

Name: Brieana McCauley

Representing: Brieana McCauley

Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony:

I strongly support the Emergency Renter and Homeowner Protection Act, HB5574. The bill will not only provide relief and peace of mind to thousands of families and individuals in Illinois who are suffering, but it will be a crucial step to getting our economy back on track. No one should lose their home due to a pandemic.
