Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony:

I am in support of the Emergency Renter and Homeowner Protection Act, HB5574 because it brings real relief to the hundreds of thousands who are suffering income insecurity during this crisis. No one should lose their home due to a pandemic.

Please support workers and families in this incredibly trying time. If you do not pass, there will be more families on the streets and in shelters, which will negatively contribute to our efforts to slow the pandemic. Additionally, without renter and homeowner protection, it will further deepen this economic crisis and ensure it further exacerbates inequality well into the future. This is a once and a life time moment. Please be understanding and brave. Stand up for your constituents right to be housed always, but especially during a pandemic.
