**Testimony:**

I am in support of the Emergency Renter and Homeowner Protection Act, HB5574 because it brings real relief to the hundreds of thousands who are suffering income insecurity during this crisis. No one should lose their home due to a pandemic. As an educator, I have had families move due to not having the funds to pay the high rent in Pilsen. Parents and their children are traumatized because they don't know what will happen with no job or lack of jobs during this quarantine.
