6. Real Estate returned a temporary license agreement to M-Block and their contractor and included Bedford Park Mayor on 12/19/2014, prior to the holiday as they requested. We have not heard back from the customer.

The temporary license agreement was \$25,000 for one year. It is renewable for two additional years as they work toward purchasing the adjacent property for a permanent access roadway.

The Village of Bedford Park is currently in discussion with the adjacent property owner, Sterling Steel, to purchase the lot next door and then sell to M-Block for a permanent access solution. At this time, the Village does not have a formal written purchase agreement. Until they have a written purchase agreement, our temporary license agreement is pending.
