Hi.

I hope you had a good weekend.

Fidel, is there any update on these five you can give me?

██████████
Attached are the resumes we spoke about last week. As I indicated, I suggest the following placements:

██████████: Economic Development in Oak Brook with ██████████
██████████: Call Center Project in Commercial Center with ██████████
██████████: External Affairs, OFP with ██████████

I spoke to ██████████, ██████████ and ██████████ on the interns. I know ██████████ would like at least a phone interview with ██████████.
██████████ and ██████████ are both high school students. I need your thoughts on placing these two.

Thanks

Fidel
