Hi Mike, at various times over the last two years we have discussed [REDACTED]'s status and your potential interest that she might be a fit for ComEd. I'm passing a long her resume with my highest recommendation.

I believe that Jim Durkin is moving forward with someone else as his spokesperson so she is currently looking at other opportunities. Even though Durkin is moving on with someone else, she has a strong relationships with our members.

Please let me know if you have any questions.

Further, on a separate note, let me know if you are ever available to have lunch.

Hope all is well with your family.
