Adds reference to:

225 ILCS 25/8	from Ch. 111, par. 2308

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions concerning the necessity for the licensure of dentists, provides that, if an applicant neglects, fails without an approved excuse, or refuses to take the next available examination offered for licensure under the Act, the fee paid by the applicant shall be forfeited to the Department of Financial and Professional Regulation and the application shall expire (rather than shall be denied). In provisions concerning the required examination for licensure as a dentist and provisions concerning the required examination for dental hygienists, provides that, if an applicant fails to pass an examination for licensure under the Act within 3 years after filing an application, the application shall expire 3 years after the date the application was filed (rather than shall be denied). In provisions concerning persons who are licensed to practice dentistry in another state, provides that, if an applicant for substantial equivalence does not complete the application process in 3 years, the applicant's application shall expire 3 years after the date of submission of the application (rather than shall be denied). In provisions concerning third-party financing for dental services, provides that "agent of a dentist" means a person or company that is permitted, authorized, or contracted to act on behalf of a dentist or dental office (instead of on behalf of or with a dentist or dental office). Creates the Safe Gun Storage Act. Provides that a firearm owner shall not store or keep any firearm in any premises where the firearm owner knows or reasonably should know a minor without the lawful permission of the minor's parent, guardian, or person having charge of the minor, an at-risk person, or a prohibited person is likely to gain access to the firearm unless the firearm is secured in a locked container, properly engaged so as to render the firearm inaccessible or unusable to any person other than the owner or other lawfully authorized user. Provides that if the firearm is carried by or under the control of the owner or other lawfully authorized user, then the firearm is deemed lawfully stored or kept. Provides that a violation of the Act is subject to a civil penalty not to exceed \$500, except (i) if any person knows or reasonably should know that a minor, an at-risk person, or a prohibited person is likely to gain access to a firearm belonging to or under the control of that person, and a minor, an at-risk person, or a prohibited person obtains the firearm, the civil penalty shall not exceed \$1,000 and (ii) if a minor, an at-risk person, or a prohibited person obtains a firearm and uses it to injure or cause the death of a person or uses the firearm in connection with a crime, the civil penalty shall not exceed \$10,000. Provides that the court may order a person who is found in violation of the Act to perform community service or pay restitution in lieu of the civil penalties imposed under this Section if good cause is shown. Provides that nothing in the Act shall be construed to preclude civil liabilities for violations of the Act. Provides that a violation of the Act is prima facie evidence of negligence per se in any civil proceeding if a minor, an at-risk person, or a prohibited person obtains a firearm and causes personal injury to the death of oneself or another or uses the firearm in the commission of a crime. Provides that an action to collect a civil penalty under the Act may be brought by the Attorney General or the State's Attorney of the county in which the violation occurred. Provides that any money received from the collection of a civil penalty under the Act shall be deposited in the Mental Health Fund. Defines terms. Amends various Acts to make conforming changes. Amends the Gun Trafficking Information Act. Provides that the publicly available reports on an ongoing basis of crimes committed with firearms, locations where the crimes occurred, the number of persons killed or injured in the commission of the crimes shall include those crimes whether or not a stolen firearm was used in the commission of the crimes. In the Criminal Code of 2012, deletes the amendatory changes to the possession of a stolen firearm and aggravated possession of stolen firearm statutes. In the firearms trafficking statute, deletes the provision that the trier of fact may, but is not required to, infer intent to transfer or deliver from transportation on an expressway in the State in a vehicle more than one stolen or converted firearm per occupants of the vehicle. In the firearms trafficking statute, includes as an element of the offense bringing, or causing to be brought, into the State, in a vehicle on an expressway in the State, more than one assault weapon that a person is prohibited from possession under the Code, per occupants of the vehicle. Changes various dates from January 1, 2026 to January 1, 2027. Provides that the report of lost or stolen firearms shall include the Firearm Owner's Identification Card number of the person making the report, if applicable. Provides that beginning January 1, 2027, the person who is not a federally licensed firearm dealer (rather than the Illinois State Police) shall check the Illinois State Police Internet-based system upon which the serial numbers of firearms that have been reported stolen are available for public access for individuals to ensure any firearms are not reported stolen prior to the sale or transfer of a firearm. Amends the Unified Code of Corrections. Provides that at the sentencing hearing the court shall make a finding of whether a firearm with a serial number reported as stolen on the Illinois State Police publicly accessible stolen firearms database was used in the commission of the offense for which the defendant is being sentenced. Provides that in cases in which the court finds that a firearm with a serial number reported as stolen on the Illinois State Police publicly accessible database was used in the commission of the offense for which the defendant is being sentenced, the clerk of the court shall, within 5 days thereafter, forward a report of such conviction to the Illinois State Police Division of Justice Services.

Senate Floor Amendment No. 3

In the Safe Gun Storage Act, provides that a provision concerning the storage of firearms does not apply (1) if the minor, an at-risk person, or a prohibited person gains access to a firearm and uses it in a lawful act of self-defense or defense of another; or (2) to any firearm obtained by a minor, an at-risk person, or a prohibited person because of an unlawful entry of the premises by the minor, at-risk person, prohibited person or another person. In the amendatory changes to the Firearm Dealer License Certification Act, provides that the sign posted in a conspicuous position on the certified licensee's premises must contain the warning that it is unlawful for the licensee to fail to report the loss or theft of the licensee's firearm to local law enforcement within 48 (rather than 72) hours. In the amendatory changes to the Firearm Owners Identification Card Act, provides that the violation applies to a person who fails 2 or more times to report a loss or theft of a firearm within 48 hours after the discovery of such loss or theft to local law enforcement as required under the Criminal Code of 2012. In the amendatory changes to the Criminal Code of 2012 relating to a person who possesses a valid Firearm Owner's Identification Card and who possesses or acquires a firearm who fails to report the loss or theft of the firearm to the local law enforcement agency within 48 hours after obtaining knowledge of the loss or theft, deletes a provision which specifies that, for a second or subsequent offense, the failure to report the loss or theft of the firearm within 48 hours of the discovery of such loss or theft shall result in revocation of the person's Firearm Owner's Identification Card. Adds a severability provision to the bill.

220 ILCS 5/9-220.2

Amends the Public Utilities Act. Provides that 20% of the lesser of (rather than the lesser of): (i) the purchase price or (ii) the fair market value shall constitute the rate base associated with the water or sewer utility as acquired by and incorporated into the rate base of the district designated by the acquiring large public utility, subject to any adjustments that the Illinois Commerce Commission deems necessary to ensure such rate base reflects prudent and useful investments in the provision of public utility service. Provides that the difference between the rate base and the purchase price or fair market value shall be borne by the shareholders of the acquiring large public utility. In provisions concerning the acquisition of a water or sewer utility, provides that, at the next election following the public meeting and notice requirements, a referendum shall be placed on the ballot for all electors within the area the water or sewer utility operates. Provides that, if a majority of the electors voting on the referendum within the service area of the water or sewer utility vote in favor of the referendum, then the acquisition may continue. Provides that, if less than a majority of the electors voting on the referendum within the service area of the water or sewer utility vote in favor of the referendum, the Commission shall not approve the large public utility's acquisition of the water or sewer utility. Removes a provision that provides that the Commission may authorize a water or sewer utility to file a surcharge which adjusts rates and charges to provide for recovery of costs associated with an investment in qualifying infrastructure plant, independent of any other matters related to the utility's revenue requirement. Makes other changes.

Senate Committee Amendment No. 1

In provisions concerning the acquisition of a water or sewer utility owned by the State or any political subdivision thereof by a large public utility, removes provisions requiring a referendum before the Illinois Commerce Commission can approve an acquisition.

New Act

Creates the Community Land Trust Home Ownership Act. Provides that the Illinois Housing Development Authority's homeownership programs, including loan products, grants, and other types of assistance, shall be made available to home buyers and owners seeking to purchase or maintain housing where a leasehold interest in real property is held by a community land trust or other 501(c)(3) organization for the purposes of promoting long-term affordability, preservation of affordable housing, or community revitalization efforts. Provides that any other type of seller, including for-profit or private sellers of homes, through leasehold agreements, such as installment contracts, contract for deeds, or any other type of purchase or ownership structure, shall not be eligible under the amendatory Act. Requires the Illinois Housing Development Authority, within 90 days after the effective date of the Act, to propose new or amended administrative rules that will make the Authority's homeownership programs consistent with the purposes of the Act. Effective immediately.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Creates the Community Land Trust Task Force within the Illinois Housing Development Authority. Contains provisions concerning Task Force membership; Task Force meetings; and administrative support to the Task Force. Provides that the Task Force shall perform certain duties, including: (i) implementing the 2024 Community Land Trust Task Force Report recommendations; (ii) studying the use of community land trusts as a tool to create permanently affordable housing, including as an alternative to property tax sales; and (iii) increasing the number of State grants for organizational capacity-building and housing development, with spending rules tailored to the needs of community land trusts and the size of community land trust projects. Requires the Task Force to submit periodic reports to the Governor and General Assembly covering the Task Force's investigation into community land trusts and the Task Force's duties. Provides that the reports shall be made publicly available on the Illinois Housing Development Authority's website. Effective immediately.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill. Requires the Community Land Trust Task Force to submit a report (rather than periodic reports) to the Governor and General Assembly. Provides that the Community Land Trust Task Force is dissolved, and the provisions creating the Task Force are repealed, 14 months after the date upon which the Task Force holds its first meeting. Makes some grammar changes. Effective immediately.

SB 01298 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of Senate Amendment Number 1 with the following changes: Provides that any undergraduate program of study that serves low-income students (rather than any program of study) at a public institution of higher education improves employability and shall be considered equivalent to an acceptable SNAP Employment and Training (E&T) program component beginning March 1, 2026, unless prohibited by federal law. Provides that, on or before January 1, 2026, and every 3 years thereafter, the Illinois Board of Higher Education and the Illinois Community College Board shall provide to the Department of Human Services the percentage of students, by program of study, who received grants under the federal Pell Grant program and the State's Monetary Award Program (MAP) at each institution of higher education from which they collect MAP and Pell recipient data during the most recent academic year. Provides that, unless prohibited by federal law, a graduate program of study at a public institution of higher education shall be considered equivalent to an acceptable SNAP E&T program component if: (i) the public institution provides the Department of Human Services with specified data on the income status of students within each program of study; and (ii) the graduate program of study serves low-income students. Requires the public institution to submit such data to the Department on or before January 1 of a given year and every 3 years thereafter for the program of study for low-income students to be considered equivalent to an acceptable SNAP E&T program component by March 1 of that year. Provides that, beginning March 1, 2026, the Department shall publish on its website an updated list of the programs of study that serve low-income students by institution of higher education. In a provision requiring the Illinois Board of Higher Education and the Illinois Community College Board to submit to the Department of Human Services specified data on the percentage of students receiving Pell or Monetary Award Program grants, changes the reporting date to on or before January 1, 2028, and every year thereafter (rather than on or before January 1, 2026, and every 3 years thereafter). Changes the reporting date by which public colleges and universities may elect to submit specified data on the income status of graduate students to January 1 of a given year, and every year thereafter (rather than January 1 of a given year, and every 3 years thereafter). In a provision requiring the Department of Human Services to publish an updated list of the programs of study that serve low-income students at public colleges and universities, requires the Department to publish the list beginning March 1, 2028 (rather than March 1, 2026), and every March 1 thereafter. 705 ILCS 405/5-602 new

Amends the Juvenile Court Act of 1987. Provides that if the minor has multiple delinquency petitions filed against him or her, remaining petitions pending against the minor respondent shall be adjudicated within 120 (rather than 160) days from the date on which a finding relative to the first petition prosecuted is rendered. Restructures the provisions concerning alleged delinquent minors and pretrial detention of alleged delinquent minors. Provides that if the court determines that the State, without success, has exercised due diligence to timely obtain the results of DNA testing that is material to the case, and that there are reasonable grounds to believe that the results may be obtained at a later date, the court may extend the period of detention of the minor to not more than 70 days, only for any matter for which the minor may be committed to the Department of Juvenile Justice. Provides that nothing in the trial and pretrial detention provisions of the Act prevents the minor from exercising the minor's rights to waive the time limits set forth in these provisions. Deletes provision that time needed to prepare a defense to a State motion such as an extended juvenile jurisdiction petition or a transfer petition shall not be considered a delay occasioned by the minor. Makes technical changes in the trial and pretrial detention provisions of the Act.

Removes language providing that if, after July 1, 2026, the Pipeline and Hazardous Materials Safety Administration has not adopted final revisions to specified pipeline safety rules, the Commission may only approve a certificate of authority if it finds that the applicant has met all of the requirements of the Act, has already acquired all of its other necessary approvals, and is compliant with any requirements or conditions adopted by the Commission. Creates the Digital Assets and Consumer Protection Act. Provides that the Department of Financial and Professional Regulation shall regulate digital asset business activity in the State. Sets forth provisions concerning: applicability; the powers and duties of the Department; funds; customer protections; custody and protection of customer assets; covered exchanges; compliance; registration; supervision; records; additional procedural provisions; confidentiality; violations; enforcement; rulemaking authority; and severability. Creates the Special Purpose Trust Company Article in the Corporate Fiduciary Act. Sets forth provisions concerning certificates of authority; rulemaking and organization; certificates of authority for foreign corporate fiduciaries; eligibility; fees; and certificates of reciprocity. Makes other changes to various Acts. Effective immediately.

Senate Committee Amendment No. 1

Provides that any reference to the Act shall include any rules adopted in accordance with the Act. In provisions concerning control over a registrant, provides that there is a rebuttable presumption of control (rather than a person has control over a registrant) if a person directly or indirectly owns, controls, holds with the power to vote, or holds proxies representing 10% or more of the then outstanding voting securities issued by the registrant. Corrects cross-references and typographical errors. Makes other changes.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the bill, as amended by Senate Amendment No. 1, with changes that include the following. Provides that "digital asset business activity" does not include (1) peer-to-peer exchanges or transfers of digital assets, (2) decentralized exchanges facilitating peer-to-peer exchanges or transfers solely through use of a computer program or a transaction protocol that is intended to automatically execute, control, or document events and actions, and (3) the development and dissemination of software in and of itself. Provides that "digital asset administration" does not include the issuance of a non-fungible token in and of itself. Defines "non-fungible token". Makes changes in provisions concerning rebuttable presumptions of control and the application of the Act. Makes other changes. Effective immediately.

House Committee Amendment No. 1

Makes changes to defined terms. In provisions concerning applicability of the Act, provides that the Act does not apply to a person who (A) contributes connectivity software or computing power or otherwise participates in the process of securing a network, (B) records digital asset transactions to the network or protocol governing transfer of the digital representation of value, or (C) develops, publishes, constitutes, administers, maintains, or otherwise distributes software relating to the network, so long as the person does not control transactions of digital assets on the network. In provisions concerning rulemaking, includes rules in connection with the adoption of reciprocity agreements between the Department of Financial and Professional Regulation and the appropriate licensing agency of another state to register a covered person on an expedited basis.

Amends the Medical Assistance Article of the Illinois Public Aid Code. In provisions listing the classes of persons eligible for medical assistance, provides that, to the extent permitted by federal law, the Department of Healthcare and Family Services shall by rule eliminate the consideration of assets when determining eligibility for any program of medical assistance. Requires the Department to seek federal authority to disregard all resources, including real and personal property, as authorized by the flexibilities provided under a specified federal law or other available authorities. Provides that if adjustment or elimination of the asset limit results in any disadvantage to receiving medical assistance in a community setting, the Department shall adopt rules rebalancing the programs so that, where medical assistance is available in a community setting, a medical assistance beneficiary has free choice between receiving those services in the community or in a long-term care facility. Makes conforming changes by: (i) removing a provision that requires the Department to establish, by rule, the amounts of assets to be disregarded in determining eligibility for medical assistance; (ii) removing a provision that permits the Department to establish resource standards for pregnant individuals applying for medical assistance that are more restrictive than those resource standards established under the Temporary Assistance for Needy Families program; and (iii) removing a provision that permits the Department to allow non-exempt assets up to \$25,000 during periods of medical assistance eligibility for employed persons with disabilities and employed persons with a medically improved disability.

Provides that the amendatory Act may be referred to as the Thermal Energy Network and Jobs Acts. Sets forth a statement of legislative findings and intent. Amends the Public Utilities Act. Defines "thermal energy" and "thermal energy network". Requires the Illinois Commerce Commission to initiate a proceeding within 6 months after the effective date of the amendatory Act to support the development of pilot thermal energy networks. Provides that within 10 months after the effective date of the amendatory Act, every gas public utility, electric public utility, or combination public utility serving over 100,000 customers shall file with the Commission a petition seeking Commission-approval of at least one and no more than 3 proposed pilot thermal energy network projects. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to report to the Commission, on a quarterly basis and until completion of the pilot thermal energy network project, the status of each pilot thermal energy network project. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to demonstrate that it has entered into a labor peace agreement with a bona fide labor organization that is actively engaged in representing its employees. Requires the Commission to adopt specified rules within 4 years after the completion of the construction of all thermal energy network projects. Provides that a gas public utility, electric public utility, or combination public utility required to develop a pilot thermal energy network project shall be permitted to recover all reasonable and prudently incurred costs associated with the development, construction, and operation of one or more pilot thermal energy network projects through general rates or through rates set in a Multi-Year Rate Plan. Makes other changes. Effective immediately.

Senate Committee Amendment No. 1

104th General Assembly
Senate Democrat Sponsor Synopsis Report

Senator Graciela Guzmán**SB 02258 (Continued)**

In provisions concerning definitions, makes changes to the definition of "thermal energy network". In provisions concerning a utility that proposes 3 pilot thermal energy network projects, requires that one pilot project include an industrial heat application that may additionally include residential and commercial applications (rather than one pilot project be focused on existing electric heat customers). Provides that priority shall be given to pilot proposals that replace leak-prone natural gas distribution infrastructure with distribution infrastructure that supplies non-combusting thermal energy or that replaces thermal energy for buildings currently heated with electric resistance heat. Provides that the Illinois Commerce Commission shall require projects submitted to a utility-scale renewable thermal energy network program for approval to include a proposed rate structure for thermal energy services supplied to network end users and consumer protection plans for end users. Provides that the Commission may approve the proposed rate structure if the projected heating and cooling costs for end users is not greater than the heating and cooling costs the end users would have incurred if the end users had not participated in the program. In provisions concerning the requirement that the Commission adopt certain rules, provides that such rules shall be adopted within 4 years of the effective date of the amendatory provisions (rather than within 4 years after the completion of the construction of all thermal energy network projects under the amendatory provisions). In provisions concerning the recovery of costs, provides that a gas public utility, electric public utility, or combination public utility developing a thermal energy network project that includes an industrial heat application may recover rates proportionally from each class of customer.

Amends the Community Emergency Services and Support Act. Modifies legislative findings. Provides that appropriate mobile response services must, among other things, subject to the care decisions of the individual receiving care, coordinate transportation for any individual experiencing a mental or behavioral health emergency to the least restrictive setting feasible (rather than provide transportation for any individual experiencing a mental or behavioral health emergency). SB 01911 (Continued)

Amends the Property Tax Code. Provides that a county opting out of the special assessment programs to reduce the assessed value of certain residential real property shall not disqualify or shorten the maximum eligibility periods for any property approved to receive a reduced valuation prior to the county opting out. Requires that the special assessment programs be available to all qualifying residential real property regardless of whether or not the property has or is currently receiving any other public financing or subsidies or subject to any regulatory agreements with any public entity, or both. If an owner is approved for the reduced valuation prior to December 31, 2037 and the provisions are not subsequently extended, this shall not disqualify or shorten the maximum eligibility periods for any property approved to receive a reduced valuation. Provides that, if the chief county assessment officer has not created application forms, the chief county assessment officer shall make publicly available and accept applications forms that shall be available to local governments from the Illinois Department of Revenue. If a county Internet website exists, the application materials, as well as any other program requirements used by the county (such as application deadlines, fees, and other procedures required by the application) must be published on that website, otherwise it must be available to the public upon request at the office of the chief county assessment officer. On an annual basis, requires the Illinois Housing Development Authority to calculate and make available on its website the minimum per square foot expenditure requirements to be applicable statewide to be eligible for the reduced valuation, which shall include the historical annual expenditure requirements starting with calendar year 2021. Changes reference to improvements to existing residential real property to substantially rehabilitated residential real property. Makes other changes.

Senate Committee Amendment No. 1

Provides that a property owner may apply for the reduction in assessed valuation under an affordable housing program through December 31, 2034 (in the introduced bill, December 31, 2037).

Senate Committee Amendment No. 2

Replaces references to substantially rehabilitated residential real property with the term qualifying rehabilitation of a residential real property. Changes references from qualifying residential real property to qualifying developments. Defines "qualifying development". Requires the Department of Revenue to publish on its website data concerning increases, if any, in the Consumer Price Index. Provides that the minimum per square foot expenditure requirements to be applicable statewide as of April 1 of each year to be eligible for the reduced valuation shall be based on the Consumer Price Index data on the Department of Revenue's website. Provides that, in counties with a population of 3,000,000 or more, by March 15 of each year, the county assessor shall calculate and make available on its website the minimum per square foot expenditure requirements for the Affordable Housing Special Assessment Program. Makes other changes.

Senate Floor Amendment No. 3

Provides within 24 hours of admission to a correctional institution or facility of the Department of Corrections, each committed person shall be screened for substance use disorders as part of an initial and ongoing substance use screening and assessment process. Provides that this process includes screening and assessment for opioid use disorders. Provides that if at any time a committed person screens positive as having or being at risk for an opioid use disorder, is diagnosed with an opioid use disorder or is exhibiting symptoms of withdrawal from an opioid use disorder, and medication assisted treatment is clinically indicated by a licensed physician, a licensed physician assistant, or a licensed nurse practitioner, then the individual may consent to commence medications for opioid use disorder, which shall be provided by the Department. Provides that the committed person shall be authorized to receive the medication immediately and for as long as clinically indicated. Provides that upon reentry, the Department shall provide an individual participating in medication assisted treatment with a referral to a community-based provider who may assist the individual with continued medications for opioid use disorder and medication assisted treatment care.

Senate Committee Amendment No. 1

Provides that if at any time a committed person screens positive as having or being at risk for an opioid use disorder, is diagnosed with an opioid use disorder or is exhibiting symptoms of withdrawal from an opioid use disorder, and medication for opioid use disorder or medication assisted treatment (rather than just medication assisted treatment) is clinically indicated by a licensed physician, a licensed physician assistant, or a licensed nurse practitioner, then the individual may consent to commence medications for opioid use disorder, which shall be provided by the Department of Corrections.

Senate Committee Amendment No. 3

Provides that a committed person who is admitted to a correctional institution or facility while under the medical care of a licensed physician, a licensed physician assistant, or a licensed nurse practitioner and who is taking medication for an opioid use disorder or participating in medication-assisted treatment at the time of admission (deletes pursuant to a valid prescription) as verified by the individual's pharmacy of record, primary care provider, other licensed care provider, or a prescription monitoring or information system, shall have the committed person's medication continued and provided by the Department of Corrections pending an evaluation by a licensed physician, a licensed physician assistant, or a licensed nurse practitioner and subject to the treatment provider's medical judgment. Provides that the Department shall ensure that all persons under its care are assessed for substance use disorder not less than once per calendar year. Provides that no person shall be denied medication for opioid use disorder or participation in medication-assisted treatment based on prior success or failure of any medication-assisted treatment program. SB 03524 (Continued)

Amends the Illinois Marriage and Dissolution of Marriage Act. Provides for a child support calculation for shared physical care in which each parent exercises 110 or more overnights per year with the child or 110 or more overnight equivalents as determined by a court as a deviation from guidelines or upon agreement by the parties. Provides that overnight equivalents are calculated by using a method other than overnights if the parent has significant parenting time periods on separate days in which the child is in the parent's physical care and under the direct care of that parent but does not stay overnight. Provides that if parents have shared physical care of a child, the basic child support obligation is multiplied by 1.5 to calculate the combined shared care child support obligation; the court shall determine each parent's portion of the shared care child support obligation based on the parent's percentage share of combined adjusted net income; the shared care child support obligation is then computed for each parent by multiplying that parent's portion of the shared care support obligation by the percentage of time the child spends with the other parent and determining any adjustment for shared physical custody that is less than 146 overnights or overnight equivalents. Provides that the respective shared care child support obligations are then offset with the parent owing more paying the difference in child support. Creates a statutory table to calculate the child support if a parent has physical shared custody for less than 146 overnights or overnight equivalents per year. Provides that the shared care child support obligation after adjustment may not be greater than the amount that would have been ordered under the basic support guidelines in any event. Provides that a parent incarcerated for more than 180 days is presumed to be unable to pay any amount of child support, and this presumption may be rebutted by evidence establishing the ability to pay child support during incarceration. Provides a rebuttable presumption that a minimum child support obligation of \$40 per month, per child, will be entered for an obligor who has actual or imputed gross income at or less than 100% of the most recent United States Department of Health and Human Services Federal Poverty Guidelines for a family of one person.

New Act

Creates the End-of-Life Options for Terminally Ill Patients Act. Authorizes a qualified patient with a terminal disease to request that a physician prescribe aid-in-dying medication that will allow the patient to end the patient's life in a peaceful manner. Contains provisions concerning: the procedures and forms to be used to request aid-in-dying medication; the responsibilities of attending and consulting physicians; the referral of patients for determinations of mental capacity; the residency of qualified patients; the safe disposal of unused medications; the obligations of health care entities; the immunities granted for actions taken in good faith reliance upon the Act; the reporting requirements of physicians; the effect of the Act on the construction of wills, contracts, and statutes; the effect of the Act on insurance policies and annuities; the procedures for the completion of death certificates; the liabilities and penalties provided by the Act; the construction of the Act; the definitions of terms used in the Act; and other matters. Effective 6 months after becoming law.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that the Act may be referred to as Deb's Law. Makes findings. In the interpreter attachment for a written request for medication form, requires an interpreter to attest that the patient consulted with an attending physician (rather than an attending physician and a consulting physician). In provisions regarding attending physician responsibilities, removes a requirement for the attending physician to ensure that a patient does not take the aid-in-dying medication in a public place (but does not remove a requirement to provide information to the patient on not taking the aid-in-dying medication in a public place). Removes a way for a patient to establish residency. Provides that intentionally misleading a patient constitutes coercion or undue influence (rather than just coercion). Makes changes to provisions regarding health care entity protections and permissible prohibitions and duties. Removes a requirement that the Department of Public Health collect and review forms to ensure compliance. Provides that certain information collected is not a public record, is not available for public inspection, and is not available through the Freedom of Information Act. Provides that the Department of Insurance shall enforce the provisions of this Act with respect to certain insurance policies. Requires the Department of Public Health and the Department of Veterans Affairs to adopt rules. Makes conforming changes in the Freedom of Information Act. Effective 9 months after the Act becomes law.

105 ILCS 5/10-20.9a from Ch. 122, par. 10-20.9a

In the provisions amending the Illinois Grant Funds Recovery Act, removes a reference to grants in excess of \$25,000. In the provisions amending the School Code, restores current law regarding State goals and assessments and special education transition services. Requires the School Code Mandate Reduction Council to meet no less than 4 times between October 1, 2025 and September 1, 2026 (rather than between July 1, 2025 and December 1, 2025). With respect to online safety and media literacy, requires the State Board of Education, subject to appropriation, to prepare and make available multidisciplinary instructional resources and professional learning opportunities for educators (rather than requiring the State Board, by July 1, 2026, to create online safety education curriculum resource materials for all public schools); makes related changes. In a provision regarding general permissive education, changes references from "school", "eligible entity", and "entity" to "school or school board". Further amends the School Code to change (rather than repeal) a Section regarding final grades and promotion. Removes language from that Section providing that no public high school of a school district shall withhold a student's grades, transcripts, or diploma because of an unpaid balance on the student's school account and that at the end of each school year, the school district shall catalogue and report to the State Board the total amount that remains unpaid by students due to the prohibition.

State Debt Impact Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)

SB 1950, House Amendment 2, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Balanced Budget Note, House Floor Amendment No. 2 (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 1950, as amended by House Amendment 2 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note, House Floor Amendment No. 2 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Pension Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)

SB 1950, as amended by HA 2, will not impact any public pension fund or retirement system in the State of Illinois.

Land Conveyance Appraisal Note, House Floor Amendment No. 2 (Dept. of Transportation)

SB1950 does not authorize or direct the conveyance of any State land to any entity. Therefore, an appraisal cannot be filed.

Fiscal Note, House Floor Amendment No. 2 (Dept. of Healthcare & Family Services)

SB1950 HAM #2 will not have a fiscal impact to the Illinois Department of Healthcare and Family Services because the bill does not amend the Illinois Public Aid Code and therefore, does not mandate coverage by the Illinois Medicaid program.

State Mandates Fiscal Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)

SB 1950 HA #1 does not create a State Mandate under the State Mandates Act.

State Mandates Fiscal Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)

SB 1950 HA#2 does not create a State Mandate under the State Mandates Act.

Home Rule Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)

SB 1950 HA#1 does not pre-empt home rule authority.

Home Rule Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)

SB 1950 HA#2 does not pre-empt home rule authority.

Racial Impact Note, House Floor Amendment No. 2 (Dept. of Healthcare & Family Services)

The creation of the End-Of-Life Options for Terminally Ill Patients Act, as drafted in House Amendment #2 to Senate Bill 1950 does not mandate coverage under the Medicaid program and as a result the Department is unable to determine if there is a racial impact.

Judicial Note, House Floor Amendment No. 2 (Admin Office of the Illinois Courts)

Based on a review of SB1950, as amended by House Amendment 2, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

20 ILCS 3855/1-75

Amends the Illinois Power Agency Act. In provisions concerning the renewable portfolio standard for the Planning and Procurement Bureau, provides that, to ensure the successful development of new renewable energy projects supported through competitive procurements, for certain procurements, the Agency shall propose a process for post-award renegotiation of contract terms through its long-term renewable resources plan. Provides that such proposal shall allow for bilateral negotiation between the Agency and a winning bidder regarding contract terms, other than strike price and terms that impact strike price, that are not required under the Act. Provides that post-award renegotiation of competitively bid renewable energy credit prices shall be allowed only in cases where it is necessary to ensure the successful development of the underlying new renewable energy project based on circumstances that were unforeseeable at the time of the procurement event. Provides that, if, following the processes in the long-term renewable resources plan, the Agency and the winning bidder reach an agreement on amended terms or the winning bidder is entitled to a change in price, then, upon petition by the winning bidder or current seller, the Commission shall issue an order directing the utility counterparty to execute a form amendment drafted by the Agency with the revised terms or the new strike price. Provides that the Agency shall provide the amendment to the utility within 15 business days after the Commission's order and the utility buyer shall execute the amendment no more than 7 calendar days after delivery by the Agency. Provides that the Agency shall develop the form amendment following comments by interested parties. Effective immediately.

Amends the Property Tax Code. Provides that a county opting out of the special assessment programs to reduce the assessed value of certain residential real property shall not disqualify or shorten the maximum eligibility periods for any property approved to receive a reduced valuation prior to the county opting out. Requires that the special assessment programs be available to all qualifying residential real property regardless of whether or not the property has or is currently receiving any other public financing or subsidies or subject to any regulatory agreements with any public entity, or both. If an owner is approved for the reduced valuation prior to December 31, 2037 and the provisions are not subsequently extended, this shall not disqualify or shorten the maximum eligibility periods for any property approved to receive a reduced valuation. Provides that, if the chief county assessment officer has not created application forms, the chief county assessment officer shall make publicly available and accept applications forms that shall be available to local governments from the Illinois Department of Revenue. If a county Internet website exists, the application materials, as well as any other program requirements used by the county (such as application deadlines, fees, and other procedures required by the application) must be published on that website, otherwise it must be available to the public upon request at the office of the chief county assessment officer. On an annual basis, requires the Illinois Housing Development Authority to calculate and make available on its website the minimum per square foot expenditure requirements to be applicable statewide to be eligible for the reduced valuation, which shall include the historical annual expenditure requirements starting with calendar year 2021. Changes reference to improvements to existing residential real property to substantially rehabilitated residential real property. Makes other changes.

Senate Committee Amendment No. 1

Provides that a property owner may apply for the reduction in assessed valuation under an affordable housing program through December 31, 2034 (in the introduced bill, December 31, 2037).

Changes references from qualifying residential real property to qualifying developments. Defines "qualifying development". Requires the Department of Revenue to publish on its website data concerning increases, if any, in the Consumer Price Index. Provides that the minimum per square foot expenditure requirements to be applicable statewide as of April 1 of each year to be eligible for the reduced valuation shall be based on the Consumer Price Index data on the Department of Revenue's website. Provides that, in counties with a population of 3,000,000 or more, by March 15 of each year, the county assessor shall calculate and make available on its website the minimum per square foot expenditure requirements for the Affordable Housing Special Assessment Program. Amends the Underserved Health Care Provider Workforce Act. Changes the definition of "designated shortage area" to mean an area designated as a medically underserved area or a health professional shortage area (rather than a physician shortage area, a medically underserved area, or a critical health manpower shortage area). Changes the term "eligible medical student" to "eligible student", and includes in the definition of that term a person who is studying optometry in an optometry college or institution located in Illinois and that a person may agree to practice full-time in a designated shortage area as an optometrist or anesthesiologist one year for each year he or she is a scholarship recipient. Includes a rural health center, a federally qualified health center, a federally qualified health center look alike, and an optometric office in the definition of "medical facility". Includes an optometrist in the definition of "eligible health care provider". Includes an obstetrician or gynecologist in the definition of "primary care physician". Includes loan repayment recipients in a provision regarding scholarship recipients who fail to fulfill specified obligations, and provides that the amounts paid by these scholarship or loan repayment recipients shall be deposited into the fund where the payment originated from (rather than the Community Health Center Care Fund). Repeals a different provision defining "primary care physician". Effective January 1, 2026.

Amends the Illinois Marriage and Dissolution of Marriage Act. Provides for a child support calculation for shared physical care in which each parent exercises 110 or more overnights per year with the child or 110 or more overnight equivalents as determined by a court as a deviation from guidelines or upon agreement by the parties. Provides that overnight equivalents are calculated by using a method other than overnights if the parent has significant parenting time periods on separate days in which the child is in the parent's physical care and under the direct care of that parent but does not stay overnight. Provides that if parents have shared physical care of a child, the basic child support obligation is multiplied by 1.5 to calculate the combined shared care child support obligation; the court shall determine each parent's portion of the shared care child support obligation based on the parent's percentage share of combined adjusted net income; the shared care child support obligation is then computed for each parent by multiplying that parent's portion of the shared care support obligation by the percentage of time the child spends with the other parent and determining any adjustment for shared physical custody that is less than 146 overnights or overnight equivalents. Provides that the respective shared care child support obligations are then offset with the parent owing more paying the difference in child support. Creates a statutory table to calculate the child support if a parent has physical shared custody for less than 146 overnights or overnight equivalents per year. Provides that the shared care child support obligation after adjustment may not be greater than the amount that would have been ordered under the basic support guidelines in any event. Provides that a parent incarcerated for more than 180 days is presumed to be unable to pay any amount of child support, and this presumption may be rebutted by evidence establishing the ability to pay child support during incarceration. Provides a rebuttable presumption that a minimum child support obligation of \$40 per month, per child, will be entered for an obligor who has actual or imputed gross income at or less than 100% of the most recent United States Department of Health and Human Services Federal Poverty Guidelines for a family of one person.

SB 00009 (Continued)

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that the Act may be referred to as Deb's Law. Makes findings. In the interpreter attachment for a written request for medication form, requires an interpreter to attest that the patient consulted with an attending physician (rather than an attending physician and a consulting physician). In provisions regarding attending physician responsibilities, removes a requirement for the attending physician to ensure that a patient does not take the aid-in-dying medication in a public place (but does not remove a requirement to provide information to the patient on not taking the aid-in-dying medication in a public place). Removes a way for a patient to establish residency. Provides that intentionally misleading a patient constitutes coercion or undue influence (rather than just coercion). Makes changes to provisions regarding health care entity protections and permissible prohibitions and duties. Removes a requirement that the Department of Public Health collect and review forms to ensure compliance. Provides that certain information collected is not a public record, is not available for public inspection, and is not available through the Freedom of Information Act. Provides that the Department of Insurance shall enforce the provisions of this Act with respect to certain insurance policies. Requires the Department of Public Health and the Department of Veterans Affairs to adopt rules. Makes conforming changes in the Freedom of Information Act. Effective 9 months after the Act becomes law.

State Debt Impact Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)
SB 1950, House Amendment 2, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Balanced Budget Note, House Floor Amendment No. 2 (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 1950, as amended by House Amendment 2 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note, House Floor Amendment No. 2 (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Pension Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)
SB 1950, as amended by HA 2, will not impact any public pension fund or retirement system in the State of Illinois.

Land Conveyance Appraisal Note, House Floor Amendment No. 2 (Dept. of Transportation)
SB1950 does not authorize or direct the conveyance of any State land to any entity. Therefore, an appraisal cannot be filed.

Fiscal Note, House Floor Amendment No. 2 (Dept. of Healthcare & Family Services)
SB1950 HAM #2 will not have a fiscal impact to the Illinois Department of Healthcare and Family Services because the bill does not amend the Illinois Public Aid Code and therefore, does not mandate coverage by the Illinois Medicaid program.

State Mandates Fiscal Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)
SB 1950 HA #1 does not create a State Mandate under the State Mandates Act.

State Mandates Fiscal Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)
SB 1950 HA#2 does not create a State Mandate under the State Mandates Act.

Home Rule Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)
SB 1950 HA#1 does not pre-empt home rule authority.

Home Rule Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)
SB 1950 HA#2 does not pre-empt home rule authority.

Racial Impact Note, House Floor Amendment No. 2 (Dept. of Healthcare & Family Services)
The creation of the End-Of-Life Options for Terminally Ill Patients Act, as drafted in House Amendment #2 to Senate Bill 1950 does not mandate coverage under the Medicaid program and as a result the Department is unable to determine if there is a racial impact.

Judicial Note, House Floor Amendment No. 2 (Admin Office of the Illinois Courts)
Based on a review of SB1950, as amended by House Amendment 2, the legislation will not increase or decrease the number of judges needed in the state of Illinois.
