20 ILCS 2105/2105-17

Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. In a provision concerning the requirements that a health care professional must meet before he or she can have his or her license placed on volunteer status (rather than being granted a volunteer license), provides that a health care professional must possess an active license that is not currently subject to discipline or under investigation by the Department of Financial and Professional Regulation (rather than satisfaction of all requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the Act). Removes the volunteer licensure fee and removes references to volunteer licenses. Provides that a health care professional whose license is in volunteer status may request that the Department change the status of the license to active as long as the request for the change is made during the same renewal period in which the license was previously active or the license is renewed in the same manner, at the same time, and with the same conditions as an active license. Provides that a health care professional who holds an active license that was previously a volunteer license is subject to the requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the relevant Act. Provides that the Department may adopt rules for the administration of the provisions regarding volunteer licenses (rather than determining by rule the total number of volunteer licenses to be issued). Makes conforming and other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that a health care professional whose license is in volunteer status may request the Department of Financial and Professional Regulation to change the status to active as long as the request to be active is made during the same renewal period in which the license was previously active or the health care professional renews in the same manner and at the same time with the same conditions as an active license (rather than as long as the request for the change is made during the same renewal period in which the license was previously active or the license is renewed in the same manner, at the same time, and with the same conditions as an active license). Removes language providing that a health care professional who holds an active license that was previously a volunteer license is subject to the requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the relevant Act. Makes a conforming change.

Amends the School Code. Prohibits a child from being denied a free public education through secondary school while in the State based on the child's or associated person's perceived or actual citizenship or immigration status. Prohibits a school from excluding a child, or associated person, from participation in or denying a child, or associated person, the benefits of any program or activity on the grounds of that child's, or associated person's, actual or perceived citizenship or immigration status. Provides that a school must not use criteria, measures, or methods of administration that have the effect of excluding from participation or denying the benefits of any program or activity because of a child's, or associated person's, actual or perceived immigration status. Prohibits a school from threatening to disclose information regarding or relating to the actual or perceived citizenship or immigration status of a child, or associated person, or actually disclosing information based on perceived or unverified citizenship or immigration status, to any other person, entity, or any immigration or law enforcement agency. Provides that a school must not allow an immigration agent to enter a school site or school district facility for any purpose without providing valid identification, a written statement of purpose, and a valid judicial warrant, and, to the extent possible, receiving approval from the superintendent of the school district or the principal of the charter school, and their legal counsel. Provides that a school district or school must not detain any individual solely on the basis of any formal or informal request, or immigration detainer or civil immigration warrant from an immigration agent. Requires a school district or school to adopt a policy for complying with the amendatory Act. Allows any party aggrieved by a violation of the provisions to bring a civil lawsuit no later than 2 years after the violation occurred. Provides that if the court finds that a violation has occurred, the court may award to the plaintiff 3 times actual damages or \$17,000, whichever is greater. Makes other changes.

Fiscal Note, House Floor Amendment No. 1 (State Board of Education)

HB 3247 (H-AM-1) amends the School Code to ensure that children are not denied a free public education or excluded from any school programs or activities based on their or an associated person's actual or perceived citizenship or immigration status. The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. This change would not have a fiscal impact to the State Board of Education. There could potentially be increased costs to school districts, public schools, charter schools, and nonpublic schools; however, the exact amount is unknown.

Fiscal Note, House Floor Amendment No. 2 (State Board of Education)

HB 3247 (H-AM-2) amends the School Code to ensure that children are not denied a free public education or excluded from any school programs or activities based on their or an associated person's actual or perceived citizenship or immigration status. The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. HB 05071 (Continued)

Amends the Toll Highway Act. Provides that the Illinois State Toll Highway Authority has the power to establish a special pay supplement for those positions of employment that require that a person employed in that position speak or write a language other than English. Provides that such paid positions may be eligible for a bilingual pay supplement to attract bilingual individuals, to encourage present employees to become proficient in languages other than English, or to retain qualified bilingual employees. Provides that a bilingual pay supplement shall be processed within 30 calendar days after the employee presents to the Authority a certification from either the designated testing program process selected by the Authority or a State community college confirming that language skill proficiency in reading, writing, and speaking has been satisfied by the employee.

House Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill and makes the following changes. Provides that the Illinois State Toll Highway Authority shall submit, on or before December 31 of each year, to the General Assembly and the Governor a report on the bilingual pay supplements processed within the last calendar year and the needs of bilingual positions left unfilled in the last calendar year.

Fiscal Note (Illinois Tollway Authority)

It is estimated that the bilingual pay supplement would result in an annual increase in direct expenditures of \$5,948 (5-year cost estimate: \$31,579 (assuming 3% annual inflation but no other changes). This amount would be paid from the Tollway's operating budget. There is no foreseen long-range fiscal effect beyond this recurring expense. The reporting requirement is expected to be absorbed into the agency's existing operational budget; no new staff, funds, or other resources would be required for reporting compliance. Stipend amounts, eligibility, and duration would be subject to union negotiations.

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Prescription Drug Affordability Act. Amends the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois. Provides that the Department of Insurance shall use moneys deposited into the DCEO Projects Fund pursuant to specified provisions of the Illinois Insurance Code to make a grant to a statewide retail association representing pharmacies to promote access to pharmacies and pharmacist services. Amends the Illinois Insurance Code. Makes changes to defined terms in provisions concerning pharmacy benefit manager contracts. Provides that a pharmacy benefit manager or an affiliate acting on its behalf shall not conduct spread pricing, steer a covered individual, or limit a covered individual's access to drugs from a pharmacy or pharmacist enrolled with the health benefit plan under the terms offered to all pharmacies in the plan coverage area by designating the covered drug as a specialty drug contrary to the specified definition. Provides that a pharmacy benefit manager or affiliated rebate aggregator must remit no less than 100% of any amounts paid by a pharmaceutical manufacturer, wholesaler, or other distributor of a drug. Provides that the contract between the pharmacy benefit manager and the insurer or health benefit plan sponsor must allow and provide for the pharmacy benefit manager's compliance with an audit at least once per calendar year of the rebate and fee records remitted from a pharmacy benefit manager or its affiliated party to a health benefit plan. Provides that the changes made to provisions concerning pharmacy benefit manager contracts by the Act shall apply with respect to any health benefit plan that provides coverage for drugs that is amended, delivered, issued, or renewed on or after January 1, 2026. Sets forth provisions concerning pharmacy benefit manager reporting requirements. In provisions concerning pharmacy benefit manager licensure requirements, provides that on or before August 1, 2025, the pharmacy benefit manager shall submit a report to the Department that lists the name of each health benefit plan it administers, provides the number of covered individuals for each health benefit plan as of the date of submission, and provides the total covered individuals across all health benefit plans the pharmacy benefit manager administers. Provides that on or before September 1, 2025, a registered pharmacy benefit manager, as a condition of its authority to transact business in the State, must submit to the Department an amount equal to \$15 or an alternate amount as determined by the Director by rule per covered individual enrolled by the pharmacy benefit manager in the State. Makes changes to provisions concerning examinations of registered pharmacy benefit managers. Amends the Illinois Public Aid Code. Makes changes to provisions concerning critical access care pharmacies. In provisions concerning pharmacy benefits, provides that a pharmacy benefit manager must comply with all provisions of the Pharmacy Benefit Managers Article of the Illinois Insurance Code to the extent that the provisions do not prevent the application of any provision of the Article or applicable federal law. Amends the State Employees Group Insurance Act of 1971 and the School Code to require coverage from specified provisions of the Illinois Insurance Code under the provisions of those Acts. Amends the Juvenile Court Act of 1987, the Unified Code of Corrections, and the County Jail Act to require specified contracts and pharmacy benefit manager activities to be subject to the Pharmacy Benefit Managers Article of the Illinois Insurance Code and the authority of the Director of Insurance to enforce those provisions. Makes other changes. Effective January 1, 2026, except that certain provisions are effective immediately.

Senate Floor Amendment No. 4

In an applicability provision concerning violations of pharmacy benefit manager contract requirements, specifies that the provisions do not apply to a contract directly between a 340B entity and the plan sponsor of a self-funded, single-employer or multiemployer (rather than only single-employer) employee welfare benefit plan subject to 29 U.S.C. 1144. In provisions concerning amounts transferred to the Prescription Drug Affordability Fund, specifies that the first \$25,000,000 transferred into the DCEO Projects Fund shall be for grants to pharmacies under specified provisions of the Department of Commerce and Economic Opportunity Law. Removes provision excluding a pharmacy that participates or contracts in the 340B program as a contract pharmacy from the definition of "critical access pharmacy". Provides that 340B pharmacies that are participants in the critical access care pharmacy program shall only be reimbursed for the actual acquisition costs of the 340B covered drugs dispensed to participants in the State's medical assistance program as defined in the Illinois Public Aid Code.

Senate Floor Amendment No. 5

Amends the Illinois Public Accounting Act. Changes the definition of "CPA firm" to remove a reference to limited liability companies and to include professional limited liability companies. Changes references from "substantial equivalency" to "enhanced mobility". Changes provisions regarding substantial equivalency for an individual whose principal place of business is not in the State but who has a valid CPA license issued by another state to require that the licensure requirements of the issuing state must be equivalent to the criteria in the Act or, if the licensure requirements of the issuing state are not equivalent, to require that the individual must petition the Public Accountant Registration and Licensure Committee for, and obtain from the Public Accountant Registration and Licensure Committee, an equivalency determination (instead of requiring a verification of the criteria by the National Qualification Appraisal Service of the National Association of State Boards of Accountancy). Provides that, on and after January 1, 2027, the Department may license as licensed CPAs, individuals who have received a bachelor's degree in accounting from an accredited college or university and an exam certificate or certification from the Board and have had at least 2 years of experience as defined by Department of Financial and Professional Regulation rule. Provides that, on and after January 1, 2027, the Department may license as licensed CPAs individuals who have received a master's degree, a bachelor's degree with 30 hours of accounting from an accredited college or university and an exam certificate or certification from the Board, and at least one year of experience as defined by Department rule. Changes the organization that the Department may rely on for enhanced mobility determinations from the National Qualification Appraisal Service of the National Association of State Board of Accountancy to the Public Accountant Registration and Licensure Committee. Makes conforming and other changes.

Amends the Digital Assets and Consumer Protection Act. Makes changes to defined terms. Provides that the Act does not apply to a person whose digital financial asset business activity with, or on behalf of, residents is reasonably expected to be valued, in the aggregate, on an annual basis at \$5,000,000 or less, measured by the United States dollar equivalent of digital financial assets. Requires the Department of Financial and Professional Regulation to approve, conditionally approve, or deny any license application within 120 days after receipt of a completed application. Replaces provisions concerning renewal applications with annual reporting requirement provisions. 330 ILCS 61/1-15

Amends the Service Member Employment and Reemployment Rights Act. In a provision concerning differential compensation, changes the definition of "work days" to mean the actual number of shifts (rather than days) the employee would have worked during the period of military leave but for the service member's military obligation. Further provides that work days are tabulated without regard for the number of hours in a shift (rather than work day), regardless if the shift extends into the next day. Removes a provision providing that work hours that extend into the next calendar day count as 2 work days.

330 ILCS 61/5-5

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following additional changes: Provides that a service member whose employment with an employer is interrupted by a period of active service shall be permitted, upon request of that service member, to use during such period of service any vacation, annual, or similar leave with pay accrued by the service member before the commencement of such period of active service. In a provision concerning concurrent compensation for public employees who are members of a reserve component, provides that such public employees may receive concurrent compensation for both annual training orders and orders in lieu of annual training in the same calendar year; however, the combined total of their concurrent compensation shall not exceed 30 days in a calendar year. In a provision concerning differential compensation, provides that after a public employee is absent from his or her employment for a consecutive period of 365 days while performing voluntary active service, the employee's entitlement to differential compensation shall be terminated. Further provides that the public employee's right to differential pay shall be reinstated upon the employee's return to work with his or her employer for more than 90 calendar days. Provides that public employees are not entitled to differential pay for periods of unpaid active service including, but not limited to: travel to and from military orders, rest periods immediately before or after military orders, and military service in which the public employee does not receive pay from the military. Provides that "work days" are tabulated up to 24 continuous hours in a shift, regardless if the shift extends into the next calendar day; and a shift that extends beyond 24 continuous hours will be calculated as an additional work day. Makes the bill effective immediately.

Senate Floor Amendment No. 1

In provisions concerning differential compensation for public employees during periods of military leave, provides that after a public employee is absent from his or her employment for a consecutive 3-year period (rather than for a consecutive period of 365 days) while performing voluntary active service, the employee's entitlement to differential compensation shall be terminated.

HB 03399 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions concerning program establishment, provides that the Program shall function as a separate and distinct procurement program that does not draw from the allocation and funding of renewable energy credits from other sources. In provisions concerning program block allocation, provides that at least 33% (rather than 50%) of each annual block shall be reserved by systems that meet the Illinois Power Agency's definition of "residential". In provisions concerning project terms, provides that applicant firms shall have advanced capital disbursed before geothermal renewable energy credits are first generated (rather than after the geothermal heating and cooling system is operational but before geothermal renewable energy credits are first generated). In provisions concerning advanced capital, provides that the amount or percentage of capital advanced for residential systems (rather than for all systems) shall be at the discretion of the Agency by not less than 40% of the total contract. Provides that the amount or percentage of capital advanced for commercial, public, or environmental justice systems shall be at the discretion of the Agency. In provisions concerning contract terms, provides that each project shall be subject to the requirements of the Prevailing Wage Act. Provides that the Agency shall require verification that, for all construction for a project that was performed by a renewable energy credit delivery contract holder, its contractors, or its subcontractors, the construction employees received an amount for the work equal to or greater than the general prevailing rate. Provides that geothermal renewable energy credits for any single geothermal heating and cooling project that is 285 tons or larger and is procured after the effective date of the amendatory provisions shall be from a project built by general contractors that entered into a project labor agreement prior to construction. Provides that the project labor agreement shall be filed with the Director in accordance with procedures established by the Agency through its long-term renewable resources procurement plan. Amends the Illinois Power Agency Act. Makes a change to the definition of "renewable energy resources". Amends the Public Utilities Act. In provisions concerning the recovery of costs associated with the provision of delivery and other services, provides that an electric utility shall be entitled to recover through tariffed charges all costs associated with the purchase of geothermal renewable energy credits pursuant to the Geothermal Homes and Businesses Act. In provisions concerning procurement, provides that, beginning with the delivery year commencing on June 1, 2026, an electric utility shall procure geothermal renewable energy credits in accordance with the applicable provisions set forth in the Geothermal Homes and Businesses Act. Makes other changes. Effective immediately.

House Floor Amendment No. 2

In provisions concerning the length of contracts under the Geothermal Homes and Businesses Program, provides that, for geothermal renewable energy credits that qualify and are procured under the Program, the length of a geothermal renewable energy credits delivery contract shall be 15 years (rather than 25 years). In provisions concerning the Illinois Power Agency administration of the Program, provides that the Agency may use any existing program administrator and applicable subcontractors to develop, administer, implement, operate, and evaluate the Program (rather than the Agency shall be authorized to retain one or more experts or expert consulting firms to develop, administer, implement, operate, and evaluate the Program and the Agency shall retain the consultant or consultants in the same manner, to the extent practicable, as the Agency retains others to administer provisions of this Act, including, but not limited to, the procurement administrator). Adds provisions concerning the cost recovery of generating units.

Amends the Unified Code of Corrections. Deletes provision that the Department of Central Management Services shall contract with the qualified vendor who proposes the lowest per minute rate not exceeding 7 cents per minute for debit, prepaid, collect calls and who does not bill to any party any tax, service charge, or additional fee exceeding the per minute rate, including, but not limited to, any per call surcharge, account set up fee, bill statement fee, monthly account maintenance charge, or refund fee as established by the Federal Communications Commission Order for state prisons in the Matter of Rates for Interstate Inmate Calling Services, Second Report and Order, WC Docket 12-375, FCC 15-136 (adopted Oct. 22, 2015). Provides that the Department of Central Management Services shall contract with a qualified vendor for telephone services in which the cost of the service is not based on the number of telephone calls made. Provides that a committed person is entitled to make free telephone calls from the correctional institution or facility. Provides that neither the Department of Corrections nor its agents may adopt rules that charge a committed person per telephone call made. Provides that the Department of Corrections shall adopt rules determining the length of each call made by a committed person, how many times each day a committed person may make telephone calls, and may prohibit calls for illegal purposes.

Correctional Note, House Committee Amendment No. 1 (Dept of Corrections)

House Bill 3773 as Amended by House Amendment 1 would have no impact on the prison population, and result in no increase to the Illinois Department of Corrections costs over the span of the pilot program, providing the funds appropriated cover all program related Department costs.

Amends the Code of Criminal Procedure of 1963. Changes the definitions of "harassment" to include, among other actions, doxing, electronic tracking, and nonconsensual creation, dissemination, or threatening the dissemination of electronically generated or digitally altered content pertaining to the petitioner. Requires a county (not just counties with more than 250,000 in population) to provide remote access to a hearing on a protective order to include relevant witnesses besides the petitioner and respondent. Creates additional remedies for the court to grant in a domestic violence order of protection. Requires that any motion to extend a plenary order must be filed on or before the expiration date, and the plenary order remains in effect after filing until its original expiration date or until the motion is presented or heard, whichever is later. Requires a plenary order to be extended if the court finds that since entry of the plenary order there has been no material change in the relevant circumstances as required by law, and an extension of a plenary order may be granted for any fixed period of time or indefinitely until the plenary order is vacated or modified. Provides that if the motion to extend the plenary order is uncontested, petitioner's motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested extension is sufficient for the court to extend the plenary order for any length of time, including indefinitely. Provides that the court may grant a contested request for an extension of the plenary order for more than 2 years for good cause. Provides that a violation of the original order or a subsequent incident of abuse is not required to grant the extension or determine the length of the extension, and compliance with the original order does not negate the basis or length of the extension. Amends the Illinois Domestic Violence Act of 1986. Makes conforming changes.

Replaces everything after the enacting clause. Reinserts the provisions of the bill with these changes. Requires the court to grant a request for remote hearing unless good cause is shown to deny the request. Provides that a petitioner may not be denied a protective order solely on the basis that the petitioner or the respondent is incarcerated in a penal institution at the time of the issuance of the order. Allows a petition seeking protection to include a crime victim who was abused by a family or household member before the offender was incarcerated and by any person who has previously suffered abuse by a family or household member convicted of certain crimes. Provides that if the respondent does not contest the motion to extend a plenary order of protection after service of the motion in accordance with Supreme Court Rules, the court may grant the request for an extension based solely on the petitioner's motion and affidavit setting forth the requirements of the provisions governing plenary orders. Makes structural changes.

States that the new Department of Early Childhood and its planning process should prioritize appropriate attention to the facilities needs of our State's mixed-delivery system of early care and education. Additionally states that the State should move expeditiously to award its remaining Early Childhood Construction Grant monies to qualified applicants, to assist providers of critical birth-to-five programs in meeting their growing building-and-repair demands. Finally states that the State should also move as quickly as feasible to replenish Early Childhood Construction Grant resources to help Illinois achieve the long-term vision of the bipartisan Funding Commission for making services "simpler, better, fairer" for young children, their families, and communities statewide.

New Act

Creates the Community-Based Corrections Act. Provides that the Department of Corrections shall establish a program that funds community-based nonprofit providers to serve emerging adults as an alternative to traditional incarceration. Provides that community-based providers shall offer housing, workforce training, mental health counseling, and restorative justice programming in alignment with State guidelines. Provides that the program shall be subject to judicial discretion, allowing sentencing judges to assign eligible individuals to community-based settings instead of Department of Corrections facilities. Provides that all community-based providers must have a written agreement with a restorative justice court for all emerging adults within their care to participate in the restorative justice court programs. Provides that community-based providers shall be compensated at a rate equivalent to the monthly per-inmate cost of incarceration as determined by the Department in its Fiscal Impact Statement. Community-based providers shall be paid on a monthly basis for the number of individuals within their care. Provides that the Department of Corrections shall allocate existing budget authority for contractual services to fund the program created by the Act. Provides that the Department of Human Services shall establish operational standards, including housing conditions, workforce training quality, and mental health support services, to ensure program efficacy. Provides that the Department of Human Services shall monitor and evaluate providers to maintain compliance with State and judicial requirements. Provides that community-based providers shall submit annual reports to the Department of Corrections and the Department of Human Services detailing participant outcomes, including recidivism rates, employment statistics, and community reintegration success. Provides that the Department of Corrections shall report program performance to the General Assembly annually, including cost savings from reduced incarceration based on emerging adults participating with community-based providers for fewer years than they would serve in a Department of Corrections facility. Effective immediately.

Creates the Inclusive History Act. Establishes the Inclusive History Commission to (i) address the deficiencies and inadequacies in both perspective and content in traditional history course material and instruction and (ii) develop multiperspective, inclusive, and comprehensive standards that a school may use as a guide in replacing or developing its curricula for history education. Sets forth the membership of the Commission. Contains provisions concerning meetings, duties, and reporting. Repeals the provisions on December 31, 2026. Amends the Courses of Study Article of the School Code. Beginning with the 2025-2026 school year, requires schools to suspend all instruction in history education, with exceptions. Not later than June 30, 2026, requires the State Superintendent of Education to provide to schools instructional guidelines and standards based on the recommendations of the Commission so that schools may develop alternative curricula to replace traditional course material and instruction to ensure that students obtain a multiperspective, inclusive, and comprehensive understanding about history. Provides that beginning with the 2026-2027 school year, schools shall resume instruction in history, which shall require the use of age-appropriate discussion, textbooks, and other course material that reframe the study of history by presenting to students an examination of history through the inclusion of diverse perspectives, contrary interpretations, and the viewpoints of various groups of people whose voices have traditionally been excluded from the conventional teaching of history. Effective immediately.

Amends the School Code. Prohibits a child from being denied a free public education through secondary school while in the State based on the child's or associated person's perceived or actual citizenship or immigration status. Prohibits a school from excluding a child, or associated person, from participation in or denying a child, or associated person, the benefits of any program or activity on the grounds of that child's, or associated person's, actual or perceived citizenship or immigration status. Provides that a school must not use criteria, measures, or methods of administration that have the effect of excluding from participation or denying the benefits of any program or activity because of a child's, or associated person's, actual or perceived immigration status. Prohibits a school from threatening to disclose information regarding or relating to the actual or perceived citizenship or immigration status of a child, or associated person, or actually disclosing information based on perceived or unverified citizenship or immigration status, to any other person, entity, or any immigration or law enforcement agency. Provides that a school must not allow an immigration agent to enter a school site or school district facility for any purpose without providing valid identification, a written statement of purpose, and a valid judicial warrant, and, to the extent possible, receiving approval from the superintendent of the school district or the principal of the charter school, and their legal counsel. Provides that a school district or school must not detain any individual solely on the basis of any formal or informal request, or immigration detainer or civil immigration warrant from an immigration agent. Requires a school district or school to adopt a policy for complying with the amendatory Act. Allows any party aggrieved by a violation of the provisions to bring a civil lawsuit no later than 2 years after the violation occurred. Provides that if the court finds that a violation has occurred, the court may award to the plaintiff 3 times actual damages or \$17,000, whichever is greater. Makes other changes.

Fiscal Note, House Floor Amendment No. 1 (State Board of Education)

HB 3247 (H-AM-1) amends the School Code to ensure that children are not denied a free public education or excluded from any school programs or activities based on their or an associated person's actual or perceived citizenship or immigration status. The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. This change would not have a fiscal impact to the State Board of Education. There could potentially be increased costs to school districts, public schools, charter schools, and nonpublic schools; however, the exact amount is unknown.

Fiscal Note, House Floor Amendment No. 2 (State Board of Education)

HB 3247 (H-AM-2) amends the School Code to ensure that children are not denied a free public education or excluded from any school programs or activities based on their or an associated person's actual or perceived citizenship or immigration status. The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. This change would not have a fiscal impact to the State Board of Education. There could potentially be increased costs to school districts, public schools, charter schools, and nonpublic schools; however, the exact amount is unknown.

Exempts images from cameras under the Expressway Camera Act and all automated license plate reader (ALPR) information used and collected by the Illinois State Police from inspection and copying. Amends the Expressway Camera Act. Provides that, as used in the Act, "forcible felony" means trafficking in persons and involuntary servitude (in addition to other specified offenses). Includes the counties of Lee, Ogle, and Whiteside in the program to increase cameras along expressways and the State highway system. Provides that images from the cameras, including, but not limited to, images of license plates collected by state-operated cameras and cameras operated by the Illinois State Toll Highway Authority, may be used by any law enforcement agency conducting an active law enforcement investigation. Removes provision allowing images from the cameras to be used by any law enforcement agency conducting an active law enforcement investigation. Provides that all images from the cameras that are exported through a law enforcement database shall be deleted from that law enforcement database within 120 days, unless the images are relevant to an ongoing investigation or pending criminal trial. Provides that any forcible felony, gunrunning, or firearms trafficking offense, as specified, respectively, committed on an expressway monitored by a camera system funded by money from the Road Fund or money from the Illinois State Toll Highway Authority and investigated by officers of the Illinois State Police may be prosecuted by the Attorney General or the State's Attorney where the offense was committed. Provides that the Act supersedes provisions in the Toll Highway Act regarding the confidentiality of personally identifiable information obtained through electronic toll collection systems. Provides that the Act is repealed on July 1, 2028 (rather than July 1, 2025). Effective immediately.

House Committee Amendment No. 1

Provides that the Act does not supersede prohibitions related to users of automated license plate readers.

Senate Committee Amendment No. 1

In the Freedom of Information Act, provides that the exemption for images from cameras under the Expressway Camera Act and all automated license plate reader information used and collected by the Illinois State Police is inoperative on and after July 1, 2028 (rather than July 1, 2025).

HB 01332 (Continued)

Replaces everything after the enacting clause with the provisions of the bill, as amended by House Amendment No. 1, with the following changes. Changes the short title to the Emergency Contact and Caregiver Advise, Record, and Enable Act. Makes changes to defined terms. Provides that, following the patient's admission into the hospital as an inpatient, a hospital shall provide each patient or, if applicable, the patient's legal representative with an opportunity to designate a caregiver following the patient's admission into the hospital as an inpatient and prior to the patient's discharge (rather than only prior to the patient's discharge) to the patient's residence or transfer to another facility. Requires a hospital, as soon as practicable, to notify the emergency contact of the patient's death (rather than notify a patient's emergency contact of the patient's death or if the patient's condition has become life threatening) if a patient has authorized the hospital to share protected health information with an emergency contact that is not the patient's legal representative and the patient's legal representative does not object. Limits the liability of hospitals who attempt to contact an emergency contact. Removes provisions concerning failure to contact the patient's emergency contact. Provides that, if a patient fails to authorize the hospital to share the patient's protected health information or revokes such authorization, the hospital may contact the emergency contact only as otherwise allowed by law. Amends the Rivers, Lakes, and Streams Act. Provides that the public right to access and use navigable waters includes all rights recognized by State or federal law, including the rights set forth in the Northwest Ordinance of 1787 and the federal navigational servitude, and all rights arising under the public trust doctrine, which shall be understood and applied in a manner consistent with the spirit of the Act to maximize the full and free enjoyment of State waters by the public. Provides that any segment of a lake, river, or stream that is capable of supporting use by commercial or recreational watercraft for a substantial part of the year, or that is actually so used, shall be deemed navigable, and shall be open to public access and use, unless the contrary is proven in litigation by a preponderance of the evidence. Changes references to "sexual assault survivors" to references to "acute sexual assault survivors". In provisions regarding minimum requirements for medical forensic services provided to sexual assault survivors by hospitals and approved pediatric health care facilities, provides that nothing in those provisions is intended to prohibit a qualified medical provider from offering an Illinois Sexual Assault Evidence Collection Kit to a sexual assault survivor who presents at a treatment hospital, treatment hospital with approved pediatric transfer, or approved pediatric health care facility with a nonacute complaint of sexual assault according to the qualified medical provider's clinical discretion based on best practices for indications for evidence collection. Allows for virtual or telephonic consultation in providing certain information. Adds references to approved pediatric health care facilities. Provides that medical forensic services shall be provided with the consent of the sexual assault survivor, with certain requirements. Makes changes to provisions regarding a sexual assault services voucher. In provisions regarding written consent to the release of sexual assault evidence for testing, provides for an agent acting under a health care power of attorney, and provides that, if a parent, guardian, or health care power of attorney is unwilling to release sexual assault evidence, then a State's Attorney or the Attorney General may petition the court to authorize its release. Provides that fines shall be deposited into the Sexual Assault Survivor Treatment Regulation Fund. Makes changes to provisions regarding the Sexual Assault Nurse Examiner Program. Provides for a qualified medical provider list. Describes Sexual Assault Nurse Examiner and Sexual Assault Forensic Examiner qualifications. Defines terms. Makes other changes. State Mandates Fiscal Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 3350, as Introduced, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of HB 3350, the legislation will not increase or decrease the number of judges needed in the State of Illinois.

Pension Note (Government Forecasting & Accountability)

HB 3350 shall have no impact on any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

HB 3350 would not change the amount of authorization for any type of State issued bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Financial & Professional Regulation)

The Illinois Department of Financial and Professional Regulations (IDFPR) estimates that implementing House Bill 3350 will require three additional staff members, resulting in an estimated cost of \$942,800. However, the bill does not include a dedicated revenue source to offset these expenditures. As a result, these costs are not accounted for in the Governor's introduced budget, placing an additional financial burden on the department. Without a corresponding increase in revenue, the department will be required to absorb these costs within its existing budget, which would negatively impact its appropriations authority and fund balance. This unfunded mandate could strain IDFPR'S ability to effectively carry out its regulatory responsibilities.

Correctional Note (Dept of Corrections)

House Bill 3350 would result in no increase to the corrections population and have no fiscal impact on the Department over the first ten years after enactment.

Requires the Board to post to its website annually each public institution of higher education's compliance with the policies under the provisions. Effective immediately.

House Committee Amendment No. 1

In the provisions concerning medication abortion availability on campus, removes the requirement that a public institution of higher education that dispenses medication abortion from the university pharmacy enter into a referral agreement with a tertiary care facility with obstetrics and gynecological services in the event of complication from medication abortion or suspected complicated pregnancy prior to dispensing medication abortion. Makes a conforming change.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: Provides that each public institution of higher education with student health services shall provide enrolled students with access to one or more health care professionals whose scopes of practice collectively include prescribing and dispensing contraception to patients in the State or include prescribing medication abortion to patients in the State (rather than to health care professionals authorized under State law to prescribe contraception or medication abortion). Makes changes concerning the provision of services. Provides that, beginning with the 2025-2026 school year, each public institution of higher education with student health services shall make available, on the public institution of higher education's student health services' website, information on how students can access medication contraception on campus. Removes language providing that the pharmacy on campus shall dispense the medication abortion to enrolled students who wish to fill their prescriptions at the university pharmacy. Provides that the public institution of higher education shall make medication abortion available at a physical location on campus and enrolled students shall be able to access medication abortion at either a pharmacy on campus, the student health center via a health care professional licensed to dispense medication abortion, or another physical location on campus where students access other similar medications. Makes grammatical changes. Effective immediately.

Amends the Environmental Protection Act. Repeals the definition of "food scrap"; adds definitions for "anaerobic digestion", "biogas", "digestate", "food waste", "organic material", and "organic waste"; and updates the definitions of "compost" and "composting". In provisions regarding pollution control facilities, includes a new exemption for portions of sites or facilities used for composting or anaerobic digestion of organic waste that meet specified siting, setback, floodplain, and operational requirements. In provisions regarding prohibited acts, establishes permitting requirements for organic waste composting operations and organic waste anaerobic digesters, and creates exemptions for small-scale and certain farm-based composting operations that meet volume limits, setback distances, and other environmental safeguards. Provides that anaerobic digesters using only non-waste feedstock are exempt from solid waste permitting and clarifies that digested material returned to the economic mainstream is not regulated as waste. Authorizes the Environmental Protection Agency to recommend, and the Pollution Control Board to adopt, performance standards for organic waste compost facilities and testing procedures for end-product compost, and requires a Technical Advisory Committee with balanced stakeholder representation. Specifies that standards apply to compost offered for sale or use and exempts on-site residential composting. Makes conforming changes throughout to integrate new definitions and regulatory requirements.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Changes the definitions of "biogas" and "food waste". In provisions regarding facilities that are not pollution control facilities, deletes specified changes from the introduced bill not referential to organic waste or food waste, including specified references to anaerobic digestion. In provisions regarding prohibited acts, replaces all changes from the introduced bill with a provision that no person shall conduct an organic waste composting operation without an Agency permit, provided, however, that no permit shall be required for any person conducting an organic waste composting operation for organic wastes generated by such person's own activities which are stored, treated, or disposed of within the site where such wastes are generated or for any person conducting an organic waste composting operation that (i) has not more than 50 cubic yards of organic waste, composting additives, composting material, or end-product compost on-site at any one time and (ii) is not engaging in commercial activity. Specifies that landscape waste composting operations are subject to different provisions. Makes technical changes.

Calls upon the Trump administration to end the government shutdown and restore funding to SNAP and other critical federal government programs rather than continuing to put partisan politics before their obligation to the American people. That if an expedient end to the shutdown cannot or will not be achieved, then the Trump administration is urged to release the reserve funds held by the United States Department of Agriculture specifically for just this eventuality, thereby enabling SNAP beneficiaries to retain access to adequate nutrition while negotiations continue. States that using hunger as a weapon to obtain a desired political outcome is reprehensible and unequivocally condemns the Trump Administration's actions in this regard.

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: Removes provisions amending the State Employees Group Insurance Act of 1971. In provisions concerning mental health and substance abuse parity, removes provision limiting the applicability of parity requirements for mental health or substance use disorder services provided by a hospital when the hospital has a contract with the insurer that provides for reimbursement for such services based on achieving specified patient health outcomes and other quality measures and includes shared savings from lower health care costs. Senate Committee Amendment No. 1

Deletes reference to:
215 ILCS 125/5-3

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Replaces provisions concerning reimbursement for in-network mental health and substance use disorder treatment services. Provides that, consistent with the principles of the federal Mental Health Parity and Addiction Equity Act of 2008, and for the purposes of strengthening network adequacy for mental health and substance use disorder services and lowering out-of-network utilization, the Department of Human Services, by rule, shall determine a reimbursement rate floor for all in-network mental health and substance use disorder services, including inpatient services, outpatient services, office visits, and residential care, delivered by Illinois providers and facilities using the Illinois data in Research Triangle Institute International's study. Sets forth provisions concerning requirements for the reimbursement rate floor. Grants the Department of Insurance enforcement and monitoring authority over the reimbursement rate floor and requires the Department to publish the rate floor set by the Department of Human Services in Title 50 of the Illinois Administrative Code. Provides that, at the end of 2 years, 7 years, and 12 years (rather than 5 years, 10 years, and 15 years) following the implementation of provisions concerning the reimbursement rate floor, the Department of Insurance shall review the impact of provisions concerning mental health and substance use parity on network adequacy for mental health and substance use disorder treatment and access to affordable mental health and substance use care. Requires the Department to submit a report to the General Assembly by no later than December 31, 2030, December 31, 2035, and December 31, 2040 (rather than by December 31, 2033, December 31, 2038, and December 31, 2043) that includes its analyses and findings following the Department's review. Makes changes in provisions granting the Department of Insurance the authority to examine out-of-network utilization and out-of-pocket costs. Provides that the Department of Insurance and the Department of Human Services (rather than only the Department of Insurance) shall adopt any rules necessary to implement provisions concerning mental health and substance use parity by no later than May 1, 2026. Removes provisions amending the Health Maintenance Organization Act. Effective immediately.

105 ILCS 5/10-20.88 new

105 ILCS 5/34-18.88 new

Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot. Provides, however, that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met. Provides that for any school whose team name is the name of a federally recognized tribe or historical Native American person, the school may continue to use its current team name and an agreed upon logo and mascot on and after the effective date of the amendatory Act if certain conditions are met. Provides that nothing in the provisions may be interpreted to prohibit county, municipality, or school district names.

Fiscal Note, House Committee Amendment No. 1 (State Board of Education)

HB 1237 (H-AM 1) provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028, if specified requirements are met. This change would not have a fiscal impact to the State Board of Education. School districts and schools that use mascots as defined above would incur unknown costs over time during implementation of this bill. The State Board of Education recommends the sponsors consult with Illinois Association of School Administrators, Illinois Association of School Boards, or the Illinois High School Association regarding costs to schools and districts.

House Floor Amendment No. 4

Replaces everything after the enacting clause with the provisions of House Amendment No. 1, and makes the following changes: Allows a school to continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2030 (rather than 2028) if the school sets forth a reasonable timeline for the selection of a new school or athletic team name, logo, or mascot through formal school board action no later than July 1, 2026 (rather than if certain requirements are met). Includes a marquee, sign, or other permanent school structure that bears the prohibited native name, logo, or mascot that the school shall remove the next time the marquee, sign, or other permanent school structure is remodeled or replaced. Provides that if either a school or federally recognized tribe wishes to terminate consent to use a native name, logo, or mascot, the school shall select a new school or athletic team name, logo, or mascot through formal school board action no later than one year from the date of termination and shall discontinue use of the name, logo, or mascot no later than 3 years from the date of termination (rather than providing that if either a school or federally recognized tribe wishes to terminate an agreement, the school has one year from the date of termination to discontinue its use of the name, logo, or mascot). Makes other changes. Adds an effective date of July 1, 2026.

(Sen. Suzy Glowiak Hilton-Steve McClure and Sally J. Turner)

20 ILCS 2105/2105-17

Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. In a provision concerning the requirements that a health care professional must meet before he or she can have his or her license placed on volunteer status (rather than being granted a volunteer license), provides that a health care professional must possess an active license that is not currently subject to discipline or under investigation by the Department of Financial and Professional Regulation (rather than satisfaction of all requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the Act). Removes the volunteer licensure fee and removes references to volunteer licenses. Provides that a health care professional whose license is in volunteer status may request that the Department change the status of the license to active as long as the request for the change is made during the same renewal period in which the license was previously active or the license is renewed in the same manner, at the same time, and with the same conditions as an active license. Provides that a health care professional who holds an active license that was previously a volunteer license is subject to the requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the relevant Act. Provides that the Department may adopt rules for the administration of the provisions regarding volunteer licenses (rather than determining by rule the total number of volunteer licenses to be issued). Makes conforming and other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that a health care professional whose license is in volunteer status may request the Department of Financial and Professional Regulation to change the status to active as long as the request to be active is made during the same renewal period in which the license was previously active or the health care professional renews in the same manner and at the same time with the same conditions as an active license (rather than as long as the request for the change is made during the same renewal period in which the license was previously active or the license is renewed in the same manner, at the same time, and with the same conditions as an active license). Removes language providing that a health care professional who holds an active license that was previously a volunteer license is subject to the requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the relevant Act. Makes a conforming change.

Amends the Behavior Analyst Licensing Act, the Clinical Psychologist Licensing Act, the Clinical Social Work and Social Work Practice Act, the Marriage and Family Therapy Licensing Act, the Medical Practice Act of 1987, the Licensed Certified Professional Midwife Practice Act, the Nurse Practice Act, the Pharmacy Practice Act, the Physician Assistant Practice Act of 1987, the Professional Counselor and Clinical Professional Counselor Licensing and Practice Act, the Wholesale Drug Distribution Licensing Act, the Registered Surgical Assistant and Registered Surgical Technologist Title Protection Act, and the Genetic Counselor Licensing Act. Provides that the Department of Professional and Financial Regulation shall not take any disciplinary or non-disciplinary action against a person's authorization to practice (rather than against the license or permit issued) under each of the amended Acts based solely upon the person's involvement in any health care service, so long as the care was not unlawful under the laws of the State. Prohibits the Department from taking any disciplinary or non-disciplinary action against a person's authorization to practice (rather than against the license or permit issued) under each of the amended Acts based upon the person's license, registration, or permit (rather than only license) being revoked or suspended, or the person being otherwise disciplined by any other state, if that form of discipline was based solely on the person violating another state's laws prohibiting involvement in any health care service if that health care service would not have been unlawful under the laws of the State and is consistent with the applicable standard of conduct for a person practicing in Illinois under those Acts. Changes certain references to official occupation titles in the amended Acts to "person". Amends the Illinois Food, Drug and Cosmetic Act. Provides that a drug's status as not approved by the U.S. Food and Drug Administration shall not cause it to be deemed an adulterated drug if its safety and efficacy have been established by peer-reviewed research or if it is recommended for use by the World Health Organization, even if the drug's labelling reflects prior approval that is no longer in effect, so long as such labelling was true and accurate at the time of manufacture.

House Floor Amendment No. 1

Provides that a drug's status as not approved by the U.S. Food and Drug Administration shall not cause it to be deemed an adulterated drug in violation of the Act if it is recommended for use by the World Health Organization (rather than if its safety and efficacy have been established by peer-reviewed research or if it is recommended for use by the World Health Organization).

Senate Committee Amendment No. 1

Provides that, if a drug had been approved by the U.S. Food and Drug Administration before January 1, 2025, the revocation of approval by the U.S. Food and Drug Administration shall not cause it to be deemed an adulterated drug in violation of the Illinois Food, Drug and Cosmetic Act if the drug is recommended for use by the World Health Organization, even if the drug's labeling reflects prior approval that is no longer in effect, so long as the drug's labeling was true and accurate at the time of its manufacture. Provides that those provisions are inoperative on and after January 1, 2035.

Honors the memory of the Jewish people who were victims of the Holocaust and recognizes the bravery of survivors who have shared their stories with the world. Honors the memory of the millions of additional people, including prisoners of war, ethnic Poles, Romani people, Serbian civilians, people with disabilities, political opponents and dissenters, people labeled as asocial, Jehovah's Witnesses, gay, bisexual, and transgender people, and Black Germans, who were persecuted and murdered by the Nazi state and their collaborators. Expresses gratitude for the soldiers, resistance fighters, and all those who helped defeat the Nazi regime and end the Holocaust. Expresses gratitude for the American soldiers who fought around the world during World War II, including the over 980,000 men and women from Illinois who served in the U.S. Armed Forces and the approximately 22,000 who gave their lives in pursuit of liberty. Expresses gratitude for the American forces that liberated the Buchenwald concentration camp on April 11, 1945, and who would go on that month to liberate concentration camps at Dachau, Dora-Mittelbau, and Flossenburg before liberating Mauthausen in early May 1945. Urges all Illinoisans to commit to learning about the Holocaust in order to ensure that such atrocities are never perpetrated again. Urges all Illinoisans to enhance their efforts to combat antisemitism, bigotry, intolerance, and racism.

House Committee Amendment No. 2

Changes the amendatory provisions such that a facility employee shall be barred from further contact with a facility resident if the Department of Human Services' initial investigation indicates that the facility employee is (rather than may be) the perpetrator of non-de minimis financial exploitation (such as financial exploitation totaling a cumulative value equal to or greater than \$20 (rather than \$100)). Adds physical abuse to the types of conduct that will result in a facility employee being barred from further contact with a facility resident.

20 ILCS 3805/7.34 new

30 ILCS 105/5.1038 new

Amends the Illinois Housing Development Act. Requires the Illinois Housing Development Authority (Authority) to establish and administer a First-Generation Homebuyer Down Payment Assistance Program to provide targeted assistance to eligible first-generation homebuyers throughout the State for the purchase of a single-family or non-commercial multi-family residence. Sets forth eligibility requirements. Permits the Authority to prioritize assistance to applicants purchasing homes in designated community priority areas, applicants with household income below 80%, and applicants purchasing homes in areas with low homeownership rates, high housing costs burdens, or limited access to affordable mortgage credit. Provides that assistance under the program shall be provided as a forgivable loan to be forgiven pro rata on a monthly basis over a 5-year period of continuous owner-occupancy. Sets forth the available loan amounts and provides that assistance funds may be used for down payments, closing costs, mortgage insurance, interest rate buydowns, or principal reduction. Permits the Authority to waive repayment in cases of documented financial hardship that is beyond the control of the homebuyer. Permits the Authority to adopt rules to implement and administer the program. Effective July 1, 2026.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence. While the proposed establishes a new program for First-Generation Homebuyer Down Payment Assistance, this is the establishment of a program that is not needed on the state level. IHDA's current Down Payment Assistance programs and IHDA's current homebuyer programs target first time home buyers exclusively AND they allow first generation homebuyers to already use them. Creation of a new program is redundant and would create more red tape and would not lower barriers for first time homebuyers.

Fiscal Note (Housing Development Authority)

This program is redundant and not needed as current Homebuyer and Down Payment assistance programs already do everything this bill proposes. This bill requires program rules that would need to be established and updated throughout the next year (1 FTE Lawyer / Legal Staff (\$200,000/year). Outside of establishment of new rules, the administration of this program could be covered under existing IHDA staffing levels except for the reporting requirements, which would require the hiring and maintenance of a program staff position or two. These position(s) would be required to meet reporting requirements and burdensome publishing requirements on an ongoing basis(\$100,000 - \$200,000 per year). Additional advertising would also need to occur which could add \$30K to the cost of administering this program.

Amends the Code of Criminal Procedure of 1963. Changes the definitions of "harassment" to include, among other actions, doxing, electronic tracking, and nonconsensual creation, dissemination, or threatening the dissemination of electronically generated or digitally altered content pertaining to the petitioner. Requires a county (not just counties with more than 250,000 in population) to provide remote access to a hearing on a protective order to include relevant witnesses besides the petitioner and respondent. Creates additional remedies for the court to grant in a domestic violence order of protection. Requires that any motion to extend a plenary order must be filed on or before the expiration date, and the plenary order remains in effect after filing until its original expiration date or until the motion is presented or heard, whichever is later. Requires a plenary order to be extended if the court finds that since entry of the plenary order there has been no material change in the relevant circumstances as required by law, and an extension of a plenary order may be granted for any fixed period of time or indefinitely until the plenary order is vacated or modified. Provides that if the motion to extend the plenary order is uncontested, petitioner's motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested extension is sufficient for the court to extend the plenary order for any length of time, including indefinitely. Provides that the court may grant a contested request for an extension of the plenary order for more than 2 years for good cause. Provides that a violation of the original order or a subsequent incident of abuse is not required to grant the extension or determine the length of the extension, and compliance with the original order does not negate the basis or length of the extension. Amends the Illinois Domestic Violence Act of 1986. Makes conforming changes.

House Committee Amendment No. 1

Adds reference to:

725 ILCS 5/112A-11.5

Adds reference to:

750 ILCS 60/201

from Ch. 40, par. 2312-1

Replaces everything after the enacting clause. Reinserts the provisions of the bill with these changes. Requires the court to grant a request for remote hearing unless good cause is shown to deny the request. Provides that a petitioner may not be denied a protective order solely on the basis that the petitioner or the respondent is incarcerated in a penal institution at the time of the issuance of the order. Allows a petition seeking protection to include a crime victim who was abused by a family or household member before the offender was incarcerated and by any person who has previously suffered abuse by a family or household member convicted of certain crimes. Provides that if the respondent does not contest the motion to extend a plenary order of protection after service of the motion in accordance with Supreme Court Rules, the court may grant the request for an extension based solely on the petitioner's motion and affidavit setting forth the requirements of the provisions governing plenary orders. Makes structural changes.

New Act

Creates the Geothermal Homes and Business Act. Provides that, beginning January 1, 2026, the long-term renewable resources procurement plan developed by the Illinois Power Agency shall include a Geothermal Homes and Business Program for the procurement of geothermal renewable energy credits. Sets forth provisions concerning the geothermal heating and cooling system calculation methodology; Program block allocation; Program block pricing; approved vendors; contract terms; utility cost recovery; extenuating circumstances; administration of the Act by the Illinois Power Agency; and the prohibition of double claiming geothermal renewable energy credits. Effective immediately.

House Committee Amendment No. 1

Adds reference to:
20 ILCS 3855/1-10

Adds reference to:
220 ILCS 5/16-108

Adds reference to:
220 ILCS 5/16-111.5

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions concerning program establishment, provides that the Program shall function as a separate and distinct procurement program that does not draw from the allocation and funding of renewable energy credits from other sources. In provisions concerning program block allocation, provides that at least 33% (rather than 50%) of each annual block shall be reserved by systems that meet the Illinois Power Agency's definition of "residential". In provisions concerning project terms, provides that applicant firms shall have advanced capital disbursed before geothermal renewable energy credits are first generated (rather than after the geothermal heating and cooling system is operational but before geothermal renewable energy credits are first generated). In provisions concerning advanced capital, provides that the amount or percentage of capital advanced for residential systems (rather than for all systems) shall be at the discretion of the Agency by not less than 40% of the total contract. Provides that the amount or percentage of capital advanced for commercial, public, or environmental justice systems shall be at the discretion of the Agency. In provisions concerning contract terms, provides that each project shall be subject to the requirements of the Prevailing Wage Act. Provides that the Agency shall require verification that, for all construction for a project that was performed by a renewable energy credit delivery contract holder, its contractors, or its subcontractors, the construction employees received an amount for the work equal to or greater than the general prevailing rate. Provides that geothermal renewable energy credits for any single geothermal heating and cooling project that is 285 tons or larger and is procured after the effective date of the amendatory provisions shall be from a project built by general contractors that entered into a project labor agreement prior to construction. Provides that the project labor agreement shall be filed with the Director in accordance with procedures established by the Agency through its long-term renewable resources procurement plan. Amends the Illinois Power Agency Act. Makes a change to the definition of "renewable energy resources". Amends the Public Utilities Act. In provisions concerning the recovery of costs associated with the provision of delivery and other services, provides that an electric utility shall be entitled to recover through tariffed charges all costs associated with the purchase of geothermal renewable energy credits pursuant to the Geothermal Homes and Businesses Act. In provisions concerning procurement, provides that, beginning with the delivery year commencing on June 1, 2026, an electric utility shall procure geothermal renewable energy credits in accordance with the applicable provisions set forth in the Geothermal Homes and Businesses Act. Makes other changes. Effective immediately.

In provisions concerning the Illinois Power Agency administration of the Program, provides that the Agency may use any existing program administrator and applicable subcontractors to develop, administer, implement, operate, and evaluate the Program (rather than the Agency shall be authorized to retain one or more experts or expert consulting firms to develop, administer, implement, operate, and evaluate the Program and the Agency shall retain the consultant or consultants in the same manner, to the extent practicable, as the Agency retains others to administer provisions of this Act, including, but not limited to, the procurement administrator). HB 02827 (Continued)

Creates the Homeschool Act. Requires the State Board of Education to create a Homeschool Declaration Form to be used by a homeschool administrator to submit information indicating that a child is enrolled in a homeschool program to the principal of the public school or to the school district that the homeschooled child would otherwise attend. Provides that a student enrolled in a homeschool program in which the homeschool administrator has not notified the public school or school district with the Homeschool Declaration Form is considered truant, with penalties applying. Provides that if a child in a homeschool program seeks to enroll part time in a public school or participate in any public school activities taking place on or off of school grounds, the homeschool administrator must submit proof that the child has received all required immunizations and health examinations or a signed Certificate of Religious Exemption. Sets forth requirements for homeschool administrators and programs and reporting requirements. Makes conforming and other changes in the Freedom of Information Act, the School Code, and the Illinois School Student Records Act, including requiring (rather than allowing) nonpublic schools to register with the State Board of Education.

House Committee Amendment No. 1

Adds reference to:

105 ILCS 10/2

from Ch. 122, par. 50-2

Adds reference to:

105 ILCS 10/6

from Ch. 122, par. 50-6

Adds reference to:

105 ILCS 10/8.5 new

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes. In the Homeschool Act: Requires proof of immunization and a health examination or an exemption only for regularly occurring, public-school-sponsored, public-school activities. Requires a homeschool administrator to have a high school diploma or its recognized equivalent at a minimum. Requires the homeschool administrator to provide proof of, among other options, any degree obtained from an institution of higher education. Changes the reporting date for regional offices of education, intermediate service centers, and the Chicago school district from June 30 (beginning in 2027 and every year thereafter) to July 31; changes the reporting date for the State Board of Education from July 31 (previously beginning in 2027, but now beginning in 2028) to February 1; and makes other changes. Provides that nothing in the Act supersedes the Department of Children and Family Services Guardianship Administrator's authority to approve or deny whether a youth under the custody or guardianship of the Department of Children and Family Services Guardianship Administrator may participate in a homeschool program and that consent must be obtained from the Department of Children and Family Services Guardianship Administrator prior to the Homeschool Declaration Form being submitted for all youth under the custody or guardianship of the Department of Children and Family Services Guardianship Administrator. In the Freedom of Information Act: Provides that information and records held by any school district (rather than the Chicago school district) containing confidential information about a student, parent, or guardian under the Homeschool Act is exempt from copying and inspection. In the Illinois School Student Records Act: Provides that neither a "student permanent record" nor a "student temporary record" includes a Homeschool Declaration Form or any record that a homeschool administrator submits to a school district for proof of a homeschooled student's immunization and health examination. Provides that student records or information may be released, transferred, disclosed, or otherwise disseminated to the State Board of Education or a school or school district's regional office of education or intermediate service center or, in the case of the Chicago school district, the general superintendent of schools only for the purposes of transmitting a Homeschool Declaration Form to one of these entities in accordance with the Homeschool Act. Requires a regional office of education or intermediate service center or, in the case of the Chicago school district, the general superintendent that receives a Homeschool Declaration Form to maintain a copy of the Homeschool Declaration Form for not less than 5 years after receiving the Homeschool Declaration Form. Provides that a public school or school district is not required to maintain a Homeschool Declaration Form or a copy of a Homeschool Declaration Form, but may maintain a copy of a Homeschool Declaration Form as long as the public school or school district abides by all storage requirements and confidentiality requirements. Requires a public school or school district that receives proof of a homeschooled student's immunization and health examination to maintain a copy of those records for not less than 5 years after receipt.

Amends the Rivers, Lakes, and Streams Act. Provides that the public right to access and use navigable waters includes all rights recognized by State or federal law, including the rights set forth in the Northwest Ordinance of 1787 and the federal navigational servitude, and all rights arising under the public trust doctrine, which shall be understood and applied in a manner consistent with the spirit of the Act to maximize the full and free enjoyment of State waters by the public. Provides that any segment of a lake, river, or stream that is capable of supporting use by commercial or recreational watercraft for a substantial part of the year, or that is actually so used, shall be deemed navigable, and shall be open to public access and use, unless the contrary is proven in litigation by a preponderance of the evidence. Provides that public uses in such waters shall include boating, tubing, fishing, swimming, and wading. Requires the Department of Natural Resources to protect such public uses against interference or encroachment as provided in the Act. Provides that no action or inaction by the Department of Natural Resources shall create a presumption, in any civil or criminal litigation, against the navigability of any waterway segment. Provides that the public right to access and use navigable waters shall be subject to specified protections and limitations, a violation of which shall be punished as otherwise provided by law, and, if likely to continue, enjoined by a court of competent jurisdiction. Provides that nothing in the Act shall limit the right of any person to challenge the legality of alleged interference with the public right to access or use navigable waters in any appropriate civil or criminal litigation.

Provides that in counties with a population of less than 3,000,000, if a unit of local government, community college, or school district is required to provide notice in a newspaper by law, order of court, or contract, those entities may publish the notice on its official government website instead of in a newspaper. Provides that if an individual is unable to access an electronic publication of a legal notice, the entity must provide a copy of the notice to the individual free of charge. Requires that notices must remain available on the website at least until the last posting date required by law has expired or until the event described in a notice has taken place, whichever is later. HB 02987 (Continued)

Creates the Warehouse Tornado Preparedness Act. Provides that all operators of a warehouse within this State shall prepare a tornado safety plan for each warehouse they operate within 120 days after the effective date of the Act for each existing warehouse or, for warehouses opened on or after 120 days after the effective date of the Act, no later than 7 days after the warehouse becomes operational. Provides that each plan shall be specific to the warehouse it was prepared for and must be reviewed and updated at least once per year or upon any significant change to the operations of the warehouse that affects the applicability or accuracy of the information in the plan. Specifies what the plan must contain. Requires each warehouse facility to have designated or constructed sufficient shelter space for at least 125% of persons who regularly work in the warehouse at the same time, including persons who are at the warehouse temporarily, such as delivery drivers. Requires each warehouse to maintain specified emergency supplies in its tornado shelter. Effective immediately.

House Floor Amendment No. 4

Adds reference to:

55 ILCS 5/5-1192 new

Adds reference to:

65 ILCS 5/11-31.1-1

from Ch. 24, par. 11-31.1-1

Adds reference to:

65 ILCS 5/11-31.1-1.5 new

Replaces everything after the enacting clause. Reinserts the provisions of the bill with the following changes. In provisions concerning tornado safety plans, provides that the operator of a warehouse should coordinate with the warehouse's local emergency services and disaster agency and fire department or fire protection district to create plans that, when implemented, will be consistent with the local jurisdiction's response activities. Provides that copies of the plan and all updates made to the plan must be filed with the fire department or fire protection district in the jurisdiction in which the warehouse is located and the local emergency services and disaster agency in the jurisdiction in which the warehouse is located (instead of filed with the Office of the State Fire Marshal, the Illinois Emergency Management Agency and Office of Homeland Security, and the fire department, fire protection district, or local emergency services agency with primary responsibility for the warehouse). Provides that warehouse facilities constructed after the effective date of the Act must provide the means, through modification, installation, or demonstration via rational analysis, to meet a life-safety performance level for tornado loading that is equivalent to, or exceeds, the life-safety performance level for the most onerous of other building code-prescribed extreme environmental loading events. Sets forth provisions concerning that evaluation. Provides that, in lieu of a risk-targeted approach, the evaluating design professional may elect to follow prescriptive methods as outlined in the Federal Emergency Management Agency standard P-431, Tornado Protection: Selecting Refuge Areas in Buildings and the Best Available Refuge Area Checklist to ensure that shelter areas designated in tornado safety plans are qualified as the best available refuge areas. Removes provisions concerning tornado shelters and emergency supplies. Amends the Counties Code. Defines "building inspector". Requires a building inspector to hold a certification from the International Code Council in the area in which the inspector is inspecting or examining. Requires that the county keep on file a copy of the certifications of the persons doing inspections or examinations on its behalf. Provides that a building inspector may have a grace period of one year from the date of hire to acquire the certification required under these provisions. Amends the Illinois Municipal Code to add similar requirements for building inspectors. Effective immediately, except that provisions amending the Counties Code and the Illinois Municipal Code take effect January 1, 2027.

Senate Committee Amendment No. 1

Provides that "warehouse" means a building in which warehouse workers perform their duties and goods are stored in industries defined by specified North American Industry Classification System (NAICS) codes, however such building is denominated (instead of an establishment as defined by specified North American Industry Classification System (NAICS) codes, however such establishment is denominated).

HB 03138 (Continued)

Creates the Temporary Immunity for Child Welfare Agencies Act. Creates immunity from civil liability for a licensed child welfare agency that provides service for youth in foster care for a 2-year period unless the agency's acts or omissions constitute willful and wanton conduct. Provides that the immunity extends to the agency's employees, volunteers, and agents acting within the scope of their employment. Defines a "child welfare agency" to mean a public or private child care facility that receives a child or children for the purpose of placing or arranging for the placement or free care of the child or children in foster family homes, unlicensed pre-adoptive and adoptive homes, adoption-only homes, or other facilities for child care apart from the custody of the child's or children's parents. The term "child welfare agency" includes (i) all agencies established and maintained by a municipality or other political subdivision of the State to protect, guard, train or care for children outside their own homes; and (ii) all agencies, persons, groups of persons, organizations, corporations, institutions, centers, or group providing adoption services but does not include a circuit court, appointed juvenile probation officer, or youth counselor of the court who receive and place children under an order of the court. Creates the Child Welfare Agency Liability Task Force to develop and recommend a permanent solution to address the unavailability of liability insurance for child welfare agencies in the State. Requires that the Task Force submit its first report to the General Assembly no later than December 26, 2026. Effective immediately.

New Act

Creates the Charitable Organization Beneficiary Act. Requires a holder of property in which a charitable organization that is exempt from taxation as a 501(c)(3) entity is a designated beneficiary in a nonprobate instrument (excluding wills or trusts) to notify each charitable organization within 30 business days that it may have a right to the property. Creates a process in which the charitable organization may request that it be given information about the property or that the property be delivered to the charitable organization or both. Provides duties and obligations of the holder of the property. Provides the holder of the property protection from liability for a good faith reliance on the information it receives from a designated beneficiary. Provides remedies against a holder of property for a failure or refusal to provide the requested information or transfer of property if the provisions of the Act are followed. Defines terms.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Requires that the notice of death to the owner of property include the exact language of the beneficiary designation except that the names of any other beneficiaries that are not charitable organizations may be redacted. Provides that nothing in the Act alters the duties of the holder of the property under the Revised Uniform Unclaimed Property Act or the Unclaimed Life Insurance Benefits Act. Requires that the holder of the property must provide notice to each charitable organization listed under the beneficiary designation that the charitable organization may have a right to the property within 45 business days of the death of the owner of the property. Deletes provisions that provide that (i) any right or title acquired from the charitable organization in consideration of the provision of property or information under the Act is not invalid because of an inadvertent misapplication by the charitable organization; and (ii) a transaction and a lien created by a transaction entered into by the charitable organization and anyone acting in reliance on the affidavit under the Act is enforceable against the property. Provides that if the holder of the property fails or refuses to provide the requested property or information within 60 business days after receiving the affidavit, the charitable organization may bring an action against the holder of the property to receive the information about the property or recover the property or compel the delivery of the property. Provides that the court may award reasonable attorney's fees based on the time expended by the attorney to obtain the requested information or payment, delivery, or transfer of the property without regard to the amount of the recovery on behalf of the charitable organization. Deletes the requirement that verification of a charitable organization's authority may not exceed 30 days from the date of delivery of the affidavit.

630 ILCS 10/15

Amends the Innovations for Transportation Infrastructure Act. Provides that the Department of Transportation or the Illinois State Toll Highway Authority may use the design-build project delivery method for transportation facilities if the capital costs for transportation facilities delivered utilizing the design-build project delivery method or Construction Manager/General Contractor project delivery method or Alternative Technical Concepts in a design-bid-build project delivery method do not for transportation facilities delivered by the Department, exceed the value of 20% of the projects annually programmed in (rather than \$400 million of contracts awarded during) the Department's multi-year highway improvement program on an annual basis (rather than for any 5-year period). Removes language that provides that notwithstanding any other law, and as authority supplemental to its existing powers, the Department may use the Construction Manager/General Contractor project delivery method for up to 2 transportation facilities per year. Effective immediately.

House Floor Amendment No. 1

Provides that the Department may adjust the applicable monetary threshold on a yearly basis to reflect inflationary costs in highway construction as measured by the United States Department of Transportation in the National Highway Construction Cost Index or other similar index. Requires a notice of any change to that threshold to be published in the Illinois Transportation Bulletin. 750 ILCS 5/505	from Ch. 40, par. 505
750 ILCS 5/510	from Ch. 40, par. 510

Amends the Illinois Marriage and Dissolution of Marriage Act. Provides for a child support calculation for shared physical care in which each parent exercises 110 or more overnights per year with the child or 110 or more overnight equivalents as determined by a court as a deviation from guidelines or upon agreement by the parties. Provides that overnight equivalents are calculated by using a method other than overnights if the parent has significant parenting time periods on separate days in which the child is in the parent's physical care and under the direct care of that parent but does not stay overnight. Provides that if parents have shared physical care of a child, the basic child support obligation is multiplied by 1.5 to calculate the combined shared care child support obligation; the court shall determine each parent's portion of the shared care child support obligation based on the parent's percentage share of combined adjusted net income; the shared care child support obligation is then computed for each parent by multiplying that parent's portion of the shared care support obligation by the percentage of time the child spends with the other parent and determining any adjustment for shared physical custody that is less than 146 overnights or overnight equivalents. Provides that the respective shared care child support obligations are then offset with the parent owing more paying the difference in child support. Creates a statutory table to calculate the child support if a parent has physical shared custody for less than 146 overnights or overnight equivalents per year. Provides that the shared care child support obligation after adjustment may not be greater than the amount that would have been ordered under the basic support guidelines in any event. Provides that a parent incarcerated for more than 180 days is presumed to be unable to pay any amount of child support, and this presumption may be rebutted by evidence establishing the ability to pay child support during incarceration. Provides a rebuttable presumption that a minimum child support obligation of \$40 per month, per child, will be entered for an obligor who has actual or imputed gross income at or less than 100% of the most recent United States Department of Health and Human Services Federal Poverty Guidelines for a family of one person.

 60 ILCS 1/115-97 new

Amends the Township Open Space Article of the Township Code. Reduces the acreage that constitutes open land or open space under the Article to 25 acres (currently, 50 acres). Provides, in the definition of "open space purposes", that development includes development for agricultural purposes. Provides that, after the effective date of the amendatory Act, a township board may lease open space that is a part of the township's open space program for a period not longer than 25 years from the date of the lease to an individual, a nonprofit organization, the federal government, a state government, or a local government for specified purposes consistent with open space purposes. Provides that, upon expiration of a lease of land that was leased after the effective date of the amendatory Act, title to all structures on the leased land shall be vested in the township. Provides that leased open space may be used for agricultural purposes. Provides that a township board may lease open space for open space purposes and buildings and facilities on the open space to an individual, a nonprofit organization, the federal government, a state government, or a local government. Provides that the township board may not sell, convey, donate, or otherwise dispose of open space without referendum approval by the majority of the voters of the township at a regular election, and provides that the board may certify the question of disposition of property to the appropriate election authority only if the board approves the question by at least a two-thirds majority of the board members. Provides that, if a township dissolves or is consolidated or merged or the boundaries of the township are altered, any affected open space shall continue to be used for open space purposes unless the open space is disposed of or is approved by a two-thirds vote of the board of the unit of local government in control of that open space and after referendum of the voters of the unit of local government.

House Floor Amendment No. 1

Reduces the acreage that constitutes open land or open space under the Article from 50 acres or more to 12 acres or more (rather than from 50 acres or more to 25 acres or more in the introduced bill). Provides that a township board may, without a referendum, sell, convey, or donate any part of the open space to the Illinois Department of Transportation if specified conditions are satisfied. Provides that, if a township dissolves or is consolidated or merged or the boundaries of the township are altered, any open space affected by that action shall continue to be used for open space purposes unless, among other reasons, the open space is sold, conveyed, or donated to a nonprofit organization, the federal government, a state government, or a local government to be used for open space purposes.

105 ILCS 5/24-12

Amends the School Code. Allows a teacher to grieve the issuance of a warning regarding causes that are considered remediable pursuant to the applicable collective bargaining agreement to determine whether the school district had just cause in issuing the warning. Requires notice of remedial warnings to be narrowly specify the nature of the alleged misconduct that needs to be remedied. Provides that general allegations of unprofessional conduct are insufficient to link together otherwise unrelated offenses as related. Provides that under no circumstances shall a notice of remedial warning remain effective or within a teacher's personnel file or record for longer than 3 years from the date of the occurrence which gave rise to the issuance of the notice of remedial warning. Effective immediately.

House Floor Amendment No. 1

Provides that nothing in the Section concerning the removal or dismissal of teachers in contractual continued service precludes a school board from asserting that the specific conduct alleged in an original notice of remedial warning letter is part of an alleged pattern of behavior, but the original warning or subsequent action taken must be reasonably related to the specific conduct alleged. Removes the language that provides that general allegations of unprofessional conduct or similar phrases are insufficient to link together otherwise unrelated offenses as related. Provides that under no circumstances may a notice of remedial warning remain effective for longer than 4 years from the date of the issuance of the notice of remedial warning (rather than remain effective or within a teacher's personnel file or record for longer than 3 years from the date of the occurrence which gave rise to the issuance of the notice of remedial warning). Requires the school district to use reasonable efforts to remove the notice of remedial warning from the teacher's personnel file after the 4 years have elapsed or sooner if agreed through the exclusive bargaining representative. Corrects grammatical and terminology errors.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following change: Provides that a notice of remedial warning may not include misconduct deemed irremediable or actions that are injurious to or endanger the health or person of students in the classroom or school. Corrects a grammatical error. Effective immediately.
