1 SENATE RESOLUTION

2 WHEREAS, In the early 20th century, many Arab families
3 began migrating to southwestern Cook County seeking a better
4 life and the opportunity to build a supportive community in
5 the United States; these families have contributed to the rich
6 cultural landscape of Little Palestine, transforming it into a
7 beacon of hope and resilience; and

8 WHEREAS, Little Palestine, located in the southwestern
9 region of Cook County, is home to the largest Palestinian
10 community in the nation and the fourth largest Arab American
11 population in the country, spanning a five-mile stretch from
12 79th and Harlem Avenue in Bridgeview to Harlem Avenue and
13 College Drive in Palos Heights; and

14 WHEREAS, Little Palestine features over 200 Arab-owned
15 businesses and community-serving institutions, including a
16 community college, a hospital, three high schools, and more
17 than 20 organizations and institutions; and

18 WHEREAS, Historic disinvestment in the Arab American
19 community, coupled with being targeted for discrimination and
20 hate crimes, threatens the sustainability and growth of this
21 area, with over 70% of Arab-owned businesses in Little
22 Palestine having under 10 employees and driving the economy in

1 this region; and

2 WHEREAS, There has historically been no means to
3 distinguish Arab American populations, economic activity,
4 health, or any other indicators of Arab Americans on data
5 registers at local, state, or national levels; recent efforts
6 to include Arab Americans in data counts, achieved through
7 decades of mobilization within Arab American communities,
8 remain limited and often specific to certain locales; these
9 omissions hinder the ability to document critical issues such
10 as displacement and the impacts of COVID-19 and are an
11 impediment to ensuring that resources can be sought to help
12 revitalize the economic landscape of Little Palestine to
13 ensure sustainable growth and development; and

14 WHEREAS, The Arab American Business and Professional
15 Association, along with a coalition of organizations, is
16 advocating for the official recognition of Little Palestine
17 Day on the 7th day of April each year to help build cultural
18 awareness, increase tourism, and boost economic vitality in
19 this region; and

20 WHEREAS, Recognition of Little Palestine Day will help
21 serve as a celebration of the community's rich heritage,
22 promote solidarity among residents, and encourage support for
23 local businesses and cultural initiatives; and

1 WHEREAS, The heart and soul of the Arab community lies in
2 its people, individuals who embody ambitions, creativity, and
3 aspirations that surpass the ordinary; their contributions
4 continue to reshape the narrative of the area, making it a
5 testament to hope, resilience, and cultural pride; therefore,
6 be it
