Fidel,

I got a call from [REDACTED] just now.

He would like to be considered by ComEd but if it is not in the cards he just would like to know. He has other opportunities and would like to choose a pathway. If we are still going to meet with him then he is okay with that fact.

If you remember he was recommended by Dave Gross and the President.

I know this it gratuitous and un-professional but he is African-American. He is very, very talented and has some offers for lobbying contracts. He does not want to lose them during this period of time.

Thanks.

Best, Mike

Hey Mike,

I haven't heard anything as of yet. I'm assuming because people are out for the holiday.

I'll keep you posted.
