[REDACTED] and Fidel,

I hope this note finds you well.

This is your second of maybe three recommendations for the "R" position on your employed government affairs staff. Again, David and I are very happy to provide you with a very qualified person. [REDACTED] has a little different skill set than [REDACTED] but as "manning" the floor she understands the personalities a little better than [REDACTED]. On the other hand [REDACTED] has been part of campaigns which we think is invaluable.

So, we hope you take the time to interview [REDACTED] also and determine for yourselves, of course, if she fits within our culture and chemistry.

Thanks.

Best, Mike
