Subject: ComEd Representation

Mr. [REDACTED],

As you know, there was a communications issue between your firm and ComEd earlier this year and, in light of that, I requested that you cease work on behalf of the Company, absent taking actions necessary to prevent prejudice. Subsequently, you provided information we had requested. Accordingly, it is appropriate for you to continue your representation of the Company.

[REDACTED] will be your primary company contact for this property tax work. Please keep her informed as our matters progress. We all look forward to working with you and your father.

There is one issue that we will need to look into. During the period of the communications issue, it appears that some work was done with respect to Tech Center. Of course, there is no need to duplicate work that has already been done. Therefore, we need to figure out what has happened thus far and how to address that. What is the best way for us to contact you about this?
