Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony:

I am in support of the Emergency Renter and Homeowner Protection Act, HB5574 because it brings real relief to the hundreds of thousands who are suffering income insecurity during this crisis. No one should lose their home due to a pandemic. As one of many recent college grads who can't get unemployment help, we are struggling to pay rent and our parents cannot support us. Some of them have been furloughed, some of them have been suffering from poverty for years. Now, when young people cannot go get a gig economy and make ends meet, we need your help in the form of rent relief. Act now!!
