**Supporting:** HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

**Testimony:**

I'm in support of the Emergency Renter and Homeowner Protection Act, HB5574, because there are hundreds of thousands of people who need help. In my job, I see the data of people who are suffering under this pandemic and it makes me sick to my stomach. We need people who are willing to fight for the regular person. No one should go homeless during this nightmare scenario.
