Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony:

I am in support of the Emergency Renter and Homeowner Protection Act, HB5574 since it will bring relief & support to hundreds of thousands who are facing difficulties and suffering during this pandemic. No one should live in fear of losing their home during a pandemic. No one should live in fear of being persecuted when they don't have an income due to a pandemic. It also is unfair to the essential workers to expect them to support the economy and be the only ones expected to pay while we expose ourselves to the coronavirus daily.
