8 Sec. 7. Exemptions.

9 (1) When a request is made to inspect or copy a public
10 record that contains information that is exempt from
11 disclosure under this Section, but also contains information
12 that is not exempt from disclosure, the public body may elect
13 to redact the information that is exempt. The public body
14 shall make the remaining information available for inspection
15 and copying. Subject to this requirement, the following shall
16 be exempt from inspection and copying:

17 (a) Information specifically prohibited from
18 disclosure by federal or State law or rules and
19 regulations implementing federal or State law.

20 (b) Private information, unless disclosure is required
21 by another provision of this Act, a State or federal law,
22 or a court order.

23 (b-5) Files, documents, and other data or databases

1 maintained by one or more law enforcement agencies and
2 specifically designed to provide information to one or
3 more law enforcement agencies regarding the physical or
4 mental status of one or more individual subjects.

5 (c) Personal information contained within public
6 records, the disclosure of which would constitute a
7 clearly unwarranted invasion of personal privacy, unless
8 the disclosure is consented to in writing by the
9 individual subjects of the information. "Unwarranted
10 invasion of personal privacy" means the disclosure of
11 information that is highly personal or objectionable to a
12 reasonable person and in which the subject's right to
13 privacy outweighs any legitimate public interest in
14 obtaining the information. The disclosure of information
15 that bears on the public duties of public employees and
16 officials shall not be considered an invasion of personal
17 privacy.

18 (d) Records in the possession of any public body
19 created in the course of administrative enforcement
20 proceedings, and any law enforcement or correctional
21 agency for law enforcement purposes, but only to the
22 extent that disclosure would:

23 (i) interfere with pending or actually and
24 reasonably contemplated law enforcement proceedings
25 conducted by any law enforcement or correctional

1 (ii) interfere with active administrative
2 enforcement proceedings conducted by the public body

9 furnished only by the confidential source, or persons
10 who file complaints with or provide information to
11 administrative, investigative, law enforcement, or
12 penal agencies; except that the identities of
13 witnesses to traffic crashes, traffic crash reports,
14 and rescue reports shall be provided by agencies of
15 local government, except when disclosure would
16 interfere with an active criminal investigation
17 conducted by the agency that is the recipient of the
18 request;

19 (v) disclose unique or specialized investigative
20 techniques other than those generally used and known
21 or disclose internal documents of correctional
22 agencies related to detection, observation, or
23 investigation of incidents of crime or misconduct, and
24 disclosure would result in demonstrable harm to the
25 agency or public body that is the recipient of the
26 request;

1 (vi) endanger the life or physical safety of law
2 enforcement personnel or any other person; or

3 (vii) obstruct an ongoing criminal investigation
4 by the agency that is the recipient of the request.

5 (d-5) A law enforcement record created for law
6 enforcement purposes and contained in a shared electronic
7 record management system if the law enforcement agency or
8 criminal justice agency that is the recipient of the
9 request did not create the record, did not participate in
10 or have a role in any of the events which are the subject
11 of the record, and only has access to the record through
12 the shared electronic record management system. As used in
13 this subsection (d-5), "criminal justice agency" means the
14 Illinois Criminal Justice Information Authority or the
15 Illinois Sentencing Policy Advisory Council.

24 person or the risk of an escape from a jail or correctional
25 institution or facility.

26 (e-9) Records requested by a person in a county jail

1 or committed to the Department of Corrections or

6 trade secrets or commercial or financial information would
7 cause competitive harm to the person or business, and only
8 insofar as the claim directly applies to the records
9 requested.

10 The information included under this exemption includes
11 all trade secrets and commercial or financial information
12 obtained by a public body, including a public pension

16 a potential investment of public funds in a private equity
17 fund. The exemption contained in this item does not apply
18 to the aggregate financial performance information of a
19 private equity fund, nor to the identity of the fund's
20 managers or general partners. The exemption contained in
21 this item does not apply to the identity of a privately

25 Nothing contained in this paragraph (g) shall be
26 construed to prevent a person or business from consenting

1 to disclosure.

2 (h) Proposals and bids for any contract, grant, or
3 agreement, including information which if it were
4 disclosed would frustrate procurement or give an advantage
5 to any person proposing to enter into a contractor

7 is made. Information prepared by or for the body in
8 preparation of a bid solicitation shall be exempt until an
9 award or final selection is made.

10 (i) Valuable formulae, computer geographic systems,

15 this paragraph (i) does not extend to requests made by
16 news media as defined in Section 2 of this Act when the

16 distribution stations and other transmission and
