(Section scheduled to be repealed on January 1, 2028)

Sec. 56. Restrictions on transactions.

(a) A licensee shall receive prescription drug returns or exchanges from a pharmacy or other persons authorized to administer or dispense drugs or a chain pharmacy warehouse pursuant to the terms and conditions of the agreement between the wholesale distributor, virtual wholesale distributor, or third-party logistics provider and the pharmacy or chain pharmacy warehouse. Returns of expired, damaged, recalled, or otherwise non-saleable pharmaceutical products shall be distributed by the receiving wholesale distributor or third-party logistics provider only to either the original manufacturer or a third party returns processor. Returns or exchanges of prescription drugs, saleable or otherwise,

including any redistribution by a receiving wholesaler, shall not be subject to the pedigree requirements of Section 57 of this Act, so long as they are exempt from the pedigree requirement of the FDA's currently applicable Prescription Drug Marketing Act guidance. Both licensees under this Act and pharmacies or other persons authorized to administer or dispense drugs shall be accountable for administering their returns process and ensuring that the aspects of this operation are secure and do not permit the entry of adulterated and counterfeit product.

(b) A manufacturer, ~~or~~ wholesale distributor, virtual wholesale distributor, or third-party logistics provider licensed under this Act may furnish prescription drugs only to a person licensed by the appropriate state licensing authorities. Before furnishing prescription drugs to a person not known to the manufacturer or licensee ~~wholesale distributor~~, the manufacturer or licensee ~~wholesale distributor~~ must affirmatively verify that the person is legally authorized to receive the prescription drugs by contacting the appropriate state licensing authorities.

(c) Prescription drugs furnished by a manufacturer, ~~or~~ wholesale distributor, virtual wholesale distributor, or third-party logistics provider licensed under this Act may be delivered only to the premises listed on the license, provided that the manufacturer or licensee ~~wholesale distributor~~ may furnish prescription drugs to an authorized person or agent of

that person at the premises of the manufacturer or licensee ~~wholesale distributor~~ if:

(1) the identity and authorization of the recipient is properly established; and

(2) this method of receipt is employed only to meet the immediate needs of a particular patient of the authorized person.

(d) Prescription drugs may be furnished to a hospital pharmacy receiving area, provided that a pharmacist or authorized receiving personnel signs, at the time of delivery, a receipt showing the type and quantity of the prescription drug received. Any discrepancy between the receipt and the type and quantity of the prescription drug actually received shall be reported to the delivering manufacturer, ~~or~~ wholesale distributor, or third-party logistics provider by the next business day after the delivery to the pharmacy receiving area.

(e) A manufacturer, ~~or~~ wholesale distributor, or virtual wholesale distributor licensed under this Act may not accept payment for, or allow the use of, a person or entity's credit to establish an account for the purchase of prescription drugs from any person other than the owner of record, the chief executive officer, or the chief financial officer listed on the license of a person or entity legally authorized to receive the prescription drugs. Any account established for the purchase of prescription drugs must bear the name of the

licensee. This subsection (e) shall not be construed to prohibit a pharmacy or chain pharmacy warehouse from receiving prescription drugs if payment for the prescription drugs is processed through the pharmacy's or chain pharmacy warehouse's contractual drug manufacturer or wholesale distributor.

(Section scheduled to be repealed on January 1, 2028)

Sec. 60. Wholesaler licensing; complaints. The Department may refuse to issue a license to establish a new licensed wholesale drug distributor, virtual wholesale distributor, or third-party logistics provider ~~distributorship~~, if an owner of the entity ~~wholesale drug distributorship~~ applying for a license was an owner of a wholesale drug distributor, virtual wholesale distributor, or third-party logistics provider ~~distributorship~~ that had its license revoked, unless the owner presents sufficient evidence indicating rehabilitation. Once a complaint has been filed by the Department against a wholesale drug distributor, virtual wholesale distributor, or third-party logistics provider ~~distributorship~~ the Department may refuse to issue a license to establish a new licensed wholesale drug distributor, virtual wholesale distributor, or third-party logistics provider ~~distributorship~~, until such time as the Department issues a decision on the complaint if an owner of the new wholesale drug distributor, virtual wholesale

distributor, or third-party logistics provider ~~distributorship~~ was also an owner of a wholesale drug distributor, virtual wholesale distributor, or third-party logistics provider ~~distributorship~~ against which the complaint was filed. Neither an application for change of ownership nor for a change of location for any such entity ~~wholesale drug distributorship~~ shall be acted on by the Department until such time as the Department issues a decision on the complaint. In the event that the wholesale drug distributor, virtual wholesale distributor, or third-party logistics provider ~~distributorship~~ against which the complaint has been filed ceases to be licensed by the Department, for any reason, before the Department's decision on the complaint and an owner or that wholesale drug distributor, virtual wholesale distributor, or third-party logistics provider ~~distributorship~~ applies for a license to establish a new wholesale drug distributor, virtual wholesale distributor, or third-party logistics provider ~~distributorship~~, the Department shall conduct a hearing on the complaint earlier filed, regardless of whether that wholesale drug distributor, virtual wholesale distributor, or third-party logistics provider ~~distributorship~~ is presently licensed by the Department. If the conduct for which the complaint was originally filed would have been sufficient to result in a revocation of a license to operate a licensed wholesale drug distributor, virtual wholesale distributor, or third-party logistics provider ~~distributorship~~, then the

conduct shall constitute sufficient grounds for denial of an application for a license.

(a) If any person violates the provisions of this Act, the Secretary may, in the name of the People of the State of Illinois through the Attorney General of the State of Illinois or the State's Attorney of any county in which the action is brought, petition for an order enjoining the violation or for an order enforcing compliance with this Act. Upon the filing of a verified petition in the court, the court may issue a temporary restraining order, without notice or bond, and may preliminarily and permanently enjoin the violation. If it is established that the person has violated or is violating the injunction, the Court may punish the offender for contempt of court. Proceedings under this Section shall be in addition to, and not in lieu of, all other remedies and penalties provided by this Act.

(b) Whoever knowingly conducts business as a wholesale drug distributor, virtual wholesale distributor, or third-party logistics provider in this State without being appropriately licensed under this Act shall be guilty of a Class A misdemeanor for a first violation and for each

subsequent conviction shall be guilty of a Class 4 felony.

(c) Whenever in the opinion of the Department any person not licensed in good standing under this Act violates any provision of this Act, the Department may issue a rule to show cause why an order to cease and desist should not be entered against him. The rule shall clearly set forth the grounds relied upon by the Department and shall provide a period of 7 days from the date of the rule to file an answer to the satisfaction of the Department. Failure to answer to the satisfaction of the Department shall cause an order to cease and desist to be issued immediately.

(d) A person found to have violated a provision of this Section shall be subject to administrative fines, orders for restitution, and orders for disgorgement.

(e) The Department shall create a centralized, searchable database of those entities licensed to engage in wholesale distribution, including manufacturers, wholesale distributors, virtual wholesale distributors, and pharmacy distributors, to enable purchasers of a drug in shortage to easily verify the licensing status of an entity offering such drugs.

(f) The Department shall establish a system for reporting the reasonable suspicion that a violation of this Act has been committed by a distributor of a drug in shortage. Reports made

through this system shall be referred to the Office of the Attorney General and the appropriate State's Attorney's office for further investigation and prosecution.

(g) The Department shall adopt rules to carry out the provisions of this Section.
