

**Name:** Ann Davidson

**Representing:** Ann Davidson

**Supporting:** HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

**Testimony:**

I support HB5574 because this is an unprecedented time and it is simply unreasonable to ask individuals who have lost work for reasons out of their control to pay rent. The only way to get through the pandemic is to follow stay at home orders, which will be impossible if we're throwing people out of their homes. Lives are at stake!
