

Name: Joyce Brody

Representing: Joyce Brody, member of United Neighbors of the 35th Ward

Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony: I live in Logan Square in Chicago. We have many renters and homeowners in our neighborhood. Many of my neighbors are now out of work and cannot pay their rent or mortgage. We are all very worried that we might lose our homes or places to shelter. Covid-19 is impacting us in so many ways. Let's not let this add to additional displacement and homelessness.
