Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony: I support the Emergency Renter and Homeowner Protection Act, HB5574 because I'm concerned about the countless Chicagoans that will be evicted from their homes when the moratorium is lifted. We are not just in the middle of a health crisis, we are additionally in the midst of a housing crisis as thousands are unable to pay their rent and mortgages as a result of losing their job or having their hours cut. Housing is a human right, and this bill provides the proper protections to guarantee that that is the case in Illinois.
