As you know I am uncomfortable about how slow ComEd was in addressing your potential employment. I again apologize. ComEd does not walk alone in these waters but I still think it took way too long.

But...but...I came across this item that I think you are well suited for in my opinion. I thought I should send it to you.

I am a Cardinals fan so I like baseball but the Ricketts Family seem to want to show that they can produce a competitive team. We will see. It can only go up.

But, I have no idea if you are interested but I do know that my contacts within ComEd are frustrated also on the time frame for you. So, we hope this works for you if you want it to work.

My best,

Mike
