Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony:

I support the Emergency Renter and Homeowner Protection Act, HB5574 because my household is among numerous others that have lost income due to the pandemic. I am unable to pay rent, and there is nothing preventing my landlord from evicting me in the foreseeable future. It will take a long time for Illinois, and especially its low-income residents, to recover, and no one should have to fear losing their home in this process.
