Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony:

I am in support of the Emergency Renter and Homeowner Protection Act, HB5574 because our city needs financial relief from this crisis, it is the obvious and right thing to do. Renters and homeowners should not be pitted against one another, certainly no one should be trying to turn a profit off of the individuals most gravely affected by this pandemic, and no one should fear for losing their home during these incredibly trying circumstances.
