In provisions concerning primary election ballots, provides that the lettering of candidate names on a ballot shall be in both capital and lowercase letters in conformance with standard English language guidelines, unless compliance is not feasible due to the election system used by the election authority. Provides that, for specified applications, change of address forms, or recertifications of a driver's license or State identification card, the application, form, or recertification shall serve as a dual-purpose application when the applicant presents specified identification (rather than meets the requirements of the federal REAL ID Act of 2005). Requires election authorities to establish a website for eligible voters to request vote by mail ballots. Authorizes a reduction in the number of election judges in each precinct. In the Chicago School District Article of the Code, provides that all petitions for the nomination of members of the Chicago Board of Education shall be filed with the board of election commissioners and shall be prepared, filed, and certified as outlined in the Election Code (rather than providing that all petitions for the nomination of members of the Chicago Board of Education shall be filed with the board of election commissioners within the time provided for in the Election Code, except that petitions for the nomination of members of the Chicago Board of Education for the 2024 general election shall be prepared and certified as outlined in the Election Code). Amends the Courses of Study Article of the School Code. Provides that, beginning with the 2026-2027 school year, every public elementary school and high school shall include in its curriculum a unit of instruction studying the events of Arab American history, including the history of Arab Americans in the State and the Midwest, as well as the contributions of Arab Americans from the 19th century onward. Provides that the State Superintendent of Education may prepare and make available to all school boards instructional materials, including those established by the Public Broadcasting Service, that may be used as guidelines for the development of the unit of instruction. Provides that each school board shall determine the minimum amount of instructional time that qualifies as a unit of instruction. Provides that the regional superintendent of schools shall monitor a school district's compliance with the curricular requirements during the regional superintendent's annual compliance visit. Provides that a school may meet the requirements through an online program or course. Effective immediately.

Fiscal Note (State Board of Education)

This change would have a fiscal impact on the Illinois State Board of Education, with estimated costs of \$8,764 for implementation. While there may also be increased costs to school districts, regional offices of education, and public schools, those amounts are currently unknown. The State Board of Education recommends that sponsors consult with relevant stakeholders to better understand the potential costs to districts.

Removes provision allowing images from the cameras to be used by any law enforcement agency conducting an active law enforcement investigation. Provides that all images from the cameras that are exported through a law enforcement database shall be deleted from that law enforcement database within 120 days, unless the images are relevant to an ongoing investigation or pending criminal trial. Provides that any forcible felony, gunrunning, or firearms trafficking offense, as specified, respectively, committed on an expressway monitored by a camera system funded by money from the Road Fund or money from the Illinois State Toll Highway Authority and investigated by officers of the Illinois State Police may be prosecuted by the Attorney General or the State's Attorney where the offense was committed. HB 05487 (Continued)

Amends the Attorney Act. Prohibits a private equity group, hedge fund, or any entity owned, operated, or controlled by a private equity group or hedge fund, including management services organizations, that is involved with a law firm or an attorney's practice from: (1) interfering with the professional judgment of attorneys in representing clients; (2) exercising control over or being delegated the power to own or determine the content of client records, select, hire, or terminate the employment of attorneys or allied legal staff in whole or in part based on competency or proficiency; or set competency or proficiency parameters for attorneys or allied legal staff; or (3) charging any fee to the attorney or law firm that is directly or indirectly based on the fees, revenues, or profits of the attorney or law firm. Prohibits an attorney from sharing legal fees directly or indirectly with an out-of-state alternative business structure unless: (1) the attorney is also licensed in the state in which the alternative business structure is approved; (2) the fees are compensation for providing legal services in that state; and (3) the law of that state is controlling under the Illinois Rules of Professional Conduct or a successor rule. Provides for the recovery of statutory damages, attorney's fees and costs, and injunctive or declaratory relief as a remedy for violation. Defines terms. Contains applicability provisions. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts provisions in the bill as introduced with these changes. Deletes references to "hedge fund" and "private equity group" and makes the Act applicable to "an entity owned, operated, or controlled in whole or in part by persons not licensed as attorneys". Prohibits such an entity from accessing, owning, or determining the content of client records or accessing any attorney-client communications. Makes conforming changes. Effective immediately.

House Floor Amendment No. 2

Provides that an attorney who violates the provisions may be subject to statutory damages of \$10,000 per violation or 3 (rather than 25) times the actual damages incurred by the client, whichever is greater.

In provisions concerning primary election ballots, provides that the lettering of candidate names on a ballot shall be in both capital and lowercase letters in conformance with standard English language guidelines, unless compliance is not feasible due to the election system used by the election authority. Provides that election authorities may authorize service of objections to candidate nominations through electronic mail in lieu of personal service under specified circumstances. Requires each election authority to post certain election results on its website. Creates the universal vote centers pilot program. Sets forth provisions concerning name standardization. Requires election authorities to establish curbside voting for individuals with disabilities. Provides that, for specified applications, change of address forms, or recertifications of a driver's license or State identification card, the application, form, or recertification shall serve as a dual-purpose application when the applicant presents specified identification (rather than meets the requirements of the federal REAL ID Act of 2005). Modifies requirements of the dual-purpose application. Requires election authorities to establish a website for eligible voters to request vote by mail ballots. Authorizes a reduction in the number of election judges in each precinct. Provides that an election authority shall test the voting devices and equipment in 5% of the voting devices used in early voting and at vote centers (rather than 5% of the voting devices used in early voting). Amends the Illinois Vehicle Code to make conforming changes. Amends the Downstate Forest Preserve District to correct a cross-reference to a Public Act. In the School Board Association Article of the Code, provides that a school board association may offer and provide scholarships or other reimbursements to school board members, and a school board member may receive scholarships or other reimbursements from an association for reasonable travel and lodging expenses to attend meetings or other events hosted by the association which are reasonably related to the school board member's duties and will contribute to the professional development of the school board member. In the Chicago School District Article of the Code, provides that all petitions for the nomination of members of the Chicago Board of Education shall be filed with the board of election commissioners and shall be prepared, filed, and certified as outlined in the Election Code (rather than providing that all petitions for the nomination of members of the Chicago Board of Education shall be filed with the board of election commissioners within the time provided for in the Election Code, except that petitions for the nomination of members of the Chicago Board of Education for the 2024 general election shall be prepared and certified as outlined in the Election Code). In the Educational Service Regions Article of the School Code, provides that, when a vacancy occurs in the office of regional superintendent of schools and more than 28 months remain in that term and the vacancy occurs at least 130 days before the next general election, appointment to fill the vacancy shall be until the next general election (rather than if more than 28 months remain in that term, the appointment shall be until the next general election). In provisions concerning mental health and substance abuse parity, removes provision limiting the applicability of parity requirements for mental health or substance use disorder services provided by a hospital when the hospital has a contract with the insurer that provides for reimbursement for such services based on achieving specified patient health outcomes and other quality measures and includes shared savings from lower health care costs. Senate Committee Amendment No. 1

Deletes reference to:
215 ILCS 125/5-3

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Replaces provisions concerning reimbursement for in-network mental health and substance use disorder treatment services. Provides that, consistent with the principles of the federal Mental Health Parity and Addiction Equity Act of 2008, and for the purposes of strengthening network adequacy for mental health and substance use disorder services and lowering out-of-network utilization, the Department of Human Services, by rule, shall determine a reimbursement rate floor for all in-network mental health and substance use disorder services, including inpatient services, outpatient services, office visits, and residential care, delivered by Illinois providers and facilities using the Illinois data in Research Triangle Institute International's study. Sets forth provisions concerning requirements for the reimbursement rate floor. Grants the Department of Insurance enforcement and monitoring authority over the reimbursement rate floor and requires the Department to publish the rate floor set by the Department of Human Services in Title 50 of the Illinois Administrative Code. Provides that, at the end of 2 years, 7 years, and 12 years (rather than 5 years, 10 years, and 15 years) following the implementation of provisions concerning the reimbursement rate floor, the Department of Insurance shall review the impact of provisions concerning mental health and substance use parity on network adequacy for mental health and substance use disorder treatment and access to affordable mental health and substance use care. Requires the Department to submit a report to the General Assembly by no later than December 31, 2030, December 31, 2035, and December 31, 2040 (rather than by December 31, 2033, December 31, 2038, and December 31, 2043) that includes its analyses and findings following the Department's review. Makes changes in provisions granting the Department of Insurance the authority to examine out-of-network utilization and out-of-pocket costs. Provides that the Department of Insurance and the Department of Human Services (rather than only the Department of Insurance) shall adopt any rules necessary to implement provisions concerning mental health and substance use parity by no later than May 1, 2026. Removes provisions amending the Health Maintenance Organization Act. Effective immediately.

Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot. Provides, however, that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met. Provides that for any school whose team name is the name of a federally recognized tribe or historical Native American person, the school may continue to use its current team name and an agreed upon logo and mascot on and after the effective date of the amendatory Act if certain conditions are met. Provides that nothing in the provisions may be interpreted to prohibit county, municipality, or school district names.

Fiscal Note, House Committee Amendment No. 1 (State Board of Education)

HB 1237 (H-AM 1) provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028, if specified requirements are met. This change would not have a fiscal impact to the State Board of Education. School districts and schools that use mascots as defined above would incur unknown costs over time during implementation of this bill. The State Board of Education recommends the sponsors consult with Illinois Association of School Administrators, Illinois Association of School Boards, or the Illinois High School Association regarding costs to schools and districts.

Representative Maurice A. West, II
HB 01237 (Continued)

Replaces everything after the enacting clause with the provisions of House Amendment No. 1, and makes the following changes: Allows a school to continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2030 (rather than 2028) if the school sets forth a reasonable timeline for the selection of a new school or athletic team name, logo, or mascot through formal school board action no later than July 1, 2026 (rather than if certain requirements are met). Includes a marquee, sign, or other permanent school structure that bears the prohibited native name, logo, or mascot that the school shall remove the next time the marquee, sign, or other permanent school structure is remodeled or replaced. Provides that if either a school or federally recognized tribe wishes to terminate consent to use a native name, logo, or mascot, the school shall select a new school or athletic team name, logo, or mascot through formal school board action no later than one year from the date of termination and shall discontinue use of the name, logo, or mascot no later than 3 years from the date of termination (rather than providing that if either a school or federally recognized tribe wishes to terminate an agreement, the school has one year from the date of termination to discontinue its use of the name, logo, or mascot). Makes other changes. Adds an effective date of July 1, 2026.

Amends the Medical Assistance Article of the Illinois Public Aid Code. In provisions prohibiting prior authorization mandates and utilization management controls under the fee-for-service and managed care medical assistance programs on specified FDA-approved prescription drugs for mental illness, provides that the prohibition shall apply if a preferred or non-preferred drug is prescribed to an adult patient to treat a serious mental illness and during the preceding 60 days, the patient who experienced an inadequate response was prescribed and unsuccessfully treated with a 14-day treatment trial of a drug for the same clinical condition that is included on the preferred drug list. Removes provisions conditioning the receipt of prescription drugs without prior authorization on: (i) the patient changing providers while receiving a previously authorized prescription drug; (ii) the patient changing insurance coverage while receiving a previously authorized prescription drug; and (iii) the patient's prescription for a previously authorized drug modifies the dosage, dosage frequency, or both, of the drug as part of the same treatment for which the drug was previously prescribed.

Creates the Private Swimming Pool Enclosure Act which may be referred to as "Zoe's Law". Requires that new outdoor swimming pools on private residential property be enclosed by a fence, wall, or other effective permanent barrier of at least 42 inches in height with openings not more than 2 inches from the bottom to grade and not more than 4 inches within the wall, fence, or barrier. Provides that the provisions do not apply to above ground pools with a height of 42 inches or more or to jacuzzis. Permits more restrictive regulation by units of local government. Requires all municipalities to develop a permitting process for all swimming pools no later than 1/1/2026. Requires all permitted swimming pools to have enclosures inspected by the permitting municipality before the receipt of an initial permit and at least once every 5 years after that. Defines "swimming pool" for the purposes of the Act. Limits home rule powers. Makes conforming changes to the Counties Code and the Illinois Municipal Code.

HB 02849 (Continued)

Amends the Mobile Home Landlord and Tenant Rights Act. Provides that a park owner is prohibited from requiring a tenant to pay for utility service in which the public utility company charging for those services includes any service to common areas, other mobile homes, areas used or occupied by persons other than the individual tenant, and persons occupying the same mobile home with the tenant. Provides that a park owner may not request or cause a change in billing in metered utilities during the term of a lease (i) from a tenant to the park owner or landlord or (ii) from the park owner to a tenant. Requires the park owner to provide a minimum of 90 days' notice to each affected tenant before changing the service but no less than 90 days before the expiration of a lease. Allows the park owner and tenant to agree to amend the lease to effect such a change as long as the amendment is in writing and signed by both parties. Provides that any term or condition in a rental agreement between the park owner and the tenant that is inconsistent with the Act is void and unenforceable. Requires park owners to provide detailed copies of monthly utility bills to tenants for utilities paid by the park owner regardless of the metering arrangement.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Mobile Home Landlord and Tenant Rights Act. Provides that a park owner is prohibited from requiring a tenant to pay for utility services, such as water, sewer, and trash used in common areas in which a public utility company is charging for those services. Provides that if the public utility usage for common areas is not separately measured by equipment such as a water meter, the park owner may not charge the tenants for more than 80% of the public utility services for which the park owner was billed. Requires on an annual basis that the park owner provide tenants with a written explanation of how a tenant's share of the utility charge was calculated, and upon request from a tenant, must provide a copy of the park's monthly utility bills to tenants for any utility charge separately billed under the Act.

Provides that beginning with the 2026-2027 school year, schools shall resume instruction in history, which shall require the use of age-appropriate discussion, textbooks, and other course material that reframe the study of history by presenting to students an examination of history through the inclusion of diverse perspectives, contrary interpretations, and the viewpoints of various groups of people whose voices have traditionally been excluded from the conventional teaching of history. Amends the Code of Criminal Procedure of 1963. Changes the definitions of "harassment" to include, among other actions, doxing, electronic tracking, and nonconsensual creation, dissemination, or threatening the dissemination of electronically generated or digitally altered content pertaining to the petitioner. Requires a county (not just counties with more than 250,000 in population) to provide remote access to a hearing on a protective order to include relevant witnesses besides the petitioner and respondent. Creates additional remedies for the court to grant in a domestic violence order of protection. Requires that any motion to extend a plenary order must be filed on or before the expiration date, and the plenary order remains in effect after filing until its original expiration date or until the motion is presented or heard, whichever is later. Requires a plenary order to be extended if the court finds that since entry of the plenary order there has been no material change in the relevant circumstances as required by law, and an extension of a plenary order may be granted for any fixed period of time or indefinitely until the plenary order is vacated or modified. Provides that if the motion to extend the plenary order is uncontested, petitioner's motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested extension is sufficient for the court to extend the plenary order for any length of time, including indefinitely. Provides that the court may grant a contested request for an extension of the plenary order for more than 2 years for good cause. Provides that a violation of the original order or a subsequent incident of abuse is not required to grant the extension or determine the length of the extension, and compliance with the original order does not negate the basis or length of the extension. Amends the Illinois Domestic Violence Act of 1986. Makes conforming changes.

Adds reference to:

725 ILCS 5/112A-11.5

Adds reference to:

750 ILCS 60/201

from Ch. 40, par. 2312-1

Replaces everything after the enacting clause. Reinserts the provisions of the bill with these changes. Requires the court to grant a request for remote hearing unless good cause is shown to deny the request. Provides that a petitioner may not be denied a protective order solely on the basis that the petitioner or the respondent is incarcerated in a penal institution at the time of the issuance of the order. Allows a petition seeking protection to include a crime victim who was abused by a family or household member before the offender was incarcerated and by any person who has previously suffered abuse by a family or household member convicted of certain crimes. Provides that if the respondent does not contest the motion to extend a plenary order of protection after service of the motion in accordance with Supreme Court Rules, the court may grant the request for an extension based solely on the petitioner's motion and affidavit setting forth the requirements of the provisions governing plenary orders. Makes structural changes.

HB 04728 (Continued)

Amends the Community Living Facilities Licensing Act, the MC/DD Act, the ID/DD Community Care Act, the Community-Integrated Living Arrangements Licensure and Certification Act, and the Child Care Act of 1969. Requires the State agencies responsible for licensing facilities under those Acts to adopt, by December 31, 2026, rules requiring a facility to disclose upon initial application for licensure and on a quarterly basis thereafter, whether the facility, its subsidiaries, affiliates, parent companies, or contractual service providers are owned, managed, or contained within a fund owned or managed by an asset management company; and if so, to make certain disclosures about the asset management company's assets, the facility's debt, and other matters. Requires the State agencies to also adopt rules requiring such a facility to provide written notice of transactions and copies of agreements which would (i) sell or otherwise dispose of a material amount of the facility's assets or (ii) transfer control, responsibility, or governance of a material amount of the facility's assets or operations. Prohibits facilities owned or managed by an asset management company from engaging in certain transactions or actions that would result in the facility issuing debt-funded dividends or perform any other similar action causing the facility to become financially distressed. Provides that a violation of these requirements and prohibitions constitutes an unlawful practice within the meaning of the Consumer Fraud and Deceptive Business Practices Act. Requires the State agencies to publish disclosures, written notices, and copies of agreements submitted by facilities on the agencies' public websites. Imposes similar requirements and prohibitions on adult day service providers serving individuals with developmental disabilities under the Illinois Act on the Aging and providers of adult developmental training services under the Mental Health and Developmental Disabilities Administrative Act. Effective immediately.

Affirms voting is a protected civic activity that must be free from intimidation, fear, or the appearance of law enforcement surveillance unrelated to election administration. Declares immigration enforcement activity at or in the immediate vicinity of polling places, early voting locations, ballot drop boxes, voter registration sites, and election offices undermines public confidence in elections and the democratic process. Urges all federal agencies, including U.S. Immigration and Customs Enforcement, to refrain from conducting civil immigration enforcement operations at or near locations where voting or election administration is taking place. Affirms the authority of the State of Illinois to administer elections without interference from unrelated federal enforcement activity. In the amendatory provisions of the Illinois Domestic Violence Act of 1986 concerning the written report by a law enforcement officer investigating an alleged incident of abuse, neglect, or exploitation between family or household members, provides that no law enforcement officer may refuse to complete a written report for a bona fide allegation (rather than any allegation) as required by the provision on any ground.

Amends the Expressway Camera Act. Provides that, as used in the Act, "forcible felony" means trafficking in persons and involuntary servitude (in addition to other specified offenses). Includes the counties of Lee, Ogle, and Whiteside in the program to increase cameras along expressways and the State highway system. Provides that images from the cameras, including, but not limited to, images of license plates collected by state-operated cameras and cameras operated by the Illinois State Toll Highway Authority, may be used by any law enforcement agency conducting an active law enforcement investigation. Removes provision allowing images from the cameras to be used by any law enforcement agency conducting an active law enforcement investigation. Provides that all images from the cameras that are exported through a law enforcement database shall be deleted from that law enforcement database within 120 days, unless the images are relevant to an ongoing investigation or pending criminal trial. Provides that any forcible felony, gunrunning, or firearms trafficking offense, as specified, respectively, committed on an expressway monitored by a camera system funded by money from the Road Fund or money from the Illinois State Toll Highway Authority and investigated by officers of the Illinois State Police may be prosecuted by the Attorney General or the State's Attorney where the offense was committed. Provides that the Act supersedes provisions in the Toll Highway Act regarding the confidentiality of personally identifiable information obtained through electronic toll collection systems. Provides that the Act is repealed on July 1, 2028 (rather than July 1, 2025). Effective immediately.

House Committee Amendment No. 1

Requires the Illinois State Police, the Department of Transportation, and the Illinois State Toll Highway Authority to issue a joint report to the General Assembly detailing the program operations by August 1st (rather than June 30th) of each year.

House Floor Amendment No. 2

In the Expressway Camera Act: Provides that offenses listed in the definition of "forcible felony" are as defined in the Criminal Code of 2012 or substantially similar federal or other state criminal laws. Provides that the Act does not supersede prohibitions related to users of automated license plate readers.

Senate Committee Amendment No. 1

In the Freedom of Information Act, provides that the exemption for images from cameras under the Expressway Camera Act and all automated license plate reader information used and collected by the Illinois State Police is inoperative on and after July 1, 2028 (rather than July 1, 2025).

HB 03399 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions concerning program establishment, provides that the Program shall function as a separate and distinct procurement program that does not draw from the allocation and funding of renewable energy credits from other sources. In provisions concerning program block allocation, provides that at least 33% (rather than 50%) of each annual block shall be reserved by systems that meet the Illinois Power Agency's definition of "residential". In provisions concerning project terms, provides that applicant firms shall have advanced capital disbursed before geothermal renewable energy credits are first generated (rather than after the geothermal heating and cooling system is operational but before geothermal renewable energy credits are first generated). In provisions concerning advanced capital, provides that the amount or percentage of capital advanced for residential systems (rather than for all systems) shall be at the discretion of the Agency by not less than 40% of the total contract. Provides that the amount or percentage of capital advanced for commercial, public, or environmental justice systems shall be at the discretion of the Agency. In provisions concerning contract terms, provides that each project shall be subject to the requirements of the Prevailing Wage Act. Provides that the Agency shall require verification that, for all construction for a project that was performed by a renewable energy credit delivery contract holder, its contractors, or its subcontractors, the construction employees received an amount for the work equal to or greater than the general prevailing rate. Provides that geothermal renewable energy credits for any single geothermal heating and cooling project that is 285 tons or larger and is procured after the effective date of the amendatory provisions shall be from a project built by general contractors that entered into a project labor agreement prior to construction. Provides that the project labor agreement shall be filed with the Director in accordance with procedures established by the Agency through its long-term renewable resources procurement plan. Amends the Illinois Power Agency Act. Makes a change to the definition of "renewable energy resources". Amends the Public Utilities Act. In provisions concerning the recovery of costs associated with the provision of delivery and other services, provides that an electric utility shall be entitled to recover through tariffed charges all costs associated with the purchase of geothermal renewable energy credits pursuant to the Geothermal Homes and Businesses Act. In provisions concerning procurement, provides that, beginning with the delivery year commencing on June 1, 2026, an electric utility shall procure geothermal renewable energy credits in accordance with the applicable provisions set forth in the Geothermal Homes and Businesses Act. Makes other changes. Effective immediately.

House Floor Amendment No. 2

In provisions concerning the length of contracts under the Geothermal Homes and Businesses Program, provides that, for geothermal renewable energy credits that qualify and are procured under the Program, the length of a geothermal renewable energy credits delivery contract shall be 15 years (rather than 25 years). In provisions concerning the Illinois Power Agency administration of the Program, provides that the Agency may use any existing program administrator and applicable subcontractors to develop, administer, implement, operate, and evaluate the Program (rather than the Agency shall be authorized to retain one or more experts or expert consulting firms to develop, administer, implement, operate, and evaluate the Program and the Agency shall retain the consultant or consultants in the same manner, to the extent practicable, as the Agency retains others to administer provisions of this Act, including, but not limited to, the procurement administrator). Adds provisions concerning the cost recovery of generating units.

Amends the Public Utilities Act. Provides that a gas utility may cease providing service if the Illinois Commerce Commission determines that adequate substitute service is available at a reasonable cost to support the existing end uses of the affected utility customers. Provides for cost-effective energy efficiency measures for natural gas utilities that supersede existing provisions concerning natural gas energy efficiency programs and take effect beginning January 1, 2027. Provides that gas main and gas service extension policies shall be based on the principle that the full incremental cost associated with new development and growth shall be borne by the customers that cause those incremental costs. Provides that, no later than 60 days after the effective date of the amendatory Act, the Commission shall initiate a docketed rulemaking reviewing each gas public utility tariff that provides for gas main and gas service extensions without additional charge to new customers in excess of the default extensions as specified in administrative rule. Provides that the amendatory Act may be referred to as the Thermal Energy Network and Jobs Acts. Sets forth a statement of legislative findings and intent. Amends the Public Utilities Act. Defines "thermal energy" and "thermal energy network". Requires the Illinois Commerce Commission to initiate a proceeding within 6 months after the effective date of the amendatory Act to support the development of pilot thermal energy networks. Provides that within 10 months after the effective date of the amendatory Act, every gas public utility, electric public utility, or combination public utility serving over 100,000 customers shall file with the Commission a petition seeking Commission-approval of at least one and no more than 3 proposed pilot thermal energy network projects. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to report to the Commission, on a quarterly basis and until completion of the pilot thermal energy network project, the status of each pilot thermal energy network project. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to demonstrate that it has entered into a labor peace agreement with a bona fide labor organization that is actively engaged in representing its employees. Requires the Commission to adopt specified rules within 4 years after the completion of the construction of all thermal energy network projects. Provides that a gas public utility, electric public utility, or combination public utility required to develop a pilot thermal energy network project shall be permitted to recover all reasonable and prudently incurred costs associated with the development, construction, and operation of one or more pilot thermal energy network projects through general rates or through rates set in a Multi-Year Rate Plan. Effective immediately.

House Committee Amendment No. 1

In provisions concerning definitions, makes changes to the definition of "thermal energy network". In provisions concerning a utility that proposes 3 pilot thermal energy network projects, requires that one pilot project include an industrial heat application that may additionally include residential and commercial applications (rather than one pilot project be focused on existing electric heat customers). Provides that priority shall be given to pilot proposals that replace leak-prone natural gas distribution infrastructure with distribution infrastructure that supplies non-combusting thermal energy or that replaces thermal energy for buildings currently heated with electric resistance heat. Provides that each public utility shall hold at least one pre-filing public meeting to receive public comment concerning the proposed thermal energy network in the municipality where the thermal energy network is to be located. Sets forth requirements for the notice of the public meeting. Provides that the Illinois Commerce Commission shall require projects submitted to a utility-scale renewable thermal energy network program for approval to include a proposed rate structure for thermal energy services supplied to network end users and consumer protection plans for end users. Provides that the Commission may approve the proposed rate structure if the projected heating and cooling costs for end users is not greater than the heating and cooling costs the end users would have incurred if the end users had not participated in the program. In provisions concerning the requirement that the Commission adopt certain rules, provides that such rules shall be adopted within 4 years of the effective date of the amendatory provisions (rather than within 4 years after the completion of the construction of all thermal energy network projects under the amendatory provisions). In provisions concerning the recovery of costs, provides that a gas public utility, electric public utility, or combination public utility developing a thermal energy network project that includes an industrial heat application may recover rates proportionally from each class of customer.

Amends the School Code. In provisions concerning radon testing, provides that every school building of a school district that is occupied or will be occupied shall be tested by January 1, 2029 and shall be retested every 5 years thereafter for radon (instead of recommending that every occupied school building of a school district be tested every 5 years for radon). Provides that all new schools of a school district shall be built using radon resistant new construction techniques in accordance with the American National Standards Institute/American Association of Radon Scientists and Technologists CC-1000, Soil Gas Control Systems in New Construction of Multifamily, School, Commercial and Mixed-Use Buildings standard or a successor standard (instead of recommending that new schools of a school district be built using radon resistant new construction techniques, as shown in the United States Environmental Protection Agency document, Radon Prevention in the Design and Construction of Schools and Other Large Buildings). Removes a provision allowing a person to perform radon screening tests without a license. Makes changes concerning the exemption. Provides that if radon is found to exceed specified levels, then the school district shall (instead of may) hire a licensed radon professional to perform confirmatory measurements (instead of to perform measurements before any mitigation decisions are made). Sets forth provisions concerning mitigation. Provides that a school district may use life safety funds, if available, for radon testing and mitigation. Preempts home rule powers.

New Act

Creates the Illinois Receivership Act. Creates a process in which a person is appointed by the court as the court's agent under the court's direction to take possession of, manage and, if authorized by the Act or court order, transfer, sell, lease, or otherwise dispose of receivership property. Provides criteria for a court to provide notice and opportunity for a hearing as appropriate before the court can issue an order under the Act. Applies to real property and any personal property related to or used in operating the real property, personal property and fixtures, and other business assets such as corporations, limited liability companies and trusts among other things. Provides that this Act does not apply to (i) an interest in real property improved by one to six dwelling units with some exceptions; (ii) a receiver that is a governmental unit or an individual acting in an official capacity on behalf of the governmental unit unless the unit elects for this Act to apply; and (iii) a receiver appointed under the Illinois Mortgage Foreclosure Law. Defines terms. Provides for the powers and duties of a receiver, disqualification of a receiver, the status of a receiver as lien holder, duties of an owner, powers of the court in managing a receivership, and defenses and immunities of a receiver. Makes other changes.

House Floor Amendment No. 1

Provides that this Act does not apply to residential real estate as defined in the Illinois Mortgage Foreclosure Law. Deletes provisions that this Act does not apply to a receivership for an interest in real property improved by one to six dwelling units unless: (1) the interest is used for agricultural, commercial, industrial, or mineral-extraction purposes, other than incidental uses by an owner occupying the property as the owner's primary residence; (2) the interest secures an obligation incurred at a time when the property was used or planned for use for agricultural, commercial, industrial, or mineral-extraction purposes; (3) the owner planned or is planning to develop the property into one or more dwelling units to be sold or leased in the ordinary course of the owner's business; or (4) the owner is collecting or has the right to collect rents or other income from the property from a person other than an affiliate of the owner.

House Floor Amendment No. 2

Provides that the Act does not apply to a receivership if the receiver is appointed under the Nursing Home Care Act.

In various provisions, replaces references to "waterway" and "public waterway" with references to "navigable waters" or "public waters". In a provision concerning the public right of use of navigable waters, defines the term "man-made structure" and specifies that the Act is not intended to restrict rights enjoyed by the public under State or federal law.
