Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony:

I am in support of the Emergency Renter and Homeowner Protection Act, HB5574 because as of next month, I won't have enough money to pay my rent for the first time in my life. I was working 2 jobs and lost them both because of the pandemic. I'm scared and I know there are more people who are even worse off than I am. Shelter is a human right, even more so during a crisis where we are meant to be at home. Please help.
