullying has been linked
15 to other forms of antisocial behavior, such as vandalism,
16 shoplifting, skipping and dropping out of school, fighting,
17 using drugs and alcohol, sexual harassment, and sexual
18 violence. Because of the negative outcomes associated with
19 bullying in schools, the General Assembly finds that school
20 districts, charter schools, and non-public, non-sectarian
21 elementary and secondary schools should educate students,
22 parents, and school district, charter school, or non-public,
23 non-sectarian elementary or secondary school personnel about
24 what behaviors constitute prohibited bullying.

25 Bullying on the basis of actual or perceived race, color,

1 religion, sex, national origin, ancestry, physical appearance,
2 socioeconomic status, academic status, pregnancy, parenting
3 status, homelessness, age, marital status, physical or mental
4 disability, military status, sexual orientation,
5 gender-related identity or expression, unfavorable discharge
6 from military service, association with a person or group with
7 one or more of the aforementioned actual or perceived
8 characteristics, or any other distinguishing characteristic is
9 prohibited in all school districts, charter schools, and
10 non-public, non-sectarian elementary and secondary schools. No
11 student shall be subjected to bullying:

12 (1) during any school-sponsored education program or
13 activity;

14 (2) while in school, on school property, on school
15 buses or other school vehicles, at designated school bus
16 stops waiting for the school bus, or at school-sponsored
17 or school-sanctioned events or activities;

18 (3) through the transmission of information from a
19 school computer, a school computer network, or other
20 similar electronic school equipment; or

21 (4) through the transmission of information from a
22 computer that is accessed at a nonschool-related location,
23 activity, function, or program or from the use of
24 technology or an electronic device that is not owned,
25 leased, or used by a school district or school if the
26 bullying causes a substantial disruption to the

1 educational process or orderly operation of a school. This
2 item (4) applies only in cases in which a school
3 administrator or teacher receives a report that bullying
4 through this means has occurred and does not require a
5 district or school to staff or monitor any
6 nonschool-related activity, function, or program.

7 (a-5) Nothing in this Section is intended to infringe upon
8 any right to exercise free expression or the free exercise of
9 religion or religiously based views protected under the First
10 Amendment to the United States Constitution or under Section 3
11 of Article I of the Illinois Constitution.

12 (b) In this Section:

16 or pervasive physical or verbal act or conduct, including
17 communications made in writing or electronically, directed

20 (1) placing the student or students in reasonable fear
21 of harm to the student's or students' person or property;

22 (2) causing a substantially detrimental effect on the
23 student's or students' physical or mental health;

24 (3) substantially interfering with the student's or

24 bullying in this Section. "Cyber-bullying" also includes the
25 distribution by electronic means of a communication to more
26 than one person or the posting of material on an electronic

1 medium that may be accessed by one or more persons if the

4 the 2026-2027 school year, "cyber-bullying" also includes the
5 posting or distribution of an unauthorized digital replica by
6 electronic means if the posting or distribution creates any of

2 (4) Consistent with federal and State laws and rules
3 governing student privacy rights, includes procedures for
4 informing parents or guardians of all students involved in
5 the alleged incident of bullying within 24 hours after the

11 designee to discuss the investigation, the findings of
12 the investigation, and the actions taken to address
13 the reported incident of bullying.

16 to, school social work services, restorative measures,
17 social-emotional skill building, counseling, school
18 psychological services, and community-based services.

10 and provided periodically throughout the school year to
11 students and faculty, and is distributed annually to
12 parents, guardians, students, and school personnel,
13 including new employees when hired.

14 (11) As part of the process of reviewing and

1 information developed as a result of the policy evaluation
2 must be made available on the Internet website of the
3 school district, charter school, or non-public,

10 non-sectarian elementary or secondary school may provide
11 evidence-based professional development and youth programming
12 on bullying prevention that is consistent with the provisions
13 of this Section.

15 victim from seeking redress under any other available civil or
16 criminal law.

17 (f) School districts, charter schools, and non-public,
18 non-sectarian elementary and secondary schools shall collect,
19 maintain, and submit to the State Board of Education
20 non-identifiable data regarding verified allegations of
21 bullying within the school district, charter school, or

24 (105 ILCS 5/24-6)

25 Sec. 24-6. Sick leave. The school boards of all school

1 districts, including special charter districts, but not
2 including school districts in municipalities of 500,000 or
3 more, shall grant their full-time teachers, and also shall
4 grant such of their other employees as are eligible to
5 participate in the Illinois Municipal Retirement Fund under
6 the "600-Hour Standard" established, or under such other
7 eligibility participation standard as may from time to time be
8 established, by rules and regulations now or hereafter
9 promulgated by the Board of that Fund under Section 7-198 of
10 the Illinois Pension Code, as now or hereafter amended, sick
11 leave provisions not less in amount than 10 days at full pay in
12 each school year. If any such teacher or employee does not use
13 the full amount of annual leave thus allowed, the unused
14 amount shall be allowed to accumulate to a minimum available
15 leave of 180 days at full pay, including the leave of the
16 current year. Sick leave shall be interpreted to mean personal
17 illness, mental or behavioral health complications, quarantine
18 at home, or serious illness or death in the immediate family or
19 household. The school board may require a certificate from a
20 physician licensed in Illinois to practice medicine and
21 surgery in all its branches, a mental health professional
22 licensed in Illinois providing ongoing care or treatment to
23 the teacher or employee, a chiropractic physician licensed
24 under the Medical Practice Act of 1987, a licensed advanced

2 as a basis for pay during leave after an absence of 3 days for
3 personal illness or as the school board may deem necessary in
4 other cases. If the school board does require a certificate as
5 a basis for pay during leave of less than 3 days for personal
6 illness, the school board shall pay, from school funds, the
7 expenses incurred by the teachers or other employees in
8 obtaining the certificate.

9 Sick leave shall also be interpreted to mean birth,
10 adoption, placement for adoption, and the acceptance of a
11 child in need of foster care. Teachers and other employees to
12 whom ~~which~~ this Section applies are entitled to use up to 30

16 medical certification for up to 30 working school days, which
17 days may be used at any time within the 12-month period
18 following the birth of the child. The use of up to 30 working
19 school days of paid sick leave because of the birth of a child
20 may not be diminished as a result of any intervening period of
21 nonworking days or school not being in session, such as for
22 summer, winter, or spring break or holidays, that may occur
23 during the use of the paid sick leave. For paid sick leave for
24 adoption, placement for adoption, or the acceptance of a child
25 in need of foster care, the school board may require that the
26 teacher or other employee to whom ~~which~~ this Section applies

1 provide evidence that the formal adoption process or the

15 Sec. 27-615. Course credit for high school diploma.

16 (a) Notwithstanding any other provision of this Code, the
17 school board of a school district that maintains any of grades
18 9 through 12 is authorized to adopt a policy under which a
19 student enrolled in grade 7 or 8 who is enrolled in the unit
20 school district or would be enrolled in the high school
21 district upon completion of elementary school, whichever is
22 applicable, may enroll in a course required under Section
23 27-605 of this Code, provided that the course is offered by the
24 high school that the student would attend and (i) the student
25 participates in the course at the location of the high school

1 and the elementary student's enrollment in the course would
2 not prevent a high school student from being able to enroll, ~~or~~
3 (ii) the student participates in the course where the student
4 attends school as long as the student passes the course and the
5 end-of-course examination given at the high school granting
6 the credit for the same course, demonstrating proficiency at
7 the high school level, or (iii) the course is taught by a
8 teacher who holds a professional educator license issued under
9 Article 21B of this Code and endorsed for the grade level and
10 content area of the course.

11 (b) A school board that adopts a policy pursuant to
12 subsection (a) of this Section must grant academic credit to
13 an elementary school student who successfully completes the
14 high school course, and that credit shall satisfy the
15 requirements of Section 27-605 of this Code for that course.

16 (c) A school board must award high school course credit to
17 a student transferring to its school district for any course
18 that the student successfully completed pursuant to subsection
19 (a) of this Section, unless evidence about the course's rigor
20 and content shows that it does not address the relevant
21 Illinois Learning Standard at the level appropriate for the
22 high school grade during which the course is usually taken,
23 and that credit shall satisfy the requirements of Section
24 27-605 of this Code for that course.

25 (d) A student's grade in any course successfully completed
26 under this Section must be included in his or her grade point

1 average in accordance with the school board's policy for
2 making that calculation.

6 Sec. 27-830. Reimbursement amount.

7 (a) Each school district shall be entitled to
8 reimbursement for each student who finishes either the
9 classroom instruction part or the practice driving part of a
10 driver education course that meets the minimum requirements of
11 this Act. Reimbursement under this Act is payable from the
12 Drivers Education Fund in the State treasury.

13 Each year all funds appropriated from the Drivers
14 Education Fund to the State Board of Education, with the
15 exception of those funds necessary for administrative purposes
16 of the State Board of Education, shall be distributed in the
17 manner provided in this paragraph to school districts by the
18 State Board of Education for reimbursement of claims from the
19 previous school year. As soon as may be after each quarter of
20 the year, if moneys are available in the Drivers Education
21 Fund in the State treasury for payments under this Section,
22 the State Comptroller shall draw his or her warrants upon the
23 State Treasurer as directed by the State Board of Education.
24 The warrant for each quarter shall be in an amount equal to
25 one-fourth of the total amount to be distributed to school

1 districts for the year. Payments shall be made to school
2 districts as soon as may be after receipt of the warrants.

3 The base reimbursement amount shall be calculated by the
4 State Board by dividing the total amount appropriated for
5 distribution by the total of: (a) the number of students who
6 have completed the classroom instruction part for whom valid
7 claims have been made times 0.2; plus (b) the number of
8 students who have completed the practice driving instruction
9 part for whom valid claims have been made times 0.8.

10 The amount of reimbursement to be distributed on each
11 claim shall be 0.2 times the base reimbursement amount for
12 each validly claimed student who has completed the classroom
13 instruction part, plus 0.8 times the base reimbursement amount
14 for each validly claimed student who has completed the
15 practice driving instruction part.

16 (b) The school district which is the residence of a
17 student who attends a nonpublic school in another district
18 that has furnished the driver education course shall reimburse
19 the district offering the course, the difference between the
20 actual per capita cost of giving the course the previous
21 school year and the amount reimbursed by the State, which, for
22 purposes of this subsection (b), shall be referred to as
23 "course cost". If the course cost offered by the student's
24 resident district is less than the course cost of the course in
25 the district where the nonpublic school is located, then the
26 student is responsible for paying the district that furnished

1 the course the difference between the 2 amounts. If a
2 nonpublic school student chooses to attend a driver ~~driver's~~
3 education course in a school district besides the district
4 where the nonpublic school is located, then the student is
5 wholly responsible for the course cost; however, the nonpublic
6 school student may take the course in his or her resident
7 district on the same basis as public school students who are
8 enrolled in that district.

9 By April 1 the nonpublic school shall notify the district
10 offering the course of the names and district numbers of the
11 nonresident students desiring to take such course the next
12 school year. The district offering such course shall notify
13 the district of residence of those students affected by April
14 15. The school district furnishing the course may claim the
15 nonresident student for the purpose of making a claim for
16 State reimbursement under this Act.

18 (105 ILCS 5/27-835) (was 105 ILCS 5/27-24.5)

19 Sec. 27-835. Submission of claims. The district shall
20 report on forms prescribed by the State Board, on an ongoing
21 basis, a list of students by name, birth date, and sex, with
22 the date the behind-the-wheel instruction or the classroom
23 instruction or both were completed and with the status of the
24 course completion.

25 The State shall not reimburse any district for any student

1 who has repeated any part of the course more than once or who
2 did not meet the age requirements of this Act during the period
3 that the student was instructed in any part of the driver
4 ~~drivers~~ education course.

6 (105 ILCS 5/27-840) (was 105 ILCS 5/27-24.6)

7 Sec. 27-840. Attendance records. The school board shall
8 require the teachers of driver ~~drivers~~ education courses to
9 keep daily attendance records for students attending such
10 courses in the same manner as is prescribed in Section 24-18 of
11 this Code Act and such records shall be used to prepare and
12 certify claims made under the Driver Education Act. Claims for
13 reimbursement shall be made under oath or affirmation of the
14 chief school administrator for the district employed by the
15 school board or authorized driver education personnel employed
16 by the school board.

17 Whoever submits a false claim under the Driver Education
18 Act or makes a false record upon which a claim is based shall
19 be fined in an amount equal to the sum falsely claimed.

22 Sec. 27-1080 ~~27-23.18~~. Relaxation activities. Each school
23 district may provide to students, in addition to and not
24 substituting recess, at least 20 minutes a week of relaxation

1 activities to enhance the mental and physical health of
2 students as part of the school day. Relaxation activities may
3 include, but are not limited to, mindful-based movements,
4 yoga, stretching, meditation, breathing exercises, guided
5 relaxation techniques, quiet time, walking, in-person
6 conversation, and other stress-relieving activities. A school
7 district may partner with public and private community
8 organizations to provide relaxation activities. These
9 activities may take place in a physical education class,
10 social-emotional learning class, or student-support or
11 advisory class or as a part of another similar class,
12 including a new class.

15 (105 ILCS 5/27A-5)

16 Sec. 27A-5. Charter school; legal entity; requirements.

17 (a) A charter school shall be a public, nonsectarian,
18 nonreligious, non-home based, and non-profit school. A charter
19 school shall be organized and operated as a nonprofit
20 corporation or other discrete, legal, nonprofit entity
21 authorized under the laws of the State of Illinois.

22 (b) A charter school may be established under this Article
23 by creating a new school or by converting an existing public
24 school or attendance center to charter school status. In all
25 new applications to establish a charter school in a city

1 having a population exceeding 500,000, operation of the
2 charter school shall be limited to one campus. This limitation
3 does not apply to charter schools existing or approved on or
4 before April 16, 2003.

5 (b-5) (Blank).

6 (c) A charter school shall be administered and governed by
7 its board of directors or other governing body in the manner
8 provided in its charter. The governing body of a charter
9 school shall be subject to the Freedom of Information Act and
10 the Open Meetings Act. A charter school's board of directors
11 or other governing body must include at least one parent or
12 guardian of a pupil currently enrolled in the charter school
13 who may be selected through the charter school or a charter
14 network election, appointment by the charter school's board of
15 directors or other governing body, or by the charter school's
16 Parent Teacher Organization or its equivalent.

17 (c-5) No later than January 1, 2021 or within the first
18 year of his or her first term, every voting member of a charter
19 school's board of directors or other governing body shall
20 complete a minimum of 4 hours of professional development
21 leadership training to ensure that each member has sufficient
22 familiarity with the board's or governing body's role and
23 responsibilities, including financial oversight and
24 accountability of the school, evaluating the principal's and
25 school's performance, adherence to the Freedom of Information
26 Act and the Open Meetings Act, and compliance with education

1 and labor law. In each subsequent year of his or her term, a
2 voting member of a charter school's board of directors or
3 other governing body shall complete a minimum of 2 hours of
4 professional development training in these same areas. The
5 training under this subsection may be provided or certified by
6 a statewide charter school membership association or may be
7 provided or certified by other qualified providers approved by
8 the State Board.

9 (d) For purposes of this subsection (d), "non-curricular
10 health and safety requirement" means any health and safety
11 requirement created by statute or rule to provide, maintain,
12 preserve, or safeguard safe or healthful conditions for
13 students and school personnel or to eliminate, reduce, or
14 prevent threats to the health and safety of students and
15 school personnel. "Non-curricular health and safety
16 requirement" does not include any course of study or
17 specialized instructional requirement for which the State
18 Board has established goals and learning standards or which is
19 designed primarily to impart knowledge and skills for students
20 to master and apply as an outcome of their education.

21 A charter school shall comply with all non-curricular
22 health and safety requirements applicable to public schools
23 under the laws of the State of Illinois. The State Board shall
24 promulgate and post on its Internet website a list of
25 non-curricular health and safety requirements that a charter
26 school must meet. The list shall be updated annually no later

1 than September 1. Any charter contract between a charter
2 school and its authorizer must contain a provision that
3 requires the charter school to follow the list of all
4 non-curricular health and safety requirements promulgated by
5 the State Board and any non-curricular health and safety
6 requirements added by the State Board to such list during the
7 term of the charter. Nothing in this subsection (d) precludes
8 an authorizer from including non-curricular health and safety
9 requirements in a charter school contract that are not
10 contained in the list promulgated by the State Board,
11 including non-curricular health and safety requirements of the
12 authorizing local school board.

13 (e) Except as otherwise provided in the School Code, a
14 charter school shall not charge tuition; provided that a
15 charter school may charge reasonable fees for textbooks,
16 instructional materials, and student activities.

17 (f) A charter school shall be responsible for the
18 management and operation of its fiscal affairs, including, but
19 not limited to, the preparation of its budget. An audit of each
20 charter school's finances shall be conducted annually by an
21 outside, independent contractor retained by the charter
22 school. The contractor shall not be an employee of the charter
23 school or affiliated with the charter school or its authorizer
24 in any way, other than to audit the charter school's finances.
25 To ensure financial accountability for the use of public
26 funds, on or before December 1 of every year of operation, each

1 charter school shall submit to its authorizer and the State
2 Board a copy of its audit and a copy of the Form 990 the
3 charter school filed that year with the federal Internal
4 Revenue Service. In addition, if deemed necessary for proper
5 financial oversight of the charter school, an authorizer may
6 require quarterly financial statements from each charter
7 school.

8 (g) A charter school shall comply with all provisions of
9 this Article, the Illinois Educational Labor Relations Act,
10 all federal and State laws and rules applicable to public
11 schools that pertain to special education and the instruction
12 of English learners, and its charter. A charter school is
13 exempt from all other State laws and regulations in this Code
14 governing public schools and local school board policies;
15 however, a charter school is not exempt from the following:

16 (1) Sections 10-21.9 and 34-18.5 of this Code

16 The change made by Public Act 96-104 to this subsection
17 (g) is declaratory of existing law.

18 (h) A charter school may negotiate and contract with a
19 school district, the governing body of a State college or
20 university or public community college, or any other public or
21 for-profit or nonprofit private entity for: (i) the use of a
22 school building and grounds or any other real property or
23 facilities that the charter school desires to use or convert
24 for use as a charter school site, (ii) the operation and
25 maintenance thereof, and (iii) the provision of any service,
26 activity, or undertaking that the charter school is required

1 to perform in order to carry out the terms of its charter.
2 Except as provided in subsection (i) of this Section, a school
3 district may charge a charter school reasonable rent for the
4 use of the district's buildings, grounds, and facilities. Any
5 services for which a charter school contracts with a school
6 district shall be provided by the district at cost. Any
7 services for which a charter school contracts with a local
8 school board or with the governing body of a State college or
9 university or public community college shall be provided by
10 the public entity at cost.

11 (i) In no event shall a charter school that is established
12 by converting an existing school or attendance center to
13 charter school status be required to pay rent for space that is
14 deemed available, as negotiated and provided in the charter
15 agreement, in school district facilities. However, all other

3 (105 ILCS 5/30-14.2)

4 Sec. 30-14.2. Deceased, Disabled, and MIA/POW Veterans'
5 Dependents scholarship.

6 (a) Any spouse, natural child, legally adopted child under
7 the age of 18 at the time of adoption, minor child younger than
8 18 who is under a court-ordered guardianship for at least 2
9 continuous years prior to application, or step-child under the
10 age of 18 at the time of marriage of an eligible veteran or
11 serviceperson who possesses all necessary entrance
12 requirements shall, upon application and proper proof, be
13 awarded a MIA/POW Scholarship consisting of the equivalent of
14 4 calendar years of full-time enrollment including summer
15 terms, to the state supported Illinois institution of higher
16 learning of his choice, subject to the restrictions listed
17 below.

18 "Eligible veteran or serviceperson" means any veteran or
19 serviceperson, including an Illinois National Guard member who
20 is on active duty or is active on a training assignment, who
21 has been declared by the U.S. Department of Defense or the U.S.
22 Department of Veterans Affairs to be a prisoner of war or
23 missing in action, or has died as the result of a
24 service-connected disability or has become a person with a
25 permanent disability from service-connected causes with 100%

1 disability and who (i) at the time of entering service was an
2 Illinois resident, or (ii) was an Illinois resident within 6
3 months after entering such service, or (iii) is a resident of
4 Illinois at the time of application for the Scholarship and,
5 at some point after entering such service, was a resident of
6 Illinois for at least 15 consecutive years.

7 "Full-time enrollment" means 12 or more semester hours of
8 courses per semester, or 12 or more quarter hours of courses
9 per quarter, or the equivalent thereof per term. Scholarships
10 utilized by dependents enrolled in less than full-time study
11 shall be computed in the proportion which the number of hours
12 so carried bears to full-time enrollment.

13 Scholarships awarded under this Section may be used by a
14 spouse or child without regard to his or her age. The holder of
15 a Scholarship awarded under this Section shall be subject to
16 all examinations and academic standards, including the
17 maintenance of minimum grade levels, that are applicable
18 generally to other enrolled students at the Illinois
19 institution of higher learning where the Scholarship is being
20 used. If the surviving spouse remarries or if there is a
21 divorce between the veteran or serviceperson and his or her
22 spouse while the dependent is pursuing his or her course of
23 study, Scholarship benefits will be terminated at the end of
24 the term for which he or she is presently enrolled. Such
25 dependents shall also be entitled, upon proper proof and
26 application, to enroll in any extension course offered by a

1 State supported Illinois institution of higher learning
2 without payment of tuition and approved fees.

3 The holder of a MIA/POW Scholarship authorized under this
4 Section shall not be required to pay any tuition or mandatory
5 fees while attending a State-controlled university or public
6 community college in this State for a period equivalent to 4
7 years of enrollment, including summer terms.

8 Any dependent who has been or shall be awarded a MIA/POW
9 Scholarship shall be reimbursed by the appropriate institution
10 of higher learning for any fees which he or she has paid and
11 for which exemption is granted under this Section if
12 application for reimbursement is made within 2 months
13 following the end of the school term for which the fees were
14 paid.

15 (b) In lieu of the benefit provided in subsection (a), any
16 spouse, natural child, legally adopted child, or step-child of
17 an eligible veteran or serviceperson, which spouse or child
18 has a physical, mental or developmental disability, shall be
19 entitled to receive, upon application and proper proof, a
20 benefit to be used for the purpose of defraying the cost of the
21 attendance or treatment of such spouse or child at one or more
22 appropriate therapeutic, rehabilitative or educational
23 facilities. The application and proof may be made by the
24 parent or legal guardian of the spouse or child on his or her
25 behalf.

26 The total benefit provided to any beneficiary under this

1 subsection shall not exceed the cost equivalent of 4 calendar
2 years of full-time enrollment, including summer terms, at the
3 University of Illinois. Whenever practicable in the opinion of
4 the Department of Veterans Affairs, payment of benefits under
5 this subsection shall be made directly to the facility, the
6 cost of attendance or treatment at which is being defrayed, as
7 such costs accrue.

8 (c) The benefits of this Section shall be administered by
9 and paid for out of funds made available to the Illinois
10 Department of Veterans Affairs. The amounts that become due to
11 any state supported Illinois institution of higher learning
12 shall be payable by the Comptroller to such institution on
13 vouchers approved by the Illinois Department of Veterans
14 Affairs. The amounts that become due under subsection (b) of
15 this Section shall be payable by warrant upon vouchers issued
16 by the Illinois Department of Veterans Affairs and approved by
17 the Comptroller. The Illinois Department of Veterans Affairs
18 shall determine, by rule, the eligibility of the persons who
19 make application for the benefits provided for in this
20 Section.

23 (105 ILCS 5/34-2.3) (from Ch. 122, par. 34-2.3)

24 Sec. 34-2.3. Local school councils; powers and duties.
25 Each local school council shall have and exercise, consistent

1 with the provisions of this Article and the powers and duties
2 of the board of education, the following powers and duties:

3 1. (A) To annually evaluate the performance of the
4 principal of the attendance center using a Board-approved
5 ~~Board-approved~~ principal evaluation form, which shall
6 include the evaluation of (i) student academic
7 improvement, as defined by the school improvement plan,
8 (ii) student absenteeism rates at the school, (iii)
9 instructional leadership, (iv) the effective
10 implementation of programs, policies, or strategies to
11 improve student academic achievement, (v) school
12 management, and (vi) any other factors deemed relevant by
13 the local school council, including, without limitation,
14 the principal's communication skills and ability to create
15 and maintain a student-centered learning environment, to
16 develop opportunities for professional development, and to
17 encourage parental involvement and community partnerships
18 to achieve school improvement;

19 (B) to determine in the manner provided by subsection
20 (c) of Section 34-2.2 and subdivision 1.5 of this Section
21 whether the performance contract of the principal shall be
22 renewed; and

23 (C) to directly select, in the manner provided by
24 subsection (c) of Section 34-2.2, a new principal
25 (including a new principal to fill a vacancy) -- without
26 submitting any list of candidates for that position to the

1 general superintendent as provided in subdivision
2 ~~paragraph~~ 2 of this Section -- to serve under a 4 year
3 performance contract; provided that (i) the determination
4 of whether the principal's performance contract is to be
5 renewed, based upon the evaluation required by subdivision
6 1.5 of this Section, shall be made no later than 150 days
7 prior to the expiration of the current performance-based
8 contract of the principal, (ii) in cases where such
9 performance contract is not renewed -- a direct selection
10 of a new principal -- to serve under a 4 year performance
11 contract shall be made by the local school council no
12 later than 45 days prior to the expiration of the current
13 performance contract of the principal, and (iii) a
14 selection by the local school council of a new principal
15 to fill a vacancy under a 4-year ~~4-year~~ performance
16 contract shall be made within 90 days after the date such
17 vacancy occurs. A council ~~Council~~ shall be required, if
18 requested by the principal, to provide in writing the
19 reasons for the council's not renewing the principal's
20 contract.

21 1.5. The local school council's determination of
22 whether to renew the principal's contract shall be based
23 on an evaluation to assess the educational and
24 administrative progress made at the school during the
25 principal's current performance-based contract. The local
26 school council shall base its evaluation on (i) student

1 academic improvement, as defined by the school improvement
2 plan, (ii) student absenteeism rates at the school, (iii)
3 instructional leadership, (iv) the effective
4 implementation of programs, policies, or strategies to
5 improve student academic achievement, (v) school
6 management, and (vi) any other factors deemed relevant by
7 the local school council, including, without limitation,
8 the principal's communication skills and ability to create
9 and maintain a student-centered learning environment, to
10 develop opportunities for professional development, and to
11 encourage parental involvement and community partnerships
12 to achieve school improvement. If a local school council
13 fails to renew the performance contract of a principal
14 rated by the general superintendent, or his or her
15 designee, in the previous years' evaluations as meeting or
16 exceeding expectations, the principal, within 15 days
17 after the local school council's decision not to renew the
18 contract, may request a review of the local school
19 council's principal non-retention decision by a hearing
20 officer appointed by the American Arbitration Association.
21 A local school council member or members or the general
22 superintendent may support the principal's request for
23 review. During the period of the hearing officer's review
24 of the local school council's decision on whether or not
25 to retain the principal, the local school council shall
26 maintain all authority to search for and contract with a

1 person to serve as interim or acting principal, or as the
2 principal of the attendance center under a 4-year
3 performance contract, provided that any performance
4 contract entered into by the local school council shall be
5 voidable or modified in accordance with the decision of
6 the hearing officer. The principal may request review only
7 once while at that attendance center. If a local school
8 council renews the contract of a principal who failed to
9 obtain a rating of "meets" or "exceeds expectations" in
10 the general superintendent's evaluation for the previous
11 year, the general superintendent, within 15 days after the
12 local school council's decision to renew the contract, may
13 request a review of the local school council's principal
14 retention decision by a hearing officer appointed by the
15 American Arbitration Association. The general
16 superintendent may request a review only once for that
17 principal at that attendance center. All requests to
18 review the retention or non-retention of a principal shall
19 be submitted to the general superintendent, who shall, in
20 turn, forward such requests, within 14 days of receipt, to
21 the American Arbitration Association. The general
22 superintendent shall send a contemporaneous copy of the
23 request that was forwarded to the American Arbitration
24 Association to the principal and to each local school
25 council member and shall inform the local school council
26 of its rights and responsibilities under the arbitration

1 process, including the local school council's right to
2 representation and the manner and process by which the
3 Board shall pay the costs of the council's representation.
4 If the local school council retains the principal and the
5 general superintendent requests a review of the retention
6 decision, the local school council and the general
7 superintendent shall be considered parties to the
8 arbitration, a hearing officer shall be chosen between
9 those 2 parties pursuant to procedures promulgated by the
10 State Board of Education, and the principal may retain
11 counsel and participate in the arbitration. If the local
12 school council does not retain the principal and the
13 principal requests a review of the retention decision, the
14 local school council and the principal shall be considered
15 parties to the arbitration and a hearing officer shall be
16 chosen between those 2 parties pursuant to procedures
17 promulgated by the State Board of Education. The hearing
18 shall begin (i) within 45 days after the initial request
19 for review is submitted by the principal to the general
20 superintendent or (ii) if the initial request for review
21 is made by the general superintendent, within 45 days
22 after that request is mailed to the American Arbitration
23 Association. The hearing officer shall render a decision
24 within 45 days after the hearing begins and within 90 days
25 after the initial request for review. The Board shall
26 contract with the American Arbitration Association for all

1 of the hearing officer's reasonable and necessary costs.
2 In addition, the Board shall pay any reasonable costs
3 incurred by a local school council for representation
4 before a hearing officer.

5 1.10. The hearing officer shall conduct a hearing,
6 which shall include (i) a review of the principal's
7 performance, evaluations, and other evidence of the
8 principal's service at the school, (ii) reasons provided
9 by the local school council for its decision, and (iii)
10 documentation evidencing views of interested persons,
11 including, without limitation, students, parents, local
12 school council members, school faculty and staff, the
13 principal, the general superintendent or his or her
14 designee, and members of the community. The burden of
15 proof in establishing that the local school council's
16 decision was arbitrary and capricious shall be on the
17 party requesting the arbitration, and this party shall
18 sustain the burden by a preponderance of the evidence. The
19 hearing officer shall set the local school council
20 decision aside if that decision, in light of the record
21 developed at the hearing, is arbitrary and capricious. The
22 decision of the hearing officer may not be appealed to the
23 Board or the State Board of Education. If the hearing
24 officer decides that the principal shall be retained, the
25 retention period shall not exceed 2 years.

26 2. In the event (i) the local school council does not

1 renew the performance contract of the principal, or the
2 principal fails to receive a satisfactory rating as
3 provided in subsection (h) of Section 34-8.3, or the
4 principal is removed for cause during the term of his or
5 her performance contract in the manner provided by Section
6 34-85, or a vacancy in the position of principal otherwise
7 occurs prior to the expiration of the term of a
8 principal's performance contract, and (ii) the local
9 school council fails to directly select a new principal to
10 serve under a 4-year ~~4-year~~ performance contract, the
11 local school council in such event shall submit to the
12 general superintendent a list of 3 candidates -- listed in
13 the local school council's order of preference -- for the
14 position of principal, one of which shall be selected by
15 the general superintendent to serve as principal of the
16 attendance center. If the general superintendent fails or
17 refuses to select one of the candidates on the list to
18 serve as principal within 30 days after being furnished
19 with the candidate list, the general superintendent shall
20 select and place a principal on an interim basis (i) for a
21 period not to exceed one year or (ii) until the local
22 school council selects a new principal with 7 affirmative
23 votes as provided in subsection (c) of Section 34-2.2,
24 whichever occurs first. If the local school council fails
25 or refuses to select and appoint a new principal, as
26 specified by subsection (c) of Section 34-2.2, the general

1 superintendent may select and appoint a new principal on
2 an interim basis for an additional year or until a new
3 contract principal is selected by the local school
4 council. There shall be no discrimination on the basis of
5 race, sex, creed, color, or disability unrelated to
6 ability to perform in connection with the submission of
7 candidates for, and the selection of a candidate to serve
8 as principal of an attendance center. No person shall be
9 directly selected, listed as a candidate for, or selected
10 to serve as principal of an attendance center (i) if such
11 person has been removed for cause from employment by the
12 Board or (ii) if such person does not hold a valid
13 Professional Educator License issued under Article 21B and
14 endorsed as required by that Article for the position of
15 principal. A principal whose performance contract is not
16 renewed as provided under subsection (c) of Section 34-2.2
17 may nevertheless, if otherwise qualified and licensed as
18 herein provided and if he or she has received a
19 satisfactory rating as provided in subsection (h) of
20 Section 34-8.3, be included by a local school council as
21 one of the 3 candidates listed in order of preference on
22 any candidate list from which one person is to be selected
23 to serve as principal of the attendance center under a new
24 performance contract. The initial candidate list required
25 to be submitted by a local school council to the general
26 superintendent in cases where the local school council

1 does not renew the performance contract of its principal
2 and does not directly select a new principal to serve
3 under a 4-year ~~4-year~~ performance contract shall be
4 submitted not later than 30 days prior to the expiration
5 of the current performance contract. In cases where the
6 local school council fails or refuses to submit the
7 candidate list to the general superintendent no later than
8 30 days prior to the expiration of the incumbent
9 principal's contract, the general superintendent may
10 appoint a principal on an interim basis for a period not to
11 exceed one year, during which time the local school
12 council shall be able to select a new principal with 7
13 affirmative votes as provided in subsection (c) of Section
14 34-2.2. In cases where a principal is removed for cause or
15 a vacancy otherwise occurs in the position of principal
16 and the vacancy is not filled by direct selection by the
17 local school council, the candidate list shall be
18 submitted by the local school council to the general
19 superintendent within 90 days after the date such removal
20 or vacancy occurs. In cases where the local school council
21 fails or refuses to submit the candidate list to the
22 general superintendent within 90 days after the date of
23 the vacancy, the general superintendent may appoint a
24 principal on an interim basis for a period of one year,
25 during which time the local school council shall be able
26 to select a new principal with 7 affirmative votes as

1 provided in subsection (c) of Section 34-2.2.

2 2.5. Whenever a vacancy in the office of a principal
3 occurs for any reason, the vacancy shall be filled in the
4 manner provided by this Section by the selection of a new
5 principal to serve under a 4-year ~~4-year~~ performance
6 contract.

7 3. To establish additional criteria to be included as
8 part of the performance contract of its principal,
9 provided that such additional criteria shall not
10 discriminate on the basis of race, sex, creed, color, or
11 disability unrelated to ability to perform, and shall not
12 be inconsistent with the uniform 4-year ~~4-year~~ performance
13 contract for principals developed by the board as provided
14 in Section 34-8.1 of this ~~the School~~ Code or with other
15 provisions of this Article governing the authority and
16 responsibility of principals.

17 4. To approve the expenditure plan prepared by the
18 principal with respect to all funds allocated and
19 distributed to the attendance center by the Board. The
20 expenditure plan shall be administered by the principal.
21 Notwithstanding any other provision of this Code Act or
22 any other law, any expenditure plan approved and
23 administered under this Section 34-2.3 shall be consistent
24 with and subject to the terms of any contract for services
25 with a third party entered into by the Chicago School
26 Reform Board of Trustees or the board under this Code Act.

1 Via a supermajority vote of 8 members of a local
2 school council enrolling students through the 8th grade or
3 9 members of a local school council at a secondary
4 attendance center or an attendance center enrolling
5 students in grades 7 through 12, the Council may transfer
6 allocations pursuant to this Section 34-2.3 within funds;
7 provided that such a transfer is consistent with
8 applicable law and collective bargaining agreements.

9 Beginning in fiscal year 1991 and in each fiscal year
10 thereafter, the Board may reserve up to 1% of its total
11 fiscal year budget for distribution on a prioritized basis
12 to schools throughout the school system in order to assure
13 adequate programs to meet the needs of special student
14 populations as determined by the Board. This distribution
15 shall take into account the needs catalogued in the
16 Systemwide Plan and the various local school improvement
17 plans of the local school councils. Information about
18 these centrally funded programs shall be distributed to
19 the local school councils so that their subsequent
20 planning and programming will account for these
21 provisions.

22 Beginning in fiscal year 1991 and in each fiscal year
23 thereafter, from other amounts available in the applicable
24 fiscal year budget, the board shall allocate a lump sum
25 amount to each local school based upon such formula as the
26 board shall determine taking into account the special

1 needs of the student body. The local school principal
2 shall develop an expenditure plan in consultation with the
3 local school council, the professional personnel
4 leadership committee and with all other school personnel,
5 which reflects the priorities and activities as described
6 in the school's local school improvement plan and is
7 consistent with applicable law and collective bargaining
8 agreements and with board policies and standards; however,
9 the local school council shall have the right to request
10 waivers of board policy from the board of education and
11 waivers of employee collective bargaining agreements
12 pursuant to Section 34-8.1a.

13 The expenditure plan developed by the principal with
14 respect to amounts available from the fund for prioritized
15 special needs programs and the allocated lump sum amount
16 must be approved by the local school council.

17 The lump sum allocation shall take into account the
18 following principles:

19 a. Teachers: Each school shall be allocated funds
20 equal to the amount appropriated in the previous
21 school year for compensation for teachers (regular
22 grades kindergarten through 12th grade) plus whatever
23 increases in compensation have been negotiated
24 contractually or through longevity as provided in the
25 negotiated agreement. Adjustments shall be made due to
26 layoff or reduction in force, lack of funds or work,

1 change in subject requirements, enrollment changes, or
2 contracts with third parties for the performance of
3 services or to rectify any inconsistencies with
4 system-wide allocation formulas or for other
5 legitimate reasons.

6 b. Other personnel: Funds for other teacher
7 licensed and nonlicensed personnel paid through
8 non-categorical funds shall be provided according to
9 system-wide formulas based on student enrollment and
10 the special needs of the school as determined by the
11 Board.

12 c. Non-compensation items: Appropriations for all
13 non-compensation items shall be based on system-wide
14 formulas based on student enrollment and on the
15 special needs of the school or factors related to the
16 physical plant, including, but not limited to,
17 textbooks, electronic textbooks and the technological
18 equipment necessary to gain access to and use
19 electronic textbooks, supplies, electricity,
20 equipment, and routine maintenance.

21 d. Funds for categorical programs: Schools shall
22 receive personnel and funds based on, and shall use
23 such personnel and funds in accordance with State and
24 federal ~~Federal~~ requirements applicable to each
25 categorical program provided to meet the special needs
26 of the student body (including, but not limited to,

1 Federal Chapter I, Bilingual, and Special Education).

2 d.1. Funds for State Title I: Each school shall
3 receive funds based on State and Board requirements
4 applicable to each State Title I pupil provided to
5 meet the special needs of the student body. Each
6 school shall receive the proportion of funds as
7 provided in Section 18-8 or 18-8.15 to which they are
8 entitled. These funds shall be spent only with the
9 budgetary approval of the local school council ~~Local~~
10 ~~School Council~~ as provided in Section 34-2.3.

11 e. The local school council ~~Local School Council~~
12 shall have the right to request the principal to close
13 positions and open new ones consistent with the
14 provisions of the local school improvement plan
15 provided that these decisions are consistent with
16 applicable law and collective bargaining agreements.
17 If a position is closed, pursuant to this paragraph,
18 the local school shall have for its use the
19 system-wide average compensation for the closed
20 position.

21 f. Operating within existing laws and collective
22 bargaining agreements, the local school council shall
23 have the right to direct the principal to shift
24 expenditures within funds.

25 g. (Blank).

26 Any funds unexpended at the end of the fiscal year

1 shall be available to the board of education for use as
2 part of its budget for the following fiscal year.

3 5. To make recommendations to the principal concerning
4 textbook selection and concerning curriculum developed
5 pursuant to the school improvement plan which is
6 consistent with systemwide curriculum objectives in
7 accordance with Sections 34-8 and 34-18 of this ~~the School~~
8 Code and in conformity with the collective bargaining
9 agreement.

10 6. To advise the principal concerning the attendance
11 and disciplinary policies for the attendance center,
12 subject to the provisions of this Article and Article 26,
13 and consistent with the uniform system of discipline
14 established by the board pursuant to Section 34-19.

15 7. To approve a school improvement plan developed as
16 provided in Section 34-2.4. The process and schedule for
17 plan development shall be publicized to the entire school
18 community, and the community shall be afforded the
19 opportunity to make recommendations concerning the plan.
20 At least twice a year the principal and local school
21 council shall report publicly on progress and problems
22 with respect to plan implementation.

23 8. To evaluate the allocation of teaching resources
24 and other licensed and nonlicensed staff to the attendance
25 center to determine whether such allocation is consistent
26 with and in furtherance of instructional objectives and

1 school programs reflective of the school improvement plan
2 adopted for the attendance center; and to make
3 recommendations to the board, the general superintendent,L
4 and the principal concerning any reallocation of teaching
5 resources or other staff whenever the council determines
6 that any such reallocation is appropriate because the
7 qualifications of any existing staff at the attendance
8 center do not adequately match or support instructional
9 objectives or school programs which reflect the school
10 improvement plan.

11 9. To make recommendations to the principal and the
12 general superintendent concerning their respective
13 appointments, after August 31, 1989, and in the manner
14 provided by Section 34-8 and Section 34-8.1, of persons to
15 fill any vacant, additional,L or newly created positions
16 for teachers at the attendance center or at attendance
17 centers which include the attendance center served by the
18 local school council.

19 10. To request of the Board the manner in which
20 training and assistance shall be provided to the local
21 school council. Pursuant to Board guidelines a local
22 school council is authorized to direct the Board of
23 Education to contract with personnel or not-for-profit
24 organizations not associated with the school district to
25 train or assist council members. If training or assistance
26 is provided by contract with personnel or organizations

1 not associated with the school district, the period of
2 training or assistance shall not exceed 30 hours during a
3 given school year; the person shall not be employed on a
4 continuous basis longer than said period and shall not
5 have been employed by the Chicago Board of Education
6 within the preceding six months. Council members shall
7 receive training in at least the following areas:

8 1. school budgets;

9 2. educational theory pertinent to the attendance
10 center's particular needs, including the development
11 of the school improvement plan and the principal's
12 performance contract; and

13 3. personnel selection.

14 Council members shall, to the greatest extent possible,
15 complete such training within 90 days of election.

16 11. In accordance with systemwide guidelines contained
17 in the System-Wide Educational Reform Goals and Objectives
18 Plan, criteria for evaluation of performance shall be
19 established for local school councils and local school
20 council members. If a local school council persists in
21 noncompliance with systemwide requirements, the Board may
22 impose sanctions and take necessary corrective action,
23 consistent with Section 34-8.3.

24 12. Each local school council shall comply with the
25 Open Meetings Act and the Freedom of Information Act. Each
26 local school council shall issue and transmit to its

1 school community a detailed annual report accounting for
2 its activities programmatically and financially. Each
3 local school council shall convene at least 2
4 well-publicized meetings annually with its entire school
5 community. These meetings shall include presentation of
6 the proposed local school improvement plan, of the
7 proposed school expenditure plan, and the annual report,
8 and shall provide an opportunity for public comment.

9 13. Each local school council is encouraged to involve
10 additional non-voting members of the school community in
11 facilitating the council's exercise of its
12 responsibilities.

13 14. The local school council may adopt a school
14 uniform or dress code policy that governs the attendance
15 center and that is necessary to maintain the orderly
16 process of a school function or prevent endangerment of
17 student health or safety, consistent with the policies and
18 rules of the Board of Education. A school uniform or dress
19 code policy adopted by a local school council: (i) shall
20 not be applied in such manner as to discipline or deny
21 attendance to a transfer student or any other student for
22 noncompliance with that policy during such period of time
23 as is reasonably necessary to enable the student to
24 acquire a school uniform or otherwise comply with the
25 dress code policy that is in effect at the attendance
26 center into which the student's enrollment is transferred;

(ii) shall include criteria and procedures under which the local school council will accommodate the needs of or otherwise provide appropriate resources to assist a student from an indigent family in complying with an applicable school uniform or dress code policy; (iii) shall not include or apply to hairstyles, including hairstyles historically associated with race, ethnicity, or hair texture, including, but not limited to, protective hairstyles such as braids, locks, and twists; and (iv) shall not prohibit the right of a student to wear or accessorize the student's graduation attire with items associated with the student's cultural, ethnic, or religious identity or any other protected characteristic or category identified in subsection (Q) of Section 1-103 of the Illinois Human Rights Act. A student whose parents or legal guardians object on religious grounds to the student's compliance with an applicable school uniform or dress code policy shall not be required to comply with that policy if the student's parents or legal guardians present to the local school council a signed statement of objection detailing the grounds for the objection. If a local school council does not comply with the requirements and prohibitions set forth in this subdivision ~~paragraph~~ 14, the attendance center is subject to the penalty imposed pursuant to subsection (a) of Section 2-3.25.

15. All decisions made and actions taken by the local

1 school council in the exercise of its powers and duties
2 shall comply with State and federal laws, all applicable
3 collective bargaining agreements, court orders, and rules
4 properly promulgated by the Board.

5 15a. To grant, in accordance with board rules and
6 policies, the use of assembly halls and classrooms when
7 not otherwise needed, including lighting, heat, and
8 attendants, for public lectures, concerts, and other
9 educational and social activities.

10 15b. To approve, in accordance with board rules and
11 policies, receipts and expenditures for all internal
12 accounts of the attendance center, and to approve all
13 fund-raising activities by nonschool organizations that
14 use the school building.

15 16. (Blank).

16 ~~17.~~ Names and addresses of local school council members
17 shall be a matter of public record.

20 (105 ILCS 5/34-21.6) (from Ch. 122, par. 34-21.6)

21 Sec. 34-21.6. Waiver of fees and fines.

22 (a) The board shall waive all fees and any fines for the
23 loss of school property assessed by the district on children
24 whose parents are unable to afford them, including, but not
25 limited to:

1 (1) children living in households that meet the free
2 lunch or breakfast eligibility guidelines established by
3 the federal government pursuant to Section 1758 of the
4 federal Richard B. Russell National School Lunch Act (42
5 U.S.C. 1758; 7 CFR 245 et seq.) and students whose parents
6 are veterans or active duty military personnel with income
7 at or below 200% of the federal poverty level, subject to
8 verification as set forth in subsection (b) of this
9 Section; and

10 (2) homeless children and youths as defined in Section
11 11434a of the federal McKinney-Vento Homeless Assistance
12 Act (42 U.S.C. 11434a).

13 Notice of waiver availability shall be given to parents or
14 guardians with every bill for fees or fines. The board shall
15 develop written policies and procedures implementing this
16 Section in accordance with regulations promulgated by the
17 State Board of Education.

18 (b) If the board participates in a federally funded,
19 school-based child nutrition program and uses a student's
20 application for, eligibility for, or participation in the
21 federally funded, school-based child nutrition program (42
22 U.S.C. 1758; 7 CFR 245 et seq.) as the basis for waiving fees
23 assessed by the district, then the board must follow the
24 verification requirements of the federally funded,
25 school-based child nutrition program (42 U.S.C. 1758; 7 CFR
26 245.6a).

1 If the board establishes a process for the determination
2 of eligibility for waiver of all fees assessed by the district
3 that is completely independent of the criteria listed in this
4 subsection (b), the board may provide for waiver verification
5 no more often than once every academic year. Information
6 obtained during the independent waiver verification process
7 indicating that the student does not meet free lunch or
8 breakfast eligibility guidelines may be used to deny the
9 waiver of the student's fees or fines for the loss of school
10 property, provided that any information obtained through this
11 independent process for determining or verifying eligibility
12 for fee waivers shall not be used to determine or verify
13 eligibility for any federally funded, school-based child
14 nutrition program.

15 This subsection shall not preclude children from obtaining
16 waivers at any point during the academic year.

17 (c) The board may not discriminate against, punish, or
18 penalize a student in any way because of an unpaid balance on
19 the student's school account or because the student's parents
20 or guardians are unable to pay any required fees or fines for
21 the loss of school property. This prohibition includes, but is
22 not limited to, the lowering of grades, exclusion from any
23 curricular or extracurricular program of the school district,
24 or withholding of student records, grades, transcripts, or
25 diplomas. Any person who violates this subsection (c) is
26 guilty of a petty offense.

3 (105 ILCS 5/34-21.10)

4 Sec. 34-21.10. Creation of districts and subdistricts;
5 reapportionment of subdistricts.

6 (a) For purposes of the election of Chicago Board of
7 Education members under subsection (b-15) of Section 34-3, the
8 General Assembly shall subdivide the City of Chicago into 10

19 under this Section shall be in an amount sufficient to pay the
20 total cost of attendance of the qualified Illinois institution
21 of higher learning at which the recipient is enrolled, up to an
22 annual maximum of \$7,500.

23 (d) The total amount of teacher scholarship assistance
24 awarded by the Commission under this Section to an individual
25 in any given fiscal year, when added to other financial
26 assistance awarded to that individual for that year, shall not

1 exceed the total cost of attendance at the institution at
2 which the student is enrolled. If the amount of a teacher
3 scholarship to be awarded to a scholarship recipient as
4 provided in subsection (c) of this Section exceeds the total
5 cost of attendance at the institution at which the student is
6 enrolled, the teacher scholarship shall be reduced by an
7 amount equal to the amount by which the combined financial
8 assistance available to the recipient exceeds the total cost
9 of attendance.

10 (e) The maximum number of academic terms for which a
11 recipient can receive teacher scholarship assistance shall be
12 8 semesters or 12 quarters.

13 (f) In any academic year for which an eligible applicant
14 under this Section accepts financial assistance through the
15 Golden Apple Scholars of Illinois Program, the Special
16 Education Teacher Tuition Waiver Program, or the Teach
17 Illinois Scholarship Program, the applicant shall not be
18 eligible for scholarship assistance awarded under this
19 Section.

20 (g) All applications for teacher scholarships to be
21 awarded under this Section shall be made to the Commission on
22 forms which the Commission shall provide. Applicants must
23 submit an application annually. Applicants must also complete
24 the Free Application for Federal Student Aid. The form of
25 applications and the information required to be set forth
26 therein shall be determined by the Commission, and the

1 Commission shall require applicants to submit with their
2 applications such supporting documents or recommendations as
3 the Commission deems necessary. If an application is
4 incomplete, the Commission shall notify the applicant. The
5 applicant shall then have an opportunity to furnish the
6 missing information; however, the application shall be
7 considered for processing only as of the date when the
8 application is complete and received by the Commission.
9 Applicants may be required to furnish the institution at which
10 they are enrolled with a copy of their high school
11 transcripts, any other documentation verifying high school
12 graduation, or a copy of their State of Illinois High School
13 Diplomas ~~Diploma~~.

14 (h) Subject to a separate appropriation for such purposes,
15 payment of any teacher scholarship awarded under this Section
16 shall be determined by the Commission. All scholarship funds
17 distributed in accordance with this subsection shall be paid
18 to the institution and used only for payment of the tuition and
19 fee and room and board expenses incurred by the student in
20 connection with his or her attendance at a qualified Illinois
21 institution of higher learning. Any teacher scholarship
22 awarded under this Section shall be applicable to 2 semesters
23 or 3 quarters of enrollment within a regular academic year. If
24 a recipient withdraws from enrollment prior to completion of
25 the first semester or quarter for which the teacher
26 scholarship is applicable, the school shall refund to the

1 Commission the full amount of the teacher scholarship.

2 (i) The Commission shall administer the teacher
3 scholarship program established by this Section and shall make
4 all necessary and proper rules not inconsistent with this
5 Section for its effective implementation. The Commission shall
6 make information available on its website regarding school
7 districts that meet the criteria set forth in the definition
8 of a qualified student under subsection (a).

9 (j) When an appropriation to the Commission for a given
10 fiscal year is insufficient to provide scholarships to all
11 qualified students, the Commission shall allocate the
12 appropriation in accordance with this subsection. If funds are
13 insufficient to provide all qualified students with a
14 scholarship as authorized by this Section, the Commission
15 shall allocate the available scholarship funds for that fiscal
16 year to qualified students who submit a timely complete
17 application form on or before a date specified by the
18 Commission based on the following order of priority:

19 (1) To students who received a scholarship under this
20 Section in the prior academic year and who remain eligible
21 for a teacher scholarship under this Section.

22 (2) To students who demonstrate the most financial
23 need, as determined by the Commission.

24 (3) To students with the earliest date of received
25 completed applications.

26 (4) To students enrolled at or above the junior level.

1 (k) If at least \$2,850,000 but less than \$4,200,000 is
2 appropriated in a given fiscal year for scholarships awarded
3 under this Section, then at least 10% of the funds
4 appropriated shall be reserved for qualified bilingual
5 applicants, with priority being given to qualified bilingual
6 applicants who are enrolled in an educator preparation program
7 with a concentration in bilingual, bicultural education. If at
8 least \$4,200,000 is appropriated in a given fiscal year for
9 the Teachers of Illinois scholarship program, then at least
10 30% of the funds appropriated shall be reserved for qualified
11 bilingual applicants, with priority being given to qualified
12 bilingual applicants who are enrolled in an educator
13 preparation program with a concentration in bilingual,
14 bicultural education. For a fiscal year to which this
15 subsection applies, if, on or after January 1 of that fiscal
16 year, appropriated funds remain after awarding reserved funds
17 to qualified bilingual applicants, then the Commission may, in
18 its discretion, award a portion of the reserved funds to other
19 qualified students in accordance with subsection (j).

20 (1) Prior to receiving scholarship assistance for any
21 academic year, each recipient of a teacher scholarship awarded
22 under this Section shall be required by the Commission to sign
23 and submit a teaching agreement or promissory note to the
24 Commission under which the recipient pledges that, within the
25 one-year period following the termination of the program for
26 which the recipient was awarded a teacher scholarship, the

1 recipient (i) shall begin teaching for a period of not less
2 than one year for each year of scholarship assistance he or she
3 was awarded under this Section and shall teach on a continuous
4 basis for the required period of time; (ii) shall fulfill this
5 teaching obligation at a public school district in this State
6 that had a 3-year average teacher vacancy rate at or above the
7 3-year statewide average teacher vacancy rate, excluding
8 public school districts that had zero vacancies, in any school
9 year among the most recent 3 school years for which data is
10 available from the State Board of Education or a public school
11 district in this State in which the number of teacher
12 vacancies in the district was at or above the statewide
13 average number of teacher vacancies, excluding public school
14 districts that had zero vacancies, in any school year among
15 the most recent 3 school years for which data is available from
16 the State Board of Education in the year during which the
17 recipient begins teaching at the school or may instead, if the
18 recipient received a scholarship as a qualified bilingual
19 applicant, fulfill this teaching obligation in a program in
20 transitional bilingual education pursuant to Article 14C of
21 the School Code or in a school in which 20 or more English
22 learner students in the same language classification are
23 enrolled; and (iii) shall, upon request by the Commission,
24 provide the Commission with evidence that he or she is
25 fulfilling or has fulfilled the terms of the teaching
26 agreement provided for in this subsection. Recipients of a

1 teacher scholarship under this Section are also required to
2 provide the Commission with evidence of compliance with
3 program requirements, including, but not limited to annual
4 follow-up questionnaires. Recipients of a teacher scholarship
5 under this Section must also promise to use the proceeds of the
6 scholarship for educational expenses.

7 (1-5) If, prior to the 2025-2026 academic year, an
8 individual received a scholarship under this Section and
9 signed an agreement pledging to teach at a school meeting
10 specified criteria and that individual receives a subsequent
11 scholarship under this Section on or after November 21, 2025
12 ~~(the effective date of Public Act 104-437) this amendatory Act~~
13 ~~of the 104th General Assembly~~, then that recipient may
14 complete his or her entire teaching obligation at a school
15 meeting the criteria described in subsection (1) of this
16 Section and the Commission shall consider such employment to
17 satisfy the terms of that recipient's agreement to teach
18 signed before November 21, 2025 (the effective date of Public
19 Act 104-437) ~~this amendatory Act of the 104th General~~
20 ~~Assembly~~.

21 (m) If a recipient of a teacher scholarship awarded under
22 this Section fails to fulfill the teaching obligation set
23 forth in subsection (1) of this Section, the scholarship
24 converts to a loan. The repayment period shall be completed
25 within 10 years after the scholarship converts to a loan.

26 The 10-year period may be extended if the recipient (i)

1 serves, for not more than 3 years, as a member of the United
2 States Armed Forces; (ii) is temporarily disabled, for not
3 more than 3 years, as established by the sworn affidavit of a
4 licensed physician; (iii) is seeking and unable to find
5 full-time employment, for one continuous period not to exceed
6 2 years, and is able to provide evidence of that fact; (iv)
7 withdraws from a course of study leading to licensure as a
8 teacher but is enrolled full time in another academic
9 discipline; or (v) is pursuing a graduate course of study and
10 is enrolled on a full-time basis for one continuous period of
11 time not to exceed 3 years. During the time a recipient
12 qualifies for any extensions, the recipient is not required to
13 make payments and interest does not accrue.

14 The recipient shall enter repayment status on the earliest
15 of the following: the first day of the first calendar month
16 after the recipient has ceased to pursue a course of study
17 leading to licensure as a teacher at the preschool,
18 elementary, or secondary level, but not before 6 months have
19 elapsed after the cessation of at least half-time enrollment
20 in such a course of study; the date the recipient informs the
21 Commission that the recipient does not plan to fulfill the
22 teaching obligation; or the day after the latest date upon
23 which the recipient must have begun teaching after completing
24 the postsecondary education for which the scholarship was
25 awarded.

26 The Commission shall require the recipient to repay the

1 amount of the scholarships received, prorated according to the
2 fraction of the teaching obligation not completed, at an
3 annual rate of interest equal to 5%, and, if applicable,
4 reasonable collection fees. If a recipient who enters into
5 repayment under this subsection (m) subsequently, within 5
6 years of entering repayment, begins to teach at a school
7 meeting the description under subsection (l) of this Section,
8 the Commission may reduce the amount owed by the recipient in
9 proportion to the amount of the teaching obligation completed.
10 All repayments collected under this Section shall be forwarded
11 to the State Comptroller for deposit into the State's General
12 Revenue Fund.

13 A recipient is not required to repay the amount of the
14 scholarship received if the recipient becomes permanently
15 totally disabled, as established by the sworn affidavit of a
16 qualified physician, or if the recipient's representative
17 provides the Commission with a death certificate or other
18 evidence that the recipient has died.

19 (n) A recipient of a teacher scholarship shall not be
20 considered in violation of the agreement entered into pursuant
21 to subsection (l) if the recipient (i) enrolls on a full-time
22 ~~full-time~~ basis as a graduate student in a course of study
23 related to the field of teaching at a qualified Illinois
24 institution of higher learning; (ii) is serving, not in excess
25 of 3 years, as a member of the armed services of the United
26 States; (iii) is a person with a temporary total disability

2 sworn affidavit of a qualified physician; (iv) is seeking
3 full-time employment for one continuous period not to exceed 2
4 years and is unable to find full time employment as a teacher
5 at a school district in this State that satisfies the criteria
6 set forth in subsection (l) of this Section and is able to
7 provide evidence of that fact; (v) becomes a person with a
8 permanent total disability as established by sworn affidavit
9 of a qualified physician; (vi) is taking additional courses,
10 on at least a half-time basis, needed to obtain licensure as a
11 teacher in Illinois; or (vii) is fulfilling teaching
12 requirements associated with other programs administered by
13 the Commission and cannot concurrently fulfill them under this
14 Section in a period of time equal to the length of the teaching
15 obligation.

16 (o) Scholarship recipients under this Section who withdraw
17 from a program of teacher education but remain enrolled in
18 school to continue their postsecondary studies in another
19 academic discipline shall not be required to commence
20 repayment of their Teachers of Illinois scholarship so long as
21 they remain enrolled in school on a full-time basis or if they
22 can document for the Commission special circumstances that
23 warrant extension of repayment.

24 (o-5) The Commission may not require repayment of any
25 Minority Teachers of Illinois scholarship from any recipient
26 who:

1 (1) received that scholarship during the 2024-2025
2 academic year;

3 (2) would have remained eligible for the Minority
4 Teachers of Illinois scholarship if it remained in effect
5 for the 2025-2026 academic year;

6 (3) does not meet the definition of a qualified
7 student under the Teachers of Illinois scholarship program
8 established by Public Act 104-437 ~~this amendatory Act of~~
9 ~~the 104th General Assembly~~; and

10 (4) does not complete the educator preparation program
11 in which the recipient was enrolled when receiving the
12 Minority Teachers of Illinois scholarship.

13 (p) The State Board of Education shall furnish all
14 appropriate data referenced within the definition of a
15 qualified student under subsection (a) on a timely basis to
16 the Commission.

17 (q) Each qualified Illinois institution of higher learning
18 that receives funds from the Teachers of Illinois scholarship
19 program shall ensure that each scholarship recipient enrolled
20 at the institution meets with an academic advisor at least
21 once per academic year to facilitate on-time completion of the
22 recipient's educator preparation program. Institutions shall
23 also submit eligibility information for qualified students in
24 sufficient time for the Commission to make award
25 announcements.

26 Teacher scholarship awards under this Section shall be

1 paid directly to the approved institution of record that
2 certifies to the Commission that the applicant is an eligible
3 recipient. The Commission shall annually establish priority
4 claim dates for the submission of payment requests and inform
5 institutions of the required priority dates. Late payment
6 requests shall result in the delayed processing of payments.
7 Payment requests shall be processed in the sequence of receipt
8 by the Commission and as funds are available. Institutions may
9 submit their payment requests beginning 10 days prior to the
10 start of classes for the term for which payment is being
11 requested.

12 The Commission shall disburse scholarship funds in 2 or 3
13 installments, depending on the number of terms financed by the
14 scholarship, except that multiple disbursements are not
15 required in cases in which the applicant's eligibility is not
16 determined until the final term of the regular academic year
17 for which the scholarship is being awarded or if a student is
18 attending only one term and the maximum award does not exceed
19 the student's cost of attendance.

20 Funds shall be remitted by the Commission to institutions
21 on behalf of recipients. Upon receipt of scholarship funds,
22 the institution shall verify the recipient's enrollment status
23 for the term for which the award was intended. If enrolled, the
24 institution may credit the scholarship funds to the
25 recipient's account for expenses due and payable. The balance
26 of the disbursement shall be released to the recipient. Upon

1 receipt of the scholarship funds, if the recipient has
2 withdrawn from enrollment for the terms for which the award
3 was intended, the institution shall return the amount of the
4 scholarship payment to the Commission.

6 ~~this amendatory Act of the 104th General Assembly~~ shall first
7 apply beginning with awards made for the 2025-2026 academic
