Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony:

I am in support of the Emergency Renter and Homeowner Protection Act, HB5574. Residents need relief that actually helps them especially during this pandemic. Many renters and homeowners are in financial uncertainty due to circumstances woudn their control. Passage of this bill will help ensure that Illinoisans across the state can truly be “all in” together as we face this pandemic and the devastating financial realities that come with it.
